- . Sale of Personal Property May Result in Gain to MHP Limited Partners. In order to facilitate the participation of MHP in the Merger without adversely affecting Host REIT's qualification as a REIT, the Operating Partnership will require, as part of the Merger, that MHP sell a portion of the personal property associated with its Hotels to a Non-Controlled Subsidiary. This sale will be a taxable transaction and may result in an allocation of a relatively modest amount of ordinary recapture income by MHP to MHP Limited Partners. This income, if any, will be allocated to each MHP Limited Partner in the same proportion and to the same extent that such MHP Limited Partner was allocated any deductions directly or indirectly giving rise to the treatment of such income as recapture income. An MHP Limited Partner who receives such an allocation of recapture income would not be entitled to any special distribution from MHP in connection with the sale of personal property.
- . Exchange Value May Not Equal Fair Market Value of MHP's Hotels. Each MHP Limited Partner who retains OP Units or elects to exchange OP Units for Common Shares will receive consideration with a deemed value equal to the Exchange Value of such MHP Limited Partner's Partnership Interest. The determination of the Exchange Value of MHP involves numerous estimates and assumptions. There is no assurance that the Exchange Value of MHP will equal the fair market value of the Hotels and other assets contributed by MHP. See "Determination of Exchange Value of MHP and Allocation of OP Units."
- . Allocation of OP Units to Host REIT Is Different from Allocation of OP Units to the Partnerships. Following the REIT Conversion, Host REIT will own a number of OP Units equal to the number of shares of Host common stock outstanding on the Effective Date (including the OP Units to be received by the General Partners and other subsidiaries of Host in the Mergers and the OP Units to be acquired from Limited Partners who elect to exchange OP Units for Common Shares in connection with the Mergers) and, if Host has outstanding shares of preferred stock at the time of the REIT Conversion, a corresponding number of preferred partnership interests in the Operating Partnership. Host REIT's OP Units, in the aggregate, should fairly represent the market value of Host REIT but may not be equal to the fair market or net asset value of the Hotels and other assets that Host will contribute to the Operating Partnership. The Partnerships will receive OP Units in the Mergers with a deemed value equal to the Exchange Value of such Partnership. The different methods of allocating OP Units to Host REIT and the Partnerships may result in Limited Partners not receiving the fair market value of their Partnership Interests and Host REIT receiving a higher percentage of the interests in the Operating Partnership. See "Determination of Exchange Value of MHP and Allocation of OP Units."
- . Allocations of OP Units to Blackstone Entities and Private Partnerships Were Not Determined by the Exchange Value Methodologies. The price and other terms of the acquisitions of certain Private Partnerships and the Blackstone Acquisition (and thus the allocation of OP Units resulting therefrom) were determined by arm's length negotiations. The assets to be acquired in the Blackstone Acquisition did not generate, in the aggregate, pro forma net income for 1997 or the First Two Quarters 1998. If the partners' interests in the Private Partnerships and the assets of the Blackstone Entities had been valued by the same methodologies used to determine the Exchange Values in the Mergers, the value of the OP Units to be allocated to such partners or the Blackstone Entities may have been less than they actually will receive. The different methods of allocating OP Units may result in the MHP Limited Partners and other Limited Partners receiving relatively less for their Partnership Interests than the partners in the Private Partnerships and the Blackstone Entities.
- . Price of OP Units or Common Shares Might Be Less than the Fair Market Value of the MHP Limited Partners' Partnership Interests. The price of an OP Unit for purposes of the Merger will be equal to the average closing price on the NYSE of a Host REIT Common Share for the first 20 trading days after the Effective Date of the Merger (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). This pricing mechanism has the effect of fixing the minimum and maximum number of OP Units to be issued in the Mergers. It is likely that, either initially or over time, the value of the publicly traded

Common Shares of Host REIT (and therefore the value of the OP Units) will diverge from the deemed value of the OP Units used for purposes of the Merger. This could result in the MHP Limited Partners receiving OP Units or Common Shares with an actual value that is less than either the price of the OP Units for purposes of the Merger or the fair market value of their Partnership Interests.

- . Inability of MHP Limited Partners Who Retain OP Units to Redeem OP Units for One Year. MHP Limited Partners who retain OP Units received in the Merger will be unable to redeem such OP Units for one year following the Merger. Until then, MHP Limited Partners will bear the risk of illiquidity and of not being able to sell in a falling market.
- . Current Host Common Stock Price Is Not Necessarily Indicative of the Price of Host REIT Common Shares Following the REIT Conversion. Host's current stock price is not necessarily indicative of how the market will value Host REIT Common Shares following the REIT Conversion. The current stock price of Host reflects the current market valuation of Host's current business and assets (including the Crestline common stock and cash or other consideration to be distributed in connection with the REIT Conversion (the "Initial E&P Distribution")) and not solely the business and assets of Host REIT following the REIT Conversion. Host's current stock price also is affected by general market conditions.
- . Value of the Notes Will Be Less than the Exchange Value of MHP. In exchange for OP Units received in the Merger, each MHP Limited Partner may elect to receive an unsecured, seven-year Note of the Operating Partnership with a principal amount equal to the Note Election Amount of his Partnership Interest, which is based upon numerous assumptions and estimates. The deemed value of the OP Units to be received by the MHP Limited Partners will exceed the principal amount of the corresponding Notes (because the Exchange Value will be higher than the Note Election Amount) and there is no assurance that the Note an MHP Limited Partner receives will have a value equal to either (i) the fair market value of the MHP Limited Partner's share of the Hotels and other assets owned by MHP or (ii) the principal amount of the Note. There will be no public market for the Notes. If the Notes are sold, they may sell at prices substantially below their issuance price. Noteholders are likely to receive the full principal amount of a Note only if they hold the Note to maturity, which is December 15, 2005, or if the Operating Partnership repays the Notes prior to maturity. Because the Notes are unsecured obligations of the Operating Partnership, they will be effectively subordinated to all secured debt of the Operating Partnership and all obligations of both the Participating Partnerships and the Operating Partnership's other subsidiaries. See "Description of the Notes." As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership would have had aggregate consolidated debt of approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities) to which the Notes were effectively subordinated or which ranks equally with such Notes.
- . Timing of the REIT Conversion. Host intends to cause the REIT Conversion to be completed as soon as possible, but there is no assurance that it will be completed during 1998 in time for Host REIT to elect REIT status effective January 1, 1999. The deadline for consummation of the Merger is June 30, 1999, unless extended by mutual agreement of the Operating Partnership and the General Partner to a date no later than December 31, 1999. If the REIT Conversion does not occur in 1998, the effectiveness of Host REIT's election could be delayed to January 1, 2000, which would result in Host REIT continuing to pay substantial corporate-level income taxes in 1999 (which would reduce the estimated cash distributions per Common Share during 1999 to \$0.49 per Common Share, but not the estimated cash distributions of \$0.84 per OP Unit) and could cause the Blackstone Acquisition not to be consummated.
- . Fundamental Change in Nature of Investment; Potential Underperformance. The Merger and the REIT Conversion involve a fundamental change in the nature of an MHP Limited Partner's investment from holding an interest in MHP, which was structured as a tax shelter and tax credit investment, is a finite-life entity, has a fixed portfolio of two Hotels and distributes the cash flow from the operation of such Hotels to the MHP Limited Partners, to holding a direct or indirect interest in the Operating Partnership, an ongoing real estate company with an expected portfolio of approximately 125 Hotels that (i) collects and distributes to its limited partners rents received from the Lessees (which will bear the risks and receive the direct benefits of the Hotels' operations), (ii) has the ability to acquire additional hotels and (iii) is

able to reinvest proceeds from sales or refinancings of existing Hotels in other hotels. In addition, each MHP Limited Partner's investment will change from one that allows an MHP Limited Partner to receive a return of capital in the form of distributions from any net proceeds of a sale or refinancing of MHP's assets to an investment in which an MHP Limited Partner who retains OP Units likely would realize a return of capital only through the exercise of the Unit Redemption Right. Those MHP Limited Partners who elect to receive Common Shares in connection with the Merger will hold an equity interest in a publicly traded REIT that (i) provides immediate liquidity, (ii) intends to make distributions to its shareholders in an amount equal to at least 95% of its taxable income, (iii) allows shareholders to influence management by participation in the election of directors and (iv) realizes substantial corporate tax savings as long as certain requirements are met. An MHP Limited Partner's share of the liquidation proceeds, if any, from the sale of MHP's Hotels could be higher than the amount realized upon exercise of the Unit Redemption Right (or payments on any Note received by an MHP Limited Partner who elects to exchange his OP Units for such Note in connection with the Merger). An investment in the Operating Partnership or Host REIT may not outperform an investment in MHP. See "Comparison of Ownership of Partnership Interests, OP Units and Common Shares."

- . Exposure to Market and Economic Conditions of Other Hotels. As a result of the Merger, MHP Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will own interests in a much larger enterprise with a broader range of assets than MHP individually. A material adverse change affecting the Operating Partnership's assets will affect all Limited Partners, including MHP Limited Partners, regardless of whether a particular Limited Partner previously was an investor in such affected assets. MHP owns discrete assets and the Mergers and the REIT Conversion will significantly diversify the types and geographic locations of the Hotels in which the MHP Limited Partners will have interests. As a result, the Hotels owned by the Operating Partnership may be affected differently by economic and market conditions than the Hotels previously owned by MHP.
- . MHP Limited Partners Have No Cash Appraisal Rights. MHP Limited Partners who vote against the Merger have no right to receive cash based upon an appraisal of their Partnership Interests.
- . Uncertainties as to the Size and Leverage of the Operating Partnership. The MHP Limited Partners cannot know at the time they vote on the Merger the exact size and amount of leverage of the Operating Partnership. Host is an existing operating company that regularly issues and repays debt, acquires additional hotels and disposes of existing hotels. Also, some or all of the Partnerships may elect not to participate in a Merger. In addition, outside partners in certain Private Partnerships may not consent to a lease of their partnership's Hotel(s). In either such case, Host will contribute its interests in such Partnerships and Private Partnerships to the Operating Partnership, but the Operating Partnership may, in turn, contribute such interests to a Non-Controlled Subsidiary, which will be subject to corporate-level income taxation. Host also may repurchase outstanding securities or issue new debt or equity securities prior to the consummation of the Mergers and the REIT Conversion.
- . Lack of Control over Hotel Operations and Non-Controlled Subsidiaries. Due to current federal income tax law restrictions on a REIT's ability to derive revenues directly from the operation of a hotel, the Operating Partnership will lease virtually all of its consolidated Hotels to the Lessees, which will operate the Hotels by continuing to retain the existing managers of the Hotels (the "Managers") pursuant to the existing long-term Management Agreements. The Operating Partnership will not operate the Hotels or participate in the decisions affecting the daily operations of the Hotels. The Operating Partnership will have only a limited ability to require the Lessees or the Managers to operate or manage the Hotels in any particular manner and no ability to govern any particular aspect of their day-to-day operation or management. The Operating Partnership also will not own any of the voting stock of the Non-Controlled Subsidiaries, which may own, in the aggregate, up to 20% by value of the Operating Partnership's assets. Therefore, the Operating Partnership will be dependent for its revenue upon the ability of the Lessees and the Managers to operate and manage the Hotels and the Non-Controlled Subsidiaries to operate and manage their businesses.
- . Dependence upon Crestline. Crestline and its subsidiaries will be the Lessees of substantially all of the Hotels and their rent payments will be the primary source of Host REIT's revenues. Crestline's financial

condition and ability to meet its obligations under the Leases will determine the Operating Partnership's ability to make distributions to holders of OP Units, including Host REIT, and Host REIT's ability, in turn, to make distributions to its shareholders. As of June 19, 1998, on a pro forma basis, after giving effect to the REIT Conversion, Crestline would have had approximately \$315 million of indebtedness (including \$100 million due to Host REIT to pay for hotel working capital purchased from Host REIT but not including guarantees of obligations of Crestline's subsidiaries under the Leases and the Management Agreements) and Crestline can incur additional indebtedness in the future. There can be no assurance that Crestline will have sufficient assets, income and access to financing to enable it to satisfy its obligations under the Leases. In addition, the credit rating of the Operating Partnership and Host REIT will be affected by the general creditworthiness of Crestline.

Expiration of Leases and Possible Inability to Find Other Lessees. The Leases generally will expire seven to ten years after the Effective Date and there can be no assurance that the affected Hotels will be relet to the Lessees (or if relet, will be relet on terms as favorable to the Operating Partnership). If the Hotels are not relet to the Lessees, the Operating Partnership will be required to find other lessees, which lessees must meet certain requirements set forth in the Management Agreements and the Code. There can be no assurance that satisfactory lessees could be found or as to the terms and conditions on which the Operating Partnership would be able to relet the Hotels or enter into new leases with such lessees, which could result in a failure of Host REIT to qualify as a REIT or in reduced cash available for distribution.

Requisite Vote of MHP Limited Partners Binds All MHP Limited Partners. For MHP, approval by a majority of the Partnership Interests of MHP that are eligible to be voted is required to approve the Merger and the related amendments to the partnership agreement, as described in "Voting Procedures--Required Limited Partner Vote and Other Conditions." Such approval will cause MHP to participate in the Merger and will bind all MHP Limited Partners, including MHP Limited Partners who voted against or abstained from voting with respect to the Merger and the related amendments to the partnership agreement.

Inability to Obtain Third-Party Consents May Have a Material Adverse Effect. There are numerous third-party consents which are required to be obtained in order to consummate the Mergers and the REIT Conversion. The inability of Host, the Operating Partnership or Host REIT to obtain one or more of such consents may cause a default under cross-default provisions of the Company's principal credit facilities or otherwise have a material adverse effect on the Operating Partnership and Host REIT and thus could reduce the value of the OP Units and Common Shares. The agreement of merger specifically provides that in the event the outside partner in Marriott's Harbor Beach Resort does not consent to the REIT Conversion, the Operating Partnership will have the right to terminate such merger agreement.

Competition in the Lodging Industry. The profitability of the Hotels is subject to general economic conditions, the management abilities of the Managers (including primarily Marriott International), competition, the desirability of particular locations and other factors relating to the operation of the Hotels. The full-service segment of the lodging industry, in which virtually all of the Hotels operate, is highly competitive and the Hotels generally operate in geographical markets that contain numerous competitors. The Hotels' success will be dependent, in large part, upon their ability to compete in such areas as access, location, quality of accommodations, room rate structure, the quality and scope of food and beverage facilities and other services and amenities. The lodging industry, including the Hotels (and thus the Operating Partnership), may be adversely affected in the future by (i) national and regional economic conditions, (ii) changes in travel patterns, (iii) taxes and government regulations which influence or determine wages, prices, interest rates, construction procedures and costs, (iv) the availability of credit and (v) other factors beyond the control of the Operating Partnership.

Substantial Indebtedness of the Operating Partnership. The Operating Partnership will have substantial indebtedness. As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership had outstanding indebtedness totaling approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities), which represents an approximately 62% debt-to-total market capitalization ratio on a pro forma basis at such date (based upon a price per

Common Share of Host REIT of \$12.50). The Operating Partnership's business is capital intensive and it will have significant capital requirements in the future. The Operating Partnership's leverage level could affect its ability to (i) obtain financing in the future, (ii) undertake refinancings on terms and subject to conditions deemed acceptable by the Operating Partnership, (iii) make distributions to partners (including Host REIT), (iv) pursue its acquisition strategy or (v) compete effectively or operate successfully under adverse economic conditions.

- . No Limitation on Debt. There are no limitations in Host REIT's or the Operating Partnership's organizational documents which limit the amount of indebtedness either may incur, although both the Notes and the Operating Partnership's other debt instruments will contain certain restrictions on the amount of indebtedness that the Operating Partnership may incur.
- . Rental Revenues from Hotels Subject to Prior Rights of Lenders. In accordance with the mortgage loan agreements with respect to outstanding indebtedness of certain Hotel Partnerships, the rental revenues received by such Hotel Partnerships under certain Leases first will be used to satisfy the debt service on such outstanding indebtedness with only the cash flow remaining after debt service being available to satisfy other obligations of the Hotel Partnership (including paying property taxes and insurance, funding the required FF&E reserves for the Hotels and capital improvements and paying debt service with respect to unsecured debt) and to make distributions to holders of OP Units (including Host REIT).
- . Ownership Limitations. No person or persons acting as a group may own, actually or constructively (as determined under the applicable Code provisions), (i) in excess of 9.8% of the number or value of outstanding Common Shares of Host REIT or (ii) in excess of 4.9% of the value of the OP Units (other than Host REIT and The Blackstone Group), subject to waiver or modification by Host REIT or the Operating Partnership, as the case may be, in certain limited circumstances.
- . Anti-Takeover Effect of Certain Provisions of Host REIT's Charter and Bylaws, Maryland Law and the Shareholder Rights Plan. The Articles of Incorporation (the "Charter") and Bylaws of Host REIT to be effective upon completion of the merger of Host with and into Host REIT, as well as provisions of Maryland law, contain certain provisions that could have the effect of delaying, deferring or preventing a change in control of Host REIT. These provisions could limit the price that certain investors might be willing to pay in the future for Common Shares. Certain of these provisions provide for a staggered board and allow Host REIT to issue, without shareholder approval, preferred shares having rights senior to those of the Common Shares. The Board of Directors also is authorized, without a vote of shareholders, to amend the Charter to increase or decrease the number of authorized common or preferred shares and to classify or reclassify unissued common or preferred shares into another class or series of shares. Other provisions impose various procedural and other requirements that could make it difficult for shareholders to effect certain corporate actions. The Charter also provides that no person or persons acting as a group may own more than 9.8% (in number or value) of the outstanding shares of any class or series of shares of Host REIT. Host REIT also intends to adopt a Shareholder Rights Plan to replace the existing stockholder rights plan of Host. Host REIT also will become subject to the business combination and control share provisions under Maryland law. Marriott International, Inc. ("Marriott International") has the right to purchase up to 20% of each class of Host's outstanding voting stock at the then fair market value upon the occurrence of certain change of control (or potential change of control) events involving Host, which right will continue in effect after the Merger until June 2017, subject to certain limitations intended to protect the REIT status of Host REIT. See "Certain Provisions of Maryland Law and Host REIT's Charter and Bylaws."
- . Effect of Subsequent Events upon Recognition of Gain. Even though the MHP Limited Partners (other than those who elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) generally are not expected to recognize significant taxable gain at the time of the Merger, there are a variety of events and transactions (including the sale of one or more of the Hotels currently owned by MHP or the reduction of indebtedness securing one or more of the Hotels) that could cause an MHP Limited Partner to recognize all or a part of the gain that otherwise has been deferred through the REIT Conversion. See "Federal Income Tax Consequences--Tax Treatment of MHP Limited Partners

Who Hold OP Units Following the Merger." Certain Hotels (including the Blackstone Hotels) will be covered by agreements with third parties which will restrict the Operating Partnership's ability to dispose of those properties or refinance their debt. In addition, if Atlanta Marquis participates in the Mergers, the Operating Partnership will succeed to an existing agreement that will restrict its ability to dispose of the Atlanta Marquis Hotel or to refinance the debt secured by such Hotel without compensating certain outside partners for the resulting adverse tax consequences. The partnership agreement of the Operating Partnership, which is substantially in the form attached to the Consent Solicitation as Appendix A (the "Partnership Agreement"), does not impose any restrictions on the Operating Partnership's ability to dispose of the Hotels or to refinance debt secured by the Hotels (but the Operating Partnership is obligated to pay any taxes Host REIT incurs as a result of such transactions). In addition, the Partnership Agreement provides that Host REIT, as general partner of the Operating Partnership, is not required to take into account the tax consequences of the limited partners in deciding whether to cause the Operating Partnership to undertake specific transactions (but the Operating Partnership is obligated to pay any taxes that Host REIT incurs as a result of such transactions) and the limited partners have no right to approve or disapprove such transactions. See "Description of OP Units--Sales of Assets."

- . Election to Exchange OP Units for Common Shares. An MHP Limited Partner who elects to receive Common Shares in exchange for his OP Units in connection with the Merger (the "Common Share Election") will be treated as having made a fully taxable disposition of his OP Units, which likely would be deemed to occur at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998). If he has a "negative capital account" with respect to his Partnership Interest, he will recognize "phantom income" (i.e., the income recognized would exceed the value of the Common Shares by the amount of his negative capital account). Such MHP Limited Partner may not defer recognition of any part of the gain realized from the exchange under the "installment sale" rules. See "Federal Income Tax Consequences--Tax Treatment of MHP Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election." An MHP Limited Partner who elects to receive Common Shares in connection with the Merger will not receive the Crestline common stock or any other portion of the Initial E&P Distribution, which will have been distributed before they become shareholders of Host REIT (approximately 25 trading days after the Effective Date of the Merger).
- . Election to Exchange OP Units for Notes. An MHP Limited Partner who elects to receive a Note in exchange for his OP Units in connection with the Merger (the "Note Election") will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur on the Effective Date of the Merger (which currently is expected to occur on December 30, 1998). An MHP Limited Partner who receives a Note may be eligible to defer a majority of that gain under the "installment sale" rules until principal on the Note is paid. An MHP Limited Partner with a "negative capital account" with respect to his Partnership Interest who elects to receive a Note in connection with the Merger will recognize "phantom income" in that amount in any event at the time the taxable disposition is deemed to occur. See "Federal Income Tax Consequences--Tax Treatment of MHP Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election."
- . Failure of Host REIT to Qualify as a REIT for Tax Purposes. Taxation of Host REIT as a corporation if it fails to qualify as a REIT, and Host REIT's subsequent liability for federal, state and local taxes on its income and property, would, among other things, have the effect of reducing cash available for distribution to Host REIT's shareholders and materially reducing the value of the Common Shares and OP Units.
- . Failure of the Operating Partnership to Qualify as a Partnership for Tax Purposes. Taxation of the Operating Partnership as a corporation if it fails to qualify as a partnership and the Operating Partnership's subsequent liability for federal, state and local income taxes, would, among other things, have the effect of reducing cash available for distribution to holders of OP Units and Common Shares, would cause Host REIT to fail to qualify as a REIT for tax purposes and would cause the holders of OP Units to recognize substantial taxable gain at the time the Operating Partnership ceases to qualify as a partnership.

- . Failure of the Leases to Qualify as Leases. If one or more of the Leases of the Hotels to the Lessees were to be disregarded for tax purposes (for example, because a the Lease was determined to lack economic substance), Host REIT could fail to qualify as a REIT and the Operating Partnership might be treated as a corporation for federal income tax purposes, which would have a material adverse impact on the MHP Limited Partners and the value of the OP Units and the Common Shares.
- . Change in Tax Laws. No assurance can be provided that new legislation, Treasury Regulations, administrative interpretations or court decisions will not significantly change the tax laws with respect to Host REIT's qualification as a REIT or the federal income tax consequences of such qualification.
- . MHP Limited Partners Need to Consult with Their Own Tax Advisors. Because the specific tax attributes of an MHP Limited Partner and the facts regarding such MHP Limited Partner's interest in MHP could have a material impact on the tax consequences to such MHP Limited Partner of the Merger (including the decision whether to elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) and the subsequent ownership and disposition of OP Units, Common Shares or a Note, it is essential that each MHP Limited Partner consult with his own tax advisors regarding the application of federal, foreign and state and local tax laws to such MHP Limited Partner's personal tax situation.
- . Effect of Possible Classification as a Publicly Traded Partnership on Passive Losses. There is a significant possibility that the Operating Partnership could be classified as a "publicly traded partnership," in which event the MHP Limited Partners would not be able to use suspended passive activity losses from other investments (including from MHP) to offset income from the Operating Partnership. It is estimated that each MHP Limited Partner who purchased his Partnership Interest at the time of the original offering of such Interests, has held such Partnership Interest continuously since that time and whose Partnership Interest has been his only investment in a passive activity would have a passive activity loss carryforward as of December 31, 1998.
- . Host REIT's Substantial Deferred Tax and Contingent Liabilities. Host REIT will have substantial deferred tax liabilities attributable to Host's assets and operations that are likely to be recognized in the next ten years (notwithstanding Host REIT's status as a REIT), and the IRS could assert substantial additional liabilities for taxes against Host for taxable years prior to the time Host REIT qualifies as a REIT. Under the terms of the REIT Conversion and the Partnership Agreement, the Operating Partnership will be responsible for paying (or reimbursing Host REIT for the payment of) all such tax liabilities as well as any other liabilities (including contingent liabilities and liabilities attributable to litigation that Host REIT may incur) whether such liabilities are incurred by reason of Host's activities prior to the REIT Conversion or the activities of Host REIT subsequent thereto.

Because REITs are not permitted under current federal income tax law to derive revenues directly from the operation of hotels, the Operating Partnership will lease the Hotels to lessees (the "Lessees") that will operate the Hotels under the existing management agreements and pay rent to the Operating Partnership, as more fully described herein. The Lessees generally will be wholly owned indirect subsidiaries of Crestline. Crestline, which currently is a wholly owned subsidiary of Host, will become a separate public company when Host or Host REIT distributes the common stock of Crestline and cash or other consideration to its existing shareholders and the Blackstone Entities in connection with the REIT Conversion. Shares of Host REIT and Crestline will become separately traded securities and the companies will operate independently. There will be no overlap between the boards of Host REIT and Crestline. There will be a substantial overlap of shareholders of the two companies initially, but this overlap will diverge over time.

HOTEL PROPERTIES MANAGEMENT, INC. (THE "GENERAL PARTNER"), THE GENERAL PARTNER OF MHP AND A WHOLLY OWNED SUBSIDIARY OF HOST MARRIOTT, BELIEVES THAT THE MERGER PROVIDES SUBSTANTIAL BENEFITS AND IS FAIR TO THE MHP LIMITED PARTNERS AND RECOMMENDS THAT ALL MHP LIMITED PARTNERS VOTE FOR THE MERGER AND FOR THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT.

The effects of the Mergers may be different for Limited Partners of the various Partnerships. This Supplement has been prepared to highlight for MHP Limited Partners the specific risks, benefits, effects and

fairness of the Merger to them and to provide other information specific to MHP. Supplements have also been prepared for each of the other Partnerships. This Supplement, together with the supplements of the other Partnerships (collectively, the "Supplements"), are part of the Consent Solicitation. Upon receipt of a written request by a Limited Partner or his representative so designated in writing, the General Partner will send a copy of any Supplement without charge. All requests for a copy of a Supplement should be directed to: Investor Relations, 10400 Fernwood Road, Bethesda, Maryland 20817, telephone number 301-380-2070 (between the hours of 9:00 a.m. and 4:00 p.m., Eastern time).

All cross-references refer to the Consent Solicitation unless the context indicates otherwise. Capitalized terms not defined herein shall have the meaning set forth in the Consent Solicitation. The information contained herein, unless otherwise indicated, assumes the REIT Conversion (including the Blackstone Acquisition) occurs with all Partnerships participating and no Notes being issued (the "Full Participation Scenario").

EXPECTED BENEFITS OF THE MERGER

The General Partner believes that participating in the Merger would likely be beneficial to the MHP Limited Partners for the reasons set forth below. This information is qualified by and should be read in conjunction with the information in the Consent Solicitation under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers." These benefits, which should be viewed as alternatives to continuing the business and operations of MHP, are expected to include:

- . Exchange Value of MHP. MHP Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will receive OP Units or Common Shares with an estimated Exchange Value equal to \$141,074 per Partnership Unit.
- . Liquidity. The REIT Conversion will offer MHP Limited Partners liquidity with respect to their investment in MHP because MHP Limited Partners can receive freely tradeable Host REIT Common Shares by electing to exchange OP Units for Common Shares in connection with the Merger or, for MHP Limited Partners who retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price of \$12.50 per Host REIT Common Share). The exercise of the election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
- . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. The General Partner expects that while these distributions will be lower than the estimated cash distributions from operations during 1998, of MHP the ability to receive distributions quarterly and in regular amounts would be enhanced. For additional information regarding historical and estimated future distributions for MHP and the other Partnerships, see "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers."
- . Substantial Tax Deferral for MHP Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes. The General Partner expects that MHP Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to their Partnership Interests that otherwise would be recognized in the event of a liquidation of MHP or a sale or other disposition of its assets in a taxable transaction (although MHP Limited Partners may recognize a relatively modest amount of ordinary income as the result of required sales of personal property to a Non-Controlled Subsidiary in order to facilitate Host REIT's qualification as a REIT). Thereafter, such MHP Limited Partners generally should be able to defer at least a substantial portion of such built-in gain until they elect to exercise their Unit Redemption Right, one or both of the Hotels currently owned, directly or

indirectly, by MHP are sold or otherwise disposed of in a taxable transaction by the Operating Partnership or the debt now secured by such Hotels is repaid, prepaid or substantially reduced. The federal income tax consequences of the Merger are highly complex and, with respect to each MHP Limited Partner, are dependent upon many variables, including the particular circumstances of such MHP Limited Partner. See "Federal Income Tax Consequences--Tax Consequences of the Merger." Each MHP Limited Partner is urged to consult with his own tax advisors as to the consequences of the Merger in light of his particular circumstances.

- . Risk Diversification. Participation in the Merger, as well as future hotel acquisitions by the Operating Partnership, will reduce the dependence of MHP Limited Partners upon the performance of, and the exposure to the risks associated with, MHP's Hotels and spread such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands. See "Business and Properties--Business Objectives."
- . Growth Potential. The General Partner believes that the MHP Limited Partners, by directly or indirectly owning interests in a publicly traded real estate company focused primarily on a more diverse and growing luxury and upscale full-service hotel portfolio, will be able to participate in growth opportunities that would not otherwise be available to them.
- . Greater Access to Capital. With publicly traded equity securities, a larger base of assets and a substantially greater equity value than MHP individually, Host REIT expects to have greater access to the capital necessary to fund the Operating Partnership's operations and to consummate acquisitions on more attractive terms than would be available to MHP individually. This greater access to capital should provide greater financial stability to the Operating Partnership and reduce the level of risk associated with refinancing existing loans upon maturity, as compared to MHP individually.
- . Public Market Valuation of Assets. The Partnership Units of MHP currently trade at a discount to the net asset value of MHP's assets. The General Partner believes that by exchanging interests in MHP, which is a non-traded, finite-life limited partnership with a fixed portfolio for interests in an ongoing real estate company focused primarily on a more diverse and growing full-service hotel portfolio and providing valuation based upon publicly traded Common Shares of Host REIT, the MHP Limited Partners will have the opportunity to participate in the recent trend toward ownership of real estate through a publicly traded entity, which, in many instances (although not currently), has resulted at various times in market valuations of public real estate companies in excess of the estimated net asset values of those companies. There can be no assurance, however, that the Common Shares of Host REIT will trade at a premium to the private market values of the Operating Partnership's assets or that they will not trade at a discount to private market values. Also, the benefit of Host's conversion to a REIT will not be shared by the MHP Limited Partners if and to the extent that such benefit is reflected in the market valuation of Host's common stock prior to the REIT Conversion.

If MHP does not participate in the Merger, its business will continue in its current manner; however, the Operating Partnership may elect to contribute some or all of its interest in MHP to a Non-Controlled Subsidiary.

DETERMINATION OF EXCHANGE VALUE OF MHP AND ALLOCATION OF OP UNITS

GENERAL. The Exchange Value of MHP will be equal to the greatest of its Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which has been determined as follows:

- . Adjusted Appraised Value. The General Partner has retained AAA to determine the market value of each of the Hotels as of March 1, 1998 (the "Appraised Value"). The "Adjusted Appraised Value" of MHP equals the Appraised Value of its Hotels, adjusted as of the Final Valuation Date for lender reserves, capital expenditure reserves, existing indebtedness (including a "mark to market" adjustment to reflect the market value of such indebtedness), certain deferred maintenance costs, deferred management fees and transfer and recordation taxes and fees.
- . Continuation Value. The "Continuation Value" of MHP represents AAA's estimate, as adopted by the General Partner, of the discounted present value, as of January 1, 1998, of the MHP limited partners'

share of estimated future cash distributions and estimated net sales proceeds (plus lender reserves), assuming that MHP continues as an operating business for twelve years and its assets are sold on December 31, 2009 for their then estimated market value.

. Liquidation Value. The "Liquidation Value" of MHP represents the General Partner's estimate of the net proceeds to MHP limited partners resulting from the assumed sale as of December 31, 1998 of the Hotel(s) of MHP, each at its Adjusted Appraised Value (after eliminating any "mark to market" adjustment and adding back the deduction for transfer and recordation taxes and fees, if any, made in deriving the Adjusted Appraised Value), less (i) estimated liquidation costs, expenses and contingencies equal to 2.5% of Appraised Value and (ii) prepayment penalties or defeasance costs, as applicable.

Final determination of the Exchange Value of MHP will be made as of the end of the four week accounting period ending at least 20 days prior to the Effective Date (the "Final Valuation Date") and will be equal to the greatest of Adjusted Appraised Value, Continuation Value and Liquidation Value as of such date. Adjusted Appraised Value, Continuation Value and Liquidation Value will be adjusted as of the Final Valuation Date (i) to reflect the amount of lender and capital expenditure reserves and the amount of deferred management fees as of such date, (ii) to increase the Adjusted Appraised Value by any amounts actually expended by MHP after the Initial Valuation Date to perform deferred maintenance that were previously subtracted in determining the estimated Adjusted Appraised Value of MHP and (iii) to reflect any changes in MHP's other reserves, such as for litigation expenses and indemnification costs and any revised estimates of transfer and recordation taxes and fees. The General Partner does not believe that any adjustments to the Exchange Value will be material; however, if any such changes are deemed to be material, the General Partner will provide the MHP Limited Partners with an opportunity to change their vote on the Merger.

APPRAISED VALUE. MHP's Hotels were appraised as of March 1, 1998 by AAA, an independent, nationally recognized hotel valuation and financial advisory firm experienced in the appraisals of lodging properties such as MHP's Hotels. Each appraisal (an "Appraisal") was reviewed by a Member Appraisal Institute ("MAI") appraiser and certified by such MAI appraiser as having been prepared in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation.

The purpose of each Appraisal is to provide an estimate of the "Market Value" of the related Hotel. "Market Value" means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably and assuming the price is not affected by undue stimuli. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (i) the buyer and seller are equally motivated; (ii) both parties are well informed or well advised, and each is acting in what he considers his own best interest; (iii) a reasonable time frame is allowed for exposure in the open market; (iv) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (v) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. AAA made site visits at all of MHP's Hotels for purposes of the Appraisals.

In preparing the Appraisals, AAA relied primarily on the income capitalization method of valuation, and then compared the value estimated by this method with recent sales of comparable properties, as a check on the reasonableness of the value determined through the income capitalization method. AAA employed the following procedures for determining the Appraised Value of each MHP Hotel:

. Historical 1997 and Projected Year's Earnings. AAA reviewed the historical 1997 net operating income (i.e., income before interest, taxes, depreciation and amortization) ("NOI") prior to incentive management fees and certain capital expenditures for the applicable Hotel. AAA also prepared a projection of the net operating income prior to incentive management fees and certain capital expenditures for the applicable Hotel for the twelve month period ending February 28, 1999 (the "Projected Year"), using historical financial information for each Hotel, budget information, a survey

with the manager of each Hotel addressing the physical condition of the Hotel, local market conditions (including business mix, demand generators, future trends and predictability of business), changes in the competitive environment, comparison with direct competitors of the Hotel and risk factors relating to the particular Hotel. The resulting gross margin (ratio of total revenues to NOI prior to incentive management fees) was checked against AAA's database of the gross margins for similar hotels for reasonableness.

- . Impact of Incentive Management Fees. AAA estimated a normalized annual amount of incentive management fees payable under the applicable management agreement and subtracted this amount from the net operating income prior to incentive management fees and certain capital expenditures for 1997 and the Projected Year.
- . Impact of Owner Funded Capital Expenditures. AAA estimated normalized annual amounts of owner funded capital expenditures (over and above the FF&E reserve) based in part on projected owner funded capital expenditures estimated in the Engineering Study. The normalized amounts were then subtracted from the NOI prior to owner funded capital expenditures for 1997 and the Projected Year.
- . Capitalization of Adjusted NOI. AAA then capitalized the amount resulting from the foregoing adjustments ("Adjusted NOI") for 1997 and the Projected Year by dividing such amounts by capitalization rates that AAA determined to be appropriate. A capitalization rate represents the relationship between net operating income and sales prices of income producing property. AAA selected the capitalization rates based upon its review of current published surveys reflecting the opinions of investors and participants such as REITs, hotel acquisition/management companies and pension funds, lenders, brokers and consultants as to current capitalization rates, and its own database of capitalization rates reflected in recent transactions, adjusted for factors specific to the Hotel, such as location, physical condition, reserve policies, local market volatility and competition, guest mix, renovation influences and other income characteristics. AAA used separate capitalization rates that it deemed appropriate to capitalize 1997 historical Adjusted NOI and estimated Projected Year's Adjusted NOI. AAA then estimated the value of each Hotel based upon each of the values estimated by capitalizing 1997 and Projected Year's Adjusted NOI and its professional judgment. The following table sets forth the effective capitalization rates for 1997 and Projected Year's Adjusted NOI resulting from AAA's estimated Appraised Values of MHP's Hotels.

RESULTING EFFECTIVE CAPITALIZATION RATES FOR APPRAISALS OF MHP'S HOTELS

1997 ----	PROJECTED YEAR (ENDING FEBRUARY 28, 1999) -----
8.8-9.4%	9.8-10.2%

APPRAISED VALUES OF MHP'S HOTELS

HOTEL -----	APPRAISED VALUE ----- (IN THOUSANDS)
Orlando World Center.....	\$292,500
Harbor Beach Resort.....	61,761(1)

Total.....	\$354,261 =====

- - - - -
(1) Excludes the 49.5% interest in the Harbor Beach Resort not owned by MHP.

- . Comparison with Comparable Sales. AAA checked the Appraised Value of each Hotel derived by the foregoing procedures against its database of comparable sale transactions for reasonableness.

In the case of Harbor Beach Resort, which is only partly owned by MHP, the Appraised Value of such Hotel was reduced proportionately to the amount attributable to MHP's ownership interest therein (but no adjustment was made to reflect the effect that the outside interest might have on decisions with respect to sales, refinancings or other major operational matters). With respect to MHP's Hotels, one property was encumbered

by a ground lease as of the date of the Appraisals. Accordingly, the Appraised Value of such Hotel has been decreased to reflect the encumbrance of the ground lease and the interest of the ground lessor in the operating cash flows of such Hotel. The Appraised Value assumes all contractual provisions for FF&E reserves are adequate and have not been reduced to reflect deferred maintenance or environmental remediation costs with respect to MHP's Hotels (but estimated deferred maintenance costs have been deducted in estimating the Adjusted Appraised Value of each of MHP's Hotels). The Appraised Value did not take into account the costs that might be incurred in selling the Hotels (but estimated costs for transfer and recordation taxes and fees have been deducted in estimating the Adjusted Appraised Value of each Hotel).

The Appraisals are not guarantees of present or future values and no assurance can be given as to the actual value of MHP's Hotels. The Appraisals should be read in conjunction with other information, such as, but not limited to, the audited financial statements of MHP.

The Appraised Value, and the assumptions underlying the projections on which the Appraised Value is based, are contingent upon a series of future events, the outcomes of which are not necessarily within the Operating Partnership's control and cannot be determined at this time. There can be no assurance that another appraiser would not have arrived at a different result. Some of the assumptions inevitably will not materialize and unanticipated events and circumstances will occur subsequent to the date of the Appraisals. Furthermore, the actual results achieved from MHP's Hotels will vary from the results projected in the Appraisals and the variations may be material.

ADJUSTED APPRAISED VALUE. The Adjusted Appraised Value of MHP was determined by totaling the Appraised Values of all of the Hotels of MHP and then making various adjustments to the aggregate Appraised Value, as described below.

- . Lender Reserves. MHP's debt service reserves are required to be held by third-party lenders. The amount of these lender reserves as of the Initial Valuation Date was added to the Appraised Values of these Hotels. A final determination of the lender reserves of MHP will be made on the Final Valuation Date and any changes in such reserves will be reflected in the Adjusted Appraised Value.)
- . Mortgage and Other Debt. The estimated principal balance and accrued interest (including participating interest that would accrue as a result of the Merger) as of the Effective Date (assumed to be December 31, 1998) of all mortgage and other debt of MHP has been subtracted from the Appraised Value.
- . Mark to Market Adjustment. The third-party loans of the Partnerships have various interest rates and terms to maturity. In order to reflect the market value of the third-party loans of each Partnership, the estimated Adjusted Appraised Value for MHP has been increased to "mark to market" the interest rate for such loans. This adjustment has been estimated by comparing the interest cost using the applicable interest rates on existing third-party loans over their remaining term to the interest cost using the interest rate that the Operating Partnership believes it would be able to obtain for unsecured debt in the market as of the Final Valuation Date (which would have been 8% per annum based on a 356 basis point (3.50%) spread over the yield on seven-year U.S. Treasury securities as of September 29, 1998). The mark to market adjustment for each loan was calculated by determining the difference between the present values, as of December 31, 1998, of the interest payments over the remaining term of the loan from January 1, 1999 to maturity using the actual interest rate as the discount rate as compared to using the assumed market rate as the discount rate.
- . Deferred Maintenance Costs. The estimated cost to complete any deferred maintenance items identified in the Engineering Study relating to MHP's Hotels have been subtracted from the Appraised Value. The adjustments for this item will be reduced at the Final Valuation Date to reflect amounts expended after the Initial Valuation Date to perform such deferred maintenance. No adjustments have been made for previously budgeted capital expenditures or deferred maintenance costs estimated in the Engineering Study that are reflected in the cash flow projections used for purposes of estimating Appraised Values.

The following table sets forth the adjustments to the aggregate Appraised Values made to derive the estimated Adjusted Appraised Value for MHP as of the Initial Valuation Date.

CALCULATION OF ESTIMATED ADJUSTED APPRAISED VALUE FOR MHP AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$ 354,261 (1)
Lender reserves.....	1,800
Mortgage debt.....	(192,137) (1)
Other debt.....	(722)
Mark to market adjustment.....	2,878
Deferred maintenance costs.....	(245)

Estimated Adjusted Appraised Value.....	\$ 165,835
	=====
Estimated General Partner's share(2).....	\$ 25,803
Estimated limited partner share of General Partner and a Host subsidiary.....	\$ 67,670
Estimated total limited partners' share(3).....	\$ 140,032
Per Partnership Unit.....	\$ 140,032

- -----
- (1) Excludes 49.5% of the \$122,300,000 Appraised Value of the Harbor Beach Resort and the \$82,266,000 in mortgage debt encumbering the Hotel.
 - (2) Excludes amounts attributable to limited partner interest of the General Partner.
 - (3) Includes estimated total limited partner share of a Host subsidiary.

CONTINUATION VALUE. AAA estimated the Continuation Value of MHP using the following methodology:

- . Estimated Future Cash Distributions. AAA prepared estimates of future partnership cash flow for MHP for the 12-year period from January 1, 1998 through December 31, 2009 based upon the estimated 1998 NOI before incentive management fees used in the Appraisals and for each subsequent year applying an assumed annual stabilized growth rate (as shown in the table below) developed by AAA for this analysis. For each year in the projection period, AAA estimated the amount of cash available for distribution to MHP's limited partners after payment of all management fees, debt service, owner funded capital expenditures based on the Engineering Study and other partnership expenses and after application of the applicable partnership agreement provisions. AAA assumed that MHP's FF&E reserve was adequate and understood that Host determined that there were no reserve shortfalls or surpluses.
- . Refinancing Assumptions. For MHP's debt that matures during the 12-year period, AAA assumed that the debt would be refinanced with an interest rate of 7.50% per annum and a 30-year amortization schedule, with estimated refinancing costs of 2% of the refinanced amount being paid from operating cash flow.
- . Determination of Residual Value. To estimate the residual value of the MHP limited partners' interest in MHP at the end of the 12-year period, AAA assumed that the MHP Hotels would be sold as of December 31, 2009 at their then market value. AAA estimated the market value of each Hotel as of such date by applying an exit capitalization rate that it deemed appropriate, using the factors described above in connection with the "--Appraised Value," which are set forth in the table below, to the estimated Adjusted NOI for 2009 (estimated as described above). AAA then subtracted estimated sales costs of 2% of the estimated market value, added lender reserves and subtracted the estimated outstanding principal balance of debt as of December 31, 2009 and deferred management fees to arrive at net sales proceeds available for distribution to partners. AAA then determined what portion of such estimated net sales proceeds would be distributable to MHP's limited partners under the partnership and debt agreements.
- . Discounting Distributions to Present Value. As a final step, AAA discounted the estimated future cash distributions to MHP's limited partners from operations and estimated net sales proceeds to their present value as of January 1, 1998, using a discount rate of 20% per annum. AAA believes that this discount rate reflects the return on investment that investors expect from leveraged investments of this nature.

While the 12-year period used by AAA is somewhat arbitrary and other firms may have used a different time period, the 12-year period was selected by AAA because it corresponds to the time period used in the Engineering Study to estimate owner funded capital expenditures. AAA and the General Partner believe that such 12-year period is within the accepted range of time periods used in valuations similar to the Continuation Value.

The growth rate and exit capitalization rate used to determine the estimated Continuation Value for MHP are as set forth below:

GROWTH RATE, EXIT CAPITALIZATION RATE AND ESTIMATED CONTINUATION VALUE FOR MHP

(DOLLARS IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNTS)

GROWTH RATE	EXIT CAPITALIZATION RATE (2009)	ESTIMATED CONTINUATION VALUE	ESTIMATED GENERAL PARTNER'S SHARE	ESTIMATED LIMITED PARTNER'S SHARE (2)	ESTIMATED CONTINUATION VALUE (PER PARTNERSHIP UNIT)
3.65%(1)	9.9%	\$153,031	\$11,957	\$141,074	\$141,074

(1) Reflects the average of the stabilized growth rates of Harbor Beach Resort (3.80% each year) and Orlando World Center (3.50% beginning in 2003 to reflect the effect of the planned expansion of the Hotel).

(2) Includes amounts attributable to interests of General Partner and a Host subsidiary.

LIQUIDATION VALUE. The Liquidation Value of MHP was estimated by the General Partner and represents the estimated value of MHP if all of its assets were sold as of December 31, 1998. Such value was based upon the Adjusted Appraised Value of MHP, with the following adjustments: (i) the "mark to market" adjustment used to estimate the Adjusted Appraised Value was eliminated and instead prepayment or defeasance costs that would be payable under existing debt agreements (regardless of whether the debt in fact can be prepaid on December 31, 1998) were deducted from the Appraised Value; and (ii) the deduction for transfer and recordation taxes and fees used to estimate the Adjusted Appraised Value was eliminated and instead an amount equal to 2.5% of the Appraised Value of MHP's Hotels was subtracted from the Appraised Value for estimated liquidation costs, expenses and contingencies. The General Partner then determined the portion of the estimated Liquidation Value that would be distributable to MHP's limited partners under the terms of the partnership agreement and other contractual arrangements.

The following table sets forth the adjustments made to the Adjusted Appraised Value to estimate the Liquidation Value of MHP as of the Initial Valuation Date:

CALCULATION OF ESTIMATED LIQUIDATION VALUE OF MHP AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$ 354,261 (1)
Lender reserves.....	1,800
Mortgage debt.....	(192,137) (1)
Other debt.....	(722)
Prepayment/defeasance costs.....	(10,794)
Deferred maintenance costs.....	(245)
Sales costs.....	(8,857)
Estimated Liquidation Value.....	\$ 143,306
Estimated General Partner's share(2).....	\$ 19,045
Estimated limited partner share of General Partner and a Host subsidiary.....	\$ 60,049
Estimated total limited partners' share(3).....	\$ 124,261
Per Partnership Unit.....	\$ 124,261

(1) Excludes 49.5% of the \$122,300,000 Appraised Value of the Harbor Beach Resort and the \$82,266,000 in mortgage debt encumbering the Hotel.

(2) Excludes amounts attributable to limited partner interest of the General Partner.

(3) Includes estimated total limited partner share of General Partner and a Host subsidiary.

ESTIMATED EXCHANGE VALUE. The following table sets forth the estimated Exchange Value of MHP (based upon the greatest of its estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value), the estimated minimum number of OP Units to be received (based upon the maximum price of \$ per OP Unit) and the estimated Note Election Amount for MHP, all on a per Partnership Unit basis, as of the Initial Valuation Date. The number of Common Shares received in exchange for OP Units in connection with the Merger will equal the number of OP Units. The estimated Note Election Amount for MHP (which will be received by MHP Limited Partners electing to receive Notes in exchange for OP Units in connection with the Merger) is equal to the Liquidation Value for MHP. The estimated values set forth below may increase or decrease as a result of various adjustments, which will be finally calculated as of the Final Valuation Date but will not change as a result of less than all of the Partnerships participating in the Mergers. The actual number of OP Units to be received by the MHP Limited Partners will be based on the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date (but will not be less than \$9.50 or greater than \$15.50 per OP Unit) and will not be finally determined until such time.

ESTIMATED EXCHANGE VALUE,

MINIMUM NUMBER OF OP UNITS AND NOTE ELECTION AMOUNT OF MHP PER PARTNERSHIP UNIT(1)

ESTIMATED ADJUSTED APPRAISED VALUE	ESTIMATED CONTINUATION VALUE	ESTIMATED LIQUIDATION VALUE	ESTIMATED EXCHANGE VALUE(2)	ESTIMATED MINIMUM NUMBER OF OP UNITS(3)	ESTIMATED NOTE ELECTION AMOUNT(4)
\$140,032	\$141,074	\$124,261	\$141,074	9,102	\$124,261

- (1) A Partnership Unit in MHP represents an original investment of \$100,000.
(2) The estimated Exchange Value is equal to the greatest of estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value.
(3) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.
(4) The principal amount of Notes is equal to the greater of (i) the Liquidation Value or (ii) 80% of the Exchange Value (the "Note Election Amount").

Price of OP Units to Pay Exchange Value to MHP Limited Partners. Each MHP Limited Partner will receive OP Units with a deemed value equal to the Exchange Value of such MHP Limited Partner's Partnership Interests. The price of an OP Unit for this purpose will be equal to the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date of the Mergers (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). Thus, if the 20-day average trading price is less than \$9.50, the price per OP Unit in the Merger would be \$9.50; and if such average trading price is greater than \$15.50, the price per OP Unit in the Merger would be \$15.50. The OP Units will be issued to the MHP Limited Partners promptly after the twentieth trading day following the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998).

MHP Limited Partners at the Effective Date of the Merger who retain OP Units will receive cash distributions from MHP for all of 1998 and, if the Merger does not occur in 1998, any portion of 1999 prior to the Merger for which period they do not receive a cash distribution from the Operating Partnership. Cash distributions will be made by MHP in accordance with its partnership agreement on or before June 1, 1999 in respect of 1998 operations and, if the Merger does not occur prior to January 1, 1999, within 90 days after the Effective Date of the Merger in respect of any 1999 operations. MHP Limited Partners at the Effective Date of the Mergers who elect to receive Common Shares in exchange for OP Units in connection with the Merger will participate in the same distributions from MHP as MHP Limited Partners who retain OP Units and will receive distributions from Host REIT with respect to periods after their Common Shares are issued, which distributions are expected to equal the amount distributed with respect to the OP Units for such periods (although distributions to shareholders would be lower than distributions to holders of OP Units (by the amount of Host REIT's 1999 corporate income tax payments) if the REIT Conversion does not occur in 1998 and Host REIT is unable to elect REIT status effective January 1, 1999). Neither the Operating Partnership nor Host REIT anticipates

making distributions after the Effective Date of the Merger and prior to the issuance of Common Shares to those MHP Limited Partners who elect to exchange their OP Units for Common Shares. MHP Limited Partners at the Effective Date of the Merger who elect to receive a Note in exchange for OP Units in connection with the Merger will participate in the same distributions from MHP as Limited Partners who retain OP Units but will not receive any distributions from the Operating Partnership with respect to periods after the Notes are issued.

No fractional OP Units will be issued. Fractional amounts less than 0.50 of an OP Unit will be rounded down to the next whole number and fractional amounts greater than or equal to 0.50 will be rounded up to the next whole number of OP Units.

DETERMINATION OF VALUE OF THE GENERAL PARTNER'S AND OTHER HOST SUBSIDIARIES' INTERESTS IN MHP AND ALLOCATION OF OP UNITS TO THE GENERAL PARTNER AND OTHER HOST SUBSIDIARIES

The value of the General Partner's interest will be determined in the same manner as the Exchange Value of the MHP Limited Partners' Partnership Interests by the same methodologies set forth above and giving effect to the applicable distribution provisions in the MHP partnership agreement. The number of OP Units that will be received by the General Partner will be equal to the value of its interest in MHP divided by the same price per OP Unit used to determine the number of OP Units to be received by the MHP Limited Partners.

The following table sets forth the estimated value of the interest of the General Partner and other Host subsidiaries in MHP based upon the estimated aggregate Exchange Value of the MHP Limited Partners' Partnership Interests as of the Initial Valuation Date and the estimated minimum number of OP Units to be received by the General Partner and other Host subsidiaries in respect thereof.

ESTIMATED VALUE OF THE GENERAL PARTNER'S AND A HOST SUBSIDIARY'S INTERESTS AND MINIMUM NUMBER OF OP UNITS

(IN THOUSANDS, EXCEPT NUMBER OF OP UNITS)

Aggregate Estimated Exchange Value.....	\$153,031
Limited partners' share of aggregate Estimated Exchange Value.....	141,074

Estimated value of General Partner's interest(1).....	11,957
Estimated value of limited partner interest of a Host subsidiary..	68,174

Estimated total value of interests of General Partner and a Host subsidiary	\$ 80,131
	=====
Estimated minimum number of OP Units(2).....	5,170

- - - - -

- (1) Excludes limited partner interests owned by the General Partner.
- (2) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.

FAIRNESS ANALYSIS AND OPINION

FAIRNESS ANALYSIS

The General Partner believes that the Merger provides substantial benefits and is fair to the Limited Partners of MHP and recommends that all Limited Partners of MHP consent to the Merger and the related amendments to the partnership agreement. The General Partner bases this recommendation primarily on (i) its view that the expected benefits of the Merger for the MHP Limited Partners outweigh the risks and potential detriments of the Merger to the MHP Limited Partners (see "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers" and "Risk Factors"), (ii) its view that the value of the OP Units allocable to the MHP Limited Partners on the basis of the Exchange Value established for MHP represents fair consideration for the Partnership Interests held by the MHP Limited Partners and is fair to the MHP Limited Partners from a financial point of view and (iii) the Appraisals and Fairness Opinion of AAA. See "--Fairness Opinion."

The Merger is not conditioned upon the consummation of any of the other Mergers. The General Partner has considered this fact in evaluating the fairness of the Merger. The General Partner believes that the fairness of the Merger will not be materially affected by the presence or absence of any other individual Partnership or by any particular combination of other Partnerships and that the Merger will be fair to the MHP Limited Partners, individually and as a whole, if it is consummated with any combination of other Participating Partnerships. The General Partner bases this belief primarily on the fact that the consideration to be paid to the MHP Limited Partners has been established based upon MHP's Exchange Value, without regard to any possible combination of other Partnerships.

In reaching the conclusions implicit in the above recommendation, the General Partner has taken into account the following considerations, placing the greatest weight on the first two considerations:

- . The General Partner has concluded that the Exchange Value for MHP represents fair consideration for the Partnership Interests of the MHP Limited Partners in the Merger in relation to MHP because the Exchange Value is equal to the greatest of the Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which is an acceptable method for determining the fair market value of a Partnership's assets. The General Partner also has concluded that the Exchange Value established for the MHP Limited Partners fairly reflects the value of the assets held by MHP.
- . MHP Limited Partners who retain OP Units will be able to defer recognition of gain until such time as they choose to realize such gain based on their own personal circumstances.
- . The General Partner has concluded that the potential benefits of the Merger to the MHP Limited Partners, as described under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers," outweigh the potential risks and detriments of the Merger for the MHP Limited Partners, as described in "Risk Factors."
- . The General Partner considered the maximum and minimum deemed values of OP Units established for purposes of the Merger. The General Partner noted that the maximum deemed value of the OP Units, which has the effect of establishing a minimum number of OP Units that MHP Limited Partners will receive in the Merger, supports the fairness of the Merger. With regard to the minimum deemed value of the OP Units, which has the effect of establishing a maximum number of OP Units that MHP Limited Partners will receive in the Merger, the General Partner concluded that such a provision is customary when there is a maximum exchange price and that the levels established for the minimum and maximum deemed values of the OP Units represent a reasonable allocation of the risk of fluctuation in the trading price of Host REIT Common Shares immediately following the Merger. The minimum value was set at a level that is less than the recent average trading price of Host common stock (after deducting an amount equal to the estimated per share E&P distribution to be made before the Merger) and the maximum is higher than such adjusted trading price. The Merger Agreement limits the value of the distributions that Host and Host REIT can make to their shareholders and to the Blackstone Entities (through the Operating Partnership) prior to consummation of the Merger. Based upon these considerations and others, the General Partner concluded that the maximum and minimum deemed values of the OP Units support the fairness of the Merger to the MHP Limited Partners.
- . The General Partner considered the method of allocating the OP Units received by MHP in the Merger between the General Partner and the MHP Limited Partners. Because the OP Units are allocated in accordance with the distribution provisions in the MHP partnership agreement, the General Partner concluded that this method supports the fairness of the Merger to the MHP Limited Partners.
- . The General Partner considered the method of allocating the OP Units to be owned by Host REIT and its subsidiaries (including the General Partners) following the REIT Conversion (without taking into account any OP Units that may be acquired in connection with the Common Share Election). The number of OP Units to be owned by Host REIT and its subsidiaries will be equal to the number of shares of Host common stock outstanding at the time. Because the formation of the Operating Partnership is functionally equivalent to the formation of a wholly owned subsidiary and reflects the one-for-one economic equivalence between shares of Host common stock and OP Units, the General Partner concluded that this method supports the fairness of the Merger to the MHP Limited Partners.

- . The Fairness Opinion, in the view of the General Partner, supports the fairness of the Merger, even though it includes qualifications, limitations and assumptions relating to its scope and other factors that MHP Limited Partners should consider carefully and does not conclude that the Exchange Value is the best price that could be obtained. The availability of the Fairness Opinion is particularly significant in light of the absence of arm's length negotiations in establishing the terms of the Merger.
- . The General Partner believes that the economic terms of the leases of the MHP Hotels are fair and reasonable from the standpoint of the Operating Partnership.
- . Host REIT will benefit from the operations of the Operating Partnership only to the extent of the distributions received based upon its percentage interest in the Operating Partnership to the same extent as the other limited partners. The General Partner believes that this is a factor supporting the fairness of the Merger to the MHP Limited Partners.
- . The General Partner believes that the value of the consideration to be received by the MHP Limited Partners in the Merger is fair in relation to the value which would be derived by such Limited Partners under any of the alternatives described under "Background and Reasons for the Mergers and the REIT Conversion--Alternatives to the Mergers," especially since the Exchange Value of MHP is equal to its Continuation Value, which is the greatest of the Adjusted Appraised Value, the Continuation Value and the Liquidation Value and the historic prices paid for MHP Partnership Units. The consideration also is greater than the amounts paid in recent sales of Partnership Units, including the January 1997 tender offer by Host. The General Partner does not believe that the sale of any of MHP's Hotels and liquidation of MHP would obtain for MHP Limited Partners as much value as the value to be received by such MHP Limited Partners following the Merger. The General Partner believes that the following benefits are of the greatest value and importance to the MHP Limited Partners:
 - . Liquidity. The REIT Conversion will offer MHP Limited Partners liquidity with respect to their investments in MHP because MHP Limited Partners can receive freely tradeable Host REIT Common Shares in connection with the Merger, or for MHP Limited Partners who elect to retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price per Host REIT Common Share of \$12.50). The election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
 - . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. The General Partner expects that while these distributions will be lower than the estimated cash distributions from operations during 1998 by MHP, the ability to receive distributions quarterly and in regular amounts would be enhanced.
 - . Risk Diversification. Upon consummation of the REIT Conversion, each MHP Limited Partner's investment will be converted from an investment in MHP, which owns two hotels, into an investment in an enterprise that is expected initially to own or control approximately 125 Hotels and will have a total market capitalization of approximately \$3.4 billion, thereby reducing the dependence upon the performance of, and the exposure to the risks associated with, the Hotels currently owned by MHP and spreading such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands.
 - . Substantial Tax Deferral. The General Partner expects that MHP Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Mergers generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to

their Partnership Interests that otherwise would be recognized in the event of a liquidation of MHP or a sale or other disposition of its assets in a taxable transaction (although MHP Limited Partners may recognize a relatively modest amount of ordinary income as the result of the required sale of personal property by MHP to a Non-Controlled Subsidiary in order to facilitate Host REIT's qualification as a REIT). The General Partner considered the possibility that the REIT Conversion might not occur in time for Host REIT to elect REIT status effective January 1, 1999, in which event Host REIT's election to be taxed as a REIT could be delayed until January 1, 2000 (and the Blackstone Acquisition might not be consummated). The General Partner believes that the overall benefits of the Merger and the REIT Conversion for the MHP Limited Partners justify proceeding with the Merger as promptly as practicable, even if Host REIT's election to be taxed as a REIT might not be effective until January 1, 2000. The General Partner took into account the complexity of the REIT Conversion, the number of transactions that must occur to complete the REIT Conversion and the benefits to the MHP Limited Partners of positioning Host REIT to qualify as a REIT as soon as practicable. The General Partner also recognized that a delay in the election of REIT status until January 1, 2000 would not reduce the anticipated Operating Partnership cash distributions per OP Unit (but the Host REIT cash distributions per Common Share would be reduced by the amount of corporate income taxes that Host REIT would have to pay for 1999).

The General Partner believes that the factors described above, which support the fairness of the Merger to the MHP Limited Partners, when weighed against the factors that may be disadvantageous, taken as a whole, indicate that the Merger is fair to the MHP Limited Partners.

FAIRNESS OPINION

AAA, an independent financial advisory firm with substantial real estate and partnership transaction experience, was engaged by the General Partner and the other General Partners to perform the Appraisals and to render the Fairness Opinion that (i) the Exchange Value and the methodologies and underlying assumptions used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of MHP and each other Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of the Hotels) are fair and reasonable, from a financial point of view, to the MHP Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the MHP Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the MHP Limited Partners and the Limited Partners of each other Partnership. The Fairness Opinion is addressed to each Partnership and it may be relied upon by each of the MHP Limited Partners and the Limited Partners of each of the other Partnerships. The full text of the Fairness Opinion, which contains a description of the assumptions and qualifications applicable to the review and analysis by AAA, is set forth in Appendix B to the Consent Solicitation and should be read in its entirety. The material assumptions and qualifications to the Fairness Opinion are summarized below, although this summary does not purport to be a complete description of the various inquiries and analyses undertaken by AAA in rendering the Fairness Opinion. Arriving at a fairness opinion is a complex analytical process not necessarily susceptible to partial analysis or amenable to summary description. For a more complete description of the assumptions and qualifications that limit the scope of the Fairness Opinion, see "--Qualifications to Fairness Opinion" and "--Assumptions" below.

The Fairness Opinion is not limited to any particular combination of Partnerships participating in the Mergers because there is no combination of Partnerships required in order to complete the Mergers. No Merger is conditioned upon the consummation of any other Merger. The Fairness Opinion addresses the fairness of the Exchange Value for each Partnership to the Limited Partners of each Partnership, which Exchange Value has been established for each Partnership without regard to any possible combination of Partnerships. In light of the foregoing, the Fairness Opinion will not be revised to reflect the actual Partnerships which participate in the Mergers.

Although the General Partner advised AAA that certain assumptions were appropriate in its view, the General Partner imposed no conditions or limitations on the scope of the investigation by AAA or the methods and procedures to be followed by AAA in rendering the Fairness Opinion. The fees and expenses of AAA will be treated as a Merger Expense and will be paid by the Operating Partnership. In addition, the General Partner has agreed to indemnify AAA against certain liabilities. See "--Compensation and Material Relationships."

Qualifications to Fairness Opinion. In the Fairness Opinion, AAA specifically states that it did not: (i) specifically consider other methodologies for allocation of the OP Units, (ii) address or conclude that other methodologies for allocation of the OP Units to MHP and the other Partnerships might not have been more favorable to the Limited Partners in certain of the Partnerships, (iii) negotiate with the General Partner, the General Partners of the other Partnerships or Host, (iv) participate in establishing the terms of the Merger and the other Mergers, (v) provide an opinion as to the terms and conditions of the Merger and the other Mergers other than those explicitly stated in the Fairness Opinion, (vi) make any independent review of the capital expenditure estimates set forth in the Engineering Study or (vii) make any estimates of MHP's and each other Partnership's contingent liabilities.

In connection with preparing the Fairness Opinion, AAA was not engaged to, and consequently did not, prepare any written report or compendium of its analysis for internal or external use beyond the analysis set forth in Appendix B. AAA will not deliver any additional written opinion of the analysis, other than to update the written opinion if requested by the Operating Partnership.

Experience of AAA. AAA is the world's largest independent valuation consulting firm and is regularly and continually engaged in the valuation of commercial real estate and businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, divestitures, employee stock ownership plans, leveraged buyout plans, private placements, limited partnerships, estate and corporate matters, other financial advisory matters and other valuation purposes.

AAA was selected because of its experience in the valuation of businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, including transactions involving hotel partnerships, and the price for its services. The General Partner did not solicit proposals from any other appraisal or investment banking firms for the Appraisals or the Fairness Opinion. Host and its affiliates have previously engaged AAA to provide appraisals and fairness opinions in connection with other transactions.

Summary of Materials Considered and Investigation Undertaken. As a basis for rendering the Fairness Opinion, AAA has made such reviews, studies and analyses as it deemed necessary and pertinent in order to provide it with a reasonable basis for the Fairness Opinion, including, but not limited to, the following: (i) reviewed the transaction documents and SEC reporting and/or filing documents, including drafts of the Form S-4 for the Mergers; (ii) provided the Market Value of each Hotel owned by each Partnership in a separate short form appraisal report and each such report was reviewed and certified by an MAI appraiser as to its preparation in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation; as part of the Appraisals, AAA reviewed historical operating statements, 1998 budget and year-to-date results, and other financial information as it deemed necessary as a basis for the Fairness Opinion and the Appraisals also considered market transactions of similar lodging properties as appropriate as a basis for the Market Value of each Hotel; (iii) reviewed the methodologies used by each of the General Partners in their determination of the Exchange Value of each Partnership, including the nature and amount of all adjustments to the Appraised Values in determining such Exchange Values; AAA reviewed and tested for the fairness and reasonableness of all adjustments as well as for consideration of all adjustments deemed to be appropriate by AAA; (iv) reviewed the methodologies used by each of the General Partners in their determination of the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the partners of each Partnership, and AAA reviewed and tested for the fairness and reasonableness of the methods and measurements made by the General Partners; (v) reviewed the General Partners' determination of the Liquidation Value of each

Partnership, and AAA reviewed and tested for the fairness and reasonableness of all adjustments proposed by the General Partners, as well as for consideration of all adjustments deemed appropriate by AAA; (vi) provided an estimate of the Continuation Value of each Partnership based upon the estimated present value of expected benefits to be received by each limited partner interest as though the Mergers did not occur and each Partnership's assets were sold within a twelve year period; AAA, as part of its analysis and review, determined appropriate rates of growth in house profit or net operating income, as well as reviewed other key variables affecting partnership cash flows and other economic/financial factors affecting the Partnerships' expected operations and results; (vii) reviewed the terms of the ground leases of the Hotels and the partnership agreement of each Partnership; (viii) reviewed audited and unaudited historical income statements, balance sheets and statements of sources and uses of funds of each Partnership and Host and pro forma financial information for Host REIT; (ix) reviewed audited and unaudited historical operating statements of each Hotel, as well as current operating statements and budgets; (x) conducted real estate valuation and financial due diligence with respect to the Partnerships and their underlying assets, liabilities and equity; (xi) reviewed internal Marriott International, Host and Partnership financial analyses and other internally generated data for each Hotel and (xii) discussed all of the foregoing information, where appropriate, with management of Marriott International, Host and the Partnerships and their respective employees.

Assumptions. In rendering its opinion, AAA relied, without independent verification, on the accuracy and completeness in all material respects of certain relevant publicly available information and information provided to AAA by Host and the Hotels. AAA assumed that all information furnished by Host, the Hotels and the Partnerships and their representatives, upon which AAA relied, presented an accurate description in all material respects of the current and prospective status of the Hotels and the Partnerships from an operational and financial point of view. AAA also noted that the Fairness Opinion was based upon financial, economic, market and other considerations as they existed and could be evaluated as of March 1, 1998. AAA did not conduct any subsequent due diligence or valuation procedures, except that AAA reviewed year-to-date net house-profit results through September 11, 1998 as reflected on Host's Format 90 reports for each Partnership and, based upon such review and upon current financial, economic and market conditions and indicated trends therein, AAA concluded that nothing came to AAA's attention that would cause it to be unable to render the Fairness Opinion as of such date.

Conclusions. AAA concluded that, based upon and subject to its analysis and assumptions and limiting conditions, and as of the date of the Fairness Opinion: (i) the Exchange Value and the methodologies used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of each Partnership of each Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of each of the Hotels) are fair and reasonable, from a financial point of view, to the MHP Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the price of an OP Unit and to allocate the equity interest in the Operating Partnership to be received by the MHP Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the MHP Limited Partners and the Limited Partners of each other Partnership.

Summary of Methodology. AAA evaluated each Partnership's Hotel(s) based upon the income capitalization approach and broadly applied the sales comparison approach. Appraisers typically use up to three approaches in valuing real property: the cost approach, the income capitalization approach and the sales comparison approach. The type and age of a property, market conditions and the quantity and quality of data affect the applicability of each approach in a specific appraisal situation. Since the Hotels are viable, existing, ongoing enterprises with an established market presence, work force and management team, the cost approach was not considered by AAA in the Appraisals. The income capitalization approach estimates a Hotel's capacity to produce income through an analysis of the market, operating expenses and net income. Net income may then be processed into a value through either (or a combination of) two methods: direct capitalization or discounted cash flow analysis. The sales comparison approach looks at similar properties which have recently sold or are currently offered for sale in the market and are analyzed and compared with the Hotel being valued. For further description of the methodology employed by AAA in the Appraisals, see "Determination of Exchange Values and Allocation of OP Units."

Compensation and Material Relationships. AAA has been paid a fee of \$335,000 for its services as described herein, including the Appraisals and preparing to deliver the Fairness Opinion. In addition, AAA will be reimbursed for all reasonable out-of-pocket expenses, including legal fees and will be indemnified against certain liabilities, including certain liabilities under the securities laws. The fee was negotiated between Host, the General Partners and AAA. Payment of the fee to AAA is not dependent upon completion of the Mergers. AAA has been previously engaged by Host and its affiliates to provide appraisals, fairness opinions and solvency opinions in connection with other transactions.

CASH DISTRIBUTIONS

Historical Cash Distributions Paid by MHP. The following table sets forth the distributions paid to MHP Limited Partners (per Partnership Unit) during the periods indicated. The information below should be read in conjunction with the information in this Supplement under the caption "Selected Financial Data."

HISTORICAL CASH DISTRIBUTIONS PAID BY MHP
(PER PARTNERSHIP UNIT) (1)

	FIRST TWO QUARTERS	FISCAL YEAR				
	1998	1997	1996	1995	1994	1993
From net income(2).....	\$1,500	\$7,700	\$4,970	\$2,084	\$ --	\$ --
Representing return of capital(3).....	--	--	--	--	--	--
Total.....	\$1,500	\$7,700	\$4,970	\$2,084	\$ --	\$ --

- - - - -

- (1) A Partnership Unit represents a \$100,000 original investment in MHP.
- (2) In addition, the Partnership distributed \$8,000 per partnership unit in August 1998 and is expected to distribute \$6,500 per Partnership Unit in November 1998. Further, the Partnership received in December 1997 and has retained excess loan proceeds (in the amount of approximately \$8.8 million) from the refinancing its first mortgage indebtedness. The Partnership may make a distribution in 1999 of some or all of the excess cash proceeds from the refinancing of the first mortgage indebtedness to the extent these funds are not anticipated to be needed to complete the construction of the addition to the Orlando World Center Hotel.
- (3) Computed as all distributions in excess of distributions from operating cash flow.

Compensation and Distributions to the General Partner. Under MHP's partnership agreement, the General Partner does not receive fees or compensation in connection with managing the affairs of MHP but the General Partner and its affiliates are reimbursed for certain costs and expenses incurred on behalf of MHP. In addition, the General Partner is entitled to distributions related to its interests in MHP. The following information has been prepared to compare the amount of reimbursements paid and cash distributions made by MHP to the General Partner and its affiliates to the amounts that would have been paid if the reimbursement and distribution structure which will be in effect after the REIT Conversion had been in effect for the periods presented.

Following the REIT Conversion, Host REIT will be entitled to receive cash distributions with respect to the OP Units that it owns and the Operating Partnership will pay (or reimburse Host REIT for) all expenses that Host REIT incurs, including taxes (subject to certain limited exceptions). Marriott International receives management fees and other reimbursements from MHP under the Management Agreement.

The following table sets forth the reimbursements and distributions paid by MHP to its General Partner and its affiliates and payments made to Marriott International for the last three fiscal years and the First Two Quarters 1998 ("Historical") and the reimbursements and distributions that would have been paid to the General Partner and its affiliates and payments made to Marriott International for the last fiscal year and for the First Two Quarters 1998 if the REIT Conversion had been in effect, assuming the Full Participation Scenario ("Pro Forma") and assuming a distribution per OP Unit of \$0.84 per year during such period, which is the preliminary estimated initial annual cash distributions during the twelve months ending December 31, 1999.

HISTORICAL AND PRO FORMA REIMBURSEMENTS AND DISTRIBUTIONS TO THE GENERAL PARTNER AND ITS AFFILIATES AND PAYMENTS MADE TO MARRIOTT INTERNATIONAL
(IN THOUSANDS)

	FIRST TWO QUARTERS				FISCAL YEAR			
	1998		1997		1996		1995	
	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA
Reimbursements(1)(2)....	\$ 271	\$ --	\$ 204	\$ --	\$ 126	\$ --	\$ 129	\$ --
Distributions(3).....	740	2,172	3,797	4,343	102	4,343	43	4,343
Payments Made to Marriott International.....	9,843	9,843	19,146	19,146	16,832	16,832	16,483	16,483
Total	\$10,854	\$12,015	\$23,147	\$23,489	\$17,060	\$21,175	\$16,655	\$20,826

- (1) All expenses will be paid directly by the Operating Partnership, accordingly, there are no expected reimbursements on a pro forma basis.
(2) In 1997, MHP Acquisition Corporation, which is a wholly owned subsidiary of Host Marriott, purchased a controlling interest in MHP. Distributions to the General Partner were \$15,000, \$78,000, \$50,000 and \$21,000 for the First Two Quarters 1998 and the fiscal years ended December 31, 1997, 1996 and 1995, respectively, and to the Partnership Units owned by the General Partner and affiliates of the General Partner were \$725,000 and \$3,719,000 for the First Two Quarters 1998 and the fiscal year ended December 31, 1997.

The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1997 and the First Two Quarters 1998 assumes payment of distributions at a rate of \$0.84 per annum per OP Unit (which represents the preliminary estimated initial annual cash distributions per OP Unit during the twelve months ending December 31, 1999) with respect to the estimated minimum number of OP Units that the General Partner and its affiliates will receive with respect to their general and limited partner interests in the Partnerships, assuming all Partnerships participate in the Mergers and the maximum price of \$15.50 per OP Unit. Such number does not reflect the aggregate number of OP Units Host REIT will receive in connection with the REIT Conversion. The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1996 and 1995 are assumed to be zero (based upon the assumption that the Operating Partnership and Host REIT would not have had any taxable income for such years and thus would not have made any distributions). The pro forma distributions payable to the General Partner and its affiliates are not necessarily indicative of the amounts that would have been distributed per OP Unit in such periods if the REIT Conversion and the Mergers had been consummated as of the beginning of each period shown.

CERTAIN INFORMATION REGARDING THE HOTELS OWNED BY MHP

NAME OF HOTEL	LOCATION OF HOTEL	NUMBER OF ROOMS	DATE OPENED
Marriott's Orlando World Center.....	Orlando, FL	1,503	1986
Marriott's Harbor Beach Resort(1).....	Fort Lauderdale, FL	624	1984
Total.....		2,127	

- (1) MHP owns a 50.5% interest in Marriott's Harbor Beach Resort.

The table below sets forth certain performance information for MHP's Hotels for the indicated periods.

	FIRST TWO QUARTERS		FISCAL YEAR		
	1998	1997	1997	1996	1995
Average daily rate.....	\$ 176.75	\$ 167.75	\$155.44	\$145.33	\$139.40

REVPAR.....	\$ 150.24	\$ 146.11	\$124.82	\$114.37	\$110.13
% REVPAR change.....	2.8%	--	9.1%	3.9%	--

Marriott's Orlando World Center, Orlando, Florida

The Orlando Hotel is a full-service Marriott hotel located on approximately 190 acres of fee-owned land two miles from Walt Disney World Resort and is known as Marriott's Orlando World Center. It is located approximately 15 miles

from the Orlando International Airport.

The Orlando Hotel opened on March 24, 1986. The Orlando Hotel contains 1,503 guest rooms, including 85 suites, in a 27-story building. Designed as part of the Marriott International network of convention hotels, it

MHP Supp-25

has extensive meeting and convention facilities totaling 200,000 square feet, all on one level of the hotel, including (i) a 38,675 square foot grand ballroom, (ii) additional ballroom space of 40,740 square feet which can be subdivided into meeting rooms and exhibit space, (iii) a 50,960 square foot ballroom and exhibition hall which was completed in 1990 and (iv) 14 meeting rooms. Hotel facilities also include nine restaurants and lounges, an 18-hole championship golf course, eight lighted tennis courts, four pools, a health club, golf and tennis pro shops, specialty and gift shops, a game room and parking for 2,100 cars. MHP purchased the Orlando Hotel in 1984 for approximately \$211 million. In March 1998, MHP announced its plan to construct a 500-room tower with a new parking garage at the Orlando Hotel.

Competition. The primary competition for the Orlando Hotel comes from the following five first-class convention and resort lodging-oriented hotels: (i) the Sheraton Dolphin Hotel with 1,510 guest rooms and 202,000 square feet of meeting space, (ii) the Westin Swan with 758 guest rooms and 52,000 square feet of meeting space, (iii) the Peabody Hotel with 891 guest rooms and 54,000 square feet of meeting space, (iv) the Hyatt Regency Grand Cypress Hotel, with 750 guest rooms and 65,000 square feet of meeting space and (v) the Coronado Springs Resort, which opened in July 1997, with 1,967 rooms and 99,000 square feet of meeting space. In addition, other hotels, including hotels owned by Disney, also compete with the Orlando Hotel. None of these hotels are operated as part of the Marriott International full-service hotel system. As a major convention hotel, the Orlando Hotel also competes with similar facilities throughout the country.

Several new hotel projects are expected to enter the market in the near future, including hotels by Disney and Loews Corporation. Loews Corporation has plans to construct two first-class hotels on Universal Studios Florida property of approximately 800 and 1,300 rooms to be opened by the year 2000. As a result of the continued expansion of Walt Disney World, the All Star Resort with 3,840 rooms is going to increase to 5,760 rooms. Additionally, the Animal Kingdom attraction at Walt Disney World is planning to open a hotel by January 1999.

Marriott's Harbor Beach Resort, Fort Lauderdale, Florida

The Harbor Beach Hotel is a full-service Marriott hotel located on a 16.5 acre tract of leased beach-front property located in Fort Lauderdale, Florida and is known as Marriott's Harbor Beach Resort. The Hotel is located approximately five miles from the Fort Lauderdale/Hollywood International Airport.

The Harbor Beach Hotel opened in October 1984 with 624 guest rooms, including 35 suites, in a 15-story building. The Harbor Beach Hotel has approximately 30,000 square feet of meeting and banquet space, including (i) a 14,900 square foot grand ballroom, (ii) an 8,000 square foot junior ballroom, (iii) seven meeting rooms and (iv) two boardrooms. Hotel facilities also include five restaurants, three lounges, a 1,100 foot private ocean beach with 50 private cabanas, an outdoor pool, five tennis courts, a health club, gift shop, tennis pro shop and parking for 900 cars. The Harbor Beach Partnership, of which MHP owns 50.5%, purchased the Harbor Beach Hotel in 1982 for approximately \$87 million.

Competition. The primary competition for the Harbor Beach Hotel comes from the following five first-class hotels: (i) the Hyatt Pier 66 with 388 guest rooms and 22,000 square feet of meeting space, (ii) the Boca Raton Hotel and Club with 963 guest rooms and 70,000 square feet of meeting space, (iii) the Marriott Marco Island Resort and Golf Club with 735 guest rooms and 48,000 square feet of meeting space, (iv) the Sheraton Bal Harbour with 644 guest rooms and 73,000 square feet of meeting space and (v) the Breakers with 572 guest rooms and 36,000 square feet of meeting space. The Marriott Marco Island Resort and Golf Club is managed by Marriott International, and other than limited joint marketing efforts, the Harbor Beach Hotel and the Marriott Marco Island Resort are direct competitors. Host acquired another competing area hotel, the Fort Lauderdale Marina Hotel, in January 1994. In addition, other hotels in the Fort Lauderdale area also compete with the Harbor Beach Hotel; however, these differ from the Harbor Beach Hotel in terms of size, room rates, facilities, amenities and services offered, market orientation and/or location. None of these other hotels are operated as part of the Marriott International full-service hotel system. As a major resort facility, the Harbor Beach Hotel also competes with similar facilities throughout the country. The Loews Miami Beach hotel with 800 rooms and 85,000 square feet of meeting space is scheduled to open in October 1998.

Ground Lease. The Harbor Beach Hotel is located on a site that is leased from an unrelated third party for an initial term expiring November 30, 2080. The Harbor Beach Partnership has the option to extend the term for an additional 25 years. The lease provides for annual rental of \$1,560,000 for lease years 1995 through 1999. Thereafter, annual rentals for each succeeding five-year period increase by an amount equal to 10% of the previous annual rental. Under the lease, the Harbor Beach Partnership pays all costs, expenses, taxes and assessments relating to the Harbor Beach Hotel and the underlying land, including real estate taxes. In the event the ground lessor decides to sell the leased premises, the Harbor Beach Partnership has a right of first refusal to purchase the leased premises. Upon expiration or termination of the lease, title to the Harbor Beach Hotel and all improvements revert to the ground lessor.

AMENDMENTS TO MHP'S PARTNERSHIP AGREEMENT

In order to consummate the Merger as currently proposed, there are a number of amendments required to be made to MHP's partnership agreement. MHP Limited Partners must vote separately on the Merger and the amendments to the partnership agreement, but the Merger will not be consummated unless both the Merger and the amendments to the partnership agreement are approved. The effectiveness of such amendments will be conditioned upon MHP's participation in the Merger. The required amendments generally include: (i) permitting MHP to enter into the Leases with the Lessees; (ii) reducing to one the number of appraisals of the fair market value of MHP's Hotels that MHP must obtain before the General Partner can cause MHP to sell its assets to the General Partner or an affiliate; and (iii) other amendments required to allow the transactions constituting the Merger or otherwise necessary or desirable to consummate the Merger or the REIT Conversion. The form of amendment to the MHP partnership agreement is attached as an exhibit to the Registration Statement of which this Supplement is a part.

VOTING PROCEDURES

MHP LIMITED PARTNERS WILL BE ASKED TO VOTE SEPARATELY ON THE MERGER AND THE PROPOSED AMENDMENTS TO THE PARTNERSHIP AGREEMENT, BUT MHP WILL NOT PARTICIPATE IN THE MERGER UNLESS BOTH PROPOSALS ARE APPROVED. THE CONSENT OF MHP LIMITED PARTNERS HOLDING A MAJORITY OF THE OUTSTANDING LIMITED PARTNER INTERESTS IS REQUIRED FOR PARTICIPATION IN THE MERGER AND TO APPROVE THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT. The General Partner and its affiliate collectively own 48.33% of the outstanding limited partner interests. The General Partner and its affiliate are required to vote their limited partner interests in MHP in the same manner as the majority of the other limited partner interests vote so long as consents of a majority of limited partner interests held by Limited Partners are returned and not withdrawn prior to the end of the Solicitation Period.

The period during which consents will be solicited (the "Solicitation Period") will commence on the date the Consent Solicitation and the other Solicitation Materials are first distributed to the Limited Partners and will continue until the later of (i) December , 1998 or (ii) such later date as the Operating Partnership may elect, in its sole and absolute discretion. Any Consent Form RECEIVED by the Operating Partnership (in original or by facsimile) prior to 5:00 p.m., Eastern time, on the last day of the Solicitation Period will be effective, provided that such Consent Form has been properly signed. For MHP, a Consent Form that is properly signed but not marked will be voted "FOR" a Merger and "FOR" the amendments to the partnership agreement. A MHP Limited Partner who has submitted a Consent Form may withdraw or revoke the Consent Form at any time prior to the expiration of the Solicitation Period.

An MHP Limited Partner may mark the Consent Form to vote "FOR," "AGAINST" or "ABSTAIN" with respect to participation in the Merger by MHP and "FOR," "AGAINST" or "ABSTAIN" with respect to the amendments to the partnership agreement. THE FAILURE OF A LIMITED PARTNER OF MHP TO RETURN A SIGNED CONSENT FORM BY THE END OF THE SOLICITATION PERIOD WILL NOT BE COUNTED FOR PURPOSES OF DETERMINING WHETHER A MAJORITY OF MHP LIMITED PARTNER PARTNERSHIP INTERESTS ARE PRESENT. AN ABSTENTION OF AN MHP LIMITED PARTNER WILL BE COUNTED FOR PURPOSES OF ESTABLISHING THE NUMBER OF LIMITED PARTNER PARTNERSHIP INTERESTS REQUIRED TO RECOGNIZE THE VOTE BUT WILL BE EFFECTIVELY COUNTED AS A VOTE "AGAINST" THE MERGER AND "AGAINST" THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT. LIMITED PARTNERS WHO RETURN A SIGNED CONSENT FORM BUT FAIL TO INDICATE THEIR APPROVAL OR DISAPPROVAL AS TO ANY MATTER (INCLUDING THE MERGER

AND THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT) WILL BE DEEMED TO HAVE VOTED TO APPROVE SUCH MATTER. The voting procedures applicable to MHP Limited Partners are set forth in the Consent Solicitation under the heading "Voting Procedures--Required Limited Partner Vote and Other Conditions."

As of June 19, 1998, MHP Acquisition Corporation holds 47.3% of the total number of MHP Partnership Units. No other person owned of record, or to the Partnership's knowledge owned beneficially, more than 5% of the total number of MHP Partnership Units.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of OP Units in the Merger, each MHP Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if any entity, an entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such MHP Limited Partner in connection with the Merger. If such certification or withholding certificate is not provided, the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such MHP Limited Partner in connection with the Merger, including both the value of the OP Units received and such MHP Limited Partner's share of the liabilities of MHP. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

OP UNIT EXCHANGE ELECTION PROCEDURES

Description of the Common Share Election

MHP Limited Partners who desire to exchange their OP Units with Host REIT for Common Shares must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time during the period beginning on the first day of the Solicitation Period and ending at 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (expected to be January 22, 1999 if the Effective Date of the Merger is December 30, 1998) (the "Election Period") (which election may be revoked, and if revoked, made again, at any time prior to the end of the Election Period). At their discretion, the Operating Partnership and Host REIT may elect to extend the Election Period. Even if an MHP Limited Partner votes against the Merger, he may still choose to exchange his OP Units for Common Shares in the event the Merger is approved. An MHP Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each MHP Limited Partner who timely and properly elects to exchange his OP Units for Common Shares (and who has not timely revoked such election at any time during the Election Period) will tender (or be deemed to have tendered) all of the OP Units he receives to Host REIT in the Merger for an equal number of Common Shares. The Common Shares will be issued to the MHP Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Common Shares are expected to receive quarterly cash distributions in the same amount as the cash distributions with respect to each OP Unit. See "Description of Capital Stock--Common Shares."

Description of the Note Election

MHP Limited Partners who desire to exchange their OP Units with the Operating Partnership for a Note must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time prior to the end of the Election Period (which election may be revoked, and if revoked, made again, at any time prior to the end of the Election Period). Even if an MHP Limited Partner votes against the Merger, he still may choose to exchange his OP Units for a Note in the event the Merger is approved. An MHP Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each MHP Limited Partner who timely and properly elects to exchange his OP Units for a Note (and who has not timely revoked such election at any time during the Election Period) will tender (or be

deemed to have tendered) to the Operating Partnership all of the OP Units he receives in the Merger for the Note. The Note will be issued to the MHP Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Notes will (i) be unsecured obligations of the Operating Partnership, (ii) have a principal amount equal to the Note Election Amount of an MHP Limited Partner's Partnership Interests, (iii) mature on December 15, 2005 (approximately seven years after the currently expected closing of the Merger), (iv) bear interest at 6.56% per annum, which was determined based on 120% of the applicable federal rate as of the Record Date (which was 5.47%), payable semi-annually on June 15 and December 15 each year commencing from and after the Effective Date of the Merger, (v) provide for optional prepayment by the Operating Partnership at any time without penalty and mandatory prepayment of principal from a ratable portion of the net proceeds (after repayment of debt, sales expenses and deferred management fees) realized from any sale of the Hotel formerly owned by MHP and from certain excess refinancing proceeds and (vi) provide for the payment of the remaining principal balance at maturity. See "Description of the Notes."

Election Procedures

MHP Limited Partners who desire to exchange their OP Units for Common Shares or a Note must timely and properly complete and return the OP Unit Exchange Election Form. An MHP Limited Partner must make such election (or revoke any election previously made) during the Election Period, which will commence on the first day of the Solicitation Period and will continue until 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998), unless extended. An MHP Limited Partner who has returned an OP Unit Exchange Election Form may withdraw or revoke such election at any time prior to the expiration of the Election Period by either submitting a later dated OP Unit Exchange Election Form or notifying the Operating Partnership in writing that he wishes to withdraw such previous election. The OP Unit Exchange Election Form may be submitted so that it is received by MHP (c/o the Operating Partnership) at any time prior to the end of the Election Period. This election can be revoked, or an alternative election can be made, by submitting to MHP, in writing, such revocation or alternative election so that it is received by MHP at any time prior to the end of the Election Period.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of Common Shares or a Note in exchange for OP Units if an MHP Limited Partner exercises the Common Share Election or the Note Election, respectively, each MHP Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to Host REIT and the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if an entity, an entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such MHP Limited Partner in connection with the Common Share Election or the Note Election. If such certification or withholding certificate is not provided, Host REIT or the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such MHP Limited Partner in connection with the Common Share Election or the Note Election, including both the value of the securities received and such MHP Limited Partner's share of the liabilities of the Operating Partnership. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

FEDERAL INCOME TAX CONSEQUENCES

In addition to the federal income tax consequences discussed in the sections of the Consent Solicitation entitled "Federal Income Tax Consequences" and "Risk Factors--Federal Income Tax Risks," MHP Limited Partners should read carefully the following discussion of federal income tax consequences applicable specifically to the MHP Limited Partners. The information included in this discussion is based upon various factual assumptions and information which are believed by the Operating Partnership and the General Partner to

be reliable. However, some of these assumptions inevitably will not materialize, and unanticipated events and circumstances will occur. Therefore, there likely will be differences between the information provided herein, including the numerical data and estimates, and actual results, and the variations may be material and adverse.

Applicability of Tax Opinions

Hogan & Hartson L.L.P. ("Hogan & Hartson"), counsel to Host REIT, Host and the Operating Partnership, has provided to Host REIT and the Operating Partnership an opinion letter (attached as Appendix C to the Consent Solicitation) as to certain federal income tax consequences to the Operating Partnership and the MHP Limited Partners resulting from the Mergers and the REIT Conversion. The opinion letter is based upon certain assumptions and certain representations provided by Host REIT, Host, the Operating Partnership and the General Partners. These representations generally involve factual matters relating to the organization, ownership and operations (including the income, assets, businesses, liabilities and properties) of the Partnerships and Hotels contributed to the Operating Partnership by Host and the Blackstone Entities prior to the Mergers and the REIT Conversion and of Host REIT, the Operating Partnership and the Partnerships following the Mergers and the REIT Conversion. In addition, prior to the Effective Date, Hogan & Hartson expects to provide to Host REIT and the Operating Partnership an opinion letter (substantially in the form of Appendix D to the Consent Solicitation) as to the qualification and taxation of Host REIT as a REIT under the Code following the REIT Conversion. The receipt of this opinion is a condition to the REIT Conversion and each of the Mergers. See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation.

Each opinion provided by Hogan & Hartson in the opinion letter that is attached as Appendix C to the Consent Solicitation is applicable to the MHP Limited Partners.

The opinions already rendered by Hogan & Hartson are based on the Code and Treasury Regulations in effect on the date hereof, current administrative interpretations and positions of the IRS and existing court decisions, and the opinions to be rendered by Hogan & Hartson prior to the Effective Date will be based on the same authorities as of the date such opinions are rendered. No assurance can be given that future legislation, Treasury Regulations, administrative interpretations and court decisions will not significantly change the law or the above conclusions reached by counsel. In addition, any such change could apply retroactively to transactions preceding the date of change. Moreover, opinions of counsel merely represent counsel's best judgment with respect to the probable outcome on the merits and are not binding on the IRS or the courts. Accordingly, even if there is no change in applicable law, no assurance can be provided that such opinions (which do not bind the IRS or the courts) will not be challenged by the IRS or will be sustained by a court if so challenged. With the one exception described below (see "--Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain") and in the Consent Solicitation under "Federal Income Tax Consequences--Tax Consequences of the Mergers--IRS Ruling Request Regarding Allocation of Partnership Liabilities," neither Host REIT, the Operating Partnership nor the General Partners have requested or plan to request any rulings from the IRS concerning the tax consequences of the Mergers or the treatment of either the Operating Partnership or Host REIT subsequent to the REIT Conversion.

Tax Consequences of the Merger

Overview. Hogan & Hartson has provided an opinion to the effect that, except for any gain attributable to the sale of personal property by MHP to a Non-Controlled Subsidiary in connection with the REIT Conversion, the Merger will not result in the recognition of taxable gain or loss at the time of the Merger to an MHP Limited Partner (i) who does not elect to receive Common Shares (the "Common Share Election") or a Note (the "Note Election") in exchange for his OP Units in connection with the Merger; (ii) who does not exercise his Unit Redemption Right on a date sooner than the date two years after the date of the consummation of the Merger; (iii) who does not receive a cash distribution (or a deemed cash distribution resulting from relief from liabilities, including as a result of any repayment of the Orlando Mortgage or the Harbor Beach Mortgage) in connection with the Merger or the REIT Conversion in excess of his aggregate adjusted basis in his MHP Partnership Units at the time of the Merger; (iv) who is not required to recognize gain by reason of the exercise by another MHP

Limited Partner of his right to make the Common Share Election or the Note Election; and (v) who does not have his "at risk" amount fall below zero as a result of the Merger or the REIT Conversion. See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation.

With respect to the foregoing exceptions to nonrecognition treatment, the Operating Partnership and the General Partner believe as follows: (i) an MHP Limited Partner who acquired his MHP Partnership Units in the original offering of such Partnership Units and who has held such Partnership Units at all times since would not be considered to receive, as a result of the Merger, a distribution (or a deemed cash distribution resulting from relief from liabilities) that exceeds his aggregate adjusted basis in his MHP Partnership Units at the time of the Merger, and would not have his "at risk" amount fall below zero as a result of the Merger, and (ii) a portion of the personal property associated with both of the Hotels owned by MHP will need to be sold to a Non-Controlled Subsidiary in connection with the REIT Conversion, which may result in the recognition of a relatively modest amount of income by the MHP Limited Partners. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Overview" in the Consent Solicitation and "Tax Allocations upon the Sale of Certain Personal Property Associated with the MHP Hotels" below.

With respect to the effects of an MHP Limited Partner's election to receive Common Shares or a Note in exchange for his OP Units in connection with the Merger, Hogan & Hartson is of the opinion that, although the matter is not free from doubt, an MHP Limited Partner who does not make the Common Share Election or Note Election should not be required to recognize gain by reason of another MHP Limited Partner's exercise of such right. With respect to the exercise of a Unit Redemption Right, Hogan & Hartson is of the opinion that it is more likely than not that an MHP Limited Partner's exercise of his Unit Redemption Right more than one year after the date of consummation of the Merger but less than two years after such date will not cause the Merger itself to be a taxable transaction for the MHP Limited Partner (or the other MHP Limited Partners). See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation. Opinions of counsel, however, do not bind the IRS or the courts, and no assurances can be provided that such opinions will not be challenged by the IRS or will be sustained by a court if so challenged.

Deemed Cash Distribution and Resulting Taxable Gain. With respect to his MHP Partnership Units, an MHP Limited Partner will receive no actual cash distribution in connection with the Merger but would be deemed to receive a cash distribution in connection with the Merger to the extent that his share of Operating Partnership liabilities immediately after the Merger and the REIT Conversion is less than his share of MHP liabilities immediately prior to the Merger. For example, any repayment of the Orlando Mortgage or the Harbor Beach Mortgage or debt encumbering other Hotels may result in a deemed cash distribution to the MHP Limited Partners. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Relief from Liabilities/Deemed Cash Distribution" in the Consent Solicitation. Even though the Orlando Mortgage, the Harbor Beach Mortgage and the debt encumbering other Hotels is not expected to be repaid or refinanced in connection with the Merger and the REIT Conversion (except as described in the Consent Solicitation), an MHP Limited Partner's share of indebtedness following the Merger and the REIT Conversion may nonetheless decrease in comparison to the Limited Partner's estimated aggregate share of MHP indebtedness as of December 31, 1998 (calculated based on the assumption that the Merger did not occur) by reason of the manner in which the debt allocation rules work when multiple assets with different levels of leverage are consolidated into a single partnership.

An MHP Limited Partner, however, would recognize taxable gain as a result of any deemed cash distribution only to the extent that the deemed cash distribution were to exceed his adjusted tax basis in his MHP Partnership Units immediately prior to the Merger. As noted above, the Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that an MHP Limited Partner who acquired his MHP Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since the offering will have an adjusted tax basis in excess of the deemed cash distribution that might occur in connection with the Merger and the REIT Conversion. Therefore, such an MHP Limited Partner should not recognize gain due to such deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The adjusted tax basis of an MHP Limited Partner who did not acquire his MHP Partnership Units in the original offering of such Partnership Units or who has not held his MHP Partnership Units at all times since such offering could vary materially from that of an MHP Limited Partner who did so. If an MHP Limited Partner has an adjusted tax basis in his MHP Partnership Units (per MHP Partnership Unit) that is substantially less than the adjusted tax basis of an MHP Limited Partner who acquired his MHP Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since, he could recognize gain due to any deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The Operating Partnership has no current plan or intention to cause the prepayment of the Orlando Mortgage or the Harbor Beach Mortgage or, except as described in the Consent Solicitation, any of the nonrecourse liabilities encumbering the Hotels owned by the other Partnerships (other than with the proceeds of indebtedness that would be considered nonrecourse liabilities allocable to the Hotel being refinanced). The Operating Partnership, however, will have to repay mortgage indebtedness securing the Hotels owned by the Partnerships at the time such indebtedness matures. There can be no assurance that at such time the Operating Partnership will be able to secure nonrecourse mortgage indebtedness secured only by those Hotels in an amount sufficient to avoid a deemed cash distribution to the former Limited Partners in certain of those Partnerships, including MHP (although such a deemed distribution of cash may or may not result in the recognition of taxable income or gain by the former MHP Limited Partners). Moreover, the Operating Partnership's current long-term financing strategy is to have as little debt as possible that is secured by individual Hotels and to have as much debt as possible in the form of unsecured debt, held either by the public or by institutional investors, which debt may or may not be recourse to Host REIT, as general partner of the Operating Partnership. In view of these considerations and the potential adverse consequences to Limited Partners in certain Partnerships, including the MHP Limited Partners, the Operating Partnership has requested from the IRS a ruling to the effect that such unsecured indebtedness of the Operating Partnership that is issued initially to institutional investors and is not recourse to Host REIT (i) would qualify as "nonrecourse liabilities" for purposes of Code Section 752, (ii) to the extent the proceeds thereof are applied to repay existing nonrecourse mortgage indebtedness secured by one or more Hotels (including the Orlando Mortgage and the Harbor Beach Mortgage), would be considered to be "secured" by those Hotels for purposes of allocating the liabilities for tax basis purposes (and thus would be allocable, at least in substantial part, to the former Limited Partners in the Partnerships owning those Hotels, including the MHP Limited Partners), and (iii) would constitute "qualified nonrecourse financing" secured by such Hotels for purposes of Code Section 465. The IRS has recently issued a ruling to that effect to another taxpayer, and has indicated to the Operating Partnership's representatives that it is favorably inclined to issue that ruling to the Operating Partnership.

Each MHP Limited Partner will gradually begin to recognize income over the term of his ownership of OP Units (beginning, perhaps, in his first year of ownership of OP Units) attributable to deemed cash distributions resulting from the relief from liabilities, as the aggregate principal amount of nonrecourse indebtedness encumbering (or deemed to encumber) the Hotels amortizes in accordance with its terms. The Operating Partnership will make regular quarterly cash distributions to the MHP Limited Partners that may or may not be sufficient to allow the MHP Limited Partners to pay the federal and state income tax owed on the income allocated to such Limited Partners by reason of the amortization of the debt secured by the MHP Hotels.

Section 465(e) Recapture. As discussed in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Section 465(e) Recapture," the "at risk" rules of Section 465 of the Code generally apply to limit the use of partnership losses by a partner. Under Section 465(e) of the Code, a partner may be required to include in gross income, or "recapture," losses previously allowed to such partner with respect to his investment in a partnership if the amount for which the partner is "at risk" in relation to his investment in the partnership is less than zero at the close of the taxable year. The "at risk" rules generally do not apply to losses attributable to real property placed in service prior to January 1, 1987 by the taxpayer or to losses attributable to a partnership in which the taxpayer acquired his interests before that date (the "grandfather" rule). Thus, the "at risk" rules have not been applicable to date to those MHP Limited Partners

who acquired their Partnership Units at the time of the original offering or at any time prior to January 1, 1987 and who have held those Partnership Units since the date of the acquisition. The MHP Limited Partners, however, will become subject to the "at risk" rules as a result of the Merger and their receipt of OP Units in connection therewith (since the OP Units do not qualify for the "grandfather" rule).

It is possible that the consummation of the Mergers and the REIT Conversion or the repayment of certain "qualified nonrecourse financing" of the Operating Partnership, the Hotel Partnerships or the Hotels contributed to the Operating Partnership by the Blackstone Entities at the time of or following the Mergers and the REIT Conversion could, singularly or in combination, cause an MHP Limited Partner's amount at risk in relation to his investment in MHP (and, after the Mergers, in the Operating Partnership) to be reduced below zero, resulting in an income inclusion to the Limited Partner under Section 465(e) of the Code. Currently, a sufficient portion of the current debt of MHP constitutes "qualified nonrecourse financing" so that the MHP Limited Partners have positive at risk amounts. The Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that an MHP Limited Partner who acquired his MHP Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since will have a positive at risk amount immediately following the Mergers and the REIT Conversion.

It is possible, however, that a former MHP Limited Partner's at risk amount could decline in the future, either because of the allocation of losses from the Operating Partnership to that former MHP Limited Partner or because of cash distributions by the Operating Partnership to that former MHP Limited Partner in excess of the taxable income allocable to him with respect to his OP Partnership Units. Moreover, there can be no assurance that debt incurred by the Operating Partnership in the future to refinance existing debt would qualify as "qualified nonrecourse financing." If, however, the Operating Partnership were to obtain the requested ruling from the IRS and were to refinance existing mortgage indebtedness of the Partnerships (including the Orlando Mortgage or the Harbor Beach Mortgage) with the type of indebtedness described in the rulings, such indebtedness should constitute "qualified nonrecourse financing" for purposes of the "at risk" rules.

Impact of Assumption of MHP Liabilities by the Operating Partnership. As described in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Disguised Sale Regulations," an MHP Limited Partner will recognize gain to the extent he is treated as having sold all or part of his MHP Partnership Interest in a "disguised sale." For purposes of these rules, certain reductions in a partner's share of partnership liabilities are treated as a transfer of money or other property from the partnership to the partner which may give rise to a disguised sale, even if that reduction would not otherwise result in a taxable deemed cash distribution in excess of the partner's basis in his partnership interest. However, if a transfer of property by a partner to a partnership is not otherwise treated as part of a disguised sale, then any reduction in the partner's share of "qualified liabilities" also will not be treated as part of a disguised sale. A "qualified liability" in connection with a transfer of property to a partnership includes (i) any liability incurred more than two years prior to the earlier of the transfer of the property or the date the partner agrees in writing to the transfer, as long as the liability has encumbered the transferred property throughout the two-year period; (ii) a liability that was not incurred in anticipation of the transfer of the property to a partnership, but that was incurred by the partner within the two-year period prior to the earlier of the date the partner agrees in writing to transfer the property or the date the partner transfers the property to a partnership and that has encumbered the transferred property since it was incurred; (iii) a liability that is traceable under the Treasury Regulations to capital expenditures with respect to the property; and (iv) a liability that was incurred in the ordinary course of the trade or business in which property transferred to the partnership was used or held, but only if all the assets related to that trade or business are transferred, other than assets that are not material to a continuation of the trade or business. However, a recourse liability is not a "qualified liability" unless the amount of the liability does not exceed the fair market value of the transferred property (less any other liabilities that are senior in priority and encumber such property or any allocable liabilities described in (iii) or (iv) above) at the time of transfer.

Hogan & Hartson believes, based on factual representations made by the Operating Partnership and the General Partner relating to the facts and circumstances surrounding each such liability, that all liabilities of MHP fall into one of the four categories of "qualified liabilities" described in the preceding paragraph. Based

on the aforementioned representations and on certain numerical estimates provided by the Operating Partnership and the General Partner, however, approximately \$8.8 million of MHP indebtedness (\$8,800 per \$100,000 original investment of MHP), as of December 31, 1998, may be "qualified liabilities" solely by reason of exception (ii) in the preceding paragraph (i.e., a liability incurred within two years of the Merger but not in anticipation of the Merger) and, thus, MHP and the MHP Limited Partners will be required to disclose such indebtedness on a completed IRS Form 8275 or on a statement attached to their tax returns for the taxable year in which the Merger occurs. There can be no assurance, however, that the IRS will not challenge the position of MHP that this indebtedness is a "qualified liability."

Tax Treatment of MHP Limited Partners Who Hold OP Units Following the Merger

Initial Basis in Units. In general, an MHP Limited Partner will have an initial tax basis in his OP Units received in the Merger with respect to his MHP Partnership Units equal to the basis in his MHP Partnership Units at the time of the Merger, reduced to reflect any deemed cash distributions resulting from a reduction in his share of MHP liabilities and increased to reflect his share of other liabilities of the Operating Partnership and any gain required to be recognized in connection with the Merger and the REIT Conversion (including income, if any, attributable to the sale of a portion of the personal property associated with both the MHP Hotels, as described below under "--Tax Allocations upon the Sale of Certain Personal Property Associated with the MHP Hotels"). For a discussion of the federal income tax consequences for an MHP Limited Partner from a reduction in basis that may result from the Merger and the REIT Conversion, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Initial Tax Basis of OP Units" in the Consent Solicitation.

Tax Allocations by the Operating Partnership upon a Sale of MHP Hotels. Pursuant to Section 704(c) of the Code, income, gain, loss and deduction attributable to appreciated or depreciated property that is contributed to a partnership must be allocated for federal income tax purposes in a manner such that the contributor is charged with, or benefits from, the unrealized gain or unrealized loss associated with the property at the time of contribution. The amount of such unrealized gain or unrealized loss is generally equal to the difference between the fair market value of the contributed property at the time of contribution and the adjusted tax basis of such property at the time of contribution (referred to as the "Book-Tax Difference"). The Operating Partnership and the General Partner estimate, based upon and subject to the assumptions and other limitations described below, that the Book-Tax Difference for all MHP Limited Partners (but excluding all of Host's interests) with respect to the MHP Hotels will be \$114,460,769 upon the consummation of the Merger.

If the Operating Partnership were to sell the Orlando World Center and its interest in the Harbor Beach Hotel, the former partners of MHP (including Host REIT with respect to Host's indirect interest in MHP) would be specially allocated by the Operating Partnership an aggregate amount of taxable gain equal to the aggregate Book-Tax Difference with respect to those MHP Hotels. The share of such gain allocable to an MHP Limited Partner who acquired his MHP Partnership Units in the original offering of such Partnership Units and held such Partnership Units at all times since would be \$221,532 per MHP Partnership Unit. The share of such gain of an MHP Limited Partner who did not acquire his MHP Partnership Units in the original offering of such Partnership Units or who has not held his MHP Partnership Units at all times since such offering could vary materially from this amount. If the Operating Partnership were to sell one of the MHP Hotels with a Book-Tax Difference, the remaining Book-Tax Difference at the time the Hotel is sold would be required to be allocated exclusively to the former MHP Limited Partners and the General Partner, even though the proceeds of such sale would be allocated proportionately among all the partners in the Operating Partnership (and would likely be retained by the Operating Partnership, rather than distributed to holders of OP Units and Common Shares of Host REIT). The MHP Limited Partners would not be entitled to any special distributions from the Operating Partnership in connection with such a sale, and thus would not necessarily receive cash distributions from the Operating Partnership sufficient to pay such additional taxes. Although the Partnership Agreement does not impose any restrictions upon the Operating Partnership preventing it from causing the sale of either or both of the MHP Hotels at any time following the Merger, the Operating Partnership does not have current plans to pursue a sale

of either of the MHP Hotels. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Sale of Individual Hotels" in the Consent Solicitation.

Tax Allocations upon the Sale of Certain Personal Property Associated with the MHP Hotels. As discussed in the Consent Solicitation, see "Federal Income Tax Consequences--Federal Income Taxation of Host REIT Following the REIT Conversion--Income Tests Applicable to REITs" and "--Taxable Income Attributable to Sales of Personal Property in Connection with the REIT Conversion," if the rent attributable to personal property leased in connection with the lease of each Hotel is greater than 15% of the total rent received under the lease of such Hotel, the portion of the rent attributable to the personal property will not constitute qualifying income to Host REIT (the "15% Personal Property Test"). The Operating Partnership and the General Partner have determined that the percentage of rent attributable to the personal property to be leased in connection with the lease of the two MHP Hotels would not satisfy the 15% Personal Property Test. The 15% Personal Property Test is a mechanical test that is based not on the relative fair market value of the assets subject to lease, or the relative fair rental value of those assets, but, rather, is based on the average relative adjusted tax bases of the assets subject to the lease. Accordingly, immediately prior to the Merger, the Operating Partnership will require MHP, if it chooses to participate in the Merger, to sell to a Non-Controlled Subsidiary a portion of the personal property associated with the MHP Hotels. This sale, which will be a taxable transaction, may result in the recognition by MHP (and the allocation to the MHP Limited Partners) of a relatively modest amount of taxable gain to the extent of the difference, if any, between the fair market value of the personal property at the time of the sale and the adjusted tax basis of such property at that time. The actual amount of any such gain will be determinable only at the time of the sale and will be affected by the specific personal property selected to be sold and the fair market value and adjusted basis of that personal property. Pursuant to the MHP partnership agreement, any such taxable gain will be characterized as ordinary recapture income and will be allocated by MHP to the former MHP Limited Partners in the same proportions and to the same extent that such Limited Partners were allocated any deductions directly or indirectly giving rise to the treatment of such gains as recapture income prior to the Merger. The MHP Limited Partners would not be entitled to any special distributions from MHP in connection with such a sale of personal property.

Tax Allocations with Respect to Contributed Hotels Generally. The tax allocations of depreciation to the MHP Limited Partners may change significantly as a result of the Mergers and the REIT Conversion for two reasons. First, as described above, pursuant to Section 704(c) of the Code, depreciation and deductions attributable to the two MHP Hotels will be required to be allocated for federal income tax purposes in a manner such that the MHP Limited Partners are charged with the Book-Tax Difference associated with the MHP Hotels at the time of the consummation of the Merger. Consequently, an MHP Limited Partner will be allocated less depreciation with respect to the MHP Hotels than would be the case if the Mergers had not occurred and the MHP Limited Partner had continued to hold his MHP Partnership Units. (On the other hand, a former MHP Limited Partner will be allocated depreciation with respect to other Hotels acquired by the Operating Partnership in connection with the Mergers and the REIT Conversion, including the Hotels owned by the other Hotel Partnerships and the Hotels being contributed to the Operating Partnership by Host and the Blackstone Entities in connection with the Mergers and the REIT Conversion.) Second, the Mergers will cause the technical termination under Section 708(b)(1)(B) of the Code of MHP and certain of the other Hotel Partnerships that participate in the Mergers and the REIT Conversion. Section 168(i)(7) of the Code provides, in effect, that when a partnership terminates under Section 708(b)(1)(B) of the Code, the partnership must begin new depreciation periods for its property. As a result, the remaining bases of the real estate components of the MHP Hotels and the Hotels held by the other Hotel Partnerships that terminate will be depreciated over 39 years, rather than over the remaining current lives of such Hotels (which range from less than one year to 39 years). See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Effect of Mergers on Depreciation" in the Consent Solicitation.

In light of the complexity of the governing rules affecting the calculation and allocation of depreciation with respect to properties contributed to a partnership, particularly when a number of those properties are subject to the separate adjustments required in connection with a technical termination under Section 708 of the Code, the

number of Hotels that the Operating Partnership will be acquiring in connection with the Mergers, the Blackstone Acquisition and the REIT Conversion, and the impact on these calculations of other outside events, including equity offerings by Host or Host REIT and other acquisitions undertaken by Host, Host REIT or the Operating Partnership prior to or in connection with the REIT Conversion, the Operating Partnership and the General Partner believe that it is impossible to predict with any degree of precision the impact that the Mergers and the REIT Conversion will have on the future depreciation (and, consequently, the amount of taxable income) allocable to an MHP Limited Partner.

Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership. The passive loss limitation rules generally provide that individuals, estates, trusts and certain closely held corporations and personal service corporations can only deduct losses from passive activities (generally activities in which the taxpayer does not materially participate, which would include the Operating Partnership for MHP Limited Partners) to the extent that such losses are not in excess of the taxpayer's income from passive activities or investments. An MHP Limited Partner would be able to offset losses from other passive activities against income from the Operating Partnership that is considered passive income (but not portfolio income) so long as the Operating Partnership is not treated as a publicly traded partnership. The Operating Partnership and the General Partner believe, however, that there is a substantial risk that the Operating Partnership will be treated as a publicly traded partnership for purposes of the passive loss limitation rules. In this event, any losses or deductions of the Operating Partnership allocable to an MHP Limited Partner after the Merger could not be used to offset passive income from other passive activities. Similarly, losses from other passive activities (including losses attributable to MHP for periods prior to the Merger) could not be applied to offset income of the Operating Partnership allocated to an MHP Limited Partner. An MHP Limited Partner that purchased his Partnership Units at the time of the original offering has held those Partnership Units continuously since that time, and whose Partnership Units have been his only investment in a passive activity would have a passive activity loss carryforward of approximately \$1,217, on a per Partnership Unit basis.

State and Local Taxes. MHP Limited Partners holding OP Units will be subject to state and local taxation in a number of jurisdictions in which the Operating Partnership directly or indirectly holds real property and would be required to file periodic tax returns in those jurisdictions. In this regard, immediately following the Mergers and the REIT Conversion, the Operating Partnership expects that it will own properties in 28 states across the United States and the District of Columbia. Currently, MHP owns, directly and indirectly, only Florida properties. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--State and Local Taxes" in the Consent Solicitation.

Assumptions Used in Determining Tax Consequences of the Merger

In preparing the discussion set forth above, the Operating Partnership and the General Partner made several key assumptions, which are described below. If any such assumption is not accurate with respect to a particular MHP Limited Partner, the tax consequences of the Merger to such MHP Limited Partner could be substantially different from those reflected above. ACCORDINGLY, EACH MHP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

First, with respect to an MHP Limited Partner's basis in his MHP Partnership Units prior to the Merger, the Operating Partnership and the General Partner assumed that an MHP Limited Partner acquired his MHP Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since the offering (the "Original Limited Partner's Adjusted Basis"). In general, each MHP Limited Partner had an initial tax basis in his MHP Partnership Units ("Initial Basis") equal to his cash investment in MHP (plus his proportionate share of MHP's nonrecourse liabilities at the time he acquired his MHP Partnership

Units). An MHP Limited Partner's Initial Basis generally has been increased by (a) such Limited Partner's share of MHP taxable income and (b) any increases in his or her share of liabilities of MHP. Generally, such Limited Partner's Initial Basis has been decreased (but not below zero) by (i) his share of MHP cash distributions, (ii) any decreases in his share of liabilities of MHP, (iii) his share of losses of MHP and (iv) his share of nondeductible expenditures of MHP that are not chargeable to capital.

The General Partner has set forth on Appendix E to the Consent Solicitation for MHP (i) the Original Limited Partner's Adjusted Basis as of December 31, 1997 for each such MHP Limited Partner, and (ii) an estimate of such MHP Limited Partner's Original Limited Partner's Adjusted Basis as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation). The General Partner also has set forth on Appendix E to the Consent Solicitation for each MHP Limited Partner whose adjusted basis in his MHP Partnership Interest is the same as the Original Limited Partner's Adjusted Basis (i) the MHP liabilities allocable to such MHP Limited Partner as of December 31, 1997, and (ii) an estimate of the MHP liabilities allocable to such Limited Partner as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation).

The adjusted tax basis of an MHP Limited Partner who did not acquire his MHP Partnership Units in the original offering of such Partnership Units could vary materially from that of an MHP Limited Partner who did so for various reasons. If an MHP Limited Partner has an adjusted tax basis in his MHP Partnership Units that is less than the Original Limited Partner's Adjusted Tax Basis, the Merger might result in the receipt by the MHP Limited Partner of a deemed distribution of cash in excess of his adjusted tax basis in his MHP Partnership Units, which could result in the recognition of income or gain.

Second, the Operating Partnership and the General Partner assumed that the method expected to be used by the Operating Partnership to allocate liabilities among the partners will be respected for federal income tax purposes. The Operating Partnership will allocate liabilities associated with the MHP Hotels as described in "Federal Income Tax Consequences--Tax Consequences of the Mergers--Relief from Liabilities/Deemed Cash Distribution" in the Consent Solicitation. If the method used by the Operating Partnership were not respected for federal income tax purposes and the nonrecourse liabilities actually allocable to an MHP Limited Partner are less than the amount assumed by the Operating Partnership and the General Partner, the Merger might result in the receipt by such MHP Limited Partner of a deemed distribution of cash that is greater than the deemed distribution of cash expected to be received by such MHP Limited Partner as described above in "Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain." For an MHP Limited Partner who did not acquire his MHP Partnership Units in the original offering of such Partnership Units or who did not hold such Partnership Units at all times since, this deemed distribution of cash could exceed his adjusted tax basis in his MHP Partnership Units, which could result in the recognition of income or gain.

Finally, the Operating Partnership and the General Partner assumed that the Merger will be treated for federal income tax purposes as the transfer by the MHP Limited Partners of their interests in the Partnership to the Operating Partnership in exchange for OP Units. There can be no assurance, however, that the IRS will not seek to recharacterize each Merger as either (i) the liquidation of a Partnership followed by the distribution by the Partnership of its assets to its partners and the subsequent transfers by such partners of such assets to the Operating Partnership in exchange for OP Units, or (ii) the transfer by a Partnership of its assets to the Operating Partnership in exchange for OP Units (and possibly Notes and/or Common Shares) and the subsequent distribution of such OP Units (and possibly Notes and/or Common Shares) to its partners. If the Merger is recharacterized in the manner described in (ii) in the preceding sentence, the tax consequences of the Merger to the MHP Limited Partners likely would be materially affected.

EACH MHP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

THE TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER TO A PARTICULAR MHP LIMITED PARTNER COULD VARY SUBSTANTIALLY FROM THE CONSEQUENCES DESCRIBED ABOVE.

Tax Treatment of MHP Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election

An MHP Limited Partner who exercises his right to make the Common Share Election or the Note Election and receive Common Shares or a Note in connection with the Merger will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur (i) with regard to an MHP Limited Partner who makes the Common Share Election, at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998), and (ii) with regard to an MHP Limited Partner who makes the Note Election, on the Effective Date of the Merger (which currently is expected to be December 30, 1998). Generally, the amount realized in connection with such disposition made pursuant to the exercise of the Common Share Election will equal the sum of the fair market value of the Common Shares received (i.e., the Exchange Value, currently estimated as \$141,074 per MHP Partnership Unit) plus the portion of MHP's liabilities allocable to the MHP Limited Partner for federal income tax purposes immediately prior to the disposition of the OP Units (estimated as \$210,276 per MHP Partnership Unit as of December 31, 1998). Generally, the amount realized in connection with such disposition made pursuant to the exercise of the Note Election will equal the sum of the "issue price" of the Note (i.e., the face amount of the Note, currently estimated as \$124,261 per MHP Partnership Unit) plus the portion of MHP liabilities allocable to the MHP Limited Partner for federal income tax purposes immediately prior to the disposition of the OP Units (estimated as \$210,276 per MHP Partnership Unit as of December 31, 1998). To the extent the applicable amount realized exceeds the MHP Limited Partner's adjusted basis in his MHP Partnership Units, the MHP Limited Partner will recognize gain. The Operating Partnership and the General Partner estimate (assuming the MHP Limited Partner acquired his MHP Partnership Units at the time of the original offering and has held such Partnership Units at all times since the offering) that the amount of gain that would be recognized by an MHP Limited Partner who made the Common Share Election would be approximately \$210,832 per MHP Partnership Unit and that the amount of gain that would be recognized by an MHP Limited Partner who made the Note Election would be approximately \$194,019 per MHP Partnership Unit, as of December 31, 1998. For a discussion of the federal income tax rates applicable to the net capital gain from the sale of a capital asset, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Disposition of OP Units by Limited Partners" in the Consent Solicitation. In this regard, the General Partner estimates that, as of December 31, 1998, if MHP sold both of its Hotels in a fully taxable transaction for a net amount, after payment of liabilities, equal to the Exchange Value of MHP (with respect to a Limited Partner who makes the Common Share Election) or Liquidation Value of MHP (with respect to a Limited Partner who makes the Note Election), the "unrecognized Section 1250 gain" per MHP Partnership Unit would be \$133,537 and the gain subject to tax as ordinary income under Code Section 1245 per MHP Partnership Unit would be \$10,808. An MHP Limited Partner who makes the Common Share Election or the Note Election would be able to treat any per Partnership Unit passive activity loss carryforward with respect to the activities of MHP, to the extent the sum of such losses exceeds his passive activity income for 1998, as losses that are not from a passive activity and, therefore, not subject to the passive activity loss limitation rules. For purposes of determining the gain recognized by a Limited Partner as a result of making the Common Share Election or the Note Election, an Original Limited Partner's Adjusted Basis reflects such Limited Partner's share of the syndication costs incurred by his Partnership at formation. An original MHP Limited Partner's share of syndication costs was \$10,700 per MHP Partnership Unit.

An MHP Limited Partner who elects to receive Common Shares will not be eligible to defer any gain under the "installment sale" rules, while an MHP Limited Partner who elects to receive a Note may be eligible to defer a majority of that gain under those rules. Those rules, however, will not permit the MHP Limited Partner to defer all of the gain, and, to the extent that the face amount of the Note (and any other installment obligations received by the taxpayer during the year) outstanding at the end of the taxable year in which the Merger occurs exceeds \$5,000,000, will require that the MHP Limited Partner who defers gain pay to the IRS interest on the

resulting tax that has been deferred. The MHP Limited Partner will not be eligible to defer gain recognized upon the receipt of the Note to the extent that his share of MHP liabilities at the time of the Merger exceeds his adjusted tax basis in his MHP Partnership Units immediately prior to the Merger (that is, to the extent that he has a "negative capital account" for tax purposes). In addition, the MHP Limited Partner will not be eligible to defer gain to the extent that such gain would be taxed as ordinary income under Sections 1245 and 1250 of the Code. Lastly, if an MHP Limited Partner disposes of the Note, any gain that had been deferred would be recognized in the year of disposition.

THE SPECIFIC TAX ATTRIBUTES OF A PARTICULAR MHP LIMITED PARTNER COULD HAVE A MATERIAL IMPACT ON THE TAX CONSEQUENCES OF THE MERGER AND THE SUBSEQUENT OWNERSHIP AND DISPOSITION OF COMMON SHARES OR NOTES. THEREFORE, IT IS ESSENTIAL THAT MHP LIMITED PARTNERS CONSIDERING ELECTING TO RECEIVE COMMON SHARES OR NOTES CONSULT WITH THEIR OWN TAX ADVISORS WITH REGARD TO THE APPLICATION OF THE FEDERAL INCOME TAX LAWS TO SUCH MHP LIMITED PARTNERS' RESPECTIVE PERSONAL TAX SITUATIONS, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION.

Tax Consequences if MHP Does Not Participate in the Merger

If MHP does not participate in the Merger, the MHP Limited Partners would not have any tax consequences resulting from the Merger. The consequences of continued ownership of MHP Partnership Units will be the same as would have resulted if the Merger had not been proposed.

* * *

The above description is not exhaustive of all possible tax considerations associated with the Merger and the REIT Conversion. This summary does not discuss foreign tax considerations, nor does it discuss all of the aspects of federal income taxation or state and local taxation that may be relevant to MHP Limited Partners in light of their particular circumstances. EACH MHP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

SELECTED FINANCIAL DATA

The following table presents selected historical financial data derived from the MHP financial statements for the five most recent fiscal years in the period ended December 31, 1997 and the unaudited condensed consolidated financial statements for the First Two Quarters 1998 and First Two Quarters 1997. The following data should be read in conjunction with MHP's financial statements and the notes thereto, Management's Discussion and Analysis of Financial Condition and Results of Operations and the other financial information included elsewhere herein.

	FIRST TWO QUARTERS		FISCAL YEAR				
	1998	1997	1997	1996	1995	1994	1993
	(UNAUDITED)		(AMOUNTS IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT(1))				
Revenues.....	\$47,968	\$45,873	\$75,211	\$71,834	\$66,998	\$58,474	\$61,347

Book value per Partnership Unit (unaudited) (1).....	35,681	24,632	19,541	10,948	(2,353)	(13,287)	(20,525)
Exchange value per Partnership Unit (unaudited) (1).....	141,074	--	--	--	--	--	--

(1) A Partnership Unit represents a \$100,000 original investment in MHP.

(2) In 1997, the Partnership recognized a \$3.1 million extraordinary loss resulting from the prepayment penalty related to the early extinguishment of the mortgage debt on the Orlando Hotel and the write-off of related deferred financing costs.

(3) The ratio of earnings to fixed charges is computed by dividing net income before interest expense and other fixed charges by total fixed charges, including interest expense, amortization of debt issuance costs and the portion of rent expense that is deemed to represent interest. The deficiency of earnings to fixed charges in 1993 was largely the result of depreciation and amortization of \$14,601,000.

(4) Total debt includes amounts due to Host Marriott of \$2,295,000, \$2,294,000, \$6,420,000, \$9,149,000 and \$13,635,000 as of June 20, 1997, December 31, 1996, 1995, 1994 and 1993, respectively.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

RESULTS OF OPERATIONS

The chart below summarizes REVPAR, or revenue per available room, the first two quarters for 1998 and 1997:

	FIRST TWO QUARTERS		% INCREASE
	1998	1997	
Orlando World Center.....	\$139	\$136	2%
Harbor Beach.....	\$177	\$170	4%
Combined Average.....	\$150	\$146	3%

Total consolidated Partnership revenues for the first two quarters 1998, increased 5% when compared to the comparable period in 1997. Operating results for the first two quarters 1998 were strong for both the Orlando Hotel and the Harbor Beach Hotel (the "Hotels"). REVPAR represents the combination of the average daily room rate charged and the average daily occupancy achieved and is a commonly used indicator of hotel performance. On a combined basis, for the first two quarters 1998, REVPAR increased 3% primarily due to increases in average room rate. For the first two quarters 1998, the combined average room rate increased 5% over the comparable period in 1997 to \$177 while the combined average occupancy decreased two percentage points to 85%.

Hotel revenues. For the first two quarters 1998, revenues reported by the Orlando Hotel increased 7% over the same period of 1997. The strong performance for the first two quarters 1998 was a result of a 2% increase in REVPAR to \$139. This increase was attributed to a 4% increase in average room rate to \$162 offset by a one percentage point decrease in occupancy to 86%. The hotel achieved its increase in average room rate as a result of rate increases across all segments and the hotel's ability to restrict discounted transient room rates. The decrease in occupancy was primarily due to a decrease in group roomnights.

Rental income. Rental income for the first two quarters from the Harbor Beach Hotel remained stable over 1997.

For the first two quarters 1998, REVPAR increased 4% to \$177 when compared to the same period in 1997. This increase was due to a 10% increase in average room rate to \$215 offset by a five percentage point decrease in occupancy to 82%. The improvement in REVPAR was primarily a result of a 16% increase in the group rate.

Operating costs and expenses. The Partnership's operating costs and expenses decreased 4% to \$17.1 million for the first two quarters 1998 when compared to the same period in 1997. The principal component of this category is discussed below:

Depreciation and amortization. Depreciation and amortization for the first two quarters 1998 increased approximately \$0.3 million, or 7% as compared to 1997. The increase is primarily due to the completion of the rooms renovation project at the Orlando Hotel during fourth quarter 1997.

Operating profit. As a result of changes in revenues and expenses discussed above, operating profit increased by \$1.4 million to \$30.1 million over the same period in 1997.

Interest expense. Interest expense for the first two quarters 1998 decreased 7% as compared to the same period in 1997 due to the refinancing of the Orlando Hotel's mortgage debt at a lower interest rate in 1997.

Minority interest. Based upon its 50.5% ownership interest, the Partnership controls the Harbor Beach Partnership and, as a result, the condensed consolidated financial statements of the Partnership include the accounts of the Harbor Beach Partnership. Minority interest represents the net income from the Harbor Beach

Partnership allocable to the co-general partner. Minority interest in income decreased from \$3.8 million for the first two quarters 1997 to \$3.6 million for the first two quarters 1998 primarily due to a slight decrease in net income from the Harbor Beach Partnership due to an increase in depreciation expense.

Net income. For the first two quarters 1998, net income increased \$2.5 million to \$17.8 million over the same period in 1997. This increase was primarily due to increases in hotel revenues and rental income and the decrease in interest expense, as discussed above.

1997 Compared to 1996

Hotel Revenues. Hotel revenues increased approximately \$3.1 million, or 6%, over 1996 as a result of continued growth in corporate group business. REVPAR at the Orlando Hotel increased 11% over 1996 to \$118. This higher rate resulted from increased demand generated by Disney's 25th Anniversary celebration and an increase in group roomnights from the association and international markets. Average occupancy increased by two percentage points to 80%. As a result of the increase in REVPAR, room sales at the Orlando World Center increased \$5.0 million, or 8%, over 1996. Food and beverage sales in 1997 increased \$3.6 million, or 7.5%, over 1996 primarily due to an 11% increase in banquet sales. Food and beverage profit increased \$1.1 million, or 6%, over 1996 due to the increase in sales combined with continued emphasis on cost containment. In 1998, the Orlando World Center expects demand will remain strong and as a result, 1998 hotel revenues are expected to increase.

Direct operating costs and expenses increased \$4.9 million, or 7%, over 1996 due to an increase in certain variable costs related to the increase in room sales and higher food and beverage costs due to the creation of a special events department at the Orlando World Center.

Rental Income. Rental income from the Harbor Beach Hotel increased by approximately \$326,000, or 2%, when compared to 1996 as a result of the Hotel's ability to restrict discounted rates and achieve a higher transient room rate. The Harbor Beach Hotel experienced an increase in corporate group demand of almost 5,000 roomnights. REVPAR increased 6% over 1996 due to a 6% increase in the average room rate to \$173. As a result of the increase in REVPAR, room sales and profit increased 4.5% and 4%, or \$1.4 million and \$1.1 million, respectively, over 1996.

Operating costs and expenses. Operating costs and expenses increased by \$3.5 million, or 13%, from \$29.6 million in 1996 to \$33.1 million in 1997. The principal components of this category are discussed below.

Depreciation and amortization. Depreciation and amortization increased 9% from \$9.7 million in 1996 to \$10.6 million in 1997 primarily due to the addition of furniture and equipment at the Harbor Beach Hotel in 1996.

Incentive management fees. In accordance with the Orlando World Center Management Agreement, incentive management fees increased by \$1.8 million, or 24%, over 1996 as a result of improved operating results at the Orlando World Center. Cash flow from operations of the Orlando World Center Hotel was sufficient to pay all incentive management fees earned by the Manager in 1997 and 1996. Additional incentive management fees of \$1.4 million were also earned by the Manager for the first time in 1997.

Base management fees. In accordance with the Orlando World Center Hotel Management Agreement, base management fees increased 7%, from \$3.6 million in 1996 to \$3.8 million in 1997, due to improved total sales at the Orlando World Center Hotel.

Operating Profit. Operating profit remained stable at \$42.1 million due to the increases in depreciation and amortization and incentive management fees, as discussed above.

Interest expense. Interest expense decreased 6% from \$5.1 million in 1996 to \$4.7 million in 1997 primarily due to principal payments on the Orlando Mortgage Debt prior to refinancing of \$7.0 million and repayment of the entire Orlando Ballroom Loan in 1997.

Minority interest in income. Based on its 50.5% ownership interest, the Partnership controls the Harbor Beach Partnership and as a result, the accounts of the Harbor Beach Partnership are consolidated in the consolidated financial statements of the Partnership. Minority interest in income represents the net income from the Harbor Beach Partnership allocable to the other general partner in that Partnership. Minority interest in income decreased 3% in 1997 primarily due to an increase in depreciation expense partially offset by an increase in rental income from the Harbor Beach Hotel, as discussed above.

Net income. Net income for 1997 decreased \$2.0 million, or 11%, over 1996 primarily due to the \$3.1 million extraordinary loss resulting from the prepayment penalty related to the early extinguishment of the mortgage debt on the Orlando Hotel and the write-off of deferred financing costs related to that debt. This loss was partially offset by higher hotel revenues in 1997.

1996 Compared to 1995

Hotel Revenues. Hotel revenues increased approximately \$3.3 million, or 7%, over 1995 as a result of continued growth in corporate group and transient business. REVPAR at the Orlando World Center increased 2% over 1995 to \$106. This increase was a result of the Hotel's ability to restrict discounted rates and achieve a higher average room rate. The average room rate increased 4% from 1995 to \$137. This increase was slightly offset by a 1.1 percentage point decrease in average occupancy to 78%. The first half of a rooms renovation project was completed during 1996, thus decreasing the availability of rooms for sale. As a result of the increase in REVPAR, room sales at the Orlando World Center increased \$2.4 million, or 4%, over 1995. Food and beverage sales in 1996 increased \$2.1 million, or 5%, over 1995 primarily due to a 6% increase in banquet sales. Food and beverage profit increased \$1.0 million, or 6%, over 1995 due to the increase in revenues combined with continued emphasis on cost containment.

Direct hotel operating costs and expenses increased \$2.7 million, or 4%, over 1995 due to an increase in certain variable costs related to the increase in room sales. The ratio of operating costs to room sales declined in 1996 to 58.0% as compared to 1995 at 58.7%.

Rental Income. Rental income from the Harbor Beach Hotel increased by approximately \$1.6 million, or 8%, when compared to 1995 due to increased transient demand especially in the leisure segment, the highest average room rate category. The Harbor Beach Hotel experienced record call volume during prime season and a significant increase in international travelers. REVPAR increased 7% over 1995 due to a 5% increase in the average room rate to \$164 combined with an increase in average occupancy of 1.9 percentage points to 82%. Despite a 3% decline in group roomnights, transient roomnights increased 13% over 1995. As a result of the increase in REVPAR, room sales and profit increased 9% and 10%, or \$2.6 million and \$2.3 million, respectively, over 1995.

Operating costs and expenses. Operating costs and expenses decreased by \$1.3 million, or 4%, from \$30.9 million in 1995 to \$29.6 million in 1996. The principal components of this category are discussed below.

Depreciation and amortization. Depreciation and amortization decreased by \$2.0 million, or 17%, when compared to 1995 due to a portion of the Hotels' furniture and fixtures becoming fully depreciated in 1995.

Incentive management fees. In accordance with the Orlando World Center Management Agreement, incentive management fees increased by \$0.5 million, or 7%, over 1995 as a result of improved operating results at the Orlando World Center. Cash flow from operations of the Orlando World Center was sufficient to pay all incentive management fees earned by the Manager in 1996 and 1995.

Base management fees. In accordance with the Orlando World Center Management Agreement, base management fees increased 5%, from \$3.4 million in 1995 to \$3.6 million in 1996, due to improved total sales at the Orlando World Center.

Operating Profit. As a result of the changes in revenues and operating costs and expenses discussed above, operating profit increased by \$6.1 million to \$42.2 million, or 59% of revenues, for 1996, from \$36.1 million or 54% of revenues for 1995.

Interest expense. Interest expense increased 1% from \$21.9 million in 1995 to \$22.0 million in 1996, primarily due to the Orlando Mortgage Debt loan modification and extension in October 1995. The Orlando Mortgage Debt interest rate was increased from 7% to 8% in October 1995. The interest rate increase was offset slightly by principal payments on the Orlando Mortgage Debt of \$7.5 million in 1996.

Minority interest in income. Based on its 50.5% ownership interest, the Partnership controls the Harbor Beach Partnership and as a result, the accounts of the Harbor Beach Partnership are consolidated in the consolidated financial statements of the Partnership. Minority interest in income represents the net income from the Harbor Beach Partnership allocable to the other general partner in that Partnership. Minority interest in income increased from \$1.7 million in 1995 to \$2.6 million in 1996, primarily due to the increase in rental income from the Harbor Beach Hotel, as discussed above.

Net income. Net income for 1996 increased \$5.3 million, or 40%, over 1995 primarily due to higher Hotel revenues and rental income, offset by increased incentive and base management fees and an increase in minority interest in income.

CAPITAL RESOURCES AND LIQUIDITY

The Partnership's financing needs have historically been funded through loan agreements with independent financial institutions, Host Marriott Corporation ("Host Marriott") and its affiliates or Marriott International, Inc. (the "Manager") and its affiliates. The general partner believes that the Partnership will have sufficient capital resources and liquidity to continue to conduct its business in the ordinary course.

Principal Sources and Uses of Cash

The Partnership's principal source of cash is from operations. Its principal uses of cash are to fund the property improvement funds of the Hotels, to pay required principal amortization of the mortgage debt and other debt incurred to fund costs of capital improvements at the Hotels, financing costs and cash distributions to the partners.

Total consolidated cash provided by operations for the first two quarters 1998 and 1997, was \$26.1 million and \$25.6 million, respectively. The increase was primarily due to an increase in hotel revenues and rental income when compared to the same period in 1997. Total consolidated cash provided by operations was \$31.8 million, \$27.6 million and \$25.8 million for the years ended December 31, 1997, 1996 and 1995, respectively.

For the first two quarters 1998 and 1997, cash used in investing activities was \$5.4 million and \$5.1 million, respectively, consisting primarily of an increase in additions to property and equipment. This is primarily due to the commencement of the Orlando Hotel expansion project in May 1998. Cash used in investing activities was \$12.8 million, \$8.9 million and \$6.9 million for the years ended December 31, 1997, 1996, and 1995, respectively. The Partnership's investing activities consist primarily of contributions to the property improvement fund of the Hotels of \$9.1 million, \$8.7 million and \$7.7 million for the years ended December 31, 1997, 1996 and 1995, respectively.

For the first two quarters 1998 and 1997, cash used in financing activities was \$3.0 million and \$7.4 million, respectively. The decrease in cash used in financing activities was primarily the result of a decrease in principal repayments on the mortgage debt and the receipt of construction loan advances. During the first two quarters 1998, the Partnership distributed \$1.5 million to its partners (\$1,500 per limited partner unit). This distribution represented \$540 per limited partner unit from 1997 operations and \$960 per limited partner unit related to first quarter 1998 operations. In addition, on August 4, 1998, the Partnership distributed \$8,080,808 (\$8,000 per limited partner unit) from 1998 operations. Cash used in financing activities was \$9.8 million, \$20.7 million and

\$18.0 million for the years ended December 31, 1997, 1996 and 1995 respectively. Principal repayments made on the mortgage debt of the Hotels totaled \$8.5 million, \$8.9 million and \$9.0 million for the years ended December 31, 1997, 1996 and 1995, respectively. Payment of financing costs related to the mortgage debt of the Partnership Hotels totaled \$2.0 million, \$40,000 and \$2.3 million for the years ended December 31, 1997, 1996 and 1995, respectively. Cash distributed to the partners was \$7.8 million, \$5.0 million and \$2.1 million for the years ended December 31, 1997, 1996 and 1995, respectively. Cash distributions paid to minority interest were \$2.0 million, \$2.1 million and \$1.5 million for the years ended December 31, 1997, 1996 and 1995, respectively.

Pursuant to the refinancing of the Orlando Mortgage Debt, the Partnership received proceeds of \$152.0 million. Of the proceeds, \$139.3 million was used to repay the outstanding principal balance on the Orlando Mortgage Debt and accrued interest, \$2.0 million was used to pay related refinancing costs and \$1.9 million was used to pay prepayment penalties. The remaining \$8.8 million is held by the Partnership as working capital.

During 1997, Marriott International Capital Corporation ("MICC"), a wholly-owned subsidiary of Marriott International, advanced \$3.5 million to the Orlando World Center to provide financing for the rooms and suites refurbishment. Principal repayments to Host Marriott related to the Orlando Ballroom Loan and the Orlando Rooms Renovation Loan totaled \$2.3 million, \$4.1 million and \$2.7 million for the years ended December 31, 1997, 1996 and 1995, respectively. Principal repayments to MICC related to the Harbor Beach Rooms Renovation Loan totaled \$0.6 million, \$0.5 million and \$0.5 million for each of the years ended December 31, 1997, 1996 and 1995.

The General Partner believes that cash from operations will provide adequate funds for the operational needs of the Partnership and the Harbor Beach Partnership for the foreseeable future. The interest rates on the refinanced Orlando Mortgage Debt and the Harbor Beach Mortgage Debt are fixed at 7.48% and 9.13%, respectively. The Harbor Beach Mortgage Debt matures in the year 2000, at which time the loan-to-value ratios and debt service coverage of the Harbor Beach Hotel is expected to enhance the Harbor Beach Partnership's ability to secure replacement financing.

Property Improvement Funds

The Orlando World Center Management Agreement and the Harbor Beach Hotel Operating Lease provide for the establishment of a property improvement fund for each Hotel. Pursuant to these agreements, contributions to the funds are equal to a percentage of total sales of each Hotel and are used to provide for the funding of routine capital expenditures and the replacement of furniture, fixtures and equipment. Upon maturity of the Orlando World Center Mortgage Debt on June 16, 1995, contributions to the Orlando World Center fund increased from 4% to 5% of total sales. Total contributions to the Orlando World Center fund were \$6.4 million, \$6.0 million and \$5.1 million for the years ended December 31, 1997, 1996 and 1995, respectively. Total capital expenditures at the Orlando World Center were \$7.9 million, \$8.1 million and \$4.8 million for the years ended December 31, 1997, 1996 and 1995, respectively. In addition, principal and interest paid to MICC on the Orlando Rooms Renovation Loan totaled \$100,000 in 1997. The balance of the Orlando World Center fund was \$2.9 million as of December 31, 1997.

Contributions to the Harbor Beach Hotel's property improvement fund are equal to 5% of total hotel sales. Total contributions to the Harbor Beach Hotel fund were \$2.7 million, \$2.7 million and \$2.6 million for the years ended December 31, 1997, 1996 and 1995, respectively. Total capital expenditures at the Harbor Beach Hotel were \$2.5 million, \$1.6 million and \$1.3 million for the years ended December 31, 1997, 1996 and 1995, respectively. The balance of the Harbor Beach Hotel fund was \$3.2 million as of December 31, 1997.

INFLATION

For the three fiscal years ended December 31, 1997 and the First Two Quarters 1998, the rate of inflation has been relatively low and, accordingly, has not had a significant impact to the Partnership's revenues and net income. The manager is generally able to pass through increased costs to customers through higher room rates.

In 1997, the increase in average room rates at the Hotels exceeded those of direct competitors as well as the general level of inflation. The amount of the Partnership's interest expense under floating rate debt for a particular year will be affected by changes in short-term interest rates.

YEAR 2000 ISSUES

Over the last few years, Host Marriott Corporation, the parent company of the General Partner, has invested in implementing new accounting systems which are Year 2000 compliant. Accordingly, the General Partner believes that future costs associated with Year 2000 issues will be minimal and not material to the Partnership's financial statements.

However, the Partnership does rely upon accounting software used by the Manager of its properties to obtain financial information. The General Partner believes that the manager has begun to implement changes to the property specific software to ensure the software will function properly in the Year 2000 and does not expect to incur significant costs related to these modifications.

FINANCIAL STATEMENTS

MHP Supp-47

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

TO THE PARTNERS OF MARRIOTT HOTEL PROPERTIES LIMITED PARTNERSHIP:

We have audited the accompanying consolidated balance sheet of Marriott Hotel Properties Limited Partnership (a Delaware limited partnership) and subsidiaries as of December 31, 1997 and 1996, and the related consolidated statements of operations, changes in partners' capital (deficit) and cash flows for each of the three years in the period ended December 31, 1997. These financial statements are the responsibility of the General Partner's management. Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the 1995 financial statements of Lauderdale Beach Association, which statements reflect total assets and total revenues of 25 percent and 29 percent in 1995, respectively, of the consolidated totals. Those statements were audited by other auditors whose report has been furnished to us and our opinion, insofar as it relates to the amounts included for that entity, is based solely on the report of the other auditors.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the report of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audits and the report of other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Marriott Hotel Properties Limited Partnership and subsidiaries as of December 31, 1997 and 1996, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 1997, in conformity with generally accepted accounting principles.

MARRIOTT HOTEL PROPERTIES LIMITED PARTNERSHIP AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 1997 AND 1996

NOTE 1. THE PARTNERSHIP

Description of the Partnership

Marriott Hotel Properties Limited Partnership (the "Partnership"), a Delaware limited partnership, was formed on August 22, 1984, to acquire, construct, own and operate the 1,503-room Marriott Orlando World Center Hotel (the "Orlando World Center"). The Orlando World Center is managed as part of the Marriott Hotels, Resorts and Suites full-service hotel system by Marriott International, Inc. (the "Manager" or "Marriott International").

Between November 1, 1985 and November 27, 1985 (the "Closing Date"), 1,000 limited partnership interests (the "Units"), representing a 99% interest in the Partnership, were sold in a private placement. The limited partners paid \$10,000,000 in cash on the Closing Date with the remainder due in five annual installments through May 15, 1990. The limited partners' obligations to make the installment payments were evidenced by promissory notes totaling \$45,350,000 payable to the Partnership and secured by the Units. The general partner is Hotel Properties Management, Inc. (the "General Partner"), a wholly-owned subsidiary of Host Marriott Corporation, with a 1% general partnership interest.

On the Closing Date, the Partnership purchased from affiliates of Host Marriott (i) a 99% limited partnership interest in the Warner Center Marriott Hotel Limited Partnership (the "Warner Center Partnership"), which owned the 473-room Warner Center Marriott Hotel (the "Warner Center Hotel") in Los Angeles, California and (ii) a 49% general partnership interest in, and a loan receivable of \$3,680,000 from, Lauderdale Beach Association (the "Harbor Beach Partnership"), a general partnership that owns Marriott's 624-room Harbor Beach Resort (the "Harbor Beach Hotel") in Ft. Lauderdale, Florida. As a result of certain transactions, the Partnership now owns a 50.5% interest in the Harbor Beach Partnership. The Harbor Beach Hotel is leased to Marriott Hotel Services, Inc. (the "Operating Tenant"), a wholly-owned subsidiary of Marriott International. On November 17, 1993, the lender foreclosed on the Warner Center Hotel. The foreclosure was followed by the dissolution of the Warner Center Partnership.

On January 14, 1997, MHP Acquisition Corporation (the "Company"), a wholly-owned subsidiary of Host Marriott, completed a tender offer for limited partnership units in the Partnership. The Company purchased 463.75 units for an aggregate consideration of \$37.1 million or \$80,000 per unit. Additionally, in a Partnership vote held in conjunction with the tender offer, the limited partners approved all of the proposed amendments to the partnership agreement that were conditions to the tender offer. Subsequent to the tender offer, the Company purchased an additional 8 units on March 29, 1997 and one unit on June 21, 1997. Combined with its prior ownership position, Host Marriott now indirectly owns, through affiliates, 48.84% of the Partnership.

Partnership Allocations and Distributions

The Partnership generally allocates net profits and losses, cash available for distribution and tax credits as follows: (i) first, 1% to the General Partner and 99% to the limited partners until cumulative distributions of sale and refinancing proceeds ("Capital Receipts") equal to 50% of capital contributions have been distributed; (ii) next, 15% to the General Partner and 85% to the limited partners until cumulative distributions of Capital Receipts equal to all capital contributions have been distributed; and (iii) thereafter, 30% to the General Partner and 70% to the limited partners.

Capital Receipts not retained by the Partnership will generally be distributed (i) first, 1% to the General Partner and 99% to the limited partners until the General Partner and the limited partners (collectively the "Partners") have received cumulative distributions of Capital Receipts equal to their capital contributions; and (ii) thereafter, 30% to the General Partner and 70% to the limited partners.

Gains are generally allocated (i) first, to Partners with negative capital accounts, (ii) next, in amounts necessary to bring each Partner's capital account balance equal to their invested capital, defined as the excess of paid-in capital contributions over cumulative distributions of Capital Receipts, and (iii) thereafter, 30% to the General Partner and 70% to the limited partners.

Upon the sale of substantially all of the assets, gains and sales proceeds will be distributed based on a specific allocation, as stated in the partnership agreement, in order to provide the limited partners (if proceeds are sufficient) a 15% cumulative return, as defined, to the extent not previously received from cash distributions.

For financial reporting purposes, net losses of the Partnership are allocated 1% to the General Partner and 99% to the limited partners.

The Harbor Beach Partnership generally allocates profits and losses, cash distributions, gains and losses, and Capital Receipts in the ratio of ownership interests.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Partnership's records are maintained on the accrual basis of accounting and its fiscal year coincides with the calendar year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Working Capital and Supplies

Pursuant to the terms of the management agreement discussed in Note 8, the Partnership is required to provide the Manager with working capital and supplies to meet the operating needs of the Orlando World Center. The Manager converts cash advanced by the Partnership into other forms of working capital consisting primarily of operating cash, inventories, and trade receivables and payables which are maintained and controlled by the Manager. Upon the termination of the management agreement, the Manager is required to convert working capital and supplies into cash and return it to the Partnership. As a result of these conditions, the individual components of working capital and supplies controlled by the Manager are not reflected in the accompanying consolidated balance sheet. As of December 31, 1997 and 1996, \$4,707,000 has been advanced to the Manager for working capital and supplies which is included in "Due from Marriott International, Inc." on the accompanying consolidated balance sheet. The supplies advanced to the Manager are recorded at their estimated net realizable value. As of December 31, 1997 and 1996, accumulated amortization related to the revaluation of these supplies totaled \$762,000.

Revenues and Expenses

Hotel Revenues represents house profit from the Orlando World Center since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the Orlando World Center to the Manager. House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross hotel sales less property-level expenses, excluding depreciation and amortization, base and incentive management fees, real and personal property taxes, ground and equipment rent, insurance and certain other costs, which are disclosed separately in the consolidated statement of operations (see Note 3).

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2, "Application of FASB Statement No. 94 and APB Opinion No. 16 to

Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotel. Accordingly, hotel sales and property-level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to the new presentation. Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$74.6 million, \$69.8 million and \$67.1 million for the year ended December 31, 1997, 1996 and 1995, respectively, and will have no impact on operating profit or net income.

Principles of Consolidation

The consolidated financial statements for the years ended December 31, 1997, 1996 and 1995 include the accounts of the Partnership and the Harbor Beach Partnership (collectively the "Partnerships"). The 49.5% general partnership interest in the Harbor Beach Partnership owned by an unrelated party is reported as minority interest. All significant intercompany balances and transactions have been eliminated.

Property and Equipment

Property and equipment is recorded at cost. Depreciation and amortization are computed using the straight-line method over the following estimated useful lives of the assets, less a 10% estimated residual value on the original building cost and land improvements related to the Orlando World Center:

Land improvements.....	40 to 50 years
Building and improvements.....	40 to 50 years
Leasehold improvements.....	40 years
Furniture and equipment.....	3 to 10 years

All property and equipment is pledged as security for the mortgage debt described in Note 6.

The Partnership and the Harbor Beach Partnership assess the impairment of their real estate properties based on whether estimated future undiscounted cash flow from such properties on an individual hotel basis will be less than their net book value. If a property is impaired, its basis is adjusted to fair market value.

Deferred Financing Costs

Prior to 1997, deferred financing costs consisted of costs incurred in connection with the October 31, 1995 refinancing of the Orlando Mortgage Debt, described in Note 6. Deferred financing costs associated with this refinancing totaled \$2,316,000. On December 31, 1997, the Partnership refinanced the Orlando Mortgage Debt and incurred financing costs of \$2,004,000. The deferred financing costs are amortized over the period of the debt using the straight-line method which approximates the effective interest rate method. The net deferred financing costs associated with the 1995 refinancing of \$1,142,000 were amortized on December 31, 1997 and are reflected as part of the extraordinary loss on the consolidated statement of operations. Deferred financing costs associated with the restructuring of the Harbor Beach Mortgage Debt (see Note 6) amounted to \$350,000. Accumulated amortization of deferred financing costs was \$224,000 and \$879,000 at December 31, 1997 and 1996, respectively.

Cash and Cash Equivalents

The Partnership considers all highly liquid investments with a maturity of three months or less at date of purchase to be cash equivalents.

Income Taxes

Provision for Federal and state income taxes has not been made in the accompanying financial statements since the Partnership does not pay income taxes, but rather allocates its profits and losses to the individual partners. Significant differences exist between the net income for financial reporting purposes and the net income reported in the Partnership's tax return. These differences are due primarily to the use, for income tax purposes, of accelerated depreciation methods, shorter depreciable lives of the assets, differences in the timing of the recognition of base and incentive management fee expense and the expensing of certain costs incurred during construction which have been capitalized in the accompanying financial statements. As a result of these differences, the excess of the tax basis in net Partnership liabilities over the net liabilities reported in the accompanying financial statements amounted to \$109,961,000 and \$100,739,000 as of December 31, 1997 and 1996, respectively.

Statement of Financial Accounting Standards

In 1996, the Partnership adopted Statement of Financial Accounting Standards ("SFAS") No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of." Adoption of SFAS No. 121 has not had an effect on the consolidated financial statements.

NOTE 3. HOTEL REVENUES

Hotel Revenues consist of hotel operating results for the Orlando World Center for the three years ended December 31, 1997 (in thousands):

	1997	1996	1995
	-----	-----	-----
HOTEL SALES			
Rooms.....	\$64,277	\$59,289	\$56,881
Food and beverage.....	51,424	47,852	45,708
Other.....	12,517	13,157	11,762
	-----	-----	-----
	128,218	120,298	114,351
	-----	-----	-----
HOTEL EXPENSES			
Departmental Direct Costs			
Rooms.....	12,801	12,201	11,665
Food and beverage.....	32,391	29,968	28,784
Other hotel operating expenses.....	29,452	27,606	26,651
	-----	-----	-----
	74,644	69,775	67,100
	-----	-----	-----
HOTEL REVENUES.....	\$53,574	\$50,523	\$47,251
	=====	=====	=====

NOTE 4. PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31 (in thousands):

	1997	1996
	-----	-----
Land and improvements.....	\$ 31,074	\$ 31,074
Building and improvements.....	152,560	152,361
Leasehold improvements.....	82,871	80,841
Furniture and equipment.....	77,943	69,846
	-----	-----
	344,448	334,122
Less accumulated depreciation.....	(122,232)	(111,631)
	-----	-----
	\$ 222,216	\$ 222,491
	=====	=====

NOTE 5. ESTIMATED FAIR VALUE OF FINANCIAL INSTRUMENTS

The estimated fair values of financial instruments are shown below. The fair values of financial instruments not included in this table are estimated to be equal to their carrying amounts (in thousands):

	AS OF DECEMBER 31, 1997		AS OF DECEMBER 31, 1996	
	CARRYING AMOUNT	ESTIMATED FAIR VALUE	CARRYING AMOUNT	ESTIMATED FAIR VALUE
(IN THOUSANDS)				
Mortgage debt.....	\$ 235,946	\$ 237,725	\$ 230,959	\$ 233,468
Note payable due to Host Marriott Corporation.....	--	--	2,294	2,294
Incentive management fees payable to Marriott International, Inc. ..	--	--	2,046	2,046
Notes payable due to Marriott International, Inc.	4,802	4,748	1,893	1,847

The estimated fair value of mortgage debt is based on the expected future debt service payments discounted at estimated market rates. Notes payable due to Host Marriott Corporation and Marriott International, Inc. and incentive management fees payable to Marriott International, Inc. are valued based on the expected future payments from operating cash flow discounted at risk-adjusted rates.

NOTE 6. DEBT

The Partnerships have entered into various long-term loan agreements to provide nonrecourse mortgage financing for the Hotels. Combined mortgage debt maturities, at December 31, 1997 are (in thousands):

1998.....	\$ 2,965
1999.....	3,346
2000.....	82,049
2001.....	1,748
2002.....	1,884
Thereafter.....	143,954
	\$235,946
	=====

Orlando Mortgage

On January 12, 1993 (the "Closing Date"), the General Partner refinanced the Orlando World Center mortgage debt (the "Orlando Mortgage Debt"). On the Closing Date, the Partnership paid \$29.3 million to the lender which was applied as follows: \$12.0 million to the outstanding principal balance, \$13.5 million to interest due through the Closing Date and \$3.8 million to financing costs. The Orlando Mortgage Debt carried a fixed rate of interest of 6.705% and required semi-annual principal amortization totaling \$22 million through its maturity on June 16, 1995 (the "Maturity Date").

On the Maturity Date, the lender granted the Partnership a forbearance on the loan extending it from June 16, 1995 through October 31, 1995. The Partnership paid interest monthly in arrears at a floating rate equal to the applicable Federal Funds rate plus 225 basis points. During the forbearance period, the weighted average interest rate was 7.94%. On October 31, 1995, the Partnership successfully completed a modification and extension of the Orlando Mortgage Debt. The mortgage debt carried a fixed rate of interest of 8.44% and required semi-annual amortization of principal. The loan was due to mature on June 16, 2000 with unamortized principal of \$127.0 million due at that time. No debt service guarantee was provided. As of December 31, 1997 and December 31, 1996, the outstanding principal balance was \$138,479,000 and \$145,479,000, respectively. The outstanding principal balance was repaid on December 31, 1997 with proceeds from the refinancing discussed below.

On October 31, 1997, the General Partner executed a commitment letter with two new lenders to refinance the Orlando World Center's mortgage debt. The new loan provides a total borrowing capacity of \$240 million.

On December 31, 1997, the Partnership completed the refinancing of the mortgage debt. The new lenders provided \$152 million to pay the outstanding balance on the existing mortgage and accrued interest of \$139.3 million, related financing costs of \$2.0 million, a prepayment penalty of \$1.9 million that has been reflected as part of the extraordinary loss on the accompanying consolidated statement of operations and the remaining \$8.8 million is part of the Partnership's working capital. The loan requires monthly payments of interest at a fixed rate of 7.48% and principal based on a 30-year amortization schedule. The loan matures on January 1, 2008.

The remaining balance of \$88 million is available for the construction costs associated with a 500-room expansion at the Orlando World Center. In connection with the executed commitment letter, the Partnership advanced \$2.4 million to the lender as a good faith deposit. Upon completion of the \$152 million portion of the loan, the lender returned \$600,000 of this deposit. The remaining \$1.8 million will be returned to the Partnership upon completion of construction. The General Partner is currently working with the lender to finalize the documents related to this construction loan.

The refinanced mortgage debt is secured by the Orlando World Center, the land on which the Orlando World Center and golf course are located and an assignment of certain operating agreements.

Harbor Beach Mortgage

The original Harbor Beach loan agreement provided \$86.6 million for construction of the Harbor Beach Hotel. On June 30, 1986, this debt was refinanced with a major insurance company. The \$92 million replacement loan (the "Harbor Beach Mortgage Debt") bore interest at a fixed rate of 9.375% and required payments of interest only through July 1988 and monthly payments of principal and interest in the amount of \$765,000 thereafter until maturity on July 1, 1993. Upon maturity, the lender granted the Harbor Beach Partnership a forbearance of the loan for a fee of \$165,000. Under the forbearance agreement, the Harbor Beach Partnership continued to pay the lender through March 29, 1994, payments of principal and interest in accordance with the terms of the Harbor Beach Mortgage Debt.

On March 29, 1994 (the "Closing Date"), the Harbor Beach Partnership completed the restructuring of the Harbor Beach Mortgage Debt. The restructured mortgage debt carries a fixed rate of interest of 9.125% (the "Contract Interest Rate") and is payable monthly in arrears. Interest only at the Contract Interest Rate was due and payable for the first twelve payments through and including April 1, 1995. For the period from the Closing Date through April 1, 1995, the difference between the interest only payment and \$772,600 (the "Payment Amount") was contributed to an escrow account with the lender to fund capital improvements at the Harbor Beach Hotel. The Payment Amount represents the amount necessary to amortize the outstanding principal balance, as of the Closing Date, over a 22-year effective amortization period. The loan matures on May 1, 2000. The restructured mortgage debt is collateralized by all property and assets of the Harbor Beach Hotel. No debt service guarantee was provided. As of December 31, 1997 and 1996, the outstanding principal balance was \$83,946,000 and \$85,480,000, respectively.

Orlando Ballroom Loan

During 1990, Host Marriott agreed to provide interim financing of up to \$14 million to fund the construction of a new ballroom and exhibition hall at the Orlando World Center. Construction was completed in February 1990. On December 31, 1990, the interim financing was converted to a permanent loan from Host Marriott with \$13.2 million advanced. Interest only, at the Bankers Trust Company prime rate, was payable from the Partnership's cash flow after debt service. On June 16, 1992, in conjunction with the refinancing of the Orlando Mortgage Debt, the Orlando ballroom loan was converted from a term loan to a revolving line of credit with a floating interest rate equal to the Bankers Trust Company prime rate. As of December 31, 1996, the outstanding principal balance was \$2,294,000. The remaining outstanding principal balance was paid in full on June 24, 1997. The weighted average effective interest rate for the period from January 1, 1997 through June 24, 1997 and for

the years ended December 31, 1996 and 1995 was 8.4%, 8.3% and 8.8%, respectively (rate as of June 24, 1997 and December 31, 1996 was 8.5% and 8.3%, respectively).

Orlando Rooms Renovation Loan

During 1997, the Partnership entered into a loan agreement (the "Orlando Rooms Renovation Loan") with Marriott International Capital Corporation ("MICC"), a wholly-owned subsidiary of Marriott International, in conjunction with a rooms and suites refurbishment at the Orlando World Center. The loan provided financing of \$3.5 million. The loan requires payments of principal and interest to be paid from the Orlando World Center property improvement fund. This unsecured loan carries a fixed interest rate of 9% and matures on June 16, 1999. The outstanding principal balance was \$3,472,000 on December 31, 1997.

Harbor Beach Rooms Renovation Loan

On July 21, 1994, the Harbor Beach Partnership entered into a loan agreement with MICC in conjunction with a rooms and suites refurbishment at the Harbor Beach Hotel. The loan provided financing of up to \$2.8 million, plus accrued interest through December 31, 1994, to fund costs in excess of funds available in the Harbor Beach Partnership's property improvement fund. This unsecured loan carries a fixed rate of interest of 8%. Accrued interest totaling \$64,000 was rolled into the principal balance at December 31, 1994. Payments of principal and interest based upon a five-year amortization period commenced in January 1995. Under the terms of the loan, the debt service payments are included as a deduction in determining the fees paid to the Operating Tenant, as described in Note 8. As of December 31, 1997 and 1996, the outstanding principal balance was \$1,330,000 and \$1,893,000, respectively. Interest earned by MICC was \$128,000, \$171,000 and \$211,000 in 1997, 1996 and 1995, respectively.

NOTE 7. LEASES

The Harbor Beach Partnership, through an assignment of a lease on January 15, 1982, acquired all rights to a 99-year lease with a 25-year renewal option for the land on which the Harbor Beach Hotel is located. On April 28, 1993, the lessor sold its rights under the lease to an unrelated party. A provision under the sale of the lease provided for the early refund to the Harbor Beach Partnership of the remaining \$1,250,000 balance of an initial \$2,500,000 security deposit paid to the lessor and a \$500,000 payment to facilitate the modification of the lease.

Lease payments are made quarterly in advance in accordance with a lease year that operates from December 1 through November 30. The annual rental is \$1,560,000 for lease years 1995 through 1999. After lease year 1999, annual rentals for each succeeding five-year period increase by an amount equal to 10% of the previous annual rental.

Minimum annual rentals during the term of the ground lease are (in thousands):

YEAR	

1998.....	\$ 1,560
1999.....	1,573
2000.....	1,716
2001.....	1,716
2002.....	1,716
Thereafter.....	311,043

Total Minimum Lease Payments.....	\$319,324
	=====

NOTE 8. MANAGEMENT AND OPERATING LEASE AGREEMENTS

The Partnership has entered into a long-term management agreement with the Manager, and the Harbor Beach Partnership has entered into a long-term operating lease with the Operating Tenant. The Hotels are operated as part of the Marriott Hotels, Resorts and Suites full-service hotel system. Significant provisions under the agreements are as follows:

Orlando World Center. The management agreement provides for an initial term of 25 years, commencing with the opening of the Orlando World Center (March 24, 1986), and five 10-year renewals at the Manager's option. The Manager is paid a base management fee of 3% of gross hotel sales and is also entitled to an incentive management fee equal to 20% of operating profit, as defined, and an additional incentive management fee equal to 30% of the following amount: (i) 80% of operating profit in each fiscal year less (ii) the greater of (a) \$25,000,000 or (b) debt service plus \$7,000,000. Payment of the incentive management fee is subordinate to debt service and retention of specified amounts of operating profit by the Partnership. Unpaid incentive management fees are deferred without interest and are payable from future operating cash flow, as defined, but are due upon termination of the management agreement only if the termination is the result of a default by the Partnership. Unpaid incentive management fees as of December 31, 1996 were \$2,046,000 which were paid in 1997. Therefore, there were no unpaid incentive management fees as of December 31, 1997. In addition, based on higher cash flow from the Orlando Hotel, the Manager earned additional incentive management fees in 1997 which were paid during the year.

Under the management agreement, the Manager is required to furnish the Orlando World Center with certain services ("Chain Services") which are generally provided on a central or regional basis to all hotels in the Marriott full-service hotel system. Chain Services include central training, advertising and promotion, a national reservation system, computerized payroll and accounting services, and such additional services as needed which may be more efficiently performed on a centralized basis. Costs and expenses incurred in providing such services are allocated among all domestic full-service hotels managed, owned or leased by Marriott International or its subsidiaries. In addition, the Hotel participates in Marriott International's Marriott Rewards Program ("MRP"). This program was formerly known as the Honored Guest Awards Program ("HGA"). The cost of this program is charged to all hotels in the Marriott hotel system based upon the MRP sales at each hotel. The total amount of Chain Services and MRP costs allocated to the Orlando World Center was \$3,149,000, \$3,588,000, and \$3,336,000 for the years ended December 31, 1997, 1996 and 1995, respectively.

Harbor Beach Hotel. The operating lease provides for an initial 36-year term commencing with the opening of the Harbor Beach Hotel (October 29, 1984), with options to renew for six successive 10-year periods based on certain defined conditions. The annual rental paid to the Harbor Beach Partnership includes the following:

- . basic rental: annual rental payable under the land lease and insurance costs
- . percentage rental: determined by multiplying the applicable percentage set annually by the Harbor Beach Partnership by revenues
- . performance rental: first \$9,720,000 of operating profit of the Harbor Beach Hotel, as defined
- . additional performance rental: 50% of operating profit of the Harbor Beach Hotel, as defined, in excess of \$9,720,000
- . contingent rental: up to 50% of operating profit of the Harbor Beach Hotel, as defined, in excess of \$9,720,000 if the aggregate annual rental is otherwise insufficient to cover debt service.

Pursuant to the terms of the Harbor Beach rooms renovation loan (see Note 6), the annual performance rental is adjusted upward by the annual debt service required under the loan. For the five-year period beginning with 1995 and ending in 1999, annual performance rental is increased by \$696,557 to \$10,416,557. Subsequent to year-end 1999, performance rental will return to \$9,720,000.

Percentage rental is intended to cover the cost of utilities, repairs and maintenance, and the required contribution to the property improvement fund (5% of sales) and is therefore adjusted annually in order to equal the actual applicable costs. Any payments of contingent rental reduce future payments of additional performance rental (subject to limitations) in subsequent years. No contingent rental has been accrued as of December 31, 1997 and 1996.

Rental income under the Harbor Beach Partnership operating lease for the three years ended December 31, 1997 was (in thousands):

	1997	1996	1995
	-----	-----	-----
Basic Rental.....	\$ 1,712	\$ 1,694	\$ 1,616
Percentage Rental.....	6,284	6,240	5,921
Performance Rental.....	10,417	10,417	10,417
Additional Performance Rental.....	3,224	2,960	1,793
	-----	-----	-----
	\$21,637	\$21,311	\$19,747
	=====	=====	=====

Cost and accumulated depreciation of the rental property were \$103,110,000 and \$41,299,000 at December 31, 1997, and \$100,647,000 and \$37,279,000, respectively, at December 31, 1996.

Property Improvement Funds

The management agreement and the operating lease provide for the establishment of a property improvement fund for each of the Hotels. Contributions to the property improvement funds are equal to five percent of gross sales of each hotel. Contributions to the fund for the Orlando World Center totaled \$6,411,000 and \$6,015,000 for the years ended December 31, 1997 and 1996, respectively. Contributions to the fund for the Harbor Beach Hotel totaled \$2,730,000 and \$2,729,000 for the years ended December 31, 1997 and 1996, respectively.

NOTE 9. COMPARATIVE LEASED HOTEL OPERATING RESULTS

The Harbor Beach Hotel is a leased property whose income to the Partnership is included in the consolidated statement of operations as rental income. The following is a comparative summary of hotel operating results for the Harbor Beach Hotel for the three years ended December 31, 1997 (in thousands):

	1997	1996	1995
	-----	-----	-----
HOTEL SALES

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. The accompanying condensed consolidated financial statements have been prepared by Marriott Hotel Properties Limited Partnership (the "Partnership") without audit. Certain information and footnote disclosures normally included in financial statements presented in accordance with generally accepted accounting principles have been condensed or omitted from the accompanying statements. The Partnership believes the disclosures made are adequate to make the information presented not misleading. However, the condensed consolidated financial statements should be read in conjunction with the Partnership's financial statements and notes thereto included in the Partnership's Form 10-K for the year ended December 31, 1997.

In the opinion of the Partnership, the accompanying unaudited condensed consolidated financial statements reflect all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position of the Partnership as of June 19, 1998, the results of operations and cash flows for the first two quarters 1998 and 1997. Interim results are not necessarily indicative of fiscal year performance because of seasonal and short-term variations.

The Partnership owns Marriott's Orlando World Center (the "Orlando Hotel") and a 50.5% interest in a partnership owning Marriott's Harbor Beach Resort (the "Harbor Beach Partnership"), whose financial statements are consolidated herein. The remaining 49.5% general partnership interest in the Harbor Beach Partnership is reported as minority interest. All significant intercompany balances and transactions have been eliminated.

For financial reporting purposes, net income and net losses of the Partnership are allocated 99% to the limited partners and 1% to the general partner. Significant differences exist between the net income and net losses for financial reporting purposes and the net income and net losses reported for Federal income tax purposes. These differences are due primarily to the use, for income tax purposes, of accelerated depreciation methods, shorter depreciable lives of the assets, differences in the timing of the recognition of management fee expense and the deduction of certain costs incurred during construction which have been capitalized in the accompanying condensed consolidated financial statements.

2. Certain reclassifications were made to the prior year financial statements to conform to the 1998 presentation.

3. Hotel revenues represent house profit from the Orlando Hotel since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the Orlando Hotel to Marriott International, Inc. (the "Manager"). House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross hotel sales less property-level expenses, excluding depreciation and amortization, base and incentive management fees, property taxes and certain other costs, which are disclosed separately in the condensed consolidated statement of operations.

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2 "Application of FASB Statement No. 94 and APB Opinion No. 16 to Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotels. Accordingly, hotel sales and property-level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to new presentation.

MARRIOTT HOTEL PROPERTIES LIMITED PARTNERSHIP AND SUBSIDIARY

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$36.9 million and \$36.6 million for the first two quarters 1998 and 1997, respectively and will have no impact on operating profit or net income.

increased both revenues and operating costs and expenses by approximately \$36.9 million and would have had no impact on net income.

Hotel revenues consist of hotel operating results for the Orlando Hotel for 1998 and 1997 (in thousands):

	FIRST TWO QUARTERS	
	1998	1997
HOTEL SALES		
Rooms.....	\$35,167	\$34,365
Food and beverage.....	28,201	26,476
Other.....	6,480	6,614
	-----	-----
	69,848	67,455
	-----	-----
HOTEL EXPENSES		
Departmental Direct Costs		
Rooms.....	6,392	6,477
Food and beverage.....	16,820	16,025
Other hotel operating expenses.....	13,679	14,086
	-----	-----
	36,891	36,588
	-----	-----
HOTEL REVENUES.....	\$32,957	\$30,867
	=====	=====

4. Rental income under the Harbor Beach Partnership operating lease for the first two quarters was (in thousands):

	FIRST TWO QUARTERS	
	1998	1997
Basic rental.....	\$ 806	\$ 771
Percentage rental.....	3,279	3,513
Performance rental.....	10,417	10,417
Additional performance rental.....	509	305
	-----	-----
RENTAL INCOME.....	\$15,011	\$15,006
	=====	=====

5. On April 15, 1998, the Partnership successfully completed the financing for the expansion of the Orlando World Center (the "Construction Loan"). The lender is obligated to provide up to \$88 million to fund costs related to the construction of a 500-room tower, new parking garage, expansion of the existing JW's Steakhouse restaurant, redesign of the existing golf course and construction of 15,000 square feet of additional meeting space. During the construction period, the Partnership is required to make monthly payments of principal and interest at the fixed interest rate of 7.48% with such interest payments funded by the Construction Loan. Principal payments will be funded by hotel operations. Upon completion of the expansion, the Partnership will be required to pay principal and interest at the fixed interest rate of 7.48% amortized over the remaining term of the Construction Loan. The Construction Loan matures on January 1, 2008. As of June 19, 1998, the Partnership has received Construction Loan advances of \$2.5 million which were used to pay construction costs.

6. On April 17, 1998, Host Marriott, parent company of the General Partner of the Partnership, announced that its Board of Directors authorized Host Marriott to reorganize its business operations to qualify as a real estate investment trust ("REIT") to become effective as of January 1, 1999. As part of the REIT conversion, Host Marriott formed a new operating partnership (the "Operating Partnership"), and limited partners in certain Host Marriott full-service hotel partnerships and joint ventures, including the Partnership, are expected to be given an opportunity to receive, on a tax-deferred basis, Operating Partnership units in the new Operating Partnership in exchange for their current limited partnership interests. The Operating Partnership units would be redeemable by the limited partner for freely traded Host Marriott shares (or the cash equivalent thereof) at any time after one year from the closing of the merger. In connection with the REIT conversion, on June 2, 1998, the Operating Partnership filed a Registration Statement on Form S-4 with the Securities and Exchange Commission. Limited partners will be able to vote on this Partnership's participation in the merger later this year through a consent solicitation.

HOST MARRIOTT, L.P.

HMC MERGER CORPORATION

SUPPLEMENT DATED OCTOBER , 1998 FOR

PROSPECTUS/CONSENT SOLICITATION STATEMENT DATED OCTOBER , 1998 FOR
MARRIOTT HOTEL PROPERTIES II LIMITED PARTNERSHIP

On the terms described in the Prospectus/Consent Solicitation Statement (the "Consent Solicitation"), dated October , 1998, of which this Supplement (the "Supplement") is a part, Host Marriott Corporation ("Host"), has adopted a plan to restructure its business operations so that it will qualify as a real estate investment trust ("REIT"). As part of this restructuring (the "REIT Conversion"), Host and its consolidated subsidiaries will contribute their full-service hotel properties and certain other businesses and assets to Host Marriott, L.P. (the "Operating Partnership") in exchange for units of limited partnership interest in the Operating Partnership ("OP Units") and the assumption of liabilities. The sole general partner of the Operating Partnership will be HMC Merger Corporation, a Maryland corporation to be renamed "Host Marriott Corporation" ("Host REIT"), the entity into which Host will merge as part of the REIT Conversion. Host REIT expects to qualify as a REIT beginning with its first full taxable year commencing after the REIT Conversion is completed, which Host REIT currently expects to be the year beginning January 1, 1999 (but which might not be until the year beginning January 1, 2000).

As part of the REIT Conversion, the Operating Partnership is proposing to acquire by merger (the "Mergers") Marriott Hotel Properties II Limited Partnership, a Delaware limited partnership ("MHP2" or the "Partnership"), and up to seven other limited partnerships (the "Partnerships") that own full-service hotels in which Host or its subsidiaries are general partners. As more fully described in the Consent Solicitation, limited partners of those Partnerships that participate in the Mergers will receive OP Units in exchange for their partnership interests in such Partnerships (with respect to the Partnerships, those limited partners of the Partnerships who are unaffiliated with Host are referred to herein as the "Limited Partners," and with respect to MHP2, the "MHP2 Limited Partners"). MHP2 Limited Partners may elect to exchange such OP Units received in connection with the Merger for either shares of common stock, par value \$.01 per share, of Host REIT ("Common Shares") or unsecured 6.56% Callable Notes due December 15, 2005 issued by the Operating Partnership ("Notes"). Beginning one year after the Mergers, Limited Partners who retain OP Units will have the right to redeem their OP Units at any time and receive, at the election of Host REIT, either Common Shares of Host REIT on a one-for-one basis (subject to adjustment) or cash in an amount equal to the market value of such shares (the "Unit Redemption Right").

The number of OP Units to be allocated to MHP2 will be based upon (i) its Exchange Value (as defined herein) and (ii) the price attributed to an OP Unit following the Merger, determined as described herein (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit) and will not be known at the time of voting. The number of Common Shares an MHP2 Limited Partner may elect to receive in connection with the Merger will equal the number of OP Units received. The principal amount of Notes that MHP2 Limited Partners may elect to receive in connection with the Merger will be based upon MHP2's Note Election Amount (as defined herein). See "Determination of Exchange Value of MHP2 and Allocation of OP Units." The estimated Exchange Value and Note Election Amount set forth herein may increase or decrease as a result of various adjustments, and will be finally calculated shortly before the Effective Date. Pursuant to the Merger, MHP2 Limited Partners have an estimated Exchange Value of \$237,334 per Partnership Unit and a Note Election Amount of \$205,140 per Partnership Unit.

RISK FACTORS

In deciding whether to approve the Merger, MHP2 Limited Partners should consider certain risks and other factors. The General Partner believes that MHP2 Limited Partners should particularly consider the following, which should be read in conjunction with the information in the Consent Solicitation under "Risk Factors" and "Federal Income Tax Consequences:"

MHP2 Supp-1

- . Substantial Benefits to Related Parties. Host REIT and its subsidiaries will realize substantial benefits from the Mergers and the REIT Conversion, including savings from a substantial reduction in corporate-level income taxes expected as a result of the REIT Conversion. To the extent that such anticipated benefits of the REIT Conversion are reflected in the value of Host's common stock prior to the Effective Date, such benefits will not be shared with the Limited Partners. The benefits to Host of the REIT Conversion will be reduced if one or more of the Partnerships do not participate in a Merger, thereby creating a conflict of interest for the General Partner in connection with the Merger.
- . Absence of Arm's Length Negotiations. No independent representative was retained to negotiate on behalf of the MHP2 Limited Partners or the other Limited Partners. Although the General Partner has obtained the Appraisals and the Fairness Opinion from AAA, AAA has not negotiated with the General Partner or Host and has not participated in establishing the terms of the Mergers. Consequently, the terms and conditions of the Mergers may have been more favorable to the MHP2 Limited Partners or the other Limited Partners if such terms and conditions were the result of arm's length negotiations.
- . Other Conflicts of Interest. The Mergers, the REIT Conversion and the recommendations of the General Partner involve the following conflicts of interest because of the relationships among Host, Host REIT, the Operating Partnership, the General Partners and Crestline. The General Partners, which are all subsidiaries of Host (except for PHLP, in which Host is the General Partner), must assess whether a Merger is fair and equitable to and advisable for the Limited Partners of its Partnership. This assessment involves considerations that are different from those relevant to the determination of whether the Mergers and the REIT Conversion are advisable for Host and its shareholders. The considerations relevant to that determination which create a conflict of interest include Host's belief that the REIT Conversion is advisable for its shareholders, the benefits of the REIT Conversion to Host will be greater if the Partnerships, including MHP2, participate and Host REIT will benefit if the value of OP Units received by the Limited Partners of MHP2 is less than the value of their Partnership Interests. In addition, the terms of the Leases of the Hotels, including the MHP2 Hotels, will be determined by Host and the terms of the Partnership Agreement, including provisions which benefit Host REIT, have been determined by Host. Such conflicts may result in decisions that do not fully reflect the interests of all Limited Partners, including the MHP2 Limited Partners.
- . Uncertainties at the Time of Voting Include the Number of OP Units to be Received. There are several uncertainties at the time the MHP2 Limited Partners must vote on the Merger, including (i) the exact Exchange Value for MHP2 (which will be adjusted for changes in lender and capital expenditure reserves, deferred maintenance and other items prior to the Effective Date), (ii) the price of the OP Units for purposes of the Merger, which will be determined by reference to the post-Merger trading prices of Host REIT's Common Shares (but will not be less than \$9.50 or greater than \$15.50) and which, together with the Exchange Value, will determine the number of OP Units the MHP2 Limited Partners will receive and (iii) the exact principal amount of the Notes that may be received in exchange for OP Units, which cannot be known until after the Note Election Amount is determined. For these reasons, the MHP2 Limited Partners cannot know at the time they vote on the Merger these important aspects of the Merger and they will not know the number of OP Units received in the Merger until approximately 25 trading days after the Merger.
- . Combined REVPAR for the Operating Partnership's Hotels is Significantly Less than the REVPAR for MHP2's Hotels. The Operating Partnership's pro forma REVPAR for the First Two Quarters 1998 is significantly lower than the REVPAR attributable to MHP2's Hotels for the same period.
- . Cash Distributions May Exceed Cash Available for Distribution; Reduced Cash Distributions for MHP2 Limited Partners. The preliminary estimated initial annual cash distributions of the Operating Partnership during the twelve months ending December 31, 1999 (\$226 million) will exceed its estimated adjusted cash available for distribution during the twelve months ending December 31, 1999 (\$214 million), which would require borrowings of approximately \$12 million (or \$0.04 per OP Unit) to make such distributions in accordance with the Operating Partnership's distribution policy. In addition, the expected initial annual cash distributions from the Operating Partnership or Host REIT to

the MHP2 Limited Partners per Partnership Unit (\$12,862) will be less than the estimated cash distributions from operations of MHP2 per Partnership Unit (\$27,164) during 1998.

- . Increase in Leverage. It is expected that the Operating Partnership will have a leverage to value ratio of approximately 62%, as compared to MHP2's current leverage ratio of 56% (calculated as a percentage of Exchange Value).
- . Exchange Value May Not Equal Fair Market Value of MHP2's Hotels. Each MHP2 Limited Partner who retains OP Units or elects to exchange OP Units for Common Shares will receive consideration with a deemed value equal to the Exchange Value of such MHP2 Limited Partner's Partnership Interest. The determination of the Exchange Value of MHP2 involves numerous estimates and assumptions. There is no assurance that the Exchange Value of MHP2 will equal the fair market value of the Hotels and other assets contributed by MHP2. See "Determination of Exchange Value of MHP2 and Allocation of OP Units."
- . Allocation of OP Units to Host REIT Is Different from Allocation of OP Units to the Partnerships. Following the REIT Conversion, Host REIT will own a number of OP Units equal to the number of shares of Host common stock outstanding on the Effective Date (including the OP Units to be received by the General Partners and other subsidiaries of Host in the Mergers and the OP Units to be acquired from the MHP2 Limited Partners and the other Limited Partners who elect to exchange OP Units for Common Shares in connection with the Mergers) and, if Host has outstanding shares of preferred stock at the time of the REIT Conversion, a corresponding number of preferred partnership interests in the Operating Partnership. Host REIT's OP Units, in the aggregate, should fairly represent the market value of Host REIT but may not be equal to the fair market or net asset value of the Hotels and other assets that Host will contribute to the Operating Partnership. Each Partnership will receive OP Units in the Mergers with a deemed value equal to the Exchange Value of such Partnership. The different methods of allocating OP Units to Host REIT and the MHP2 Limited Partners and the other Limited Partners may result in such Limited Partners not receiving the fair market value of their Partnership Interests and Host REIT receiving a higher percentage of the interests in the Operating Partnership. See "Determination of Exchange Value of MHP2 and Allocation of OP Units."
- . Allocations of OP Units to Blackstone Entities and Private Partnerships Were Not Determined by the Exchange Value Methodologies. The price and other terms of the acquisitions of certain Private Partnerships and the Blackstone Acquisition (and thus the allocation of OP Units resulting therefrom) were determined by arm's length negotiations. The assets to be acquired in the Blackstone Acquisition did not generate, in the aggregate, pro forma net income for 1997 or the First Two Quarters 1998. If the partners' interests in the Private Partnerships and the assets of the Blackstone Entities had been valued by the same methodologies used to determine the Exchange Values in the Mergers, the value of the OP Units to be allocated to such partners or the Blackstone Entities may have been less than they actually will receive. The different methods of allocating OP Units may result in the MHP2 Limited Partners and other Limited Partners receiving relatively less for their Partnership Interests than the partners in the Private Partnerships and the Blackstone Entities.
- . Price of OP Units or Common Shares Might Be Less than the Fair Market Value of the MHP2 Limited Partners' Partnership Interests. The price of an OP Unit for purposes of the Merger will be equal to the average closing price on the NYSE of a Host REIT Common Share for the first 20 trading days after the Effective Date of the Merger (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). This pricing mechanism has the effect of fixing the minimum and maximum number of OP Units to be issued in the Mergers. It is likely that, either initially or over time, the value of the publicly traded Common Shares of Host REIT (and therefore the value of the OP Units) will diverge from the deemed value of the OP Units used for purposes of the Merger. This could result in the MHP2 Limited Partners receiving OP Units or Common Shares with an actual value that is less than either the price of the OP Units for purposes of the Merger or the fair market value of their Partnership Interests.

- . Inability of MHP2 Limited Partners Who Retain OP Units to Redeem OP Units for One Year. MHP2 Limited Partners who retain OP Units received in the Merger will be unable to redeem such OP Units for one year following the Merger. Until then, MHP2 Limited Partners will bear the risk of illiquidity and of not being able to sell in a falling market.
- . Current Host Common Stock Price Is Not Necessarily Indicative of the Price of Host REIT Common Shares Following the REIT Conversion. Host's current stock price is not necessarily indicative of how the market will value Host REIT Common Shares following the REIT Conversion. The current stock price of Host reflects the current market valuation of Host's current business and assets (including the Crestline common stock and cash or other consideration to be distributed in connection with the REIT Conversion (the "Initial E&P Distribution")) and not solely the business and assets of Host REIT following the REIT Conversion. Host's current stock price also is affected by general market conditions.
- . Value of the Notes Will Be Less than the Exchange Value of MHP2. In exchange for OP Units received in the Merger, each MHP2 Limited Partner may elect to receive an unsecured, seven-year Note of the Operating Partnership with a principal amount equal to the Note Election Amount of his Partnership Interest, which is based upon numerous assumptions and estimates. The deemed value of the OP Units to be received by the MHP2 Limited Partners will exceed the principal amount of the corresponding Notes (because the Exchange Value will be higher than the Note Election Amount) and there is no assurance that the Note an MHP2 Limited Partner receives will have a value equal to either (i) the fair market value of the MHP2 Limited Partner's share of the Hotels and other assets owned by MHP2 or (ii) the principal amount of the Note. There will be no public market for the Notes. If the Notes are sold, they may sell at prices substantially below their issuance price. Noteholders are likely to receive the full principal amount of a Note only if they hold the Note to maturity, which is December 15, 2005, or if the Operating Partnership repays the Notes prior to maturity. Because the Notes are unsecured obligations of the Operating Partnership, they will be effectively subordinated to all secured debt of the Operating Partnership and all obligations of both the Participating Partnerships and the Operating Partnership's other subsidiaries. See "Description of the Notes." As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership would have had aggregate consolidated debt of approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities) to which the Notes were effectively subordinated or which ranks equally with such Notes.
- . Timing of the REIT Conversion. Host intends to cause the REIT Conversion to be completed as soon as possible, but there is no assurance that it will be completed during 1998 in time for Host REIT to elect REIT status effective January 1, 1999. The deadline for consummation of the Merger is June 30, 1999, unless extended by mutual agreement of the Operating Partnership and the General Partner to a date no later than December 31, 1999. If the REIT Conversion does not occur in 1998, the effectiveness of Host REIT's election could be delayed to January 1, 2000, which would result in Host REIT continuing to pay substantial corporate-level income taxes in 1999 (which would reduce the estimated cash distributions of \$0.84 per Common Share during 1999 to \$0.49 per Common Share, but not the estimated cash distributions per OP Unit) and could cause the Blackstone Acquisition not to be consummated.
- . Fundamental Change in Nature of Investment; Potential Underperformance. The Merger and the REIT Conversion involve a fundamental change in the nature of an MHP2 Limited Partner's investment from holding an interest in MHP2, which was originally structured as a tax-sheltered cash flow investment (effective through 1997), is a finite-life entity, has a fixed portfolio of four Hotels and distributes the cash flow from the operation of such Hotels to the MHP2 Limited Partners, to holding a direct or indirect interest in the Operating Partnership, an ongoing real estate company with an expected portfolio of approximately 125 Hotels that (i) collects and distributes to its limited partners rents received from the Lessees (which will bear the risks and receive the direct benefits of the Hotels' operations), (ii) has the ability to acquire additional hotels and (iii) is able to reinvest proceeds from sales or refinancings of existing Hotels in other hotels. In addition, each MHP2 Limited Partner's

investment will change from one that allows an MHP2 Limited Partner to receive a return of capital in the form of distributions from any net proceeds of a sale or refinancing of MHP2's assets to an investment in which an MHP2 Limited Partner who retains OP Units likely would realize a return of capital only through the exercise of the Unit Redemption Right. Those MHP2 Limited Partners who elect to receive Common Shares in connection with the Merger will hold an equity interest in a publicly traded REIT that (i) provides immediate liquidity, (ii) intends to make distributions to its shareholders in an amount equal to at least 95% of its taxable income, (iii) allows shareholders to influence management by participation in the election of directors and (iv) realizes substantial corporate tax savings as long as certain requirements are met. An MHP2 Limited Partner's share of the liquidation proceeds, if any, from the sale of an MHP2 Hotel or Hotels could be higher than the amount realized upon exercise of the Unit Redemption Right, the sale of Common Shares received in connection with the Mergers or payments on any Note received by an MHP2 Limited Partner who elects to exchange his OP Units for such Note in connection with the Merger. An investment in the Operating Partnership or Host REIT may not outperform an investment in MHP2. See "Comparison of Ownership of Partnership Interests, OP Units and Common Shares."

- . Exposure to Market and Economic Conditions of Other Hotels. As a result of the Merger, MHP2 Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will own interests in a much larger enterprise with a broader range of assets than MHP2 individually. A material adverse change affecting the Operating Partnership's assets will affect all Limited Partners, including MHP2 Limited Partners, regardless of whether a particular Limited Partner previously was an investor in such affected assets. MHP2 owns discrete assets and the Mergers and the REIT Conversion will significantly diversify the types and geographic locations of the Hotels in which the MHP2 Limited Partners will have interests. As a result, the Hotels owned by the Operating Partnership may be affected differently by economic and market conditions than the Hotels previously owned by MHP2.
- . MHP2 Limited Partners Have No Cash Appraisal Rights. MHP2 Limited Partners who vote against the Merger will not have a right to receive cash based upon an appraisal of their Partnership Interests.
- . Uncertainties as to the Size and Leverage of the Operating Partnership. The MHP2 Limited Partners cannot know at the time they vote on the Merger the exact size and amount of leverage of the Operating Partnership. Host is an existing operating company that regularly issues and repays debt, acquires additional hotels and disposes of existing hotels. Also, some or all of the Partnerships may elect not to participate in a Merger. In addition, outside partners in certain Private Partnerships may not consent to a lease of their partnership's Hotel(s). In either such case, Host will contribute its interests in such Partnerships and Private Partnerships to the Operating Partnership, but the Operating Partnership may, in turn, contribute such interests to a Non-Controlled Subsidiary, which will be subject to corporate-level income taxation. Host also may repurchase outstanding securities or issue new debt or equity securities prior to the consummation of the Mergers and the REIT Conversion.
- . Lack of Control over Hotel Operations and Non-Controlled Subsidiaries. Due to current federal income tax law restrictions on a REIT's ability to derive revenues directly from the operation of a hotel, the Operating Partnership will lease virtually all of its consolidated Hotels to the Lessees, which will operate the Hotels by continuing to retain the existing managers of the Hotels (the "Managers") pursuant to the existing long-term Management Agreements. The Operating Partnership will not operate the Hotels or participate in the decisions affecting the daily operations of the Hotels. The Operating Partnership will have only a limited ability to require the Lessees or the Managers to operate or manage the Hotels in any particular manner and no ability to govern any particular aspect of their day-to-day operation or management. The Operating Partnership also will not own any of the voting stock of the Non-Controlled Subsidiaries, which may own, in the aggregate, up to 20% by value of the Operating Partnership's assets. Therefore, the Operating Partnership will be dependent for its revenue upon the ability of the Lessees and the Managers to operate and manage the Hotels and the Non-Controlled Subsidiaries to operate and manage their businesses.

- . Dependence upon Crestline. Crestline and its subsidiaries will be the Lessees of substantially all of the Hotels and their rent payments will be the primary source of Host REIT's revenues. Crestline's financial condition and ability to meet its obligations under the Leases will determine the Operating Partnership's ability to make distributions to holders of OP Units, including Host REIT, and Host REIT's ability, in turn, to make distribution to its shareholders. As of June 19, 1998, on a pro forma basis, after giving effect to the REIT Conversion, Crestline would have had approximately \$315 million of indebtedness (including \$100 million due to Host REIT to pay for hotel working capital purchased from Host REIT but not including guarantees of obligations of Crestline's subsidiaries under the Leases and the Management Agreements) and Crestline can incur additional indebtedness in the future. There can be no assurance that Crestline will have sufficient assets, income and access to financing to enable it to satisfy its obligations under the Leases. In addition, the credit rating of the Operating Partnership and Host REIT will be affected by the general creditworthiness of Crestline.
- . Expiration of Leases and Possible Inability to Find Other Lessees. The Leases generally will expire seven to ten years after the Effective Date and there can be no assurance that the affected Hotels will be relet to the Lessees (or if relet, will be relet on terms as favorable to the Operating Partnership). If the Hotels are not relet to the Lessees, the Operating Partnership will be required to find other lessees, which lessees must meet certain requirements set forth in the Management Agreements and the Code. There can be no assurance that satisfactory lessees could be found or as to the terms and conditions on which the Operating Partnership would be able to relet the Hotels or enter into new leases with such lessees, which could result in a failure of Host REIT to qualify as a REIT or in reduced cash available for distribution.
- . Requisite Vote of MHP2 Limited Partners Binds All MHP2 Limited Partners. For MHP2, approval by a majority of the Partnership Interests of MHP2 that are eligible to be voted is required to approve the Merger and the related amendments to the partnership agreement, as described in "Voting Procedures--Required Limited Partner Vote and Other Conditions." Such approval will cause MHP2 to participate in the Merger and will bind all MHP2 Limited Partners, including MHP2 Limited Partners who voted against or abstained from voting with respect to the Merger and the related amendments to the partnership agreement.
- . Inability to Obtain Third-Party Consents May Have a Material Adverse Effect. There are numerous third-party consents which are required to be obtained in order to consummate the Mergers and the REIT Conversion. The inability of Host, the Operating Partnership or Host REIT to obtain one or more such consents may cause a default under cross-default provisions of the Company's principal credit facilities or otherwise have a material adverse effect on the Operating Partnership and Host REIT and thus could reduce the value of the OP Units and Common Shares.
- . Competition in the Lodging Industry. The profitability of the Hotels is subject to general economic conditions, the management abilities of the Managers (including primarily Marriott International), competition, the desirability of particular locations and other factors relating to the operation of the Hotels. The full-service segment of the lodging industry, in which virtually all of the Hotels operate, is highly competitive and the Hotels generally operate in geographical markets that contain numerous competitors. The Hotels' success will be dependent, in large part, upon their ability to compete in such areas as access, location, quality of accommodations, room rate structure, the quality and scope of food and beverage facilities and other services and amenities. The lodging industry, including the Hotels (and thus the Operating Partnership), may be adversely affected in the future by (i) national and regional economic conditions, (ii) changes in travel patterns, (iii) taxes and government regulations which influence or determine wages, prices, interest rates, construction procedures and costs, (iv) the availability of credit and (v) other factors beyond the control of the Operating Partnership.
- . Substantial Indebtedness of the Operating Partnership. The Operating Partnership will have substantial indebtedness. As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership had outstanding indebtedness totaling approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities), which represents an approximately 62% debt-to-total market capitalization ratio on a pro forma basis at such date (based

upon a price per Common Share of Host REIT of \$12.50). The Operating Partnership's business is capital intensive and it will have significant capital requirements in the future. The Operating Partnership's leverage level could affect its ability to (i) obtain financing in the future, (ii) undertake refinancings on terms and subject to conditions deemed acceptable by the Operating Partnership, (iii) make distributions to partners (including Host REIT), (iv) pursue its acquisition strategy or (v) compete effectively or operate successfully under adverse economic conditions.

- . No Limitation on Debt. There are no limitations in Host REIT's or the Operating Partnership's organizational documents which limit the amount of indebtedness either may incur, although both the Notes and the Operating Partnership's other debt instruments will contain certain restrictions on the amount of indebtedness that the Operating Partnership may incur.
- . Rental Revenues from Hotels Subject to Prior Rights of Lenders. In accordance with the mortgage loan agreements with respect to outstanding indebtedness of certain Hotel Partnerships, the rental revenues received by such Hotel Partnerships under certain Leases first will be used to satisfy the debt service on such outstanding indebtedness with only the cash flow remaining after debt service being available to satisfy other obligations of the Hotel Partnership (including paying property taxes and insurance, funding the required FF&E reserves for the Hotels and capital improvements and paying debt service with respect to unsecured debt) and to make distributions to holders of OP Units (including Host REIT).
- . Ownership Limitations. No person or persons acting as a group may own, actually or constructively (as determined under the applicable Code provisions), (i) in excess of 9.8% of the number or value of outstanding Common Shares of Host REIT or (ii) in excess of 4.9% of the value of the OP Units (other than Host REIT and The Blackstone Group), subject to waiver or modification by Host REIT or the Operating Partnership, as the case may be, in certain limited circumstances.
- . Anti-Takeover Effect of Certain Provisions of Host REIT's Charter and Bylaws, Maryland Law and the Shareholder Rights Plan. The Articles of Incorporation (the "Charter") and Bylaws of Host REIT to be effective upon completion of the merger of Host with and into Host REIT, as well as provisions of Maryland law, contain certain provisions that could have the effect of delaying, deferring or preventing a change in control of Host REIT. These provisions could limit the price that certain investors might be willing to pay in the future for Common Shares. Certain of these provisions provide for a staggered board and allow Host REIT to issue, without shareholder approval, preferred shares having rights senior to those of the Common Shares. The Board of Directors also is authorized, without a vote of shareholders, to amend the Charter to increase or decrease the number of authorized common or preferred shares and to classify or reclassify unissued common or preferred shares into another class or series of shares. Other provisions impose various procedural and other requirements that could make it difficult for shareholders to effect certain corporate actions. The Charter also provides that no person or persons acting as a group may own more than 9.8% (in number or value) of the outstanding shares of any class or series of shares of Host REIT. Host REIT also intends to adopt a Shareholder Rights Plan to replace the existing stockholder rights plan of Host. Host REIT also will become subject to the business combination and control share provisions under Maryland law. Marriott International, Inc. ("Marriott International") has the right to purchase up to 20% of each class of Host's outstanding voting stock at the then fair market value upon the occurrence of certain change of control (or potential change of control) events involving Host, which right will continue in effect after the Merger until June 2017, subject to certain limitations intended to protect the REIT status of Host REIT. See "Certain Provisions of Maryland Law and Host REIT's Charter and Bylaws."
- . Effect of Subsequent Events upon Recognition of Gain. Even though the MHP2 Limited Partners (other than those who elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) generally are not expected to recognize significant taxable gain at the time of the Merger, there are a variety of events and transactions (including the sale of one or more of the Hotels currently owned by MHP2 or the reduction of indebtedness securing one or more of the Hotels) that could cause an MHP2 Limited Partner to recognize all or a part of the gain that otherwise has

been deferred through the REIT Conversion. See "Federal Income Tax Consequences--Tax Treatment of MHP2 Limited Partners Who Hold OP Units Following the Merger." Certain Hotels (including the Blackstone Hotels) will be covered by agreements with third parties which will restrict the Operating Partnership's ability to dispose of those properties or refinance their debt. In addition, if Atlanta Marquis participates in the Mergers, the Operating Partnership will succeed to an existing agreement that will restrict its ability to dispose of the Atlanta Marquis Hotel or to refinance the debt secured by such Hotel without compensating certain outside partners for the resulting adverse tax consequences. The partnership agreement of the Operating Partnership, which is substantially in the form attached to the Consent Solicitation as Appendix A (the "Partnership Agreement"), does not impose any restrictions on the Operating Partnership's ability to dispose of the Hotels or to refinance debt secured by the Hotels (but the Operating Partnership is obligated to pay any taxes Host REIT incurs as a result of such transactions). In addition, the Partnership Agreement provides that Host REIT, as general partner of the Operating Partnership, is not required to take into account the tax consequences of the limited partners in deciding whether to cause the Operating Partnership to undertake specific transactions (but the Operating Partnership is obligated to pay any taxes that Host REIT incurs as a result of such transactions) and the limited partners have no right to approve or disapprove such transactions. See "Description of OP Units--Sales of Assets."

Election to Exchange OP Units for Common Shares. An MHP2 Limited Partner who elects to receive Common Shares in exchange for his OP Units in connection with the Merger (the "Common Share Election") will be treated as having made a fully taxable disposition of his OP Units, which likely would be deemed to occur at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998). Such MHP2 Limited Partner may not defer recognition of any part of the gain realized from the exchange under the "installment sale" rules. See "Federal Income Tax Consequences--Tax Treatment of MHP2 Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election." MHP2 Limited Partners who elect to receive Common Shares in connection with the Merger will not receive the Crestline common stock or any other portion of the Initial E&P Distribution, which will have been distributed before they become shareholders of Host REIT (approximately 25 trading days after the Effective Date of the Merger).

Election to Exchange OP Units for Notes. An MHP2 Limited Partner who elects to receive a Note in exchange for his OP Units in connection with the Merger (the "Note Election") will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur on the Effective Date of the Merger (which currently is expected to occur on December 30, 1998). An MHP2 Limited Partner who receives a Note in connection with the Merger may be eligible to defer at least a portion, but not all, of that gain under the "installment sale" rules until principal on the Note is paid. See "Federal Income Tax Consequences--Tax Treatment of MHP2 Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election."

Failure of Host REIT to Qualify as a REIT for Tax Purposes. Taxation of Host REIT as a corporation if it fails to qualify as a REIT, and Host REIT's subsequent liability for federal, state and local taxes on its income and property, would, among other things, have the effect of reducing cash available for distribution to Host REIT's shareholders and materially reducing the value of the Common Shares and OP Units.

Failure of the Operating Partnership to Qualify as a Partnership for Tax Purposes. Taxation of the Operating Partnership as a corporation if it fails to qualify as a partnership and the Operating Partnership's subsequent liability for federal, state and local income taxes would, among other things, have the effect of reducing cash available for distribution to holders of OP Units and Common Shares, would cause Host REIT to fail to qualify as a REIT for tax purposes and would cause the holders of OP Units to recognize substantial taxable gain at the time the Operating Partnership ceases to qualify as a partnership.

- . Failure of the Leases to Qualify as Leases. If the leases of the Hotels to the Lessee were to be disregarded for tax purposes (for example, because a Lease was determined to lack economic substance), Host REIT could fail to qualify as a REIT and the Operating Partnership might be treated as a corporation for federal income tax purposes, which would have a material adverse impact on the MHP2 Limited Partners and the value of the OP Units and the Common Shares.
- . Change in Tax Laws. No assurance can be provided that new legislation, Treasury Regulations, administrative interpretations or court decisions will not significantly change the tax laws with respect to Host REIT's qualification as a REIT or the federal income tax consequences of such qualification.
- . MHP2 Limited Partners Need to Consult with Their Own Tax Advisors. Because the specific tax attributes of an MHP2 Limited Partner and the facts regarding such MHP2 Limited Partner's interest in MHP2 could have a material impact on the tax consequences to such MHP2 Limited Partner of the Merger (including the decision whether to elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) and the subsequent ownership and disposition of OP Units, Common Shares or a Note, it is essential that each MHP2 Limited Partner consult with his own tax advisors regarding the application of federal, foreign and state and local tax laws to such MHP2 Limited Partner's personal tax situation.
- . Effect of Possible Classification as a Publicly Traded Partnership on Passive Losses. There is a significant possibility that the Operating Partnership could be classified as a "publicly traded partnership," in which event the MHP2 Limited Partners would not be able to use suspended passive activity losses from other investments to offset income from the Operating Partnership.
- . Host REIT's Substantial Deferred Tax and Contingent Liabilities. Host REIT will have substantial deferred tax liabilities attributable to Host's assets and operations that are likely to be recognized in the next ten years (notwithstanding Host REIT's status as a REIT), and the IRS could assert substantial additional liabilities for taxes against Host for taxable years prior to the time Host REIT qualifies as a REIT. Under the terms of the REIT Conversion and the Partnership Agreement, the Operating Partnership will be responsible for paying (or reimbursing Host REIT for the payment of) all such tax liabilities as well as any other liabilities (including contingent liabilities and liabilities attributable to litigation that Host REIT may incur) whether such liabilities are incurred by reason of Host's activities prior to the REIT Conversion or the activities of Host REIT subsequent thereto.

Because REITs are not permitted under current federal income tax law to derive revenues directly from the operation of hotels, the Operating Partnership will lease the Hotels to lessees (the "Lessees") that will operate the Hotels under the existing management agreements and pay rent to the Operating Partnership, as more fully described herein. The Lessees generally will be wholly owned indirect subsidiaries of Crestline. Crestline, which currently is a wholly owned subsidiary of Host, will become a separate public company when Host or Host REIT distributes the common stock of Crestline and cash or other consideration to its existing shareholders and the Blackstone Entities in connection with the REIT Conversion. Shares of Host REIT and Crestline will become separately traded securities and the companies will operate independently. There will be no overlap between the boards of Host REIT and Crestline. There will be a substantial overlap of shareholders of the two companies initially, but this overlap will diverge over time.

MARRIOTT MHP TWO CORPORATION (THE "GENERAL PARTNER"), THE GENERAL PARTNER OF MHP2, BELIEVES THAT THE MERGER PROVIDES SUBSTANTIAL BENEFITS AND IS FAIR TO THE MHP2 LIMITED PARTNERS AND RECOMMENDS THAT ALL MHP2 LIMITED PARTNERS VOTE FOR THE MERGER AND FOR THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT.

The effects of the Mergers may be different for Limited Partners of the various Partnerships. This Supplement has been prepared to highlight for MHP2 Limited Partners the specific risks, benefits, effects and fairness of the Merger to them and to provide other information specific to MHP2. Supplements have also been prepared for each of the other Partnerships. This Supplement, together with the supplements of the other Partnerships (collectively, the "Supplements"), are part of the Consent Solicitation. Upon receipt of a written

request by a Limited Partner or his representative so designated in writing, the General Partner will send a copy of any Supplement without charge. All requests for a copy of a Supplement should be directed to: Investor Relations, 10400 Fernwood Road, Bethesda, Maryland 20817, telephone number 301-380-2070 (between the hours of 9:00 a.m. and 4:00 p.m., Eastern time).

All cross-references refer to the Consent Solicitation unless the context indicates otherwise. Capitalized terms not defined herein shall have the meaning set forth in the Consent Solicitation. The information contained herein, unless otherwise indicated, assumes the REIT Conversion (including the Blackstone Acquisition) occurs with all Partnerships participating and no Common Shares or Notes being issued (the "Full Participation Scenario").

EXPECTED BENEFITS OF THE MERGER

The General Partner believes that participating in the Merger would likely be beneficial to the MHP2 Limited Partners for the reasons set forth below. This information is qualified by and should be read in conjunction with the information in the Consent Solicitation under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers." These benefits, which should be viewed as alternatives to continuing the business and operations of MHP2, are expected to include:

- . Exchange Value of MHP2. MHP2 Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will receive OP Units or Common Shares with an estimated Exchange Value equal to \$237,334 per Partnership Unit.
- . Liquidity. The REIT Conversion will offer MHP2 Limited Partners liquidity with respect to their investments in MHP2 because MHP2 Limited Partners can receive freely tradeable Host REIT Common Shares by electing to exchange OP Units for Common Shares in connection with the Merger or, for MHP2 Limited Partners who retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price of \$12.50 per Host REIT Common Share). The election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
- . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. The General Partner expects that distributions from operations during 1998 by MHP2 would be higher than the estimated cash distributions by the Operating Partnership during 1998, but the ability to receive distributions quarterly and in regular amounts would be enhanced. For additional information regarding historical and estimated future distributions for MHP2 and the other Partnerships, see "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers."
- . Substantial Tax Deferral for MHP2 Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes. The General Partner expects that MHP2 Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to their Partnership Interests that otherwise would be recognized in the event of a liquidation of MHP2 or a sale or other disposition of its assets in a taxable transaction. Thereafter, such MHP2 Limited Partners generally should be able to defer at least a substantial portion of such built-in gain until they elect to exercise their Unit Redemption Right or one or more of the Hotels currently owned, directly or indirectly, by MHP2 are sold or otherwise disposed of in a taxable transaction by the Operating Partnership or the debt now secured by such Hotels is repaid, prepaid or substantially reduced. The federal income tax consequences of the Merger are highly complex and, with respect to each MHP2 Limited Partner, are dependent upon many variables, including the particular circumstances of such

MHP2 Limited Partner. See "Federal Income Tax Consequences--Tax Consequences of the Merger." Each MHP2 Limited Partner is urged to consult with his own tax advisors as to the consequences of the Merger in light of his particular circumstances.

- . Risk Diversification. Participation in the Merger, as well as future hotel acquisitions by the Operating Partnership, will reduce the dependence of MHP2 Limited Partners upon the performance of, and the exposure to the risks associated with, MHP2's Hotels and spread such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands. See "Business and Properties--Business Objectives."
- . Growth Potential. The General Partner believes that the MHP2 Limited Partners, by directly or indirectly owning interests in a publicly traded real estate company focused primarily on a more diverse and growing upscale and luxury full-service hotel portfolio, will be able to participate in growth opportunities that would not otherwise be available to them.
- . Greater Access to Capital. With publicly traded equity securities, a larger base of assets and a substantially greater equity value than MHP2 has individually, Host REIT expects to have greater access to the capital necessary to fund the Operating Partnership's operations and to consummate acquisitions on more attractive terms than would be available to MHP2 individually. This greater access to capital should provide greater financial stability to the Operating Partnership and reduce the level of risk associated with refinancing existing loans upon maturity, as compared to MHP2 individually.
- . Public Market Valuation of Assets. The Partnership Units of MHP2 currently trade at a discount to the net asset value of MHP2's assets. The General Partner believes that by exchanging interests in MHP2, which is a non-traded, finite-life limited partnership with a fixed portfolio for interests in an ongoing real estate company focused primarily on a more diverse and growing full-service hotel portfolio and providing valuation based upon publicly traded Common Shares of Host REIT, the MHP2 Limited Partners will have the opportunity to participate in the recent trend toward ownership of real estate through a publicly traded entity, which, in many instances (although not currently), has resulted at various times in market valuations of public real estate companies in excess of the estimated net asset values of those companies. There can be no assurance, however, that the Common Shares of Host REIT will trade at a premium to the private market values of the Operating Partnership's assets or that they will not trade at a discount to private market values. Also, the benefit of Host's conversion to a REIT will not be shared by the MHP2 Limited Partners if and to the extent that such benefit is reflected in the market valuation of Host's common stock prior to the REIT Conversion.

If MHP2 does not participate in the Merger, its business will continue in its current manner; however, the Operating Partnership may elect to contribute some or all of its interest in MHP2 to a Non-Controlled Subsidiary.

DETERMINATION OF EXCHANGE VALUE OF MHP2 AND ALLOCATION OF OP UNITS

GENERAL. The Exchange Value of MHP2 will be equal to the greatest of its Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which has been determined as follows:

- . Adjusted Appraised Value. The General Partner has retained AAA to determine the market value of each of the Hotels as of March 1, 1998 (the "Appraised Value"). The "Adjusted Appraised Value" of MHP2 equals the Appraised Value of its Hotels, adjusted as of the Final Valuation Date for lender reserves, capital expenditure reserves, existing indebtedness (including a "mark to market" adjustment to reflect the market value of such indebtedness), certain deferred maintenance costs, deferred management fees and transfer and recordation taxes and fees.
- . Continuation Value. The "Continuation Value" of MHP2 represents AAA's estimate, as adopted by the General Partner, of the discounted present value, as of January 1, 1998, of the MHP2 limited partners' share of estimated future cash distributions and estimated net sales proceeds (plus lender reserves), assuming that MHP2 continues as an operating business for twelve years and its assets are sold on December 31, 2009 for their then estimated market value.

- . Liquidation Value. The "Liquidation Value" of MHP2 represents the General Partner's estimate of the net proceeds to MHP2 limited partners resulting from the assumed sale as of December 31, 1998 of the Hotels of MHP2 each at its Adjusted Appraised Value (after eliminating any "mark to market" adjustment and adding back the deduction for transfer and recordation taxes and fees, if any, made in deriving the Adjusted Appraised Value), less (i) estimated liquidation costs, expenses and contingencies equal to 2.5% of Appraised Value and (ii) prepayment penalties or defeasance costs, as applicable.

Final determination of the Exchange Value of MHP2 will be made as of the end of the four week accounting period ending at least 20 days prior to the Effective Date (the "Final Valuation Date") and will be equal to the greatest of Adjusted Appraised Value, Continuation Value and Liquidation Value as of such date. Adjusted Appraised Value, Continuation Value and Liquidation Value will be adjusted as of the Final Valuation Date (i) to reflect the amount of lender and capital expenditure reserves and the amount of deferred management fees as of such date, (ii) to increase the Adjusted Appraised Value by any amounts actually expended by MHP2 after the Initial Valuation Date to perform deferred maintenance that were previously subtracted in determining the estimated Adjusted Appraised Value of MHP2 and (iii) to reflect any changes in MHP2's other reserves, such as for litigation expenses and indemnification costs and any revised estimates of transfer and recordation taxes and fees. The General Partner does not believe that any adjustments to the Exchange Value will be material; however, if any such changes are deemed to be material, the General Partner will provide the MHP2 Limited Partners with an opportunity to change their vote on the Merger.

APPRAISED VALUE. MHP2's Hotels were appraised as of March 1, 1998 by AAA, an independent, nationally recognized hotel valuation and financial advisory firm experienced in the appraisals of lodging properties such as MHP2 's Hotels. Each appraisal (an "Appraisal") was reviewed by a Member Appraisal Institute ("MAI") appraiser and certified by such MAI appraiser as having been prepared in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation.

The purpose of each Appraisal is to provide an estimate of the "Market Value" of the related Hotel. "Market Value" means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably and assuming the price is not affected by undue stimuli. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (i) the buyer and seller are equally motivated; (ii) both parties are well informed or well advised, and each is acting in what he considers his own best interest; (iii) a reasonable time frame is allowed for exposure in the open market; (iv) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (v) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. AAA made site visits at all of MHP2's Hotels for purposes of the Appraisals.

In preparing the Appraisals, AAA relied primarily on the income capitalization method of valuation, and then compared the value estimated by this method with recent sales of comparable properties, as a check on the reasonableness of the value determined through the income capitalization method. AAA employed the following procedures for determining the Appraised Value of each MHP2 Hotel:

- . Historical 1997 and Projected Year's Earnings. AAA reviewed the historical 1997 net operating income (i.e., income before interest, taxes, depreciation and amortization) ("NOI") prior to incentive management fees and certain capital expenditures for the applicable Hotel. AAA also prepared a projection of the net operating income prior to incentive management fees and certain capital expenditures for the applicable Hotel for the twelve month period ending February 28, 1999 (the "Projected Year"), using historical financial information for each Hotel, budget information, a survey with the manager of each Hotel addressing the physical condition of the Hotel, local market conditions (including business mix, demand generators, future trends and predictability of business), changes in

the competitive environment, comparison with direct competitors of the Hotel and risk factors relating to the particular Hotel. The resulting gross margin (ratio of total revenues to NOI prior to incentive management fees) was checked against AAA's database of the gross margins for similar hotels for reasonableness.

- . Impact of Incentive Management Fees. AAA estimated a normalized annual amount of incentive management fees payable under the applicable management agreement and subtracted this amount from the net operating income prior to incentive management fees and certain capital expenditures for 1997 and the Projected Year.
- . Impact of Owner Funded Capital Expenditures. AAA estimated normalized annual amounts of owner funded capital expenditures (over and above the FF&E reserve) based in part on projected owner funded capital expenditures estimated in the Engineering Study. The normalized amounts were then subtracted from the NOI prior to owner funded capital expenditures for 1997 and the Projected Year.
- . Capitalization of Adjusted NOI. AAA then capitalized the amount resulting from the foregoing adjustments ("Adjusted NOI") for 1997 and the Projected Year by dividing such amounts by capitalization rates that AAA determined to be appropriate. A capitalization rate represents the relationship between net operating income and sales prices of income producing property. AAA selected the capitalization rates based upon its review of current published surveys reflecting the opinions of investors and participants such as REITs, hotel acquisition/management companies and pension funds, lenders, brokers and consultants as to current capitalization rates, and its own database of capitalization rates reflected in recent transactions, adjusted for factors specific to the Hotel, such as location, physical condition, reserve policies, local market volatility and competition, guest mix, renovation influences and other income characteristics. AAA used separate capitalization rates that it deemed appropriate to capitalize 1997 historical Adjusted NOI and estimated Projected Year's Adjusted NOI. AAA then estimated the value of each Hotel based upon each of the values estimated by capitalizing 1997 and Projected Year's Adjusted NOI and its professional judgment. The following table sets forth the effective capitalization rates for 1997 and Projected Year's Adjusted NOI resulting from AAA's estimated Appraised Values of MHP2's Hotels.

RESULTING EFFECTIVE CAPITALIZATION RATES FOR APPRAISALS OF MHP2'S HOTELS

1997	PROJECTED YEAR (ENDING FEBRUARY 28, 1999)
----	-----
9.1-9.6%	9.7-11.6%

APPRAISED VALUES OF MHP2'S HOTELS

HOTEL	APPRAISED VALUES
-----	-----
	(IN THOUSANDS)
Marriott Rivercenter Hotel.....	\$180,600
New Orleans Marriott Hotel.....	184,300
San Ramon Marriott Hotel.....	35,300
Santa Clara Marriott Hotel.....	63,100 (1)

Total.....	\$463,300
	=====

(1) Excludes the 50% interest in the Santa Clara Marriott Hotel not owned by MHP2.

- . Comparison with Comparable Sales. AAA checked the Appraised Value of each Hotel derived by the foregoing procedures against its database of comparable sale transactions for reasonableness.

In the case of the Santa Clara Marriott Hotel, which is only partly owned by MHP2, the Appraised Value of the Hotel was reduced proportionately to the amount attributable to MHP2's ownership interest therein (but no adjustment was made to reflect the effect that the outside interest might have on decisions with respect to

sales, refinancings or other major operational matters). With respect to MHP2's Hotels, three properties were encumbered by a ground lease as of the date of the Appraisals. Accordingly, the Appraised Values of such Hotels have been decreased to reflect the encumbrance of the ground lease and the interest of the ground lessor in the operating cash flows of the Hotels. The Appraised Value assumes all contractual provisions for FF&E reserves are adequate and have not been reduced to reflect deferred maintenance or environmental remediation costs with respect to MHP2's Hotels (but estimated deferred maintenance costs have been deducted in estimating the Adjusted Appraised Value of each of MHP2's Hotels). The Appraised Value did not take into account the costs that might be incurred in selling the Hotels (but estimated costs for transfer and recordation taxes and fees have been deducted in estimating the Adjusted Appraised Value of each Hotel).

The Appraisals are not guarantees of present or future values and no assurance can be given as to the actual value of MHP2's Hotels. The Appraisals should be read in conjunction with other information, such as, but not limited to, the audited financial statements of MHP2.

The Appraised Value, and the assumptions underlying the projections on which the Appraised Value is based, are contingent upon a series of future events, the outcomes of which are not necessarily within the Operating Partnership's control and cannot be determined at this time. There can be no assurance that another appraiser would not have arrived at a different result. Some of the assumptions inevitably will not materialize and unanticipated events and circumstances will occur subsequent to the date of the Appraisals. Furthermore, the actual results achieved from MHP2's Hotels will vary from the results projected in the Appraisals and the variations may be material.

ADJUSTED APPRAISED VALUE. The Adjusted Appraised Value of MHP2 was determined by totaling the Appraised Values of all of the Hotels of MHP2 and then making various adjustments to the aggregate Appraised Value, as described below.

- . Lender Reserves. MHP2's debt service reserves are required to be held by third-party lenders. The amount of these lender reserves as of the Initial Valuation Date was added to the Appraised Values of these Hotels. A final determination of the lender reserves of MHP2 will be made on the Final Valuation Date and any changes in such reserves will be reflected in the Adjusted Appraised Value.
- . Mortgage and Other Debt. The estimated principal balance and accrued interest (including participating interest that would accrue as a result of the Merger) as of the Effective Date (assumed to be December 31, 1998) of all mortgage and other debt of MHP2 has been subtracted from the Appraised Value.
- . Mark to Market Adjustment. The third-party loans of the Partnerships have various interest rates and terms to maturity. In order to reflect the market value of the third-party loans of MHP2, the estimated Adjusted Appraised Value for MHP2 has been decreased to "mark to market" the interest rate for such loans. This adjustment has been estimated by comparing the interest cost using the applicable interest rates on existing third-party loans over their remaining term to the interest cost using the interest rate that the Operating Partnership believes it would be able to obtain for unsecured debt in the market as of the Final Valuation Date (which would have been 8% per annum based on a 350 basis point (3.50%) spread over the yield on seven-year U.S. Treasury securities as of September 29, 1998). The mark to market adjustment for each loan was calculated by determining the difference between the present values, as of December 31, 1998, of the interest payments over the remaining term of the loan from January 1, 1999 to maturity using the actual interest rate as the discount rate as compared to using the assumed market rate as the discount rate.
- . Deferred Management Fees. The amount of deferred management fees (management fees earned by the manager pursuant to the management agreement and not paid currently) estimated to be payable under the Management Agreements of MHP2 as of December 31, 1998 have been subtracted from the Appraised Value. The amount of such deferred management fees will be recalculated as of the Final Valuation Date.

- Deferred Maintenance Costs. The estimated cost to complete any deferred maintenance items identified in the Engineering Study relating to the MHP2 Hotels have been subtracted from the Appraised Value. The adjustments for this item will be reduced at the Final Valuation Date to reflect amounts expended after the Initial Valuation Date to perform such deferred maintenance. No adjustments have been made for previously budgeted capital expenditures or deferred maintenance costs estimated in the Engineering Study that are reflected in the cash flow projections used for purposes of estimating Appraised Values.

The following table sets forth the adjustments to the aggregate Appraised Values of MHP2's Hotels made to derive the estimated Adjusted Appraised Value for MHP2 as of the Initial Valuation Date.

CALCULATION OF ESTIMATED ADJUSTED APPRAISED VALUE FOR MHP2
AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$463,300	(1)
Lender reserves.....	6,800	
Mortgage debt.....	(259,945)	(1)
Mark to market adjustment.....	(2,154)	
Deferred management fees.....	(3,184)	
Deferred maintenance costs.....	(1,673)	

Estimated Adjusted Appraised Value.....	\$203,144	
	=====	
Estimated General Partner's share.....	\$ 26,330	
Estimated limited partner share of a Host subsidiary.....	\$ 93,272	
Estimated total limited partners' share(2).....	\$176,814	
Per Partnership Unit.....	\$237,334	

- -----
(1) Excludes 50% of the \$126,200,000 Appraised Value of the Santa Clara Marriott Hotel but includes 100% of the \$42,500,000 in mortgage debt encumbering the Hotel for which MHP2 is wholly responsible.

(2) Includes estimated total limited partner share of a Host subsidiary.

CONTINUATION VALUE. AAA estimated the Continuation Value of MHP2 using the following methodology:

- Estimated Future Cash Distributions. AAA prepared estimates of future partnership cash flow for MHP2 for the 12-year period from January 1, 1998 through December 31, 2009 based upon the estimated 1998 NOI before incentive management fees used in the Appraisals and for each subsequent year applying an assumed annual stabilized growth rate (as shown in the table below) developed by AAA for this analysis. For each year in the projection period, AAA estimated the amount of cash available for distribution to MHP2's limited partners after payment of all management fees, debt service, owner funded capital expenditures based on the Engineering Study and other partnership expenses and after application of the applicable partnership agreement provisions. AAA assumed that MHP2's FF&E reserve was adequate and understood that Host determined that there were no reserve shortfalls or surpluses.
- Refinancing Assumptions. For debt that matures during the 12-year period, AAA assumed that the debt would be refinanced with an interest rate of 8.22% per annum and a 20-year amortization schedule, with estimated refinancing costs of 2% of the refinanced amount being paid from operating cash flow.
- Determination of Residual Value. To estimate the residual value of the MHP2 limited partners' interest in MHP2 at the end of the 12-year period, AAA assumed that the MHP2 Hotels would be sold as of December 31, 2009 at their then market value. AAA estimated the market value of each Hotel as of such date by applying an exit capitalization rate that it deemed appropriate, using the factors described above in connection with the "--Appraised Value," which are set forth in the table below, to the estimated Adjusted NOI for 2009 (estimated as described above). AAA then subtracted estimated sales costs of 2% of the estimated market value, added lender reserves and subtracted the estimated outstanding principal balance of debt as of December 31, 2009 and deferred management fees to arrive

at net sales proceeds available for distribution to partners. AAA then determined what portion of such estimated net sales proceeds would be distributable to MHP2's limited partners under the partnership and debt agreements.

Discounting Distributions to Present Value. As a final step, AAA discounted the estimated future cash distributions to MHP2 's limited partners from operations and estimated net sales proceeds to their present value as of January 1, 1998, using a discount rate of 20% per annum. AAA believes that this discount rate reflects the return on investment that investors expect from leveraged investments of this nature.

While the 12-year period used by AAA is somewhat arbitrary and other firms may have used a different time period, the 12-year period was selected by AAA because it corresponds to the time period used in the Engineering Study to estimate owner funded capital expenditures. AAA and the General Partner believe that such 12-year period is within the accepted range of time periods used in valuations similar to the Continuation Value.

The growth rate and exit capitalization rate used to determine the estimated Continuation Value for MHP2 are as set forth below:

GROWTH RATE, EXIT CAPITALIZATION RATE
AND ESTIMATED CONTINUATION VALUE FOR MHP2

(DOLLARS IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

GROWTH RATE	EXIT CAPITALIZATION RATE (2009)	ESTIMATED CONTINUATION VALUE	ESTIMATED GENERAL PARTNER'S SHARE	ESTIMATED LIMITED PARTNER'S SHARE (1)	ESTIMATED CONTINUATION VALUE (PER PARTNERSHIP UNIT)
3.4%	10.4%	\$167,776	\$10,385	\$157,391	\$211,263

(1) Includes amounts attributable to interests of a Host subsidiary.

LIQUIDATION VALUE. The Liquidation Value of MHP2 was estimated by the General Partner and represents the estimated value of MHP2 if all of its assets were sold as of December 31, 1998. Such value was based upon the Adjusted Appraised Value of MHP2, with the following adjustments: (i) the "mark to market" adjustment used to estimate the Adjusted Appraised Value was eliminated and instead prepayment or defeasance costs that would be payable under existing debt agreements (regardless of whether the debt in fact can be prepaid on December 31, 1998) were deducted from the Appraised Value; and (ii) the deduction for transfer and recordation taxes and fees used to estimate the Adjusted Appraised Value was eliminated and instead an amount equal to 2.5% of the Appraised Value of MHP2's Hotels was subtracted from the Appraised Value for estimated liquidation costs, expenses and contingencies. The General Partner then determined the portion of the estimated Liquidation Value that would be distributable to MHP2's limited partners under the terms of the partnership agreement and other contractual arrangements.

The following table sets forth the adjustments made to the Adjusted Appraised Value to estimate the Liquidation Value of MHP2 as of the Initial Valuation Date:

CALCULATION OF ESTIMATED LIQUIDATION VALUE OF MHP2
AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$ 463,300(1)
Lender reserves.....	6,800
Mortgage debt.....	(259,945) (1)
Prepayment/defeasance costs.....	(20,551)
Deferred management fees.....	(3,184)
Deferred maintenance costs.....	(1,673)
Sales costs.....	(11,583)

Estimated Liquidation Value.....	\$ 173,164
	=====
Estimated General Partner's share.....	\$ 20,335
Estimated limited partner share of a Host subsidiary.....	\$ 80,620
Estimated total limited partners' share(2).....	\$ 152,829
Per Partnership Unit.....	\$ 205,140

(1) Excludes 50% of the \$126,200,000 Appraised Value of the Santa Clara Marriott Hotel but includes 100% of the \$42,500,000 in mortgage debt encumbering the Hotel for which MHP2 is wholly responsible.

(2) Includes estimated total limited partner share of a Host subsidiary.

ESTIMATED EXCHANGE VALUE. The following table sets forth the estimated Exchange Value of MHP2 (based upon the greatest of its estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value), the estimated minimum of OP Units to be received (based upon the maximum price of \$15.50 per OP Unit) and the estimated Note Election Amount for MHP2, all on a per Partnership Unit basis as of the Initial Valuation Date. The number of Common Shares received in exchange for OP Units in connection with the Merger will equal the number of OP Units. The estimated Note Election Amount for MHP2 (which will be received by MHP2 Limited Partners electing to receive Notes in exchange for OP Units in connection with the Merger) is equal to the Liquidation Value for MHP2. The estimated values set forth below may increase or decrease as a result of various adjustments, which will be finally calculated as of the Final Valuation Date but will not change as a result of less than all of the Partnerships participating in the Mergers. The actual number of OP Units to be received by the MHP2 Limited Partners will be based on the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date (but will not be less than \$9.50 or greater than \$15.50 per OP Unit) and will not be finally determined until such time.

ESTIMATED EXCHANGE VALUE,

MINIMUM NUMBER OF OP UNITS AND NOTE ELECTION AMOUNT
OF MHP2
PER PARTNERSHIP UNIT/(1)/

ESTIMATED ADJUSTED APPRAISED VALUE	ESTIMATED CONTINUATION VALUE	ESTIMATED LIQUIDATION VALUE	ESTIMATED EXCHANGE VALUE (2)	ESTIMATED MINIMUM NUMBER OF OP UNITS (3)	ESTIMATED NOTE ELECTION AMOUNT (4)

\$237,334	\$211,263	\$205,140	\$237,334	15,312	\$205,140

(1) A Partnership Unit in MHP2 represents an original investment of \$100,000.

(2) The estimated Exchange Value is equal to the greatest of estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value.

(3) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.

(4) The principal amount of Notes is equal to the greater of (i) the Liquidation Value or (ii) 80% of the Exchange Value (the "Note Election Amount").

Price of OP Units to Pay Exchange Value to MHP2 Limited Partners. Each MHP2 Limited Partner will receive OP Units with a deemed value equal to the Exchange Value of such MHP2 Limited Partner's Partnership Interests. The price of an OP Unit for this purpose will be equal to the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date of the Merger (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). Thus, if the 20-day average trading price is less than \$9.50, the price per OP Unit in the Merger would be \$9.50; and if such average trading price is greater than \$15.50, the price per OP Unit in the Merger would be \$15.50. The OP Units will be issued to the MHP2 Limited Partners promptly after the twentieth trading day following the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998).

MHP2 Limited Partners who retain OP Units will receive cash distributions from MHP2 for all of 1998 and, if the Merger does not occur in 1998, any portion of 1999 prior to the Merger for which period they do not receive a cash distribution from the Operating Partnership. Cash distributions will be made by MHP2 in accordance with its partnership agreement on or before June 1, 1999 in respect of 1998 operations and, if the Merger does not occur prior to January 1, 1999, within 90 days after the Effective Date of the Merger in respect of any 1999 operations. MHP2 Limited Partners at the Effective Date of the Mergers who elect to receive Common Shares in exchange for OP Units in connection with the Merger will participate in the same distributions from MHP2 as MHP2 Limited Partners who retain OP Units and will receive distributions from Host REIT with respect to periods after their Common Shares are issued, which distributions are expected to equal the amount distributed with respect to the OP Units for such periods (although distributions to shareholders would be lower than distributions to holders of OP Units (by the amount of Host REIT's 1999 corporate income tax payments) if the REIT Conversion does not occur in 1998 and Host REIT is unable to elect REIT status effective January 1, 1999). Neither the Operating Partnership nor Host REIT anticipates making distributions after the Effective Date of the Merger and prior to the issuance of Common Shares to those MHP2 Limited Partners who elect to exchange their OP Units for Common Shares. MHP2 Limited Partners at the Effective Date of the Merger who elect to receive Notes in exchange for OP Units in connection with the Merger will participate in the same distributions from MHP2 as MHP2 Limited Partners who retain OP Units but will not receive any distributions from the Operating Partnership with respect to periods after the Notes are issued.

No fractional OP Units will be issued. Fractional amounts less than 0.50 of an OP Unit will be rounded down to the next whole number and fractional amounts greater than or equal to 0.50 will be rounded up to the next whole number of OP Units.

DETERMINATION OF VALUE OF THE GENERAL PARTNER'S AND OTHER HOST SUBSIDIARIES' INTERESTS IN MHP2 AND ALLOCATION OF OP UNITS TO THE GENERAL PARTNER AND OTHER HOST SUBSIDIARIES

The value of the General Partner's interest will be determined in the same manner as the Exchange Value of the MHP2 Limited Partners' Partnership Interests by the same methodologies set forth above and giving effect to the applicable distribution provisions in the MHP2 partnership agreement. The number of OP Units that will be received by the General Partner will be equal to the value of its interest in MHP2 divided by the same price per OP Unit used to determine the number of OP Units to be received by the MHP2 Limited Partners.

The following table sets forth the estimated value of the interest of the General Partner and other Host subsidiaries in MHP2 based upon the estimated aggregate Exchange Value of the MHP2 Limited Partners' Partnership Interests as of the Initial Valuation Date and the estimated minimum number of OP Units to be received by the General Partner and other Host subsidiaries in respect thereof.

ESTIMATED VALUE OF THE GENERAL PARTNER'S AND A HOST SUBSIDIARY'S

INTERESTS AND MINIMUM NUMBER OF OP UNITS

(IN THOUSANDS, EXCEPT NUMBER OF OP UNITS)

Aggregate Estimated Exchange Value.....	\$203,144
Limited partners' share of aggregate Estimated Exchange Value.....	176,814

Estimated value of General Partner's interest.....	\$ 26,330
Estimated value of limited partner interest of a Host subsidiary.....	93,272

Estimated total value of interests of General Partner and other Host subsidiary.....	\$119,602
	=====
Estimated minimum number of OP Units:(1).....	7,716

- - - - -

(1) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.

FAIRNESS ANALYSIS AND OPINION

FAIRNESS ANALYSIS

The General Partner believes that the Merger provides substantial benefits and is fair to the Limited Partners of MHP2 and recommends that all Limited Partners of MHP2 consent to the Merger and the related amendments to the partnership agreement. The General Partner bases this recommendation primarily on (i) its view that the expected benefits of the Merger for the MHP2 Limited Partners outweigh the risks and potential detriments of the Merger to the MHP2 Limited Partners (see "Background and Reasons for the Mergers and the REIT Conversion Reasons for the Mergers" and "Risk Factors"), (ii) its view that the value of the OP Units allocable to the MHP2 Limited Partners on the basis of the Exchange Value established for MHP2 represents fair consideration for the Partnership Interests held by the MHP2 Limited Partners and is fair to the MHP2 Limited Partners from a financial point of view and (iii) the Appraisals and Fairness Opinion of AAA. See "--Fairness Opinion."

The Merger is not conditioned upon the consummation of any of the other Mergers. The General Partner has considered this fact in evaluating the fairness of the Merger. The General Partner believes that the fairness of the Merger will not be materially affected by the presence or absence of any other individual Partnership or by any particular combination of other Partnerships and that the Merger will be fair to the MHP2 Limited Partners, individually and as a whole, if it is consummated with any combination of other Participating Partnerships. The General Partner bases this belief primarily on the fact that the consideration to be paid to the MHP2 Limited Partners has been established based upon MHP2's Exchange Value, without regard to any possible combination of other Partnerships.

In reaching the conclusions implicit in the above recommendation, the General Partner has taken into account the following considerations, placing the greatest weight on the first two considerations:

- . The General Partner has concluded that the Exchange Value for MHP2 represents fair consideration for the Partnership Interests of the MHP2 Limited Partners in the Merger in relation to MHP2 because the Exchange Value is equal to the greatest of the Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which is an acceptable method for determining the fair market value of a Partnership's assets. The General Partner also has concluded that the Exchange Value established for the MHP2 Limited Partners fairly reflects the value of the assets held by MHP2.
- . MHP2 Limited Partners who retain OP Units will be able to defer recognition of gain until such time as they choose to realize such gain based on their own personal circumstances.

- . The General Partner has concluded that the potential benefits of the Merger to the MHP2 Limited Partners, as described under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers," outweigh the potential risks and detriments of the Merger for the MHP2 Limited Partners, as described in "Risk Factors."
- . The General Partner considered the maximum and minimum deemed values of OP Units established for purposes of the Merger. The General Partner noted that the maximum deemed value of the OP Units, which has the effect of establishing a minimum number of OP Units that MHP2 Limited Partners will receive in the Merger, supports the fairness of the Merger. With regard to the minimum deemed value of the OP Units, which has the effect of establishing a maximum number of OP Units that MHP2 Limited Partners will receive in the Merger, the General Partner concluded that such a provision is customary when there is a maximum exchange price and that the levels established for the minimum and maximum deemed values of the OP Units represent a reasonable allocation of the risk of fluctuation in the trading price of Host REIT Common Shares immediately following the Merger. The minimum value was set at a level that is less than the recent average trading price of Host common stock (after deducting an amount equal to the estimated per share Initial E&P Distribution to be made in connection with the REIT Conversion) and the maximum is higher than such adjusted trading price. The Merger Agreement limits the value of the distributions that Host and Host REIT can make to their shareholders and to the Blackstone Entities (through the Operating Partnership) prior to consummation of the Merger. Based upon these considerations and others, the General Partner concluded that the maximum and minimum deemed values of the OP Units support the fairness of the Merger to the MHP2 Limited Partners.
- . The General Partner considered the method of allocating the OP Units received by MHP2 in the Merger between the General Partner and the MHP2 Limited Partners. Because the OP Units are allocated in accordance with the distribution provisions in the MHP2 partnership agreement, the General Partner concluded that this method supports the fairness of the Merger to the MHP2 Limited Partners.
- . The General Partner considered the method of allocating the OP Units to be owned by Host REIT and its subsidiaries (including the General Partners) following the REIT Conversion (without taking into account any OP Units that may be acquired in connection with the Common Share Election). The number of OP Units to be owned by Host REIT and its subsidiaries will be equal to the number of shares of Host common stock outstanding at the time. Because the formation of the Operating Partnership is functionally equivalent to the formation of a wholly owned subsidiary and reflects the one-for-one economic equivalence between shares of Host common stock and OP Units, the General Partner concluded that this method supports the fairness of the Merger to the MHP2 Limited Partners.
- . The Fairness Opinion, in the view of the General Partner, supports the fairness of the Merger, even though it includes qualifications, limitations and assumptions relating to its scope and other factors that MHP2 Limited Partners should consider carefully and does not conclude that the Exchange Value is the best price that could be obtained. The availability of the Fairness Opinion is particularly significant in light of the absence of arm's length negotiations in establishing the terms of the Merger.
- . The General Partner believes that the economic terms of the leases of the MHP2 Hotels are fair and reasonable from the standpoint of the Operating Partnership.
- . Host REIT will benefit from the operations of the Operating Partnership only to the extent of the distributions received based upon its percentage interest in the Operating Partnership to the same extent as the other limited partners. The General Partner believes that this is a factor supporting the fairness of the Merger to the MHP2 Limited Partners.
- . The General Partner believes that the value of the consideration to be received by the MHP2 Limited Partners in the Merger is fair in relation to the value which would be derived by such Limited Partners under any of the alternatives described under "Background and Reasons for the Mergers and the REIT Conversion--Alternatives to the Mergers," especially since the Exchange Value of MHP2 is equal to

its Adjusted Appraised Value, which is the greatest of the three values--the Adjusted Appraised Value, the Continuation Value and the Liquidation Value and the historic prices paid for Partnership Units. The consideration to be received by MHP2 Limited Partners in the Merger also is greater than the amounts paid in recent sales of MHP2 Partnership Units, including the June 1996 tender offer by Host. The General Partner does not believe that the sale of any of MHP2's Hotels and liquidation of MHP2 would obtain for MHP2 Limited Partners as much value as the value to be received by such MHP2 Limited Partners following the Merger. The General Partner believes that the following benefits are of the greatest value and importance to the MHP2 Limited Partners:

- . Liquidity. The REIT Conversion will offer MHP2 Limited Partners liquidity with respect to their investment in MHP2 because MHP2 Limited Partners can receive freely tradeable Host REIT Common Shares in connection with the Merger, or, for MHP2 Limited Partners who elect to retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price per Host REIT Common Share of \$12.50). The election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
- . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. The General Partner expects that distributions from operations during 1998 by MHP2 would be higher than the estimated cash distributions by the Operating Partnership during 1998, but the ability to receive distributions quarterly and in regular amounts would be enhanced. The ability to receive regular quarterly cash distributions on a pro rata basis also will mitigate the absence of any preferential distribution rights of the MHP2 Limited Partners under the partnership agreement of MHP2.
- . Risk Diversification. Upon consummation of the REIT Conversion, each MHP2 Limited Partner's investment will be converted from an investment in MHP2, which owns four hotels, into an investment in an enterprise that is expected initially to own or control approximately 125 Hotels and will have a total market capitalization of approximately \$3.4 billion, thereby reducing the dependence upon the performance of, and the exposure to the risks associated with, any particular Hotel or group of Hotels currently owned by MHP2 and spreading such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands.
- . Substantial Tax Deferral for MHP2 Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes. The General Partner expects that MHP2 Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to their Partnership Interests that otherwise would be recognized in the event of a liquidation of MHP2 or a sale or other disposition of its assets in a taxable transaction. The General Partner considered the possibility that the REIT Conversion might not occur in time for Host REIT to elect REIT status effective January 1, 1999, in which event Host REIT's election to be taxed as a REIT could be delayed until January 1, 2000 (and the Blackstone Acquisition might not be consummated). The General Partner believes that the overall benefits of the Merger and the REIT Conversion for the MHP2 Limited Partners justify proceeding with the Merger as promptly as practicable, even if Host REIT's election to be taxed as a REIT might not be effective until January 1, 2000. The General Partner took into account the complexity of the REIT Conversion, the number of transactions that must occur to complete the REIT Conversion and the

benefits to the MHP2 Limited Partners of positioning Host REIT to qualify as a REIT as soon as practicable. The General Partner also recognized that a delay in the election of REIT status until January 1, 2000 would not reduce the anticipated Operating Partnership cash distributions per OP Unit (but the Host REIT cash distributions per Common Share would be reduced by the amount of corporate income taxes that Host REIT would have to pay for 1999).

The General Partner believes that the factors described above, which support the fairness of the Merger to the MHP2 Limited Partners, when weighed against the factors that may be disadvantageous, taken as a whole, indicate that the Merger is fair to the MHP2 Limited Partners.

FAIRNESS OPINION

AAA, an independent financial advisory firm with substantial real estate and partnership transaction experience, was engaged by the General Partner and the other General Partners to perform the Appraisals and to render the Fairness Opinion that (i) the Exchange Value and the methodologies and underlying assumptions used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of MHP2 and each other Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of the Hotels) are fair and reasonable, from a financial point of view, to the MHP2 Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the MHP2 Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the MHP2 Limited Partners and the Limited Partners of each other Partnership. The Fairness Opinion is addressed to each Partnership and it may be relied upon by each of the MHP2 Limited Partners and the Limited Partners of the other Partnerships. The full text of the Fairness Opinion, which contains a description of the assumptions and qualifications applicable to the review and analysis by AAA, is set forth in Appendix B to the Consent Solicitation and should be read in its entirety. The material assumptions and qualifications to the Fairness Opinion are summarized below, although this summary does not purport to be a complete description of the various inquiries and analyses undertaken by AAA in rendering the Fairness Opinion. Arriving at a fairness opinion is a complex analytical process not necessarily susceptible to partial analysis or amenable to summary description. For a more complete description of the assumptions and Qualifications that limit the scope of the Fairness Opinion, see "--Qualifications to Fairness Opinion" and "--Assumptions" below.

The Fairness Opinion is not limited to any particular combination of Partnerships participating in the Mergers because there is no combination of Partnerships required in order to complete the Mergers. No Merger is conditioned upon the consummation of any other Merger. The Fairness Opinion addresses the fairness of the Exchange Value for each Partnership to the Limited Partners of each Partnership, which Exchange Value has been established for each Partnership without regard to any possible combination of Partnerships. In light of the foregoing, the Fairness Opinion will not be revised to reflect the actual Partnerships which participate in the Mergers.

Although the General Partner advised AAA that certain assumptions were appropriate in its view, the General Partner imposed no conditions or limitations on the scope of the investigation by AAA or the methods and procedures to be followed by AAA in rendering the Fairness Opinion. The fees and expenses of AAA will be treated as a Merger Expense and will be paid by the Operating Partnership. In addition, the General Partner has agreed to indemnify AAA against certain liabilities. See "--Compensation and Material Relationships."

Qualifications to Fairness Opinion. In the Fairness Opinion, AAA specifically states that it did not: (i) specifically consider other methodologies for allocation of the OP Units, (ii) address or conclude that other methodologies for allocation of the OP Units to MHP2 and the other Partnerships might not have been more

favorable to the Limited Partners in certain of the Partnerships, (iii) negotiate with the General Partner, the General Partners of the other Partnerships or Host, (iv) participate in establishing the terms of the Merger and the other Mergers, (v) provide an opinion as to the terms and conditions of the Merger and the other Mergers other than those explicitly stated in the Fairness Opinion, (vi) make any independent review of the capital expenditure estimates set forth in the Engineering Study or (vii) make any estimates of MHP2's and each other Partnership's contingent liabilities.

In connection with preparing the Fairness Opinion, AAA was not engaged to, and consequently did not, prepare any written report or compendium of its analysis for internal or external use beyond the analysis set forth in Appendix B. AAA will not deliver any additional written opinion of the analysis, other than to update the written opinion if requested by the Operating Partnership.

Experience of AAA. AAA is the world's largest independent valuation consulting firm and is regularly and continually engaged in the valuation of commercial real estate and businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, divestitures, employee stock ownership plans, leveraged buyout plans, private placements, limited partnerships, estate and corporate matters, other financial advisory matters and other valuation purposes.

AAA was selected because of its experience in the valuation of businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, including transactions involving hotel partnerships and the price for its services. The General Partner did not solicit proposals from any other appraisal or investment banking firms for the Appraisals or the Fairness Opinion. In addition, Host and its affiliates have previously engaged AAA to provide appraisals and fairness opinions in connection with other transactions.

Summary of Materials Considered and Investigation Undertaken. As a basis for rendering the Fairness Opinion, AAA has made such reviews, studies and analyses as it deemed necessary and pertinent in order to provide it with a reasonable basis for the Fairness Opinion, including, but not limited to, the following: (i) reviewed the transaction documents and SEC reporting and/or filing documents, including drafts of the Form S-4 for the Mergers; (ii) provided the Market Value of each Hotel owned by each Partnership in a separate short form appraisal report and each such report was reviewed and certified by an MAI appraiser as to its preparation in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation; as part of the Appraisals, AAA reviewed historical operating statements, 1998 budget and year-to-date results, and other financial information as it deemed necessary as a basis for the Fairness Opinion and the Appraisals also considered market transactions of similar lodging properties as appropriate as a basis for the Market Value of each Hotel; (iii) reviewed the methodologies used by each of the General Partners in their determination of the Exchange Value of each Partnership, including the nature and amount of all adjustments to the Appraised Values in determining such Exchange Values; AAA reviewed and tested for the fairness and reasonableness of all adjustments as well as for consideration of all adjustments deemed to be appropriate by AAA; (iv) reviewed the methodologies used by each of the General Partners in their determination of the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the partners of each Partnership, and AAA reviewed and tested for the fairness and reasonableness of the methods and measurements made by the General Partners; (v) reviewed the General Partners' determination of the Liquidation Value of each Partnership, and AAA reviewed and tested for the fairness and reasonableness of all adjustments proposed by the General Partners, as well as for consideration of all adjustments deemed appropriate by AAA; (vi) provided an estimate of the Continuation Value of each Partnership based upon the estimated present value of expected benefits to be received by each limited partner interest as though the Mergers did not occur and each Partnership's assets were sold within a twelve year period; AAA, as part of its analysis and review, determined appropriate rates of growth in house profit or net operating income, as well as reviewed other key variables affecting partnership cash flows and other economic/financial factors affecting the Partnerships' expected operations and results; (vii) reviewed the terms of the ground leases of the Hotels and the partnership agreement of each Partnership; (viii) reviewed audited and unaudited historical income statements, balance sheets and

statements of sources and uses of funds of each Partnership and Host and pro forma financial information for Host REIT; (ix) reviewed audited and unaudited historical operating statements of each Hotel, as well as current operating statements and budgets; (x) conducted real estate valuation and financial due diligence with respect to the Partnerships and their underlying assets, liabilities and equity; (xi) reviewed internal Marriott International, Host and Partnership financial analyses and other internally generated data for each Hotel and (xii) discussed all of the foregoing information, where appropriate, with management of Marriott International, Host and the Partnerships and their respective employees.

Assumptions. In rendering its opinion, AAA relied, without independent verification, on the accuracy and completeness in all material respects of certain relevant publicly available information and information provided to AAA by Host and the Hotels. AAA assumed that all information furnished by Host, the Hotels and the Partnerships and their representatives, upon which AAA relied, presented an accurate description in all material respects of the current and prospective status of the Hotels and the Partnerships from an operational and financial point of view. AAA also noted that the Fairness Opinion was based upon financial, economic, market and other considerations as they existed and could be evaluated as of March 1, 1998. AAA did not conduct any subsequent due diligence or valuation procedures, except that AAA reviewed year-to-date net house-profit results through September 11, 1998 as reflected on Host's Format 90 reports for each Partnership and, based upon such review and upon current financial, economic and market conditions and indicated trends therein. AAA concluded that nothing came to AAA's attention that would cause it to be unable to render the Fairness Opinion as of such date.

Conclusions. AAA concluded that, based upon and subject to its analysis and assumptions and limiting conditions, and as of the date of the Fairness Opinion: (i) the Exchange Value and the methodologies used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of each Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of each of the Hotels) are fair and reasonable, from a financial point of view, to the MHP2 Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the value of an OP Unit and to allocate the equity interest in the Operating Partnership to be received by the MHP2 Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the MHP2 Limited Partners and the Limited Partners of each other Partnership.

Summary of Methodology. AAA evaluated each Partnership's Hotel(s) based upon the income capitalization approach and broadly applied the sales comparison approach. Appraisers typically use up to three approaches in valuing real property: the cost approach, the income capitalization approach and the sales comparison approach. The type and age of a property, market conditions and the quantity and quality of data affect the applicability of each approach in a specific appraisal situation. Since the Hotels are viable, existing, ongoing enterprises with an established market presence, work force and management team, the cost approach was not considered by AAA in the Appraisals. The income capitalization approach estimates a Hotel's capacity to produce income through an analysis of the market, operating expenses and net income. Net income may then be processed into a value through either (or a combination of) two methods: direct capitalization or discounted cash flow analysis. The sales comparison approach looks at similar properties which have recently sold or are currently offered for sale in the market and are analyzed and compared with the Hotel being valued. For further description of the methodology employed by AAA in the Appraisals, see "Determination of Exchange Values and Allocation of OP Units."

Compensation and Material Relationships. AAA has been paid a fee of \$335,000 for its services as described herein, including the Appraisals and preparing to deliver the Fairness Opinion. In addition, AAA will be reimbursed for all reasonable out-of-pocket expenses, including legal fees and will be indemnified against certain liabilities, including certain liabilities under the securities laws. The fee was negotiated between Host, the General Partners and AAA. Payment of the fee to AAA is not dependent upon completion of the Mergers. AAA has been previously engaged by Host and its affiliates to provide appraisals, fairness opinions and solvency opinions in connection with other transactions.

CASH DISTRIBUTIONS

Historical Cash Distributions Paid by MHP2. The following table sets forth the distributions paid to MHP2 Limited Partners (per Partnership Unit) during the periods indicated. The information below should be read in conjunction with the information in this Supplement under the caption "Selected Financial Data."

HISTORICAL CASH DISTRIBUTIONS PAID BY MHP2
(PER PARTNERSHIP UNIT) (1)

	FIRST TWO QUARTERS		FISCAL YEAR			
	1998	1997	1996	1995	1994	1993
From net income(2).....	\$14,864	\$25,006	\$24,616	\$15,000	\$15,077	\$15,583
Representing return of capital(3).....	--	--	--	--	--	--
Distribution of excess General Partner reserve....	--	4,873	--	--	--	--
Total.....	\$14,864	\$29,879	\$24,616	\$15,000	\$15,077	\$15,583

-
- (1) A Partnership Unit represents a \$100,000 original investment in MHP2.
 - (2) In addition, the Partnership distributed \$6,700 per Partnership Unit in August 1998 and is expected to distribute \$5,600 per Partnership Unit in November 1998.
 - (3) Computed as all distributions in excess of distributions from operating cash flow.

Compensation and Distributions to the General Partner. Under MHP2's partnership agreement, the General Partner does not receive fees or compensation in connection with managing the affairs of MHP2 but the General Partner and its Affiliates are reimbursed for certain costs and expenses incurred on behalf of MHP2. The following information has been prepared to compare the amount of reimbursements paid and cash distributions made by MHP2 to the General Partner and its Affiliates to the amounts that would have been paid if the reimbursement and distribution structure which will be in effect after the REIT Conversion had been in effect for the periods presented.

Following the REIT Conversion, Host REIT will be entitled to receive cash distributions with respect to the OP Units that it owns and the Operating Partnership will pay (or reimburse Host REIT for) all expenses that Host REIT incurs, including taxes (subject to certain limited exceptions). Marriott International receives management fees and other reimbursements from MPH2 under the Management Agreement.

The following table sets forth the reimbursements and distributions paid by MHP2 to its General Partner and its affiliates and payments made to Marriott International for the last three fiscal years and the First Two Quarters 1998 ("Historical") and the reimbursements and distributions that would have been paid to the General Partner and its Affiliates and payments made to Marriott International for the last fiscal year and the First Two Quarters 1998 if the REIT Conversion had been in effect, assuming the Full Participation Scenario ("Pro Forma") and assuming a distribution per OP Unit of \$0.84 per year during such period, which is the preliminary estimated initial annual cash distributions during the twelve months ending December 31, 1999.

HISTORICAL AND PRO FORMA REIMBURSEMENTS AND DISTRIBUTIONS
TO THE GENERAL PARTNER AND ITS AFFILIATES
AND PAYMENTS MADE TO MARRIOTT INTERNATIONAL
(IN THOUSANDS)

	FISCAL YEAR							
	FIRST TWO QUARTERS							
	1998		1997		1996		1995	
	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA
Reimbursements(1).....	\$ 158	\$ --	\$ 351	\$ --	\$ 225	\$ --	\$ 89	\$ --
Distributions(2) (3).....	5,953	3,241	11,788	6,482	8,047	6,482	187	6,482
Payments made to Marriott International.....	10,281	10,281	20,167	20,167	19,319	19,319	18,259	18,259
Total.....	\$16,392	\$13,522	\$32,306	\$26,649	\$27,591	\$25,801	\$18,535	\$24,741

- (1) All expenses will be paid directly by the Operating Partnership, accordingly, there are no expected reimbursements on a pro forma basis.
- (2) The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1997 and the First Two Quarters 1998 assumes payment of distributions at a rate of \$0.84 per annum per OP Unit (which represents the preliminary estimated initial annual cash distributions per OP Unit during the twelve months ending December 31, 1999) with respect to the estimated minimum number of OP Units that the General Partner and its affiliates will receive with respect to their general and limited partner interests in the Partnerships, assuming all Partnerships participate in the Mergers and the maximum price of \$15.50 per OP Unit. Such number does not reflect the aggregate number of OP Units Host REIT will receive in connection with the REIT Conversion. The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1996 and 1995 are assumed to be zero (based upon the assumption that the Operating Partnership and Host REIT would not have had any taxable income for such years and thus would not have made any distributions). The pro forma distributions payable to the General Partner and its affiliates are not necessarily indicative of the amounts that would have been distributed per OP Unit in such periods if the REIT Conversion and the Mergers had been consummated as of the beginning of each period shown.
- (3) In 1996, MHP2 Acquisition Corp. purchased a controlling interest in MHP2. Distributions to the General Partner were \$112,000, \$225,000, \$185,000 and \$113,000 for the first two quarters 1998 and the fiscal years ended December 31, 1997, 1996 and 1995, respectively and to the Partnership Units owned by Host were \$5,841,000, \$11,563,000, \$7,862,000 and \$74,000 for the first two quarters 1998 and the fiscal years ended December 31, 1997, 1996 and 1995, respectively.

The San Antonio Hotel is a full-service Marriott hotel located in downtown San Antonio on a leased parcel of land of approximately 2.7 acres. The Hotel is situated on the San Antonio Riverwalk and is located one block from the San Antonio Convention Center and the Alamo. It is located approximately seven miles from the San Antonio International Airport.

MHP2 Supp-26

The Hotel opened in October 1988. The Hotel contains 999 guest rooms, including 86 suites and 40 concierge-level guest rooms, in a 38-story building. Designed as part of the Marriott International network of convention hotels, it has extensive meeting and convention facilities, totaling 58,300 square feet, including (i) a 40,000 square foot grand ballroom and (ii) 36 meeting rooms. Hotel facilities also include two restaurants, two lounges, a health club, an indoor/outdoor pool, a gift shop and a 650-space underground parking garage.

Capital Improvements. The Hotel is scheduled to complete a refurbishment, which will include the replacement of the carpeting, bedspreads, upholstery, drapes and other similar items ("Softgoods") and also the dressers, chairs, beds and other furniture ("Casegoods") of all of its guest rooms at an estimated cost of \$12.5 million in 2000 and 2001.

Competition. The primary competition for the Hotel comes from the following two first-class hotels in downtown San Antonio: (i) the Hyatt Regency and (ii) the Hilton Palacio del Rio Hotel. These two competitors contain an aggregate of approximately 1,100 rooms and 50,300 square feet of meeting space. The San Antonio Marriott Riverwalk Hotel, which opened in 1980 and is managed by Marriott International, is located across the street from the San Antonio Hotel. Currently, the marketing and sales groups work together and the two management teams are currently exploring the possibility of working more closely together to maximize efficiencies. The San Antonio Marriott Riverwalk Hotel and another area hotel, the Plaza San Antonio Hotel are both owned by Host Marriott. In addition, other hotels in the San Antonio area also compete with the San Antonio Hotel; however, these differ from the San Antonio Hotel in terms of size, room rates, facilities, amenities and services offered, market orientation and/or location. None of these other hotels are operated as part of the Marriott International full-service hotel system.

In February 1997, the Residence Inn Alamo Plaza opened with 220 rooms. In August of 1997, the Adams Mark Hotel opened on the Riverwalk with 410 rooms and 25,000 square feet of meeting space. Both hotels are in the San Antonio Hotel's immediate market area and it is expected that the San Antonio Hotel will compete directly with the Adams Mark Hotel for transient business. The downtown San Antonio market has experienced a total room increase of 780 rooms in 1997, of which the only full-service property is the Adams Mark Hotel. In addition, the demand in this market is at a level that has created interest by a number of parties in expanding existing properties and/or developing new full-service hotels. Construction is underway on the expansion of the San Antonio Convention Center which will bring its size to 500,000 square feet, thus ranking it as the 12th largest convention center in the country. It is likely that the expansion to the Convention Center will create demand for additional hotel rooms in the San Antonio market. While it is difficult to predict the ultimate outcome of this proposal, it is likely that hotel rooms will be added to the market and, therefore, increase the San Antonio Hotel's competition.

Ground Lease. The San Antonio Hotel is located on a site that is leased from an unrelated third party for an initial term expiring December 31, 2013. To facilitate the refinancing, the Partnership exercised its option to extend the land lease for an additional 20-year period. Therefore, the term of the San Antonio land lease expires on December 31, 2033. The Partnership has the option to extend the term for up to three successive terms of ten years each. The lease provides for annual rental during the term of the lease equal to the greater of \$700,000 or 3.5% of annual gross room sales.

New Orleans Marriott Hotel, New Orleans, Louisiana

The New Orleans Hotel is a full-service Marriott hotel located on approximately 1.88 acres of fee-owned land in the central business district in downtown New Orleans on the western boundary of the famous French Quarter. The Hotel is situated on Canal Street, the primary commercial route through the downtown area. It is located approximately 12 miles from the New Orleans International Airport.

The Hotel, which opened in July 1972, currently contains 1,290 guest rooms, including 54 suites and 48 concierge-level guest rooms. The Hotel is comprised of the original 42-story River Tower and the 20-story Quarter Tower. Designed as part of the Marriott International network of convention hotels, it has extensive meeting and convention facilities, totaling 80,000 square feet, including (i) a 27,100 square foot grand ballroom,

which is the largest hotel ballroom in New Orleans, (ii) a 10,400 square foot junior ballroom and (iii) 25 meeting rooms. Hotel facilities also include three restaurants, three lounges, a health club, an outdoor pool, a business center, a gift shop and a 475-space parking garage.

Capital Improvements. The Hotel had 924 guest rooms when it originally opened in 1972. A 400-room expansion was completed in 1979. The Hotel underwent an \$11.4 million renovation in 1988 which included reconfiguring certain guest rooms, including 54 suites and 48 concierge-level guest rooms. The completion of these two projects resulted in the 1,290 guest room count that the Hotel currently contains. The Hotel has recently undergone a combined renovation of Softgoods and Caseloads complete refurbishment of all of its guest rooms at an estimated cost of \$13.0 million. In addition, the Hotel recently completed a lobby and restaurant renovation at a cost of \$2.1 million.

Competition. The primary competition for the New Orleans Hotel comes from the following three first-class convention oriented hotels in the central business district of New Orleans: (i) the Sheraton New Orleans Hotel, (ii) the Hyatt Regency New Orleans Hotel and (iii) the New Orleans Hilton Riverside and Towers Hotel. These three competitors contain an aggregate of approximately 3,900 rooms and 254,000 square feet of meeting space. In addition, other hotels in the New Orleans area also compete with the New Orleans Hotel; however, these differ from the New Orleans Hotel in terms of size, room rates, facilities, amenities and services offered, market orientation and/or location. None of these other hotels are operated as part of the Marriott International full-service hotel system. As a major convention facility, the New Orleans Hotel also competes with similar facilities throughout the country.

A number of smaller hotel products entered the market in 1997 adding a total of 1,225 rooms and an additional 724 rooms are expected to be completed in 1998. None of these products are direct competitors of the New Orleans Hotel and no new direct competitors are expected to open in New Orleans in the near-term. However, the overall increase in room supply will affect the Hotel in periods of weak demand.

San Ramon Marriott Hotel, San Ramon, California

The San Ramon Hotel is a full-service Marriott hotel located within the Bishop Ranch Business Park in San Ramon, California approximately 40 miles east of San Francisco and approximately 20 miles east of Oakland. The Hotel is located on a leased parcel of land of approximately 11.8 acres. It is located approximately 18 miles from the Oakland International Airport and 35 miles from the San Francisco International Airport.

The Hotel opened in June 1989 and contains 368 guest rooms, including six suites and 72 concierge-level guest rooms, in a six-story building. The Hotel has approximately 16,300 square feet of meeting and banquet space, including (i) a 10,000 square foot main ballroom, (ii) a 5,000 square foot junior ballroom and (iii) six meeting rooms. Hotel facilities also include a restaurant, a lounge, a heated outdoor pool, an exercise room, a sundry shop and outdoor parking for over 560 cars.

Capital Improvements. In January 1997, the Hotel completed a \$1.2 million Softgoods renovation project. In addition, during 1997, the Hotel completed a combined Softgoods and Caseloads refurbishment of its six suites.

Competition. The primary competition for the San Ramon Hotel comes from the following three hotels: (i) the Pleasanton Hilton Inn, (ii) the Four Points Hotel by Sheraton and (iii) the Marriott Residence Inn San Ramon. These three competitors contain an aggregate of approximately 600 rooms and 21,000 square feet of meeting space. In addition, other hotels in the San Ramon area also compete with the San Ramon Hotel; however, these differ from the San Ramon Hotel in terms of size, room rates, facilities, amenities and services offered, market orientation and/or location. None of these other hotels are operated as part of the Marriott International full-service hotel system. In 1997, 225 limited service rooms were added to the market and another 640 are expected by June 1998. No new full-service competition is expected to open in the San Ramon area in the near-term.

Ground Lease. The San Ramon Hotel is located on a site that is leased from an unrelated third party for an initial term expiring in May 2014. To facilitate the refinancing, the Partnership exercised its option to extend the land lease for an additional 20-year period. Therefore, the current term of the San Ramon land lease expires in May 2034. The Partnership has the option to extend the term for up to three successive terms of ten years each. The lease provides for annual rental during the term of the lease equal to the greater of \$350,000 or 3% of annual gross sales. The minimum rent of \$350,000 may be adjusted upward beginning in June 1995, and every fifth year thereafter, to an amount equal to 75% of the average rent paid during the three years immediately preceding the applicable five-year period. No such adjustment was necessary in June 1995.

Santa Clara Marriott Hotel, Santa Clara, California

The Santa Clara Hotel is a full-service Marriott hotel located in Santa Clara, California on two leased parcels of land, totaling approximately 21.9 acres. The Hotel is situated in the center of "Silicon Valley," approximately one mile from the Santa Clara Convention Center. It is located approximately four miles from the San Jose International Airport and 36 miles from the San Francisco International Airport.

The Hotel opened in June 1976. The Hotel contains 754 guest rooms, including 25 suites and 76 concierge-level guest rooms. The Hotel consists of two towers (one 13 stories and one 10 stories) and a series of two- and three-story buildings, all of which are interconnected. The Hotel has approximately 24,000 square feet of meeting and banquet space, which includes three separate ballrooms, with a total of 20,200 square feet, and six meeting rooms. Hotel facilities also include two restaurants, two lounges, an indoor/outdoor pool, an exercise room, a game room, a gift shop and outdoor parking for over 1,200 cars.

Capital Improvements. In 1998, the Hotel is scheduled to complete a Softgoods renovation of 202 rooms at an approximate cost of \$1.8 million and a combined Softgoods and Caseloads refurbishment of 264 rooms at an approximate cost of \$2.2 million.

Competition. The primary competition for the Santa Clara Hotel comes from the following three hotels: (i) the Westin Santa Clara Hotel, (ii) the Doubletree San Jose and (iii) the Embassy Suites Santa Clara Hotel. These three competitors contain an aggregate of approximately 1,300 rooms and 46,000 square feet of meeting space. In addition, other hotels in the Santa Clara area also compete with the Santa Clara Hotel; however, these differ from the Santa Clara Hotel in terms of size, room rates, facilities, amenities and services offered, market orientation and/or location. None of these other hotels are operated as part of the Marriott International full-service hotel system. No new competition is expected to open in the Santa Clara area in the near-term.

LEGAL PROCEEDINGS

Two groups of limited partners of Marriott Hotel Properties II Limited Partnerships ("MHP2"), are each asserting putative class claims in lawsuits, filed in the United States District Court for the Southern District Court of Florida on May 10, 1996, Leonard Rosenblum, as Trustee of the Sylvia Bernice Rosenblum Trust et al. v. Marriott MHP Two Corporation, et al., Case No. 96-8377-CIV-HURLEY, and, on December 18, 1997, Mackenzie Patterson Special Fund 2, L.P. et al. v. Marriott MHP Two Corporation, et al., Case No. 97-8989-CIV-HURLEY, respectively, against Host and certain of its affiliates alleging that the defendants violated their fiduciary duties and engaged in fraud and coercion in connection with a tender offer for MHP2 units. The District Court dismissed the Mackenzie Patterson case on August 4, 1998 and remanded the Rosenblum case to Palm Beach County Circuit Court on July 25, 1998. The defendants have moved to dismiss Rosenblum's fifth amended complaint in the case now styled Leonard Rosenblum, as Trustee of the Sylvia Bernice Rosenblum Trust, et al. v. Marriott MHP Two Corporation, et al., Case No. CC-96-4087-AD, or, in the alternative, to deny class certification.

AMENDMENTS TO MHP2'S PARTNERSHIP AGREEMENT

In order to consummate the Merger as currently proposed, there are a number of amendments required to be made to MHP2's partnership agreement. MHP2 Limited Partners must vote separately on the Merger and the amendments to the partnership agreement, but the Merger will not be consummated unless both the Merger and

the amendments to the partnership agreement are approved. The effectiveness of such amendments will be conditioned upon MHP2's participation in the Merger. The required amendments generally include: (i) permitting MHP2 to enter into the Leases with the Lessees; (ii) reducing to one the number of appraisals of the fair market value of MHP2's Hotels that MHP2 must obtain before the General Partner can cause MHP2 to sell its assets to the General Partner or an affiliate; and (iii) other amendments required to allow the transactions constituting the Merger or otherwise necessary or desirable to consummate the Merger or the REIT Conversion. The form of amendment to the MHP2 partnership agreement is attached as an exhibit to the Registration Statement of which this Supplement is a part.

VOTING PROCEDURES

MHP2 LIMITED PARTNERS WILL BE ASKED TO VOTE SEPARATELY ON THE MERGER AND THE PROPOSED AMENDMENTS TO THE PARTNERSHIP AGREEMENT, BUT MHP2 WILL NOT PARTICIPATE IN THE MERGER UNLESS BOTH PROPOSALS ARE APPROVED. THE CONSENT OF MHP2 LIMITED PARTNERS HOLDING MORE THAN 50% OF THE OUTSTANDING LIMITED PARTNER INTERESTS IN MHP2 IS REQUIRED FOR PARTICIPATION IN THE MERGER AND TO APPROVE THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT. The General Partner and its affiliate collectively own 52.75% of the outstanding limited partner interests. The General Partner and its affiliates are required to vote their limited partner interests in MHP2 in the same manner as the majority of limited partner interests other than those limited partner interests held by the General Partner and its affiliates actually voted (so long, as a majority of the outside limited partners are present for purposes of a vote by submitted ballots or otherwise).

The period during which consents will be solicited (the "Solicitation Period") will commence on the date the Consent Solicitation and the other Solicitation Materials are first distributed to the Limited Partners and will continue until the later of (i) December , 1998 or (ii) such later date as the Operating Partnership may elect, in its sole and absolute discretion. Any Consent Form RECEIVED by the Operating Partnership (in original or by facsimile) prior to 5:00 p.m., Eastern time, on the last day of the Solicitation Period will be effective, provided that such Consent Form has been properly signed. For MHP2, a Consent Form that is properly signed but not marked will be voted "FOR" a Merger and "FOR" the amendments to the partnership agreement. An MHP2 Limited Partner who has submitted a Consent Form may withdraw or revoke the Consent Form at any time prior to the expiration of the Solicitation Period.

An MHP2 Limited Partner may mark the Consent Form to vote "FOR," "AGAINST" or "ABSTAIN" with respect to participation in the Merger by MHP2 and "FOR," "AGAINST" or "ABSTAIN" with respect to the amendments to the partnership agreement. THE FAILURE OF A LIMITED PARTNER OF MHP2 TO RETURN A SIGNED CONSENT FORM BY THE END OF THE SOLICITATION PERIOD WILL NOT BE COUNTED FOR PURPOSES OF DETERMINING WHETHER A MAJORITY OF MHP2 LIMITED PARTNER PARTNERSHIP INTERESTS ARE PRESENT. AN ABSTENTION OF AN MHP2 LIMITED PARTNER WILL BE COUNTED FOR PURPOSES OF ESTABLISHING THE NUMBER OF LIMITED PARTNER PARTNERSHIP INTERESTS REQUIRED TO RECOGNIZE THE VOTE BUT WILL BE EFFECTIVELY COUNTED AS A VOTE "AGAINST" THE MERGER AND "AGAINST" THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT. MHP2 LIMITED PARTNERS WHO RETURN A SIGNED CONSENT FORM BUT FAIL TO INDICATE THEIR APPROVAL OR DISAPPROVAL AS TO ANY MATTER (INCLUDING THE MERGER AND THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT) WILL BE DEEMED TO HAVE VOTED TO APPROVE SUCH MATTER. The voting procedures applicable to MHP2 Limited Partners are set forth in the Consent Solicitation under the heading "Voting Procedures--Required Limited Partner Vote and Other Conditions."

As of June 19, 1998, no other person of record, or to the Partnership's knowledge owns beneficially, more than 5% of the total number of MHP2 Partnership Units.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of OP Units in the Merger, each MHP2 Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if an entity, an entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such MHP2 Limited Partner in connection with the Merger. If such certification or withholding certificate is not provided, the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such MHP2 Limited Partner in connection with the Merger, including both

the value of the OP Units received and such MHP2 Limited Partner's share of the liabilities of MHP2. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

OP UNIT EXCHANGE ELECTION PROCEDURES

Description of the Common Share Election

MHP2 Limited Partners who desire to exchange their OP Units with Host REIT for Common Shares must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time during the period beginning on the first day of the Solicitation Period and ending at 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (expected to be January 22, 1999 if the Effective Date of the Merger is December 30, 1998) (the "Election Period") (which election may be revoked, and, if revoked, made again, at any time prior to the end of the Election Period). At their discretion, the Operating Partnership and Host REIT may elect to extend the Election Period. Even if an MHP2 Limited Partner votes against the Merger, he may still choose to exchange his OP Units for Common Shares in the event the Merger is approved. An MHP2 Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each MHP2 Limited Partner who timely and properly elects to exchange his OP Units for Common Shares (and who has not timely revoked such election at any time during the Election Period) will tender (or be deemed to have tendered) all of the OP Units he receives to Host REIT in the Merger for an equal number of Common Shares. The Common Shares will be issued to the MHP2 Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Common Shares are expected to receive quarterly cash distributions in the same amount as the cash distributions with respect to each OP Unit. See "Description of Capital Stock--Common Shares."

Description of the Note Election

MHP2 Limited Partners who desire to exchange their OP Units with the Operating Partnership for a Note must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time prior to the end of the Election Period (which election may be revoked, and, if revoked, made again, at any time prior to the end of the Election Period). Even if an MHP2 Limited Partner votes against the Merger, he still may choose to exchange his OP Units for a Note in the event the Merger is approved. An MHP2 Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each MHP2 Limited Partner who timely and properly elects to exchange his OP Units for a Note (and who has not timely revoked such election at any time during the Election Period) will tender (or be deemed to have tendered) to the Operating Partnership all of the OP Units he receives in the Merger for the Note. The Note will be issued to the MHP2 Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Notes will (i) be unsecured obligations of the Operating Partnership, (ii) have a principal amount equal to the Note Election Amount of an MHP2 Limited Partner's Partnership Interests, (iii) mature on December 15, 2005 (approximately seven years after the currently expected closing of the Merger), (iv) bear interest at 6.56% per annum, which was determined based on 120% of the applicable federal rate as of the Record Date (which was 5.47%), payable semi-annually on June 15 and December 15 each year commencing from and after the Effective Date of the Merger, (v) provide for optional prepayment by the Operating Partnership at any time without penalty and mandatory prepayment of principal from a ratable portion of the net proceeds (after repayment of debt, sales expenses and deferred management fees) realized from any sale of the Hotel formerly owned by MHP2 and from certain excess refinancing proceeds and (vi) provide for the payment of the remaining principal balance at maturity. See "Description of the Notes."

Election Procedures

MHP2 Limited Partners who desire to exchange their OP Units for Common Shares or a Note must timely and properly complete and return the OP Unit Exchange Election Form. An MHP2 Limited Partner must make

such election (or revoke any election previously made) during the Election Period, which will commence on the first day of the Solicitation Period and will continue until 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998), unless extended. An MHP2 Limited Partner who has returned an OP Unit Exchange Election Form may withdraw or revoke such election at any time prior to the expiration of the Election Period by either submitting a later dated OP Unit Exchange Election Form or notifying the Operating Partnership in writing that he wishes to withdraw such previous election. The OP Unit Exchange Election Form may be submitted so that it is received by MHP2 (c/o the Operating Partnership) at any time prior to the end of the Election Period. This election can be revoked, or an alternative election can be made, by submitting to MHP2 in writing, such revocation or alternative election so that it is received by MHP2 at any time prior to the end of the Election Period.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of Common Shares or a Note in exchange for OP Units if an MHP2 Limited Partner exercises the Common Share Election or the Note Election, each MHP2 Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to Host REIT and the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if an entity, a entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such MHP2 Limited Partner in connection with the Common Share Election or the Note Election. If such certification or withholding certificate is not provided, Host REIT or the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such MHP2 Limited Partner in connection with the Common Share Election or the Note Election, including both the value of the securities received and such MHP2 Limited Partner's share of the liabilities of the Operating Partnership. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

FEDERAL INCOME TAX CONSEQUENCES

In addition to the federal income tax consequences discussed in the sections of the Consent Solicitation entitled "Federal Income Tax Consequences" and "Risk Factors--Federal Income Tax Risks," MHP2 Limited Partners should read carefully the following discussion of federal income tax consequences applicable specifically to the MHP2 Limited Partners. The information included in this discussion is based upon various factual assumptions and information which are believed by the Operating Partnership and the General Partner to be reliable. However, some of these assumptions inevitably will not materialize, and unanticipated events and circumstances will occur. Therefore, there likely will be differences between the information provided herein, including the numerical data and estimates, and actual results, and the variations may be material and adverse.

Applicability of Tax Opinions

Hogan & Hartson L.L.P. ("Hogan & Hartson"), counsel to Host REIT, Host, and the Operating Partnership, has provided to Host REIT and the Operating Partnership an opinion letter (attached as Appendix C to the Consent Solicitation) as to certain federal income tax consequences to the Operating Partnership and the MHP2 Limited Partners resulting from the Mergers and the REIT Conversion. The opinion letter is based upon certain assumptions and certain representations provided by Host REIT, Host, the Operating Partnership and the General Partners. These representations generally involve factual matters relating to the organization, ownership and operations (including the income, assets, businesses, liabilities and properties) of the Partnerships and Hotels contributed to the Operating Partnership by Host and the Blackstone Entities prior to the Mergers and the REIT Conversion and of Host REIT, the Operating Partnership and the Partnerships following the Mergers and the REIT Conversion. In addition, prior to the Effective Date, Hogan & Hartson expects to provide to Host REIT and the Operating Partnership an opinion letter (substantially in the form of Appendix D to the Consent Solicitation) as to the qualification and taxation of Host REIT as a REIT under the Code following the REIT

Conversion. The receipt of this opinion letter is a condition to the REIT Conversion and each of the Mergers. See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation.

Each opinion provided by Hogan & Hartson in the opinion letter that is attached as Appendix C to the Consent Solicitation is applicable to the MHP2 Limited Partners.

The opinions already rendered by Hogan & Hartson are based on the Code and Treasury Regulations in effect on the date hereof, current administrative interpretations and positions of the IRS and existing court decisions, and the opinions to be rendered by Hogan & Hartson prior to the Effective Date will be based on the same authorities as of the date such opinions are rendered. No assurance can be given that future legislation, Treasury Regulations, administrative interpretations and court decisions will not significantly change the law or the above conclusions reached by counsel. In addition, any such change could apply retroactively to transactions preceding the date of change. Moreover, opinions of counsel merely represent counsel's best judgment with respect to the probable outcome on the merits and are not binding on the IRS or the courts. Accordingly, even if there is no change in applicable law, no assurance can be provided that such opinions (which do not bind the IRS or the courts) will not be challenged by the IRS or will be sustained by a court if so challenged. With the one exception described below (see "--Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain") and in the Consent Solicitation under "Federal Income Tax Consequences--Tax Consequences of the Mergers-- IRS Ruling Request Regarding Allocation of Partnership Liabilities," neither Host REIT, the Operating Partnership nor the General Partners have requested or plan to request any rulings from the IRS concerning the tax consequences of the Merger or the treatment of either the Operating Partnership or Host REIT subsequent to the REIT Conversion.

Tax Consequences of the Merger

Overview. Hogan & Hartson has provided an opinion to the effect that the Merger will not result in the recognition of taxable gain or loss at the time of the Merger to an MHP2 Limited Partner (i) who does not elect to receive Common Shares (the "Common Share Election") or a Note (the "Note Election") in exchange for his OP Units in connection with the Merger; (ii) who does not exercise his Unit Redemption Right on a date sooner than the date two years after the date of the consummation of the Merger; (iii) who does not receive a cash distribution (or a deemed cash distribution resulting from relief from liabilities, including as a result of any prepayment of the MHP2 Mortgage Debt or the Santa Clara Mortgage Debt) in connection with the Merger or the REIT Conversion in excess of his aggregate adjusted basis in his MHP2 Partnership Units at the time of the Merger; (iv) who is not required to recognize gain by reason of the exercise by another MHP2 Limited Partner of his right to make the Common Share Election or the Note Election (which, in counsel's opinion, described below, should not be the result of such election) and (v) who does not have his "at risk" amount fall below zero as a result of the Merger or the REIT Conversion. See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation.

With respect to the foregoing exceptions to nonrecognition treatment, the Operating Partnership and the General Partner believe as follows: (i) an MHP2 Limited Partner who acquired his MHP2 Partnership Units in the original offering of such Partnership Units and who has held such Partnership Units at all times since would not be considered to receive, as a result of the Merger, a distribution (or a deemed cash distribution resulting from relief from liabilities) that exceeds his aggregate adjusted basis in his MHP2 Partnership Units at the time of the Merger, and would not have his "at risk" amount fall below zero as a result of the Merger, even if all of the MHP2 Mortgage Debt and Santa Clara Mortgage Debt were to be repaid in connection with the Merger or the REIT Conversion, and (ii) none of the personal property owned by MHP2 will need to be sold to a Non-Controlled Subsidiary in connection with the REIT Conversion. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Overview" in the Consent Solicitation.

With respect to the effects of an MHP2 Limited Partner's election to receive Common Shares or a Note in exchange for his OP Units in connection with the Merger, Hogan & Hartson is of the opinion that although the matter is not free from doubt, an MHP2 Limited Partner who does not make the Common Share Election or the Note Election should not be required to recognize gain by reason of another MHP2 Limited Partner's exercise of

either of such rights. With respect to the exercise of a Unit Redemption Right, Hogan & Hartson is of the opinion that it is more likely than not that an MHP2 Limited Partner's exercise of his Unit Redemption Right more than one year after the date of consummation of the Merger but less than two years after such date will not cause the Merger itself to be a taxable transaction for the MHP2 Limited Partner (or the other MHP2 Limited Partners). See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation. Opinions of counsel, however, do not bind the IRS or the courts, and no assurances can be provided that such opinions will not be challenged by the IRS or will be sustained by a court if so challenged.

Deemed Cash Distribution and Resulting Taxable Gain. With respect to his MHP2 Partnership Units, an MHP2 Limited Partner will receive no actual cash distribution in connection with the Merger but would be deemed to receive a cash distribution in connection with the Merger to the extent that his share of Operating Partnership liabilities immediately after the Merger and the REIT Conversion is less than his share of MHP2 liabilities immediately prior to the Merger. For example, any prepayment of the MHP2 Mortgage Debt or the Santa Clara Mortgage Debt or debt encumbering other Hotels may result in a deemed cash distribution to the MHP2 Limited Partners. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Relief from Liabilities/Deemed Cash Distribution" in the Consent Solicitation. Even though the MHP2 Mortgage Debt, the Santa Clara Mortgage Debt and the debt encumbering other Hotels is not expected to be repaid or refinanced in connection with the Mergers and the REIT Conversion (except as described in the Consent Solicitation), an MHP2 Limited Partner's share of indebtedness following the Merger and the REIT Conversion may nonetheless decrease in comparison to the Limited Partner's estimated aggregate share of MHP2 indebtedness as of December 31, 1998 (calculated based on the assumption that the Mergers did not occur) by reason of the manner in which the debt allocation rules work when multiple assets with different levels of leverage are consolidated into a single partnership.

An MHP2 Limited Partner, however, would recognize taxable gain as a result of any deemed cash distribution discussed in the previous paragraph only to the extent that the deemed cash distribution were to exceed his adjusted tax basis in his MHP2 Partnership Units immediately prior to the Merger. As noted above, the Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that an MHP2 Limited Partner who acquired his MHP2 Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since the offering will have an adjusted tax basis in excess of the deemed cash distribution that might occur in connection with the Merger and the REIT Conversion, even if all of the MHP2 Mortgage Debt and the Santa Clara Mortgage Debt were to be repaid in connection with the Merger and the REIT Conversion, and the MHP2 Limited Partner were to have no share of any Operating Partnership indebtedness following the Merger and the REIT Conversion. Therefore, such an MHP2 Limited Partner should not recognize gain due to such deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The adjusted tax basis of an MHP2 Limited Partner who did not acquire his MHP2 Partnership Units in the original offering of such Partnership Units or who has not held his MHP2 Partnership Units at all times since such offering could vary materially from that of an MHP2 Limited Partner who did so. If an MHP2 Limited Partner has an adjusted tax basis in his MHP2 Partnership Units (per MHP2 Partnership Unit) that is substantially less than the adjusted tax basis of an MHP2 Limited Partner who acquired his MHP2 Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since, he could recognize gain due to any deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The Operating Partnership has no current plan or intention to cause the prepayment of the MHP2 Mortgage Debt or the Santa Clara Mortgage Debt or, except as described in the Consent Solicitation, any of the nonrecourse liabilities encumbering the Hotels owned by the other Partnerships (other than with the proceeds of indebtedness that would be considered nonrecourse liabilities allocable to the Hotel being refinanced). The Operating Partnership, however, will have to repay mortgage indebtedness securing the Hotels owned by the Partnerships at the time such indebtedness matures. There can be no assurance that at such time the Operating Partnership will be able to secure nonrecourse mortgage indebtedness secured only by those Hotels in an amount

sufficient to avoid a deemed cash distribution to the former Limited Partners in those Partnerships, including MHP2 (although such a deemed distribution of cash may or may not result in the recognition of taxable income or gain by the former MHP2 Limited Partners). Moreover, the Operating Partnership's current long-term financing strategy is to have as little debt as possible that is secured by individual Hotels and to have as much debt as possible in the form of unsecured debt, held either by the public or by institutional investors, which debt may or may not be recourse to Host REIT, as general partner of the Operating Partnership. In view of these considerations and the potential adverse consequences to Limited Partners in certain Partnerships, the Operating Partnership has requested from the IRS a ruling to the effect that such unsecured indebtedness of the Operating Partnership that is issued initially to institutional investors and is not recourse to Host REIT (i) would qualify as "nonrecourse liabilities" for purposes of Code Section 752, (ii) to the extent the proceeds thereof are applied to repay existing nonrecourse mortgage indebtedness secured by one or more Hotels (including the MHP2 Mortgage Debt or the Santa Clara Mortgage Debt), would be considered to be "secured" by these Hotels for purposes of allocating the liabilities for tax basis purposes (and thus would be allocable, at least in substantial part, to the former Limited Partners in the Partnerships owning those Hotels, including the MHP2 Limited Partners), and (iii) would constitute "qualified nonrecourse financing" secured by such Hotels for purposes of Code Section 465. The IRS has recently issued a ruling to that effect to another taxpayer, and has indicated to the Operating Partnership's representatives that it is favorably inclined to issue that ruling to the Operating Partnership.

Section 465(e) Recapture. As discussed in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Section 465(e) Recapture," the "at risk" rules of Section 465 of the Code generally apply to limit the use of partnership losses by a partner. Under Section 465(e) of the Code, a partner would be required to include in gross income, or "recapture," losses previously allowed to such partner with respect to his investment in a partnership if the amount for which the partner is "at risk" in relation to his investment in the partnership is less than zero at the close of the taxable year.

It is possible that the consummation of the Mergers and the REIT Conversion or the repayment of certain "qualified nonrecourse financing" of the Operating Partnership, the Hotel Partnerships or the Hotels contributed to the Operating Partnership by the Blackstone Entities at the time of or following the Merger and the REIT Conversion could, singularly or in combination, cause an MHP2 Limited Partner's amount at risk in relation to his investment in MHP2 (and, after the Mergers, in the Operating Partnership) to be reduced below zero, resulting in an income inclusion to the Limited Partner under Section 465(e) of the Code. Currently, all of the current debt of MHP2 constitutes "qualified nonrecourse financing" so that the MHP2 Limited Partners have positive at risk amounts. The Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that an MHP2 Limited Partner who acquired his MHP2 Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since will have a positive at risk amount immediately following the Mergers and the REIT Conversion, even if all of the MHP2 Mortgage Debt and the Santa Clara Mortgage Debt were to be repaid in connection with the Mergers and the REIT Conversion and the MHP2 Limited Partners were to have no share of any other "qualified nonrecourse financing" following the Mergers and the REIT Conversion.

It is possible, however, that a former MHP2 Limited Partner's at risk amount could decline in the future, either because of the allocation of losses from the Operating Partnership to that former MHP2 Limited Partner or because of cash distributions by the Operating Partnership to that former MHP2 Limited Partner in excess of the taxable income allocable to him with respect to his OP Units. In that event, it may be necessary for the former MHP2 Limited Partner to have a share of "qualified nonrecourse financing" from the Operating Partnership in order to avoid recognizing income by reason of his at risk amount falling below zero. Moreover, there can be no assurance that debt incurred by the Operating Partnership in the future to refinance the MHP2 Mortgage Debt, the Santa Clara Mortgage or outstanding mortgage debt of the other Hotel Partnerships or the Hotels contributed by the Blackstone Entities will qualify as "qualified nonrecourse financing." If, however, the Operating Partnership were to obtain the requested ruling from the IRS and were to refinance existing mortgage

indebtedness of the Partnerships with the type of indebtedness described in the ruling, such indebtedness should constitute "qualified nonrecourse financing" for purposes of the "at risk" rules.

Impact of Assumption of MHP2 Liabilities by the Operating Partnership. As described in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Disguised Sale Regulations," an MHP2 Limited Partner will recognize gain to the extent he is treated as having sold all or part of his MHP2 Partnership Interest in a "disguised sale." For purposes of these rules, certain reductions in a partner's share of partnership liabilities are treated as a transfer of money or other property from the partnership to the partner which may give rise to a disguised sale, even if that reduction would not otherwise result in a taxable deemed cash distribution in excess of the partner's basis in his partnership interest. However, if a transfer of property by a partner to a partnership is not otherwise treated as part of a disguised sale, then any reduction in the partner's share of "qualified liabilities" also will not be treated as part of a disguised sale. A "qualified liability" in connection with a transfer of property to a partnership includes (i) any liability incurred more than two years prior to the earlier of the transfer of the property or the date the partner agrees in writing to the transfer, as long as the liability has encumbered the transferred property throughout the two-year period; (ii) a liability that was not incurred in anticipation of the transfer of the property to a partnership, but that was incurred by the partner within the two-year period prior to the earlier of the date the partner agrees in writing to transfer the property or the date the partner transfers the property to a partnership and that has encumbered the transferred property since it was incurred; (iii) a liability that is traceable under the Treasury Regulations to capital expenditures with respect to the property; and (iv) a liability that was incurred in the ordinary course of the trade or business in which property transferred to the partnership was used or held, but only if all the assets related to that trade or business are transferred, other than assets that are not material to a continuation of the trade or business. However, a recourse liability is not a "qualified liability" unless the amount of the liability does not exceed the fair market value of the transferred property (less any other liabilities that are senior in priority and encumber such property or any allocable liabilities described in (iii) or (iv), above) at the time of transfer.

Hogan & Hartson believes, based on factual representations made by the Operating Partnership and the General Partner relating to the facts and circumstances surrounding each such liability, that all liabilities of MHP2 fall into one of the four categories of "qualified liabilities" described above and, accordingly, that the mere assumption by the Operating Partnership of the outstanding liabilities of MHP2 will not give rise to a "disguised sale" by any of the MHP2 Limited Partners.

Tax Treatment of MHP2 Limited Partners Who Hold OP Units Following the Merger

Initial Basis in Units. In general, an MHP2 Limited Partner will have an initial tax basis in his OP Units received in the Merger with respect to his MHP2 Partnership Units equal to the basis in his MHP2 Partnership Units at the time of the Merger, reduced to reflect any deemed cash distributions resulting from a reduction in his share of MHP2 liabilities and increased to reflect his share of other liabilities of the Operating Partnership and any gain required to be recognized in connection with the Merger and the REIT Conversion. For a discussion of the federal income tax consequences for an MHP2 Limited Partner from a reduction in basis that may result from the Merger and the REIT Conversion, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Initial Tax Basis of OP Units" in the Consent Solicitation.

Tax Allocations by the Operating Partnership upon a Sale of MHP2 Hotels. Pursuant to Section 704(c) of the Code, income, gain, loss and deduction attributable to appreciated or depreciated property that is contributed to a partnership must be allocated for federal income tax purposes in a manner such that the contributor is charged with, or benefits from, the unrealized gain or unrealized loss associated with the property at the time of contribution. The amount of such unrealized gain or unrealized loss is generally equal to the difference between the fair market value of the contributed property at the time of contribution and the adjusted tax basis of such property at the time of contribution (referred to as the "Book-Tax Difference"). The Operating Partnership and the General Partner estimate, based upon and subject to the assumptions and other limitations described below, that the Book-Tax Difference for all MHP2 Limited Partners (but excluding all of Host's interests) with respect to the MHP2 Hotels will be \$67,512,745 upon the consummation of the Merger.

If the Operating Partnership were to sell all of the MHP2 Hotels, the former partners of MHP2 (including Host REIT with respect to Host's interest in MHP2 held through the General Partner) would be specially allocated by the Operating Partnership an aggregate amount of taxable gain equal to the aggregate Book-Tax Difference with respect to the MHP2 Hotels. The share of such gain allocable to an MHP2 Limited Partner who acquired his MHP2 Partnership Units in the original offering of such Partnership Units and held such Partnership Units at all times since would be \$189,981 per MHP2 Partnership Unit if such Partnership Unit were acquired for cash, and \$189,071 if such Partnership Unit were acquired pursuant to the installment purchase plan. The share of such gain of an MHP2 Limited Partner who did not acquire his MHP2 Partnership Units in the original offering of such Partnership Units or who has not held his MHP2 Partnership Units at all times since such offering could vary materially from this amount. If the Operating Partnership were to sell an MHP2 Hotel with a Book-Tax Difference, the remaining Book-Tax Difference at the time the Hotel is sold would be required to be allocated exclusively to the former MHP2 Limited Partners and the General Partner, even though the proceeds of such sale would be allocated proportionately among all the partners in the Operating Partnership (and would likely be retained by the Operating Partnership, rather than distributed to holders of OP Units and Common Shares of Host REIT). The MHP2 Limited Partners would not be entitled to any special distributions from the Operating Partnership in connection with such a sale, and thus would not necessarily receive cash distributions from the Operating Partnership sufficient to pay such additional taxes. Although the Partnership Agreement does not impose any restrictions upon the Operating Partnership preventing it from causing the sale of any or all of the MHP2 Hotels at any time following the Mergers, the Operating Partnership does not have current plans to pursue a sale of any of the MHP2 Hotels. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Sale of Individual Hotels" in the Consent Solicitation.

Tax Allocations with Respect to Contributed Hotels Generally. The tax allocations of depreciation to the MHP2 Limited Partners may change significantly as a result of the Mergers and the REIT Conversion for two reasons. First, as described above, pursuant to Section 704(c) of the Code, depreciation and deductions attributable to the MHP2 Hotels will be required to be allocated for federal income tax purposes in a manner such that the MHP2 Limited Partners are charged with the Book-Tax Difference associated with the MHP2 Hotels at the time of the consummation of the Merger. Consequently, an MHP2 Limited Partner will be allocated less depreciation with respect to the MHP2 Hotels than would be the case if the Mergers had not occurred and the MHP2 Limited Partner had continued to hold his MHP2 Partnership Units. (On the other hand, a former MHP2 Limited Partner will be allocated depreciation with respect to other Hotels acquired by the Operating Partnership in connection with the Mergers and the REIT Conversion, including the Hotels owned by the other Hotel Partnerships and the Hotels being contributed to the Operating Partnership by Host and the Blackstone Entities in connection with the Mergers and the REIT Conversion.) Second, the Mergers will cause the technical termination under Section 708(b)(1)(B) of the Code of certain of the Hotel Partnerships that participate in the Mergers and the REIT Conversion. The Operating Partnership will take certain steps intended to prevent such a termination of MHP2, but there can be no assurance that the IRS will not determine that MHP2 experienced a termination as a result of the Merger. Section 168(i)(7) of the Code provides, in effect, that when a partnership terminates under Section 708(b)(1)(B) of the Code, the partnership must begin new depreciation periods for his property. As a result, the remaining bases of the real estate components of the Hotels held by the Hotel Partnerships that terminate will be depreciated over 39 years, rather than over the remaining current lives of such Hotels (which range from less than one year to 39 years). See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Effect of Mergers on Depreciation" in the Consent Solicitation.

In light of the complexity of the governing rules affecting the calculation and allocation of depreciation with respect to properties contributed to a partnership, particularly when a number of those properties are subject to the separate adjustments required in connection with a technical termination under Section 708 of the Code, the number of Hotels that the Operating Partnership will be acquiring in connection with the Mergers, the Blackstone Acquisition and the REIT Conversion, and the impact on these calculations of other outside events, including equity offerings by Host or Host REIT and other acquisitions undertaken by Host, Host REIT or the Operating

Partnership prior to or in connection with the REIT Conversion, the Operating Partnership and the General Partner believe that it is impossible to predict with any degree of precision the impact that the Mergers and the REIT Conversion will have on the future depreciation (and, consequently, the amount of taxable income) allocable to an MHP2 Limited Partner.

Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership. The passive loss limitation rules generally provide that individuals, estates, trusts and certain closely held corporations and personal service corporations can only deduct losses from passive activities (generally activities in which the taxpayer does not materially participate, which would include the Operating Partnership for MHP2 Limited Partners) to the extent that such losses are not in excess of the taxpayer's income from passive activities or investments. An MHP2 Limited Partner would be able to offset losses from other passive activities against income from the Operating Partnership that is considered passive income (but not portfolio income) so long as the Operating Partnership is not treated as a publicly traded partnership. The Operating Partnership and the General Partner believe, however, that there is a substantial risk that the Operating Partnership will be treated as a publicly traded partnership for purposes of the passive loss limitation rules. In this event, any losses or deductions of the Operating Partnership allocable to an MHP2 Limited Partner after the Merger could not be used to offset passive income from other passive activities. Similarly, losses from other passive activities could not be applied to offset income of the Operating Partnership allocated to an MHP2 Limited Partner. An MHP2 Limited Partner, however, would be able to offset any passive losses from his investments against any gain recognized by the MHP2 Limited Partner as a result of the Merger.

State and Local Taxes. MHP2 Limited Partners holding Partnership Units will be subject to state and local taxation in a number of jurisdictions in which the Operating Partnership directly or indirectly holds real property and would be required to file periodic tax returns in those jurisdictions. In this regard, immediately following the Mergers and the REIT Conversion, the Operating Partnership expects that it will own properties in approximately 28 states across the United States and the District of Columbia. Currently, MHP2 owns, directly and indirectly, properties in only three states. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--State and Local Taxes" in the Consent Solicitation.

Assumptions Used in Determining Tax Consequences of the Merger

In preparing the discussion set forth above, the Operating Partnership and the General Partner made several key assumptions, which are described below. If any such assumption is not accurate with respect to a particular MHP2 Limited Partner, the tax consequences of the Merger to such MHP2 Limited Partner could be substantially different from those reflected above. ACCORDINGLY, EACH MHP2 LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP2 LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

First, with respect to an MHP2 Limited Partner's basis in his MHP2 Partnership Units prior to the Merger, the Operating Partnership and the General Partner assumed that an MHP2 Limited Partner acquired his MHP2 Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since the offering (the "Original Limited Partner's Adjusted Basis"). In general, each MHP2 Limited Partner had an initial tax basis in his MHP2 Partnership Units ("Initial Basis") equal to his cash investment in MHP2 (plus his proportionate share of the partnership's nonrecourse liabilities at the time he acquired his MHP2 Partnership Units). An MHP2 Limited Partner's Initial Basis generally has been increased by (a) such Limited Partner's share of MHP2 taxable income and (b) any increases in his share of liabilities of MHP2. Generally, such Limited Partner's Initial Basis has been decreased (but not below zero) by (i) his share of MHP2 cash distributions, (ii) any decreases in his share of liabilities of MHP2, (iii) his share of losses of MHP2 and (iv) his share of nondeductible expenditures of MHP2 that are not chargeable to capital.

The General Partner has set forth on Appendix E to the Consent Solicitation for MHP2 (i) the Original Limited Partner's Adjusted Basis as of December 31, 1997 for each such MHP2 Limited Partner, and (ii) an

estimate of such MHP2 Limited Partner's Original Limited Partner's Adjusted Basis as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation). The General Partner also has set forth on Appendix E to the Consent Solicitation for each MHP2 Limited Partner whose adjusted basis in his MHP2 Partnership Interest is the same as the Original Limited Partner's Adjusted Basis (i) the MHP2 liabilities allocable to such MHP2 Limited Partner as of December 31, 1997, and (ii) an estimate of the MHP2 liabilities allocable to such Limited Partner as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation). Each of these estimates is shown separately for those MHP2 Limited Partners who acquired their Partnership Units at the time of the original offering pursuant to an installment purchase plan.

The adjusted tax basis of an MHP2 Limited Partner who did not acquire his MHP2 Partnership Units in the original offering of such Partnership Units could vary materially from that of an MHP2 Limited Partner who did so for various reasons. If an MHP2 Limited Partner has an adjusted tax basis in his MHP2 Partnership Units that is less than the Original Limited Partner's Adjusted Tax Basis, the Merger might result in the receipt by the MHP2 Limited Partner of a deemed distribution of cash in excess of his adjusted tax basis in his MHP2 Partnership Units, which could result in the recognition of income or gain.

Finally, the Operating Partnership and the General Partner assumed that the Merger will be treated for federal income tax purposes as the transfer by the MHP2 Limited Partners of their interests in the Partnership to the Operating Partnership in exchange for OP Units. There can be no assurance, however, that the IRS will not seek to recharacterize each Merger as either (i) the liquidation of a Partnership followed by the distribution by the Partnership of its assets to its partners and the subsequent transfers by such partners of such assets to the Operating Partnership in exchange for OP Units, or (ii) the transfer by a Partnership of its assets to the Operating Partnership in exchange for OP Units (and possibly Notes and/or Common Shares) and the subsequent distribution of such OP Units (and possibly Notes and/or Common Shares) to its partners. If the Merger is recharacterized in the manner described in (ii) in the preceding sentence, the tax consequences of the Merger to the MHP2 Limited Partners likely would be materially affected.

EACH MHP2 LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP2 LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER. THE TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER TO A PARTICULAR MHP2 LIMITED PARTNER COULD VARY SUBSTANTIALLY FROM THE CONSEQUENCES DESCRIBED ABOVE.

Tax Treatment of MHP2 Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election

An MHP2 Limited Partner who exercises his right to make the Common Share Election or the Note Election and receives Common Shares or a Note in connection with the Merger will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur (i) with regard to an MHP2 Limited Partner who makes the Common Share Election, at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998), and (ii) with regard to an MHP2 Limited Partner who makes the Note Election, on the Effective Date of the Merger (which currently is expected to be December 30, 1998). Generally, the amount realized in connection with such disposition made pursuant to the exercise of the Common Share Election will equal the sum of the fair market value of the Common Shares received (i.e., the Exchange Value, currently estimated as \$237,334 per MHP2 Partnership Unit) plus the portion of MHP2's liabilities allocable to the MHP2 Limited Partner for federal income tax purposes immediately prior to the disposition of the OP Units (estimated as \$257,539 per MHP2 Partnership Unit as of December 31, 1998). Generally, the amount realized in connection with such disposition made pursuant to the exercise of the Note Election will equal the sum of the "issue price" of the Notes (i.e., the face amount of the Note, currently estimated as \$205,140 per MHP2 Partnership Unit) plus the portion of the MHP2 liabilities allocable to the MHP2 Limited Partner for federal income tax purposes immediately prior to

the disposition of the MHP2 OP Units (estimated as \$257,539 per MHP2 Partnership Unit as of December 31, 1998). To the extent the applicable amount realized exceeds the MHP2 Limited Partner's adjusted basis in his MHP2 Partnership Units, the MHP2 Limited Partner will recognize gain. The Operating Partnership and the General Partner estimate (assuming the MHP2 Limited Partner acquired his MHP2 Partnership Units at the time of the original offering and has held such Partnership Units at all times since the offering) that the amount of gain that would be recognized by an MHP2 Limited Partner who made the Common Share Election would be approximately \$178,671 per MHP2 Partnership Unit, as of December 31, 1998 if such Partnership Unit were acquired for cash, and \$177,761 per Partnership Unit if such Partnership Unit were acquired pursuant to the installment purchase plan. The amount of gain that would be recognized by an MHP2 Limited Partner who made the Note Election would be approximately \$146,477 per MHP2 Partnership Unit, as of December 31, 1998 if such Partnership Unit were acquired for cash, and \$145,567 per Partnership Unit if such Partnership Unit were acquired pursuant to the installment purchase plan. For a discussion of the federal income tax rates applicable to the net capital gain from the sale of a capital asset, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Disposition of OP Units by Limited Partners" in the Consent Solicitation. In this regard, the General Partner estimates that, as of December 31, 1998, if MHP2 sold all of its Hotels in a fully taxable transaction for a net amount, after payment of liabilities, equal to the Exchange Value of MHP2 (with respect to a Limited Partner who makes the Common Share Election) or Liquidation Value of MHP2 (with respect to a Limited Partner who makes the Note Election), the "unrecognized Section 1250 gain" per MHP2 Partnership Unit would be \$70,652 if such Partnership Unit were acquired for cash, and \$70,652 per MHP2 Partnership Unit if such Partnership were acquired pursuant to the installment purchase plan. The gain subject to tax as ordinary income under Code Section 1245 per MHP2 Partnership Unit would be \$3,269 if such Partnership Unit were acquired for cash, and \$3,269 per MHP2 Partnership Unit if such Partnership were acquired pursuant to the installment purchase plan. An MHP2 Limited Partner who makes the Note Election would be able to treat any per Partnership Unit passive activity loss carryforward with respect to the activities of MHP2, to the extent the sum of such losses exceeds his passive activity income for 1998, as losses that are not from a passive activity and, therefore, not subject to the passive activity loss limitation rules. For purposes of determining the gain recognized by a Limited Partner as a result of making the Common Share Election or the Note Election, an Original Limited Partner's Adjusted Basis reflects such Limited Partner's share of the syndication costs incurred by his Partnership at formation. An original MHP2 Limited Partner's share of syndication costs was \$11,310 per MHP2 Partnership Unit.

An MHP2 Limited Partner who elects to receive Common Shares will not be eligible to defer any gain under the "installment sale" rules, while an MHP2 Limited Partner who elects to receive a Note may be eligible to defer at least a portion of that gain under those rules. Those rules, however, will not permit the MHP2 Limited Partner to defer all of the gain, and, to the extent that the face amount of the Note (and any other installment obligations received by the taxpayer during the year) outstanding at the end of the taxable year in which the Merger occurs exceeds \$5,000,000, will require that the MHP2 Limited Partner who defers gain pay to the IRS interest on the resulting tax that has been deferred. The MHP2 Limited Partner will not be eligible to defer gain recognized upon the receipt of the Note to the extent that his share of MHP2 liabilities at the time of the Merger exceeds his adjusted tax basis in his MHP2 Partnership Units immediately prior to the Merger (that is, to the extent that he has a "negative capital account" for tax purposes). In addition, the MHP2 Limited Partner will not be eligible to defer gain to the extent that such gain would be taxed as ordinary income under Section 1245 and 1250 of the Code. Lastly, if an MHP2 Limited Partner disposes of his Note, any gain that had been deferred would be recognized in the year of disposition.

THE SPECIFIC TAX ATTRIBUTES OF A PARTICULAR MHP2 LIMITED PARTNER COULD HAVE A MATERIAL IMPACT ON THE TAX CONSEQUENCES OF THE MERGER AND THE SUBSEQUENT OWNERSHIP AND DISPOSITION OF COMMON SHARES OR NOTES. THEREFORE, IT IS ESSENTIAL THAT MHP2 LIMITED PARTNERS CONSIDERING ELECTING TO RECEIVE COMMON SHARES OR NOTES CONSULT WITH THEIR OWN TAX ADVISORS WITH REGARD TO THE APPLICATION OF THE FEDERAL INCOME TAX LAWS TO SUCH MHP2 LIMITED PARTNERS' RESPECTIVE PERSONAL TAX SITUATIONS, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION.

Tax Consequences if MHP2 Does Not Participate in the Merger

If MHP2 does not participate in the Merger, the MHP2 Limited Partners would not have any tax consequences resulting from the Merger. The consequences of continued ownership of MHP2 Partnership Units will be the same as would have resulted if the Merger had not been proposed.

* * *

The above description is not exhaustive of all possible tax considerations associated with the Merger and the REIT Conversion. This summary does not discuss foreign tax considerations, nor does it discuss all of the aspects of federal income taxation or state and local taxation that may be relevant to MHP2 Limited Partners in light of their particular circumstances. EACH MHP2 LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH MHP2 LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

SELECTED FINANCIAL DATA

The following table presents selected historical financial data derived from the audited financial statements for the five most recent fiscal years in the period ended December 31, 1997 and the unaudited condensed financial statements for the First Two Quarters 1998 and the First Two Quarters 1997. The following data should be read in conjunction with audited financial statements and the notes thereto, Management's Discussion and Analysis of Financial Condition and Results of Operations and the other financial information included elsewhere herein.

	FIRST TWO QUARTERS		FISCAL YEAR				
	1998	1997	1997	1996	1995	1994	1993
	(UNAUDITED)		(AMOUNTS IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT) (1)

(1) A Partnership Unit represents a \$100,000 original investment in MHP2.

(2) The ratio of earnings to fixed charges is computed by dividing net income before interest expense and other fixed charges by total fixed charges, including interest expense, amortization of debt issuance costs and the portion of rent expense that is deemed to represent interest.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

RESULTS OF OPERATIONS

First Two Quarters 1998 Compared to First Two Quarters 1997

REVPAR, or revenue per available room, represents the combination of the average daily room rate charged and the average daily occupancy achieved and is a commonly used indicator of hotel performance. The following charts summarize REVPAR and the percentage change from the prior year for each Partnership Hotel for the first two quarters 1998 and 1997:

	FIRST TWO QUARTERS			
	1998		1997	
	REVPAR	% CHANGE	REVPAR	% CHANGE
San Antonio.....	\$136	8%	\$126	5%
New Orleans.....	109	--	109	5%
San Ramon.....	105	15%	91	12%
Santa Clara.....	138	14%	121	24%
Combined Average.....	\$123	8%	\$114	8%

Revenues. Partnership revenues for the first two quarters 1998 increased by 4% when compared to 1997 results. The increase in overall revenues is primarily due to a 5% increase in total room sales. For the first two quarters 1998, REVPAR increased 8% as a result of a 11% increase in the combined average room rate over the same period last year to approximately \$153 from \$137 partially offset by a two percentage point decline in combined average occupancy.

The MARRIOTT RIVERCENTER IN SAN ANTONIO reported a 10%, or \$1.7 million, increase in revenues for the first two quarters 1998 compared to the same period in 1997. This increase is primarily due to a 9% increase in room revenues to \$22.8 million. Room revenues increased due to an 8% increase in REVPAR to \$136, resulting from a 7% increase in the average room rate to approximately \$154 combined with a slight increase in average occupancy. The increase in the average room rate is primarily due to more emphasis being placed on higher-rated transient business versus group business. Hotel management has accomplished the increase in revenues by monitoring the number of special corporate accounts and by replacing this business with higher-rated transient business. The Hotel has begun a major renovation of its ballroom which will position it to compete more effectively for banquet business in the future.

Revenues at the NEW ORLEANS MARRIOTT HOTEL decreased 6%, or \$990,000, for first two quarters 1998 when compared to the same period in 1997. The decrease is primarily due to a 9% decrease in food and beverage revenues and an increase in other Hotel operating costs. For the first two quarters 1998, average room rate increased by 6% as compared to the same period in 1997 due to rate increases in both group and transient room rates. Average occupancy for the first two quarters 1998 declined by five percentage points to 75% primarily due to city wide convention group traffic being down significantly during the first two quarters 1998. Additionally, the rooms renovation project contributed to the shortfall by creating a lack of room availability. The lobby and restaurant renovations have now been completed, and the rooms renovation was completed over the July 4th weekend. In a continuing effort to replace lost roomnights due to the major conventions rotating to other cities in 1998, Hotel management is targeting small groups which will also enable them to increase the average room rate.

Revenues for the first two quarters 1998 at the SAN RAMON MARRIOTT HOTEL increased 21%, or \$637,000 when compared to the same period in 1997. The increase is due to a 19%, or \$820,000, increase in room revenues. Room revenues increased due to a significant increase in REVPAR. REVPAR increased 15% when compared to 1997 which was attributable to a 21% increase in the average room rate to approximately \$131, while average occupancy fell by four percentage points to the low-80's. The increase in the average room rate is

due to Hotel management's continued success in increasing the corporate rate. Room margins continue to maintain a 2% premium over the same period in 1997 due to an increase in room rates and cost efficiencies. In addition, sales promotion efforts instituted an Events Booking Center to capture more of the group business market.

The SANTA CLARA MARRIOTT HOTEL reported a 22%, or \$2.2 million, increase for the first two quarters 1998 revenues when compared to the same period in 1997. The increase is primarily due to a 14% increase in room revenues and a 14% increase in food and beverage revenues. Room revenues increased due to a 19% increase in the average room rate to approximately \$172, deriving a 14% increase in REVPAR, while average occupancy decreased four percentage points to the low-80's. The overall increase in the average room rate is supported by an increase in regular corporate rates. Hotel management is striving to improve occupancy by offering special corporate rates and pursuing room contracts with local technology companies. Food and beverage revenues increased primarily due to heavier utilization of the catering facilities by existing groups, the implementation of a new service charge for meeting room rental, and effective menu pricing in the Hotel's restaurant. A major rooms renovation is planned for the Hotel this year with work scheduled to commence in November and conclude in early 1999.

Operating Costs and Expenses. For the first two quarters 1998, operating costs and expenses increased by \$1.1 million to \$19.1 million over the same period in 1997. Operating costs and expenses increased primarily due to increases in depreciation expense and property taxes expense.

Operating Profit. For the first two quarters 1998, operating profit increased \$285,000 to \$18.9 million primarily due to an increase in revenues which was partially offset by the increase in operating costs and expenses discussed above.

Interest Expense. Interest expense decreased slightly for the first two quarters 1998 compared to the same period in 1997 due to principal amortization of the Partnership's Mortgage Debt during the first two quarters 1998

Equity in Income of Santa Clara Partnership. For the first two quarters 1998, equity in income of the Santa Clara Partnership increased by \$744,000 to \$1.9 million primarily due to improved hotel operations at the Santa Clara Hotel combined with a slight decrease in interest expense on the Santa Clara Mortgage Debt.

Net Income. For the first two quarters 1998, net income increased by \$905,000 to \$12.8 million. This increase primarily resulted from an increase in operating profit and in equity in income of the Santa Clara Partnership.

1997 Compared to 1996

Revenues. For 1997, Partnership revenues increased to \$69.0 million in 1997 from \$66.3 million in 1996 due to significant increases in revenues at the San Antonio and San Ramon Hotels. REVPAR increased 7% as a result of an 8% increase in the combined average room rate to \$132 while the combined average occupancy remained stable at 81%. Net income for 1997 increased 15% to \$17.0 million from \$14.8 million in 1996. The Partnership's equity in income of the Santa Clara Partnership increased \$1.4 million in 1997 when compared to 1996 due to improved operations at the Santa Clara Hotel.

Individual hotel operating results are discussed below:

Marriott Rivercenter in San Antonio

The Marriott Rivercenter in San Antonio reported an 8%, or \$2.4 million, increase in revenues during 1997. This increase in revenues was primarily due to an 8% increase in REVPAR to approximately \$120 coupled with a 12%, or \$789,000, increase in food and beverage revenues. REVPAR increased due to a 7% increase in the average room rate to approximately \$140 combined with a 1.2 percentage point increase in average occupancy

to the mid-80's. The increase in the average room rate was due to an increase in the transient average rate. Because demand has remained strong in the group business segment, Hotel management has been able to hold out for premium rates in the transient business segment. Group roomnights increased 6%, or 12,600 roomnights, when compared to the prior year primarily due to the major conventions rotating back into San Antonio this year. Food and beverage revenues increased primarily due to an increase in banquet sales as a result of a shift in customer mix to corporate business. Although faced with the challenge of increased competition with the openings of the Adams Mark Hotel and the Residence Inn Alamo Plaza, Hotel management is optimistic that 1998 will be another strong year for the Hotel.

Santa Clara Marriott Hotel

The Partnership's Northern California Hotels both reported significant increases in revenues during 1997. The Santa Clara Marriott Hotel reported a 25%, or \$4.4 million, increase in revenues during 1997 when compared to 1996 results. The increase in revenues is primarily due to a 23% increase in REVPAR to \$118 as the average room rate increased 24% to approximately \$147 with average occupancy remaining stable in the low-80's. The increase in the average room rate is the result of strong transient demand throughout the market which has allowed the Hotel to maximize room rates in both the transient and group business segments. Transient roomnights increased by approximately 9,000 roomnights, a 6% increase when compared to the prior year. Hotel management is optimistic that demand in the Silicon Valley region will remain high throughout 1998. With no new full-service competition expected in the coming year, Hotel management will continue its strategies of maximizing rates and effectively managing their customer mix.

San Ramon Marriott

The San Ramon Marriott reported a 12% increase in revenues, or \$706,000, for 1997 when compared to 1996. This increase was due to a 14% increase in REVPAR to \$92 as the average room rate increased 15% to approximately \$111 partially offset by a slight decrease in average occupancy to the low-80's. The increase in the average room rate was achieved primarily as a result of an increase in the corporate rate. In 1997, 225 limited service rooms were added to the market and another 640 are expected to be added by June 1998. However, a number of companies are filling the existing office space in the area and the space currently under construction is already substantially committed. Hotel management is optimistic that 1998 will be another successful year.

New Orleans Marriott Hotel

The New Orleans Marriott Hotel reported a slight decrease in revenues in 1997 when compared to 1996 results due to a 2%, or \$904,000, decrease in room revenues which was significantly offset by a 20%, or \$783,000, increase in food and beverage revenues. REVPAR remained stable at \$97 due to a 2% increase in the average room rate to approximately \$127 partially offset by a 1.3 percentage point decrease in average occupancy to the mid-70's. The increase in the average room rate is due to growth in the group business segment. While group roomnights were down 8,300 roomnights in 1997 when compared to 1996, the group mix shifted to higher-rated association business. The decrease in average occupancy is due to the lack of city-wide groups over the summer months. This cycle generally repeats itself every three years as it is affected by the tradition of the conventions, which meet in different cities on an alternating basis. Food and beverage revenues increased when compared to the prior year primarily as a result of Super Bowl XXXI taking place in New Orleans in January 1997. This event generated significant catering and audio visual revenues. In addition, food and beverage revenues increased due to the shift in customer mix to association business which more heavily utilized the catering facilities. The Hotel is currently undergoing a complete rooms refurbishment at an approximate cost of \$13.0 million which is scheduled to be completed in July 1998.

Operating Costs and Expenses: In 1997, operating costs and expenses increased \$1.2 million to \$37.2 million primarily due to an increase in ground rent, insurance and other. In 1997, ground rent, insurance and other increased to \$1.8 million in 1997 from \$893,000 in 1996 primarily due to a loss on the retirement of assets as a significant number of assets were retired at the New Orleans Hotel in conjunction with the refurbishment of

the guest rooms, an increase in general and administrative expenses and an increase in ground rent expense associated with improved hotel operations. As a percentage of revenues, operating costs and expenses represented 54% of revenues for 1997 and 1996.

Operating Profit: In 1997, operating profit increased \$1.5 million to \$31.8 million primarily due to the changes in revenues and operating costs and expenses discussed above. As a percentage of total revenues, operating profit represented 46% in 1997 and 1996.

Equity in Income of Santa Clara Partnership: In 1997, equity in income of the Santa Clara Partnership increased to \$2.0 million in 1997 from \$665,000 in 1996 primarily due to improved hotel operations at the Santa Clara Hotel, while interest expense increased only slightly from year to year on the Santa Clara Mortgage Debt.

Net Income: In 1997, net income increased to \$17.0 million in 1997 from \$14.8 million in 1996 primarily due to improved Hotel revenues and an increase in equity in income of the Santa Clara Partnership.

1996 Compared to 1995

Revenues. For 1996, Partnership revenues increased from \$64.0 million in 1995 to \$66.3 million in 1996 due to a 4% increase in REVPAR. REVPAR increased primarily due to a 5% increase in the combined average room rate to \$123 while the combined average occupancy remained stable at 81%. Net income for 1996 increased 14% to \$14.8 million from \$13.0 million in 1995. Interest expense increased slightly due to refinancing expenses incurred with the extension of the Original Mortgage Debt which are reflected as interest expense in the accompanying statement of operations. The Partnership's equity in income of the Santa Clara Partnership increased \$546,000 in 1996 when compared to 1995 due to improved operations at the Santa Clara Hotel.

Individual hotel operating results are discussed below:

New Orleans Marriott

The New Orleans Marriott reported a 4% increase in revenues during 1996. The increase was due to a 3% increase in REVPAR partially offset by a 3% decrease in food and beverage revenues. REVPAR increased due to a 4% increase in average room rate to approximately \$125 while average occupancy remained stable in the high-70's. The decline in food and beverage revenues was primarily due to decreases in banquet sales.

Marriott Rivercenter in San Antonio

The Marriott Rivercenter in San Antonio reported a slight increase in revenues during 1996 due to a 2% increase in REVPAR. REVPAR increased due to a 2% increase in average room rate to approximately \$130 partially offset by a 1.0 percentage point decrease in average occupancy to the mid-80's.

San Ramon Marriott Hotel

Revenues at the Northern California Hotels increased significantly in 1996 when compared to 1995 results. The San Ramon Marriott Hotel reported a 15% increase in revenues primarily due to an 11% increase in REVPAR. REVPAR increased primarily due to an 8% increase in average room rate to approximately \$95 combined with a 1.8 percentage point increase in average occupancy to the mid-80s.

Santa Clara Marriott Hotel

The Santa Clara Marriott Hotel reported a 19% increase in revenues in 1996. This increase in revenues was primarily due to an 18% increase in REVPAR as average room rate increased 14% to approximately \$120 combined with a 2.8 percentage point increase in average occupancy to the low-80's.

Operating Costs and Expenses: In 1996, operating costs and expenses increased \$589,000 to \$36.0 million. As a percentage of revenues, operating costs and expenses represented 54% of revenues for 1996 and 55% for 1995.

Operating Profit: In 1996, operating profit increased \$1.7 million to \$30.3 million primarily due to the changes in revenues and operating costs and expenses discussed above. As a percentage of total revenues, operating profit represented 46% in 1997 and 45% in 1996.

Interest Expense: In 1996, interest expense increased to \$18.3 million from \$17.8 million in 1995, primarily due to the inclusion financing costs incurred in obtaining the extension of Original Mortgage Debt in March 1996 which were included as interest expense in 1996.

Equity in Income of Santa Clara Partnership: In 1996, equity in income of Santa Clara Partnership increased to \$665,000 from \$119,000 in 1995, primarily due to improved hotel operations at the Santa Clara Hotel while interest expense increased only slightly from year to year on the Santa Clara Mortgage Debt.

Net Income: In 1996, net income increased to \$14.8 million from \$13.0 million in 1995, primarily due to improved Hotel revenues and an increase in equity in income of the Santa Clara Partnership.

CAPITAL RESOURCES AND LIQUIDITY

The Partnership's financing needs have historically been funded through loan agreements with independent financial institutions. The General Partner believes that the Partnership will have sufficient capital resources and liquidity to continue to conduct its operations in the ordinary course of business.

Mortgage Debt

The Partnership is financed with mortgage debt of \$222.5 million which is nonrecourse to the Partnership and is secured by first mortgages on the Hotels, as well as a pledge of its limited partner interest in the Santa Clara Partnership. The mortgage debt bears interest at a fixed rate of 8.22% for an 11-year term expiring October 11, 2007. During the first loan year (October 1996 through September 1997), the mortgage debt required payments of interest only. Subsequently, principal amortization based upon a 20-year amortization schedule began. As a result of the required principal amortization, at the end of the 11-year term, the mortgage debt's principal balance outstanding will have been reduced \$64.4 million. Partnership debt service was \$19.2 million for 1997 and will be \$22.6 million annually thereafter until the end of the 11-year term.

The General Partner expects cash flow from the Partnership's Hotels and the Santa Clara Hotel will be sufficient to provide for the Partnership's and the Santa Clara Partnership's debt service.

Principal Sources and Uses of Cash

The Partnership's principal source of cash is from operations and distributions from the Santa Clara Partnership. Its principal uses of cash are to pay debt service on the Partnership's Mortgage Debt, to fund the property improvement funds of the Hotels, to establish reserves required by the lender and to make cash distributions to the partners. Additionally, in 1996, the Partnership received cash from the General Partner Reserve and, in 1996 and 1997, utilized cash to pay financing costs incurred in connection with the refinancing of the Partnership's Mortgage Debt and the Santa Clara Mortgage Debt.

Total cash provided from operations was \$30.0 million, \$28.7 million and \$27.0 million for the years ended December 31, 1997, 1996 and 1995, respectively. The General Partner Reserve provided total cash of \$25.7 million for the year ended December 31, 1996. Debt service paid on the Partnership's Mortgage Debt was \$19.2 million, \$17.2 million and \$17.3 million for the years ended December 31, 1997, 1996 and 1995, respectively. Total cash provided by operating activities was \$14.1 million and \$17.5 million for the first two quarters 1998 and 1997, respectively. This decrease was due to a change in operating accounts partially offset by an increase in net income.

Cash used in investing activities increased to \$8.0 million in 1997 from \$5.7 million in 1996 primarily due to an increase in property and equipment expenditures at the New Orleans Hotel associated with the rooms refurbishment. Investing activities for the three years ended December 31, 1997, included the following activities. Distributions from the Santa Clara Partnership were \$2.4 million, \$781,000 and \$1.4 million for the years ended December 31, 1997, 1996 and 1995, respectively. Contributions to the property improvement funds of the Hotels were \$8.2 million, \$6.6 million and \$6.3 million for the years ended December 31, 1997, 1996 and 1995, respectively. Contributions to the Santa Clara Partnership property improvement fund were \$2.4 million, \$2.0 million and \$1.8 million for 1997, 1996 and 1995, respectively. Cash used in investing activities increased to \$4.6 million for the first two quarters 1998 from \$3.7 million for the first two quarters 1997. Property and equipment expenditures have increased to \$2.9 million as compared to \$2.8 million over the same period last year, and the net change in the property improvement funds of the Hotels was \$2.5 million and \$1.9 million for the first two quarters 1998 and 1997, respectively. Contributions to the property improvement funds of the Hotels were \$4.2 million and \$4.1 million for the first two quarters 1998 and 1997, respectively.

Cash used in financing activities decreased slightly to \$28.0 million in 1997 from \$28.2 million in 1996. Financing activities for the three years ended December 31, 1997, included the following activities. The various reserves required by the lender pursuant to the terms of the Partnership's Mortgage Debt and the Santa Clara Mortgage Debt totaled \$6.9 million and \$12.8 million for the years ended December 31, 1997 and 1996, respectively. The change in the reserve accounts includes the \$6.9 million deposited into the reserve accounts for the payment of insurance premiums and real estate taxes as well as \$854,000 of interest earned on the lender reserves reduced by \$2.7 million of accrued real estates tax liabilities and \$239,000 of capital expenditure reimbursements. Cash distributed to the partners was \$22.5 million, \$18.5 million and \$11.3 million for the years ended December 31, 1997, 1996 and 1995, respectively. Financing costs related to the refinancing of the Partnership's Mortgage Debt and the Santa Clara Mortgage Debt totaled \$34,000 and \$6.0 million for the years ended December 31, 1997 and 1996, respectively. There were no financing costs paid in 1995. Cash used in financing activities were \$12.0 million for the first two quarters 1998 and 1997. A net increase in restricted lender reserves was partially offset by cash utilized to make principal payments of \$2.2 million on the Partnership's Mortgage Debt. Additionally, capital distributions increased to \$11.2 million from \$9.9 million for the first two quarters 1998 and 1997, respectively.

The General Partner believes that cash from Hotel operations and the reserves established in conjunction with the refinancing will continue to meet the short and long-term operational capital needs of the Partnership. In August 1998, the Partnership will make a cash distribution of \$6,700 per limited partner unit from second quarter 1998 operating cash flow bringing total distributions year to date from 1998 operating cash flow to \$11,700 per limited partner unit.

The Partnership is required to maintain the Hotels and the Santa Clara Hotel in good condition. Under each of the Partnership Hotels and the Santa Clara Hotel management agreements, the Partnership is required to make annual contributions to the property improvement funds which provide funding for replacement of furniture, fixtures and equipment. The General Partner believes the property improvement funds, as adjusted in the case of the New Orleans Hotel, and the capital reserves established in conjunction with the refinancing will be adequate for the future capital repairs and replacement needs of the Hotels and the Santa Clara Hotel. As previously reported, the escrow contribution percentage for the New Orleans Marriott Hotel increased from 5% to 7% in late 1997 and will continue at 7% through 1998 to allow for adequate funding of the total rooms refurbishment of its guest rooms. This project was completed in July 1998, and during the refurbishment, the Hotel replaced the carpeting, bedspreads, upholstery, drapes and other similar items as well as the dressers, chairs, beds and other furniture in the guest rooms.

The General Partner believes that cash from Hotel operations and the reserves established in conjunction with the refinancing will continue to meet the short and long-term operational needs of the Partnership. Including the final 1997 distribution made in April 1998 of \$9,864 per limited partner unit, the Partnership distributed \$26,621 per limited partner unit from 1997 operating cash flow. This represents a 26.6% annual return on invested capital. In addition, in May 1998, the Partnership made a cash distribution of \$5,000 per limited partner

unit from the First Quarter 1998 operating cash flow. Prospectively, the Partnership expects to increase distribution frequency from its historic bi-annual distributions if operating results and forecasts indicate it is warranted. In addition, the General Partner believes the property improvement funds, as adjusted in the case of the New Orleans Hotel, and the capital reserves established in conjunction with the refinancing will be adequate for the future capital repairs and replacement needs of the Hotels.

INFLATION

The rate of inflation has been relatively low since the inception of the Partnership and accordingly, has not had a significant impact on operating results. However, the Hotels and the Santa Clara's room rates and occupancy are inflation sensitive. The Manager is generally able to pass through increased costs to customers through higher room rates. In 1997, the increase in average room rates at the San Antonio, San Ramon and Santa Clara Hotels exceeded those of direct competitors as well as the general level of inflation. As stated above, the Mortgage Debt bears a fixed interest rate, thereby eliminating exposure to the impact of future increases in interest rates.

YEAR 2000 ISSUES

Over the last few years, Host Marriott, the parent company of the General Partner, has invested in implementing new accounting systems which are Year 2000 compliant. Accordingly, the General Partner believes that future costs associated with Year 2000 issues will be minimal and not material to the Partnership's financial statements.

However, the Partnership does rely upon accounting software used by MHS, the Manager of its properties to obtain financial information. The General Partner believes that the manager has begun to implement changes to the property specific software to ensure the software will function properly in the Year 2000 and does not expect to incur significant costs related to these modifications.

FINANCIAL STATEMENTS

MHP2 Supp-50

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

TO THE PARTNERS OF MARRIOTT HOTEL PROPERTIES II LIMITED PARTNERSHIP:

We have audited the accompanying balance sheet of Marriott Hotel Properties II Limited Partnership (a Delaware limited partnership) as of December 31, 1997 and 1996, and the related statements of operations, changes in partners' capital and cash flows for each of the three years in the period ended December 31, 1997. These financial statements are the responsibility of the General Partner's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Marriott Hotel Properties II Limited Partnership as of December 31, 1997 and 1996, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 1997, in conformity with generally accepted accounting principles.

MARRIOTT HOTEL PROPERTIES II LIMITED PARTNERSHIP

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1997 AND 1996

NOTE 1. THE PARTNERSHIP

Description of the Partnership

Marriott Hotel Properties II Limited Partnership (the "Partnership"), a Delaware limited partnership, was formed to acquire and operate (i) the 1,290-room New Orleans Marriott Hotel and underlying land in New Orleans, Louisiana (the "New Orleans Hotel"); (ii) the 999-room Marriott Rivercenter Hotel in San Antonio, Texas (the "San Antonio Hotel"); (iii) the 368-room Bishop Ranch Marriott Hotel in San Ramon, California (the "San Ramon Hotel"); (collectively, the "Hotels") and (iv) a 50% limited partner interest in the Santa Clara Marriott Hotel Limited Partnership (the "Santa Clara Partnership"), a Delaware limited partnership, which owns the 754-room Santa Clara Marriott Hotel in Santa Clara, California (the "Santa Clara Hotel"). The remaining 50% interest in the Santa Clara Partnership is owned by Marriott MHP Two Corporation (the "General Partner") with a 1% interest, and HMH Properties, Inc., a wholly-owned indirect subsidiary of Host Marriott Corporation ("Host Marriott") with a 49% limited partner interest.

The sole general partner of the Partnership, with a 1% interest, is MHP Two Corporation, a wholly-owned subsidiary of Host Marriott. The General Partner made a capital contribution of \$752,525 for its 1% general partner interest. On March 20, 1989 (the "Partnership Closing Date"), 745 limited partner interests (the "Units"), representing a 99% interest in the Partnership, were sold in a private placement. The offering price per Unit was \$100,000, payable in three annual installments through June 1, 1991 (the "Investor Notes"), or as an alternative, \$89,247 in cash on the Partnership Closing Date as full payment of the subscription price. On the Partnership Closing Date, the Partnership executed purchase agreements (the "Purchase Agreements") with Host Marriott to acquire the Hotels and the 50% limited partner interest in the Santa Clara Partnership for \$319.5 million. Of the total purchase price, \$222.5 million was paid from proceeds of the mortgage loan (the "Original Mortgage Debt"), \$43.4 million was evidenced by a promissory note payable to Host Marriott (the "Deferred Purchase Note"), \$43.5 million was paid from a cash distribution by the Santa Clara Partnership and the remainder from the initial payment on the sale of the Units. The principal outstanding on the Deferred Purchase Note was fully repaid in 1991 with the proceeds of the Investor Notes.

The New Orleans and San Antonio Hotels and the limited partner interest in the Santa Clara Partnership were conveyed to the Partnership on the Partnership Closing Date and the San Ramon Hotel was conveyed to the Partnership upon completion of its construction on May 31, 1989. The Hotels and the Santa Clara Hotel are managed by Marriott International, Inc. under long-term management agreements. In conjunction with the refinancing of the Partnership's Mortgage Debt described in Note 7, Marriott International, Inc. assigned all of its interests in the management agreements to Marriott Hotel Services, Inc. (the "Manager"), a wholly-owned subsidiary of Marriott International, Inc. ("Marriott International").

On June 13, 1996, MHP II Acquisition Corp. (the "Company"), a wholly-owned subsidiary of Host Marriott, completed a tender offer for the limited partnership Units in the Partnership. The Company purchased 377 Units for an aggregate consideration of \$56,550,000 or \$150,000 per Unit. Subsequent to the tender offer, the Company purchased an additional ten Units in the Partnership. As a result of these transactions, the Company became the majority limited partner in the Partnership, owning 387 Units. In 1997, the Company acquired an additional Unit bringing its total ownership to 388 Units, or approximately 52% of the total Units outstanding. Additionally, in a Partnership vote held in conjunction with the tender offer, the limited partners approved certain amendments to the Partnership Agreement that were conditions to the tender offer. The amendments: (i) revised the provisions limiting the voting rights of the General Partner and its affiliates to permit the General Partner and its affiliates (including the Company) to have full voting rights with respect to all Units currently held by the General Partner or acquired by its affiliates except on matters where the General Partner or its affiliates have an actual economic interest other than as a Limited Partner or General Partner (an "Interested Transaction") and

(ii) modified the voting provisions with respect to Interested Transactions to permit action to be taken if approved by limited partners holding a majority of the outstanding Units, with all Units held by the General Partner and its affiliates being voted in the same manner as a majority of the Units actually voted by limited partners other than the General Partner and its affiliates. As a result of the approval of this and the other minor amendments, the Partnership Agreement was amended and restated effective June 14, 1996.

Partnership Allocations and Distributions

Pursuant to the terms of the Partnership Agreement, Partnership allocations, for Federal income tax purposes, and distributions are generally made as follows:

a. Cash available for distribution is distributed for each fiscal year semi-annually as follows: (i) 100% to the limited partners until the limited partners have received with respect to such fiscal year a non-cumulative 10% preferred distribution on their Invested Capital, as defined; (ii) 100% to the General Partner until the General Partner has received an amount equal to 1/99th of the amount distributed to the limited partners; (iii) 1% to the General Partner and 99% to the limited partners until such time as the limited partners have received the 15% Preferred Distribution, as defined, plus \$50,000 per Unit, payable only from Capital Receipts, as defined, to the extent available after the payment of the 15% Preferred Distribution; and (iv) thereafter, 20% to the General Partner and 80% to the limited partners.

b. Refinancing and sales proceeds ("Capital Receipts") available for distribution to the partners will be distributed as follows: (i) 1% to the General Partner and 99% to the limited partners until the limited partners have received cumulative distributions from Capital Receipts equal to the 15% Preferred Distribution plus \$100,000 per Unit; and (ii) 20% to the General Partner and 80% to the limited partners.

c. Net profits generally will be allocated to the partners in proportion to the distributions of cash available for distribution.

d. Net losses generally will be allocated 75% to the General Partner and 25% to the limited partners.

e. Gains recognized by the Partnership will be allocated in the following order of priority: (i) to all partners up to the amount necessary to bring the limited partners' capital account balances to an amount equal to the limited partners' 15% Preferred Distribution plus the limited partners' Invested Capital and to bring the General Partner's capital account balance to an amount equal to 1/99th of the capital account balance of the limited partners; and (ii) 20% to the General Partner and 80% to the limited partners.

For financial reporting purposes, profits and losses are generally allocated among the partners based on their stated interests in cash available for distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Partnership records are maintained on the accrual basis of accounting and its fiscal year coincides with the calendar year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenues and Expenses

Hotel revenues represent house profit of the Partnership's Hotels since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the Hotels to the Manager. House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross

hotel sales less property-level expenses, excluding depreciation and amortization, base and incentive management fees, property taxes, ground rent, insurance and other costs, which are disclosed separately in the statement of operations.

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2 "Application of FASB Statement No. 94 and APB Opinion No. 16 to Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotels. Accordingly, hotel sales and property level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to the new presentation. Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$85.9 million, \$82.7 million and \$78.7 million for the year ended December 31, 1997, 1996 and 1995, respectively and will have no impact on operating profit or net income.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives as follows:

Land improvements.....	40 years
Building and improvements.....	30 to 40 years
Leasehold improvements.....	40 years
Furniture and equipment.....	3 to 10 years

All property and equipment is pledged as security against the Mortgage Debt described in Note 7.

The Partnership assesses impairment of its real estate properties based on whether estimated undiscounted future cash flows from such properties on an individual hotel basis will be less than their net book value. If a property is impaired, its basis is adjusted to fair market value.

Deferred Financing and Organization Costs

Deferred financing and organization costs consist of loan fees and legal and accounting costs incurred in connection with obtaining Partnership financing and the formation of the Partnership. Deferred financing costs totaling \$3,280,000 were fully amortized at March 21, 1996. Additional financing costs of \$34,000 and \$6,025,000 were incurred in 1997 and 1996, respectively, in connection with the refinancing of the Partnership's mortgage loan. Financing costs are amortized using the straight-line method, which approximates the effective interest method, over the 20 year loan term. At December 31, 1997 and 1996, accumulated amortization of deferred financing and organization costs totaled \$396,000 and \$92,000, respectively.

Restricted Cash Reserve

In 1994, a restricted cash reserve consisting of funds generated in excess of an annual 17.5% return on partners' invested capital, as defined, was established in an escrow account maintained by the lender. Through October of 1995, deposits were made in conjunction with the bi-annual distributions to the limited partners. At the time the mortgage debt matured on March 21, 1996, the Partnership applied the balance in the reserve as of December 31, 1995, \$9,193,000, to the principal balance of the mortgage loan as a condition to the extension of the loan agreement.

On September 23, 1996, the General Partner refinanced the Partnership's mortgage debt. On this date, the Partnership was required to establish certain reserves which are held by an agent of the lender including:

- . \$7.0 million Owner Funded Capital Expenditure Reserve--The funds will be expended for various renewals, replacements and site improvements that are the Partnership's obligation pursuant to the management agreement. A majority of these projects were completed in 1997 utilizing escrow funds and the General Partner will be seeking reimbursement of these funds during 1998.
- . \$1.1 million Capital Expenditure Reserve--The funds will be expended for Americans with Disabilities Act of 1990 modifications and environmental remediation projects identified during the course of the appraisals and environmental studies undertaken in conjunction with the refinancing. A majority of these projects were completed in 1997 utilizing escrow funds and the General Partner will be seeking reimbursement of these funds during 1998.
- . \$4.5 million Debt Service Reserve--Based upon current forecasts, it is expected that cash from operations will be sufficient for the required payment terms of the Mortgage Debt. However, due to seasonality of the four hotels' operations, the timing of debt service payments and the lender's desire for additional security, the Partnership was required to establish a debt service reserve for both the Partnership Mortgage Debt and the Santa Clara Partnership mortgage debt totaling two months of debt service.
- . \$155,000 Ground Rent Reserve--This reserve is equal to one month of ground rent.

These reserves were funded by using \$12.2 million from the General Partner Reserve and \$634,000 from the Partnership and the Santa Clara Partnership property improvement funds.

The loan agreement also requires that the Partnership deposit into the Capital Expenditure Reserve \$1.0 million in December of each calendar year commencing in December 1997 until a total of \$5.0 million has been deposited to be used for air conditioning system maintenance at the New Orleans Hotel.

In addition, the loan agreement requires that should the long-term senior unsecured debt of Marriott International be downgraded by Standard and Poors Rating Services from an A- to a BBB+, additional reserves would need to be established by the Partnership. In March 1997, Marriott International acquired the Renaissance Hotel Group N.V., adding greater geographic diversity and growth potential to its lodging portfolio. The assumption of additional debt associated with this transaction resulted in a single downgrade of Marriott International's long-term senior unsecured debt effective April 1, 1997. Accordingly, at that time, the Partnership transferred \$1.3 million from the Manager's existing tax and insurance reserve account and \$465,000 from Partnership cash to the lender to establish a separate escrow account for the payment of the next succeeding insurance premiums and real estate taxes for the Hotels and the Santa Clara Hotel. In the future, the Partnership will make deposits to the reserve account each period and the insurance premiums and real estate taxes will continue to be paid by the lender until such time as Marriott International's debt is upgraded to A-. In addition, the Partnership was required to deposit an additional month's debt service for both the Partnership and the Santa Clara Partnership into the Debt Service Reserve account totaling \$2.3 million. The money to fund these reserves had been set aside by the General Partner prior to the distribution of the excess of the General Partner reserve made to the partners in April 1997. The tax and insurance reserves and the Debt Service Reserve are included in restricted cash reserves and the resulting tax and insurance liability is included in accounts payable and accrued expenses in the accompanying balance sheet.

Cash and Cash Equivalents

The Partnership considers all highly liquid investments with a maturity of three months or less at date of purchase to be cash equivalents.

Investment in Santa Clara Partnership

The Partnership's earnings from the Santa Clara Partnership are recorded based on the equity method of accounting. Equity in earnings from the Santa Clara Partnership includes 100% of the interest expense related to

the debt incurred by the Santa Clara Partnership, the proceeds of which were distributed to the Partnership. The \$28.4 million excess of the purchase price of the Santa Clara Partnership interest over the Partnership's proportionate share of the net book value of the assets acquired is being amortized over the related remaining lives of those assets. Amortization is included in Equity in Income of Santa Clara Partnership in the accompanying statement of operations. At December 31, 1997 and 1996, accumulated amortization of the excess purchase price of the Santa Clara Partnership investment was \$11,917,000 and \$11,006,000, respectively.

Pursuant to the terms of the Santa Clara partnership agreement, the Partnership has an obligation to make capital contributions to fund certain debt service shortfalls to the extent debt service is greater than 50% of cash flow available before debt service (the "Debt Service Advances"). No contributions were made in 1997 and 1996. Any outstanding Debt Service Advances, together with accrued interest, would have been repayable prior to certain distributions and would have been due, in any event, ten years after the date of each advance. There have been no Debt Service Advances since inception of the Santa Clara Partnership.

Interest Rate Swap Agreements

As of December 31, 1995, the Partnership was a party to an interest rate swap agreement to reduce the Partnership's exposure to floating interest rates. The Partnership accounted for the swap arrangement as a hedge of an obligation to pay floating rates of interest and accordingly, recorded interest expense based upon its payment obligation at a fixed rate. This agreement terminated at the initial maturity of the Partnership's mortgage loan on March 21, 1996.

Income Taxes

Provision for Federal and state income taxes has not been made in the accompanying financial statements since the Partnership does not pay income taxes but rather allocates its profits and losses to the individual partners. Significant differences exist between the net income for financial reporting purposes and the net income as reported in the Partnership's tax return. These differences are due primarily to the use, for income tax purposes, of accelerated depreciation methods and shorter depreciable lives of the assets and differences in the timing of recognition of incentive management fee expense. As a result of these differences, the deficit of the net assets reported in the accompanying financial statements over the tax basis in net Partnership assets is \$85.9 million and \$87.9 million as of December 31, 1997 and 1996, respectively. Following the Company's acquisition of limited partner interests in the Partnership in 1996, the Partnership underwent a termination and constructive liquidation for tax purposes. All partners were then deemed to recontribute their assets to a newly reconstituted partnership. Upon recontribution the Partnership recorded the fixed assets at their fair market value for tax reporting purposes, as represented by the Company's purchase price for limited partner units resulting in a significant change in the 1996 tax basis when compared to the prior year.

Statement of Financial Accounting Standards

In the First Quarter of 1996, the Partnership adopted Statement of Financial Accounting Standards ("SFAS") No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of." Adoption of SFAS No. 121 did not have an effect on its financial statements.

Reclassifications

Certain reclassifications were made to the prior year's financial statements to conform to the 1997 presentation.

NOTE 3. REVENUES

Partnership revenues consist of the Hotels' operating results for the three years ended December 31 (in thousands):

	1997	1996	1995
HOTEL SALES			
Rooms.....	\$101,603	\$98,436	\$93,292

NOTE 5. ESTIMATED FAIR VALUE OF FINANCIAL INSTRUMENTS

The estimated fair values of financial instruments are shown below. The fair values of financial instruments not included in this table are estimated to be equal to their carrying amounts.

	AS OF DECEMBER 31, 1997		AS OF DECEMBER 31, 1996	
	ESTIMATED CARRYING AMOUNT	FAIR VALUE	ESTIMATED CARRYING AMOUNT	FAIR VALUE
	(IN THOUSANDS)		(IN THOUSANDS)	
Mortgage debt.....	\$221,814	\$230,700	\$222,500	\$222,500
Incentive management fees due to Marriott Hotel Services, Inc.....	2,739	800	2,578	170

The 1996 and 1997 estimated fair value of the mortgage debt obligation is based on the expected future debt service payments discounted at risk adjusted rates. Incentive management fees due are valued based on the expected future payments from operating cash flow discounted at risk adjusted rates.

NOTE 7. MORTGAGE DEBT

As of December 31, 1995, the Partnership's debt consisted of a \$222.5 million mortgage loan (the "Original Mortgage Debt"). The Original Mortgage Debt was nonrecourse to the Partnership and was secured by a first mortgage on each of the Hotels including the grant of a security interest in the Partnership's furniture, fixtures and equipment, contracts and other intangibles and an assignment of the Partnership's rights under the Management and Purchase Agreements.

At the option of the Partnership, the Original Mortgage Debt loan agreement provided for interest rate options which were tied to a Eurodollar rate, an adjusted CD rate or the fluctuating corporate base rate. For Eurodollar or CD elections, the Partnership paid the applicable rate plus an increment equal to 0.9 percentage points. In April 1992, the Partnership entered into an interest rate swap agreement for the entire loan amount with the primary lender to effectively fix the interest rate on the Original Mortgage Debt at 7.8% per annum from May 1992 through loan maturity. The Partnership's obligations under the swap agreement were secured by a pledge of collateral by the General Partner. The weighted average interest rate on the Original Mortgage Debt for the year ended December 31, 1995 was 7.8%. The interest rate swap agreement expired on March 21, 1996.

On March 21, 1996, the Original Mortgage Debt and the Santa Clara mortgage debt matured, at which time the lender granted the Partnership an extension of the two loans for an additional six months until replacement

financing could be finalized with another lender. Under the terms of the extension, interest accrued at the London interbank offered rate ("LIBOR") plus 1.875 percentage points for the first three months and accrued at LIBOR plus 2.25 percentage points for the second three months. No principal amortization was required during the extension period. However, under the terms of the extension, the Partnership applied the \$9.2 million accumulated in the primary lender reserve account to pay down the principal balance of the Original Mortgage Debt to \$213.3 million and deposited \$19.1 million into the primary lender reserve account. The primary lender reserve account was established in 1994 to provide funds for a principal paydown on the Original Mortgage Debt at maturity. The \$19.1 million deposit represented the balance (\$16.8 million) from the unrestricted reserve account included in cash in the accompanying balance sheet as of December 31, 1995, previously established by the General Partner in 1992 (the "General Partner Reserve") and cash flow from the Partnership for the first two accounting periods of 1996 (\$2.3 million). During the extension period, the Partnership also was required to deposit into the primary lender reserve account all cash flow from the Hotels plus all of the Partnership's cash flow from the Santa Clara Partnership, net of (i) \$500,000 per accounting period, (ii) debt service and (iii) current incentive management fees paid. The \$500,000 per accounting period was deposited into a separate expense reserve account which was used by the Partnership to fund administrative expenses and refinancing costs, any owner funded capital expenditures, as well as the Partnership's share of any such costs incurred by the Santa Clara Partnership during the six month extension period.

On September 23, 1996 (the "Closing Date"), the General Partner refinanced the Partnership's Original Mortgage Debt, as well as the \$43.5 million mortgage debt of the Santa Clara Partnership. A total of \$266.0 million was borrowed from a new third party lender, \$222.5 million of which is recorded on the Partnership's financial statements (the "Mortgage Debt"). The Partnership's Mortgage Debt is nonrecourse to the Partnership and is secured by first mortgages on the Hotels, as well as a pledge of its limited partner interest in the Santa Clara Partnership. The two loans are cross-defaulted. The debt bears interest at a fixed rate of 8.22% for an 11-year term expiring October 11, 2007, requires payments of interest only during the first loan year (October 1996 through September 1997). Subsequently, principal amortization based upon a 20-year amortization schedule beginning with the second loan year. The mortgage debt balance was \$221.8 million as of December 31, 1997. The weighted average interest rate on the Mortgage Debt for the years ended December 31, 1997 and 1996 was 8.2% and 7.7%, respectively. On the Closing Date, the Partnership was required to establish certain reserves. In addition, a new reserve was established in 1997 and additional amounts were deposited into the existing reserves. All reserves are discussed in Note 2.

The required principal payments of the Mortgage Debt at December 31, 1997 are as follows (in thousands):

1998.....	\$ 4,379
1999.....	4,759
2000.....	5,119
2001.....	5,614
2002.....	6,100
Thereafter.....	195,843

	\$221,814
	=====

NOTE 8. LAND LEASES

The San Antonio and San Ramon Hotels are located on sites with ground leases from unrelated third parties. The initial lease terms expire in 2013 and 2014, respectively. To facilitate the refinancing, the Partnership exercised its option to extend the land leases of both properties for an additional twenty-year period. Therefore, the current terms of the San Antonio and San Ramon land leases expire in 2033 and 2034, respectively. The Partnership is obligated to pay annual rent equal to the greater of a minimum rent or a percentage rent and has the option to extend the terms for up to three successive ten-year terms each. Ground rent on the San Antonio Hotel is equal to the greater of \$700,000 or 3.5% of annual gross room sales. Ground rent on the San Ramon Hotel is equal to the greater of \$350,000 or 3% of annual gross sales for the first five years, after which minimum

rent was adjusted upward every five years, beginning in 1989, to an amount equal to 75% of the average rent paid during the three years immediately preceding the applicable five-year period. No such adjustment was necessary at that time. Ground rent expense for the San Antonio and San Ramon Hotels totaled \$2,122,000, \$1,982,000 and \$1,879,000, for the years ended December 31, 1997, 1996 and 1995, respectively.

Future minimum annual rental commitments for all land leases entered into by the Partnership, as described above, are as follows (in thousands):

FISCAL YEAR -----	LAND LEASES -----
1998.....	\$ 1,050
1999.....	1,050
2000.....	1,050
2001.....	1,050
2002.....	1,050
Thereafter.....	32,900

Total Minimum Lease Payments.....	\$38,150 =====

NOTE 9. MANAGEMENT AGREEMENTS

The Partnership entered into long-term hotel management agreements (the "Management Agreements") with the Manager to manage the Hotels as part of the Marriott International, Inc. full service hotel system. The Management Agreement for each Hotel has an initial term expiring on December 31, 2008. To facilitate the refinancing, the Manager exercised its option to renew the Management Agreements for each Hotel for an additional 10-year term. Therefore, the current terms of the Management Agreements for each Hotel expire on December 31, 2018. This, as well as the assignment of the Management Agreements described in Note 1, and other minor changes were documented in an amendment to each of the Management Agreements. The Manager has the option to renew the Management Agreements for up to three additional 10-year terms. The Manager also manages the Santa Clara Hotel on behalf of the Santa Clara Partnership. The Manager is paid a base management fee equal to 3% of gross hotel sales. Base management fees paid in 1997, 1996 and 1995 were \$4,649,000, \$4,471,000 and \$4,281,000, respectively.

In addition, the Manager is entitled to an incentive management fee equal to 20% of each Hotel's Operating Profit, as defined. The incentive management fee with respect to each Hotel is payable only out of 55% of each Hotel's Operating Profit after the Partnership's payment or retention for such fiscal year of the following: (i) the Ground Rent, if any, with respect to such Hotel; (ii) the Qualifying Debt Service, as defined, with respect to such Hotel; (iii) such Hotel's Pro-Rata Share of Total Mortgage Debt Service Shortfall, as defined, if any, with respect to all Hotels; and (iv) the Partnership's non-cumulative 10% Priority Return on the Adjusted Contributed Capital, as defined, with respect to such Hotel.

Unpaid incentive management fees are accrued without interest and are paid from cash flow available for incentive management fees following payment of any then current incentive management fees. Incentive management fees earned for the years ended December 31, 1997, 1996 and 1995 were \$9,925,000, \$9,813,000 and \$9,412,000, respectively. Deferred incentive management fees for the years ended December 31, 1997 and 1996 were \$2,739,000 and \$2,578,000, respectively, and are included in Due to Marriott Hotel Services, Inc. in the accompanying balance sheet.

Pursuant to the Management Agreements, the Manager is required to furnish the Hotels with certain services ("Chain Services") which are generally provided on a central or regional basis to all hotels in the Manager's full-service hotel system. Chain Services include central training, advertising and promotion, a national reservations system, computerized payroll and accounting services and such additional services as needed which may be more efficiently performed on a centralized basis. Costs and expenses incurred in providing such services are allocated among all domestic full-service hotels managed, owned or leased by the Manager or its subsidiaries.

In addition, the Hotels also participate in the Manager's Marriott Rewards Program ("MRP"). This program succeeded the Manager's Honored Guest Awards Program. The cost of this program is charged to all hotels in the Manager's hotel system based upon the MRP sales at each hotel. The total amount of Chain Services and MRP costs charged to the Partnership for the years ended December 31, 1997, 1996 and 1995 were \$5,593,000, \$5,433,000 and \$5,151,000, respectively, and are included in Revenues (as defined in Note 3) in the accompanying statement of operations.

The Management Agreements provide for the establishment of a property improvement fund for each Hotel to cover the cost of certain non-routine repairs and maintenance to the Hotels which are normally capitalized and the cost of replacements and renewals to the Hotels' property and improvements. Contributions to the property improvement fund are based on a percentage of gross sales. Contributions to the property improvement fund for the San Antonio Hotel are 4% in 1991 through 1998 and 5% thereafter. Contributions to the property improvement fund for the San Ramon Hotel are 4% in 1994 through 1998 and 5% thereafter. Contributions to the property improvement fund for the New Orleans Hotel are 5% each year; however, the contribution percentage was increased to 7% for 1997 and 1998. Commencing with fiscal year 2003, the Manager shall have the right, but not the obligation, to increase the amount it transfers into the fund to any amount greater than 5% but not exceeding 6% of gross sales. Total contributions to the property improvement fund for the years ended December 31, 1997, 1996 and 1995 were \$8,193,000, \$6,622,000 and \$6,342,000, respectively.

Pursuant to the terms of the Management Agreements, the Partnership is required to provide the Manager with working capital and supplies to meet the operating needs of the Hotels. The Manager converts cash advanced by the Partnership into other forms of working capital consisting primarily of operating cash, inventories, and trade receivables and payables which are maintained and controlled by the Manager. Upon termination of any of the Management Agreements, the working capital and supplies of the related Hotel will be returned to the Partnership. The individual components of working capital and supplies controlled by the Manager are not reflected in the Partnership's balance sheet. As of December 31, 1997 and 1996, \$6,633,000 has been advanced to the Manager for working capital and supplies which is included in Due from Marriott Hotel Services, Inc. in the accompanying balance sheet. The supplies advanced to the Manager are recorded at their estimated net realizable value.

Each of the Management Agreements also provides that the Partnership may terminate any of the Management Agreements and remove the Manager if, during any three consecutive fiscal years after fiscal year 1992, with respect to any Hotel, the sum of the operating profit before real and personal property taxes, fails to equal or exceed 8% of the sum of the original cost of the Hotel plus certain additional hotel investments by the Partnership. The Manager may, however, prevent termination by paying to the Partnership such amounts as are necessary to achieve the above performance standards.

MARRIOTT HOTEL PROPERTIES II LIMITED PARTNERSHIP

NOTES TO CONDENSED FINANCIAL STATEMENTS
(UNAUDITED)

1. The accompanying condensed financial statements have been prepared by Marriott Hotel Properties II Limited Partnership (the "Partnership") without audit. Certain information and footnote disclosures normally included in financial statements presented in accordance with generally accepted accounting principles have been condensed or omitted from the accompanying statements. The Partnership believes the disclosures made are adequate to make the information presented not misleading. However, the condensed financial statements should be read in conjunction with the Partnership's financial statements and notes thereto included in the Partnership's Form 10-K for the fiscal year ended December 31, 1997.

In the opinion of the Partnership, the accompanying condensed unaudited financial statements reflect all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position of the Partnership as of June 19, 1998; the results of operations and cash flows for the first two quarters 1998 and 1997. Interim results are not necessarily indicative of fiscal year performance because of seasonal and short-term variations.

For financial reporting purposes, net income of the Partnership is allocated 99% to the limited partners and 1% to the General Partner. Significant differences exist between the net income for financial reporting purposes and the net income reported for Federal income tax purposes. These differences are due primarily to the use for income tax purposes of accelerated depreciation methods and shorter depreciable lives of assets and differences in the timing of recognition of incentive management fee expense.

2. The Partnership owns the New Orleans, San Antonio Rivercenter and San Ramon Marriott Hotels (the "Hotels"). In addition, the Partnership owns a 50% limited partnership interest in the Santa Clara Marriott Hotel Limited Partnership (the "Santa Clara Partnership") which owns the Santa Clara Marriott Hotel (the "Santa Clara Hotel"). The sole general partner of the Partnership and the Santa Clara Partnership, with a 1% interest in each, is Marriott MHP Two Corporation (the "General Partner"), a wholly-owned subsidiary of Host Marriott Corporation ("Host Marriott"). The remaining 49% interest in the Santa Clara Partnership is owned by HMH Properties, Inc., a wholly-owned subsidiary of Host Marriott. The Partnership's income from the Santa Clara Partnership is reported as Equity in Income of the Santa Clara Partnership. In arriving at Equity in Income from the Santa Clara Partnership, the Partnership is allocated 100% of the interest expense related to the debt incurred to purchase the Santa Clara Partnership interest. Summarized financial information for the Santa Clara Partnership is presented in Note 5.

3. Certain reclassifications were made to the prior year condensed financial statements to conform to the current year presentation.

4. Hotel revenues represent house profit of the Partnership's Hotels since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the Hotels to Marriott Hotel Services, Inc. (the "Manager"). House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross hotel sales less property-level expenses, excluding depreciation and amortization, base and incentive management fees, property taxes, ground rent, insurance and certain other costs, which are disclosed separately in the condensed statement of operations

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2 "Application of FASB Statement No. 94 and APB Opinion No. 16 to Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

MARRIOTT HOTEL PROPERTIES II LIMITED PARTNERSHIP

NOTES TO CONDENSED FINANCIAL STATEMENTS--(CONTINUED)

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotels. Accordingly, hotel sales and property level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to the new presentation. Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$41.7 million and \$40.2 million for the first two quarters of 1998 and 1997, respectively, and will have no impact on operating profit or net income.

Partnership revenues generated by the Hotels for 1998 and 1997, consist of (in thousands):

6. As previously reported, Host Marriott, parent company of the General Partner of the Partnership, announced on April 17, 1998, that its Board of Directors authorized Host Marriott to reorganize its business operations to qualify as a real estate investment trust ("REIT") to become effective as of January 1, 1999. As part of the REIT conversion, Host Marriott formed a new operating partnership (the "Operating Partnership"), and limited partners in certain Host Marriott full-service hotel partnerships and joint ventures, including the Marriott Hotel Properties II Limited Partnership, are expected to be given an opportunity to receive, on a tax-deferred basis, Operating Partnership units in the Operating Partnership in exchange for their current limited partnership interests. The Operating Partnership units would be redeemable by the limited partner for freely traded Host Marriott shares (or the cash equivalent thereof) at any time after one year from the closing of the merger. In connection with the REIT conversion, the Operating Partnership filed a Registration Statement on Form S-4 with the Securities and Exchange Commission on June 2, 1998. Limited partners will be able to vote on this Partnership's participation in the merger later this year through a consent solicitation.

HOST MARRIOTT, L.P.

HMC MERGER CORPORATION

SUPPLEMENT DATED OCTOBER , 1998 FOR

PROSPECTUS/CONSENT SOLICITATION STATEMENT DATED OCTOBER , 1998 FOR
POTOMAC HOTEL LIMITED PARTNERSHIP

On the terms described in the Prospectus/Consent Solicitation Statement (the "Consent Solicitation"), dated October , 1998, of which this Supplement (the "Supplement") is a part, Host Marriott Corporation ("Host"), has adopted a plan to restructure its business operations so that it will qualify as a real estate investment trust ("REIT"). As part of this restructuring (the "REIT Conversion"), Host and its consolidated subsidiaries will contribute their full-service hotel properties and certain other businesses and assets to Host Marriott, L.P. (the "Operating Partnership") in exchange for units of limited partnership interest in the Operating Partnership ("OP Units") and the assumption of liabilities. The sole general partner of the Operating Partnership will be HMC Merger Corporation, a Maryland corporation to be renamed "Host Marriott Corporation" ("Host REIT"), the entity into which Host will merge as part of the REIT Conversion. Host REIT expects to qualify as a REIT beginning with its first full taxable year commencing after the REIT Conversion is completed, which Host REIT currently expects to be the year beginning January 1, 1999 (but which might not be until the year beginning January 1, 2000).

As part of the REIT Conversion, the Operating Partnership is proposing to acquire by merger (the "Mergers") Potomac Hotel Limited Partnership, a Delaware limited partnership ("PHLP" or the "Partnership"), and up to seven other limited partnerships (the "Partnerships") that own full-service hotels in which Host or its subsidiaries are general partners. As more fully described in the Consent Solicitation, limited partners of those Partnerships that participate in the Mergers will receive OP Units in exchange for their partnership interests in such Partnerships (with respect to the Partnerships, those limited partners who are unaffiliated with Host are referred to herein as the "Limited Partners," and with respect to PHLP, the "PHLP Limited Partners"). PHLP Limited Partners may elect to exchange such OP Units received in connection with the Merger for either shares of common stock, par value \$.01 per share, of Host REIT ("Common Shares") or unsecured 6.56% Callable Notes due December 15, 2005 issued by the Operating Partnership ("Notes"). Beginning one year after the Mergers, Limited Partners who retain OP Units will have the right to redeem their OP Units at any time and receive, at the election of Host REIT, either Common Shares of Host REIT on a one-for-one basis (subject to adjustment) or cash in an amount equal to the market value of such shares (the "Unit Redemption Right").

The number of OP Units to be allocated to PHLP will be based upon (i) its Exchange Value (as defined herein) and (ii) the price attributed to an OP Unit following the Merger, determined as described herein (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit) and will not be known at the time of voting. The number of Common Shares a PHLP Limited Partner may elect to receive in connection with the Merger will equal the number of OP Units received. The principal amount of the Notes that PHLP Limited Partners may elect to receive in connection with the Merger will be based upon PHLP's Note Election Amount (as defined herein). See "Determination of Exchange Value of PHLP and Allocation of OP Units." The estimated Exchange Value and Note Election Amount set forth herein may increase or decrease as a result of various adjustments, and will be finally calculated shortly before the Effective Date. Pursuant to the Merger, PHLP Limited Partners have an estimated Exchange Value of \$5,040 per Partnership Unit and a Note Election Amount of \$4,032 per Partnership Unit.

RISK FACTORS

In deciding whether to approve the Merger, PHLP Limited Partners should consider certain risks and other factors. The General Partner believes that PHLP Limited Partners should particularly consider the following, which should be read in conjunction with the information in the Consent Solicitation under "Risk Factors" and "Federal Income Tax Consequences:"

PHLP Supp-1

- . Substantial Benefits to Related Parties. Host REIT and its subsidiaries will realize substantial benefits from the Mergers and the REIT Conversion, including savings from a substantial reduction in corporate-level income taxes expected as a result of the REIT Conversion. To the extent that such anticipated benefits of the REIT Conversion are reflected in the value of Host's common stock prior to the Effective Date, such benefits will not be shared with the Limited Partners. The benefits to Host of the REIT Conversion will be reduced if one or more of the Partnerships do not participate in a Merger, thereby creating a conflict of interest for the General Partner in connection with the Merger.
- . Absence of Arm's Length Negotiations. No independent representative was retained to negotiate on behalf of the PHLP Limited Partners or the other Limited Partners. Although the General Partner has obtained the Appraisals and the Fairness Opinion from AAA, AAA has not negotiated with the General Partner and has not participated in establishing the terms of the Mergers. Consequently, the terms and conditions of the Mergers may have been more favorable to the PHLP Limited Partners or the other Limited Partners if such terms and conditions were the result of arm's length negotiations.
- . Other Conflicts of Interest. The Mergers, the REIT Conversion and the recommendations of the General Partner involve the following conflicts of interest because of the relationships among Host, Host REIT, the Operating Partnership, the General Partners and Crestline. The General Partners, which are all subsidiaries of Host (except for PHLP, in which Host is the General Partner), must assess whether a Merger is fair and equitable to and advisable for the Limited Partners of its Partnership. This assessment involves considerations that are different from those relevant to the determination of whether the Mergers and the REIT Conversion are advisable for Host and its shareholders. The considerations relevant to that determination which create a conflict of interest include Host's belief that the REIT Conversion is advisable for its shareholders, the benefits of the REIT Conversion to Host will be greater if the Partnerships, including PHLP, participate and Host REIT will benefit if the value of the OP Units received by the Limited Partners of PHLP is less than the value of their Partnership Interests. In addition, the terms of the Leases of the Hotels, including PHLP's Hotels, will be determined by Host and the terms of the Partnership Agreement, including provisions which benefit Host REIT, have been determined by Host. Such conflicts may result in decisions that do not fully reflect the interests of all Limited Partners, including the PHLP Limited Partners.
- . Uncertainties at the Time of Voting Include the Number of OP Units to be Received. There are several uncertainties at the time the PHLP Limited Partners must vote on the Merger, including (i) the exact Exchange Value for PHLP (which will be adjusted for changes in lender and capital expenditure reserves, deferred maintenance and other items prior to the Effective Date), (ii) the price of the OP Units for purposes of the Merger, which will be determined by reference to the post-Merger trading prices of Host REIT's Common Shares (but will not be less than \$9.50 or greater than \$15.50) and which, together with the Exchange Value, will determine the number of OP Units the PHLP Limited Partners will receive and (iii) the exact principal amount of the Notes that may be received in exchange for OP Units, which cannot be known until after the Note Election Amount is determined. For these reasons, the PHLP Limited Partners cannot know at the time they vote on the Merger these important aspects of the Merger and they will not know the number of OP Units received in the Merger until approximately 25 trading days after the Merger.
- . Sale of Personal Property May Result in Gain to PHLP Limited Partners. In order to facilitate the participation of PHLP in the Merger without adversely affecting Host REIT's qualification as a REIT, the Operating Partnership will require, as part of the Merger, that PHLP sell a portion of the personal property associated with its Hotels to a Non-Controlled Subsidiary. This sale will be a taxable transaction and may result in an allocation of a relatively modest amount of ordinary recapture income by PHLP to PHLP Limited Partners. This income, if any, will be allocated to each PHLP Limited Partner in the same proportion and to the same extent that such PHLP Limited Partner was allocated any deductions directly or indirectly giving rise to the treatment of such income as recapture income. A PHLP Limited Partner who receives such an allocation of recapture income would not be entitled to any special distribution from PHLP in connection with the sale of personal property.

- . Cash Distributions May Exceed Cash Available for Distribution. The preliminary estimated initial annual cash distributions of the Operating Partnership during the twelve months ending December 31, 1999 (\$226 million) will exceed its estimated adjusted cash available for distribution during the twelve months ending December 31, 1999 (\$214 million), which would require borrowings of approximately \$12 million (or \$0.04 per OP Unit) to make such distributions in accordance with the Operating Partnership's distribution policy.
- . Exchange Value May Not Equal Fair Market Value of PHLP's Hotels. Each PHLP Limited Partner who retains OP Units or elects to exchange OP Units for Common Shares will receive consideration with a deemed value equal to the Exchange Value of such PHLP Limited Partner's Partnership Interest. The determination of the Exchange Value of PHLP involves numerous estimates and assumptions. There is no assurance that the Exchange Value of PHLP will equal the fair market value of the Hotels and other assets contributed by PHLP. See "Determination of Exchange Value of PHLP and Allocation of OP Units."
- . Allocation of OP Units to Host REIT Is Different from Allocation of OP Units to the Partnerships. Following the REIT Conversion, Host REIT will own a number of OP Units equal to the number of shares of Host common stock outstanding on the Effective Date (including the OP Units to be received by the General Partners and other subsidiaries of Host in the Mergers and the OP Units to be acquired from PHLP Limited Partners and the other Limited Partners who elect to receive Common Shares in connection with the Mergers) and, if Host has outstanding shares of preferred stock at the time of the REIT Conversion, a corresponding number of preferred partnership interests in the Operating Partnership. Host REIT's OP Units, in the aggregate, should fairly represent the market value of Host REIT but may not be equal to the fair market or net asset value of the Hotels and other assets that Host will contribute to the Operating Partnership. Each Partnership will receive OP Units in the Mergers with a deemed value equal to the Exchange Value of such Partnership. The different methods of allocating OP Units to Host REIT and the Partnerships may result in such Limited Partners not receiving the fair market value of their Partnership Interests and Host REIT receiving a higher percentage of the interests in the Operating Partnership. See "Determination of Exchange Values of PHLP and Allocation of OP Units."
- . Allocations of OP Units to Blackstone Entities and Private Partnerships Were Not Determined by the Exchange Value Methodologies. The price and other terms of the acquisitions of certain Private Partnerships and the Blackstone Acquisition (and thus the allocation of OP Units resulting therefrom) were determined by arm's length negotiations. The assets to be acquired in the Blackstone Acquisition did not generate, in the aggregate, pro forma net income for 1997 or the First Two Quarters 1998. If the partners' interests in the Private Partnerships and the assets of the Blackstone Entities had been valued by the same methodologies used to determine the Exchange Values in the Mergers, the value of the OP Units to be allocated to such partners or the Blackstone Entities may have been less than they actually will receive. The different methods of allocating OP Units may result in the PHLP Limited Partners and other Limited Partners receiving relatively less for their Partnership Interests than the partners in the Private Partnerships and the Blackstone Entities.
- . Price of OP Units or Common Shares Might Be Less than the Fair Market Value of the PHLP Limited Partners' Partnership Interests. The price of an OP Unit for purposes of the Merger will be equal to the average closing price on the NYSE of a Host REIT Common Share for the first 20 trading days after the Effective Date of the Merger (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). This pricing mechanism has the effect of fixing the minimum and maximum number of OP Units to be issued in the Mergers. It is likely that, either initially or over time, the value of the publicly traded Common Shares of Host REIT (and therefore the value of the OP Units) will diverge from the deemed value of the OP Units used for purposes of the Merger. This could result in the PHLP Limited Partners receiving OP Units or Common Shares with an actual value that is less than either the price of the OP Units for purposes of the Merger or the fair market value of their Partnership Interests.

- . Inability of PHLP Limited Partners Who Retain OP Units to Redeem OP Units for One Year. PHLP Limited Partners who retain OP Units received in the Merger will be unable to redeem such OP Units for one year following the Merger. Until then, PHLP Limited Partners will bear the risk of illiquidity and of not being able to sell in a falling market.
- . Current Host Common Stock Price Is Not Necessarily Indicative of the Price of Host REIT Common Shares Following the REIT Conversion. Host's current stock price is not necessarily indicative of how the market will value Host REIT Common Shares following the REIT Conversion. The current stock price of Host reflects the current market valuation of Host's current business and assets (including the Crestline common stock and cash or other consideration to be distributed in connection with the REIT Conversion (the "Initial E & P Distribution")) and not solely the business and assets of Host REIT following the REIT Conversion. Host's current stock price also is affected by general market conditions.
- . Value of the Notes Will Be Less than the Exchange Value of PHLP. In exchange for OP Units received in the Merger, each PHLP Limited Partner may elect to receive an unsecured, seven-year Note of the Operating Partnership with a principal amount equal to the Note Election Amount of his Partnership Interest, which is based upon numerous assumptions and estimates. The deemed value of the OP Units to be received by the PHLP Limited Partners will exceed the principal amount of the corresponding Notes (because the Exchange Value will be higher than the Note Election Amount) and there is no assurance that the Note a PHLP Limited Partner receives will have a value equal to either (i) the fair market value of the PHLP Limited Partner's share of the Hotels and other assets owned by PHLP or (ii) the principal amount of the Note. There will be no public market for the Notes. If the Notes are sold, they may sell at prices substantially below their issuance price. Noteholders are likely to receive the full face amount of a Note only if they hold the Note to maturity, which is December 15, 2005, or if the Operating Partnership repays the Notes prior to maturity. Because the Notes are unsecured obligations of the Operating Partnership, they will be effectively subordinated to all secured debt of the Operating Partnership and all obligations of both the Participating Partnerships and the Operating Partnership's other subsidiaries. See "Description of the Notes." As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership would have had aggregate consolidated debt of approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities) to which the Notes were effectively subordinated or which ranks equally with such Notes.
- . Timing of the REIT Conversion. Host intends to cause the REIT Conversion to be completed as soon as possible, but there is no assurance that it will be completed during 1998 in time for Host REIT to elect REIT status effective January 1, 1999. The deadline for consummation of the Merger is June 30, 1999, unless extended by mutual agreement of the Operating Partnership and the General Partner to a date no later than December 31, 1999. If the REIT Conversion does not occur in 1998, the effectiveness of Host REIT's election could be delayed to January 1, 2000, which would result in Host REIT continuing to pay substantial corporate-level income taxes in 1999 (which would reduce the estimated cash distributions per Common Share during 1999 to \$0.49 per Common Share, but not the estimated cash distributions of \$0.84 per OP Unit) and could cause the Blackstone Acquisition not to be consummated.
- . Fundamental Change in Nature of Investment; Potential Underperformance. The Merger and the REIT Conversion involve a fundamental change in the nature of a PHLP Limited Partner's investment from holding an interest in PHLP, which was structured as a tax shelter investment, is a finite-life entity, has a fixed portfolio of eight Hotels and has never distributed cash flow from the operation of such Hotels to its Limited Partners, to holding a direct or indirect interest in the Operating Partnership, an ongoing real estate company with an expected portfolio of approximately 125 Hotels that (i) collects and distributes to its limited partners rents received from the Lessees (which will bear the risks and receive the direct benefits of the Hotels' operations), (ii) has the ability to acquire additional hotels and (iii) is able to reinvest proceeds from sales or refinancings of existing Hotels in other hotels. In addition, each PHLP Limited Partner's investment will change from one that allows a PHLP Limited

Partner to receive a return of capital in the form of distributions from any net proceeds of a sale or refinancing of PHLP's assets to an investment in which a PHLP Limited Partner who retains OP Units likely would realize a return of capital only through the exercise of the Unit Redemption Right. Those PHLP Limited Partners who elect to receive Common Shares in connection with the Merger will hold an equity interest in a publicly traded REIT that (i) provides immediate liquidity, (ii) intends to make distributions to its shareholders in an amount equal to at least 95% of its taxable income, (iii) allows shareholders to influence management by participation in the election of directors and (iv) realizes substantial corporate tax savings as long as certain requirements are met. A PHLP Limited Partner's share of the liquidation proceeds, if any, from the sale of PHLP's Hotels could be higher than the amount realized upon exercise of the Unit Redemption Right, the sale of Common Shares received in connection with the Merger or payments on any Note received by a PHLP Limited Partner who elects to exchange his OP Units for such Note. An investment in the Operating Partnership or Host REIT may not outperform an investment in PHLP. See "Comparison of Ownership of Partnership Interests, OP Units and Common Shares."

- . Exposure to Market and Economic Conditions of Other Hotels. As a result of the Merger, PHLP Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will own interests in a much larger enterprise with a broader range of assets than PHLP individually. A material adverse change affecting the Operating Partnership's assets will affect all Limited Partners, including PHLP Limited Partners, regardless of whether a particular Limited Partner previously was an investor in such affected assets. PHLP owns discrete assets and the Mergers and the REIT Conversion will significantly diversify the types and geographic locations of the Hotels in which the PHLP Limited Partners will have interests. As a result, the Hotels owned by the Operating Partnership may be affected differently by economic and market conditions than the Hotels owned by PHLP.
- . PHLP Limited Partners Have No Cash Appraisal Rights. PHLP Limited Partners who vote against the Merger will not have a right to receive cash based upon an appraisal of their Partnership Interests.
- . Uncertainties as to the Size and Leverage of the Operating Partnership. The PHLP Limited Partners cannot know at the time they vote on the Merger the exact size and amount of leverage of the Operating Partnership. Host is an existing operating company that regularly issues and repays debt, acquires additional hotels and disposes of existing hotels. Also, some or all of the Partnerships may elect not to participate in a Merger. In addition, outside partners in certain Private Partnerships may not consent to a lease of their partnership's Hotel(s). In either such case, Host will contribute its interests in such Partnerships and Private Partnerships to the Operating Partnership, but the Operating Partnership may, in turn, contribute such interests to a Non-Controlled Subsidiary, which will be subject to corporate-level income taxation. Host also may repurchase outstanding securities or issue new debt or equity securities prior to the consummation of the Mergers and the REIT Conversion.
- . Lack of Control over Hotel Operations and Non-Controlled Subsidiaries. Due to current federal income tax law restrictions on a REIT's ability to derive revenues directly from the operation of a hotel, the Operating Partnership will lease virtually all of its consolidated Hotels to the Lessees, which will operate the Hotels by continuing to retain the existing managers of the Hotels (the "Managers") pursuant to the existing long-term Management Agreements. The Operating Partnership will not operate the Hotels or participate in the decisions affecting the daily operations of the Hotels. The Operating Partnership will have only a limited ability to require the Lessees or the Managers to operate or manage the Hotels in any particular manner and no ability to govern any particular aspect of their day-to-day operation or management. The Operating Partnership also will not own any of the voting stock of the Non-Controlled Subsidiaries, which may own, in the aggregate, up to 20% by value of the Operating Partnership's assets. Therefore, the Operating Partnership will be dependent for its revenue upon the ability of the Lessees and the Managers to operate and manage the Hotels and the Non-Controlled Subsidiaries to operate and manage their businesses.

- . Dependence upon Crestline. Crestline and its subsidiaries will be the Lessees of substantially all of the Hotels and their rent payments will be the primary source of Host REIT's revenues. Crestline's financial condition and ability to meet its obligations under the Leases will determine the Operating Partnership's ability to make distributions to holders of OP Units, including Host REIT, and Host REIT's ability, in turn, to make distributions to its shareholders. As of June 19, 1998, on a pro forma basis, after giving effect to the REIT Conversion, Crestline would have had approximately \$315 million of indebtedness (including \$100 million due to Host REIT to pay for hotel working capital purchased from Host REIT but not including guarantees of obligations of Crestline's Subsidiaries under the Leases and the Management Agreements) and Crestline can incur additional indebtedness in the future. There can be no assurance that Crestline will have sufficient assets, income and access to financing to enable it to satisfy its obligations under the Leases. In addition, the credit rating of the Operating Partnership and Host REIT will be affected by the general creditworthiness of Crestline.
- . Expiration of Leases and Possible Inability to Find Other Lessees. The Leases generally will expire seven to ten years after the Effective Date and there can be no assurance that the affected Hotels will be relet to the Lessees (or if relet, will be relet on terms as favorable to the Operating Partnership). If the Hotels are not relet to the Lessees, the Operating Partnership will be required to find other lessees, which lessees must meet certain requirements set forth in the Management Agreements and the Code. There can be no assurance that satisfactory lessees could be found or as to the terms and conditions on which the Operating Partnership would be able to relet the Hotels or enter into new leases with such lessees, which could result in a failure of Host REIT to qualify as a REIT or in reduced cash available for distribution.
- . Requisite Vote of PHLP Limited Partners Binds All PHLP Limited Partners. For PHLP, approval by a majority of the Partnership Interests that are eligible to be voted is required to approve the Merger and the related amendments to the partnership agreement, as described in "Voting Procedures-- Required Limited Partner Vote and Other Conditions." Such approval will cause PHLP to participate in the Merger and will bind all PHLP Limited Partners, including PHLP Limited Partners who voted against or abstained from voting with respect to the Merger and the related amendments to the partnership agreement.
- . Inability to Obtain Third-Party Consents May Have a Material Adverse Effect. There are numerous third-party consents which are required to be obtained in order to consummate the Mergers and the REIT Conversion. The inability of Host, the Operating Partnership or Host REIT to obtain one or more such consents may cause a default under cross-default provisions of the Company's principal credit facilities or otherwise have a material adverse effect on the Operating Partnership and Host REIT and thus could reduce the value of the OP Units and Common Shares.
- . Competition in the Lodging Industry. The profitability of the Hotels is subject to general economic conditions, the management abilities of the Managers (including primarily Marriott International), competition, the desirability of particular locations and other factors relating to the operation of the Hotels. The full-service segment of the lodging industry, in which virtually all of the Hotels operate, is highly competitive and the Hotels generally operate in geographical markets that contain numerous competitors. The Hotels' success will be dependent, in large part, upon their ability to compete in such areas as access, location, quality of accommodations, room rate structure, the quality and scope of food and beverage facilities and other services and amenities. The lodging industry, including the Hotels (and thus the Operating Partnership), may be adversely affected in the future by (i) national and regional economic conditions, (ii) changes in travel patterns, (iii) taxes and government regulations which influence or determine wages, prices, interest rates, construction procedures and costs, (iv) the availability of credit and (v) other factors beyond the control of the Operating Partnership.
- . Substantial Indebtedness of the Operating Partnership. The Operating Partnership will have substantial indebtedness. As of June 19, 1998, on a pro forma basis assuming the Full Participation Scenario, the Operating Partnership had outstanding indebtedness totaling approximately \$5.6 billion (including \$567 million of debentures related to the Convertible Preferred Securities), which represents

an approximately 62% debt-to-total market capitalization ratio on a pro forma basis at such date (based upon a price per Common Share of Host REIT of \$12.50). The Operating Partnership's business is capital intensive and it will have significant capital requirements in the future. The Operating Partnership's leverage level could affect its ability to (i) obtain financing in the future, (ii) undertake refinancings on terms and subject to conditions deemed acceptable by the Operating Partnership, (iii) make distributions to partners (including Host REIT), (iv) pursue its acquisition strategy or (v) compete effectively or operate successfully under adverse economic conditions.

No Limitation on Debt. There are no limitations in Host REIT's or the Operating Partnership's organizational documents which limit the amount of indebtedness either may incur, although both the Notes and the Operating Partnership's other debt instruments will contain certain restrictions on the amount of indebtedness that the Operating Partnership may incur.

Rental Revenues from Hotels Subject to Prior Rights of Lenders. In accordance with the mortgage loan agreements with respect to outstanding indebtedness of certain Hotel Partnerships, the rental revenues received by such Hotel Partnerships under certain Leases first will be used to satisfy the debt service on such outstanding indebtedness with only the cash flow remaining after debt service being available to satisfy other obligations of the Hotel Partnership (including paying property taxes and insurance, funding the required FF&E reserves for the Hotels and capital improvements and paying debt service with respect to unsecured debt) and to make distributions to holders of OP Units (including Host REIT).

Ownership Limitations. No person or persons acting as a group may own, actually or constructively (as determined under the applicable Code provisions), (i) in excess of 9.8% of the number or value of outstanding Common Shares of Host REIT or (ii) in excess of 4.9% of the value of the OP Units (other than Host REIT and The Blackstone Group), subject to waiver or modification by Host REIT or the Operating Partnership, as the case may be, in certain limited circumstances.

Anti-Takeover Effect of Certain Provisions of Host REIT's Charter and Bylaws, Maryland Law and the Shareholder Rights Plan. The Articles of Incorporation (the "Charter") and Bylaws of Host REIT to be effective upon completion of the merger of Host with and into Host REIT, as well as provisions of Maryland law, contain certain provisions that could have the effect of delaying, deferring or preventing a change in control of Host REIT. These provisions could limit the price that certain investors might be willing to pay in the future for Common Shares. Certain of these provisions provide for a staggered board and allow Host REIT to issue, without shareholder approval, preferred shares having rights senior to those of the Common Shares. The Board of Directors also is authorized, without a vote of shareholders, to amend the Charter to increase or decrease the number of authorized common or preferred shares and to classify or reclassify unissued common or preferred shares into another class or series of shares. Other provisions impose various procedural and other requirements that could make it difficult for shareholders to effect certain corporate actions. The Charter also provides that no person or persons acting as a group may own more than 9.8% (in number or value) of the outstanding shares of any class or series of shares of Host REIT. Host REIT also intends to adopt a Shareholder Rights Plan to replace the existing stockholder rights plan of Host. Host REIT also will become a subject to the business combination and control share provisions under Maryland law. Marriott International, Inc. ("Marriott International") has the right to purchase up to 20% of each class of Host's outstanding voting stock at the then fair market value upon the occurrence of certain change of control (or potential change of control) events involving Host, which right will continue in effect after the Merger until June 2017, subject to certain limitations intended to protect the REIT status of Host REIT. See "Certain Provisions of Maryland Law and Host REIT's Charter and Bylaws."

Effect of Subsequent Events upon Recognition of Gain. Even though the PHLP Limited Partners (other than those who elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) generally are not expected to recognize significant taxable gain at the time of the Merger, there are a variety of events and transactions (including the sale of one or more of the Hotels currently owned by PHLP or the reduction of indebtedness securing one or more of the Hotels)

that could cause a PHLP Limited Partner to recognize all or a part of the gain that otherwise has been deferred through the REIT Conversion. In this regard, the refinancing of the existing debt secured by six of PHLP's Hotels (the "Mitsui Bank Debt"), which matures in December 1999, could result, depending upon the circumstances, in the recognition of significant taxable gain by PHLP Limited Partners. See "Federal Income Tax Consequences--Tax Treatment of PHLP Limited Partners Who Hold OP Units Following the Merger." Certain Hotels (including the Blackstone Hotels) will be covered by agreements with third parties which will restrict the Operating Partnership's ability to dispose of those properties or refinance their debt. In addition, if Atlanta Marquis participates in the Merger, the Operating Partnership will succeed to an existing agreement that will restrict its ability to dispose of the Atlanta Marquis Hotel or to refinance the debt secured by such Hotel without compensating certain outside partners for the resulting adverse tax consequences. The partnership agreement of the Operating Partnership, which is substantially in the form attached to the Consent Solicitation as Appendix A (the "Partnership Agreement"), does not impose any restrictions on the Operating Partnership's ability to dispose of the Hotels or to refinance debt secured by the Hotels (but the Operating Partnership is obligated to pay any taxes Host REIT incurs as a result of such transactions). In addition, the Partnership Agreement provides that Host REIT, as general partner of the Operating Partnership, is not required to take into account the tax consequences of the limited partners in deciding whether to cause the Operating Partnership to undertake specific transactions (but the Operating Partnership is obligated to pay any taxes that Host REIT incurs as a result of such transactions) and the limited partners have no right to approve or disapprove such transactions. See "Description of OP Units--Sales of Assets."

. Election to Exchange OP Units for Common Shares. A PHLP Limited Partner who elects to receive Common Shares in exchange for his OP Units in connection with the Merger (the "Common Share Election") will be treated as having made a fully taxable disposition of his OP Units, which likely would be deemed to occur at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998). If he has a "negative capital account" with respect to his Partnership Interest, he will recognize "phantom income" (i.e., the income recognized would exceed the value of the Common Shares by the amount of his negative capital account). Such PHLP Limited Partner may not defer recognition of any part of the gain realized from the exchange under the "installment sale" rules. See "Federal Income Tax Consequences--Tax Treatment of PHLP Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election." PHLP Limited Partners who elect to receive Common Shares will not receive the Crestline common stock or any other portion of the Initial E&P Distribution, which will have been distributed before they become shareholders of Host REIT (approximately 25 trading days after the Effective Date of the Merger).

. Election to Exchange OP Units for Notes. A PHLP Limited Partner who elects to receive a Note in exchange for his OP Units in connection with the Merger (the "Note Election") will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur on the Effective Date of the Merger (which currently is expected to occur on December 30, 1998). A PHLP Limited Partner who receives a Note in connection with the Merger may be eligible to defer a portion of that gain under the "installment sale" rules until principal on the Note is paid. A PHLP Limited Partner with a "negative capital account" with respect to his Partnership Interest who elects to receive a Note will recognize "phantom income" in that amount in any event at the time the taxable disposition is deemed to occur. See "Federal Income Tax Consequences--Tax Treatment of PHLP Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election."

. Failure of Host REIT to Qualify as a REIT for Tax Purposes. Taxation of Host REIT as a corporation if it fails to qualify as a REIT, and Host REIT's subsequent liability for federal, state and local taxes on its income and property, would, among other things, have the effect of reducing cash available for distribution to Host REIT's shareholders and materially reducing the value of the Common Shares and OP Units.

- . Failure of the Operating Partnership to Qualify as a Partnership for Tax Purposes. Taxation of the Operating Partnership as a corporation if it fails to qualify as a partnership and the Operating Partnership's subsequent liability for federal, state and local income taxes would, among other things, have the effect of reducing cash available for distribution to holders of OP Units and Common Shares, would cause Host REIT to fail to qualify as a REIT for tax purposes and would cause the holders of OP Units to recognize substantial taxable gain at the time the Operating Partnership ceases to qualify as a partnership.
- . Failure of the Leases to Qualify as Leases. If one or more of the Leases of the Hotels to the Lessees were to be disregarded for tax purposes (for example, because a Lease was determined to lack economic substance), Host REIT could fail to qualify as a REIT and the Operating Partnership might be treated as a corporation for federal income tax purposes, which would have a material adverse impact on the PHLP Limited Partners and the value of the OP Units and the Common Shares.
- . Change in Tax Laws. No assurance can be provided that new legislation, Treasury Regulations, administrative interpretations or court decisions will not significantly change the tax laws with respect to Host REIT's qualification as a REIT or the federal income tax consequences of such qualification.
- . PHLP Limited Partners Need to Consult with Their Own Tax Advisors. Because the specific tax attributes of a PHLP Limited Partner and the facts regarding such PHLP Limited Partner's interest in PHLP could have a material impact on the tax consequences to such PHLP Limited Partner of the Merger (including the decision whether to elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger) and the subsequent ownership and disposition of OP Units, Common Shares or a Note, it is essential that each PHLP Limited Partner consult with his own tax advisors regarding the application of federal, foreign and state and local tax laws to such PHLP Limited Partner's personal tax situation.
- . Effect of Possible Classification as a Publicly Traded Partnership on Passive Losses. There is a significant possibility that the Operating Partnership could be classified as a "publicly traded partnership," in which event the PHLP Limited Partners would not be able to use suspended passive activity losses from other investments to offset income from the Operating Partnership.
- . Host REIT's Substantial Deferred Tax and Contingent Liabilities. Host REIT will have substantial deferred tax liabilities attributable to Host's assets and operations that are likely to be recognized in the next ten years (notwithstanding Host REIT's status as a REIT), and the IRS could assert substantial additional liabilities for taxes against Host for taxable years prior to the time Host REIT qualifies as a REIT. Under the terms of the REIT Conversion and the Partnership Agreement, the Operating Partnership will be responsible for paying (or reimbursing Host REIT for the payment of) all such tax liabilities as well as any other liabilities (including contingent liabilities and liabilities attributable to litigation that Host REIT may incur) whether such liabilities are incurred by reason of Host's activities prior to the REIT Conversion or the activities of Host REIT subsequent thereto.

Because REITs are not permitted under current federal income tax law to derive revenues directly from the operation of hotels, the Operating Partnership will lease the Hotels to lessees (the "Lessees") that will operate the Hotels under the existing management agreements and pay rent to the Operating Partnership, as more fully described herein. The Lessees generally will be wholly owned indirect subsidiaries of Crestline. Crestline, which currently is a wholly owned subsidiary of Host, will become a separate public company when Host or Host REIT distributes the common stock of Crestline and cash or other consideration to its existing shareholders and the Blackstone Entities in connection with the REIT Conversion. Shares of Host REIT and Crestline will become separately traded securities and the companies will operate independently. There will be no overlap between the boards of Host REIT and Crestline. There will be a substantial overlap of shareholders of the two companies initially, but this overlap will diverge over time.

HOST MARRIOTT CORPORATION (THE "GENERAL PARTNER"), THE GENERAL PARTNER OF PHLP, BELIEVES THAT THE MERGER PROVIDES SUBSTANTIAL BENEFITS AND IS FAIR TO THE PHLP LIMITED PARTNERS AND RECOMMENDS THAT ALL PHLP LIMITED PARTNERS VOTE FOR THE MERGER AND FOR THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT.

The effects of the Mergers may be different for Limited Partners of the various Partnerships. This Supplement has been prepared to highlight for PHLP Limited Partners the specific risks, benefits, effects and fairness of the Merger to them and to provide other information specific to PHLP. Supplements have also been prepared for each of the other Partnerships. This Supplement, together with the supplements of the other Partnerships (collectively, the "Supplements"), are part of the Consent Solicitation. Upon receipt of a written request by a Limited Partner or his representative so designated in writing, the General Partner will send a copy of any Supplement without charge. All requests for a copy of a Supplement should be directed to: Investors Relations, 10400 Fernwood Road, Bethesda, Maryland 20817, telephone number 301-380-2070 (between the hours of 9:00 a.m. and 4:00 p.m., Eastern time).

All cross-references refer to the Consent Solicitation unless the context indicates otherwise. Capitalized terms not defined herein shall have the meaning set forth in the Consent Solicitation. The information contained herein, unless otherwise indicated, assumes the REIT Conversion (including the Blackstone Acquisition) occurs with all Partnerships participating and no Common Shares or Notes being issued (the "Full Participation Scenario").

EXPECTED BENEFITS OF THE MERGER

The General Partner believes that participating in the Merger would likely be beneficial to the PHLP Limited Partners for the reasons set forth below. This information is qualified by and should be read in conjunction with the information in the Consent Solicitation under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers." These benefits, which should be viewed as alternatives to continuing the business and operations of PHLP, are expected to include:

- . Exchange Value of PHLP. PHLP Limited Partners who retain OP Units or elect to receive Common Shares in connection with the Merger will receive OP Units or Common Shares with an estimated Exchange Value equal to \$5,040 per Partnership Unit.
- . Liquidity. The REIT Conversion will offer PHLP Limited Partners liquidity with respect to their investments in PHLP because PHLP Limited Partners can receive freely tradeable Host REIT Common Shares by electing to exchange OP Units for Common Shares in connection with the Merger or, for PHLP Limited Partners who retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price of \$12.50 per Host Reit Common Share). The exercise of the election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
- . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. PHLP will not distribute any cash during 1998; therefore, the ability to receive distributions quarterly and in regular amounts would be enhanced. For additional information regarding historical and estimated future distributions for PHLP and the other Partnerships, see "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers."
- . Substantial Tax Deferral for PHLP Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes. The General Partner expects that PHLP Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to their Partnership Interests that otherwise would be recognized in the event of a liquidation of PHLP or a sale or other disposition of its assets in a taxable transaction (although PHLP Limited Partners may recognize a relatively modest amount of ordinary income as the result of required sales of personal property to a Non-Controlled Subsidiary in order to facilitate Host REIT's qualification as a REIT). Thereafter, such

PHLP Limited Partners generally should be able to defer at least a substantial portion of such built-in gain until they elect to exercise their Unit Redemption Right or one or more of the Hotels currently owned by PHLP are sold or otherwise disposed of in a taxable transaction by the Operating Partnership or the Mitsui Bank Debt now secured by such Hotels is repaid, prepaid or substantially reduced. The federal income tax consequences of the Merger are highly complex and, with respect to each PHLP Limited Partner, are dependent upon many variables, including the particular circumstances of such PHLP Limited Partner. See "Federal Income Tax Consequences--Tax Consequences of the Merger." Each PHLP Limited Partner is urged to consult with his own tax advisors as to the consequences of the Merger in light of his particular circumstances.

- . Enhanced Ability of Operating Partnership to Refinance the Mitsui Bank Debt. The Mitsui Bank Debt of \$172.7 million as of December 31, 1997, must be refinanced no later than December 1999. There is no assurance, however, that such refinancing, either by PHLP on a standalone basis or the Operating Partnership following the Merger, will not require that PHLP Limited Partners recognize at least a substantial portion of the taxable gain that otherwise has been deferred through the Merger. In connection with an IRS ruling that the Operating Partnership has requested, see "Federal Income Tax Consequences--Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain," it is expected that the former PHLP Limited Partners will reduce the amount of "phantom income" they are allocated, thereby reducing their taxable gains. There can be no assurance, however, that the Operating Partnership will receive the ruling and, if received, the exact impact it will have on an individual PHLP Limited Partner.
- . Risk Diversification. Participation in the Merger, as well as future hotel acquisitions by the Operating Partnership, will reduce the dependence of PHLP Limited Partners upon the performance of, and the exposure to the risks associated with, its Hotels and spread such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands. See "Business and Properties--Business Objectives."
- . Reduction in Leverage and Interest Costs. It is expected that the Operating Partnership generally will have a lower leverage to value ratio, approximately 55%, than PHLP currently, which has outstanding debt balances in excess of the Appraised Values of its Hotels, resulting in significant interest and debt service savings and greater financial stability. In addition, the Mitsui Bank Debt matures in December 1999. There can be no assurance, however, that PHLP can either extend the debt maturity beyond December 1999 or refinance such debt on favorable terms in the absence of the Merger or the Operating Partnership could extend or refinance such debt if the Merger is consummated. The Operating Partnership and the General Partner believe, however, that PHLP will face greater difficulties in finding a satisfactory replacement for such debt than the Operating Partnership, given the Operating Partnership's larger size, greater diversity of assets and extent of its relationship with lenders.
- . Growth Potential. The General Partner believes that the PHLP Limited Partners, by directly or indirectly owning interests in a publicly traded real estate company focused primarily on a more diverse and growing luxury and upscale full-service hotel portfolio, will be able to participate in growth opportunities that would not otherwise be available to them.
- . Greater Access to Capital. With publicly traded equity securities, a larger base of assets and a substantially greater equity value than PHLP individually, Host REIT expects to have greater access to the capital necessary to fund the Operating Partnership's operations and to consummate acquisitions on more attractive terms than would be available to PHLP individually. This greater access to capital should provide greater financial stability to the Operating Partnership and reduce the level of risk associated with refinancing existing loans upon maturity, as compared to PHLP individually.
- . Public Market Valuation of Assets. Trading has been extremely limited in the Partnership Units of PHLP. The General Partner believes that by exchanging interests in PHLP, which is a non-traded, finite-life limited partnership with a fixed portfolio for interests in an ongoing real estate company focused primarily on a more diverse and growing full-service hotel portfolio and providing valuation based upon publicly traded Common Shares of Host REIT, the PHLP Limited Partners will have the

opportunity to participate in the recent trend toward ownership of real estate through a publicly traded entity, which, in many instances (although not currently), has resulted at various times in market valuations of public real estate companies in excess of the estimated net asset values of those companies. There can be no assurance, however, that the Common Shares of Host REIT will trade at a premium to the private market values of the Operating Partnership's assets or that they will not trade at a discount to private market values. Also, the benefit of Host's conversion to a REIT will not be shared by the PHLP Limited Partners if and to the extent that such benefit is reflected in the market valuation of Host's common stock prior to the REIT Conversion.

If PHLP does not participate in the Merger, its business will continue in its current manner; however, the Operating Partnership may elect to contribute some or all of its interest in PHLP to a Non-Controlled Subsidiary.

DETERMINATION OF EXCHANGE VALUE OF PHLP AND ALLOCATION OF OP UNITS

GENERAL. The Exchange Value of PHLP will be equal to the greatest of its Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which has been determined as follows:

- . Adjusted Appraised Value. The General Partner has retained AAA to determine the market value of each of the Hotels as of March 1, 1998 (the "Appraised Value"). The "Adjusted Appraised Value" of PHLP equals the Appraised Value of its Hotels, adjusted as of the Final Valuation Date for lender reserves, capital expenditure reserves, existing indebtedness (including a "mark to market" adjustment to reflect the market value of such indebtedness), certain deferred maintenance costs, deferred management fees and transfer and recordation taxes and fees.
- . Continuation Value. The "Continuation Value" of PHLP represents AAA's estimate, as adopted by the General Partner, of the discounted present value, as of January 1, 1998, of the PHLP limited partners' share of estimated future cash distributions and estimated net sales proceeds (plus lender reserves), assuming that PHLP continues as an operating business for twelve years and its assets are sold on December 31, 2009 for their then estimated market value.
- . Liquidation Value. The "Liquidation Value" of PHLP represents the General Partner's estimate of the net proceeds to PHLP limited partners resulting from the assumed sale as of December 31, 1998 of the Hotels of PHLP, each at its Adjusted Appraised Value (after eliminating any "mark to market" adjustment and adding back the deduction for transfer and recordation taxes and fees, if any, made in deriving the Adjusted Appraised Value), less (i) estimated liquidation costs, expenses and contingencies equal to 2.5% of Appraised Value and (ii) prepayment penalties or defeasance costs, as applicable.

Final determination of the Exchange Value of PHLP will be made as of the end of the four week accounting period ending at least 20 days prior to the Effective Date (the "Final Valuation Date") and will be equal to the greatest of Adjusted Appraised Value, Continuation Value and Liquidation Value as of such date. Adjusted Appraised Value, Continuation Value and Liquidation Value will be adjusted as of the Final Valuation Date (i) to reflect the amount of lender and capital expenditure reserves and the amount of deferred management fees as of such date, (ii) to increase the Adjusted Appraised Value by any amounts actually expended by PHLP after the Initial Valuation Date to perform deferred maintenance that were previously subtracted in determining the estimated Adjusted Appraised Value of PHLP and (iii) to reflect any changes in PHLP's other reserves, such as for litigation expenses and indemnification costs and any revised estimates of transfer and recordation taxes and fees. The General Partner does not believe that any adjustments to the Exchange Value will be material; however, if any such changes are deemed to be material, the General Partner will provide the PHLP Limited Partners an opportunity to change their vote on the Merger.

APPRAISED VALUE. PHLP's Hotels were appraised as of March 1, 1998 by AAA, an independent, nationally recognized hotel valuation and financial advisory firm experienced in the appraisals of lodging properties such as PHLP's Hotels. Each appraisal (an "Appraisal") was reviewed by a Member Appraisal

Institute ("MAI") appraiser and certified by such MAI appraiser as having been prepared in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation.

The purpose of each Appraisal is to provide an estimate of the "Market Value" of the related Hotel. "Market Value" means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably and assuming the price is not affected by undue stimuli. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (i) the buyer and seller are equally motivated; (ii) both parties are well informed or well advised, and each is acting in what he considers his own best interest; (iii) a reasonable time frame is allowed for exposure in the open market; (iv) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (v) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale. AAA made site visits at all but one of PHLP's Hotels for purposes of the Appraisals. Neither AAA nor the General Partner believes that the lack of site visits to one of PHLP's Hotels affects the determination of market value because, as part of the Appraisals, AAA reviewed financial information of the Hotels as well as conducted extensive interviews with the managers of the Hotels. See "Fairness Analysis and Opinion--Fairness Opinion--Summary of Materials Considered and Investigation Undertaken."

In preparing the Appraisals, AAA relied primarily on the income capitalization method of valuation, and then compared the value estimated by this method with recent sales of comparable properties, as a check on the reasonableness of the value determined through the income capitalization method. AAA employed the following procedures for determining the Appraised Value of PHLP's Hotels:

- . Historical 1997 and Projected Year's Earnings. AAA reviewed the historical 1997 net operating income (i.e., income before interest, taxes, depreciation and amortization) ("NOI") prior to incentive management fees and certain capital expenditures for each Hotel. AAA also prepared a projection of the net operating income prior to incentive management fees and certain capital expenditures for each Hotel for the twelve month period ending February 28, 1999 (the "Projected Year"), using historical financial information for each Hotel, budget information, a survey with the manager of each Hotel addressing the physical condition of each Hotel, local market conditions (including business mix, demand generators, future trends and predictability of business), changes in the competitive environment, comparison with direct competitors of the Hotel and risk factors relating to each Hotel. The resulting gross margin (ratio of total revenues to NOI prior to incentive management fees) was checked against AAA's database of the gross margins for similar hotels for reasonableness.
- . Impact of Incentive Management Fees. AAA estimated a normalized annual amount of incentive management fees payable under the applicable management agreement and subtracted this amount from the net operating income prior to incentive management fees and certain capital expenditures for 1997 and the Projected Year.
- . Impact of Owner Funded Capital Expenditures. AAA estimated normalized annual amounts of owner funded capital expenditures (over and above the FF&E reserve) based in part on projected owner funded capital expenditures estimated in the Engineering Study. The normalized amounts were then subtracted from the NOI prior to owner funded capital expenditures for 1997 and the Projected Year.
- . Capitalization of Adjusted NOI. AAA then capitalized the amount resulting from the foregoing adjustments ("Adjusted NOI") for 1997 and the Projected Year by dividing such amounts by capitalization rates that AAA determined to be appropriate. A capitalization rate represents the relationship between net operating income and sales prices of income producing property. AAA selected the capitalization rates based upon its review of current published surveys reflecting the opinions of investors and participants such as REITs, hotel acquisition/management companies and pension funds, lenders, brokers and consultants as to current capitalization rates, and its own database of capitalization rates reflected in recent transactions, adjusted for factors specific to the Hotel, such as

location, physical condition, reserve policies, local market volatility and competition, guest mix, renovation influences and other income characteristics. AAA used separate capitalization rates that it deemed appropriate to capitalize 1997 historical Adjusted NOI and estimated Projected Year's Adjusted NOI. AAA then estimated the value of each Hotel based upon each of the values estimated by capitalizing 1997 and Projected Year's Adjusted NOI and its professional judgment. The following table sets forth the effective capitalization rates for 1997 and Projected Year's Adjusted NOI resulting from AAA's estimated Appraised Values of PHLP's Hotels.

RESULTING EFFECTIVE CAPITALIZATION RATES FOR APPRAISALS OF PHLP'S HOTELS

1997	PROJECTED YEAR (ENDING FEBRUARY 28, 1999)
9.2-9.8%	9.7-10.6%

APPRAISED VALUES OF PHLP'S HOTELS

HOTEL	APPRAISED VALUE
	(IN THOUSANDS)
Albuquerque Marriott Hotel.....	\$ 21,600
Greensboro High Point Marriott Hotel.....	27,800
Houston Marriott Medical Center Hotel.....	26,300
Marriott Mountain Shadows Resort.....	38,600
Miami Biscayne Bay Hotel.....	38,500
Raleigh Marriott Hotel.....	28,000
Seattle Sea-Tac Airport Marriott Hotel.....	63,600
Tampa Westshore Marriott Hotel.....	21,400
Total.....	\$265,800

. Comparison with Comparable Sales. AAA checked the Appraised Value of each Hotel derived by the foregoing procedures against its database of comparable sale transactions for reasonableness.

With respect to PHLP's Hotels, five properties were encumbered by ground leases as of the date of the Appraisals. Accordingly, the Appraised Values of such Hotels have been decreased to reflect the encumbrance of the ground leases and the interests of the ground lessors in the operating cash flows of such Hotels. The Appraised Value assumes all contractual provisions for FF&E reserves are adequate and have not been reduced to reflect deferred maintenance or environmental remediation costs with respect to PHLP's Hotels (but estimated deferred maintenance costs have been deducted in estimating the Adjusted Appraised Value of each of PHLP's Hotels). The Appraised Value did not take into account the costs that might be incurred in selling the Hotels (but estimated costs for transfer and recordation taxes and fees have been deducted in estimating the Adjusted Appraised Value of the Hotels).

The Appraisals are not guarantees of present or future values and no assurance can be given as to the actual value of PHLP's Hotels. The Appraisals should be read in conjunction with other information, such as, but not limited to, the audited financial statements of PHLP.

The Appraised Value, and the assumptions underlying the projections on which the Appraised Value are based, are contingent upon a series of future events, the outcomes of which are not necessarily within the Operating Partnership's control and cannot be determined at this time. There can be no assurance that another appraiser would not have arrived at a different result. Some of the assumptions inevitably will not materialize and unanticipated events and circumstances will occur subsequent to the date of the Appraisals. Furthermore, the actual results achieved from PHLP's Hotels will vary from the results projected in the Appraisals and the variations may be material.

ADJUSTED APPRAISED VALUE. The Adjusted Appraised Value of PHLP was determined by totaling the Appraised Values of all of the Hotels of PHLP and then making various adjustments to the aggregate Appraised Value, as described below.

- . Mortgage and Other Debt. The estimated principal balance and accrued interest (including participating interest that would accrue as a result of the Merger) as of the Effective Date (assumed to be December 31, 1998) of all mortgage and other debt of PHLP has been subtracted from the Appraised Value.
- . Deferred Management Fees. The amount of deferred management fees (management fees earned by the manager pursuant to the Management Agreement and not paid currently) estimated to be payable under the Management Agreements of PHLP as of December 31, 1998 have been subtracted from the Appraised Value. The amount of such deferred management fees will be recalculated as of the Final Valuation Date.
- . Deferred Maintenance Costs. The estimated cost to complete any deferred maintenance items identified in the Engineering Study relating to PHLP's Hotels have been subtracted from the Appraised Value. The adjustments for this item will be reduced at the Final Valuation Date to reflect amounts expended after the Initial Valuation Date to perform such deferred maintenance. No adjustments have been made for previously budgeted capital expenditures or deferred maintenance costs estimated in the Engineering Study that are reflected in the cash flow projections used for purposes of estimating Appraised Values.
- . Transfer and Recordation Taxes and Fees. The estimated transfer and recordation taxes and fees required to be paid by PHLP in connection with the Merger have been subtracted from the Appraised Value.

The following table sets forth the adjustments to the aggregate Appraised Values made to derive the estimated Adjusted Appraised Value for PHLP as of the Initial Valuation Date.

CALCULATION OF ESTIMATED ADJUSTED APPRAISED VALUE FOR PHLP
AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$ 265,800
Mortgage debt.....	(161,136)
Other debt.....	(128,102)
Deferred management fees.....	(34,151)
Deferred maintenance costs.....	(5,212)
Transfer taxes.....	(814)

Estimated Adjusted Appraised Value.....	\$ 0(1)
	=====

- - - - -

(1) The estimated Adjusted Appraised Value for PHLP is zero because PHLP's outstanding debt is greater than the Appraised Value of the Hotels and the value of other assets, net of liabilities, owned by PHLP.

CONTINUATION VALUE. AAA estimated the Continuation Value of PHLP using the following methodology:

- . Estimated Future Cash Distributions. AAA prepared estimates of future partnership cash flow for PHLP for the 12-year period from January 1, 1998 through December 31, 2009 based upon the estimated 1998 NOI before incentive management fees used in the Appraisals and for each subsequent year applying an assumed annual stabilized growth rate (as shown in the table below) developed by AAA for this analysis. For each year in the projection period, AAA estimated the amount of cash available for distribution to PHLP's limited partners after payment of all management fees, debt service, owner funded capital expenditures based on the Engineering Study and other partnership expenses and after application of the applicable partnership agreement provisions. AAA assumed that

PHLP's FF&E reserve was adequate and understood that Host determined that there were no reserve shortfalls or surpluses.

- Refinancing Assumptions. For debt that matures during the 12-year period, AAA assumed that the first mortgage debt of PHLP would be refinanced with an interest rate of 8.0% per annum and a 25-year amortization schedule and the second mortgage debt would be refinanced with an 8.5% interest rate per annum and a 25-year amortization schedule, with estimated refinancing costs of 2% of the refinanced amount being added to the principal balance of the loan, since cash flow of PHLP was estimated to be insufficient to pay such costs.
- Determination of Residual Value. To estimate the residual value of the PHLP limited partners' interest in PHLP at the end of the 12-year period, AAA assumed that the PHLP Hotels would be sold as of December 31, 2009 at their then market value. AAA estimated the market value of each Hotel as of such date by applying an exit capitalization rate that it deemed appropriate, using the factors described above in connection with the "--Appraised Value," which are set forth in the table below, to the estimated Adjusted NOI for 2009 (estimated as described above). AAA then subtracted estimated sales costs of 2% of the estimated market value, added lender reserves and subtracted the estimated outstanding principal balance of debt as of December 31, 2009 and deferred management fees to arrive at net sales proceeds available for distribution to PHLP partners. AAA then determined what portion of such estimated net sales proceeds would be distributable to PHLP's limited partners under the partnership and debt agreements.
- Discounting Distributions to Present Value. As a final step, AAA discounted the estimated future cash distributions to PHLP's limited partners from operations and estimated net sales proceeds to their present value as of January 1, 1998, using a discount rate of 20% per annum. AAA believes that this discount rate reflects the return on investment that investors expect from leveraged investments of this nature.

While the 12-year period used by AAA is somewhat arbitrary and other firms may have used a different time period, the 12-year period was selected by AAA because it corresponds to the time period used in the Engineering Study to estimate owner funded capital expenditures. AAA and the General Partner believe that such 12-year period is within the accepted range of time periods used in valuations similar to the Continuation Value.

The growth rate and exit capitalization rate used to determine the estimated Continuation Value for PHLP are as set forth below:

GROWTH RATE, EXIT CAPITALIZATION RATE
AND ESTIMATED CONTINUATION VALUE FOR PHLP
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT AND PERCENTAGES)

GROWTH RATE	EXIT CAPITALIZATION RATE (2009)	ESTIMATED CONTINUATION VALUE	ESTIMATED GENERAL PARTNER'S SHARE	ESTIMATED LIMITED PARTNER'S SHARE (1)	ESTIMATED CONTINUATION VALUE (PER PARTNERSHIP UNIT)
3.6%	10.1%	\$12,096	\$3,024	\$9,072	\$5,040

(/1/Includes) amounts attributable to interests of the General Partner.

LIQUIDATION VALUE. The Liquidation Value of PHLP was estimated by the General Partner and represents the estimated value of PHLP if all of its assets were sold as of December 31, 1998. Such value was based upon the Adjusted Appraised Value of PHLP, with the following adjustments: (i) the "mark to market" adjustment used to estimate the Adjusted Appraised Value was eliminated and instead prepayment or defeasance costs that would be payable under existing debt agreements (regardless of whether the debt in fact can be prepaid on December 31, 1998) were deducted from the Appraised Value; and (ii) the deduction for transfer and recordation taxes and fees used to estimate the Adjusted Appraised Value was eliminated and instead an amount equal to

2.5% of the Appraised Value of PHLP's Hotels was subtracted from the Appraised Value for estimated liquidation costs, expenses and contingencies. The General Partner then determined the portion of the estimated Liquidation Value that would be distributable to PHLP's limited partners under the terms of the partnership agreement and other contractual arrangements.

The following table sets forth the adjustments made to the Adjusted Appraised Value to estimate the Liquidation Value of PHLP as of the Initial Valuation Date:

CALCULATION OF ESTIMATED LIQUIDATION VALUE OF PHLP
AS OF THE INITIAL VALUATION DATE
(IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT AMOUNT)

Appraised Value.....	\$ 265,800
Mortgage debt.....	(161,136)
Other debt.....	(128,102)
Deferred management fees.....	(34,151)
Deferred maintenance costs.....	(5,212)
Sales costs.....	(6,645)

Estimated Liquidation Value.....	\$ 0(1)
	=====

(1) The estimated Liquidation Value for PHLP is zero because PHLP's outstanding debt is greater than the Appraised Value of the Hotels and the value of other assets, net of liabilities, owned by PHLP.

ESTIMATED EXCHANGE VALUE. The following table sets forth the estimated Exchange Value of PHLP (based upon the greatest of its estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value), the estimated minimum number of OP Units to be received (based upon a maximum price of \$15.50 per OP Unit) and the estimated Note Election Amount for PHLP, all on a per Partnership Unit basis as of the Initial Valuation Date. The number of Common Shares received in exchange for OP Units will equal the number of OP Units. The estimated Note Election Amount for PHLP (which will be received by PHLP Limited Partners electing to receive Notes in exchange for OP Units in connection with the Merger) is equal to 80% of the estimated Exchange Value for PHLP. The estimated values set forth below may increase or decrease as a result of various adjustments, which will be finally calculated as of the Final Valuation Date but will not change as a result of less than all of the Partnerships participating in the Mergers. The actual number of OP Units to be received by the PHLP Limited Partners will be based on the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date (but will not be less than \$9.50 or greater than \$15.50 per OP Unit) and will not be finally determined until such time.

ESTIMATED EXCHANGE VALUE, MINIMUM NUMBER OF OP UNITS AND NOTE ELECTION AMOUNT
OF PHLP
PER PARTNERSHIP UNIT(1)

ESTIMATED ADJUSTED APPRAISED VALUE (2)	ESTIMATED CONTINUATION VALUE	ESTIMATED LIQUIDATION VALUE (2)	ESTIMATED EXCHANGE VALUE (3)	ESTIMATED MINIMUM NUMBER OF OP UNITS (4)	ESTIMATED NOTE ELECTION AMOUNT (5)
-----	-----	-----	-----	-----	-----
\$0	\$5,040	\$0	\$5,040	325	\$4,032

- (1) A Partnership Unit in PHLP represents an original investment of \$10,000.
- (2) The estimated Adjusted Appraised Value and the estimated Liquidation Value are zero because PHLP's outstanding debt is greater than the Appraised Value of the Hotels and the value of other assets, net of liabilities, owned by PHLP.
- (3) The estimated Exchange Value is equal to the greatest of estimated Adjusted Appraised Value, estimated Continuation Value and estimated Liquidation Value.
- (4) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.
- (5) The principal amount of Notes is equal to the greater of (i) the Liquidation Value or (ii) 80% of the Exchange Value (the "Note Election Amount").

Price of OP Units to Pay Exchange Value to PHLP Limited Partners. Each PHLP Limited Partner will receive OP Units with a deemed value equal to the Exchange Value of such PHLP Limited Partner's Partnership Interests. The price of an OP Unit for this purpose will be equal to the average closing price on the NYSE of a Host REIT Common Share for the 20 trading days after the Effective Date of the Mergers (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). Thus, if the 20-day average trading price is less than \$9.50, the price per OP Unit in the Merger would be \$9.50; and if such average trading price is greater than \$15.50, the price per OP Unit in the Merger would be \$15.50. The OP Units will be issued to the PHLP Limited Partners promptly after the twentieth trading day following the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998).

PHLP Limited Partners at the Effective Date of the Merger who retain OP Units will receive cash distributions from PHLP for all of 1998 and, if the Merger does not occur in 1998, any portion of 1999 prior to the Merger for which period they do not receive a cash distribution from the Operating Partnership. Cash distributions will be made by PHLP in accordance with its partnership agreement on or before June 1, 1999 in respect of 1998 operations and, if the Merger does not occur prior to January 1, 1999, within 90 days after the Effective Date of the Merger in respect of any 1999 operations. The General Partner of PHLP does not expect that the Partnership will make any further distributions in respect of 1998 operations. PHLP Limited Partners at the Effective Date of the Mergers who elect to receive Common Shares in exchange for OP Units in connection with the Merger will participate in the same distributions from PHLP as PHLP Limited Partners who retain OP Units and will receive distributions from Host REIT with respect to periods after their Common Shares are issued, which distributions will equal the amount distributed with respect to the OP Units for such periods (although distributions to shareholders would be lower than distributions to holders of OP Units (by the amount of Host REIT's 1999 corporate income tax payments) if the REIT Conversion does not occur in 1998 and Host REIT is unable to elect REIT status effective January 1, 1999). Neither the Operating Partnership nor Host REIT anticipates making distributions after the Effective Date of the Merger and prior to the issuance of Common Shares to those PHLP Limited Partners who elect to exchange their OP Units for Common Shares. PHLP Limited Partners at the Effective Date of the Merger who elect to receive a Note in exchange for OP Units in connection with the Merger will participate in the same distributions from PHLP as Limited Partners who retain OP Units but will not receive any distributions from the Operating Partnership with respect to periods after the Notes are issued.

No fractional OP Units will be issued. Fractional amounts less than 0.50 of an OP Unit will be rounded down to the next whole number and fractional amounts greater than or equal to 0.50 will be rounded up to the next whole number of OP Units.

DETERMINATION OF VALUE OF THE GENERAL PARTNER'S INTERESTS IN PHLP AND ALLOCATION OF OP UNITS TO THE GENERAL PARTNER

The value of the General Partner's interest will be determined in the same manner as the Exchange Value of the PHLP Limited Partners' Partnership Interests by the same methodologies set forth above and giving effect to the applicable distribution provisions in the PHLP partnership agreement. The number of OP Units that will be received by the General Partner will be equal to the value of its interest in PHLP divided by the same price per OP Unit used to determine the number of OP Units to be received by the PHLP Limited Partners.

The following table sets forth the estimated value of the interest of the General Partner in PHLP based upon the estimated aggregate Exchange Value of the PHLP Limited Partners' Partnership Interests as of the Initial Valuation Date and the estimated minimum number of OP Units to be received by the General Partner in respect thereof.

ESTIMATED VALUE OF THE GENERAL PARTNER'S INTEREST AND MINIMUM NUMBER OF OP
UNITS

(IN THOUSANDS, EXCEPT NUMBER OF OP UNITS)

Aggregate Estimated Exchange Value.....	\$12,096
Limited partners' share of aggregate Estimated Exchange Value.....	9,072

Estimated value of General Partner's interest(1).....	\$ 3,024
Estimated value of General Partner's limited partner interest.....	5

Estimated total value of Host interests.....	\$ 3,029
	=====
Estimated minimum number of OP Units:(2).....	195

- -----
(1) Excludes limited partner interest of the General Partner.

(2) Assumes the price of an OP Unit is \$15.50, which is the maximum price for purposes of the Merger and thus results in the minimum number of OP Units that may be issued.

FAIRNESS ANALYSIS AND OPINION

FAIRNESS ANALYSIS

The General Partner believes that the Merger provides substantial benefits and is fair to the Limited Partners of PHLP and recommends that all Limited Partners of PHLP consent to the Merger. The General Partner bases this recommendation primarily on (i) its view that the expected benefits of the Merger for the PHLP Limited Partners outweigh the risks and potential detriments of the Merger to the PHLP Limited Partners (see "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers" and "Risk Factors"), (ii) its view that the value of the OP Units allocable to the PHLP Limited Partners on the basis of the Exchange Value established for PHLP represents fair consideration for the Partnership Interests held by the PHLP Limited Partners and is fair to the PHLP Limited Partners from a financial point of view and (iii) the Appraisals and Fairness Opinion of AAA. See "-- Fairness Opinion."

The Merger is not conditioned upon the consummation of any of the other Mergers. The General Partner has considered this fact in evaluating the fairness of the Merger. The General Partner believes that the fairness of the Merger will not be materially affected by the presence or absence of any other individual Partnership or by any particular combination of other Partnerships and that the Merger will be fair to the PHLP Limited Partners, individually and as a whole, if it is consummated with any combination of other Participating Partnerships. The General Partner bases this belief primarily on the fact that the consideration to be paid to the PHLP Limited Partners has been established based upon PHLP's Exchange Value, without regard to any possible combination of other Partnerships.

In reaching the conclusions implicit in the above recommendation, the General Partner has taken into account the following considerations, placing the greatest weight on the first two considerations:

- . The General Partner has concluded that the Exchange Value for PHLP represents fair consideration for the Partnership Interests of the PHLP Limited Partners in the Merger in relation to PHLP because the Exchange Value is equal to the greatest of the Adjusted Appraised Value, Continuation Value and Liquidation Value, each of which is an acceptable method for determining the fair market value of a Partnership's assets. The General Partner also has concluded that the Exchange Value established for the PHLP Limited Partners fairly reflects the value of the assets held by PHLP.
- . PHLP Limited Partners who retain OP Units will be able to defer recognition of gain until such time as they choose to realize such gain based on their personal circumstances.
- . The General Partner has concluded that the potential benefits of the Merger to the PHLP Limited Partners, as described under "Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers," outweigh the potential risks and detriments of the Merger for the PHLP Limited Partners, as described in "Risk Factors."

- . The General Partner considered the maximum and minimum deemed values of OP Units established for purposes of the Merger. The General Partner noted that the maximum deemed value of the OP Units, which has the effect of establishing a minimum number of OP Units that PHLP Limited Partners will receive in the Merger, supports the fairness of the Merger. With regard to the minimum deemed value of the OP Units, which has the effect of establishing a maximum number of OP Units that PHLP Limited Partners will receive in the Merger, the General Partner concluded that such a provision is customary when there is a maximum exchange price and that the levels established for the minimum and maximum deemed values of the OP Units represent a reasonable allocation of the risk of fluctuation in the trading price of Host REIT Common Shares immediately following the Merger. The minimum value was set at a level that is less than the recent average trading price of Host common stock (after deducting an amount equal to the estimated per share Initial E&P Distribution to be made in connection with the REIT Conversion) and the maximum is higher than such adjusted trading price. The Merger Agreement limits the value of the distributions that Host and Host REIT can make to their shareholders and to the Blackstone Entities (through the Operating Partnership) prior to consummation of the Merger. Based upon these considerations and others, the General Partner concluded that the maximum and minimum deemed values of the OP Units support the fairness of the Merger to the PHLP Limited Partners.
- . The General Partner considered the method of allocating the OP Units received by PHLP in the Merger between the General Partner and the PHLP Limited Partners. Because the OP Units are allocated in accordance with the distribution provisions in the PHLP partnership agreement, the General Partner concluded that this method supports the fairness of the Merger to the PHLP Limited Partners.
- . The General Partner considered the method of allocating the OP Units to be owned by Host REIT and its subsidiaries (including the General Partners) following the REIT Conversion (without taking into account any OP Units that may be acquired in connection with the Common Share Election). The number of OP Units to be owned by Host REIT and its subsidiaries will be equal to the number of shares of Host common stock outstanding at the time. Because the formation of the Operating Partnership is functionally equivalent to the formation of a wholly owned subsidiary and reflects the one-for-one economic equivalence between shares of Host common stock and OP Units, the General Partner concluded that this method supports the fairness of the Merger to the PHLP Limited Partners.
- . The Fairness Opinion, in the view of the General Partner, supports the fairness of the Merger, even though it includes qualifications, limitations and assumptions relating to its scope and other factors that PHLP Limited Partners should consider carefully and does not conclude that the Exchange Value is the best price that could be obtained. The availability of the Fairness Opinion is particularly significant in light of the absence of arm's length negotiations in establishing the terms of the Merger.
- . The General Partner believes that the economic terms of the leases of the PHLP Hotels are fair and reasonable from the standpoint of the Operating Partnership.
- . Host REIT will benefit from the operations of the Operating Partnership only to the extent of the distributions received based upon its percentage interest in the Operating Partnership to the same extent as the other limited partners. The General Partner believes that this is a factor supporting the fairness of the Merger to the PHLP Limited Partners.
- . The General Partner believes that the value of the consideration to be received by the PHLP Limited Partners in the Merger is fair in relation to the value which would be derived by such Limited Partners under any of the alternatives described under "Background and Reasons for the Mergers and the REIT Conversion--Alternatives to the Mergers," especially since the Exchange Value of PHLP is equal to its Continuation Value, which is the greatest of the Adjusted Appraised Value, the Continuation Value and the Liquidation Value and the historic prices paid for PHLP Partnership Units. The General Partner does not believe that the sale of any of PHLP's Hotels and liquidation of PHLP would obtain for PHLP Limited Partners as much value as the value to be received by such PHLP Limited Partners following the Merger. In addition, while the Continuation Values of certain of the Partnerships, including PHLP, are higher than the Adjusted Appraised Values of such Partnerships, the General Partner believes that the Merger provides substantial benefits to PHLP Limited Partners, including those benefits described under

"Background and Reasons for the Mergers and the REIT Conversion--Reasons for the Mergers," especially enhanced liquidity and regular quarterly cash distributions. The General Partner believes that the following benefits are of the greatest value and importance to the PHLP Limited Partners:

- . Liquidity. The REIT Conversion will offer PHLP Limited Partners liquidity with respect to their investments in PHLP because PHLP Limited Partners can receive freely tradeable Host REIT Common Shares in connection with the Merger, or, for PHLP Limited Partners who elect to retain OP Units, at any time commencing one year following the Effective Date, by exercising their Unit Redemption Right, subject to certain limited exceptions. Host has approximately 204 million shares of common stock outstanding and is expected to have a total common equity market capitalization of approximately \$3.4 billion after giving effect to the Initial E&P Distribution (based on a price per Host REIT Common Share of \$12.50). The election to exchange OP Units for Common Shares in connection with the Merger or the exercise of the Unit Redemption Right, however, generally would result in recognition of taxable income or gain.
- . Regular Quarterly Cash Distributions. The General Partner expects that the Operating Partnership will make regular quarterly cash distributions to holders of OP Units and that Host REIT will make regular quarterly cash distributions to holders of Common Shares. PHLP will not distribute any cash for 1998; therefore, the ability to receive distributions quarterly and in regular amounts would be enhanced.
- . Risk Diversification. Upon consummation of the REIT Conversion, each PHLP Limited Partner's investment will be converted from an investment in PHLP, which owns eight hotels, into an investment in an enterprise that is expected initially to own or control approximately 125 Hotels and will have a total market capitalization of approximately \$3.4 billion, thereby reducing the dependence upon the performance of, and the exposure to the risks associated with, any particular Hotel or group of Hotels currently owned by PHLP and spreading such risk over a broader and more varied portfolio, including more diverse geographic locations and multiple brands.
- . Reduction in Leverage and Interest Costs. It is expected that the Operating Partnership generally will have a lower leverage to value ratio (approximately 62%) than PHLP currently, which has outstanding debt balances in excess of the Exchange Values of its Hotels, resulting in significant interest and debt service savings and greater financial stability.
- . Substantial Tax Deferral for PHLP Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes. The General Partner expects that PHLP Limited Partners who do not elect to receive Common Shares or a Note in exchange for OP Units in connection with the Merger generally should be able to obtain the benefits of the Merger while continuing to defer recognition for federal income tax purposes of at least a substantial portion, if not all, of the gain with respect to their Partnership Interests that otherwise would be recognized in the event of a liquidation of PHLP or a sale or other disposition of its assets in a taxable transaction (although PHLP Limited Partners may recognize a relatively modest amount of ordinary income as the result of required sales of personal property by PHLP to a Non-Controlled Subsidiary in order to facilitate Host REIT's qualification as a REIT). The General Partner considered the possibility that the REIT Conversion might not occur in time for Host REIT to elect REIT status effective January 1, 1999, in which event Host REIT's election to be taxed as a REIT could be delayed until January 1, 2000 (and the Blackstone Acquisition might not be consummated). The General Partner believes that the overall benefits of the Merger and the REIT Conversion for the PHLP Limited Partners justify proceeding with the Merger as promptly as practicable, even if Host REIT's election to be taxed as a REIT might not be effective until January 1, 2000. The General Partner took into account the complexity of the REIT Conversion, the number of transactions that must occur to complete the REIT Conversion and the benefits to the PHLP Limited Partners of positioning Host REIT to qualify as a REIT as soon as practicable. The General Partner also recognized that a delay in the election of REIT status until January 1, 2000 would not reduce the anticipated Operating Partnership cash distributions per OP Unit (but the Host REIT cash distributions per Common Share would be reduced by the amount of corporate income taxes that Host REIT would have to pay for 1999).

The General Partner believes that the factors described above, which support the fairness of the Merger to the PHLP Limited Partners, when weighed against the factors that may be disadvantageous, taken as a whole, indicate that the Merger is fair to the PHLP Limited Partners.

FAIRNESS OPINION

AAA, an independent financial advisory firm with substantial real estate and partnership transaction experience, was engaged by the General Partner and the other General Partners to perform the Appraisals and to render the Fairness Opinion that (i) the Exchange Value and the methodologies and underlying assumptions used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of PHLP and each other Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of the Hotels,) are fair and reasonable, from a financial point of view, to the PHLP Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the PHLP Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the PHLP Limited Partners and the Limited Partners of each other Partnership. The Fairness Opinion is addressed to each Partnership and it may be relied upon by each of the PHLP Limited Partners and the Limited Partners of each of the other Partnerships. The full text of the Fairness Opinion, which contains a description of the assumptions and qualifications applicable to the review and analysis by AAA, is set forth in Appendix B to the Consent Solicitation and should be read in its entirety. The material assumptions and qualifications to the Fairness Opinion are summarized below, although this summary does not purport to be a complete description of the various inquiries and analyses undertaken by AAA in rendering the Fairness Opinion. Arriving at a fairness opinion is a complex analytical process not necessarily susceptible to partial analysis or amenable to summary description. For a more complete description of the assumptions and qualifications that limit the scope of the Fairness Opinion, see "--Qualifications to Fairness Opinion" and "--Assumptions" below.

The Fairness Opinion is not limited to any particular combination of Partnerships participating in the Mergers because there is no combination of Partnerships required in order to complete the Mergers. No Merger is conditioned upon the consummation of any other Merger. The Fairness Opinion addresses the fairness of the Exchange Value for each Partnership to the Limited Partners of each Partnership, which Exchange Value has been established for each Partnership without regard to any possible combination of Partnerships. In light of the foregoing, the Fairness Opinion will not be revised to reflect the actual Partnerships which participate in the Mergers.

Although the General Partner advised AAA that certain assumptions were appropriate in its view, the General Partner imposed no conditions or limitations on the scope of the investigation by AAA or the methods and procedures to be followed by AAA in rendering the Fairness Opinion. The fees and expenses of AAA will be treated as a Merger Expense and will be paid by the Operating Partnership. In addition, the General Partner has agreed to indemnify AAA against certain liabilities. See "--Compensation and Material Relationships."

Qualifications to Fairness Opinion. In the Fairness Opinion, AAA specifically states that it did not: (i) specifically consider other methodologies for allocation of the OP Units, (ii) address or conclude that other methodologies for allocation of the OP Units to PHLP and the other Partnerships might not have been more favorable to the Limited Partners in certain of the Partnerships, (iii) negotiate with the General Partner, the General Partners of other Partnerships or Host, (iv) participate in establishing the terms of the Merger and the other Mergers, (v) provide an opinion as to the terms and conditions of the Merger and the other Mergers other than those explicitly stated in the Fairness Opinion, (vi) make any independent review of the capital expenditure estimates set forth in the Engineering Study or (vii) make any estimates of PHLP's and each other Partnership's contingent liabilities.

In connection with preparing the Fairness Opinion, AAA was not engaged to, and consequently did not, prepare any written report or compendium of its analysis for internal or external use beyond the analysis set

forth in Appendix B. AAA will not deliver any additional written opinion of the analysis, other than to update the written opinion if requested by the Operating Partnership.

Experience of AAA. AAA is the world's largest independent valuation consulting firm and is regularly and continually engaged in the valuation of commercial real estate and businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, divestitures, employee stock ownership plans, leveraged buyout plans, private placements, limited partnerships, estate and corporate matters, other financial advisory matters and other valuation purposes.

AAA was selected because of its experience in the valuation of businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, including transactions involving hotel partnerships and the price for its services. The General Partner did not solicit proposals from any other appraisal or investment banking firms for the Appraisals or the Fairness Opinion. In addition, Host and its affiliates have previously engaged AAA to provide appraisals and fairness opinions in connection with other transactions.

Summary of Materials Considered and Investigation Undertaken. As a basis for rendering the Fairness Opinion, AAA has made such reviews, studies and analyses as it deemed necessary and pertinent in order to provide it with a reasonable basis for the Fairness Opinion, including, but not limited to, the following: (i) reviewed the transaction documents and SEC reporting and/or filing documents, including drafts of the Form S-4 for the Mergers; (ii) provided the Market Value of each Hotel owned by each Partnership in a separate short form appraisal report and each such report was reviewed and certified by an MAI appraiser as to its preparation in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation; as part of the Appraisals, AAA reviewed historical operating statements, 1998 budget and year-to-date results, and other financial information as it deemed necessary as a basis for the Fairness Opinion and the Appraisals also considered market transactions of similar lodging properties as appropriate as a basis for the Market Value of each Hotel; (iii) reviewed the methodologies used by each of the General Partners in their determination of the Exchange Value of each Partnership, including the nature and amount of all adjustments to the Appraised Values in determining such Exchange Values; AAA reviewed and tested for the fairness and reasonableness of all adjustments as well as for consideration of all adjustments deemed to be appropriate by AAA; (iv) reviewed the methodologies used by each of the General Partners in their determination of the value of an OP Unit and the allocation of the equity interest in the Operating Partnership to be received by the limited partners of each Partnership, and AAA reviewed and tested for the fairness and reasonableness of the methods and measurements made by the General Partners; (v) reviewed the General Partners' determination of the Liquidation Value of each Partnership, and AAA reviewed and tested for the fairness and reasonableness of all adjustments proposed by the General Partners, as well as for consideration of all adjustments deemed appropriate by AAA; (vi) provided an estimate of the Continuation Value of each Partnership based upon the estimated present value of expected benefits to be received by each limited partner interest as though the Mergers did not occur and each Partnership's assets were sold within a twelve year period; AAA, as part of its analysis and review, determined appropriate rates of growth in house profit or net operating income, as well as reviewed other key variables affecting partnership cash flows and other economic/financial factors affecting the Partnerships' expected operations and results; (vii) reviewed the terms of the ground leases of the Hotels and the partnership agreement of each Partnership; (viii) reviewed audited and unaudited historical income statements, balance sheets and statements of sources and uses of funds of each Partnership and Host and pro forma financial information for Host REIT; (ix) reviewed audited and unaudited historical operating statements of each Hotel, as well as current operating statements and budgets; (x) conducted real estate valuation and financial due diligence with respect to the Partnerships and their underlying assets, liabilities and equity; (xi) reviewed internal Marriott International, Host and Partnership financial analyses and other internally generated data for each Hotel; and (xii) discussed all of the foregoing information, where appropriate, with management of Marriott International, Host and the Partnerships and their respective employees.

Assumptions. In rendering its opinion, AAA relied, without independent verification, on the accuracy and completeness in all material respects of certain relevant publicly available information and information provided to AAA by Host and the Hotels. AAA assumed that all information furnished by Host, the Hotels and the Partnerships and their representatives, upon which AAA relied, presented an accurate description in all material respects of the current and prospective status of the Hotels and the Partnerships from an operational and financial point of view. AAA also noted that the Fairness Opinion was based upon financial, economic, market and other considerations as they existed and could be evaluated as of March 1, 1998. AAA did not conduct any subsequent due diligence or valuation procedures, except that AAA reviewed year-to-date net house-profit results through September 11, 1998 as reflected on Host's Format 90 reports for each Partnership and, based upon such review and upon current financial, economic and market conditions and indicated trends therein, AAA concluded that nothing came to AAA's attention that would because it to be unable to render the Fairness Opinion as of such date.

Conclusions. AAA concluded that, based upon and subject to its analysis and assumptions and limiting conditions, and as of the date of the Fairness Opinion: (i) the Exchange Value and methodologies used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of each Partnership (including, without limitation, the assumptions used to determine the various adjustments to the Appraised Values of each of the Hotels,) are fair and reasonable, from a financial point of view, to the PHLP Limited Partners and the Limited Partners of each other Partnership and (ii) the methodologies used to determine the value of an OP Unit and to allocate the equity interest in the Operating Partnership to be received by the PHLP Limited Partners and the Limited Partners of each other Partnership are fair and reasonable to the PHLP Limited Partners and the Limited Partners of each other Partnership.

Summary of Methodology. AAA evaluated each Partnership's Hotel(s) based upon the income capitalization approach and broadly applied the sales comparison approach. Appraisers typically use up to three approaches in valuing real property: the cost approach, the income capitalization approach and the sales comparison approach. The type and age of a property, market conditions and the quantity and quality of data affect the applicability of each approach in a specific appraisal situation. Since the Hotels are viable, existing, ongoing enterprises with an established market presence, work force and management team, the cost approach was not considered by AAA in the Appraisals. The income capitalization approach estimates a Hotel's capacity to produce income through an analysis of the market, operating expenses and net income. Net income may then be processed into a value through either (or a combination of) two methods: direct capitalization or discounted cash flow analysis. The sales comparison approach looks at similar properties which have recently sold or are currently offered for sale in the market and are analyzed and compared with the Hotel being valued. For further description of the methodology employed by AAA in the Appraisals, see "Determination of Exchange Values and Allocation of OP Units."

Compensation and Material Relationships. AAA has been paid a fee of \$335,000 for its services as described herein, including the Appraisals and preparing to deliver the Fairness Opinion. In addition, AAA will be reimbursed for all reasonable out-of-pocket expenses, including legal fees and will be indemnified against certain liabilities, including certain liabilities under the securities laws. The fee was negotiated between Host, the General Partners and AAA. Payment of the fee to AAA is not dependent upon completion of the Mergers. AAA has been previously engaged by Host and its affiliates to provide appraisals, fairness opinions and solvency opinions in connection with other transactions.

CASH DISTRIBUTIONS

Historical Cash Distributions Paid by PHLP. PHLP has never paid any cash distributions to its Limited Partners.

Compensation and Distributions to the General Partner. Under PHLP's partnership agreement, the General Partner does not receive fees or compensation in connection with managing the affairs of PHLP but the General Partner is reimbursed for certain costs and expenses incurred on behalf of PHLP. In addition, the General

Partner is entitled to distributions related to its interests in PHLP. The following information has been prepared to compare the amount of reimbursements paid and cash distributions made by PHLP to the General Partner to the amounts that would have been paid if the reimbursement and distribution structure which will be in effect after the REIT Conversion had been in effect for the periods presented.

Following the REIT Conversion, Host REIT will be entitled to receive cash distributions with respect to the OP Units that it owns and the Operating Partnership will pay (or reimburse Host REIT for) all expenses that Host REIT incurs, including taxes (subject to certain limited exceptions). Marriott International and its subsidiaries receives management fees and other reimbursements from PHLP under the Management Agreements.

The following table sets forth the reimbursements and distributions paid by PHLP to the General Partner and payments made to Marriott International and its Affiliates for the last three fiscal years and the First Two Quarters 1998 ("Historical") and the reimbursements and distributions that would have been paid to the General Partner and payments made to Marriott International and its Affiliates for the last fiscal year and the First Two Quarters 1998 if the REIT Conversion had been in effect, assuming the Full Participation Scenario ("Pro Forma") and assuming a distribution per OP Unit of \$0.84 per year during such period, which is the preliminary estimated initial annual cash distributions during the twelve months ending December 31, 1999.

HISTORICAL AND PRO FORMA
REIMBURSEMENTS AND DISTRIBUTIONS TO THE GENERAL PARTNER AND
PAYMENTS MADE TO MARRIOTT INTERNATIONAL AND ITS AFFILIATES
(IN THOUSANDS)

	FIRST TWO QUARTERS 1998		FISCAL YEAR 1997		FISCAL YEAR 1996		FISCAL YEAR 1995	
	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA	HISTORICAL	PRO FORMA
Reimbursements(1).....	\$ 132	\$ --	\$ 259	\$ --	\$ 218	\$ --	\$ 88	\$ --
Distributions(2).....	--	82	--	164	--	164	--	164
Payments made to Marriott International and its Affiliates.....	7,750	7,750	11,617	11,617	11,184	11,184	11,388	11,388
Total.....	<u>\$7,882</u>	<u>\$7,832</u>	<u>\$11,876</u>	<u>\$11,781</u>	<u>\$11,402</u>	<u>\$11,348</u>	<u>\$11,476</u>	<u>\$11,552</u>

(1) All expenses will be paid directly by the Operating Partnership, accordingly, there are no expected reimbursements on a pro forma basis.

(2) The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1997 and the First Two Quarters 1998 assumes payment of distributions at a rate of \$0.84 per annum per OP Unit (which represents the preliminary estimated initial annual cash distributions per OP Unit during the twelve months ending December 31, 1999) with respect to the estimated minimum number of OP Units that the General Partner and its affiliates will receive with respect to their general and limited partner interests in the Partnerships, assuming all Partnerships participate in the Mergers and the maximum price of \$15.50 per OP Unit. Such number does not reflect the aggregate number of OP Units Host REIT will receive in connection with the REIT Conversion. The amount of distributions payable to the General Partner and its affiliates on a pro forma basis in 1996 and 1995 are assumed to be zero (based upon the assumption that the Operating Partnership and Host REIT would not have had any taxable income for such years and thus would not have made any distributions). The pro forma distributions payable to the General Partner and its affiliates are not necessarily indicative of the amounts that would have been distributed per OP Unit in such periods if the REIT Conversion and the Mergers had been consummated as of the beginning of each period shown.

CERTAIN INFORMATION REGARDING THE HOTELS OWNED BY PHLP

NAME OF HOTEL	LOCATION OF HOTEL	NUMBER OF ROOMS	DATE OPENED
Albuquerque Marriott Hotel	Albuquerque, NM	411	1982
Greensboro-High Point Marriott Hotel	Greensboro, NC	299	1983
Houston Marriott Medical Center Hotel	Houston, TX	386	1984
Marriott Mountain Shadows Resort	Scottsdale, AZ	337	1959
Miami Biscayne Bay Hotel	Miami, FL	605	1983
Raleigh Marriott Hotel	Raleigh, NC	375	1982
Seattle Sea-Tac Airport Marriott Hotel	Seattle, WA	459	1981
Tampa Westshore Marriott Hotel	Tampa, FL	310	1981
TOTAL		<u>3,182</u>	

The table below sets forth certain performance information for PHLP's Hotels for the indicated periods.

	FIRST TWO QUARTERS		FISCAL YEAR		
	1998	1997	1997	1996	1995 (1)
Average daily rate.....	\$ 117.81	\$ 110.15	\$105.40	\$95.98	\$94.86
Occupancy.....	81.1%	82.2%	78.5%	79.4%	79%
REVPAR.....	\$ 95.54	\$ 90.54	\$ 82.74	\$76.21	\$74.94
% REVPAR change.....	5.5%	--	8.6%	1.7%	--

(1) 1995 information includes statistics on one Dallas hotel which was sold on August 22, 1995. The % REVPAR change for 1995 is not shown as the Point Clear and Tampa Hotels were foreclosed upon and the Tampa and Raleigh Hotels were subsequently purchased in 1994 making 1994 and 1995 information incomparable.

Albuquerque Marriott Hotel, Albuquerque, New Mexico

The Albuquerque Marriott Hotel is located on a leased parcel of land of approximately six acres in the northeastern suburbs of Albuquerque in a residential, office and commercial development called Uptown.

The Hotel, which opened in July 1982, consists of a 16-story guest room tower. The facilities include 411 guest rooms, two restaurants, one lobby bar and cocktail service in the lobby. There is approximately 13,800 square feet of space for conventions and banquets. Parking is provided for approximately 500 cars. In addition, the Hotel offers an indoor/outdoor pool, hydrotherapy pool, sauna, health club and gift shop.

Competition. Studies indicate that currently six hotels with approximately 1,800 rooms directly compete with the Albuquerque Marriott Hotel in the Albuquerque market.

Ground Lease. The Hotel site is subject to a ground lease with an initial term expiring in July 2032 and with three renewal options of 10 years each. The ground lease provides for annual rent equal to the greater of (i) 3.5% of annual gross room sales or (ii) \$155,000 for the first 10 years and \$165,000 thereafter during the initial term of the lease. For periods subsequent to the initial term of the lease, annual rent will equal the greatest of (i) 3.5% of annual gross room sales, (ii) \$165,000 or (iii) 10% of the fair market value of the land, determined in each case as of each renewal date of the lease.

Greensboro-High Point Marriott Hotel, Greensboro, North Carolina

The Greensboro-High Point Marriott Hotel is located on approximately 15 acres of leased land on the grounds of the Greensboro-High Point Regional Airport which serves the cities of Greensboro, High Point and Winston-Salem.

The Hotel, which opened in June 1983, is a six-story tower containing 299 guest rooms including a concierge floor, two restaurants, a lounge and approximately 9,000 square feet of space for banquets and conventions. Parking for 500 cars is provided. In addition, the Hotel has two lighted tennis courts, an indoor/outdoor pool with a 1,200-square foot deck for banquet functions, a hydrotherapy pool, a gift shop and a health club.

Competition. Studies indicate that currently three hotels containing approximately 1,500 rooms directly compete with the Greensboro-High Point Marriott Hotel in the Greensboro market.

Ground Lease. The Hotel site is subject to a ground lease from the Greensboro-High Point Airport Authority with an initial term expiring in June 2008 and with an option to extend for an additional 15 years. Additional renewal options totaling 20 years are available if the Hotel is expanded to 500 rooms. The lease calls for an annual rent equal to the greater of (i) 2.25% of the annual gross room sales plus 2% of the annual gross alcoholic beverage sales plus 1% of the annual gross food sales or (ii) \$127,000.

During the first extended term, the percentage rental for the annual gross room sales will be increased to 3% and, if on the first day of the extended term the Hotel contains fewer than 400 rooms, the percentage rentals for alcoholic beverage and food sales will increase to 2.5% and 1.25%, respectively.

Houston Marriott Medical Center Hotel, Houston, Texas

The Houston Marriott Medical Center Hotel is located in the Texas Medical Center in Houston, Texas, on a leased site of 23,670 square feet, and is situated directly opposite the main building of the Methodist Hospital and adjoins the Scurlock Towers which houses the Total Health Care Center of Methodist Hospital and approximately 200 doctors' offices.

The Hotel, which opened in August 1984, includes 386 guest rooms, two concierge floors, two restaurants and a lounge. There is approximately 8,500 square feet of space with facilities for conventions and banquets. Parking is available for approximately 380 cars in an adjacent parking structure. Additional facilities within the Hotel include an indoor pool, a hydrotherapy pool, a gift shop and a health club.

Competition. Studies indicate that currently six hotels containing approximately 1,600 rooms directly compete with the Houston Marriott Medical Center Hotel in the Houston market.

Ground Lease. The land on which the Hotel is located is subject to a ground lease with an initial term expiring in August 2009 with five 10-year renewal options. The lease provides for annual rental equal to the greater of (i) \$160,000 or (ii) 3% of the first \$15 million of annual gross room sales plus 3.25% of annual gross room sales in excess of \$15 million.

Marriott's Mountain Shadows Resort, Scottsdale, Arizona

The Mountain Shadows Resort Hotel is located on approximately 25 acres of fee-owned land in Scottsdale, approximately ten miles north of the Phoenix Sky Harbor International Airport. Host Marriott owns land adjacent to the site, on which an 18-hole executive-style golf course is located.

Mountain Shadows opened in 1959 and was acquired by PHLP in 1982. A major renovation program was completed in 1983. The Hotel contains 337 guest rooms as well as three pools, two hydrotherapy pools, eight lighted tennis courts and a fitness center. Hotel guests have full privileges at the Mountain Shadows Golf Club which offers an 18-hole executive-style golf course. In addition, guests of the Hotel have access to the Camelback Inn Country Club owned by Marriott International (which is approximately two miles from the Hotel and offers two 18-hole championship golf courses) and the Camelback Inn spa located on the Camelback Inn resort grounds. Dining facilities at the Hotel include a family restaurant, a specialty seafood restaurant and an outdoor terrace. The Hotel's restaurants can accommodate seating for 430. In addition, the Mountain Shadows Golf Club offers a restaurant/snack bar, bar and patio area. The Hotel has more than 15,000 square feet of space for conventions and banquets. Parking is available for approximately 740 cars.

Competition. Studies indicate that currently five hotels containing approximately 1,500 rooms directly compete with Marriott's Mountain Shadows Resort in the Scottsdale market.

Miami Biscayne Bay Hotel, Miami, Florida

The Miami Biscayne Bay Hotel is located on a leased parcel of land of approximately 1.9 acres plus space and facilities in an adjacent building in a residential and commercial project located on Biscayne Bay in downtown Miami.

The Hotel, which opened in December 1983, is a 31-story tower which has 605 guest rooms, one restaurant, an indoor lounge and cocktail service in the lobby. Approximately 14,000 square feet of space with facilities for conventions and banquets is available. Parking is provided for 288 cars. In addition, the Hotel has an outdoor pool, a recreation deck, a game room, a gift shop and a health club.

Competition. Studies indicate that currently five hotels containing approximately 2,500 rooms directly compete with the Miami Biscayne Bay Hotel in the Miami market.

Ground Lease. The Hotel site is subject to a ground lease with an initial term expiring in December 2008, with renewal options for five successive 10-year periods. The lease calls for annual rental of the greater of (i) \$1.0 million or (ii) 4% of annual gross room sales plus 3% of annual gross food and beverage sales.

Raleigh Marriott Hotel, Raleigh, North Carolina

The Raleigh Marriott Hotel is located on approximately ten acres of fee-owned land at the entrance to Crabtree Valley Mall in northwest Raleigh. The Raleigh-Durham Airport and the Research Triangle Park are located 10 and 17 miles west of the site, respectively. Downtown Raleigh is two miles east of the site.

The Hotel, which opened in March 1982, includes 375 guest rooms, one restaurant, a cocktail lounge and approximately 8,300 square feet of space for conventions and banquets. Parking for approximately 571 cars is provided. In addition, the Hotel offers an indoor/outdoor pool, a concierge lounge, sauna and hydrotherapy facilities, a health club and a gift shop.

Competition. Studies indicate that currently three hotels with approximately 900 rooms directly compete with the Raleigh Marriott Hotel in the Raleigh market.

Seattle Marriott Hotel Sea-Tac Airport, Seattle, Washington

The Seattle Marriott Hotel is located on nine acres of fee-owned land near the entrance to the Seattle-Tacoma International Airport. The Hotel is approximately ten miles from downtown Seattle and approximately three miles from Interstate 5, the major north-south route through Washington.

The Hotel, which opened in January 1981, consists of a nine-story tower and three five-story wings surrounding a landscaped atrium. The facilities include 459 guest rooms, a restaurant, an atrium cocktail service bar, three ballrooms totaling 18,500 square feet and meeting and conference rooms. In addition, the Hotel has two hydrotherapy pools, a health club, a sauna, an indoor pool, a gift shop, a game room and parking for 550 cars.

Competition. Studies indicate that currently four hotels containing approximately 1,500 rooms directly compete with the Seattle Marriott Hotel Sea-Tac Airport in the Seattle market.

Tampa Westshore Hotel, Tampa, Florida

The Tampa Westshore Hotel is located on a leased parcel of land of approximately seven acres in a major office development just off I-75 on North Westshore Boulevard. The Hotel is approximately two miles from the Tampa International Airport and five miles from downtown Tampa.

The Hotel, which opened in July 1981, consists of a 13-story hotel tower, a one-and-one-half story lobby and meeting space. The facilities include 310 guest rooms, a restaurant, a sports bar, a concierge lounge and approximately 8,400 square feet of space for conventions and banquets. Parking for more than 400 cars is provided. In addition, the Hotel has an indoor/outdoor pool, a hydrotherapy pool, a health club, a game room and a gift shop.

Competition. Studies indicate that currently 11 hotels containing approximately 3,200 rooms directly compete with the Tampa Westshore Hotel in the Tampa market.

Ground Lease. The Hotel is subject to a ground lease with an initial term expiring in July 2006 with five 10-year renewal options. The lease provides for a percentage rent equal to the greater of (i) 3% of gross room sales plus 1% of gross food sales plus 1% of gross alcoholic beverage sales or (ii) \$96,000 per year.

LEGAL PROCEEDINGS

PHLP. On July 15, 1998, one limited partner in PHLP filed a class action lawsuit styled Michael C. deBerardinis v. Host Marriott Corporation, Civil Action No. WMN 98-2263, in the United States District Court for the District of Maryland. The plaintiff alleges that Host misled the limited partners in order to induce them into approving the sale of one of the Partnership's hotels, violated the securities regulations by issuing a false and misleading consent solicitation and breached fiduciary duties and the partnership agreement. The complaint seeks unspecified damages. Host has been served with the complaint and intends to vigorously defend against the claims asserted in the lawsuit.

AMENDMENTS TO PHLP'S PARTNERSHIP AGREEMENT

In order to consummate the Merger as currently proposed, there are a number of amendments required to be made to Potomac's partnership agreement. Potomac Limited Partners must vote separately on the Merger and the amendments to the partnership agreement, but the Merger will not be consummated unless both the Merger and the amendments to the partnership agreement are approved. The effectiveness of such amendments will be conditioned upon Potomac's participation in the Merger. The required amendments generally include: (i) permitting Potomac to enter into the Leases with the Lessees; (ii) reducing to one the number of appraisals of the fair market value of Potomac's Hotels that Potomac must obtain before the General Partner can cause Potomac to sell its assets to the General Partner or an affiliate; and (iii) other amendments required to allow the transactions constituting the Merger or otherwise necessary or desirable to consummate the Merger or the REIT Conversion. The form of amendment to the PHLP partnership agreement is attached as an exhibit to the Registration Statement of which this Supplement is a part.

VOTING PROCEDURES

PHLP LIMITED PARTNERS WILL BE ASKED TO VOTE SEPARATELY ON THE MERGER AND THE PROPOSED AMENDMENTS TO THE PARTNERSHIP AGREEMENT, BUT PHLP WILL NOT PARTICIPATE IN THE MERGER UNLESS BOTH PROPOSALS ARE APPROVED. THE CONSENT OF PHLP LIMITED PARTNERS HOLDING MORE THAN 50% OF THE OUTSTANDING LIMITED PARTNER INTERESTS IS REQUIRED FOR PARTICIPATION IN THE MERGER AND TO APPROVE THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT. The General Partner holds 0.06% of the outstanding limited partner interests. The General Partner intends to vote its limited partner interests FOR the Merger and FOR the related amendments to the partnership agreement.

The period during which consents will be solicited (the "Solicitation Period") will commence on the date the Consent Solicitation and the other Solicitation Materials are first distributed to the Limited Partners and will continue until the later of (i) December , 1998 or (ii) such later date as the Operating Partnership may elect, in its sole and absolute discretion. Any Consent Form RECEIVED by the Operating Partnership (in original or by facsimile) prior to 5:00 p.m., Eastern time, on the last day of the Solicitation Period will be effective, provided that such Consent Form has been properly signed. For Potomac, a Consent Form that is properly signed but not marked will be voted "FOR" a Merger and "FOR" the amendments to the partnership agreement. A Potomac Limited Partner who has submitted a Consent Form may withdraw or revoke the Consent Form at any time prior to the expiration of the Solicitation Period.

A PHLP Limited Partner may mark the Consent Form to vote "FOR," "AGAINST" or "ABSTAIN" with respect to participation in the Merger by PHLP and "FOR," "AGAINST" or "ABSTAIN" with respect to the amendments to the partnership agreement. THE FAILURE OF A PHLP LIMITED PARTNER TO VOTE OR AN ABSTENTION WILL HAVE THE SAME EFFECT AS IF SUCH LIMITED PARTNER HAD VOTED HIS PARTNERSHIP INTERESTS "AGAINST" THE MERGER AND "AGAINST" THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT. LIMITED PARTNERS WHO RETURN A SIGNED CONSENT FORM BUT FAIL TO INDICATE THEIR APPROVAL OR DISAPPROVAL AS TO ANY MATTER (INCLUDING THE MERGER AND THE AMENDMENTS TO THE PARTNERSHIP AGREEMENT) WILL BE DEEMED TO HAVE VOTED TO APPROVE SUCH MATTER. The voting procedures applicable to PHLP Limited Partners are set forth in the Consent Solicitation under the heading "Voting Procedures--Required Limited Partner Vote and Other Conditions."

As of June 19, 1998, no person owned of record, or to the Partnership's knowledge owns beneficially, more than 5% of the total number of PHLP Partnership Units.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of OP Units in the Merger, each PHLP Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if an entity, an entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such PHLP Limited Partner in connection with the Merger. If such certification or withholding certificate is not provided, the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such PHLP Limited Partner in connection with the Merger, including both the value of the OP Units received and such PHLP Limited Partner's share of the liabilities of PHLP. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

OP UNIT EXCHANGE ELECTION PROCEDURES

Description of the Common Share Election

PHLP Limited Partners who desire to exchange their OP Units with Host REIT for Common Shares must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time during the period beginning on the first day of the Solicitation Period and ending at 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (expected to be January 22, 1999 if the Effective Date of the Merger is December 30, 1998) (the "Election Period") (which election may be revoked, and, if revoked, made again, at any time prior to the end of the Election Period). At their discretion, the Operating Partnership and Host REIT may elect to extend the Election Period. Even if a PHLP Limited Partner votes against the Merger, he may still choose to exchange his OP Units for Common Shares in the event the Merger is approved. A PHLP Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each PHLP Limited Partner who timely and properly elects to exchange his OP Units for Common Shares (and who has not timely revoked such election at any time during the Election Period) will tender (or be deemed to have tendered) all of the OP Units he receives to Host REIT in the Merger for an equal number of Common Shares. The Common Shares will be issued to the PHLP Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Common Shares are expected to receive quarterly cash distributions in the same amount as the cash distributions with respect to each OP Unit. See "Description of Capital Stock--Common Shares."

Description of the Note Election

PHLP Limited Partners who desire to exchange their OP Units with the Operating Partnership for a Note must indicate their election on the OP Unit Exchange Election Form and deliver such form to the Operating Partnership at any time prior to the end of the Election Period (which election may be revoked, and, if revoked, made again, at any time prior to the end of the Election Period). Even if a PHLP Limited Partner votes against the Merger, he still may choose to exchange his OP Units for a Note in the event the Merger is approved. A PHLP Limited Partner who fails to timely and properly return the OP Unit Exchange Election Form will receive and retain OP Units. Each PHLP Limited Partner who timely and properly elects to exchange his OP Units for a Note (and who has not timely revoked such election at any time during the Election Period) will tender (or be deemed to have tendered) to the Operating Partnership all of the OP Units he receives in the Merger for the Note. The Note will be issued to the PHLP Limited Partner promptly following the twentieth trading day after the Effective Date of the Merger (which would be promptly after January 29, 1999 if the Effective Date of the Merger is December 30, 1998). The Notes will (i) be unsecured obligations of the Operating Partnership, (ii) have a principal amount equal to the Note Election Amount of an PHLP Limited Partner's Partnership Interests, (iii) mature on December 15, 2005 (approximately seven years after the currently expected closing of the Merger), (iv) bear interest at 6.56% per annum, which was determined based on 120% of the applicable federal rate as of the Record Date (which was 5.47%), payable semi-annually on June 15 and December 15 each year

commencing from and after the Effective Date of the Merger, (v) provide for optional prepayment by the Operating Partnership at any time without penalty and mandatory prepayment of principal from a ratable portion of the net proceeds (after repayment of debt, sales expenses and deferred management fees) realized from any sale of any Hotels formerly owned by PHLP and from certain excess refinancing proceeds and (vi) provide for the payment of the remaining principal balance at maturity. See "Description of the Notes."

Election Procedures

PHLP Limited Partners who desire to exchange their OP Units for Common Shares or a Note must timely and properly complete and return the OP Unit Exchange Election Form. An PHLP Limited Partner must make such election (or revoke any election previously made) during the Election Period, which will commence on the first day of the Solicitation Period and will continue until 5:00 p.m., Eastern time, on the fifteenth trading day after the Effective Date of the Merger (which would be January 22, 1999 if the Effective Date of the Mergers is December 30, 1998), unless extended. An PHLP Limited Partner who has returned an OP Unit Exchange Election Form may withdraw or revoke such election at any time prior to the expiration of the Election Period by either submitting a later dated OP Unit Exchange Election Form or notifying the Operating Partnership in writing that he wishes to withdraw such previous election. The OP Unit Exchange Election Form may be submitted so that it is received by PHLP (c/o the Operating Partnership) at any time prior to the end of the Election Period. This election can be revoked, or an alternative election can be made, by submitting to PHLP, in writing, such revocation or alternative election so that it is received by PHLP at any time prior to the end of the Election Period.

Form W-9 and FIRPTA Certification or Withholding Certificate Required

As a condition to the receipt of Common Shares or a Note in exchange for OP Units if an PHLP Limited Partner exercises the Common Share Election or the Note Election, each PHLP Limited Partner who does not want to be subject to withholding under FIRPTA and certain other applicable withholding rules will be required to provide to Host REIT and the Operating Partnership an executed substitute Form W-9 and either a certification, made under penalties of perjury, that he is a United States citizen or resident (or if an entity, an entity organized under the laws of the United States) or, alternatively, a withholding certificate from the IRS providing that no withholding is required with respect to such PHLP Limited Partner in connection with the Common Share Election or the Note Election. If such certification or withholding certificate is not provided, Host REIT or the Operating Partnership will be required to withhold an amount equal to 10% of the "amount realized" by such PHLP Limited Partner in connection with the Common Share Election or the Note Election, including both the value of the securities received and such PHLP Limited Partner's share of the liabilities of the Operating Partnership. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Withholding."

FEDERAL INCOME TAX CONSEQUENCES

In addition to the federal income tax consequences discussed in the sections of the Consent Solicitation entitled "Federal Income Tax Consequences" and "Risk Factors--Federal Income Tax Risks," PHLP Limited Partners should read carefully the following discussion of federal income tax consequences applicable specifically to the PHLP Limited Partners. The information included in this discussion is based upon various factual assumptions and information which are believed by the Operating Partnership and the General Partner to be reliable. However, some of these assumptions inevitably will not materialize and unanticipated events and circumstances will occur. Therefore, there likely will be differences between the information provided herein, including the numerical data and estimates, and actual results and the variations may be material and adverse.

Applicability of Tax Opinions

Hogan & Hartson L.L.P. ("Hogan & Hartson"), counsel to Host REIT, Host and the Operating Partnership, has provided to Host REIT and the Operating Partnership an opinion letter (attached as Appendix C to the Consent Solicitation) as to certain federal income tax consequences to the Operating Partnership and the PHLP

Limited Partners resulting from the Mergers and the REIT Conversion. The opinion letter is based upon certain assumptions and certain representations provided by Host REIT, Host, the Operating Partnership and the General Partners. These representations generally involve factual matters relating to the organization, ownership and operations (including the income, assets, businesses, liabilities and properties) of the Partnerships and Hotels contributed to the Operating Partnership by Host and the Blackstone Entities prior to the Mergers and the REIT Conversion and of Host REIT, the Operating Partnership and the Partnerships following the Mergers and the REIT Conversion. In addition, prior to the Effective Date, Hogan & Hartson expects to provide to Host REIT and the Operating Partnership an opinion letter (substantially in the form of Appendix D to the Consent Solicitation) as to the qualification and taxation of Host REIT as a REIT under the Code following the REIT Conversion. The receipt of this opinion letter is a condition to the REIT Conversion and each of the Mergers. See "Federal Income Tax Considerations--Summary of Tax Opinions" in the Consent Solicitation.

Each opinion provided by Hogan & Hartson in the opinion letter that is attached as Appendix C to the Consent Solicitation is applicable to the PHLP Limited Partners.

The opinions already rendered by Hogan & Hartson are based on the Code and Treasury Regulations in effect on the date hereof, current administrative interpretations and positions of the IRS and existing court decisions, and the opinions to be rendered by Hogan & Hartson prior to the Effective Date will be based on the same authorities as of the date such opinions are rendered. No assurance can be given that future legislation, Treasury Regulations, administrative interpretations and court decisions will not significantly change the law or the above conclusions reached by counsel. In addition, any such change could apply retroactively to transactions preceding the date of change. Moreover, opinions of counsel merely represent counsel's best judgment with respect to the probable outcome on the merits and are not binding on the IRS or the courts. Accordingly, even if there is no change in applicable law, no assurance can be provided that such opinions (which do not bind the IRS or the courts) will not be challenged by the IRS or will be sustained by a court if so challenged. With the one exception described below (see "--Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain") and in the Consent Solicitation under "Federal Income Tax Consequences--Tax Consequences of the Mergers--IRS Ruling Request Regarding Allocation of Partnership Liabilities," neither Host REIT, the Operating Partnership nor the General Partners have requested or plan to request any rulings from the IRS concerning the tax consequences of the Mergers or the treatment of either the Operating Partnership or Host REIT subsequent to the REIT Conversion.

Tax Consequences of the Merger

Overview. Hogan & Hartson has provided an opinion to the effect that, except for any gain attributable to the sale of personal property by PHLP to a Non-Controlled Subsidiary in connection with the REIT Conversion, the Merger will not result in the recognition of taxable gain or loss at the time of the Merger to a PHLP Limited Partner (i) who does not elect to receive Common Shares (the "Common Share Election") or a Note (the "Note Election") in exchange for his OP Units in connection with the Merger; (ii) who does not exercise his Unit Redemption Right on a date sooner than the date two years after the date of the consummation of the Merger; (iii) who does not receive a cash distribution (or a deemed cash distribution resulting from relief from liabilities, including as a result of any repayment of the Mitsui Bank Debt) in connection with the Merger or the REIT Conversion in excess of his aggregate adjusted basis in his PHLP Partnership Units at the time of the Merger; (iv) who is not required to recognize gain by reason of the exercise by another PHLP Limited Partner of his right to make the Common Share Election or the Note Election (which, in counsel's opinion, described below, should not be the result of such election); and (v) who does not have his "at risk" amount fall below zero as a result of the Merger or the REIT Conversion. See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation.

With respect to the foregoing exceptions to nonrecognition treatment, the Operating Partnership and the General Partner believe as follows: (i) a PHLP Limited Partner who acquired his PHLP Partnership Units in the original offering of such Partnership Units and who has held such Partnership Units at all times since would not be considered to receive, as a result of the Merger, a distribution (or a deemed cash distribution resulting from

relief from liabilities) that exceeds his aggregate adjusted basis in his PHLP Partnership Units at the time of the Merger, and would not have his "at risk" amount fall below zero as a result of the Merger, and (ii) a portion of the personal property associated with six of the eight Hotels owned by PHLP will need to be sold to a Non-Controlled Subsidiary in connection with the REIT Conversion, which may result in the recognition of a relatively modest amount of income by the PHLP Limited Partners. See "Federal Income Tax Consequences--Tax Consequences of the Mergers--Overview" in the Consent Solicitation and "Tax Allocations upon the Sale of Certain Personal Property Associated with the PHLP Hotels" below.

With respect to the effects of a PHLP Limited Partner's election to receive Common Shares or a Note in exchange for his OP Units in connection with the Merger, Hogan & Hartson is of the opinion that, although the matter is not free from doubt, a PHLP Limited Partner who does not make the Common Share Election or the Note Election should not be required to recognize gain by reason of another PHLP Limited Partner's exercise of either of such rights. With respect to the exercise of a Unit Redemption Right, Hogan & Hartson is of the opinion that it is more likely than not that a PHLP Limited Partner's exercise of his Unit Redemption Right more than one year after the date of consummation of the Merger but less than two years after such date will not cause the Merger itself to be a taxable transaction for the PHLP Limited Partner (or the other PHLP Limited Partners). See "Federal Income Tax Consequences--Summary of Tax Opinions" in the Consent Solicitation. Opinions of counsel, however, do not bind the IRS or the courts, and no assurances can be provided that such opinions will not be challenged by the IRS or will be sustained by a court if so challenged.

Deemed Cash Distribution and Resulting Taxable Gain. With respect to his PHLP Partnership Units, a PHLP Limited Partner will receive no actual cash distribution in connection with the Merger but would be deemed to receive a cash distribution in connection with the Merger to the extent that his share of Operating Partnership liabilities immediately after the Merger and the REIT Conversion is less than his share of PHLP liabilities immediately prior to the Merger. For example, any repayment of the Mitsui Bank Debt or debt encumbering other Hotels may result in a deemed cash distribution to the PHLP Limited Partners. See "Federal Income Tax Considerations--Tax Consequences of the Mergers--Relief from Liabilities/Deemed Cash Distribution" in the Consent Solicitation. Even if the Mitsui Bank Debt or debt encumbering other Hotels is not repaid or refinanced in connection with the Mergers and the REIT Conversion, a PHLP Limited Partner's share of indebtedness following the Mergers and the REIT Conversion may decrease in comparison to the Limited Partner's estimated aggregate share of PHLP indebtedness as of December 31, 1998 (calculated based on the assumption that the Mergers did not occur) by reason of the manner in which the debt allocation rules work when multiple assets with different levels of leverage are consolidated into a single partnership. However, the prepayment of indebtedness owed by PHLP to the General Partner or its affiliates in connection with the Merger will not result in a deemed cash distribution to the PHLP Limited Partners.

A PHLP Limited Partner, however, would recognize taxable gain as a result of any deemed cash distribution only to the extent that the deemed cash distribution were to exceed his adjusted tax basis in his PHLP Partnership Units immediately prior to the Merger. As noted above, the Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that a PHLP Limited Partner who acquired his PHLP Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since the offering will have an adjusted tax basis in excess of the deemed cash distribution that might occur in connection with the Merger and the REIT Conversion. Therefore, such a PHLP Limited Partner should not recognize gain due to such deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The adjusted tax basis of a PHLP Limited Partner who did not acquire his PHLP Partnership Units in the original offering of such Partnership Units or who has not held his PHLP Partnership Units at all times since such offering could vary materially from that of a PHLP Limited Partner who did so. If a PHLP Limited Partner has an adjusted tax basis in his PHLP Partnership Units (per PHLP Partnership Unit) that is substantially less than the adjusted tax basis of a PHLP Limited Partner who acquired his PHLP Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since, he could recognize gain due to any deemed cash distribution resulting from the relief from liabilities in connection with the Merger and the REIT Conversion.

The Mitsui Bank Debt matures on December 22, 1999. There can be no assurance that either PHLP or the Operating Partnership could refinance the Mitsui Bank Debt at maturity with mortgage indebtedness secured only by the PHLP Hotels that would qualify as nonrecourse liabilities allocable to the PHLP Limited Partners for purposes of determining their adjusted tax basis in their partnership interests (either in PHLP or in the Operating Partnership following the Merger). The Operating Partnership and the General Partner believe, however, that PHLP will face the same, if not greater, difficulties with regard to obtaining such refinancing if PHLP does not participate in the Merger and that the Operating Partnership, given the magnitude and diversity of its assets and the extent of its relationships with lenders, may be in a better position than PHLP to obtain satisfactory replacement financing. Moreover, the Operating Partnership's current long-term financing strategy is to have as little debt as possible that is secured by individual Hotels and to have as much debt as possible in the form of unsecured debt, held either by the public or by institutional investors, which debt may or may not be recourse to Host REIT, as general partner of the Operating Partnership. In view of these considerations and the potential adverse consequences to Limited Partners in certain Partnerships, including the PHLP Limited Partners, the Operating Partnership has requested from the IRS a ruling to the effect that such unsecured indebtedness of the Operating Partnership that is issued initially to institutional investors and is not recourse to Host REIT (i) would qualify as "nonrecourse liabilities" for purposes of Code Section 752, (ii) to the extent the proceeds thereof are applied to repay existing nonrecourse mortgage indebtedness secured by one or more Hotels (including the Mitsui Bank Debt), would be considered to be "secured" by those Hotels for purposes of allocating the liabilities for tax basis purposes (and thus would be allocable, at least in substantial part, to the former Limited Partners in the Partnerships owning those Hotels, including the PHLP Limited Partners), and (iii) would constitute "qualified nonrecourse financing" secured by such Hotels for purposes of Code Section 465. The IRS has recently issued a ruling to that effect to another taxpayer, and has indicated to the Operating Partnership's representatives that it is favorably inclined to issue that ruling to the Operating Partnership.

Each PHLP Limited Partner will gradually begin to recognize income over the term of his ownership of OP Units (beginning, perhaps, in his first year of ownership of OP Units) attributable to deemed cash distributions resulting from the relief from liabilities, as the aggregate principal amount of nonrecourse indebtedness encumbering (or deemed to encumber) the Hotels amortizes in accordance with its terms. The Operating Partnership will make regular quarterly cash distributions to the PHLP Limited Partners that may or may not be sufficient to allow the PHLP Limited Partners to pay the federal and state income tax owed on the income allocated to such Limited Partners by reason of the amortization of the debt secured by the PHLP Hotels.

Even if PHLP does not participate in the Merger, the General Partner has estimated that the PHLP Limited Partners will be required to recognize in taxable year 1998 income of approximately \$5,000 per PHLP Partnership Unit, as of December 31, 1998, resulting, in part, from the amortization of the Mitsui Bank Debt and the General Partner expects that PHLP will not make cash distributions to the Limited Partners sufficient to pay such additional taxes.

Section 465(e) Recapture. As discussed in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Section 465(e) Recapture," the "at risk" rules of Section 465 of the Code generally apply to limit the use of partnership losses by a partner. Under Section 465(e) of the Code, a partner may be required to include in gross income, or "recapture," losses previously allowed to such partner with respect to his investment in a partnership if the amount for which the partner is "at risk" in relation to his investment in the partnership is less than zero at the close of the taxable year. The "at risk" rules generally do not apply to losses attributable to real property placed in service prior to January 1, 1987 by the taxpayer or to losses attributable to a partnership in which the taxpayer acquired his interests before that date (the "grandfather" rule). Thus, the "at risk" rules have not been applicable to date to those PHLP Limited Partners who acquired their Partnership Units at the time of the original offering in July of 1982 or at any time prior to January 1, 1987, and who have held those Partnership Units since the date of the acquisition. The PHLP Limited Partners, however, will become subject to the "at risk" rules as a result of the Merger and their receipt of OP Units in connection therewith (since the OP Units do not qualify for the "grandfather" rule).

It is possible that the consummation of the Mergers and the REIT Conversion or the repayment of certain "qualified nonrecourse financing" of the Operating Partnership, the Hotel Partnerships or the Hotels contributed to the Operating Partnership by the Blackstone Entities at the time of or following the Merger and the REIT Conversion could, singularly or in combination, cause a PHLP Limited Partner's amount at risk in relation to his investment in PHLP (and, after the Mergers, in the Operating Partnership) to be reduced below zero, resulting in an income inclusion to the Limited Partner under Section 465(e) of the Code. Currently, a sufficient portion of the current debt of PHLP constitutes "qualified nonrecourse financing" so that the PHLP Limited Partners have positive at risk amounts. The Operating Partnership and the General Partner believe, based upon and subject to the assumptions and other limitations described below, that a PHLP Limited Partner who acquired his PHLP Partnership Units in the original offering of such Partnership Units and has held the Partnership Units at all times since will have a positive at risk amount immediately following the Merger and the REIT Conversion.

It is possible, however, that a former PHLP Limited Partner's at risk amount could decline in the future, either because of the allocation of losses from the Operating Partnership to that former PHLP Limited Partner or because of cash distributions by the Operating Partnership to that former PHLP Limited Partner in excess of the taxable income allocable to him with respect to his OP Units. Moreover, there can be no assurance that debt incurred by the Operating Partnership in the future to refinance the Mitsui Bank Debt or outstanding mortgage debt of the other Hotel Partnerships or the Hotels contributed by the Blackstone Entities will qualify as "qualified nonrecourse financing." If, however, the Operating Partnership were to obtain the requested ruling from the IRS and were to refinance existing mortgage indebtedness of the Partnerships with the type of indebtedness described in the ruling, such indebtedness should constitute "qualified nonrecourse financing" for purposes of the "at risk" rules.

Impact of Assumption of PHLP Liabilities by the Operating Partnership. As described in the Consent Solicitation, see "Federal Income Tax Consequences--Tax Consequences of the Mergers--Disguised Sale Regulations," a PHLP Limited Partner will recognize gain to the extent he is treated as having sold all or part of his PHLP Partnership Interest in a "disguised sale." For purposes of these rules, certain reductions in a partner's share of partnership liabilities are treated as a transfer of money or other property from the partnership to the partner which may give rise to a disguised sale, even if that reduction would not otherwise result in a taxable deemed cash distribution in excess of the partner's basis in his partnership interest. However, if a transfer of property by a partner to a partnership is not otherwise treated as part of a disguised sale, then any reduction in the partner's share of "qualified liabilities" also will not be treated as part of a disguised sale. A "qualified liability" in connection with a transfer of property to a partnership includes (i) any liability incurred more than two years prior to the earlier of the transfer of the property or the date the partner agrees in writing to the transfer, as long as the liability has encumbered the transferred property throughout the two-year period; (ii) a liability that was not incurred in anticipation of the transfer of the property to a partnership, but that was incurred by the partner within the two-year period prior to the earlier of the date the partner agrees in writing to transfer the property or the date the partner transfers the property to a partnership and that has encumbered the transferred property since it was incurred; (iii) a liability that is traceable under the Treasury Regulations to capital expenditures with respect to the property; and (iv) a liability that was incurred in the ordinary course of the trade or business in which property transferred to the partnership was used or held, but only if all the assets related to that trade or business are transferred, other than assets that are not material to a continuation of the trade or business. However, a recourse liability is not a "qualified liability" unless the amount of the liability does not exceed the fair market value of the transferred property (less any other liabilities that are senior in priority and encumber such property or any allocable liabilities described in (iii) or (iv), above) at the time of transfer.

Hogan & Hartson believes, based on factual representations made by the Operating Partnership and the General Partner relating to the facts and circumstances surrounding each such liability, that all liabilities of PHLP fall into one of the four categories of "qualified liabilities" described above and, accordingly, that the mere assumption by the Operating Partnership of the outstanding liabilities of PHLP will not give rise to a "disguised sale" by any of the PHLP Limited Partners.

Initial Basis in Units. In general, a PHLP Limited Partner will have an initial tax basis in his OP Units received in the Merger with respect to his PHLP Partnership Units equal to the basis in his PHLP Partnership Units at the time of the Merger, reduced to reflect any deemed cash distributions resulting from a reduction in his share of PHLP liabilities and increased to reflect his share of other liabilities of the Operating Partnership and any gain required to be recognized in connection with the Merger and the REIT Conversion (including income, if any, attributable to the sale of a portion of the personal property associated with six of the PHLP Hotels, as described below under "--Tax Allocations upon the Sale of Certain Personal Property Associated with the PHLP Hotels"). For a discussion of the federal income tax consequences for a PHLP Limited Partner from a reduction in basis that may result from the Merger and the REIT Conversion, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Initial Tax Basis of OP Units" in the Consent Solicitation.

Tax Allocations by the Operating Partnership upon a Sale of PHLP Hotels. Pursuant to Section 704(c) of the Code, income, gain, loss and deduction attributable to appreciated or depreciated property that is contributed to a partnership must be allocated for federal income tax purposes in a manner such that the contributor is charged with, or benefits from, the unrealized gain or unrealized loss associated with the property at the time of contribution. The amount of such unrealized gain or unrealized loss is generally equal to the difference between the fair market value of the contributed property at the time of contribution and the adjusted tax basis of such property at the time of contribution (referred to as the "Book-Tax Difference"). The Operating Partnership and the General Partner estimate, based upon and subject to the assumptions and other limitations described below, that the Book-Tax Difference for all PHLP Limited Partners (but excluding all of Host's Interests) with respect to the PHLP Hotels will be \$100,606,432 upon the consummation of the Merger.

If the Operating Partnership were to sell all of the PHLP Hotels, the former partners of PHLP (including Host REIT with respect to Host's interest in PHLP) would be specially allocated by the Operating Partnership an aggregate amount of taxable gain equal to the aggregate Book-Tax Difference with respect to the PHLP Hotels. The share of such gain allocable to a PHLP Limited Partner who acquired his PHLP Partnership Units in the original offering of such Partnership Units and held such Partnership Units at all times since would be \$55,892 per PHLP Partnership Unit. The share of such gain of a PHLP Limited Partner who did not acquire his PHLP Partnership Units in the original offering of such Partnership Units or who has not held his PHLP Partnership Units at all times since such offering could vary materially from this amount. If the Operating Partnership were to sell a PHLP Hotel with a Book-Tax Difference, the remaining Book-Tax Difference at the time the Hotel is sold would be required to be allocated exclusively to the former PHLP Limited Partners and the General Partner, even though the proceeds of such sale would be allocated proportionately among all the partners in the Operating Partnership (and would likely be retained by the Operating Partnership, rather than distributed to holders of OP Units and Common Shares of Host REIT). The PHLP Limited Partners would not be entitled to any special distributions from the Operating Partnership in connection with such a sale, and thus would not necessarily receive cash distributions from the Operating Partnership sufficient to pay such additional taxes. Although the Partnership Agreement does not impose any restrictions upon the Operating Partnership preventing it from causing the sale of any or all of the PHLP Hotels at any time following the Merger, the Operating Partnership does not have current plans to pursue a sale of any of the PHLP Hotels. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Sale of Individual Hotels" in the Consent Solicitation.

Tax Allocations upon the Sale of Certain Personal Property Associated with the PHLP Hotels. As discussed in the Consent Solicitation, see "Federal Income Tax Consequences--Federal Income Taxation of Host REIT Following the REIT Conversion--Income Tests Applicable to REITs" and "--Taxable Income Attributable to Sales of Personal Property in Connection with the REIT Conversion," if the rent attributable to personal property leased in connection with the lease of each Hotel is greater than 15% of the total rent received under the lease of such Hotel, the portion of the rent attributable to the personal property will not constitute qualifying income to Host REIT (the "15% Personal Property Test"). The Operating Partnership and the General

Partner have determined that the percentage of rent attributable to the personal property to be leased in connection with the lease of six of the PHLP Hotels (which excludes the Tampa and Raleigh Hotels) would not satisfy the 15% Personal Property Test. The 15% Personal Property Test is a mechanical test that is based not on the relative fair market value of the assets subject to lease, or the relative fair rental value of those assets, but, rather, is based on the average relative adjusted tax bases of the assets subject to the lease. Accordingly, immediately prior to the Merger, the Operating Partnership will require PHLP, if it chooses to participate in the Merger, to sell to a Non-Controlled Subsidiary a portion of the personal property associated with those six PHLP Hotels. This sale, which will be a taxable transaction, may result in the recognition by PHLP (and the allocation to the PHLP Limited Partners) of a relatively modest amount of taxable gain to the extent of the difference, if any, between the fair market value of the personal property at the time of the sale and the adjusted tax basis of such property at that time. The actual amount of any such gain will be determinable only at the time of the sale and will be affected by the specific personal property selected to be sold and the fair market value and adjusted basis of that personal property. Pursuant to the PHLP partnership agreement, any such taxable gain will be characterized as ordinary recapture income and will be allocated by PHLP to the former PHLP Limited Partners in the same proportions and to the same extent that such Limited Partners were allocated any deductions directly or indirectly giving rise to the treatment of such gains as recapture income prior to the Merger. The PHLP Limited Partners would not be entitled to any special distributions from PHLP in connection with such a sale of personal property.

Tax Allocations with Respect to Contributed Hotels Generally. The tax allocations of depreciation to the PHLP Limited Partners may change significantly as a result of the Mergers and the REIT Conversion for two reasons. First, as described above, pursuant to Section 704(c) of the Code, depreciation and deductions attributable to the PHLP Hotels will be required to be allocated for federal income tax purposes in a manner such that the PHLP Limited Partners are charged with the Book-Tax Difference associated with the PHLP Hotels at the time of the consummation of the Merger. Consequently, a PHLP Limited Partner will be allocated less depreciation with respect to the PHLP Hotels than would be the case if the Mergers had not occurred and the PHLP Limited Partner had continued to hold his PHLP Partnership Units. (On the other hand, a former PHLP Limited Partner will be allocated depreciation with respect to other Hotels acquired by the Operating Partnership in connection with the Mergers and the REIT Conversion, including the Hotels owned by the other Hotel Partnerships and the Hotels being contributed to the Operating Partnership by Host and the Blackstone Entities in connection with the Merger and the REIT Conversion.) Second, the Mergers will cause the technical termination under Section 708(b)(1)(B) of the Code of PHLP and certain of the other Hotel Partnerships that participate in the Mergers and the REIT Conversion. Section 168(i)(7) of the Code provides, in effect, that when a partnership terminates under Section 708(b)(1)(B) of the Code, the partnership must begin new depreciation periods for its property. As a result, the remaining bases of the real estate components of the PHLP Hotels and the Hotels held by the other Hotel Partnerships that terminate will be depreciated over 39 years, rather than over the remaining current lives of such Hotels (which range from less than one year to 39 years). See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Effect of Mergers on Depreciation" in the Consent Solicitation.

In light of the complexity of the governing rules affecting the calculation and allocation of depreciation with respect to properties contributed to a partnership, particularly when a number of those properties are subject to the separate adjustments required in connection with a technical termination under Section 708 of the Code, the number of Hotels that the Operating Partnership will be acquiring in connection with the Mergers, the Blackstone Acquisition and the REIT Conversion, and the impact on these calculations of other outside events, including equity offerings by Host or Host REIT and other acquisitions undertaken by Host, Host REIT or the Operating Partnership prior to or in connection with the REIT Conversion, the Operating Partnership and the General Partner believe that it is impossible to predict with any degree of precision the impact that the Mergers and the REIT Conversion will have on the future depreciation (and, consequently, the amount of taxable income) allocable to a PHLP Limited Partner.

Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership. The passive loss limitation rules generally provide that individuals, estates, trusts and certain closely held corporations and

personal service corporations can only deduct losses from passive activities (generally activities in which the taxpayer does not materially participate, which would include the Operating Partnership for PHLP Limited Partners) to the extent that such losses are not in excess of the taxpayer's income from passive activities or investments. A PHLP Limited Partner would be able to offset losses from other passive activities against income from the Operating Partnership that is considered passive income (but not portfolio income) so long as the Operating Partnership is not treated as a publicly traded partnership. The Operating Partnership and the General Partner believe, however, that there is a substantial risk that the Operating Partnership will be treated as a publicly traded partnership for purposes of the passive loss limitation rules. In this event, any losses or deductions of the Operating Partnership allocable to a PHLP Limited Partner after the Merger could not be used to offset passive income from other passive activities. Similarly, losses from other passive activities could not be applied to offset income of the Operating Partnership allocated to a PHLP Limited Partner. A PHLP Limited Partner, however, would be able to offset any passive losses from his other investments against any gain recognized by the PHLP Limited Partner as a result of the Merger.

State and Local Taxes. PHLP Limited Partners holding OP Units will be subject to state and local taxation in a number of jurisdictions in which the Operating Partnership directly or indirectly holds real property and would be required to file periodic tax returns in those jurisdictions. In this regard, immediately following the Mergers and the REIT Conversion, the Operating Partnership expects that it will own properties in 28 states across the United States and the District of Columbia. Currently, PHLP owns, directly and indirectly, properties in only six states. See "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--State and Local Taxes" in the Consent Solicitation.

Assumptions Used in Determining Tax Consequences of the Merger

In preparing the discussion set forth above, the Operating Partnership and the General Partner made several key assumptions, which are described below. If any such assumption is not accurate with respect to a particular PHLP Limited Partner, the tax consequences of the Merger to such PHLP Limited Partner could be substantially different from those reflected above. ACCORDINGLY, EACH PHLP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH PHLP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

First, with respect to a PHLP Limited Partner's basis in his PHLP Partnership Units prior to the Merger, the Operating Partnership and the General Partner assumed that a PHLP Limited Partner acquired his PHLP Partnership Units in the original offering of such Partnership Units and has held such Partnership Units at all times since the offering (the "Original Limited Partner's Adjusted Basis"). In general, each PHLP Limited Partner had an initial tax basis in his PHLP Partnership Units ("Initial Basis") equal to his cash investment in PHLP (plus his proportionate share of PHLP's nonrecourse liabilities at the time he acquired his PHLP Partnership Units). A PHLP Limited Partner's Initial Basis generally has been increased by (a) such Limited Partner's share of PHLP taxable income and (b) any increases in his share of liabilities of PHLP. Generally, such Limited Partner's Initial Basis has been decreased (but not below zero) by (i) his share of PHLP cash distributions, (ii) any decreases in his share of liabilities of PHLP, (iii) his share of losses of PHLP and (iv) his share of nondeductible expenditures of PHLP that are not chargeable to capital.

The General Partner has set forth on Appendix E to the Consent Solicitation for PHLP (i) the Original Limited Partner's Adjusted Basis as of December 31, 1997 for each such PHLP Limited Partner and (ii) an estimate of such PHLP Limited Partner's Original Limited Partner's Adjusted Basis as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation). The General Partner also has set forth on Appendix E to the Consent Solicitation for each PHLP Limited Partner whose adjusted basis in his PHLP Partnership Interest is the same as the Original Limited Partner's Adjusted Basis (a) the PHLP liabilities allocable to such PHLP Limited Partner as of December 31, 1997 and (b) an estimate of the PHLP liabilities allocable to such Limited Partner as of December 31, 1998 (computed without regard to the Mergers and based upon the assumptions set forth in Appendix E to the Consent Solicitation).

The adjusted tax basis of a PHLP Limited Partner who did not acquire his PHLP Partnership Units in the original offering of such Partnership Units could vary materially from that of a PHLP Limited Partner who did so for various reasons. If a PHLP Limited Partner has an adjusted tax basis in his PHLP Partnership Units that is less than the Original Limited Partner's Adjusted Tax Basis, the Merger might result in the receipt by the PHLP Limited Partner of a deemed distribution of cash in excess of his adjusted tax basis in his PHLP Partnership Units, which could result in the recognition of income or gain.

Second, the Operating Partnership and the General Partner assumed that the method expected to be used by the Operating Partnership to allocate liabilities among the partners will be respected for federal income tax purposes. The Operating Partnership will allocate liabilities associated with the PHLP Hotels as described in "Federal Income Tax Consequences--Tax Consequences of the Mergers--Relief from Liabilities/Deemed Cash Distribution" in the Consent Solicitation. If the method used by the Operating Partnership were not respected for federal income tax purposes and the nonrecourse liabilities actually allocable to a PHLP Limited Partner are less than the amount assumed by the Operating Partnership and the General Partner, the Merger might result in the receipt by such PHLP Limited Partner of a deemed distribution of cash that is greater than the deemed distribution of cash expected to be received by such PHLP Limited Partner as described above in "Tax Consequences of the Merger--Deemed Cash Distribution and Resulting Taxable Gain." For a PHLP Limited Partner who did not acquire his PHLP Partnership Units in the original offering of such Partnership Units or who did not hold such Partnership Units at all times since, this deemed distribution of cash could exceed his adjusted tax basis in his PHLP Partnership Units, which could result in the recognition of income or gain.

Finally, the Operating Partnership and the General Partner assumed that the Merger will be treated for federal income tax purposes as the transfer by the PHLP Limited Partners of their interests in the Partnership to the Operating Partnership in exchange for OP Units. There can be no assurance, however, that the IRS will not seek to recharacterize each Merger as either (i) the liquidation of a Partnership followed by the distribution by the Partnership of its assets to its partners and the subsequent transfers by such partners of such assets to the Operating Partnership in exchange for OP Units or (ii) the transfer by a Partnership of its assets to the Operating Partnership in exchange for OP Units (and possibly Notes and/or Common Shares) and the subsequent distribution of such OP Units (and possibly Notes and/or Common Shares) to its partners. If the Merger is recharacterized in the manner described in (ii) in the preceding sentence, the tax consequences of the Merger to the PHLP Limited Partners likely would be materially affected.

EACH PHLP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH PHLP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER. THE TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER TO A PARTICULAR PHLP LIMITED PARTNER COULD VARY SUBSTANTIALLY FROM THE CONSEQUENCES DESCRIBED ABOVE.

Tax Treatment of PHLP Limited Partners Who Exercise their Right to Make the Common Share Election or the Note Election

A PHLP Limited Partner who exercises his right to make the Common Share Election or the Note Election and receives Common Shares or a Note in connection with the Merger will be treated as having made a taxable disposition of his OP Units, which likely would be deemed to occur (i) with regard to a PHLP Limited Partner who makes the Common Share Election, at the time his right to receive the Common Shares becomes fixed (which would be January 22, 1999 if the Effective Date of the Merger is December 30, 1998), and (ii) with regard to a PHLP Limited Partner who makes the Note Election, on the Effective Date of the Merger (which currently is expected to be December 30, 1998). Generally, the amount realized in connection with such disposition made pursuant to the exercise of the Common Share Election will equal the sum of the fair market value of the Common Shares received (i.e., the Exchange Value, currently estimated as \$5,040 per PHLP Partnership Unit) plus the portion of PHLP's liabilities allocable to the PHLP Limited Partner for federal income tax purposes immediately prior to the disposition of the OP Units (estimated as \$71,861 per PHLP Partnership

Unit as of December 31, 1998). Generally, the amount realized in connection with such disposition made pursuant to the Note Election will equal the sum of the "issue price" of the Note (i.e., the face amount of the Note, currently estimated as \$4,032 per PHLP Partnership Unit) plus the portion of PHLP liabilities allocable to the PHLP Limited Partner for federal income tax purposes immediately prior to the disposition of the OP Units (estimated as \$71,861 per PHLP Partnership Unit as of December 31, 1998). To the extent the amount realized exceeds the PHLP Limited Partner's adjusted basis in his PHLP Partnership Units, the PHLP Limited Partner will recognize gain. The Operating Partnership and the General Partner estimate (assuming the PHLP Limited Partner acquired his PHLP Partnership Units at the time of the original offering and has held such Partnership Units at all times since the offering) that the amount of gain that would be recognized by a PHLP Limited Partner who made the Common Share Election would be approximately \$55,892 per PHLP Partnership Unit and that the amount of gain that would be recognized by a PHLP Limited Partner, who made the Note Election would be approximately \$54,884 per PHLP Partnership Unit, as of December 31, 1998. For a discussion of the federal income tax rates applicable to the net capital gain from the sale of a capital asset, see "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Disposition of OP Units by Limited Partners" in the Consent Solicitation. In this regard, the General Partner estimates that, as of December 31, 1998, if PHLP sold all of its Hotels in a fully taxable transaction for a net amount, after payment of liabilities, equal to the Exchange Value of PHLP (with respect to a Limited Partner who makes the Common Share Election) or determined by reference to the Note Election Amount of PHLP (with respect to a Limited Partner who makes the Note Election), the "unrecognized Section 1250 gain" per PHLP Partnership Unit would be \$52,287, for a Limited Partner who makes the Common Share Election and \$51,279 for a Limited Partner who makes the Note Election and the gain subject to tax as ordinary income under Code Section 1245 per PHLP Partnership Unit would be \$3,605 for a Limited Partner who makes either of the Elections. A PHLP Limited Partner who makes the Common Share Election or the Note Election would be able to treat any per Partnership Unit passive activity loss carryforward with respect to the activities of PHLP, to the extent the sum of such losses exceeds his passive activity income for 1998, as losses that are not from a passive activity and, therefore, not subject to the passive activity loss limitation rules.

A PHLP Limited Partner who elects to receive Common Shares will not be eligible to defer any gain under the "installment sale" rules, while a PHLP Limited Partner who elects to receive a Note may be eligible to defer only a small portion of that gain under those rules. To the extent that the face amount of the Note (and any other installment obligations received by the taxpayer during the year) outstanding at the end of the taxable year in which the Merger occurs exceeds \$5,000,000, the "installment sale" rules will require that the PHLP Limited Partner who defers gain pay to the IRS interest on the resulting tax that has been deferred. The PHLP Limited Partner will not be eligible to defer gain recognized upon the receipt of the Note to the extent that his share of PHLP liabilities at the time of the Merger exceeds his adjusted tax basis in his PHLP Partnership Units immediately prior to the Merger (that is, to the extent that he has a "negative capital account" for tax purposes). In addition, the PHLP Limited Partner will not be eligible to defer gain to the extent that such gain would be taxed as ordinary income under Sections 1245 and 1250 of the Code. Lastly, if a PHLP Limited Partner disposes of his Note, any gain that had been deferred would be recognized in the year of disposition.

THE SPECIFIC TAX ATTRIBUTES OF A PARTICULAR PHLP LIMITED PARTNER COULD HAVE A MATERIAL IMPACT ON THE TAX CONSEQUENCES OF THE MERGER AND THE SUBSEQUENT OWNERSHIP AND DISPOSITION OF COMMON SHARES OR NOTES. THEREFORE, IT IS ESSENTIAL THAT PHLP LIMITED PARTNERS CONSIDERING ELECTING TO RECEIVE COMMON SHARES OR NOTES CONSULT WITH THEIR OWN TAX ADVISORS WITH REGARD TO THE APPLICATION OF THE FEDERAL INCOME TAX LAWS TO SUCH PHLP LIMITED PARTNERS' RESPECTIVE PERSONAL TAX SITUATIONS, AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL, OR FOREIGN TAXING JURISDICTION.

Tax Consequences if PHLP Does Not Participate in the Merger

If PHLP does not participate in the Merger, the PHLP Limited Partners would not have any tax consequences resulting from the Merger. The consequences of continued ownership of PHLP Partnership Units will be the same as would have resulted if the Merger had not been proposed.

* * *

The above description is not exhaustive of all possible tax considerations associated with the Merger and the REIT Conversion. This summary does not discuss foreign tax considerations, nor does it discuss all of the aspects of federal income taxation or state and local taxation that may be relevant to PHLP Limited Partners in light of their particular circumstances. EACH PHLP LIMITED PARTNER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE IMPACT OF SUCH PHLP LIMITED PARTNER'S PARTICULAR TAX SITUATION ON THE ANTICIPATED TAX CONSEQUENCES OF PARTICIPATING IN THE MERGER.

SELECTED FINANCIAL DATA

The following table presents selected historical financial data derived from the audited financial statements for the five most recent fiscal years in the period ended December 31, 1997 and the unaudited condensed financial statements for the First Two Quarters 1998 and First Two Quarters 1997. The following data should be read in conjunction with the financial statements and the notes thereto, Management's Discussion and Analysis of Financial Condition and Results of Operations and the other financial information included elsewhere herein.

	FIRST TWO QUARTERS		FISCAL YEAR				
	1998	1997	1997	1996	1995	1994	1993
	(UNAUDITED)		(AMOUNTS IN THOUSANDS, EXCEPT PER PARTNERSHIP UNIT(1))

Exchange Value per Partnership Unit (unaudited) (1).....	5,040	--	--	--	--	--	--

(1) A Partnership Unit represents a \$10,000 original investment in PHLP.

(2) In 1995, an extraordinary gain of \$146,303,000 was recognized as a result of the forgiveness of deferred base and incentive management fees in connection with the bank loan restructuring. In 1994 and 1993, \$47,168,000 and \$17,148,000 respectively, of gains on early debt extinguishment resulting from the foreclosure of the S&L Hotels were recognized as extraordinary items.

(3) The ratio of earnings to fixed charges is computed by dividing net income before interest expense and other fixed charges by total fixed charges, including interest expense, amortization of debt issuance costs and the portion of rent expense that is deemed to represent interest. The deficiency of earnings to fixed charges is largely the result of depreciation and amortization of \$8,430,000, \$5,473,000, \$5,912,000, \$7,219,000, and \$6,859,000 for the fiscal years 1997, 1996, 1995, 1994, and 1993, respectively.

(4) Total debt includes amounts due to Host of \$123,819,000, \$121,952,000, \$125,475,000, \$124,348,000, \$122,176,000, \$114,186,000 and \$79,983,000 as of June 19, 1998, June 20, 1997 and December 31, 1997, 1996 and 1995, respectively.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

RESULTS OF OPERATIONS

First Two Quarters 1998 Compared to First Two Quarters 1997

Hotel Revenues: Hotel revenues increased 5% to 29.5 million for the first two quarters 1998, when compared to the same period in 1997. The increases in revenues are primarily due to the increases in REVPAR at seven of the eight Hotels for the first two quarters 1998. REVPAR, or revenue per available room, represents the combination of the average daily room rate charged and the average daily occupancy achieved and is a commonly used indicator of hotel performance. For the first two quarters 1998, the combined average room rate increased 7% to \$118, while the combined average occupancy decreased one percentage point to 81%, when compared to the same period in 1997.

Operating Costs and Expenses: Operating costs and expenses increased 12% to \$15.4 million for the first two quarters 1998, when compared to the same period in 1997. The principal components of this category are:

Management Fees: Incentive management fees, base management fees, and ground rent are calculated generally as a percentage of Hotel sales or Hotel revenues. The increases in these expenses for the first two quarters 1998 were directly related to the increases in Hotel sales and Hotel revenues for the first two quarters 1998.

Depreciation: Depreciation expense increased in the first two quarters of 1998 due to property and equipment additions as well as a change in the estimated useful lives of certain assets.

Operating Profit: Operating profit decreased 2% to \$14.1 million for the first two quarters 1998, when compared to the same period in 1997. The decrease in operating profit for the first two quarters 1998 was attributable to the increase in operating costs and expenses which was partially offset by the increase in revenues.

Interest Expense: Interest expense increased 4% to \$11.9 million for the first two quarters 1998, when compared to the same period in 1997. The weighted average interest rate on the Bank Loan was 8.3% for the first two quarters 1998, as compared to 7.4% for the comparable period in 1997.

Net Income: Net income decreased 24% to \$2.4 million for the first two quarters 1998, when compared to the same period in 1997 due to the increases in operating costs and expenses and interest expense.

Individual hotel operating results are discussed below:

For the first two quarters 1998 revenues at the MOUNTAIN SHADOWS RESORT decreased 2% to \$5.3 million when compared to the same period of 1997 due to the decline in food and beverage revenues. In the upcoming months the Hotel plans to increase its marketing efforts by distributing a newsletter in the fall and circulating mailers during the holiday season.

Revenues for the TAMPA WESTSHORE HOTEL increased 4% to \$2.9 million for the first two quarters 1998, due to a 9% increase in room sales which was offset by a 3% decrease in food and beverage sales. REVPAR improved 8% to \$106 due to an increase of 12% in the average room rate to \$128 which was offset by a four percentage point decrease in average occupancy when compared to the first two quarters 1997. The slight decrease in average occupancy is related to the customer's sensitivity to increases in average room rates. The Hotel recently completed the renovation of the Champions lounge and has installed new health club equipment for the guests. The Hotel is also utilizing focus groups in order to continue to increase guest satisfaction and employing aggressive pricing strategies in order to gain group business.

For the first two quarters 1998, revenues at the MIAMI BISCAYNE BAY HOTEL increased 9% to \$6.1 million when compared to the same period in 1997. This increase was due to a 6% increase in REVPAR to \$100 coupled

with a 15% increase in food and beverage revenues due to strong catering sales. The Hotel added two new airline contracts and started to focus on the Latin American markets to increase its occupancy for the remainder of 1998.

For the first two quarters 1998 revenues at the SEATTLE SEA-TAC HOTEL increased 17% to \$4.8 million when compared to the same period in 1997. REVPAR increased 10% to \$96 due to a four percentage point increase in average occupancy to 80% and a 6% increase in the average room rate to \$120. Additionally, for the first two quarters 1998 food and beverage revenues increased 22% to \$1.4 million. During 1998, the Hotel implemented revenue-maximizing strategies, such as requiring large groups to purchase one catered meal per day, and recent renovations at the Yukon Landing Restaurant and Snoqualmie Ballroom have helped increase restaurant and banquet business. During 1998, the Hotel obtained business from several new groups and also experienced greater success with weekend promotions resulting in increased revenues.

The GREENSBORO HOTEL experienced a 9% increase in revenues for the first two quarters 1998 to \$2.4 million over the same period in 1997 due to increased room revenues and food and beverage revenues. Room revenues at the Hotel increased 6% to \$3.4 million when compared to the same period in 1997 due to a 7% increase in REVPAR to \$89. The increase in REVPAR was due to a 7% increase in the average room rate to \$111 with average occupancy remaining stable at 80%. Food and beverage revenues increased 38% to \$518,000 over the same period of 1997 due to the significant increases in the Hotel's catering business.

Revenues at the HOUSTON MEDICAL CENTER HOTEL increased 18% to \$3.3 million for the first two quarters 1998 when compared to the same period in 1997. The Hotel increased its sales 7% while reducing its direct operating expenses by 2%. The increase in sales was due to a 10% increase in REVPAR to \$88 which was attributable to a 14% increase in the average room rate to \$109 offset by a two percentage point decline in average occupancy to 81%. Direct operating expenses decreased as the Hotel used stricter cost containment measures in its food and beverage department. In order to address the decline in average occupancy for the first two quarters 1998, the Hotel is planning several new promotions. These promotions include using amusement park affiliations to garner weekend and Labor Day business and using local media to obtain weekend restaurant business. The Hotel is undergoing a rooms renovation that will replace the bedspreads, drapery, upholstery, carpet and furniture in all the guest rooms.

The RALEIGH CRABTREE VALLEY HOTEL reported a 4% increase in revenues for the first two quarters 1998 to \$2.7 million due to a 5% increase in REVPAR to \$84. The average room rate increased 6% to \$102 while average occupancy decreased one percentage point to 82% when compared to same period of last year. The Hotel increased its corporate room rate by \$10 in 1998, which primarily led to the increase in the average room rate. In order to better serve its guests, the Hotel opened a business center in May 1998. To improve the Hotel's average occupancy, the Hotel is continuing its partnership with the North Carolina State University as the preferred hotel of Wolfpack sporting events.

Revenues for the first two quarters of 1998 at the ALBUQUERQUE HOTEL decreased 20% to \$2 million due to a 7% decrease in REVPAR to \$68 and a 36% decline in food and beverage revenues when compared to the same period in 1997. The decrease in REVPAR was due to a 5% decrease in the average room rate to \$91 and a one percentage point decrease in occupancy to 75%. The Hotel is trying to increase business on weekends through the "Can't Beat Friday" discounted rate promotion. In order to increase food and beverage sales, a director of catering was hired, and a restaurant and bar renovation is planned for early 1999.

The following chart summarizes REVPAR, or revenues per available room, and the percentage change in REVPAR from the prior year for each Hotel owned by the Partnership as of the end of the Second Quarter 1998. The percentage change in REVPAR for the Raleigh and Tampa Hotels from 1994 to 1995 is not shown because these Hotels were not owned by the Partnership for the entire year in 1994.

	FIRST TWO QUARTERS 1998		1997		1996		1995	
	REVPAR	% CHANGE	REVPAR	% CHANGE	REVPAR	% CHANGE	REVPAR	% CHANGE

1997 COMPARED TO 1996

Mountain Shadows

The Mountain Shadows Resort's revenues increased 10% to \$6.8 million in 1997 when compared to 1996 due primarily to a 6% increase in REVPAR to \$105. The increase in REVPAR was due to an 11% increase in the average room rate to \$138 offset by a four percentage point decrease in average occupancy to 76%. The increase in the average room rate was attributable to the increases in the Hotel's corporate rate by \$15 to \$151 and in the group rates by \$9 to \$135. The decrease in average occupancy was related to unexpected group cancellations during the second quarter of 1997. In 1997, the Hotel combined its sales center with two other Marriott properties in the Scottsdale region which improved its sales and marketing efficiency. Additionally during 1997, the Hotel completed a renovation of its Cactus Flower Restaurant and its Shells Seafood Restaurant. In early 1998, the Hotel replaced the carpet in the ballroom.

Seattle

The Seattle Marriott Hotel reported an increase in revenues of 14% to \$9.7 million for 1997 when compared to the prior year due to an 11% increase in REVPAR to \$91. The increase in REVPAR was due to a \$12 increase in the average room rate to \$117. The Hotel's average occupancy remained stable at 78%. The increase in average room rate is the result of the Hotel's ability to increase room rates with little to no price resistance due to the strong transient demand in the Seattle area. The Hotel's food and beverage revenues increased \$365,000 or 17% to \$2.5 million when compared to 1996. This increase is attributable to the increase in catering sales. The Hotel completed renovations of its Snoqualmie Ballroom and Yukon Restaurant in February 1998. In addition, the Hotel will be adding coffee makers, reading chairs, and ergonomic workstations to its guest rooms in 1998. The current outlook for the Seattle area remains strong due to continued growth of large companies such as Boeing and Microsoft in the region.

Tampa Westshore

The Tampa Marriott Westshore Hotel experienced a 2% increase in revenues to \$4.6 million in 1997 as compared to 1996. REVPAR increased 9% to \$87 in 1997 due to an \$8 increase in the average room rate to \$108 coupled with a two percentage point increase in average occupancy to 81%. Rooms revenues increased 7%, or \$500,000, in 1997 when compared to 1996. This increase was partially offset by an increase in repairs and maintenance expense related to the air conditioning system. In 1998, the Hotel plans to replace the cooling tower related to the air conditioning system. In early 1997, the Hotel completed the third phase of the rooms renovation project that replaced the furniture in approximately 108 guest rooms. All the guest rooms now feature new furniture. During the summer of 1998, the Hotel plans to replace the guest room carpet, draperies, and bedspreads. These improvements will enable the Hotel to compete more effectively in the Tampa market in the future.

Greensboro

In 1997, the Greensboro Hotel's revenues increased 4% to \$4.7 million when compared to 1996. REVPAR increased 7% to \$80 due to increases in the average room rate of \$3 to \$101 and in average occupancy of three percentage points to 79%. The increase in occupancy was primarily due to the addition of 2,000 new contract roomnights. During 1997, the Hotel filled an open Director of Marketing position that has helped increase revenues at the Hotel, especially revenue from group and contract sales. In early 1997 the Hotel renovated the restaurant, and in 1998 the Hotel will replace fixtures and tiles in all its guest bathrooms. The Partnership expects the Greensboro market to continue to improve in 1998 due to the increased popularity of the North Carolina furniture market.

Miami Biscayne Bay

Miami Biscayne Bay Hotel revenues for 1997 increased an impressive 18% to \$9.1 million when compared to 1996 due primarily to increased rooms revenues. REVPAR for 1997 increased 13% to \$80 when compared to 1996 due to a \$10 increase in average room rate to \$97 and a one percentage point increase in average occupancy to 83%. In 1997, the Hotel reduced its lower-rated airline contract roomnights by approximately 19,000 roomnights and replaced a majority of these roomnights with higher-rated corporate roomnights. During 1997, the Hotel sold 64% corporate-rated rooms and 36% group and contract-rated rooms as compared to 1996 when the Hotel sold 55% corporate-rated rooms and 45% group and contract-rated rooms. During 1997, the Hotel replaced the furniture in its guest rooms. During the summer of 1998, the Hotel plans to renovate the lobby, restaurant and lounges.

Raleigh

In 1997, revenues increased 4% to \$5.2 million for the Raleigh Hotel as compared to 1996. REVPAR increased 6% to \$76 due to a 7% increase in the average room rate to \$94. Average occupancy declined slightly to 81%. The increase in average room rate was due to a \$10 increase in the corporate rate in 1997 to \$119 as well as increases in some of the Hotel's special corporate rates. During 1997, the Hotel began projects to expand its restaurant and to convert its lounge to additional meeting space. These projects will be completed in early 1998. Additionally, the Hotel plans to replace its ballroom carpeting and create a Hotel business center in 1998. The Hotel currently is marketing to local universities to attract weekend business during the fall sports season.

Houston Medical Center

Revenues for the Houston Medical Center Hotel increased an impressive 20% to \$5.4 million in 1997 when compared to 1996. REVPAR increased 12% to \$75 due to a 12% increase in average room rate to \$97 and a one percentage point increase in average occupancy to 78%. The Hotel increased its corporate room rate by \$20 to \$149 in 1997. Rooms revenues increased 13% due to the increase in the average room rate. In 1998, the Hotel plans to complete a rooms renovation that will replace the bedspreads, drapery, upholstery, carpet, and furniture in all its guest rooms. This renovation will enable the Hotel to have a more competitive product, and the General Partner anticipates that it will allow the Hotel to increase its average room rate further in the future.

Albuquerque

Although REVPAR increased \$1 to \$70, revenues for the Albuquerque Hotel decreased slightly in 1997 to \$4.8 million when compared to the prior year. The increase in REVPAR was due to the 13% increase in average room rate to \$97 offset significantly by the eight percentage point decrease in average occupancy to 72%. The decrease in revenues was due to the increase in salaries and wages expenses related to the addition of a director of group sales and the increase in sales promotion costs. These costs were necessary to address the declining average occupancy. During 1998, the Hotel plans to replace a major portion of the roof on the building and renovate the Allies American Grille restaurant.

1997 COMPARED TO 1996 COMBINED RESULTS OF OPERATIONS

Hotel Revenues: Hotel revenues increased 10% to \$50.3 million in 1997 primarily due to an increase in REVPAR at each of the Partnership's Hotels in 1997 when compared to 1996.

Hotel Sales: Hotel sales increased 5% to \$150.5 million in 1997 due to increased rooms sales in 1997. The combined average room rate increased 9% to \$105 while combined average occupancy remained stable at 79%.

Direct Hotel Expenses: Direct hotel expenses increased 3% to \$100.2 million in 1997. The increase in direct hotel expenses is due to higher variable costs related to the increase in hotel sales. However, direct hotel expenses as a percentage of hotel sales decreased to 67% in 1997 from 68% in 1996.

Depreciation: Depreciation increased in 1997 due to property and equipment additions, and the change in the estimated useful lives of certain assets.

Management Fees: Incentive and base management fees increased 12% to \$8.4 million and 5% to \$4.5 million, respectively, in 1997 due to the corresponding increase in hotel sales.

Net Loss: Net loss increased 53% to \$2.8 million in 1997. The increase in net loss primarily is attributable to increased depreciation expense on the Partnership's property and equipment and an increase in management fees in 1997 as compared to 1996.

1996 COMPARED TO 1995

Mountain Shadows

REVPAR for 1996 increased 5% to \$99. This increase was due to a 3% increase in the average room rate to \$124 combined with a two percentage point increase in occupancy to 80%. Hotel revenues for 1996 increased 4% to \$6.2 million. The increase in average room rate and hotel revenues is due to the Hotel's successful efforts in shifting business from lower rated group business to higher transient rates. The Hotel's marketing promotions include a newsletter to 3,000 past customers as well as newspaper advertising in key cities such as Los Angeles, Chicago and New York.

Seattle

Hotel revenues increased 7% to \$8.5 million in 1996 when compared to the prior year due to an increase in REVPAR of 4% to \$82. The increase in REVPAR was due to a \$6 increase in average room rate to \$105 partially offset by a one percentage point decrease in occupancy to 78%. The increase in the average room rate is the result of the strong transient demand in the growing Seattle economy. The local economy is tied to the global aerospace industry as well as the availability of raw timber products. Current projections for each of these industries are strong and indicate steady growth and reliability.

Tampa Westshore

The Tampa Westshore Hotel experienced a 10% increase in REVPAR to \$80 for 1996 as compared to 1995. This increase was due to a 6% increase in the average room rate to \$100 coupled with a two percentage point increase in average occupancy to 79%. The increase in average room rate is attributable to strong market demand and the successful efforts of Hotel management in restricting discounted corporate rates. An increase in transient business contributed to the increase in average occupancy. In early 1997, the Hotel completed the third phase of a rooms renovation project which replaced the furniture in approximately 108 guest rooms. All 311 guest rooms now have new furniture which will enable the Hotel to compete more effectively in the Tampa market.

Greensboro

For 1996, REVPAR decreased slightly to \$75 when compared to 1995. The average room rate increased 6% to \$98; however, this increase was offset by a six percentage point decline in average occupancy to 76% as a result of new competition in the Greensboro area. Hotel revenues decreased 5% to \$4.5 million primarily due to the decline in occupancy. In 1996, the Hotel facade was painted, and in early 1997 a renovation of the restaurant was completed.

Miami Biscayne Bay

REVPAR for 1996 increased slightly to \$71 when compared to 1995 due to a four and one-half percentage point increase in average occupancy to 82% partially offset by a 3% decrease in the average room rate to \$87. The increase in average occupancy was due to the addition of a new contract with United Airlines for 13,000 room nights in 1996. Hotel revenues decreased 7% to \$7.7 million primarily due a decrease in catering profits as a result of business associated with the 1995 Superbowl not recurring in 1996. During 1996, the Hotel installed new carpet in the ballrooms and in selected corridors. During 1997, the remaining corridors will receive new carpet, and 285 rooms will undergo a redo which will include new carpet and mattresses.

Raleigh

In 1996, REVPAR increased 9% to \$72, due to a 9% increase in average room rate to \$88 while the average occupancy remained stable at 82%. The increase in average room rate was due to a \$10 increase in the corporate rate in 1996. Hotel revenues increased 16% to \$5 million primarily due to the increase in average room rates. During 1996, the Hotel completed a rooms renovation which replaced the furniture in 375 guest rooms.

Houston Medical Center

REVPAR for 1996 increased 5% to \$67 when compared to 1995 due to the 2% increase in average room rate to \$87 and a two percentage point increase in average occupancy to 77%. Hotel revenues increased 10% to \$4.5 million in 1996. These increases were due to strong demand in the medical markets, increased business due to city wide conventions and success in shifting lower rated business to higher corporate rates.

Albuquerque

Hotel revenues for 1996 increased slightly to \$5.0 million when compared to the prior year primarily due a 3% increase in REVPAR to \$69. The increase in REVPAR is primarily due to a one and one-half percentage point increase in average occupancy to 80% as a result of increased transient demand in the Albuquerque market. The average room rate remained stable at \$86. The Hotel is focusing its marketing efforts on increasing weekend group business. During 1997, the Hotel will complete a renovation of its meeting rooms.

1996 COMPARED TO 1995 COMBINED RESULTS OF OPERATIONS

Hotel Revenues: Hotel revenues decreased 9% to \$45.9 million in 1996 primarily due to the sale of the Dallas Hotel in 1995. For the eight hotels which were owned by the Partnership continuously throughout 1996 and 1995 (Albuquerque, Greensboro, Houston, Miami Biscayne Bay, Mountain Shadows, Raleigh, Seattle, and Tampa (the "Combined Hotels")), Combined Hotel revenues increased 4% in 1996 due to an increase in Combined Hotel sales.

Hotel Sales: Hotel sales decreased 6% to \$143.3 million in 1996 due to the sale of the Dallas Hotel in 1995. Combined Hotel sales increased 5% in 1996 through a 3% increase in the Combined Hotel average room rate to \$96 and a slight increase in the Combined Hotel average occupancy to 79%.

Direct Hotel Expenses: Direct hotel expenses decreased 5% to \$97.5 million in 1996 due to the sale of the Dallas Hotel. Combined direct hotel expenses increased 5% in 1996. The increase in Combined direct hotel

expenses is due to an increase in variable costs related to the increase in Combined Hotel sales. Furthermore, direct hotel expenses as a percentage of Hotel sales increased to 68% in 1996 from 67% in 1995.

Management Fees: Incentive and base management fees decreased 14% to \$7.5 million and 6% to \$4.3 million, respectively, in 1996 due to a corresponding decrease in hotel sales.

Property Taxes: Property taxes decreased 25% to \$3.1 million in 1996 due to the sale of the Dallas Hotel in 1995.

Interest Expense: Interest expense decreased 17% to \$24.6 million in 1996 due to lower principal balances in 1996 and a lower average interest rate on the Bank Loan in 1996.

Net Income: Net income decreased 101% to a net loss of \$1.8 million in 1996. The decrease is due to the recognition of the gain on the sale of the Dallas Hotel of \$24.6 million and the gain on forgiveness of deferred fees of \$146.3 million in 1995.

CAPITAL RESOURCES AND LIQUIDITY

The Partnership's financing needs have historically been funded through loan agreements with independent financial institutions, Host Marriott Corporation ("Host Marriott") and its affiliates or Marriott International, Inc. ("Marriott International") and its affiliates. The general partner believes that the Partnership will have sufficient capital resources and liquidity to continue to conduct its business in the ordinary course.

Principal Sources and Uses of Cash

The Partnership reported a decrease in cash and cash equivalents of \$2.6 million during the first two quarters 1998. This decrease was due to the use of cash for investing and financing activities partially offset by cash provided by operating activities. The Partnership reported a decrease in cash and cash equivalents of \$2.0 million for 1997. This decrease was due to the use of cash for investing and financing activities partially offset by cash provided by operating activities.

The Partnership's principal source of cash is cash from operations. Total cash provided by operations remained steady at \$18.0 million, for the twenty-four weeks ended June 19, 1998, when compared to the first two quarters 1997. Total cash provided by operations increased \$1.5 million, to \$20.9 million, for 1997 due to improved Hotel operating results. Total cash provided by operations was \$19.4 million and \$14.8 million for 1996 and 1995, respectively.

The Partnership's principal uses of cash are to (i) pay for capital expenditures and to fund the property improvement funds, (ii) make deposits to restricted cash accounts, (iii) pay debt service on the Partnership's mortgage debt, and (iv) pay amounts owed to Host Marriott and Marriott International.

Cash used in investing activities was \$4.1 million for the first two quarters 1998, and \$4.2 million for the first two quarters 1997. Cash used in investing activities for the first two quarters 1998, included capital expenditures of \$3.4 million primarily related to furniture, fixtures, and equipment renewals and replacements at the Hotels. Cash used in investing activities decreased to \$7.8 million in 1997 from \$10.2 million in 1996. Cash used in investing activities included cash paid for FF&E of \$7.3 million in 1997 compared to \$9.9 million in 1996. Cash used in investing activities was \$10.2 million in 1996, and cash provided by investing activities was \$37.2 million in 1995 due to proceeds received from the gain on the sale of the Dallas Hotel.

Cash used in financing activities was \$16.5 million and \$18.1 million for the first two quarters 1998 and 1997, respectively. Cash used in financing activities for the first two quarters 1998, included repayments to Host Marriott and affiliates of \$4.6 million and repayments on the Partnership's mortgage debt of \$3.8 million. Cash used in financing activities increased to \$15.1 million in 1997 from \$10.0 million in 1996. Cash used in financing activities for 1997 included repayments on the Partnership's mortgage debt of \$7.2 million, repayments to Host

Marriott and affiliates of \$6.1 million, and net deposits to restricted cash accounts of \$1.8 million. Cash used in financing activities was \$10.0 million and \$53.8 million in 1996 and 1995, respectively. In 1995, the Partnership repaid \$59 million on its mortgage on the Bank Hotels primarily from proceeds from the sale of the Dallas Hotel and from a \$10 million advance from Host Marriott under the Bank Guaranty.

No cash was distributed to the partners during the First Two Quarters 1998, or the First Two Quarters 1997. No cash was distributed to the Partners for the years ended December 31, 1997, 1996 and 1995. Since all cash flow from the Partnership's hotels is utilized to pay Partnership obligations, no cash is expected to be available for distribution to the partners for the foreseeable future.

Capital Expenditures

It is anticipated that shortfalls in the property improvement fund for the six hotels financed with the Bank Loan, as defined below, will occur in 1999. The General Partner is currently working to resolve the expected shortfalls.

Debt

The Partnership's financing needs are funded through loan agreements with (i) The Mitsui Trust and Banking Company (the "Bank Lender"), (ii) Host Marriott and its affiliates, and (iii) Marriott International and its affiliates.

Total Partnership interest expense increased 4% to \$11.9 million for the first two quarters 1998, when compared to the same period in 1997 primarily due to increased interest expense on the mortgage loan (the "Bank Loan"). The weighted average interest rate on the Bank Loan was 8.3% for the first two quarters 1998, as compared to 7.4% for the comparable period in 1997.

On June 22, 1998, the Partnership made the required Bank Loan principal payment of \$3.0 million. Thus, as of June 22, 1998, the Bank Loan principal balance is \$165.9 million.

The Bank Loan was scheduled to mature on December 22, 1998; however, an additional one-year extension was available. As required under the Bank Loan, the Partnership provided notice of its intent to extend the loan along with adequate debt service coverage tests to extend the Bank Loan maturity to December 22, 1999.

Pursuant to the terms of the restated Bank Loan, operating profit, as defined, and the subordinated portion of the base management fee in excess of debt service for the six hotels financed with the Bank Loan must be held in a collateral account with the lender. After the end of each fiscal year, excess cash remaining in the collateral account is applied to repay Bank Loan principal, advances under the \$26 million debt service guaranty (the "Bank Guaranty") provided by Host Marriott and, depending upon the unadvanced balance of the Bank Guaranty, deferred base management fees to Marriott International. As a result, on February 23, 1998, the Partnership repaid \$3.8 million in principal on the Bank Loan, \$2.2 million to Host Marriott on the Bank Guaranty, and \$1.5 million to Marriott International for deferred base management fees using amounts in the collateral account. As of June 19, 1998, the balance of the Bank Loan was \$168.9 million, \$21.6 million was available under the Bank Guaranty, and deferred base management fees payable to Marriott International were \$2.4 million.

In connection with the restructuring of the Bank Loan, Host Marriott agreed to provide an additional guaranty (the "Interest Guaranty") for \$12 million to cover any shortfalls in the payment of interest after application of all cash flow available for debt service. Advances with respect to interest will be made first under the Interest Guaranty and then under the Bank Guaranty or an equivalent "backup" guaranty provided by Marriott International. No amounts have been advanced under the Interest Guaranty. Additionally, in early 1998, in accordance with the terms of the Interest Guaranty, the amount available was reduced from \$8 million to \$4 million.

Host Marriott advanced funds (the "Host FF&E Loans") to the Partnership from 1991 through 1994 for the purchase of FF&E. The loans are secured by payments from Marriott International under leases from the Partnership for FF&E replacements. On February 9, 1998, Marriott International repaid \$1.5 million of principal to the Partnership on these leases, and the Partnership subsequently repaid \$1.4 million of principal to Host Marriott on the Host FF&E Loans. Therefore, as of June 19, 1998, the balance of the Host FF&E Loans was \$1.5 million.

INFLATION

For the three fiscal years ended December 31, 1997, the rate of inflation has been relatively low and, accordingly, has not had a significant impact on the Partnership's revenues and net losses before extraordinary items. However, the Hotel's room rates and occupancy levels are sensitive to inflation, and the amount of the Partnership's interest expense under floating rate debt for a particular year will be affected by changes in short-term interest rates.

YEAR 2000 ISSUES

Over the last few years, Host Marriott Corporation, the General Partner, has invested in implementing new accounting systems which are Year 2000 compliant. Accordingly, the General Partner believes that future costs associated with Year 2000 issues will be minimal and not material to the Partnership's financial statements.

However, the Partnership does rely upon accounting software used by the Managers of its properties to obtain financial information. The General Partner believes that the managers have begun to implement changes to the property specific software to ensure the software will function properly in the Year 2000 and does not expect to incur significant costs related to these modifications.

FINANCIAL STATEMENTS

PHLP Supp-52

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

TO THE PARTNERS OF POTOMAC HOTEL LIMITED PARTNERSHIP:

We have audited the accompanying balance sheet of Potomac Hotel Limited Partnership, a Delaware limited partnership, (the "Partnership") as of December 31, 1997 and 1996, and the related statements of operations, changes in partners' deficit and cash flows for each of the three years in the period ended December 31, 1997. These financial statements referred to below are the responsibility of the General Partner's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Potomac Hotel Limited Partnership as of December 31, 1997 and 1996, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 1997, in conformity with generally accepted accounting principles.

POTOMAC HOTEL LIMITED PARTNERSHIP
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEARS ENDED DECEMBER 31, 1997 AND 1996

NOTE 1. THE PARTNERSHIP

Description of the Partnership

Potomac Hotel Limited Partnership (the "Partnership") was formed in Delaware on December 17, 1981, to acquire, develop, own, and operate up to 11 Hotels (the "Hotels"). On July 16, 1982, 1,800 limited partnership interests ("Units") were sold pursuant to a public offering at \$10,000 per unit. The Partnership commenced operations on July 17, 1982. The Hotels are operated as part of the Marriott full-service hotel system and are managed by Marriott International, Inc. ("Marriott International") or Marriott Hotel Services, Inc. ("MHSI"), which is a subsidiary of Marriott International, (collectively the "Managers"). The sole general partner of the Partnership is Host Marriott Corporation ("Host Marriott" or the "General Partner").

The General Partner contributed five existing hotels (including one undergoing substantial renovation), three hotels under construction, and sites for three hotels planned to be developed to the Partnership in exchange for \$186,527,000 and a 1% General Partner interest. These funds were borrowed by the Partnership under a loan agreement (see Note 6). The Partnership completed the development and construction of its final hotel during 1984. On January 31, 1986, the Partnership sold its 307-room Denver West Hotel to Host Marriott in accordance with provisions of the loan agreement and the partnership agreement. As discussed in Note 6, foreclosures on the Raleigh, Tampa, and Point Clear Hotels occurred in 1993 and 1994. In 1994, the Partnership repurchased the Raleigh and Tampa Hotels using proceeds from two loans advanced by a subsidiary of Host Marriott. On August 22, 1995, the Partnership sold its Dallas Hotel to a wholly-owned subsidiary of Host Marriott and used the proceeds to repay a portion of its mortgage debt in connection with the restructuring of the Bank Loan, as described in Note 6. As of December 31, 1997, the Partnership owned and operated eight hotels located in the following cities: Albuquerque, New Mexico; Greensboro, North Carolina; Houston, Texas; Miami, Florida; Raleigh, North Carolina; Scottsdale, Arizona; Seattle, Washington; and Tampa, Florida.

Partnership Allocations and Distributions

The partnership agreement provides for the distribution of cash and the allocation, for tax purposes, of operating income, gains and losses, and deductions and credits among the partners. Except for all cash proceeds attributable to the replacement of furniture, fixtures and equipment ("FF&E") as well as depreciation and interest on indebtedness (all of which are specially allocated to the General Partner by the partnership agreement), profits and losses are allocated between the partners as follows:

	PROFITS	LOSSES
	-----	-----
General Partner.....	25%	1%
Limited Partners.....	75%	99%

Any future distributions of cash will be made in the same percentages that profits and losses are allocated.

Gains (for financial statement purposes) from the sale or other disposition of Partnership property are allocated (i) first, to the partners with negative capital accounts in proportion to their capital investment balances and (ii) thereafter 25% to the General Partner and 75% to the limited partners.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Partnership records are maintained on the accrual basis of accounting, and its fiscal year coincides with the calendar year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Working Capital and Supplies

Pursuant to the terms of the Partnership's management agreements discussed in Note 8, the Partnership is required to provide the Managers with working capital and supplies to meet the operating needs of the Hotels. The Managers convert cash advanced by the Partnership into other forms of working capital consisting primarily of operating cash, inventories, and trade receivables and payables which are maintained and controlled by the Managers. Upon the termination of the agreements, it is expected that the working capital and supplies will be converted into cash and returned to the Partnership or transferred to a subsequent owner or operator for consideration. As a result of these conditions, the individual components of working capital and supplies controlled by the Managers are not reflected in the accompanying balance sheet.

Revenues and Expenses

Hotel revenues represent house profit of the Partnership's Hotels since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the Hotels to the Managers. House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross hotel sales less property-level expenses, excluding depreciation, base and incentive management fees, property taxes, ground rent, insurance, and certain other costs, which are disclosed separately in the statement of operations.

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2, "Application of FASB Statement No. 94 and APB Opinion No. 16 to Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotels. Accordingly, hotel sales and property level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to the new presentation. Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$100.2 million, \$97.5 million and \$102.6 million for the year ended December 31, 1997, 1996 and 1995, respectively and will have no impact on operating profit or net income.

Property and Equipment

Property and equipment is recorded at the cost incurred directly by the Partnership or at the cost incurred by the General Partner in the case of those assets contributed by the General Partner. Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements.....	40 years
Leasehold improvements.....	40 years
Furniture and equipment.....	4-10 years

The Partnership assesses impairment of its real estate properties based on whether estimated undiscounted future cash flows from such properties will be less than their net book value. If a property is impaired, its basis is adjusted to fair market value.

Deferred Financing Costs

Deferred financing costs consist of legal and accounting fees and other costs incurred in connection with obtaining Partnership financing. Financing costs are amortized using the straight-line method, which approximates the effective interest rate method, over the life of the mortgage debt. As of December 31, 1997 and 1996, deferred financing costs totaled \$1,256,000. Accumulated amortization of deferred financing costs as of December 31, 1997 and 1996, was \$783,000 and \$547,000, respectively.

Cash and Cash Equivalents

The Partnership considers all highly liquid investments with a maturity of three months or less at date of purchase to be cash equivalents.

Income Taxes

Provision for federal and state income taxes has not been made in the accompanying financial statements because the Partnership does not pay income taxes but, rather, allocates profits and losses to the individual partners. Significant differences exist between the net income or loss for financial reporting purposes and the net income or loss as reported in the Partnership's tax return. These differences are due primarily to the use for tax purposes of differing useful lives and accelerated depreciation methods for assets, differing bases in contributed capital, and differing timings of the recognition of management fee expenses. As a result of these differences, the excess of the net liabilities reported on a tax basis over the net liabilities reported in the accompanying financial statements was \$36 million as of December 31, 1997, and \$46 million as of December 31, 1996.

Statement of Financial Accounting Standards

In 1996, the Partnership adopted Statement of Financial Accounting Standards ("SFAS") No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of." Adoption of SFAS No. 121 did not have an effect on its financial statements.

Reclassifications

Certain reclassifications were made to the prior years financial statements to conform to the current year presentation.

NOTE 3. REVENUES

Hotel revenues consist of the following hotel operating results for the three years ended December 31 (in thousands):

	1997	1996	1995
	-----	-----	-----
HOTEL SALES			
Rooms.....	\$ 95,761	\$ 89,916	\$ 94,654
Food and beverage.....	43,385	42,111	46,605
Other.....	11,348	11,315	11,977
	-----	-----	-----
	150,494	143,342	153,236
	-----	-----	-----
HOTEL EXPENSES			
Departmental direct costs			
Rooms.....	23,556	22,619	23,443
Food and beverage.....	33,231	32,863	35,569
Other hotel operating expenses.....	43,384	42,007	43,626
	-----	-----	-----
	100,171	97,489	102,638
	-----	-----	-----
HOTEL REVENUES.....	\$ 50,323	\$ 45,853	\$ 50,598
	=====	=====	=====

NOTE 4. PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31 (in thousands):

	1997	1996
	-----	-----
Land.....	\$ 10,444	\$ 10,444
Building and improvements.....	194,661	191,449
Furniture and equipment.....	26,758	22,699
	-----	-----
	231,863	224,592
Less accumulated depreciation.....	(77,610)	(69,180)
	-----	-----
	\$154,253	\$155,412
	=====	=====

NOTE 5. ESTIMATED FAIR VALUE OF FINANCIAL INSTRUMENTS

The estimated fair values of financial instruments are shown below. The fair values of financial instruments not included in this table are estimated to be equal to their carrying amounts.

	AS OF DECEMBER 31, 1997		AS OF DECEMBER 31, 1996	
	-----		-----	
	CARRYING	ESTIMATED	CARRYING	ESTIMATED
	AMOUNT	FAIR	AMOUNT	FAIR
	-----	VALUE	-----	VALUE
	-----	-----	-----	-----
	(IN THOUSANDS)	(IN THOUSANDS)	(IN THOUSANDS)	(IN THOUSANDS)
DEBT AND OTHER LIABILITIES				
Mortgage debt.....	\$ 172,667	\$ 173,474	\$ 179,837	\$ 177,695
Due to Host Marriott Corporation and affiliates.....	122,356	40,803	118,280	41,313
Due to Marriott International, Inc. and affiliates.....	26,168	3,208	17,515	2,086

The estimated fair value of mortgage debt is based on the expected future debt service payments, discounted at estimated market rates adjusted for the presence of debt service guaranties. "Due to Host Marriott Corporation and affiliates" and "Due to Marriott International, Inc. and affiliates" are valued based on the expected future payments from operating cash flow discounted at risk adjusted rates.

NOTE 6. DEBT

Host Marriott Guaranty

The Partnership originally entered into a loan agreement dated January 14, 1982, (the "Original Loan") which funded up to \$348 million to finance the acquisition and development of the Hotels. In connection with the Original Loan, the General Partner agreed to advance up to \$42.6 million to cover debt service shortfalls (the "Host Marriott Guaranty"). The General Partner advanced a total of \$33.4 million under the Host Marriott Guaranty. The Partnership repaid \$22.3 million and \$5 million from the proceeds of the S&L Loan and the Bank Loan, respectively, as defined below. Therefore, as of December 31, 1997, \$6.1 million plus accrued interest was outstanding related to the Host Marriott Guaranty.

Savings and Loan Association Loan

On February 28, 1985, the Partnership borrowed \$103 million (the "S&L Loan") from a savings and loan association (the "S&L Lender") to refinance the loans on three of its hotels located in Raleigh, North Carolina; Tampa, Florida; and Point Clear, Alabama (the "S&L Hotels") and to repay a portion of the Host Marriott Guaranty (\$22.3 million). The S&L Loan, with an original maturity of March 1, 2000, bore interest at 2.75% over the monthly average rate on six-month Treasury Bills (subject to a 9% floor and a 16% ceiling). For the years 1989 through 1992, the S&L Lender, the Manager, and the General Partner agreed to several modifications including (i) reductions in the interest rate, (ii) reductions in the base management fees paid to the Manager, (iii) increases in the debt service guaranty provided by Host Marriott (the "S&L Guaranty"), and (iv) Host Marriott's subordination of cash flow generated from the Host Marriott owned 66-room addition to the Raleigh Hotel.

Bank Loan

On December 22, 1987, the Partnership borrowed \$245 million (the "Bank Loan") from The Mitsui Trust and Banking Company (the "Bank Lender") to repay the outstanding indebtedness on seven of its Hotels (the "Bank Hotels"), a portion of the Host Marriott Guaranty (\$5.0 million), and related transaction costs. The Bank Loan bore interest at an effective fixed rate of 10.37% and required monthly interest payments with the entire principal balance due at maturity.

The Bank Loan was secured by first priority liens on the Bank Hotels and all related assets, including working capital and supplies advanced to the Manager for each Bank Hotel. The Bank Loan established a priority for distributions of cash from operations, prohibited the Partnership from creating any other liens on the Bank Hotels, and restricted the Partnership from incurring certain other indebtedness. The Bank Loan was non-recourse to the Partnership and its partners, but was supported by a \$26 million Host Marriott guaranty (the "Bank Guaranty") and an equivalent Marriott International "backup" guaranty (to be funded only if Host Marriott did not fund its guaranty).

The Bank Loan matured on December 22, 1994, with a principal balance of \$245 million, and was not repaid at that time because the Partnership had insufficient funds to do so. On December 22, 1994, the Partnership entered into a forbearance agreement with the Bank Lender under which the Bank Lender agreed not to exercise its rights and remedies for nonpayment of the Bank Loan on the maturity date until February 24, 1995. The forbearance agreement was subsequently extended until August 22, 1995, to allow the Partnership time to solicit the consent of its limited partners regarding the sale of the Dallas Hotel to a subsidiary of the General Partner in connection with the restructuring of the Bank Loan. In exchange for the Bank Lender's agreement to forbear, the Partnership made monthly interest payments at the one-month London Interbank Offered Rate ("LIBOR") rate plus two percentage points for the period December 22, 1994, through June 21, 1995, and at the one-month LIBOR rate plus two-and-one-quarter percentage points for the period June 22, 1995, through August 21, 1995.

Restructured Bank Loan

On August 22, 1995, the General Partner and the Bank Lender successfully completed the restructuring and extension of the Bank Loan. The principal terms of the restructured Bank Loan are as follows: (i) the General Partner advanced \$10 million under the Bank Guaranty, which was used to pay down principal on the Bank Loan (advances under the Bank Guaranty bear interest at an annual rate equal to the prime rate, as announced by Bankers Trust Company); (ii) the Partnership used \$44 million of proceeds from the sale of the Dallas Hotel to repay principal on the Bank Loan; (iii) the maturity of the Bank Loan was extended to December 22, 1997, with two additional one-year extensions available if certain debt service coverage tests are met; (iv) semi-annual payments of interest at the six-month LIBOR rate plus 1.5 percentage points and annual payments of principal of \$5 million during the first three years of the restructured loan and \$6 million during any extension periods; (v) the General Partner's liability under the Bank Guaranty remained at \$26 million (subject to a credit for the advance of \$10 million described in (i) above); (vi) Marriott International continued its "backup" guaranty (the "Marriott International Backup Guaranty"), under which Marriott International agreed to advance any amounts not advanced by Host Marriott under the Bank Guaranty; (vii) Host Marriott (but not Marriott International) agreed to an additional guaranty (the "Interest Guaranty") for \$12 million to cover any shortfalls in the payment of interest after application of all cash flow available for debt service (advances in respect to interest will be made first under the Interest Guaranty then under the Bank Guaranty or the Marriott International Backup Guaranty); (viii) the Interest Guaranty is to be reduced each year by \$4 million less any Interest Guaranty advances as of the date such reduction is to occur and the Interest Guaranty will be increased by \$4 million for each extension period, if applicable (the remaining liability under the Bank Guaranty and the Marriott International Backup Guaranty in any event must at least be equal to the scheduled amortization payments due during the extension periods); (ix) all Partnership cash relating to the Bank Hotels (including the Bank Hotels property improvement fund and the subordinated base management fees) collateralize the Bank Loan; (x) the Bank Lender was paid a fee of \$573,000 for the successful restructuring of the Bank Loan; and (xi) the Bank

Lender required Marriott International to terminate the management agreement related to the Bank Hotels (the "Marriott International Management Agreement") and to forgive the deferred balances of base and incentive management fees outstanding as of December 31, 1994. The Partnership recorded an extraordinary gain of \$146.3 million in 1995 to recognize the gain which resulted from the forgiveness of the deferred fees. In addition, the Bank Lender required a portion of the base management fee equal to 1% of gross Bank Hotel sales and a portion of the property improvement fund contribution equal to 1% of gross Bank Hotel sales to be subordinated to the payment of debt service.

The Bank Loan was scheduled to mature on December 22, 1997; however, two one-year extensions were available. As required under the Bank Loan, on June 19, 1997, the Partnership provided notice to the lender of its intent to extend the loan along with a debt service coverage ratio calculation with a required ratio greater than 1.2 and successfully extended the Bank Loan maturity to December 22, 1998. An additional one-year extension is available under the Bank Loan, and in order to extend the loan to December 22, 1999, the Partnership must provide notice of its intent to extend the loan along with adequate debt service coverage tests to the lender by June 22, 1998. Based on current debt service coverage tests, the Partnership expects to be able to exercise the additional one-year extension of the loan upon its maturity on December 22, 1998.

Pursuant to the terms of the restated Bank Loan, operating profit, as defined, and the subordinated portion of the base management fee from the Bank Hotels in excess of debt service must be held in a collateral account with the Bank Lender. After the end of each fiscal year, excess cash remaining in the collateral account is applied as follows: (i) 50% to repay Bank Loan principal and (ii) 50% to pay principal and interest on advances under the Bank Guaranty, until the unadvanced portion of the Bank Guaranty is replenished to a balance of \$20.0 million. Thereafter, excess cash in the collateral account is applied as follows: (i) 50% to repay Bank Loan principal, (ii) 25% to pay principal and interest on advances under the Bank Guaranty, and (iii) 25% to repay deferred base management fees to Marriott International.

As of December 31, 1997 and 1996, the principal balance of the Bank Loan was \$172.7 million and \$179.8 million, respectively. As of December 31, 1997 and 1996, \$8.5 million and \$10.0 million including accrued interest, respectively, was outstanding pursuant to the Bank Guaranty. On February 23, 1998, in accordance with the cash flow priorities described in the preceding paragraph, the Partnership repaid \$3.8 million in principal on the Bank Loan, \$2.2 million to Host Marriott on the Bank Guaranty, and \$1.5 million to Marriott International for deferred base management fees using amounts in the collateral account. Therefore, as of February 23, 1998, the balance on the Bank Loan was \$168.9 million, \$21.6 million was available under the Bank Guaranty, and deferred base management fees payable to Marriott International were \$2.1 million. The weighted average interest rate on the Bank Loan was 7.46% for 1997, 7.26% for 1996, and 7.89% for 1995. At December 31, 1997, the interest rate on the Bank Loan was 8.25%. The weighted average interest rate on the Bank Guaranty was 8.44% for 1997, 8.27% for 1996, and 8.85% for 1995. At December 31, 1997, the interest rate on the Bank Guaranty was 8.50%.

No amounts were advanced under the Interest Guaranty during 1997. Additionally on December 22, 1997, in accordance with the terms of the Interest Guaranty, the amount available was increased from \$4 million to \$8 million, and in early 1998, the amount available was reduced to \$4 million.

Raleigh and Tampa Loans

The Partnership repurchased the Raleigh Hotel and the Tampa Hotel on May 20, 1994, and July 11, 1994, respectively, with funding provided by non-recourse loans to the Partnership from a wholly-owned subsidiary of Host Marriott.

The non-recourse loan for the Raleigh Hotel totaled \$19.4 million to cover the \$18.7 million purchase price and closing costs. Under the terms of the loan, \$14.0 million of principal ("Raleigh Note A") bears interest at a fixed rate of 10% and requires quarterly payments of interest and principal, based on a 25-year amortization schedule, with a balloon payment due at maturity on May 20, 2001. The remaining principal of \$5.4 million

("Raleigh Note B") bears interest at a fixed rate of 11.5% and matures on May 20, 2006. Cash flow from the Raleigh Hotel is used to pay debt service in the following order of priority: (i) interest on Raleigh Note A, (ii) principal on Raleigh Note A, and (iii) interest on Raleigh Note B. The remaining cash flow is used to pay principal on Raleigh Note B. If cash flow is insufficient to pay interest on Raleigh Note B, the unpaid interest rolls into the Raleigh Note B principal balance annually. As of December 31, 1997 and 1996, the Raleigh Note A principal balance was \$13.5 million, and the Raleigh Note B principal balance was \$3.8 million and \$4.8 million, respectively.

The non-recourse loan for the Tampa Hotel totaled \$16.3 million to cover the \$15.7 million purchase price and closing costs. Under the terms of the loan, \$10.0 million of principal ("Tampa Note A") bears interest at a fixed rate of 10% and requires quarterly payments of interest and principal, based on a 25-year amortization schedule, with a balloon payment due at maturity on July 11, 2001. The remaining principal of \$6.3 million ("Tampa Note B") bears interest at a fixed rate of 11.5% and matures on July 11, 2006. Cash flow from the Tampa Hotel is used to pay debt service in the following order of priority: (i) interest on Tampa Note A, (ii) principal on Tampa Note A, and (iii) interest on Tampa Note B. The remaining cash flow is used to pay principal on Tampa Note B. If cash flow is insufficient to pay interest on Tampa Note B, the unpaid interest rolls into the Tampa Note B principal balance annually. As of December 31, 1997 and 1996, the Tampa Note A principal balance was \$9.7 million, and the Tampa Note B principal balance was \$5.4 million and \$6.1 million, respectively.

Both of the Raleigh and Tampa loans are secured by a first priority lien on the building; land (the Partnership's leasehold interest in the case of the Tampa Hotel); furniture, fixtures and equipment; and working capital and supplies advanced to the Manager.

As of December 31, 1997, required principal payments related to the Raleigh and Tampa Loans are as follows (in thousands):

YEAR	

1998.....	\$ 325
1999.....	357
2000.....	393
2001.....	22,125
2002.....	--
Thereafter.....	9,200

	\$32,400
	=====

Furniture, Fixtures and Equipment Loans

Prior to December 22, 1994, the Bank Loan and Marriott International Management Agreement, as defined in Note 8, required the Partnership to deposit funds in an escrow account (based on a percentage, ranging from 1% to 5%, of Bank Hotel sales) to be used to replace FF&E at the Bank Hotels. Additionally, the Bank Loan required the General Partner to fund up to \$30 million of these reserves, if necessary (the "FF&E Guaranty"). The Marriott International Management Agreement contained a similar reserve requirement for the S&L Hotels.

Host Marriott advanced funds (the "Host FF&E Loans") for the purchase of FF&E for the Bank Hotels from 1991 through 1994 pursuant to the FF&E Guaranty and also provided loans for the purchase of FF&E at the S&L Hotels for 1991 and 1992. The Host FF&E Loans bear interest at the prime rate and are to be repaid in annual installments over six years. As of December 31, 1997 and 1996, \$2.9 million and \$5.2 million was outstanding under the Host FF&E Loans. The weighted average interest rate was 8.44% for 1997, 8.27% for 1996 and 8.85% for 1995. At December 31, 1997, the interest rate was 8.50%.

As of December 31, 1997, required principal payments related to the Host FF&E Loans are as follows (in thousands):

YEAR	AMOUNT
----	-----
1998.....	\$2,600
1999.....	300

	\$2,900
	=====

Subsequent to year-end, the Partnership repaid \$1.4 million of principal to Host Marriott on the Host FF&E Loans, thereby reducing the balance on the Host FF&E Loans to \$1.5 million.

These loans are non-recourse to the Partnership and its partners and are secured by payments from Marriott International under the FF&E Leases, as defined in Note 8. Interest expense on these loans is offset by lease payments received under the Marriott International FF&E Leases. As of December 31, 1997 and 1996, Marriott International owed \$2.9 million plus accrued interest to the Partnership pursuant to these agreements with the final installment due on December 31, 1999. Subsequent to year-end, Marriott International repaid \$1.5 million of principal to the Partnership on the Marriott International FF&E Leases.

Since 1995 the Bank Hotels' FF&E funding requirements have been met through contributions to a property improvement fund for the combined Bank Hotels. Since its acquisition date in 1994, the FF&E funding requirements for the Tampa Hotel have been met through the establishment of a property improvement fund for the Hotel. However, the Raleigh Hotel required additional funds, as described below. See Note 8 for further details on the property improvement funds.

Raleigh Hotel Furniture, Fixtures and Equipment Loans

In 1995, Host Marriott and MHSI each provided an unsecured loan to the Partnership in the amount of \$350,000 ("Raleigh \$350,000 FF&E Loans") to fund costs of a softgoods rooms renovation at the Raleigh Hotel in excess of amounts available in the Hotel's property improvement fund. Each Raleigh \$350,000 FF&E Loan was fully advanced to the Partnership by January 24, 1995. The Raleigh \$350,000 FF&E Loans bear interest at the prime rate. Payments on the loans are made each accounting period from a portion of the property improvement fund contribution equal to 1% of gross Hotel sales and are applied first to interest and then to principal. The Raleigh \$350,000 FF&E Loans are due and payable on the earlier of the termination of the Raleigh management agreement or December 31, 2005. Interest accrued in 1995 was added to the principal balance of each of the loans. As of December 31, 1997 and 1996, \$298,000 and \$342,000, respectively, was due on each of the Raleigh \$350,000 FF&E Loans. The weighted average interest rate was 8.44% for 1997, 8.27% for 1996, and 8.85% for 1995. At December 31, 1997, the interest rate on the Raleigh \$350,000 FF&E Loans was 8.50%.

In 1996, Host Marriott provided another unsecured loan to the Partnership in the amount of \$700,000 ("Raleigh \$700,000 FF&E Loan") to fund costs of a casegoods rooms renovation at the Raleigh Hotel in excess of the amounts available in the Hotel's property improvement fund. The Raleigh \$700,000 FF&E Loan was fully advanced to the Partnership by December 9, 1996. The Raleigh \$700,000 FF&E Loan bears interest at the prime rate plus 0.5%. Payments on the loan are made each accounting period from a portion of the property improvement fund contribution equal to 1% of gross Hotel sales and are applied first to interest and then to principal. The Raleigh \$700,000 FF&E Loan is due and payable on the earlier of the termination of the Raleigh management agreement or December 31, 2003. As of December 31, 1997 and 1996, \$571,000 and \$658,000, respectively, was due on the Raleigh \$700,000 FF&E Loan. The weighted average interest rate was 8.94% for 1997 and 8.75% for 1996. At December 31, 1997, the interest rate was 9.00%.

Other Loans

As of December 31, 1997, the Partnership also owed Host Marriott \$88.8 million including accrued interest, as follows: (i) \$64.4 million related to the original Host Marriott Guaranty and the S&L Guaranty; (ii) \$8.5

million related to the Bank Guaranty; (iii) \$5.4 million related to working capital advances; (iv) \$8.9 million for capital improvements at the Point Clear, Alabama Hotel; and (v) \$1.6 million from Host Marriott's subordination of cash flow from the 66-room Raleigh addition. All of the above-mentioned advances bear interest at the prime rate as announced by Bankers Trust Company with a weighted average interest rate of 8.44% for 1997, 8.27% for 1996, and 8.85% for 1995. At December 31, 1997, the interest rate was 8.50%.

All Partnership indebtedness, including the Bank Loan, guaranty advances, other General Partner loans, and deferred base and incentive management fees, which is outstanding upon dissolution of the Partnership must be repaid before any cash distributions can be made to the partners.

NOTE 7. LEASES

The Partnership's five ground leases have lease terms expiring in 2006 (Tampa), 2008 (Greensboro and Miami), 2009 (Houston), and 2032 (Albuquerque) and contain one or more renewal options that allow the Partnership to extend the leases from 15 to 50 additional years. The leases generally provide for minimum base rentals as well as additional ground rentals which are calculated as a percentage of sales in excess of minimum base rentals. Total ground rental expense for the three years ended December 31 consisted of (in thousands):

	1997	1996	1995
	-----	-----	-----
Minimum rentals.....	\$1,548	\$1,548	\$1,548
Additional rentals based on sales.....	719	706	664
	-----	-----	-----
	\$2,267	\$2,254	\$2,212
	=====	=====	=====

Minimum rentals for the five Hotels operating under noncancelable leases for real estate for future years (exclusive of percentage rentals) are as follows (in thousands):

YEAR	MINIMUM RENTAL
----	-----
1998.....	\$ 1,548
1999.....	1,548
2000.....	1,548
2001.....	1,548
2002.....	1,548
Thereafter.....	13,216

Total minimum lease payments.....	\$20,956
	=====

NOTE 8. MANAGEMENT AGREEMENTS

Marriott International Management Agreement

On July 16, 1982, the Partnership entered into a management agreement with Marriott International (the "Marriott International Management Agreement") to manage and operate the Hotels for a term of 25 years from the opening of each Hotel with renewal terms, at the option of Marriott International, of up to an additional 50 years. The Marriott International Management Agreement provided for payment of base management fees equal to a percentage of sales ranging from 7% to 8% depending on the length of time the Hotel had been open as well as incentive management fees equal to a percentage of hotel operating profit, as defined, ranging from 20% to 90% depending on the level of returns from operating profit paid to the Partnership. In connection with obtaining the Bank Loan, the Marriott International Management Agreement was amended on December 22, 1987, with respect to the Bank Hotels to provide for the payment of base management fees only after payment of debt service on the Bank Loan. If funds available after debt service were insufficient to pay all base management fees related to the Bank Hotels, the fees were deferred without interest and payable in future years. The Partnership and the S&L Lender also modified the Marriott International Management Agreement with respect to the S&L

Hotels, providing for reductions in the base management fees for 1989 through 1993. As of December 31, 1994, the balance of deferred base management fees was \$47.5 million. Payment of the incentive management fees was dependent upon the availability of cash flow after debt service, and incentive management fees were payable only after repayment of certain debt service guaranty advances and certain priority returns to the Partnership expressed as a percentage of limited partner invested equity. Through December 31, 1994, no incentive management fees had been paid since inception. As of December 31, 1994, deferred incentive management fees were \$98.8 million. In connection with the Bank Loan restructuring in 1995, the Marriott International Management Agreement was terminated and the deferred balances of base and incentive management fees outstanding as of December 31, 1994, were forgiven. The Partnership recorded an extraordinary gain of \$146.3 million in 1995 to recognize the gain which resulted from the forgiveness of the deferred fees.

Until the termination of the Marriott International Management Agreement, Marriott International entered into leases (the "FF&E Leases") from the Partnership for all FF&E replacements for terms of up to six years. Lease payments represent an amount approximately equal to the principal amortization, interest, and fees associated with indebtedness incurred by the Partnership to finance the replacements and any sales and use taxes, personal property taxes, insurance premiums, and additional costs incurred by the Partnership in connection with the acquisition and use of such replacements. As of December 31, 1997 and 1996, Marriott International was obligated to pay \$2.9 million and \$5.2 million, respectively, to the Partnership under these agreements.

Bank Hotels Management Agreement

Effective December 31, 1994, in connection with the Bank Loan restructuring, the Partnership entered into a new management agreement (the "Bank Hotels Management Agreement") with Marriott International. This agreement provides for an initial term of 25 years from the opening date, as specified in the agreement, of each Bank Hotel with renewal terms at the option of Marriott International of up to an additional 50 years. The Bank Hotels Management Agreement provides Marriott International with a base management fee of 3% of gross Bank Hotel sales. In accordance with the restructured Bank Loan, a portion of the base management fee equal to 1% of gross Bank Hotel sales (the "Subordinated Base Management Fee") is subordinate to the payment of debt service on the Bank Loan and repayment of certain advances under the Bank Guaranty. As a result, the Subordinated Base Management Fee is set aside in a collateral account to be made available for the payment of (i) debt service on the Bank Loan, (ii) debt service on the Bank Guaranty, and (iii) depending upon the balance of the Bank Guaranty, deferred base management fees. Any unpaid base management fees are deferred without interest and are payable in future years. As of December 31, 1997 and 1996, deferred base management fees were \$3.6 million and \$2.4 million, respectively. On February 23, 1998, the Partnership repaid \$1.5 million to Marriott International for deferred base management fees. Therefore, as of February 23, 1998, deferred base management fees were \$2.1 million.

The Manager will continue to earn incentive management fees equal to 20% of hotel operating profit, as defined, and additional incentive management fees, after certain returns to the Partnership, ranging from 10% to 70% of hotel operating profit depending upon the level of returns achieved by the Partnership. Payment of incentive management fees will continue to be fully subordinated to the payment of debt service and to the replenishment of all guaranties. As of December 31, 1997 and 1996, deferred incentive management fees were \$22.2 million and \$14.8 million, respectively.

The Bank Hotels Management Agreement also requires the Partnership to maintain a property improvement fund (the "Bank Hotels Property Improvement Fund") to ensure that the physical condition and product quality of the Bank Hotels are maintained. Contributions to the Bank Hotels Property Improvement Fund are equal to 5% of gross Bank Hotel sales.

On February 24, 1995, the Partnership, the Bank Lender, and Marriott International entered into a cash collateral agreement with terms effective January 1, 1995, whereby all Partnership cash relating to the Bank Hotels (including the Bank Hotels Property Improvement Fund and the Subordinated Base Management Fees) was pledged as collateral for the Bank Loan. Pursuant to the cash collateral agreement, a portion of the Bank

Hotels Property Improvement Fund contribution equal to 4% of gross Bank Hotel sales is to be deposited into an escrow account for the FF&E needs of the Bank Hotels. This escrow balance as of December 31, 1997 and 1996, was \$2.8 million and \$2.4 million, respectively. The remaining portion of the Bank Hotels Property Improvement Fund contribution equal to 1% of gross Bank Hotel sales is to be deposited into a restricted cash account which is subordinated to the payment of current debt service on the Bank Loan. Any balance remaining in the restricted cash account at the end of each year, after payment of debt service, will be released from any restrictions. As of December 31, 1997 and 1996, the balance in the restricted cash account was \$1.1 million. The balance in the fund was not required for 1997 or 1996 debt service and was transferred to the Bank Hotels Property Improvement Fund in early 1998 and 1997, respectively.

Raleigh and Tampa Management Agreements

Upon the Partnership's reacquisition of the Raleigh and Tampa Hotels, the Partnership entered into new management agreements (the "MHSI Agreements") with MHSI for each of the Hotels. These agreements provide for payments to MHSI as follows: (i) a base management fee equal to 3% of gross Hotel sales and (ii) an incentive management fee equal to 20% of operating profit, as defined. The MHSI Agreements provide for an initial term expiring on December 31, 2009. MHSI may renew each agreement at its option, for up to two successive eight-year terms. The Partnership may terminate the Raleigh or Tampa management agreement after June 18, 1999, and July 16, 1999, respectively, if specified minimum operating results for each Hotel are not achieved. However, MHSI can prevent termination by waiving its base management fee with respect to each Hotel for a two-year period.

The MHSI Agreements provide for a priority return to the Partnership equal to 10.75% of the owner's investment, plus ground rent in the case of the Tampa Hotel. As of December 31, 1997, the Raleigh and Tampa owner's investment was \$19.6 million and \$16.8 million, respectively. The MHSI Agreement for Raleigh provides for a portion of the base management fee payable to MHSI equal to 1% of gross Hotel sales to be subordinated to the first 10% of the 10.75% priority return for five years from the effective date of the Raleigh agreement. Any unpaid base management fees will accrue and are payable from any excess operating profit; however, any deferred base management fees remaining on June 18, 1999, will be waived. As of December 31, 1997 and 1996, no base management fees were deferred under the Raleigh management agreement.

Incentive management fees are payable from 40% of available cash flow, as defined. Any unpaid incentive management fees for the Raleigh and Tampa Hotels are waived annually. In 1997, incentive management fees paid for the Raleigh and Tampa Hotels were \$567,000 and \$350,000, respectively. In 1996, incentive management fees paid for the Raleigh and Tampa Hotels were \$574,000 and \$315,000, respectively.

Each MHSI Agreement provides for the establishment of a property improvement fund ("Property Improvement Fund") for each Hotel. Contributions to the Property Improvement Fund equal 5% of gross Hotel sales from each Hotel. However, effective August 1996, MHSI and the Partnership agreed to increase the contribution from 5% to 7% for the Raleigh Hotel until an additional \$300,000 was deposited to cover the cost of certain renovations. This increase was in effect until the fourth quarter of 1997. In addition, a portion of the contribution for the Raleigh Hotel equal to 2% of gross Hotel sales is used to pay interest and principal on the Raleigh \$350,000 FF&E Loans and the Raleigh \$700,000 FF&E Loan. As of December 31, 1997, the balances of the Raleigh and Tampa Property Improvement Funds were \$727,000 and \$232,000, respectively. As of December 31, 1996, the balances of the Raleigh and Tampa Property Improvement Funds were \$678,000 and \$67,000, respectively.

General

Pursuant to the terms of the management agreements, the Managers are required to furnish the Hotels with certain services ("Chain Services") which generally are provided on a central or regional basis to all hotels in the Marriott hotel system. Chain Services include central training, advertising and promotion, a national reservation system, computerized payroll and accounting services, and such additional services, as needed, which

may be performed more efficiently on a centralized basis. Costs and expenses incurred in providing such services are allocated among all domestic hotels managed, owned, or leased by Marriott International or its subsidiaries. In addition, the Hotels also participate in Marriott International's Marriott Rewards Program ("MRP"). This program was formerly called the Honored Guest Awards Program. The cost of this program is charged to all hotels in the Marriott hotel system based on the MRP sales at each hotel. The total amount of Chain Services and MRP costs charged to the Partnership was \$7.3 million in 1997, \$7.1 million in 1996, and \$7.6 million in 1995.

Pursuant to the terms of the management agreements, the Partnership is required to provide the Managers with working capital and supplies to meet the operating needs of the Hotels. In 1995, in conjunction with the sale of the Dallas Hotel, \$946,000 was reimbursed by the Dallas Hotel to the Partnership. These funds were used to pay interest and principal on working capital advances from Host Marriott. Additionally during 1995, Marriott International returned \$400,000 in working capital to the Partnership. During 1996, the Partnership advanced \$262,000 to Marriott International for working capital. During 1997, \$168,000 in working capital was returned to the Partnership. Therefore, as of December 31, 1997 and 1996, \$5.1 million and \$5.3 million, respectively, has been advanced to the Managers for working capital and supplies for the Hotels.

NOTE 9. RELATED PARTY TRANSACTIONS

A 66-guest room addition to the Raleigh Hotel was completed and opened on July 18, 1987. The \$3.4 million addition was operated as part of the Raleigh Hotel but was owned by Host Marriott. Host Marriott subordinated its receipt of cash flow generated from the Host Marriott-owned Raleigh addition (the "Addition Deferral") to the payment of debt service on the S&L Loan for the years 1991 through 1993. The Addition Deferral bears interest at the prime rate. The weighted average interest rate was 8.44% for 1997, 8.27% for 1996, and 8.85% for 1995. The balance of the Addition Deferral including accrued interest at December 31, 1997 and 1996, was \$1.6 and \$1.5 million, respectively. Except for the balance of \$1.6 million, the Partnership's rights and obligations under the Addition Deferral arrangement terminated with the Raleigh Hotel foreclosure. Additionally, the 66-room addition was purchased by the Partnership when the Raleigh Hotel was repurchased during 1994.

On June 28, 1995, the Partnership assigned its right of first refusal to purchase the Point Clear Hotel to a subsidiary of Host Marriott, which subsequently purchased the Hotel. In exchange, Host Marriott agreed to forgive \$2 million of accrued interest on certain advances to the Partnership, which has been accounted for as a capital contribution by the General Partner.

On August 22, 1995, the Partnership sold the Dallas Hotel to a subsidiary of Host Marriott. The proceeds from the sale of the Dallas Hotel were used to repay \$44 million of the Bank Loan.

POTOMAC HOTEL LIMITED PARTNERSHIP

NOTES TO CONDENSED FINANCIAL STATEMENTS
(UNAUDITED)

1. The accompanying condensed financial statements have been prepared by Potomac Hotel Limited Partnership (the "Partnership") without audit. Certain information and footnote disclosures normally included in financial statements presented in accordance with generally accepted accounting principles have been condensed or omitted from the accompanying statements. The Partnership believes the disclosures made are adequate to make the information presented not misleading. However, the condensed financial statements should be read in conjunction with the Partnership's financial statements and notes thereto included in the Partnership's Form 10-K for the fiscal year ended December 31, 1997.

In the opinion of the Partnership, the accompanying unaudited condensed financial statements reflect all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position of the Partnership as of June 19, 1998; the results of operations and cash flows for the first two quarters 1998 and 1997. Interim results are not necessarily indicative of fiscal year performance because of seasonal and short-term variations.

For financial reporting purposes, the Partnership's net income is allocated 99% to the limited partners and 1% to Host Marriott Corporation ("Host Marriott" or "General Partner"). Significant differences exist between the net income for financial reporting purposes and the net income for Federal income tax reporting purposes. These differences are due primarily to the use for tax purposes of differing useful lives and accelerated depreciation methods, differing tax bases in contributed capital, and differing timings in the recognition of management fee expense.

2. Certain reclassifications were made to the prior quarter financial statements to conform to the current quarter presentation.

3. Hotel revenues represent house profit of the Partnership's hotels since the Partnership has delegated substantially all of the operating decisions related to the generation of house profit of the hotels to the manager. House profit reflects hotel operating results which flow to the Partnership as property owner and represents gross hotel sales less property-level expenses, excluding depreciation, base and incentive management fees, property taxes, ground rent, insurance, and certain other costs, which are disclosed separately in the condensed statement of operations.

On November 20, 1997, the Emerging Issues Task Force ("EITF") of the Financial Accounting Standards Board reached a consensus on EITF 97-2 "Application of FASB Statement No. 94 and APB Opinion No. 16 to Physician Practice Management Entities and Certain Other Entities with Contractual Management Arrangements." EITF 97-2 addresses the circumstances in which a management entity may include the revenues and expenses of a managed entity in its financial statements.

The Partnership has considered the impact of EITF 97-2 and concluded that it should be applied to its hotels. Accordingly, hotel sales and property level expenses will be reflected on the statement of operations. This change in accounting principle will be adopted in the financial statements during the fourth quarter of 1998 as of and for the year ended December 31, 1998 with retroactive effect in prior periods to conform to the new presentation. Application of EITF 97-2 will increase both revenues and operating expenses by approximately \$49.5 million and \$47.2 million for the first two quarters 1998 and 1997, respectively and will have no impact on operating profit or net income.

POTOMAC HOTEL LIMITED PARTNERSHIP

NOTES TO CONDENSED FINANCIAL STATEMENTS--(CONTINUED)

Hotel revenues consist of the following hotel operating results (in thousands):

	FIRST TWO QUARTERS	
	1998	1997
HOTEL SALES		
Rooms.....	\$ 51,015	\$ 48,339
Food and beverage.....	22,137	21,190
Other.....	5,841	5,704
	-----	-----
	78,993	75,233
	-----	-----
HOTEL EXPENSES		
Departmental Direct Costs		
Rooms.....	11,780	11,098

Other hotel operating expenses.....	21,441	20,247
	-----	-----
	49,513	47,185
	-----	-----
HOTEL REVENUES.....	\$ 29,480	\$ 28,048
	=====	=====

4. Host Marriott, the General Partner of the Partnership, announced on April 17, 1998, that its Board of Directors has authorized the company to reorganize its business operations to qualify as a real estate investment trust ("REIT") to become effective as of January 1, 1999. As part of the REIT conversion, Host Marriott expects to form a new operating partnership (the "Operating Partnership") and limited partners in certain Host Marriott full-service hotel partnerships and joint ventures, including the Partnership, are expected to be given an opportunity to receive, on a tax-deferred basis, Operating Partnership units in the Operating Partnership in exchange for their current limited partnership interests. The Operating Partnership units would be redeemable by the limited partner for freely traded Host Marriott shares (or the cash equivalent thereof) at any time after one year from the closing of the merger. In connection with the REIT conversion, the Operating Partnership filed a Registration Statement on Form S-4 with the Securities and Exchange Commission on June 2, 1998. Limited partners will be able to vote on this Partnership's participation in the merger later this year through a consent solicitation.

PART II. INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Articles of Incorporation of Host REIT authorizes it, to the maximum extent permitted by Maryland law, to obligate itself to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any present or former director or officer or (b) any individual who, while a director of Host REIT and at the request of Host REIT, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or any other enterprise from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her status as a present or former Director or officer of Host REIT. The Bylaws of Host REIT obligate it, to the maximum extent permitted by Maryland law, to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any present or former director or officer who is made party to the proceeding by reason of his service in that capacity or (b) any individual who, while a director or officer of Host REIT and at the request of Host REIT, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or any other enterprise as a trustee, director, officer or partner of such corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise and who is made a party to the proceeding by reason of his service in that capacity, against any claim or liability to which he may become subject by reason of such status. The Articles of Incorporation and Bylaws also permit Host REIT to indemnify and advance expenses to any person who served a predecessor of Host REIT in any of the capacities described above and to any employee or agent of Host REIT or a predecessor of Host REIT. The Bylaws require Host REIT to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he is made a party by reason of his service in that capacity.

The MGCL permits a Maryland corporation to indemnify and advance expenses to its directors, officers, employees and agents. Host REIT will indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, Host REIT may not indemnify a director or officer in a suit by or in the right of the corporation if such director or officer has been adjudged to be liable to the corporation. The Bylaws of Host REIT require it, as a condition to advancing expenses, to obtain (a) a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by Host REIT as authorized by the Bylaws and (b) a written statement by or on his behalf to repay the amount paid or reimbursed by Host REIT if it shall ultimately be determined that the standard of conduct was not met.

* Previously filed.

** To be filed by amendment.

Agreement filed is illustrative of numerous other agreements to which the Company is a party.

ITEM 22. UNDERTAKINGS.

The undersigned registrants hereby undertake as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

The registrants undertake that every prospectus (i) that is filed pursuant to the immediately preceding paragraph or (ii) that purports to meet the requirements of section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of a registrant pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

The undersigned registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

The undersigned hereby undertakes to supply by means of a post-effective amendment to Part II of the registration statement no later than 15 days prior to the end of the Solicitation Period a copy of the signed tax opinion of Hogan & Hartson L.L.P. with respect to qualification of HMC Merger Corporation as a REIT substantially in the form and to the effect of Appendix D to the prospectus/consent solicitation statement included in the registration statement.

REPORT OF INDEPENDENT ACCOUNTANTS

To Host Marriott Corporation:

We have audited in accordance with generally accepted auditing standards, the financial statements of Host Marriott Corporation, Host Marriott Hotels and HMC Senior Communities, Inc. included in this registration statement and have issued our reports thereon dated February 27, 1998, May 22, 1998 and May 1, 1998, respectively. Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules included on pages S-2 through S-7 are the responsibility of the Company's management and are presented for purposes of complying with the Securities and Exchange Commission's rules and are not part of the basic financial statements. These schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, fairly state in all material respects the financial data required to be set forth therein in relation to the basic financial statements taken as a whole.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this "Agreement") is entered into as of October __, 1998 by and among HMC Merger Corporation, a Maryland corporation ("Host REIT"), Host Marriott, L.P., a Delaware limited partnership (the "Operating Partnership"), [MERGER SUB], a Delaware limited partnership and an indirect wholly owned subsidiary of the Operating Partnership and Host REIT ("Merger Sub"), and [PUBLIC LP], a [Delaware/Rhode Island] limited partnership (the "Partnership").

WHEREAS, Host Marriott Corporation, a Delaware corporation ("Host"), has adopted a plan to restructure its business operations so that it will qualify as a real estate investment trust ("REIT") for federal income tax purposes; and

WHEREAS, the Partnership is the owner of the full-service hotel[s] described on Schedule A attached hereto (the "Hotel[s]"); and

WHEREAS, as part of the restructuring and other transactions that Host determines in its discretion are necessary or desirable to permit or facilitate the qualification of Host REIT as a REIT for federal income tax purposes (the "REIT Conversion"), Host REIT will become the sole general partner of the Operating Partnership; and

WHEREAS, as part of the REIT Conversion, the Operating Partnership through Merger Sub is proposing to acquire by merger (the "Mergers") eight public limited partnerships, including the Partnership; and

WHEREAS, HMC Real Estate LLC, a Delaware limited liability company and the initial general partner of the Operating Partnership ("OPGP"), and _____, a Delaware corporation and the sole general partner of the Partnership ("PGP"), have deemed it advisable for their respective limited partnerships and the partners thereof that, upon the terms and subject to the conditions contained herein, the Operating Partnership acquire the Partnership through a merger (the "Merger") of Merger Sub with and into the Partnership, with the partnership interests in the Partnership ("Partnership Interests"), including without limitation, the units of limited partnership interests therein (the "Partnership Units"), being exchanged for and converted into units of limited partnership interest in the Operating Partnership ("OP Units"), and the partners in Merger Sub becoming the sole partners in the Partnership; and

WHEREAS, for federal income tax purposes, it is intended that the Merger, regardless of form, be treated as a contribution by the current holders of Partnership Interests of such Partnership Interests to the Operating Partnership in

exchange for OP Units, as provided for herein, under Section 721 of the Internal Revenue Code of 1986, as amended (the "Code"), with the Partnership continuing as an indirect wholly owned subsidiary of the Operating Partnership and Host REIT; and

WHEREAS, upon the terms and subject to the conditions contained herein, the holders of OP Units received in the Merger will have the right to elect to tender such OP Units to Host REIT in exchange for shares of common stock, par value \$.01 per share, of Host REIT ("Common Shares") or to tender such OP Units to the Operating Partnership in exchange for unsecured 6.56% Callable Notes due December 15, 2005 issued by the Operating Partnership ("Notes"); and

WHEREAS, the Partnership has received a fairness opinion relating to the Merger.

NOW, THEREFORE, for and in consideration of the foregoing and of the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the parties, each intending to be legally bound hereby, agree as follows:

1. PLAN OF MERGER

1.1. The Merger

Upon the terms and subject to the conditions hereof, and in accordance with the provisions of [Section 7-13-68 of the Rhode Island Revised Uniform Limited Partnership Act (the "RIRULPA")/Section 17-211 of the Delaware Revised Uniform Limited Partnership Act (the "DRULPA")], Merger Sub shall be merged with and into the Partnership at the Effective Time (as defined below), with the holders of Partnership Interests receiving OP Units, as set forth in Sections 1.3 and 1.5 below, and with the partners in Merger Sub becoming the sole partners in the Partnership. The Partnership shall be the surviving entity of the Merger (the "Surviving Partnership"), and the separate existence of Merger Sub will cease. The Surviving Partnership shall continue its existence as a limited partnership under the laws of the State of Delaware, and its name shall continue to be "_____ Limited Partnership."

1.2. Certificate of Merger; Effective Time

Upon the terms and subject to the conditions hereof, at or prior to the Closing (as defined herein), the parties shall execute a Certificate of Merger (the "Certificate of Merger") substantially in the form attached hereto as Exhibit A and

the Partnership shall file the Certificate of Merger with the Office of the Secretary of State of the State of Delaware in accordance with the provisions of [Section 17-211(c) of the DRULPA/Section 7-13-68 (c) of the RIRULPA.] The Merger shall become effective on the time and date specified in the Certificate of Merger filed with the Secretary of State of the State of Delaware, or absent any such indication, upon acceptance of filing (the "Effective Time"). The date on which the Effective Time occurs is referred to herein as the "Effective Date."

1.3. Effects of Merger

The Merger shall have the effects set forth in the [RIRULPA/DRULPA]. The sole general partner of the Surviving Partnership shall be HMC ___ LLC, which is the general partner of Merger Sub, until it withdraws or is removed in accordance with the partnership agreement of the Surviving Partnership, and the limited partners of the Surviving Partnership shall be HMC ___ LLC and HMC Partnership Properties LLC, the limited partners of Merger Sub. The Amended and Restated Agreement of Limited Partnership, as amended by the Amendment to Amended and Restated Agreement of Limited Partnership substantially in the form attached hereto as Exhibit B, shall be adopted as the partnership

agreement of the Surviving Partnership and shall continue in full force and effect after the Merger until further amended in accordance with the terms and conditions thereof and applicable Delaware law.

1.4. Closing

The closing of the Merger (the "Closing") will take place at 9:00 a.m., Eastern Time, on the date to be specified by the parties, which (subject to satisfaction or waiver of the conditions set forth herein) shall be within three business days following the record date for the distribution by Host to its shareholders of shares of common stock of Crestline Capital Corporation and the merger of Host with and into Host REIT, or such other date to which the parties may agree (the "Closing Date"), at the offices of Hogan & Hartson L.L.P., 555 13th Street, Washington, D.C. or such other place to which the parties may agree.

1.5. Exchange and Conversion of Partnership Interests

At the Effective Time, the outstanding Partnership Interests in the Partnership shall be exchanged for and converted into units of limited partnership interest in the Operating Partnership without the need for any further action of the partners of the Partnership, and thereupon any certificates representing any interests in the Partnership shall be deemed canceled. Each holder of record of a Partnership Unit (including the general partner and other

subsidiaries of Host REIT or the Operating Partnership) at the Effective Time shall receive in the Merger in exchange for such Partnership Unit a number of OP Units equal to the quotient determined by dividing (a) the Exchange Value (as defined below) of such Partnership Unit by (b) the OP Unit Price (as defined below). The general partner of the Partnership shall receive in the Merger in exchange for its general Partnership Interest a number of OP Units equal to the quotient determined by dividing (a) the Exchange Value (as defined below) of such Partnership Interest (determined as described in the Consent Solicitation, as defined below) by (b) the OP Unit Price (as defined below). Promptly following the twentieth (20th) trading day after the Effective Date, the Operating Partnership shall notify each such holder and the former general partner in writing of the number of OP Units that such person received in the Merger, which OP Units shall be treated for all purposes as having been received at the Effective Time. For purposes of this Agreement, (a) "Exchange Value" shall have the meaning set forth in the final Registration Statement/Consent Solicitation on Form S-4 filed with the Securities and Exchange Commission by the Operating Partnership, Host REIT and the Partnership (collectively with the appendices, exhibits, amendments and supplements thereto, the "Consent Solicitation") and shall be determined as of the Final Valuation Date (as defined in the Consent Solicitation), and (b) "OP Unit Price" shall mean the average closing price on the New York Stock Exchange (the "NYSE") of a Host REIT Common Share for the first twenty (20) trading days after the Effective Date; provided, however, if such 20-day average trading price is less than \$9.50, then the "OP Unit Price" shall be equal to \$9.50; and if such 20-day average trading price is greater than \$15.50, then the "OP Unit Price" shall be equal to \$15.50.

1.6. No Fractional OP Units

The Operating Partnership will not issue any fractional OP Units upon conversion of Partnership Interests pursuant to Section 0. Fractions of an OP Unit otherwise issuable that are greater than or equal to 0.5 of an OP Unit will be rounded up to the next largest whole number of OP Units. Fractions of an OP Unit otherwise issuable that are less than 0.5 of an OP Unit will be rounded down to the next smallest whole number of OP Units.

1.7. No Appraisal Rights

The holders of Partnership Interests are not entitled under applicable law to appraisal rights as a result of the Merger.

1.8. Approval of Limited Partners of the Partnership

The Partnership and PGP promptly shall seek the requisite approval of the limited partners of the Partnership to the Merger and the related proposed amendments to the Partnership's partnership agreement substantially as contemplated by the Consent Solicitation as and to the extent required by the Partnership's partnership agreement and of any other matters reasonably

requested by Host REIT or the Operating Partnership to effectuate the transactions contemplated by this Agreement (collectively, the "Limited Partner Approvals").

2. REPRESENTATIONS AND WARRANTIES OF THE PARTNERSHIP

The Partnership represents and warrants to Host REIT, the Operating Partnership and Merger Sub as of the date of this Agreement:

2.1. Organization, Good Standing and Qualification

The Partnership has been duly formed and is validly existing as a limited partnership in good standing under the DRULPA with partnership power and authority to own, lease and operate its properties, conduct the business in which it is engaged and perform its obligations under this Agreement. The Partnership is duly qualified to transact business and is in good standing under the laws of each jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification except where the failure to so qualify or be in good standing would not reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of the Partnership and its subsidiaries (if any) taken as a whole (a "Partnership Material Adverse Effect"). The Partnership has furnished or made available to Host REIT, the Operating Partnership and Merger Sub true and complete copies of its Certificate of Limited Partnership and its partnership agreement, as amended or supplemented to the date of this Agreement.

2.2. Power, Authority and Enforceability

The Partnership has the requisite partnership power and authority to enter into this Agreement and, subject to the requisite Limited Partner Approvals, to consummate the Merger and other transactions contemplated by this Agreement and each other agreement in connection therewith to which the Partnership is a party. The execution and delivery of this Agreement by the Partnership and the consummation by the Partnership of the transactions contemplated by this Agreement and each other agreement in connection therewith to which the Partnership is a party have been duly authorized by all necessary action on the part of the Partnership, except for and subject to the Limited Partner Approvals. This Agreement has been duly executed and delivered by the Partnership and constitutes the legal, valid and binding agreement of the Partnership enforceable against the Partnership in accordance with its terms, except as may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, and (ii) equitable principles of general applicability relating to the availability of specific performance, injunctive relief, or other equitable remedies.

2.3. Capitalization

The only interests in the Partnership outstanding are the Partnership Interests reflected in the Consent Solicitation, including, without limitation, the Partnership Units. All of such Partnership Interests have been duly authorized and validly issued, are fully paid and are not subject to any preemptive or similar rights. The Partnership is not a party to or bound by any agreement, put or commitment pursuant to which it is obligated to purchase, redeem or otherwise acquire any Partnership Interests or any options or securities convertible into Partnership Interests.

2.4. Noncontravention

Except as disclosed in the Partnership SEC Documents (as defined below), the execution, delivery and performance of this Agreement by the Partnership and the consummation by the Partnership of the Merger will not violate the partnership agreement of the Partnership as proposed to be amended and in effect as of the Effective Time substantially as described in the Consent Solicitation, or conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or grant to others any rights of termination, amendment, acceleration or cancellation of, any other material agreement, indenture or instrument to which the Partnership or any of its subsidiaries (if any) is a party or by which any of its property or assets of the Partnership is bound or affected, or result in a violation of any statute, law, ordinance, regulation, rule, judgment, decree or order (collectively "Laws") of any federal, state or local government or any court, administrative or regulatory agency or commission or other governmental authority or agency having jurisdiction (a "Governmental Entity") applicable to the Partnership or any of its subsidiaries (if any) or by which any of its property or assets is bound or affected, which conflict, default, grant or violation would reasonably be expected to have a Partnership Material Adverse Effect or which will be avoided by the Partnership obtaining the consent of a third party (including, without limitation, the Limited Partner Approvals) at or prior to the Effective Time.

2.5. Litigation

Except as disclosed in the Partnership SEC Documents (as defined below), there is no suit, action or proceeding pending or, to the knowledge of the Partnership, threatened against the Partnership or any of its subsidiaries (if any) or of which any of its properties or assets is the subject which is not covered by insurance and which, individually or in the aggregate, if determined adversely to such party, would impair the ability of the Partnership to perform its obligations under this Agreement or to consummate the Merger on substantially the terms contemplated by this Agreement.

2.6. SEC Documents; Financial Statements

The Partnership has filed all required reports, forms, statements and other documents with the Securities and Exchange Commission (the "SEC") since January 1, 1993 through the date hereof, including, without limitation, the Consent Solicitation (the "Partnership SEC Documents"). The Partnership SEC Documents, as of their respective filing dates, complied in all material respects with the applicable requirements of the Securities Act of 1933, as amended (the "Securities Act") and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and, in each case, the rules and regulations promulgated thereunder applicable to such Partnership SEC Documents. None of the Partnership SEC Documents at the time of filing contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except to the extent such statements have been modified or superseded by later Partnership SEC Documents filed and publicly available prior to the date hereof and with respect to which any such statement or omission would not reasonably be expected to have a Partnership Material Adverse Effect. The consolidated financial statements of the Partnership and its consolidated subsidiaries, if any, included in the Partnership SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with generally accepted accounting principles ("GAAP") (except, in the case of unaudited statements, as permitted by the applicable rules and regulations of the SEC) applied on consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly presented, in accordance with the applicable requirements of GAAP and the applicable rules and regulations of the SEC, the consolidated financial position of the Partnership and its consolidated subsidiaries, if any, in each case taken as a whole, as of the dates thereof and the consolidated results of operations and cash flow for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

2.7. No Material Adverse Changes

Since the date of the Partnership's most recent financial statements included in the Consent Solicitation, there has not been (i) any material adverse change in the business, financial condition or results of operations of the Partnership and its subsidiaries (if any) taken as a whole (a "Partnership Material Adverse Change"), nor has there been any occurrence or circumstance affecting the Partnership or any of its subsidiaries (if any) that with the passage of time would reasonably be expected to result in a Partnership Material Adverse Change, or (ii) any damage, destruction or loss, whether or not covered by insurance that has had or would reasonably be expected to have a Partnership Material Adverse Effect, or (iii) any change in accounting methods, principles or practices by the Partnership

materially affecting its assets, liabilities or business, except insofar as may have been disclosed in Partnership SEC Documents or required by a change in GAAP.

2.8. Title to Properties; Encumbrances

The Partnership and its subsidiaries (if any) have good and marketable fee simple title or leasehold title, as applicable, to all real property (the "Partnership Properties") identified in the Consent Solicitation as being owned or leased by the Partnership, in each case free and clear of all imperfections in title, easements, liens, mortgages, security interests, and other encumbrances ("Encumbrances") except for mortgages and security interests securing indebtedness reflected in the Consent Solicitation or Encumbrances which do not materially detract from the current use of the Partnership Properties or would not have a Partnership Material Adverse Effect.

2.9. Compliance with Laws and Material Agreements

Except as disclosed in any Partnership SEC Reports and except for violations, noncompliances, defaults which would not reasonably be expected to have a Partnership Material Adverse Effect, neither the Partnership nor any of its subsidiaries (if any) (i) has violated or failed to comply with any applicable Law of any Governmental Entity or (ii) is in default, and no event has occurred which, with notice or lapse of time or both, would constitute such a default, under any material indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which it is a party or by which it is bound or to which any of its properties or assets is subject.

2.10. Environmental Compliance

Except as disclosed in the Partnership SEC Documents, to the Partnership's knowledge, (i) neither the Partnership nor any other Person (as defined below) has caused or permitted the unlawful presence of any Hazardous Materials (as defined below) on any of the Partnership Properties or any unlawful spills, releases, discharges or disposal of Hazardous Materials to have occurred or be presently occurring on or from the Partnership Properties as a result of any construction on or operation and use of such Partnership Properties and (ii) none of the Partnership Properties, the Partnership or any of its subsidiaries (if any) have failed to comply in all material respects with all Environmental Laws (as defined below), which presence, occurrence or failure would have a Partnership Material Adverse Effect.

For the purposes of this Agreement, "Hazardous Materials" means any of the following on, under from or affecting the Partnership Properties (as defined herein) or any soil, water, vegetation, buildings, personal property, persons or

animals located thereon or any neighboring areas: asbestos-containing materials, polychlorinated biphenyls, flammable materials, explosives, radioactive materials, petroleum products and any materials, wastes, substances, or chemicals that are deemed hazardous, toxic, a pollutant or a contaminant under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9601, et seq.) the Hazardous Materials

Transportation Act, as amended (49 U.S.C. Section 1801, et seq.), the Resource

-- ---
Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901, et
--
seq.), in the regulations adopted or publications promulgated pursuant thereto,
- ---

or in any other applicable Laws of any Governmental Entity in effect on the date hereof relating to protection of public health, safety or the environment (each such law, ordinance, rule or regulation, an "Environmental Law"). For purposes of this Agreement, "Person" means any individual, corporation, partnership, limited liability company, joint venture, trust, unincorporated organization or other form of business or legal entity.

2.11. Voting Requirements

The affirmative consent of the limited partners as described in the Consent Solicitation constitutes the Limited Partner Approvals and is the only partnership consent necessary to approve this Agreement and Merger that has not been obtained on or prior to the Effective Time.

2.12. Fairness Opinion

The Partnership has received the opinion of American Appraisal Associates substantially in the form of Appendix B to the Consent Solicitation.

3. REPRESENTATIONS AND WARRANTIES OF HOST REIT, THE OPERATING PARTNERSHIP AND MERGER SUB

Host REIT, the Operating Partnership and Merger Sub represent and warrant to the Partnership as of the date of this Agreement:

3.1. Organization, Good Standing and Qualification

Host REIT has been duly formed and is validly existing as a corporation in good standing under the Maryland General Corporation Law (the "MGCL") with corporate power and authority to own, lease and operate its properties, conduct the business in which it is engaged and perform its obligations under this Agreement. Each of the Operating Partnership and Merger Sub has been duly formed and is validly existing as a limited partnership in good standing under the DRULPA with partnership power and authority to own, lease and operate its properties, conduct the business in which it is engaged and perform its obligations under this Agreement. Each of Host

REIT, the Operating Partnership and Merger Sub is duly qualified to transact business and is in good standing under the laws of each jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, except where the failure to so qualify or be in good standing would not reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of Host REIT, the Operating Partnership and their respective subsidiaries taken as a whole (a "Host Material Adverse Effect"). Host REIT has furnished or made available to the Partnership true and complete copies of its Articles of Incorporation and Bylaws, as amended or supplemented to the date of this Agreement. As of the Effective Time, Host REIT's Articles of Incorporation and Bylaws and the Operating Partnership's partnership agreement shall be substantially in the forms of the Amended and Restated Articles of Incorporation, the Bylaws and the Amended and Restated Agreement of Limited Partnership, as amended by the Amendment to the Amended and Restated Agreement of Limited Partnership, included as exhibits to the Consent Solicitation. Each of the Operating Partnership and Merger Sub has furnished or made available to the Partnership true and complete copies of its Certificate of Limited Partnership and its partnership agreement, as amended or supplemented to the date of this Agreement.

3.2. Power, Authority and Enforceability

Each of Host REIT, the Operating Partnership and Merger Sub has the requisite corporate or partnership power and authority to enter into this Agreement and, subject to obtaining certain approvals of their Board of Directors, stockholders or partners relating to the REIT Conversion (other than the Merger) (the "REIT Conversion Approvals"), to consummate the Merger and other transactions contemplated by this Agreement and each other agreement in connection therewith to which Host REIT, the Operating Partnership or Merger Sub, as the case may be, is a party. The execution and delivery of this Agreement by each of Host REIT, the Operating Partnership and Merger Sub and the consummation by each of Host REIT, the Operating Partnership and Merger Sub of the transactions contemplated by this Agreement and each other agreement in connection therewith to which Host REIT, the Operating Partnership or Merger Sub, as the case may be, is a party have been duly authorized by all necessary action on the part of Host REIT, the Operating Partnership and Merger Sub, as the case may be, except for and subject to the REIT Conversion Approvals. This Agreement has been duly executed and delivered by each of Host REIT, the Operating Partnership and Merger Sub and constitutes the legal, valid and binding agreement of each of Host REIT, the Operating Partnership and Merger Sub enforceable against each of Host REIT, the Operating Partnership and Merger Sub in accordance with its terms, except as may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium and other laws of

general application affecting enforcement of creditors' rights generally, and (ii) equitable principles of general applicability relating to the availability of specific performance, injunctive relief, or other equitable remedies.

3.3. Capitalization; Notes

(a) As of the date of this Agreement, the authorized capitalization of Host REIT and the Operating Partnership are as described in the Consent Solicitation.

(b) All outstanding Common Shares of Host REIT have been duly authorized, validly issued, fully paid and are nonassessable and not subject to any preemptive or similar rights, and any Common Shares that may be issued pursuant to Section 0 hereof in exchange for OP Units issued in the Merger have been duly authorized for issuance, and upon issuance will be duly and validly issued, fully paid and nonassessable.

(c) All outstanding OP Units have been duly authorized and validly issued, are fully paid and are not subject to any preemptive or similar rights, and the OP Units to be issued by the Operating Partnership in the Merger pursuant to this Agreement have been duly authorized for issuance, and upon issuance will be duly and validly issued and fully paid.

(d) Any Notes that may be issued by the Operating Partnership pursuant to Section 0 hereof in exchange for OP Units issued in the Merger have been duly authorized for issuance, and upon issuance, when duly authenticated and delivered by the Trustee in the manner provided for in the Indenture, will constitute valid and binding obligations of the Operating Partnership, entitled to the benefits of the Indenture and will be enforceable against the Operating Partnership in accordance with their terms, except as may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, and (ii) equitable principles of general applicability relating to the availability of specific performance, injunctive relief, or other equitable remedies.

3.4. Noncontravention

Except as disclosed in the Host SEC Documents (as defined below), the execution, delivery and performance of this Agreement by each of Host REIT, the Operating Partnership and Merger Sub and the consummation by each of Host REIT, the Operating Partnership and Merger Sub of the Merger will not violate the Articles of Incorporation or Bylaws of Host REIT or the partnership agreement of the Operating Partnership or Merger Sub as in effect on the date hereof or as proposed to be amended and in effect as of the Effective Time substantially as described in the Consent Solicitation, or conflict with, or constitute

a default (or an event which with notice or lapse of time or both would become a default) under, or grant to others any rights of termination, amendment, acceleration or cancellation of, any other material agreement, indenture or instrument to which any of Host REIT, the Operating Partnership, Merger Sub or any of their respective subsidiaries is a party or by which any of its property or assets is bound or affected, or result in a violation of any Law of any Governmental Entity applicable to any of Host REIT, the Operating Partnership or Merger Sub or any of their respective subsidiaries or by which any of its property or assets is bound or affected, which conflict, default, grant or violation would reasonably be expected to have a Host Material Adverse Effect or which will be avoided by Host REIT, the Operating Partnership, Merger Sub or Host obtaining the consent of a third party (including, without limitation, the REIT Conversion Approvals) at or prior to the Effective Time.

3.5. Litigation

Except as disclosed in the Host SEC Documents (as defined below), there is no suit, action or proceeding pending or, to the knowledge of any of Host REIT, the Operating Partnership or Merger Sub, threatened against any of Host REIT, the Operating Partnership, Merger Sub or any of their respective subsidiaries or of which any of its properties or assets is the subject which is not covered by insurance and which, individually or in the aggregate, if determined adversely to such party, would impair the ability of any of Host REIT, the Operating Partnership or Merger Sub to perform its obligations under this Agreement or to consummate the Merger on substantially the terms contemplated by this Agreement.

3.6. SEC Documents; Financial Statements

Each of Host REIT, the Operating Partnership and Host has filed all required reports, forms, statements and other documents with the SEC since January 1, 1993 through the date hereof, including, without limitation, the Consent Solicitation (the "Host SEC Documents"). The Host SEC Documents, as of their respective filing dates, complied in all material respects with the applicable requirements of the Securities Act and the Exchange Act and, in each case, the rules and regulations promulgated thereunder applicable to such Host SEC Documents. None of the Host SEC Documents at the time of filing contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except to the extent such statements have been modified or superseded by later Host SEC Documents filed and publicly available prior to the date hereof and with respect to which any such statement or omission would not reasonably be expected to have a Host Material Adverse Effect. The consolidated financial statements of Host REIT,

the Operating Partnership and Host and their consolidated subsidiaries included in the Host SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with GAAP (except, in the case of unaudited statements, as permitted by the applicable rules and regulations of the SEC) applied on consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly presented, in accordance with the applicable requirements of GAAP and the applicable rules and regulations of the SEC, the consolidated financial position of Host REIT, the Operating Partnership, Host and their consolidated subsidiaries, in each case taken as a whole, as of the dates thereof and the consolidated results of operations and cash flow for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

3.7. No Material Adverse Changes

Since the date of the most recent financial statements of Host REIT and the Operating Partnership included in the Consent Solicitation, there has not been any material adverse change in the business, financial condition or results of operations of Host REIT, the Operating Partnership and their subsidiaries taken as a whole (a "Host Material Adverse Change"), nor has there been any occurrence or circumstance affecting Host REIT, the Operating Partnership or any of their subsidiaries that with the passage of time would reasonably be expected to result in a Host Material Adverse Change.

3.8. Compliance with Laws and Material Agreements

Except as disclosed in any Host SEC Reports and except for violations, noncompliances and defaults which would not reasonably be expected to have a Host Material Adverse Effect, none of Host REIT, the Operating Partnership, Merger Sub or any of their subsidiaries (i) has violated or failed to comply with any applicable Law of any Governmental Entity or (ii) is in default, and no event has occurred which, with notice or lapse of time or both, would constitute such a default under any material indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which it is a party or by which it is bound or to which any of its properties or assets is subject.

3.9. NYSE Listing of Common Shares

The Common Shares reserved for issuance under Section 0 hereof in exchange for OP Units issued in the Merger and the Common Shares reserved for issuance upon redemption of OP Units issued in the Merger have been approved for listing on the NYSE, subject to official notice of issuance.

4. COVENANTS

4.1. Conduct of Business by the Partnership

From the date of this Agreement to the Effective Time, except as required in connection with the Merger and the other transactions contemplated by this Agreement or unless the Partnership obtains prior written consent from Host REIT or the Operating Partnership in each instance, the Partnership will:

(a) Carry on its business as currently conducted and only in the usual and ordinary course, and make no amendment (except as contemplated in the Consent Solicitation) to its partnership agreement;

(b) Use its reasonable efforts to preserve its business organization intact, to continue to operate the Partnership Properties in a good and businesslike fashion consistent with past practices and to maintain the Partnership Properties in good working order and condition in a manner consistent with past practice;

(c) Not incur any material liability or make any material commitment or enter into any other material transaction except in the ordinary and usual course of business or pursuant to contracts existing on the date hereof;

(d) Not issue any Partnership Interests or options or rights to purchase Partnership Interests and not purchase any of its Partnership Units;

(e) Not organize any subsidiary and not acquire or enter into an agreement to acquire, by merger, consolidation or purchase of stock, interests or assets, any business or entity; and

(f) Not enter into, modify, amend or terminate any material agreement with respect to any of the Partnership Properties, other than in the ordinary course of business or pursuant to contracts existing on the date hereof, which would encumber or be binding upon the Partnership Properties from and after the Effective Time.

4.2. Reasonable Efforts; Further Assurances; Cooperation; Notification; Tax Treatment and Reporting

Each of the parties shall use its commercially reasonable efforts to take, or cause to be taken or do, or cause to be done, all things necessary, proper or advisable under applicable law to obtain all required regulatory approvals and shall cooperate fully with each other and their respective officers, trustees, directors, general partners, employees, agents, counsel, accountants and other designees in connection with any steps required to be taken as a part of its obligations under this Agreement. Each party shall do such things as may be reasonably requested by the

other parties in order to more effectively consummate the Merger and the other transactions contemplated by this Agreement, including, without limitation:

(a) The Partnership, Host REIT and the Operating Partnership shall promptly make their respective required material filings and submissions with Governmental Entities and shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable under applicable material Laws to (i) comply in all material respects with the provisions of the Hart-Scott Rodino Antitrust Improvement Act of 1976, as amended ("HSR Act"), if applicable, and (ii) obtain any other required material consent or approval of any third party or any Governmental Entity necessary to perform their respective obligations under this Agreement.

(b) The Partnership, Host REIT and the Operating Partnership shall cooperate and keep each other informed regarding (i) any required HSR Act filings, if required, and (ii) all filings with the SEC.

(c) If any claim, action, suit, investigation or other proceeding by any Governmental Entity or other person is commenced which questions the validity or legality of the Merger or any of the other transactions contemplated by this Agreement or seeks damages in connection therewith, the parties shall cooperate and use all reasonable efforts to defend against such claim, action, suit, investigation or other proceeding and, if an injunction or other order is issued in any such action, suit or other proceeding, to use commercially reasonable efforts to have such injunction or other order lifted, and to cooperate reasonably regarding any other impediment to the consummation of the Merger or any of the other transactions contemplated by this Agreement.

(d) Each party shall give prompt written notice to the others of (i) the occurrence, or failure to occur, of any event which occurrence or failure would reasonably be expected to cause any representation or warranty of the Partnership, Host REIT, the Operating Partnership or Merger Sub, as the case may be, contained in this Agreement to be untrue or inaccurate in any material respect at any time from the date of this Agreement to the Effective Time or that will or is reasonably expected to result in the failure to satisfy any of the conditions specified in Article 5 and (ii) any failure of the Partnership, Host REIT, the Operating Partnership or Merger Sub, as the case may be, to comply in any material respect with any covenant or other agreement to be compiled with under this Agreement.

(e) Each party shall treat the Merger for federal income tax purposes (including, without limitation, each party's tax reporting requirements) as a contribution by the current holders of Partnership Interests of such Partnership Interests to the Operating Partnership in exchange for OP Units in a transaction in which no gain is recognized by such holders of Partnership Interests under either

Section 721 or Section 707 of the Code (other than as may be required under Section 731 by reason of Section 752).

4.3. Limitation on Distributions by Host and Host REIT

From the date of this Agreement to the Effective Date, Host and Host REIT shall limit aggregate distributions (including, without limitation, the Initial E&P Distribution (as defined in the Consent Solicitation)) to Host's common stockholders or Host REIT's common stockholders (including for such purpose the Blackstone Entities' share (if any) of such distributions) to an amount (or value of securities or other property, as determined in good faith by the Board of Directors of Host or Host REIT) equal to the product of (a) \$2.50 multiplied by (b) the sum of the number of shares of Host (or Host REIT) common stock outstanding on the record date for the Initial E&P Distribution and, if the Blackstone Acquisition (as defined in the Consent Solicitation) is consummated, the number of OP Units issued to the Blackstone Entities (as defined in the Consent Solicitation).

5. CONDITIONS TO CLOSING

5.1. Conditions to Each Party's Obligations

The obligations of each party to effect the Merger and to consummate the other transactions contemplated by this Agreement to occur at the Effective Time shall be subject to satisfaction at or prior to the Effective Time of the following conditions:

(a) The Limited Partner Approvals shall have been obtained.

(b) No Law shall have been enacted by any Governmental Entity that makes the consummation of the Merger or any other material transaction contemplated by this Agreement illegal.

(c) At the Effective Time, no temporary restraining order, preliminary or permanent injunction or other order, legal restraint or prohibition issued by any Governmental Entity preventing the consummation of the Merger or any of the other transactions contemplated by this Agreement shall be in effect.

(d) Host REIT's Common Shares shall have been listed on the NYSE and the Common Shares reserved for issuance under Section 0 hereof in exchange for OP Units issued in the Merger and the Common Shares reserved for issuance upon redemption of OP Units issued in the Merger shall have been approved for listing on the NYSE, subject to official notice of issuance.

(e) Shareholders owning at least 66 2/3% of the outstanding shares of Host's common stock shall have approved the merger of Host into Host REIT and such merger shall have been consummated.

(f) Host's Board of Directors shall have determined, based upon the advice of counsel, that Host REIT can elect to be treated as a REIT for federal income tax purposes effective no later than the first full taxable year commencing after the REIT Conversion is completed, and Host REIT shall have received an opinion of counsel substantially in the form of Appendix D to the Consent Solicitation and to the effect set forth therein.

(g) Host shall not have determined, in its discretion, that the United States Congress has enacted legislation, or proposed legislation with a reasonable possibility of being enacted, that would have the effect of (i) substantially impairing the ability of Host REIT to qualify as a REIT or the Operating Partnership to qualify as a partnership, (ii) substantially increasing the federal tax liabilities of Host REIT resulting from the REIT Conversion or (iii) substantially reducing the expected benefits to Host REIT resulting from the REIT Conversion.

(h) [FOR MHP ONLY] The consent of R/V-C Association to all actions deemed necessary and appropriate by Host REIT and the Operating Partnership shall have been received.

5.2. Conditions to Obligations of the Partnership

The obligations of the Partnership to effect the Merger and to consummate the other transactions contemplated by this Agreement to occur at the Effective Time shall be subject to satisfaction at or prior to the Effective Time of each of the following further conditions, except to the extent that a failure to fulfill

any such condition would not reasonably be expected to have a Host Material Adverse Effect:

(a) The representations and warranties of Host REIT, the Operating Partnership and Merger Sub set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Time, as though made on and as of the Effective Time, except to the extent such representation or warranty is expressly limited by its terms to another date.

(b) Host REIT, the Operating Partnership and Merger Sub shall have performed in all material respects all obligations required to be performed by them under this Agreement at or prior to the Effective Time.

(c) Since the date of this Agreement, there shall have been no Host Material Adverse Change.

(d) All consents, authorizations, orders and approvals of (or filing or registration with) any Governmental Entity required in connection with the consummation of the Merger, the other transactions contemplated by this Agreement and the REIT Conversion shall have been obtained and any applicable waiting period under the HSR Act shall have expired or been terminated.

(e) All required third-party consents to the Mergers and the REIT Conversion, including consents to transfer material operating licenses and permits and management agreements, shall have been received.

5.3. Conditions to Obligations of Host REIT, the Operating Partnership and Merger Sub

The obligations of Host REIT, the Operating Partnership and Merger Sub to effect the Merger and to consummate the other transactions contemplated by this Agreement to occur at the Effective Time shall be subject to satisfaction at or prior to the Effective Time of each of the following further conditions, except to the extent that a failure to fulfill any such condition would not reasonably be expected to have a Partnership Material Adverse Effect, or, as to subparagraphs (d) and (e) below, a Host Material Adverse Effect:

(a) The representations and warranties of the Partnership set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement and as of the Effective Time, as though made on and as of the Effective Time, except to the extent such representation or warranty is expressly limited by its terms to another date.

(b) The Partnership shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Effective Time.

(c) Since the date of this Agreement, there shall have been no Partnership Material Adverse Change.

(d) All consents, authorizations, orders and approvals of (or filing or registration with) any Governmental Entity required in connection with the consummation of the Merger, the other transactions contemplated by this Agreement and the REIT Conversion shall have been obtained and any applicable waiting period under the HSR Act shall have expired or been terminated.

(e) All required third-party consents to the Mergers and the REIT Conversion, including consents to transfer material operating licenses and permits and management agreements, shall have been received.

6. TERMINATION, EXPENSES, AMENDMENT AND WAIVER

6.1. Termination

This Agreement may be terminated at any time prior to the Effective Time, whether before or after the limited partners of the Partnership have approved the Merger or the Certificate of Merger has been filed with the [Rhode Island/Delaware] Secretary of State (provided the Effective Time has not yet occurred):

(a) by mutual written consent of the parties hereto;

(b) by either the Operating Partnership or the Partnership, if the Merger shall not have been consummated by June 30, 1999; provided, however, that a party may not terminate pursuant to this clause (b) if the terminating party shall have breached in any material respect its obligations under this Agreement in any manner that shall have proximately contributed to the occurrence of the failure referred to in this clause.

6.2. Expenses

The Operating Partnership shall pay all costs and expenses of the parties in connection with the Merger and the other transactions contemplated by this Agreement.

6.3. Amendment

This Agreement may be amended by the parties in writing by action of their respective Board of Trustees or general partner at any time before or after any Limited Partner Approvals are obtained and prior to the Effective Time; provided, however, that, after the Limited Partner Approvals are obtained, no such amendment shall be made which by law requires the further approval of the limited partners of the Partnership with obtaining such further approval.

6.4. Extension; Waiver

At any time prior to the Effective Time, the parties may (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties of the other parties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) subject to the proviso of Section 6.3 and to the extent lawful, waive compliance with any of the agreements or conditions of the other party contained in this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party and then only to the extent expressly specified therein. No delay or failure of any party to this Agreement to exercise or assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

7. RIGHT TO EXCHANGE OP UNITS WITH HOST REIT FOR COMMON SHARES

7.1. Right to Exchange OP Units for Common Shares

Host REIT agrees that each holder of a Partnership Interest who receives OP Units in the Merger (other than any subsidiary of Host REIT or the Operating Partnership) shall have the right to exchange all, but not less than all, of the OP Units received in the Merger with Host REIT for an equal number of Common Shares (the "Common Shares Election"). If such holder makes the Common Shares Election by properly completing and delivering to Host REIT the OP Unit Exchange Election Form (as defined in the Consent Solicitation), and does not revoke such election by written notice to Host REIT, at any time prior to the end of the Election Period (as defined in the Consent Solicitation), then, immediately following the twentieth (20th) trading day after the Effective Date, such OP Units shall be tendered (or deemed tendered) to Host REIT in exchange for an equal number of Common Shares. Promptly following the twentieth (20th) trading day after the Effective Date (but no more than seven business days after such twentieth business day), Host REIT shall

deliver or cause to be delivered to such holder or his designee the certificates representing the Common Shares issued to such holder pursuant to the Common Shares Election. The offer by Host REIT pursuant to this Section 7.1 and the obligations of Host REIT arising therefrom are separate and independent from the Merger and the obligations of the Operating Partnership in connection therewith, and the Operating Partnership shall have no obligations under or with respect to the Common Shares Election, and any breach by Host REIT of such obligations shall not affect the validity of the Merger or the issuance of the OP Units in connection therewith. Each recipient of OP Units in the Merger shall be considered to be a partner in the Operating Partnership for the period from the Effective Time of the Merger until the Common Shares are delivered, with all rights and burdens of a partner for such period (including a right to distributions made by the Operating Partnership to partners of record during such period, a right to vote on any matters presented to the partners of the Operating Partnership during such period, and an allocation of income or loss from the Operating Partnership with respect to the OP Units for such period).

8. RIGHT TO EXCHANGE OP UNITS WITH THE OPERATING PARTNERSHIP FOR NOTES;
FAILURE TO MAKE COMMON SHARE ELECTION OR NOTE ELECTION

8.1. Right to Exchange OP Units for Notes

The Operating Partnership agrees that each holder of a Partnership Interest who receives OP Units in the Merger (other than any subsidiary of Host REIT or the Operating Partnership) shall have the right to exchange all, but not less than all, of the OP Units received in the Merger for a Note (the "Note Election"). If a holder makes the Note Election by properly completing and delivering to the Operating Partnership the OP Unit Exchange Election Form (as defined in the Consent Solicitation) and does not revoke such election by written notice to the Operating Partnership, at any time prior to the end of the Election Period (as defined in the Consent Solicitation), then, immediately following the twentieth (20th) trading day after the Effective Date, such OP Units shall be tendered (or deemed tendered) to the Operating Partnership in exchange for Notes. The principal amount of each Note shall be equal to the Note Election Amount (as defined in and determined as described in the Consent Solicitation) of such holder's Partnership Units as of the Final Valuation Date and the other terms of the Notes shall be as described in the Consent Solicitation. The Notes shall be issued pursuant to an indenture qualified under the Trust Indenture Act of 1939, as amended, substantially in the form of the indenture included as an

exhibit to the Consent Solicitation. Promptly following the twentieth (20th) trading day after the Effective Date (but no more than seven business days after such twentieth business day), the Operating Partnership shall deliver or cause to be delivered to such holder or his designee the Note issued to such holder pursuant to the Note Election. Host REIT shall have no obligations under the Note Election. The obligations of the Operating Partnership pursuant to this Section 8.1 are separate and independent from the Merger and the obligation of the Operating Partnership in connection therewith, and any breach by the Operating Partnership of such obligation shall not affect the validity of the Merger or the issuance of the Units in connection therewith.

8.2. Failure to Make Common Shares Election or Note Election

Any holder of a Partnership Interest receiving OP Units in the Merger who does not timely and properly exercise either the Common Shares Election or the Note Election pursuant to Section 7.1 or Section 8.1 shall be deemed to have elected to retain the OP Units received in the Merger, and shall not be entitled to tender such OP Units to Host REIT for Common Shares or to the Operating Partnership for Notes pursuant to Section 7.1 or Section 8.1.

9. MISCELLANEOUS

9.1. Notices

All notices, requests, claims, demands and other communications under this Agreement shall be in writing and shall be delivered personally, sent by overnight courier (providing proof of delivery) to the parties or sent by telecopy (providing confirmation of transmission) at the following addresses or telecopy numbers (or at such other address or telecopy number for a party as shall be specified by like notice):

- (a) if to the Partnership, to:

[PARTNERSHIP]
10400 Fernwood Road
Bethesda, MD 20817
Attention: Christopher G. Townsend
Facsimile: (301) 380-7574

(b) if to Host REIT, the Operating Partnership or Merger Sub to:

Host Marriott, L.P.
10400 Fernwood Road
Bethesda, MD 20817
Attention: Christopher G. Townsend
Facsimile: (301) 380-7574

with a copy (which shall not constitute notice) to:

Hogan & Hartson L.L.P.
555 13th Street, N.W.
Washington, D.C. 20004
Attention: J. Warren Gorrell, Jr.
Bruce W. Gilchrist
Facsimile: (202) 637-5910

All notices shall be deemed given only when actually received.

9.2. Assignment and Binding Effect

This Agreement and the rights and obligations of the parties hereunder may not be assigned by any party without the prior written consent of the other party hereto. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9.3. Governing Law

This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed and construed in accordance with the laws of the State of Delaware (excluding the choice of law rules thereof).

9.4. Severability

If any part of any provision of this Agreement shall be invalid or unenforceable in any respect, such part shall be ineffective to the extent of such invalidity or unenforceability only, without in any way affecting the remaining parts of such provision or the remaining provisions of this Agreement.

9.5. Further Assurances

In connection with this Agreement and the transactions contemplated hereby, each party shall execute and deliver any additional documents and instruments and perform any additional acts that may be necessary or appropriate or reasonably requested by another party to effectuate and perform the provisions of this Agreement and such transactions.

9.6. Exculpation

This Agreement shall not impose any personal liability on any shareholder, trustee, officer, employee or agent of Host REIT, and all Persons shall look solely to the property of Host REIT for the payment of any claim hereunder or for the performance of this Agreement. This Agreement also shall impose no liability on any partner of the Partnership in the event the Operating Partnership or Merger Sub suffers a loss as the result of an inaccuracy in any representation or warranty made by the Partnership herein. None of Host REIT, the Operating Partnership or Merger Sub shall have any recourse against any of the partners of the Partnership in the event they suffer a loss as a result of any inaccuracy in any representations and warranties contained herein.

9.7. Counterparts

To facilitate execution, this Agreement may be executed in as many counterparts as may be required. It shall not be necessary that the signatures of, or on behalf of, each party, or that the signatures of all persons required to bind any party, appear on each counterpart; but it shall be sufficient that the signature of, or on behalf of, each party, or that the signatures of the persons required to bind any party, appear on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in making proof of this Agreement to produce or account for more than a number of counterparts containing the respective signatures of, or on behalf of, all of the parties hereto.

[Signatures on Next Page]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement and Plan of Merger, or have caused this Agreement and Plan of Merger to be duly executed on their behalf, as of the day and year first above written.

ARTICLES OF INCORPORATION

OF

HMC MERGER CORPORATION

FIRST: I, George P. Barsness, whose address is 555 Thirteenth St., N.W., Washington, D.C. 20004, being at least 18 years of age, am hereby serving as the incorporator of and forming a corporation under and by virtue of the general laws of the State of Maryland.

SECOND: The name of the corporation is HMC Merger Corporation (hereinafter referred to as the "Corporation").

THIRD: The purposes for which the Corporation is formed are to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Maryland.

FOURTH: The address of the principal office of the Corporation in the State of Maryland is 10400 Fernwood Road, Bethesda, Maryland 20817. The name of the resident agent of the Corporation in the State of Maryland is CSC-Lawyers Incorporating Service Company, 11 East Chase Street, Baltimore, Maryland 21202. Said resident agent is a Maryland corporation.

FIFTH: The total number of shares of stock which the Corporation shall have authority to issue is 1,000 shares of Common Stock, par value \$.01 per share (the "Common Stock"), and having an aggregate par value of \$10.

SIXTH: The number of directors of the Corporation shall be two (2), which number may be changed from time to time pursuant to the Bylaws of the Corporation; provided, however, that if the Corporation has three (3) or more stockholders, the number of directors may not be less than three (3). The names of the persons who will serve as directors of the Corporation until the first annual meeting of stockholders and until their successors are elected and qualify are: Robert E. Parsons, Jr. and Christopher G. Townsend.

SEVENTH: The following provisions are hereby adopted for the purpose of defining, limiting and regulating the powers of the Corporation and its directors and stockholders:

(a) The Board of Directors of the Corporation is hereby empowered to authorize the issuance from time to time of shares of its Common Stock, whether now or hereafter authorized, without the approval of the stockholders of the Corporation, for such consideration as is determined by the Board of Directors in accordance with applicable law.

(b) No stockholder of the Corporation shall have preemptive rights to purchase, subscribe for, or otherwise acquire any stock or other securities of the Corporation, and any and all preemptive rights are hereby denied.

(c) The Corporation reserves the right from time to time to make any amendment of its charter, now or hereafter authorized by law, including any amendment which alters the contract rights, as expressly set forth in the charter, of any outstanding shares of stock.

EIGHTH: The Corporation shall indemnify (A) its directors and officers, whether serving the Corporation or at its request any other entity, to the full extent required or permitted by the general laws of the State of Maryland now or hereafter in force, including the advance of expenses under the procedures and to the full extent permitted by law and (B) other employees and agents to such extent as shall be authorized by the Board of Directors or the Bylaws and be permitted by law. The foregoing rights of indemnification shall not be exclusive of any other rights to which those seeking indemnification may be entitled. The Board of Directors may take such action as is necessary to carry out these indemnification provisions and is expressly empowered to adopt, approve and amend from time to time such Bylaws, resolutions or contracts implementing such provisions or such further indemnification arrangements as may be permitted by law. No amendment of the charter of the Corporation or repeal of any of its provisions shall limit or eliminate the right to indemnification provided hereunder with respect to any act or omission occurring prior to such amendment or repeal.

NINTH: To the fullest extent permitted by Maryland statutory or decisional law, as amended or interpreted, no director or officer of this Corporation shall be personally liable to the Corporation or its stockholders for money damages. No amendment of the charter of the Corporation or repeal of any of its provisions shall limit or eliminate the benefits provided to directors and officers under this provision with respect to any act or omission which occurred prior to such amendment or repeal.

TENTH: The enumeration and definition of particular powers of the Board of Directors included in the foregoing shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other Article of the charter of the Corporation, or construed as or deemed by inference or otherwise in any manner to exclude or limit any powers conferred upon the Board of Directors under the general laws of the State of Maryland now or hereinafter in force.

ELEVENTH: The duration of the Corporation shall be perpetual.

IN WITNESS WHEREOF, I have signed these Articles of Incorporation,
acknowledging the same to be my act, on September 28, 1998.

/s/ GEORGE P. BARSNESS

George P. Barsness

HMC MERGER CORPORATION

BYLAWS

ARTICLE I
OFFICES

Section 1. PRINCIPAL OFFICE. The principal office of HMC Merger Corporation (the "Corporation") shall be located at such place or places as the directors may designate.

Section 2. ADDITIONAL OFFICES. The Corporation may have additional offices at such places as the directors may from time to time determine or the business of the Corporation may require.

ARTICLE II
MEETINGS OF STOCKHOLDERS

Section 1. PLACE. All meetings of stockholders shall be held at the principal office of the Corporation or at such other place within the United States as shall be stated in the notice of the meeting.

Section 2. ANNUAL MEETING. An annual meeting of the stockholders for the election of directors and the transaction of any business within the powers of the Corporation shall be held during the month of May of each year, after the delivery of the annual report referred to in Section 12 of this Article II, at a convenient location and on proper notice, on a date and at the time set by the directors, beginning with the year 1999. Failure to hold an annual meeting does not invalidate the Corporation's existence or affect any otherwise valid acts of the Corporation.

Section 3. SPECIAL MEETINGS. A special meeting of the stockholders of the Corporation may be called by the President or the Board of Directors. The Secretary of the Corporation shall also call a special meeting of the stockholders on the written request of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting. A special meeting need not be called to consider any matter which is substantially the same as a matter voted on at any meeting of the stockholders held during the preceding twelve months.

Section 4. NOTICE. Not less than ten nor more than 90 days before each meeting of stockholders, the Secretary shall give to each stockholder entitled to vote at such meeting and to each stockholder not entitled to vote who is entitled to notice of the meeting written or printed notice stating the time and place of the

meeting and, in the case of a special meeting or as otherwise may be required by any statute, the purpose for which the meeting is called, either by mail or by presenting it to such stockholder personally or by leaving it at his residence or usual place of business. If mailed, such notice shall be deemed to be given when deposited in the United States mail addressed to the stockholder at his post office address as it appears on the records of the Corporation, with postage thereon prepaid.

Section 5. SCOPE OF NOTICE. Any business of the Corporation may be

transacted at an annual meeting of stockholders without being specifically designated in the notice, except such business as is required by any statute to be stated in such notice. No business shall be transacted at a special meeting of stockholders except as specifically designated in the notice.

Section 6. ORGANIZATION. At every meeting of the stockholders, the

Chairman of the Board, if there is one, shall conduct the meeting or, in the case of vacancy in office or absence of the Chairman of the Board, one of the following officers present shall conduct the meeting in the order stated: the Vice Chairman of the Board, if there is one, the Chief Executive Officer, if there is one, the President, the Vice Presidents in their order of rank and seniority, or a Chairman chosen by the stockholders entitled to cast a majority of the votes which all stockholders present in person or by proxy are entitled to cast, shall act as Chairman, and the Secretary, or, in his absence, an Assistant Secretary, or in the absence of both the Secretary and Assistant Secretaries, a person appointed by the Chairman shall act as Secretary.

Section 7. QUORUM. At any meeting of stockholders, the presence in

person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum; but this section shall not affect any requirement under any statute or the charter of the Corporation (the "Charter") for the vote necessary for the adoption of any measure. If, however, such quorum shall not be present at any meeting of the stockholders, the stockholders entitled to vote at such meeting, present in person or by proxy, shall have the power to adjourn the meeting from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

Section 8. VOTING. Subject to the rights of the holders of any class

or series of stock (other than Common Stock) to elect additional directors under specified circumstances, a plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. Each share may be voted for as many individuals as there are directors to be elected

and for whose election the share is entitled to be voted. A majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to approve any other matter which may properly come before the meeting, unless more than a majority of the votes cast is required herein or by statute or by the Charter. Unless otherwise provided in the Charter, each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of stockholders.

Section 9. PROXIES. A stockholder may cast the votes entitled to be

cast by the shares owned of record by him either in person or by proxy executed in writing by the stockholder or by his duly authorized attorney in fact. Such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. No proxy shall be valid after 11 months from the date of its execution, unless otherwise provided in the proxy.

Section 10. VOTING OF SHARES BY CERTAIN HOLDERS. Shares of the

Corporation registered in the name of a corporation, partnership, trust or other entity, if entitled to be voted, may be voted by the president or a vice president, a general partner or trustee thereof, as the case may be, or a proxy appointed by any of the foregoing individuals, unless some other person who has been appointed to vote such shares pursuant to a bylaw or a resolution of the governing board of such corporation or other entity or agreement of the partners of the partnership presents a certified copy of such bylaw, resolution or agreement, in which case such person may vote such shares. Any trustee or other fiduciary may vote shares registered in his name as such fiduciary, either in person or by proxy.

Shares of the Corporation directly or indirectly owned by it shall not be voted at any meeting and shall not be counted in determining the total number of outstanding shares entitled to be voted at any given time, unless they are held by it in a fiduciary capacity, in which case they may be voted and shall be counted in determining the total number of outstanding shares at any given time.

The directors may adopt by resolution a procedure by which a stockholder may certify in writing to the Corporation that any shares registered in the name of the stockholder are held for the account of a specified person other than the stockholder. The resolution shall set forth the class of stockholders who may make the certification, the purpose for which the certification may be made, the form of certification and the information to be contained in it; if the certification is with respect to a record date or closing of the share transfer books, the time after the record date or closing of the share transfer books within which the certification must be received by the Corporation; and any other provisions with respect to the procedure which the directors consider necessary or desirable. On receipt of such certification, the person specified in the certification shall be regarded as, for the

purposes set forth in the certification, the stockholder of record of the specified shares in place of the stockholder who makes the certification.

Section 11. INSPECTORS. At any meeting of stockholders, the chairman

of the meeting may appoint one or more persons as inspectors for such meeting. Such inspectors shall ascertain and report the number of shares represented at the meeting based upon their determination of the validity and effect of proxies, count all votes, report the results and perform such other acts as are proper to conduct the election and voting with impartiality and fairness to all the stockholders.

Each report of an inspector shall be in writing and signed by him or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors. The report of the inspector or inspectors on the number of shares represented at the meeting and the results of the voting shall be prima facie evidence thereof.

Section 12. REPORTS TO STOCKHOLDERS. The directors shall submit to

the stockholders at or before the annual meeting of stockholders a report of the business and operations of the Corporation during the prior fiscal year, containing a balance sheet and a statement of income and surplus of the Corporation, accompanied by the certification of an independent certified public accountant, and such further information as the directors may determine is required pursuant to any law or regulation to which the Corporation is subject. Within the earlier of 20 days after the annual meeting of stockholders or 120 days after the end of the fiscal year of the Corporation, the directors shall place the annual report on file at the principal office of the Corporation and with any governmental agencies as may be required by law and as the directors may deem appropriate.

Section 13. NOMINATIONS AND PROPOSALS BY STOCKHOLDERS

(a) Annual Meetings of Stockholders. (1) Nominations of persons

for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a) (1) of this Section 13, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for action by stockholders. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the 60th day nor earlier than the close of business on the 90th day before the date on which the Corporation first mailed its proxy materials for the prior year's annual meeting of stockholders. In no event shall the public announcement of a postponement or adjournment of an annual meeting to a later date or time commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act") (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (ii) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and of the beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner and (y) the number of each class of shares of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner.

(b) Special Meetings of Stockholders. Only such business shall be

conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(b) and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(b). In addition to the foregoing requirements, for nominations or other business to be properly brought before a special meeting by a stockholder, such stockholder's notice containing the information required by paragraph (a) (2) of this Section 13 must be delivered to the Secretary at the principal executive offices of the Corporation not

earlier than the close of business on the 90th day prior to such special meeting and not later than the close of business on the later of the 60th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting. In no event shall the public announcement of a postponement or adjournment of a special meeting to a later date or time commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) Only such persons who are nominated in accordance

with the procedures set forth in this Section 13 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or business is not in compliance with this Section 13, to declare that such nomination or proposal shall be disregarded.

(2) For purposes of this Section 13, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(3) Notwithstanding the foregoing provisions of this Section 13, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13.

Section 14. INFORMAL ACTION BY STOCKHOLDERS. Subject to the rights

of the holders of any class or series of stock (other than Common Stock) to elect additional directors under specified circumstances and notwithstanding the provisions of Section 13 of this Article II, any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting if a consent in writing, setting forth such action, is signed by all stockholders entitled to vote on such matter.

Section 15. VOTING BY BALLOT. Voting on any question or in any

election at a meeting of stockholders may be viva voce unless the presiding

officer shall order or any stockholder present at such meeting in person or by proxy shall demand that voting be by ballot.

ARTICLE III
DIRECTORS

Section 1. GENERAL POWERS; QUALIFICATIONS; TRUSTEES HOLDING OVER.

The business and affairs of the Corporation shall be managed under the direction of its Board of Directors. A director shall be an individual at least 21 years of age who is not under legal disability. In case of failure to elect directors at an annual meeting of the stockholders, the directors holding over shall continue to direct the management of the business and affairs of the Corporation until their successors are elected and qualify.

Section 2. NUMBER. At any regular meeting or at any special meeting

called for that purpose, a majority of the entire Board of Directors may establish, increase or decrease the number of directors, subject to any limitations on the number of directors set forth in the Charter.

Section 3. ANNUAL AND REGULAR MEETINGS. An annual meeting of the

directors shall be held immediately after and at the same place as the annual meeting of stockholders, no notice other than this Bylaw being necessary. The directors may provide, by resolution, the time and place, either within or without the State of Maryland, for the holding of regular meetings of the directors without other notice than such resolution.

Section 4. SPECIAL MEETINGS. Special meetings of the directors may

be called by or at the request of the Chairman of the Board or the President or by a majority of the directors then in office. The person or persons authorized to call special meetings of the directors may fix any place, either within or without the State of Maryland, as the place for holding any special meeting of the directors called by them.

Section 5. NOTICE. Notice of any special meeting shall be given by

written notice delivered personally, telegraphed, facsimile-transmitted or mailed to each director at his business or residence address. Personally delivered or telegraphed notices shall be given at least two days prior to the meeting. Notice by mail shall be given at least five days prior to the meeting. Telephone or facsimile-transmission notice shall be given at least 24 hours prior to the meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail properly addressed, with postage thereon prepaid. If given by telegram, such notice shall be deemed to be given when the telegram is delivered to the telegraph company. Telephone notice shall be deemed given when the director is personally given such notice in a telephone call to which he is a party. Facsimile-transmission notice shall be deemed given upon completion of the transmission of the message to the number given to the Corporation by the director and receipt of a completed answer-back indicating receipt. Neither the business to be transacted at, nor the

purpose of, any annual, regular or special meeting of the directors need be stated in the notice, unless specifically required by statute or these Bylaws.

Section 6. QUORUM. A majority of the directors shall constitute a

quorum for convening any meeting of the directors, provided that, if less than a

majority of such directors are present at said meeting, a majority of the
directors present may adjourn the meeting from time to time without further
notice, and provided further that if, pursuant to the Charter or these Bylaws,
the vote of a majority of a particular group of directors is required for
action, a quorum must also include a majority of such group.

The directors present at a meeting which has been duly called and
convened may continue to transact business until adjournment, notwithstanding
the withdrawal of enough directors to leave less than a quorum.

Section 7. VOTING. The action of the majority of the directors

present at a meeting at which a quorum is present when such meeting is convened
shall be the action of the directors, unless the concurrence of a greater
proportion is required for such action by applicable statute, the Charter or
these Bylaws.

Section 8. TELEPHONE MEETINGS. The directors may participate in a

meeting by means of a conference telephone or similar communications equipment
if all persons participating in the meeting can hear each other at the same
time. Participation in a meeting by these means shall constitute presence in
person at the meeting.

Section 9. INFORMAL ACTION BY DIRECTORS. Any action required or

permitted to be taken at any meeting of the directors may be taken without a
meeting, if a consent in writing to such action is signed by each director and
such written consent is filed with the minutes of proceedings of the directors.

Section 10. VACANCIES. If for any reason any or all of the directors

cease to be directors, such event shall not terminate the Corporation or affect
these Bylaws or the powers of the remaining directors hereunder. Any vacancy
(including a vacancy created by an increase in the number of directors) shall be
filled, at any regular meeting or at any special meeting called for that
purpose, by a majority of the directors. Any individual so elected as director
shall hold office until the next annual meeting of stockholders and until his
successor is elected and qualified.

Section 11. COMPENSATION. (a) The directors shall not receive any

stated salary for their services as directors but, by resolution of the
directors, may receive fixed sums per year and/or per meeting and/or per visit
to real property owned or to be acquired by the Corporation and for any service
or activity they perform or engage in as directors. Such fixed sums may be paid
either in cash or in

shares of the Corporation. Directors may be reimbursed for expenses of attendance, if any, at each annual, regular or special meeting of the directors or of any committee thereof; and for their expenses, if any, in connection with each property visit and any other service or activity performed or engaged in as directors; but nothing herein contained shall be construed to preclude any directors from serving the Corporation in any other capacity and receiving compensation therefor.

(b) The Corporation may lend money to, guarantee an obligation of or otherwise assist a director or a trustee or director of a direct or indirect subsidiary of the Corporation; provided, however, that such director or other person is also an executive officer of the Corporation or of such subsidiary, or the loan, guarantee or other assistance is in connection with the purchase of Shares. The loan, guarantee or other assistance may be with or without interest, unsecured, or secured in any manner that the Board of Directors approves, including a pledge of shares.

Section 12. REMOVAL OF DIRECTORS. The stockholders may, at any time,

remove any director in the manner provided in the Charter. Subject to the rights of holders of one or more classes or series of stock other than Common Stock to elect one or more directors, any director may be removed only for cause and only by the affirmative vote of stockholders holding at least two thirds of all the votes entitled to be cast for the election of directors.

Section 13. LOSS OF DEPOSITS. No director shall be liable for any

loss which may occur by reason of the failure of the bank, trust company, savings and loan association, or other institution with whom moneys or shares have been deposited.

Section 14. SURETY BONDS. Unless required by law, no director shall

be obligated to give any bond or surety or other security for the performance of any of his duties.

Section 15. RELIANCE. Each director, officer, employee and agent of

the Corporation shall, in the performance of his duties with respect to the Corporation, be fully justified and protected with regard to any act or failure to act in reliance in good faith upon the books of account or other records of the Corporation, upon an opinion of counsel or upon reports made to the Corporation by any of its officers or employees or by the advisers, accountants, appraisers or other experts or consultants selected by the directors or officers of the Corporation, regardless of whether such counsel or expert may also be a director.

Section 16. CERTAIN RIGHTS OF DIRECTORS, OFFICERS, EMPLOYEES AND

AGENTS. The directors shall have no responsibility to devote their full time to

the affairs of the Corporation. Any director or officer, employee or

agent of the Corporation (other than a full-time officer, employee or agent of the Corporation), in his personal capacity or in a capacity as an affiliate, employee or agent of any other person, or otherwise, may have business interests and engage in business activities similar or in addition to those of or relating to the Corporation.

ARTICLE IV
COMMITTEES

Section 1. NUMBER, TENURE AND QUALIFICATION. The directors may

appoint from among its members an Executive Committee, an Audit Committee and a Compensation Committee, each composed of at least three directors, and other committees, each composed of one or more directors, to serve at the pleasure of the directors; provided, that the membership of the Compensation Committee shall

consist of a majority of Independent Directors and the membership of the Audit Committee shall consist only of Independent Directors. An individual shall be deemed to be an "Independent Director" hereunder if such individual is not an affiliate of the Corporation and is not an employee of the Corporation.

Section 2. POWERS. The directors may delegate to committees

appointed under Section 1 of this Article IV any of the powers of the directors, except as prohibited by law.

Section 3. MEETINGS. Notice of committee meetings shall be given in

the same manner as notice for special meetings of the Board of Directors. One-third, but not less than two (except for one-member committees), of the members of any committee shall be present in person at any meeting of such committee in order to constitute a quorum for the transaction of business at such meeting, and the act of a majority present shall be the act of such committee. The Board of Directors may designate a chairman of any committee, and such chairman or any two members of any committee (except for one-member committees) may fix the time and place of its meetings unless the Board shall otherwise provide. In the absence or disqualification of any member of any such committee, the members thereof present at any meeting and not disqualified from voting, whether or not they constitute a quorum, may unanimously appoint another director to act at the meeting in the place of such absent or disqualified members.

Each committee shall keep minutes of its proceedings and shall report the same to the Board of Directors at the next succeeding meeting, and any action by the committee shall be subject to revision and alteration by the Board of Directors, provided that no rights of third persons shall be affected by any such revision or alteration.

Section 4. TELEPHONE MEETINGS. Members of a committee of the

directors may participate in a meeting by means of a conference telephone or

similar communications equipment if all persons participating in the meeting can hear each other at the same time. Participation in a meeting by these means shall constitute presence in person at the meeting.

Section 5. INFORMAL ACTION BY COMMITTEES. Any action required or

permitted to be taken at any meeting of a committee of the directors may be taken without a meeting, if a consent in writing to such action is signed by each member of the committee and such written consent is filed with the minutes of proceedings of such committee.

Section 6. VACANCIES. Subject to the provisions hereof, the Board of

Directors shall have the power at any time to change the membership of any committee, to fill all vacancies, to designate alternate members to replace any absent or disqualified member or to dissolve any such committee.

Section 7. EMERGENCY. In the event of a state of disaster of

sufficient severity to prevent the conduct and management of the affairs and business of the Corporation by its directors and officers as contemplated by the Charter and these Bylaws, any two or more available members of the then incumbent Executive Committee shall constitute a quorum of that Committee for the full conduct and management of the affairs and business of the Corporation in accordance with the provisions of this Article IV. In the event of the unavailability, at such time, of a minimum of two members of the then incumbent Executive Committee, the available directors shall elect an Executive Committee composed of any two members of the Board of Directors, whether or not they be officers of the Corporation, which two members shall constitute the Executive Committee for the full conduct and management of the affairs of the Corporation in accordance with the foregoing provisions of this Section 7. This Section 7 shall be subject to implementation by resolution of the Board of Directors passed from time to time for that purpose, and any provisions of the Bylaws (other than this Section 7) and any resolutions which are contrary to the provisions of this Section 7 or to the provisions of any such implementing resolutions shall be suspended until it shall be determined by any interim Executive Committee acting under this Section 7 that it shall be to the advantage of the Corporation to resume the conduct and management of its affairs and business under all the other provisions of these Bylaws.

ARTICLE V
OFFICERS

Section 1. GENERAL PROVISIONS. The officers of the Corporation shall

include a President, a Secretary and a Treasurer and may include a Chairman of the Board, a Vice Chairman of the Board, a Chief Executive Officer, a Chief Operating Officer, a Chief Financial Officer, a Corporate Counsel, one or more Vice

Presidents, one or more Assistant Secretaries and one or more Assistant Treasurers. In addition, the directors may from time to time appoint such other officers with such powers and duties as they shall deem necessary or desirable. The officers of the Corporation shall be elected annually by the directors at the first meeting of the directors held after each annual meeting of stockholders. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as may be convenient. Each officer shall hold office until his successor is elected and qualifies or until his death, resignation or removal in the manner hereinafter provided. Any two or more offices except President and Vice President may be held by the same person. In their discretion, the directors may leave unfilled any office except that of President and Secretary. Election of an officer or agent shall not of itself create contract rights between the Corporation and such officer or agent.

Section 2. REMOVAL AND RESIGNATION. Any officer or agent of the

Corporation may be removed at any time by the directors if in their judgment the best interests of the Corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Any officer of the Corporation may resign at any time by giving written notice of his resignation to the directors, the Chairman of the Board, the President or the Secretary. Any resignation shall take effect at any time subsequent to the time specified therein or, if the time when it shall become effective is not specified therein, immediately upon its receipt. The acceptance of a resignation shall not be necessary to make it effective unless otherwise stated in the resignation. Such resignation shall be without prejudice to the contract rights, if any, of the Corporation.

Section 3. VACANCIES. A vacancy in any office may be filled by the

directors for the balance of the term.

Section 4. CHAIRMAN AND VICE CHAIRMAN OF THE BOARD. The directors

may from time to time appoint a Chairman of the Board and a Vice Chairman of the Board. The Chairman of the Board shall preside over the meetings of the directors and of the stockholders at which he shall be present and shall in general oversee all of the business and affairs of the Corporation. In the absence of the Chairman of the Board, the Vice Chairman of the Board shall preside at such meetings at which he shall be present. The Chairman and the Vice Chairman of the Board may execute any deed, mortgage, bond, contract or other instrument, except in cases where the execution thereof shall be expressly delegated by the directors or by these Bylaws to an officer or some other agent of the Corporation or shall be required by law to be otherwise executed. The Chairman of the Board and the Vice Chairman of the Board shall perform such other duties as may be assigned to him or them by the directors.

Section 5. CHIEF EXECUTIVE OFFICER. The directors may designate a

Chief Executive Officer from among the elected officers. The Chief Executive Officer shall have responsibility for implementation of the policies of the Corporation, as determined by the directors, and for the administration of the business affairs of the Corporation. In the absence of both the Chairman and Vice Chairman of the board, the Chief Executive Officer shall preside over the meetings of the directors and of the stockholders at which he shall be present.

Section 6. CHIEF OPERATING OFFICER. The directors may designate a

Chief Operating Officer from among the elected officers. Said officer will have the responsibilities and duties as set forth by the Chief Executive Officer, the President or the directors.

Section 7. CHIEF FINANCIAL OFFICER. The directors may designate a

Chief Financial Officer from among the elected officers. Said officer will have the responsibilities and duties as set forth by the Chief Executive Officer, the President or the directors.

Section 8. CORPORATE COUNSEL. The directors may designate a

Corporate Counsel from among the elected officers. Said officer will have the responsibilities and duties as set forth by the Chief Executive Officer, the President or the directors.

Section 9. PRESIDENT. In the absence of the Chairman, the Vice

Chairman of the Board and the Chief Executive Officer, the President shall preside over the meetings of the directors and of the stockholders at which he shall be present. In the absence of a designation of a Chief Executive Officer by the directors, the President shall be the Chief Executive Officer and shall be ex officio a member of all committees that may, from time to time, be constituted by the directors. The President may execute any deed, mortgage, bond, contract or other instrument, except in cases where the execution thereof shall be expressly delegated by the directors or by these Bylaws to some other officer or agent of the Corporation or shall be required by law to be otherwise executed; and in general shall perform all duties incident to the office of president and such other duties as may be prescribed by the Chief Executive Officer or the directors from time to time.

Section 10. VICE PRESIDENTS. In the absence of the President or in

the event of a vacancy in such office, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated at the time of their election or, in the absence of any designation, then in the order of their election) shall perform the duties of the President and when so acting shall have all the powers of and be subject to all the restrictions upon the President; and shall perform such other duties as from time to time may be assigned to him by the Chief Executive Officer, the President or the directors. The directors may designate one

or more Vice Presidents as Executive Vice President, Senior Vice President or as Vice President for particular areas of responsibility.

Section 11. TREASURER. The Treasurer shall have the custody of the

funds and securities of the Corporation and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation and shall deposit all moneys and other valuable effects in the name and to the credit of the Corporation in such depositories as may be designated by the directors.

The Treasurer shall disburse the funds of the Corporation as may be ordered by the directors, taking proper vouchers for such disbursements, and shall render to the Chief Executive Officer, the President and the directors, at the regular meetings of the directors or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of the Corporation.

If required by the directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the directors for the faithful performance of the duties of his office and for the restoration to the Corporation, in case of his death, resignation, retirement or removal from office, of all books, papers, vouchers, moneys and other property of whatever kind in his possession or under his control belonging to the Corporation.

Section 12. SECRETARY. The Secretary shall (a) keep the minutes of

the proceedings of the stockholders, the directors and committees of the directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the trust records and of the seal of the Corporation; (d) keep a register of the post office address of each stockholder which shall be furnished to the Secretary by such stockholder; (e) have general charge of the share transfer books of the Corporation; and (f) in general perform such other duties as from time to time may be assigned to him by the Chief Executive Officer, the President or the directors.

Section 13. ASSISTANT SECRETARIES AND ASSISTANT TREASURERS. The

Assistant Secretaries and Assistant Treasurers, in general, shall perform such duties as shall be assigned to them by the Secretary or Treasurer, respectively, or by the Chief Executive Officer, the President or the directors. The Assistant Treasurers shall, if required by the directors, give bonds for the faithful performance of their duties in such sums and with such surety or sureties as shall be satisfactory to the directors.

Section 14. SALARIES. The salaries and other compensation of the

officers shall be fixed from time to time by the directors and no officer shall be

prevented from receiving such salary or other compensation by reason of the fact that he is also a director.

ARTICLE VI
CONTRACTS, LOANS, CHECKS AND DEPOSITS

Section 1. CONTRACTS. The directors may authorize any officer or

agent to enter into any contract or to execute and deliver any instrument in the name of and on behalf of the Corporation and such authority may be general or confined to specific instances. Any agreement, deed, mortgage, lease or other document executed by one or more of the directors or by an authorized person shall be valid and binding upon the directors and upon the Corporation when authorized or ratified by action of the directors.

Section 2. CHECKS AND DRAFTS. All checks, drafts or other orders for

the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by such officer or agent of the Corporation in such manner as shall from time to time be determined by the directors.

Section 3. DEPOSITS. All funds of the Corporation not otherwise

employed shall be deposited from time to time to the credit of the Corporation in such banks, trust companies or other depositories as the directors may designate.

ARTICLE VII
SHARES

Section 1. CERTIFICATES. Each stockholder shall be entitled to a

certificate or certificates which shall represent and certify the number of shares of each class of stock held by him in the Corporation. Each certificate shall be signed by the Chief Executive Officer, the President or a Vice President and countersigned by the Secretary or an Assistant Secretary or the Treasurer or an Assistant Treasurer and may be sealed with the seal, if any, of the Corporation. The signatures may be either manual or facsimile. Certificates shall be consecutively numbered; and if the Corporation shall, from time to time, issue several classes of shares, each class may have its own number series. A certificate is valid and may be issued whether or not an officer who signed it is still an officer when it is issued. Each certificate representing shares which are restricted as to their transferability or voting powers, which are preferred or limited as to their dividends or as to their allocable portion of the assets of the Corporation upon liquidation or which are redeemable at the option of the Corporation, shall have a statement of such restriction, limitation, preference or redemption provision, or a summary thereof, plainly stated on the certificate. In lieu of such statement or summary, the Corporation may set forth upon the face or back of the certificate a statement that

the Corporation will furnish to any stockholder, upon request and without charge, a full statement of such information.

Section 2. TRANSFERS. Certificates shall be treated as negotiable

and title thereto and to the shares they represent shall be transferred by delivery thereof. Upon surrender to the Corporation or the transfer agent of the Corporation of a share certificate duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, the Corporation shall issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

The Corporation shall be entitled to treat the holder of record of any share or shares as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of Maryland.

Notwithstanding the foregoing, transfers of shares of stock of the Corporation will be subject in all respects to the Charter and all of the terms and conditions contained therein.

Section 3. REPLACEMENT CERTIFICATE. Any officer designated by the

directors may direct a new certificate to be issued in place of any certificate previously issued by the Corporation alleged to have been lost, stolen or destroyed upon the making of an affidavit of that fact by the person claiming the certificate to be lost, stolen or destroyed. When authorizing the issuance of a new certificate, an officer designated by the directors may, in his discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or the owner's legal representative to advertise the same in such manner as he shall require and/or to give bond, with sufficient surety, to the Corporation to indemnify it against any loss or claim which may arise as a result of the issuance of a new certificate.

Section 4. CLOSING OF TRANSFER BOOKS OR FIXING OF RECORD DATE. The

directors may set, in advance, a record date for the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders or determining stockholders entitled to receive payment of any dividend or the allotment of any other rights, or in order to make a determination of stockholders for any other proper purpose. Such date, in any case, shall not be prior to the close of business on the day the record date is fixed and shall be not more than 90 days and, in the case of a meeting of stockholders not less than ten days, before the date on which the meeting or particular action requiring such determination of stockholders of record is to be held or taken.

In lieu of fixing a record date, the directors may provide that the share transfer books shall be closed for a stated period but not longer than 20 days. If the share transfer books are closed for the purpose of determining stockholders entitled to notice of or to vote at a meeting of stockholders, such books shall be closed for at least ten days before the date of such meeting.

If no record date is fixed and the share transfer books are not closed for the determination of stockholders, (a) the record date for the determination of stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day on which the notice of meeting is mailed or the 30th day before the meeting, whichever is the closer date to the meeting; and (b) the record date for the determination of stockholders entitled to receive payment of a dividend or an allotment of any other rights shall be the close of business on the day on which the resolution of the directors, declaring the dividend or allotment of rights, is adopted.

When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this section, such determination shall apply to any adjournment thereof, except when (i) the determination has been made through the closing of the transfer books and the stated period of closing has expired or (ii) the meeting is adjourned to a date more than 120 days after the record date fixed for the original meeting, in either of which case a new record date shall be determined as set forth herein.

Section 5. SHARE LEDGER. The Corporation shall maintain at its ----- principal office or at the office of its counsel, accountants or transfer agent, an original or duplicate share ledger containing the name and address of each stockholder and the number of shares of each class held by such stockholder.

Section 6. FRACTIONAL SHARES; ISSUANCE OF UNITS. The directors may ----- issue fractional shares or provide for the issuance of scrip, all on such terms and under such conditions as they may determine. Notwithstanding any other provision of the Charter or these Bylaws, the directors may issue units consisting of different securities of the Corporation. Any security issued in a unit shall have the same characteristics as any identical securities issued by the Corporation, except that the directors may provide that for a specified period securities of the Corporation issued in such unit may be transferred on the books of the Corporation only in such unit.

ARTICLE VIII
FISCAL YEAR

The directors shall have the power, from time to time, to fix the fiscal year of the Corporation by a duly adopted resolution.

ARTICLE IX
DISTRIBUTIONS

Section 1. AUTHORIZATION. Dividends and other distributions upon the

shares of stock of the Corporation may be authorized and declared by the directors, subject to the provisions of law and the Charter. Dividends and other distributions may be paid in cash, property or shares of the Corporation, subject to the provisions of law and the Charter.

Section 2. CONTINGENCIES. Before payment of any dividends or other

distributions, there may be set aside out of any funds of the Corporation available for dividends or other distributions such sum or sums as the directors may from time to time, in their absolute discretion, think proper as a reserve fund for contingencies, for equalizing dividends or other distributions, for repairing or maintaining any property of the Corporation or for such other purpose as the directors shall determine to be in the best interest of the Corporation, and the directors may modify or abolish any such reserve in the manner in which it was created.

ARTICLE X
INVESTMENT POLICIES

Subject to the provisions of the Charter, the Board of Directors may from time to time adopt, amend, revise or terminate any policy or policies with respect to investments by the Corporation as it shall deem appropriate in its sole discretion.

ARTICLE XI
SEAL

Section 1. SEAL. The directors may authorize the adoption of a seal

by the Corporation. The seal shall have inscribed thereon the name of the Corporation and the year of its formation. The directors may authorize one or more duplicate seals and provide for the custody thereof.

Section 2. AFFIXING SEAL. Whenever the Corporation is permitted or

required to affix its seal to a document, it shall be sufficient to meet the requirements of any law, rule or regulation relating to a seal to place the word "(SEAL)" adjacent to the signature of the person authorized to execute the document on behalf of the Corporation.

ARTICLE XII
INDEMNIFICATION AND ADVANCE OF EXPENSES

To the maximum extent permitted by Maryland law in effect from time to time, the Corporation shall indemnify (a) any director or officer or any former director or officer (including among the foregoing, for all purposes of this Article XII and without limitation, any individual who, while a director or officer and at the express request of the Corporation, serves or has served another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner or trustee of such corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) who has been successful, on the merits or otherwise, in the defense of a proceeding to which he was made a party by reason of service in such capacity, against reasonable expenses incurred by him in connection with the proceeding, and (b) any director or officer or any former director or officer against any claim or liability to which he may become subject by reason of such status unless it is established that (i) his act or omission was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he actually received an improper personal benefit in money, property or services or (iii) in the case of a criminal proceeding, he had reasonable cause to believe that his act or omission was unlawful. In addition, the Corporation shall, without requiring a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse, in advance of final disposition of a proceeding, reasonable expenses incurred by a director or officer or former director or officer made a party to a proceeding by reason such status, provided that, in the case of a director or officer, the Corporation shall have received (i) a written affirmation by the director or officer of his good faith belief that he has met the applicable standard of conduct necessary for indemnification by the Corporation as authorized by these Bylaws and (ii) a written undertaking by or on his behalf to repay the amount paid or reimbursed by the Corporation if it shall ultimately be determined that the applicable standard of conduct was not met. The Corporation may, with the approval of its directors, provide such indemnification or payment or reimbursement of expenses to any director or officer or any former director or officer who served a predecessor of the Corporation and to any employee or agent of the Corporation or a predecessor of the Corporation. Neither the amendment nor repeal of this Article, nor the adoption or amendment of any other provision of the Charter or these Bylaws inconsistent with this Article, shall apply to or affect in any respect the applicability of this Article with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

Any indemnification or payment or reimbursement of the expenses permitted by these Bylaws shall be furnished in accordance with the procedures provided for indemnification or payment or reimbursement of expenses, as the case may be, under Section 2-418 of the MGCL for directors of Maryland corporations.

The Corporation may provide to directors, officers and stockholders such other and further indemnification or payment or reimbursement of expenses, as the case may be, to the fullest extent permitted by the MGCL, as in effect from time to time, for directors of Maryland corporations.

ARTICLE XIII
WAIVER OF NOTICE

Whenever any notice is required to be given pursuant to the Charter or Bylaws or pursuant to applicable law, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Neither the business to be transacted at nor the purpose of any meeting need be set forth in the waiver of notice, unless specifically required by statute. The attendance of any person at any meeting shall constitute a waiver of notice of such meeting, except where such person attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE XIV
AMENDMENT OF BYLAWS

The directors shall have the exclusive power to adopt, alter or repeal any provision of these Bylaws and to make new Bylaws.

ARTICLE XV
MISCELLANEOUS

All references to the Charter shall include any amendments thereto. In these Bylaws, unless the context otherwise requires, words used in the singular or in the plural include both the plural and singular and words denoting any gender include all genders.

AMENDMENT NO. 1 TO AMENDED AND RESTATED AGREEMENT OF
LIMITED PARTNERSHIP OF ATLANTA MARRIOTT MARQUIS II
LIMITED PARTNERSHIP

This Amendment No. 1 to Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Marriott Marquis Corporation, a Delaware corporation, as general partner (the "General Partner") and Class B Limited Partner, and those persons who have been admitted as Class A Limited Partners (the "Class A Limited Partners") and identified in the books and records of Atlanta Marriott Marquis II Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership filed with the Secretary of State of the State of Delaware on July 9, 1997. An Amended and Restated Certificate and Agreement of Limited Partnership was entered into by the parties on December 31, 1997 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Class A Limited Partners which amendments are intended to facilitate conversion to a real estate investment trust of Host Marriott Corporation, an Affiliate of the General Partner, and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.C.(1) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.
2. Section 5.01.C.(5) is hereby amended by adding "or lease" after "sale" and before "of" in said subsection.
3. Section 5.01 is hereby amended by adding a new subsection G. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Hotel Partnership enter into a lease of the Hotel or any other assets of the Hotel Partnership with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."
4. Section 5.02(B)(2) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of all or

substantially all of the assets of either of the Partnerships if it is proposed that the Partnership or the Hotel Partnership sell such assets to Host or any Affiliate of Host; in such case, the following procedures shall be followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Class A Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel and any other assets of the Partnership or the Hotel Partnership, the cost of which shall be borne by the purchaser, such appraisal to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership and/or the Hotel Partnership may merge with Host or any Affiliate of Host, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

5. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

AMENDMENT NO. 1 TO SECOND AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP OF DESERT SPRINGS
MARRIOTT LIMITED PARTNERSHIP

This is Amendment No. 1 to Second Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Marriott Desert Springs Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Desert Springs Marriott Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership filed with the Secretary of State of the State of Delaware on February 26, 1987. An Amended and Restated Agreement of Limited Partnership was entered into by the parties on April 24, 1987 and a Second Amended and Restated Agreement of Limited Partnership was entered into as of September 26, 1997 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners which amendments are intended to facilitate the conversion to a real estate investment trust ("REIT") of Host Marriott Corporation, an Affiliate of the General Partner, and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.

2. Section 5.01 is hereby amended by adding a new subsection G. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of the Hotel with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval, or vote of the Limited Partners."

3. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of the Hotel or all or substantially all of the assets of the Partnership to the General Partner or an Affiliate of the General Partner; provided, however, that if it is

proposed that the Partnership sell the Hotel or all or substantially all of the assets of the Partnership to the General Partner or an Affiliate of the General Partner, the following procedures shall be followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel of the assets of the Partnership, the cost of which shall be borne by the purchaser, such appraisal to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

4. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

AMENDMENT NO. 1 TO SECOND AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP OF HANOVER MARRIOTT
LIMITED PARTNERSHIP

This Amendment No. 1 to Second Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Marriott Hanover Hotel Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Hanover Marriott Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership filed with the Secretary of State of the State of Delaware on October 8, 1986. An Amended and Restated Agreement of Limited Partnership was entered into by the parties on April 3, 1997 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners which amendments are intended to facilitate the conversion of Host Marriott Corporation, an Affiliate of the General Partner, to a real estate investment trust ("REIT") and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.
2. Section 5.01 is hereby amended by adding a new subsection G. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of the Hotel with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."
3. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of the Hotel and all or substantially all of the other assets of the Partnership to the General Partner or an Affiliate of the General Partner; provided, however, that if it is proposed that the Partnership sell the Hotel or any other assets of the Partnership to the General Partner or an Affiliate of the General Partner, the

following procedures shall be followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel and other assets of the Partnership, the cost of which shall be borne by the purchaser, such appraisal to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

4. Section 5.02.B.(viii) is hereby amended to add "except as a result of a merger of the General Partner with an Affiliate," before "admit."

5. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

AMENDMENT NO. 1 TO AMENDED AND RESTATED AGREEMENT OF
LIMITED PARTNERSHIP OF MARRIOTT DIVERSIFIED AMERICAN
HOTELS, L.P.

This Amendment No. 1 to Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Marriott MDAH One Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Marriott Diversified American Hotels, L.P., a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership dated as of October 4, 1989, filed with the Secretary of State of the State of Delaware on October 6, 1989. An Amended and Restated Agreement of Limited Partnership was entered into by the parties on February 7, 1990 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners which amendments are intended to facilitate the conversion to a real estate investment trust ("REIT") of Host Marriott Corporation, an Affiliate of the General Partner, and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.
2. Section 5.01 is hereby amended by adding a new subsection G. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of any or all of the Hotels with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."
3. Section 5.02.A.(v) is hereby amended to add ", except as a result of a merger of the General Partner with an Affiliate," after "or" and before "as a General Partner," in said subsection.
4. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell or otherwise dispose of the Fairview Park Hotel, or any interest

therein, or more than two of the other Hotels, or any interest therein, whether in one transaction or more than one transaction during the term of the Partnership; provided, however, that if it is proposed that the Partnership sell any or all of the Hotels or interests therein to the General Partner or an Affiliate of the General Partner, the Consent of the Limited Partners must be obtained after the following procedures have been followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of any or all of the Hotels or other assets of the Partnership to be sold, the cost of which shall be borne by the purchaser, such appraisal(s) to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

5. Section 5.03.B. is hereby amended to delete clause (ii) therefrom in its entirety and to renumber the succeeding clauses accordingly.

6. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

AMENDMENT NO. 1 TO SECOND AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP OF MARRIOTT HOTEL
PROPERTIES LIMITED PARTNERSHIP

This Amendment No. 1 to Second Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Hotel Properties Management, Inc., a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Marriott Hotel Properties Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate and Agreement of Limited Partnership filed with the Secretary of State of the State of Delaware on August 22, 1984. An Amended and Restated Certificate of Limited Partnership was filed on November 1, 1985. A Second Amended and Restated Agreement of Limited Partnership was entered into by the parties on January 15, 1997 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners which amendments are intended to facilitate the conversion to a real estate investment trust ("REIT") of Host Marriott Corporation, an Affiliate of the General Partner, and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 2.03 is hereby amended to add "lease" after "own," and before "and" in the first line thereof.
2. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.
3. Section 5.01 is hereby amended by adding a new subsection F. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of any Hotel or Hotels with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."

4. Section 5.02.A.(v) is hereby amended to add ", except as a result of a merger of the General Partner with an Affiliate," before "admit" in said subsection.

5. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of any assets of the Partnership which had an original cost in excess of 25% of the original cost basis of all assets of the Partnership to any of the general partners of the Partnerships or an Affiliate of any such general partner or vote the Partnership's general partnership interest in the Harbor Beach Partnership in favor of the sale or other disposition of any assets of the Harbor Beach Partnership which had an original cost in excess of 25% of the original cost of all assets of the Harbor Beach Partnership to any of the general partners of the Partnerships or an Affiliate of any such general partner; provided, however, that if it is proposed that one or all of the Partnerships sell one or more of the Hotels to any of the general partners of the Partnerships or an Affiliate of any such general partner, the following procedures shall be followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel(s), the cost of which shall be borne by the purchaser, such appraisal(s) to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

6. Section 5.02.B.(x) is hereby amended to add ", except as a result of a merger of the General Partner with an Affiliate," before "admit" in said subsection.

7. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

AMENDMENT NO. 1 TO SECOND AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP OF MARRIOTT HOTEL
PROPERTIES II LIMITED PARTNERSHIP

This Amendment No. 1 to Second Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Marriott MHP Two Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Marriott Hotel Properties II Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership dated as of September 13, 1988 and filed with the Secretary of State of the State of Delaware on September 20, 1988. An Amended and Restated Certificate of Limited Partnership was entered into by the parties on March 20, 1989. A Second Amended and Restated Agreement of Limited Partnership was entered into by the parties on June 14, 1996 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners which amendments are intended to facilitate the conversion to a real estate investment trust ("REIT") of Host Marriott Corporation, an Affiliate of the General Partner, and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.

2. Section 5.01 is hereby amended by adding a new subsection F. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of any Hotel or Hotels with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval, or vote of the Limited Partners."

3. Section 5.02.A.(v) is hereby amended to add ", except as a result of a merger of the General Partner with an Affiliate," after "or" and before "as a General Partner" in said subsection.

4. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of any Hotel or the Partnership's interest in the Santa Clara Partnership (except as permitted in Section 5.02.C. below), or any interest in any of the foregoing, provided, however, that if it is proposed that the Partnership sell any Hotels or interests therein to the General Partner or an Affiliate of the General Partner, the Consent of the Limited Partners must be obtained after the following procedures are followed: (a) the General Partner shall give 30 days notice of the proposed sale to the Limited Partners and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel(s) and other assets to the Partnership, the cost of which shall be borne by the purchaser, such appraisal(s) to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

5. Section 5.03.B is hereby amended to delete clause (ii) thereof in its entirety and to renumber the remaining clauses accordingly.

6. Section 9.06 is hereby amended by adding the following sentence thereto: "In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

AMENDMENT NO. 1 TO AMENDED AND RESTATED AGREEMENT OF LIMITED PARTNERSHIP OF
MUTUAL BENEFIT CHICAGO MARRIOTT SUITE HOTEL PARTNERS, L.P.

This Amendment No. 1 to Amended and Restated and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among MOHS Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Mutual Benefit Chicago Marriott Suite Hotel Partners, L.P., a Rhode Island limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate of Limited Partnership filed with the Secretary of State of the State of Rhode Island on August 31, 1988. An Amended and Restated Agreement of Limited Partnership was entered into by the parties on June 12, 1989 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners, which amendments are intended to facilitate the conversion of Host Marriott Corporation, an Affiliate of the General Partner, to a real estate investment trust ("REIT") and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 5.01.E.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.
2. Section 5.01 is hereby amended by adding a new subsection I. to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of the Hotel with an Affiliate of the General Partner or any other Person, on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."
3. Section 5.02.A.(iv) is hereby amended to add "except as a result of a merger of the General Partner with an Affiliate," before "admit."
4. Section 5.02(B)(ii) is hereby amended in its entirety to read as follows: "sell, or otherwise dispose of, or consent to the sale or disposition of the Hotel and all or substantially all of the other assets of the Partnership unless (a) the General Partner agrees that such transaction is advisable for the Partnership

and (b) the Partnership shall obtain an appraisal of the fair market value of the Hotel and other assets of the Partnership, such appraisal to be prepared by an independent, nationally recognized appraiser experienced in the valuation of hotel properties and selected by the General Partner. Notwithstanding the foregoing, the Partnership may merge with another entity, including the General Partner or an Affiliate of the General Partner, provided that the Partnership obtains an opinion from an independent, nationally recognized hotel valuation and financial advisory firm that the methodologies used to determine the consideration to be received by the Limited Partners in the merger are fair and reasonable to the Limited Partners."

5. Section 9.05 is hereby amended by changing "(a)" and "(b)" to "A." and "B." and by deleting "but in consultation with MOHS."

6. Section 9.06.A. is hereby amended by replacing "MBIP" with "MOHS."

7. A new Section 9.07 is hereby added to the Partnership Agreement, which shall read as follows:

"9.07. Interim Closing of the Books. There shall be an interim closing of the books of account of the Partnership (i) at any time a taxable year of the Partnership ends pursuant to the Code and (ii) at such other times as the General Partner shall determine are required by good accounting practice or may be appropriate under the circumstances. In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

AMENDMENT NO. 1 TO AMENDED AND RESTATED CERTIFICATE AND
AGREEMENT OF LIMITED PARTNERSHIP OF POTOMAC HOTEL
LIMITED PARTNERSHIP

This Amendment No. 1 to Amended and Restated Certificate and Agreement of Limited Partnership dated as of _____, 1998 is made and entered into by and among Host Marriott Corporation, a Delaware corporation, as general partner (the "General Partner"), and those persons who have been admitted as limited partners (the "Limited Partners") and identified in the books and records of Potomac Hotel Limited Partnership, a Delaware limited partnership (the "Partnership").

The Partnership was formed pursuant to a Certificate and Agreement of Limited Partnership filed with the Secretary of State of the State of Delaware on December 17, 1981. An Amended and Restated Certificate and Agreement of Limited Partnership was entered into by the parties on July 16, 1982 (the "Partnership Agreement").

The partners of the Partnership are adopting this Amendment to the Partnership Agreement to effect certain amendments to the Partnership Agreement approved by the General Partner and the Limited Partners, which amendments are intended to facilitate the General Partner's conversion to a real estate investment trust ("REIT") and certain related transactions.

In consideration of the mutual agreements made herein, the parties hereby agree to amend the Partnership Agreement as follows:

1. Section 2.03 is hereby amended by inserting ", lease" after "own" and before "and" in clause (i) of said section.

2. Section 5.01.C.(i) is hereby amended by adding "leases," after "contracts," and before "documents," in said subsection.

3. Section 5.01 is hereby amended by adding a new subsection F thereto to read as follows: "Notwithstanding anything in this Agreement to the contrary, the General Partner may require that the Partnership enter into a lease of any or all of the Hotels with an Affiliate of the General Partner or any other Person on such terms as it determines to be commercially reasonable, without any further act, approval or vote of the Limited Partners."

4. Section 5.02.A.(v) is hereby amended to add "except as a result of a merger of the General Partner with an Affiliate of Host," before "admit."

5. Section 5.02.B. is hereby amended by adding a new subsection (vi) thereto to read as follows: "sell or otherwise dispose of (or consent to the sale or other disposition of), directly or indirectly, including by way of merger or other business combination, in one transaction or a series of related transaction any or all of the Hotels or all or substantially all of the other assets of the Partnership."

6. Section 9.05.B is hereby amended by adding "754" after "Section."

7. A new Section 9.06 is hereby added to the Partnership Agreement, which shall read as follows:

"Section 9.06. Interim Closing of the Books. There shall be an interim closing of the books of account of the Partnership (i) at any time a taxable year of the Partnership ends pursuant to the Code and (ii) at such other times as the General Partner shall determine are required by good accounting practice or may be appropriate under the circumstances. In accordance with this section, the Partnership shall cause an interim closing of the books at the time of the closing of the acquisition of the Partnership by Host Marriott, L.P. through the merger of an indirect wholly owned subsidiary of Host Marriott, L.P. and HMC Merger Corporation with and into the Partnership, with the Interests in the Partnership being exchanged for and converted into units of limited partnership interest in Host Marriott, L.P."

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first above written.

OPERATING AGREEMENT

OF

HMC REAL ESTATE LLC

THIS OPERATING AGREEMENT (the "Agreement") is entered into as of August __, 1998.

WHEREAS, Host Marriott Corporation, a Delaware corporation (the "Member"), has decided to form a limited liability company under the name "HMC Real Estate LLC" (the "Company") pursuant to the provisions of the Delaware Limited Liability Company Act (the "Delaware LLC Act") pursuant to a Certificate of Formation, dated July 28, 1998 (the "Certificate").

WHEREAS, the Member is executing this Agreement to (i) ratify the formation of the Company and the filing of the Certificate, (ii) continue the existence of the Company, and (iii) set forth the terms governing the affairs of the Company and the conduct of its business.

1. CERTAIN DEFINITIONS

Unless the context otherwise specifies or requires, capitalized terms used herein shall have the respective meanings assigned thereto in Addendum I, attached hereto, and incorporated herein by reference, for all purposes of this Agreement (such definitions to be equally applicable to both the singular and the plural forms of the terms defined). Unless otherwise specified, all references herein to Articles or Sections are to Articles or Sections of this Agreement.

2. FORMATION; NAME; PLACE OF BUSINESS

2.1. Formation of the Company; Certificate of Formation

The Member hereby:

2.1.1. approves and ratifies the filing of the Certificate with the Recording Office on July 28, 1998;

2.1.2. confirms and agrees to its status as the sole member of the Company;

2.1.3. executes this Agreement for the purpose of setting forth the terms governing the affairs of the Company and the conduct of its business and establishing the rights and duties of its Members;

2.1.4. (i) agrees that if the laws of any jurisdiction in which the Company transacts business so require, the Board of Managers or the appropriate officers or other authorized representatives of the Company shall file, or shall cause to be filed, with the appropriate office in that jurisdiction, any documents necessary for the Company to qualify to transact business under such laws; and (ii) agrees and obligates itself to execute, acknowledge, and cause to be filed for record, in the place or places and manner prescribed by law, any amendments to the Certificate as may be required, either by the Delaware LLC Act, by the laws of any jurisdiction in which the Company transacts business, or by this Agreement, to reflect changes in the information contained therein or otherwise to comply with the requirements of law for the continuation, preservation, and operation of the Company as a limited liability company under the Delaware LLC Act; and

2.1.5. represents and warrants that such Member is duly authorized to execute, deliver, and perform its obligations under this Agreement and that the Person, if any, executing this Agreement on behalf of such Member is duly authorized to do so and that this Agreement is binding on and enforceable against such Member in accordance with its terms.

2.2. Name of Company

The name under which the Company shall conduct its business is "HMC Real Estate LLC." The business of the Company may be conducted under any other name permitted by the Delaware LLC Act that is deemed necessary or desirable by the Board of Managers, in its sole and absolute discretion. The Board of Managers or the appropriate officers or other authorized representatives of the Company promptly shall execute, file, and record, or cause to be executed, filed and recorded, any assumed or fictitious name certificates required by the laws of the State of Delaware or any state in which the Company conducts business.

2.3. Place of Business

The location of the principal place of business of the Company shall be c/o Host Marriott Corporation, 10400 Fernwood Road, Bethesda, Maryland 20817-1109. The Board of Managers may hereafter change the principal place of business of the Company to such other place or places within the United States as the Board of Managers may from time to time determine, provided that the Board of Managers shall give written notice thereof to the Member within thirty (30) days after the effective date of any such change and, if necessary, the Board of Managers shall amend, or shall cause to be amended, the Certificate in accordance with the applicable requirements of the Delaware LLC Act. The Board of Managers may establish and maintain such other offices and additional places of business of the Company, either within or without the State of Delaware, as it deems appropriate.

2.4. Registered Office and Registered Agent

The street address of the initial registered office of the Company shall be 1013 Centre Road, Wilmington, Delaware 19805, and the Company's registered agent at such address shall be The Prentice-Hall Corporation System, Inc. The registered office and the registered agent of the Company may be changed by the Board of Managers from time to time in accordance with the then applicable provisions of the Delaware LLC Act and any other applicable laws.

3. PURPOSES AND POWERS OF COMPANY

3.1. Purposes

The purposes of the Company shall be to engage in any lawful business permitted by the Delaware LLC Act or laws of any jurisdiction in which the Company may do business and to enter into any lawful transaction and engage in any lawful activities in furtherance of the foregoing purposes and as may be necessary, incidental or convenient to carry out the business of the Company as contemplated by this Agreement.

3.2. Powers

Subject to all of the provisions of this Agreement, the Company shall have the power to do any and all acts and things necessary, appropriate, advisable, or convenient for the furtherance and accomplishment of the purposes of the Company, including, without limitation, to engage in any kind of activity and to enter into and perform obligations of any kind necessary to or in connection with, or incidental to, the accomplishment of the purposes of the Company, so long as said activities and obligations may be lawfully engaged in or performed by a limited liability company under the Delaware LLC Act.

4. TERM OF COMPANY

The Company shall have perpetual existence, unless dissolved and liquidated in accordance with the provisions of Article 10.

5. CAPITAL

5.1. Capital Contributions

Concurrently with the execution of this Agreement, the Member has made an initial capital contribution to the Company. The Member shall not be

required to make any additional contributions to the capital of the Company. The Member shall be entitled upon the request of the Company, at its sole discretion, to contribute additional capital to the Company. No interest shall accrue on any contribution and the Member shall not have the right to withdraw or be repaid any contribution except as provided in this Agreement.

5.2. Liability of Member and Board of Managers

Except as otherwise provided in the Delaware LLC Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and neither the Member nor the Board of Managers shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being the Member or a Manager. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business or affairs under the Delaware LLC Act or this Agreement shall not be grounds for imposing personal liability on any Member or Manager for liabilities of the Company.

6. DISTRIBUTIONS

6.1. Distributions

Cash available or property available to be distributed in-kind by the Company to the Member shall be determined by the Board of Managers from time to time and may be distributed to the Member.

7. MEMBERS AND MANAGEMENT

7.1. Member

7.1.1. Meetings.

The Member may meet at such place, on such date and at such time as may be fixed by the Board of Managers for the transaction of such lawful business as may come before the meeting. Meetings of the Member may be called by the President and shall be called by the President or Secretary upon the request of the Board of Managers or the Member upon prior notice to the Member in writing or by telephone or facsimile. No business shall be acted upon at a special meeting that is not stated in the notice of the meeting.

7.1.2. Action by Written Consent.

Any action which may be taken by the Member under this Agreement may be taken without a meeting if consents in writing setting forth the action so taken are signed by the Member.

7.1.3. Waivers of Notice.

Whenever the giving of any notice to the Member is required by statute or this Agreement, a waiver thereof, in writing and delivered to the Company signed by the Person or Persons entitled to said notice, whether before or after the event as to which such notice is required, shall be deemed equivalent to notice. Attendance of a Member at a meeting or execution of a written consent to any action shall constitute a waiver of notice of such meeting or action.

7.2. Management of the Company by Board of Managers

7.2.1. Management by Board of Managers.

The Member hereby agrees that full responsibility for management of the business and affairs of the Company shall be delegated to a board of managers (the "Board of Managers") pursuant to Section 18-402 of the Delaware LLC Act.

7.2.2. Power and Authority of Board of Managers.

The Board of Managers (acting on behalf of the Company) shall have the right, power, and authority to manage, operate and control the business and affairs of the Company and to do or cause to be done any and all acts, at the expense of the Company, deemed by the Board of Managers to be necessary or appropriate to effectuate the purposes of the Company. Except as otherwise expressly provided in this Agreement or as may be approved by the Board of Managers, the Member shall not have any authority, right or power, by virtue of being a Member, to bind the Company, or to manage or control, or to participate in the management or control of, the business and affairs of the Company in any manner whatsoever. Without limiting the generality of the foregoing, the Board of Managers shall have the right, power and authority on behalf of the Company:

(i) to develop, review and approve annual budgets, policies, operating guidelines, and other operational items for the Company;

(ii) to elect officers of the Company in accordance with Section 7.3;

(iii) to arrange for such personnel as may be necessary or convenient to carry out the business and affairs of the Company;

(iv) to establish such reasonable cash reserves to provide for anticipated expenses of the Company as the Board of Managers determines to be necessary for timely payment of such expenses; and

(v) to direct the President or any other duly appointed officer of the Company to make, execute, assign, acknowledge, and file on behalf of the Company any and all documents or instruments of any kind which the Board of Managers may deem necessary or appropriate in carrying out the business and affairs of the Company, including, without limitation, powers of attorney, agreements of indemnification, documents, or instruments of any kind or character, and amendments thereto (and no person, firm or corporation dealing with the Board of Managers shall be required to determine or inquire into the authority or power of the Board of Managers to bind the Company).

7.2.3. Composition; Election; Removal.

(i) Number; Qualifications. The Board of Managers shall at -----
all times be composed of not less than two nor more than five managers (each, a "Manager"). Within such limits, the number of Managers and the qualifications for Managers shall be as fixed from time to time by the Board of Managers, at any meeting, subject to the provisions of this Agreement. The number of Managers which shall constitute the initial Board of Managers is hereby fixed at two. Managers need not be members of the Company.

(ii) Election. Managers shall be elected by the Member to -----
hold office until their respective successors are duly elected and qualified.

(iii) Initial Managers. The Member does hereby elect as the -----
initial Managers Christopher G. Townsend and Robert E. Parsons, Jr.

(iv) Vacancies. In the event of any vacancy in the office of -----
a Manager as a result of the death, incapacity, resignation or removal of a Manager, such vacancy shall be filled by the Member. The Manager elected to fill any vacancy shall hold office until a successor Manager is appointed as provided hereunder or until such person's earlier death, resignation or removal.

(v) Removal of Managers. Any Manager may be removed, with or -----
without cause, by the Member. Any vacancy caused by any such removal shall be filled as provided in Section 7.2.3(iv) above.

7.2.4. Meetings.

Meetings of the Board of Managers may be called by any Manager entitled to participate in the meeting or the President and shall be called by the President upon the request of the Member, upon notice to all Managers in writing or by telephone or facsimile transmission. Meetings of the Board of Managers may be held by conference telephone or other communications equipment by means of which all participating Managers can simultaneously hear each other during the meeting.

7.2.5. Quorum.

No action may be taken at a meeting of the Board of Managers unless a quorum consisting of at least a majority of the Managers then in office are present.

7.2.6. Action by Written Consent.

Any action which may be taken by the Board of Managers under this Agreement may be taken without a meeting if consents in writing setting forth the action so taken are signed by a majority of the Managers then in office.

7.2.7. Voting Rights; Required Votes.

Each Manager shall be entitled to cast one vote with respect to any matter coming before the Board of Managers, except with respect to a determination to seek indemnification pursuant to Section 7.7 hereof, in which event a Manager seeking indemnification hereunder shall have no vote with respect to his or her indemnification. Any action required or permitted to be taken by the Board of Managers must be approved by the affirmative vote of a majority of the Managers then in office, except that any determination to grant indemnification to a Manager pursuant to Section 7.7 hereof shall require the affirmative vote of only one (1) Manager.

7.2.8. Compensation of Managers.

The Managers shall be reimbursed for all reasonable expenses incurred in connection with the performance of their duties as Managers.

7.2.9. Resignations.

Any Manager may resign at any time by giving written notice to the Board of Managers. Any such resignation shall take effect at the time specified therein, or, if no time is specified, upon receipt thereof; and unless otherwise

specified therein, acceptance of such resignation shall not be necessary to make it effective.

7.3. Officers

7.3.1. Number, Election and Term of Office.

The officers of the Company shall be a President, a Treasurer and a Secretary, and may at the discretion of the Board of Managers include one or more Vice Presidents, Assistant Secretaries and other officers. The officers of the Company shall be elected by the Board of Managers and shall hold their respective offices until their successors are duly elected and have qualified or until their earlier death, resignation or removal. Except as otherwise provided by law, any number of offices may be held by the same person.

7.3.2. President.

Subject to the direction of the Board of Managers, the President (i) shall be the chief operating officer of the Company, (ii) shall have full responsibility and authority for management of the day-to-day operations of the Company, and (iii) may execute agreements and contracts on behalf of the Company.

7.3.3. Treasurer.

The Treasurer shall have charge of the funds of the Company. He or she shall keep full and accurate accounts of all receipts and disbursements of the Company in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Board of Managers. He or she shall disburse the funds of the Company as may be ordered by the Board of Managers, and shall render to the Board of Managers, whenever they may require it, an account of all his transactions as Treasurer and an account of the business and financial position of the Company.

7.3.4. Secretary.

The Secretary, at the direction of the Board of Managers, shall prepare and distribute to the Managers an agenda in advance of each meeting and shall prepare and distribute promptly to each Manager written minutes of all meetings of the Board of Managers. The Secretary shall also be responsible for preparing and distributing to the Managers any notices received by the Company or otherwise called for by this Agreement to be given by the Company.

7.3.5. Vice President.

The Board of Managers may appoint one or more Vice Presidents of the Company. Each Vice President shall perform such duties as the Board of Managers shall require of such Vice President.

7.3.6. Assistant Secretary.

The Board of Managers may appoint one or more Assistant Secretaries of the Company. Each Assistant Secretary shall perform such duties as the Board of Managers shall require of such Assistant Secretary. The Assistant Secretaries (in the order of their election) shall, during the absence or incapacity of the Secretary, assume and perform all functions and duties which the Secretary might lawfully do if present and not under any incapacity.

7.3.7. Other Officers.

The Board of Managers may appoint such other officers and agents of the Company as the Board of Managers shall deem necessary or appropriate to carry out the business of the Company upon such terms and conditions the Board of Managers may determine. Any such officer shall hold his or her respective office for the term specified by the Board of Managers unless earlier removed by the Board of Managers.

7.3.8. Resignation.

Any officer or agent of the Company may resign at any time by giving written notice to the Board of Managers or to the President or the Secretary of the Company. Any such resignation shall take effect the time specified therein or, if no time is specified, upon receipt thereof; and unless otherwise specified therein, acceptance of such resignation shall not be necessary to make it effective.

7.3.9. Removal; Vacancies; Transfer of Duties.

Any officer or agent of the Company may be removed from office, with or without cause, by the Board of Managers at a meeting called for that purpose. Any vacancy in the office of President, Vice President, Treasurer, or Secretary for any reason shall be filled by a person designated by the Board of Managers for the unexpired term of the vacant office. The Board of Managers in its sole and absolute discretion may transfer the power and duties, in whole or in part, of any officer to any other officer, or persons, notwithstanding the provisions of this Agreement, except as otherwise provided by the laws of the State of Delaware.

7.3.10. Compensation.

The officers of the Company shall be entitled to such salary or other compensation as the Board of Managers shall determine.

7.3.11. Third Party Reliance.

Third parties dealing with the Company shall be entitled to rely conclusively upon the power and authority of the officers of the Company as set forth herein.

7.3.12. Execution of Instruments.

All checks, drafts, bills of exchange, acceptances, bonds, endorsements, notes or other obligations or evidences of indebtedness of the Company, and all deeds, mortgages, indentures, bills of sale, conveyances, endorsements, assignments, transfers, stock powers or other instruments of transfer, contracts, agreements, dividend or other orders, powers of attorney, proxies, waivers, consents, returns, reports, certificates, demands, notices or documents and other instruments or rights of any nature may be signed, executed, verified, acknowledged and delivered by such officer or officers or such other person or persons (whether or not officers, agents or employees of the Company) as the Board of Managers may from time to time designate.

7.4. Fiduciary Relationship

No Manager shall be liable to the Company or the Member for monetary damages for breach of fiduciary duty as a Manager or otherwise liable, responsible or accountable to the Company or the Member for monetary damages or otherwise for any acts performed, or for any failure to act; provided, however, that this provision shall not eliminate or limit the liability of a Manager (i) for any breach of the Manager's duty of loyalty to the Company or the Member, (ii) for acts or omissions which involve intentional misconduct or a knowing violation of law, or (iii) for any transaction from which the Manager received any improper personal benefit.

7.5. Other Activities of the Member or Affiliates

Subject to any intellectual property or other property rights of the Company and to protection of the confidentiality of any information treated as confidential by the Company, a member of the Company or any Affiliate thereof may have other business interests and may engage in other business ventures of any nature or description, whatsoever, whether currently existing or hereafter created, and may compete, directly or indirectly, with the business of the Company.

Neither the Member nor any Affiliate thereof shall incur any liability to the Company as a result of the Member's or Affiliate's pursuit of such other business interests, ventures and competitive activity, and neither the Company nor any other members of the Company shall have any right to participate in such other business ventures or to receive or share in any income or profits derived therefrom.

7.6. Certain Transactions

The Company is expressly permitted in the normal course of its business to enter into transactions with the Member or with any Affiliate of the Member provided that the price and other terms of such transactions are fair to the Company and that the price and other terms of such transactions are not less favorable to the Company than those generally prevailing with respect to comparable transactions between unrelated parties.

7.7. Indemnification of the Member, Managers, Officers and Affiliates

7.7.1 In accordance with Section 18-108 of the Delaware LLC Act, the Company shall indemnify and hold harmless the Member, any Manager, any officer, or an Affiliate thereof (individually, in each case, an "Indemnitee") to the fullest extent permitted by law from and against any and all losses, claims, demands, costs, damages, liabilities (joint or several), expenses of any nature (including attorneys' fees and disbursements), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits, or proceedings, whether civil, criminal, administrative or investigative, in which the Indemnitee may be involved, or threatened to be involved, as a party or otherwise, arising out of or incidental to the business or activities of or relating to the Company, regardless of whether the Indemnitee continues to be the Member, a Manager, an officer, or an Affiliate thereof at the time any such liability or expense is paid or incurred; provided, however, that this provision shall not eliminate or limit the liability of an Indemnitee (i) for any breach of the Indemnitee's duty of loyalty to the Company or the Member, (ii) for acts or omissions which involve intentional misconduct or a knowing violation of law, or (iii) for any transaction from which the Indemnitee received any improper personal benefit.

7.7.2. Expenses incurred by an Indemnitee in defending any claim, demand, action, suit, or proceeding subject to this Section 7.7 shall, from time to time, upon request by the Indemnitee, be advanced by the Company prior to the final disposition of such claim, demand, action, suit, or proceeding upon receipt by the Company of an undertaking by or on behalf of the Indemnitee to repay such amount, if it shall be determined in a judicial proceeding or a binding arbitration

that such Indemnitee is not entitled to be indemnified as authorized in this Section 7.7.

7.7.3. The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, vote of the Member, as a matter of law or equity, or otherwise, both as to an action in the Indemnitee's capacity as the Member, a Manager, an officer, or any Affiliate thereof, and as to an action in another capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns, and administrators of the Indemnitee.

7.7.4. The Company may purchase and maintain insurance on behalf of the Board of Managers and such other Persons as the Board of Managers shall determine against any liability that may be asserted against or expense that may be incurred by such Persons in connection with the offering of interests in the Company or the business or activities of the Company, regardless of whether the Company would have the power to indemnify such Persons against such liability under the provisions of this Agreement.

7.7.5. An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 or otherwise by reason of the fact that the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted or not expressly prohibited by the terms of this Agreement.

7.7.6. The provisions of this Section 7.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

8. BANK ACCOUNTS; BOOKS AND RECORDS; STATEMENTS; TAXES; FISCAL YEAR

8.1. Bank Accounts

All funds of the Company shall be deposited in its name in such checking and savings accounts, time deposits or certificates of deposit, or other accounts at such banks as shall be designated by the Board of Managers from time to time, and the Board of Managers shall arrange for the appropriate conduct of such account or accounts.

8.2. Books and Records

The Company shall keep, or cause to be kept, accurate, full and complete books and accounts showing assets, liabilities, income, operations, transactions and the financial condition of the Company. Such books and accounts shall be prepared on the cash or accrual basis of accounting, as determined by the Board of Managers. The Member, or its respective designee, shall have access thereto at any reasonable time during regular business hours and shall have the right to copy said records at its expense.

8.3. Financial Statements and Information

8.3.1. All financial statements prepared pursuant to this Section 8.3 shall present fairly the financial position and operating results of the Company and shall be prepared in accordance with generally accepted accounting principles for each fiscal year of the Company during the term of this Agreement.

8.3.2. The Company shall provide to the Member in a timely fashion such reports and information concerning the business and affairs of the Company as may be required by the Delaware LLC Act or by any other law or regulation of any regulatory body applicable to the Company.

8.4. Accounting Decisions

All decisions as to accounting matters, except as specifically provided to the contrary herein, shall be made by the Board of Managers.

8.5. Where Maintained

The books, accounts and records of the Company at all times shall be maintained at the Company's principal office or such other office or offices as the Board of Managers shall determine.

8.6. Fiscal Year

The fiscal year of the Company for financial, accounting, federal, state and local income tax purposes be the calendar year.

8.7. Tax Treatment of the Company

It is intended that the Company be disregarded as an entity separate from its owner for federal tax purposes. For this reason, the Company shall not elect to be classified as a corporation on Form 8832, "Entity Classification Election",

but, instead, will be treated by default as an entity disregarded as separate from its owner pursuant to Treasury Regulations Section 301.7701-3(b)(1)(ii). Furthermore, it is intended that the Company be disregarded as an entity separate from its owner for state tax purposes, and the Company shall take such actions as are necessary to cause this result.

9. TRANSFER AND CONVERSION OF INTERESTS AND THE ADDITION, SUBSTITUTION AND WITHDRAWAL OF MEMBERS

9.1. Transfer of Interests

Subject to applicable law, the Member may assign or transfer all or part of its membership interest in the Company (including granting security interests in such interest or transfers by reason of a merger or consolidation involving the Member) at any time to any Person. Without any further action by the Member or assignee of the membership interest, such assignee of the Member's interest shall be admitted as a member of the Company, the assignor shall be withdrawn as a member of the Company and such assignee shall thereafter be deemed the Member for all purposes under this Agreement. In the event that the Member's membership interest is assigned to more than one Person, the assignees (new members) shall make appropriate amendments to this Agreement.

10. DISSOLUTION AND LIQUIDATION

10.1. Events Causing Dissolution

Subject to the provisions of Section 10.2 below, the Company shall be dissolved and its affairs wound up upon the occurrence of any of the following events:

10.1.1. The consent in writing to dissolve and wind up the affairs of the Company by the Member;

10.1.2. The sale or other disposition by the Company of all or substantially all of the Company Assets and the collection of all amounts derived from any such sale or other disposition, including all amounts payable to the Company under any promissory notes or other evidences of indebtedness taken by the Company (unless the Member shall elect to distribute such indebtedness to the Member in liquidation), and the satisfaction of contingent liabilities of the Company in connection with such sale or other disposition;

10.1.3. The occurrence of any other event that, under the Delaware LLC Act, would cause the dissolution of the Company or that would make it unlawful for the business of the Company to be continued.

10.2. Right to Continue Business of the Company

Upon an event described in Section 10.1.3. (but not an event described in Section 10.1.3. that makes it unlawful for the business of the Company to be continued), the Company thereafter shall be dissolved and liquidated unless, within 90 days after the event described in such Section, an election to continue the business of the Company shall be made in writing by the Member. If such an election to continue the Company is made, then the Company shall continue until another event causing dissolution in accordance with this Article 10 shall occur.

10.3. Cancellation of Certificate

Upon the dissolution and completion of winding up of the Company, the Certificate shall be canceled in accordance with the provisions of Section 18-203 of the Delaware LLC Act, and the Board of Managers (or any other person or entity responsible for winding up the affairs of the Company) shall promptly notify the Member of such dissolution.

10.4. Distributions Upon Dissolution

10.4.1. Upon the dissolution of the Company, the Board of Managers (or any other person or entity responsible for winding up the affairs of the Company) shall proceed without any unnecessary delay to sell or otherwise liquidate the Company Assets and pay or make due provision for the payment of all debts, liabilities and obligations of the Company.

10.4.2. The Board of Managers (or any other person or entity responsible for winding up the affairs of the Company) shall distribute the net liquidation proceeds and any other liquid assets of the Company after the payment of all debts, liabilities and obligations of the Company (including, without limitation, all amounts owing to the Member under this Agreement or under any agreement between the Company and the Member entered into by the Member other than in its capacity as a member in the Company or the establishment of reasonable revenues therefor), the payment of expenses of liquidation of the Company, and any remaining assets to the Member.

10.5. Reasonable Time for Winding Up

A reasonable time shall be allowed for the orderly winding up of the business and affairs of the Company and the liquidation of its assets pursuant to Section 10.4 in order to minimize any losses otherwise attendant upon such a winding up.

11. MISCELLANEOUS PROVISIONS

11.1. Compliance with Delaware LLC Act

The Member agrees not to take any action or fail to take any action which, considered alone or in the aggregate with other actions or events, would result in the termination of the Company under the Delaware LLC Act.

11.2. Additional Actions and Documents

The Member hereby agrees to take or cause to be taken such further actions, to execute, acknowledge, deliver and file or cause to be executed, acknowledged, delivered and filed such further documents and instruments, and to use best efforts to obtain such consents, as may be necessary or as may be reasonably requested in order to fully effectuate the purposes, terms and conditions of this Agreement, whether before, at or after the closing of the transactions contemplated by this Agreement.

11.3. Severability

The invalidity of any one or more provisions hereof or of any other agreement or instrument given pursuant to or in connection with this Agreement shall not affect the remaining portions of this Agreement or any such other agreement or instrument or any part thereof, all of which are inserted conditionally on their being held valid in law; and in the event that one or more of the provisions contained herein or therein should be invalid, or should operate to render this Agreement or any such other agreement or instrument invalid, this Agreement and such other agreements and instruments shall be construed as if such invalid provisions had not been inserted.

11.4. Amendment Procedure

Any amendment or modification to this Agreement may be made only upon the written consent of the Member.

11.5. Pronouns

All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identity of the person or entity may require.

11.6. Headings

Article, section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof.

11.7. Governing Law

This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Delaware and the Delaware LLC Act (but not including the choice of law rules thereof).

IN WITNESS WHEREOF, the undersigned has duly executed this Operating Agreement as of the day and year first herein above set forth.

ADDENDUM I

DEFINITIONS

"Affiliate" - When used with reference to a specified Person, means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with, or any general partner or managing member in, such specified Person. As used in this definition of "Affiliate," the term "control," when used with respect to any specified Person means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise, and the terms "controlling" and "controlled" have the meanings correlative to the foregoing. Notwithstanding the foregoing, Marriott International, Inc. and its Affiliates shall not be deemed Affiliates of the Company or its Member.

"Agreement" - As defined in the introductory paragraph.

"Board of Managers" - As defined in Section 7.2.1.

"Certificate" - As defined in the Recitals.

"Code" - The Internal Revenue Code of 1986, as in effect and hereafter amended, and, unless the context otherwise requires, applicable regulations thereunder. Any reference herein to a specific section or sections of the Code shall be deemed to include a reference to any corresponding provision of future law.

"Company" - As defined in the Recitals.

"Company Assets" - All assets and property, whether tangible or intangible and whether real, personal, or mixed, at any time owned by or held for the benefit of the Company.

"Delaware LLC Act" - As defined in the Recitals.

"Indemnitee" - As defined in Section 7.7.1.

"Manager" - As defined in Section 7.2.3.

"Member" - As defined in the introductory paragraph.

"Person" - Any individual, corporation, association, partnership, limited liability company, joint venture, trust, estate, or other entity or organization.

"Recording Office" - The office of the Secretary of State of the State of Delaware.

Note: This reconciliation and tie shall not, for any purposes, be deemed to be part of this Indenture.

Indenture, dated as of _____, 1998 (the "Indenture"), by and between Host Marriott, L.P., a Delaware limited partnership (the "Company"), and Marine Midland Bank, as Trustee (the "Trustee").

Each party agrees as follows for the benefit of the other party and for the equal and ratable benefit of the Holders of the Securities issued under this Indenture.

ARTICLE 1.

DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.1. Definitions.

"Acquired Indebtedness" means Indebtedness of a Person existing at the time such Person becomes a Subsidiary of the Company or assumed in connection with an Asset Acquisition and not incurred in connection with or in contemplation or anticipation of such event, provided that Indebtedness of such Person which is redeemed, defeased (including the deposit of funds in a valid trust for the exclusive benefit of holders and the trustee thereof, sufficient to repay such Indebtedness in accordance with its terms), retired or otherwise repaid at the time of or immediately upon consummation of the transactions by which such Person becomes a Subsidiary or such Asset Acquisition shall not be Acquired Indebtedness.

"Affiliate" means any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company. For purposes of this definition, the term "control" means the power to direct the management and policies of a Person, directly or through one or more intermediaries, whether through the ownership of voting securities, by contract, or otherwise; provided that a beneficial owner of 10% or more of the total Voting Stock of a Person shall for such purposes be deemed to constitute control; provided, further, that (i) the right to designate a member of the Board of a Person or a Parent of that Person will not, by itself, be deemed to constitute control and (ii) Marriott International and its subsidiaries shall not be deemed to be Affiliates of the Company or its Parent or Subsidiaries.

"Agent" means any Registrar, Paying Agent or Service Agent.

"Asset Acquisition" means (i) an investment by the Company or any of its Subsidiaries in any other Person pursuant to which such Person shall become a Subsidiary or shall be merged or consolidated into or with the Company or any of its Subsidiaries or (ii) an acquisition by the Company or any of its Subsidiaries from any other Person that constitutes all or substantially all of a division or line of business, or one or more real estate properties, of such Person.

"Board" means (i) with respect to any corporation, the board of directors of such corporation or any committee of the board of directors of such corporation authorized, with respect to any particular matter, to exercise the power of the board of directors of such corporation, (ii) with respect to any partnership, any partner (including, without limitation, in the case of any partner that is a corporation, the board of directors of such corporation or any authorized committee thereof) with the authority to cause the partnership to act with respect to the matter at issue, (iii) in the case of a trust, any trustee or board of trustees with the authority to cause the trust to act with respect to the matter at issue, (iv) in the case of a limited liability company (a "LLC"), the managing member, management committee or other Person or

group with the authority to cause the LLC to act with respect to the matter at issue, and (v) with respect to any other entity, the Person or group exercising functions similar to a board of directors of a corporation.

"Board Resolution" means a copy of a resolution certified by the Secretary or an Assistant Secretary or equivalent authorized person of the General Partner to have been duly adopted by the Board or pursuant to authorization by the Board and to be in full force and effect on the date of the certificate (and delivered to the Trustee, if appropriate).

"Business Day" means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in New York, New York are authorized or obligated by law or executive order to close.

"Capital Stock" means, with respect to any Person, any and all shares, interests, participations, or other equivalents (however designated, whether voting or non-voting), including partnership interests, whether general or limited, in the equity of such Person, whether outstanding on the Closing Date or issued thereafter, including, without limitation, all Common Stock, Preferred Stock and Units.

"Capitalized Lease" means, as applied to any Person, any lease of any property (whether real, personal or mixed) of which the discounted present value of the rental obligations of such Person as lessee, in conformity with GAAP, is required to be capitalized on the balance sheet of such Person.

"Capitalized Lease Obligations" means, with respect to any Person, the discounted present value of the rental obligations under a Capitalized Lease as reflected on the balance sheet of such Person in accordance with GAAP.

"Closing Date" means _____, 1998.

"Code" means the Internal Revenue Code of 1986, as amended.

"Common Stock" means, with respect to any Person, any and all shares, interests, participations or other equivalents (however designated, whether voting or non-voting), which have no preference on liquidation or with respect to distributions over any other class of Capital Stock, including partnership interests, whether general or limited, of such Person's equity, whether outstanding on the Closing Date or issued thereafter, including, without limitation, all series and classes of common stock.

"Company" means Host Marriott, L.P., a Delaware limited partnership, until a successor shall have become such pursuant to the applicable provisions of this Indenture, and thereafter means such successor.

"Company Order" means a written order signed in the name of the Company by the General Partner and two Officers, one of whom must be the General Partner's principal executive officer, principal financial officer or principal accounting officer, and delivered to the Trustee.

"Company Request" means a written request signed in the name of the Company by the General Partner and its Chairman of the Board, a President or a Vice President, and by its Treasurer, an Assistant Treasurer, its Secretary or an Assistant Secretary, and delivered to the Trustee.

"Consolidated" or "consolidated" means, with respect to any Person, the consolidation of the accounts of the Subsidiaries of such Person with those of such Person; provided that (i) ``consolidation''

will not include consolidation of the accounts of any other Person other than a Subsidiary of such Person with such Person and (ii) "consolidation" will include consolidation of the accounts of any Subsidiary, whether or not such consolidation would be required or permitted under GAAP (it being understood that the accounts of such Person's Subsidiaries shall be consolidated only to the extent of such Person's proportionate interest therein). The terms "consolidated" and "consolidating" have correlative meanings to the foregoing.

"Corporate Trust Office" means the office of the Trustee at which any particular time its corporate trust business shall be principally administered.

"Default" means any event that is or after notice or passage of time or both would be an Event of Default.

"Exchange Act" means the Securities Exchange Act of 1934, as amended from time to time.

"FF&E" means furniture, fixtures and equipment, and other tangible personal property other than real property.

"GAAP" means generally accepted accounting principles in the United States of America as in effect as of the Closing Date, including, without limitation, those set forth in the opinions and pronouncements of the Accounting Principles Board of the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board or in such other statements by such other entity as approved by a significant segment of the accounting profession in the United States of America.

"General Partner" means the general partner of the Company.

"Guarantee" means any obligation, contingent or otherwise, of any Person directly or indirectly guaranteeing any Indebtedness of any other Person and, without limiting the generality of the foregoing, any obligation, direct or indirect, contingent or otherwise, of such Person (i) to purchase or pay (or advance or supply funds for the purchase or payment of) such Indebtedness of such other Person (whether arising by virtue of partnership arrangements, or by agreements to keep-well, to purchase assets, goods, securities or services (unless such purchase arrangements are on arm's-length terms and are entered into in the ordinary course of business), to take-or-pay, or to maintain financial statement conditions or otherwise) or (ii) entered into for purposes of assuring in any other manner the obligee of such Indebtedness of the payment thereof or to protect such obligee against loss in respect thereof (in whole or in part); provided that the term "Guarantee" shall not include endorsements for collection or deposit in the ordinary course of business. The term "Guarantee" used as a verb has a corresponding meaning.

"Holder" or "Securityholder" means a Person in whose name a Security is registered.

"Host REIT" means Host Marriott Corporation, a Maryland corporation and the sole general partner of the Company, and its successors and assigns.

"Hotel" means a hotel owned by a Public Partnership prior to the Partnership Merger of such Partnership.

"Incur" means, with respect to any Indebtedness, to incur, create, issue, assume, Guarantee or otherwise become liable for or with respect to (including as a result of an acquisition), or become

responsible for, the payment of, contingently or otherwise, such Indebtedness (including Acquired Indebtedness); provided that neither the accrual of interest nor the accretion of original issue discount shall be considered an Incurrence of Indebtedness.

"Indebtedness" of any Person means, without duplication, (i) all liabilities and obligations, contingent or otherwise, of such Person, (a) in respect of borrowed money (whether or not the recourse of the lender is to the whole of the assets of such Person or only to a portion thereof), (b) evidenced by bonds, notes, debentures or similar instruments, (c) representing the balance deferred and unpaid of the purchase price of any property or services, except those incurred in the ordinary course of its business that would constitute ordinarily a trade payable to trade creditors, (d) evidenced by bankers' acceptances, (e) for the payment of money relating to a Capitalized Lease Obligation, or (f) evidenced by a letter of credit or a reimbursement obligation of such Person with respect to any letter of credit; (ii) all net obligations of such Person under Interest Swap and Hedging Obligations; and (iii) all liabilities and obligations of others of the kind described in the preceding clause (i) or (ii) that such Person has guaranteed or that is otherwise its legal liability or which are secured by any assets or property of such Person.

"Indenture" means this Indenture as amended or supplemented from time to time and shall include the form and terms of particular Series of Securities established as contemplated hereunder.

"Indenture Obligations" means all obligations arising under this Indenture, from time to time, with respect to the payment of principal of or interest, if any, on the Securities of any Series.

"Interest Payment Date" means, with respect to Securities of any Series, the stated due date of an installment of interest on the Securities of that Series.

"Interest Swap and Hedging Obligation" means any obligation of any Person pursuant to any interest rate swaps, caps, collars and similar arrangements providing protection against fluctuations in interest rates. For purposes of this Indenture, the amount of such obligations shall be the amount determined in respect thereof as of the end of the then most recently ended fiscal quarter of such Person, based on the assumption that such obligation had terminated at the end of such fiscal quarter, and in making such determination, if any agreement relating to such obligation provides for the netting of amounts payable by and to such Person thereunder or if any such agreement provides for the simultaneous payment of amounts by and to such Person, then in each such case, the amount of such obligations shall be the net amount so determined, plus any premium due upon default by such Person.

"Lien" means any mortgage, pledge, security interest, encumbrance, lien, privilege, hypothecation, other encumbrance or charge of any kind (including, without limitation, any conditional sale or other title retention agreement or lease in the nature thereof or any agreement to give any security interest) upon or with respect to any property of any kind now owned or hereinafter acquired.

"Marriott International" means Marriott International, Inc., a Delaware corporation, and its successors and assigns.

"Maturity" when used with respect to any Security or installment of principal thereof, means the date on which the principal of such Security or such installment of principal becomes due and payable as therein or herein provided, whether at the Stated Maturity or by declaration of acceleration, call for redemption, notice of option to elect repayment or otherwise.

"Offering" means the offering of the Securities for sale by the Company.

"Officer" means the President, any Vice-President, the Treasurer, the Secretary, any Assistant Treasurer or any Assistant Secretary of the General Partner.

"Officers' Certificate" means a certificate signed on behalf of the Company by the General Partner and an Officer of the General Partner who must be the principal executive officer, the principal financial officer, the treasurer or the principal accounting officer of the General Partner.

"Opinion of Counsel" means a written opinion of legal counsel who is acceptable to the Trustee. The counsel may be an employee of or counsel to the Company.

"Parent" of any Person means a Person which at the date of determination owns, directly or indirectly, a majority of the Voting Stock of such Person or of a Parent of such Person.

"Partnership Merger" means the merger of one or more Subsidiaries of the Company into one or more of the Public Partnerships in connection with the REIT Conversion.

"Person" means any individual, corporation, limited liability company, partnership, joint venture, association, joint stock company, trust, REIT, unincorporated organization or government or any agency or political subdivision thereof.

"Preferred Stock" means, with respect to any Person, any and all shares, interests, participation or other equivalents (however designated, whether voting or non-voting), which have a preference on liquidation or with respect to distributions over any other class of Capital Stock, including preferred partnership interests, whether general or limited and whether outstanding on the Closing Date or issued thereafter, including, without limitation, all series and classes of such Preferred Stock.

"Public Partnerships" mean, collectively, the following Subsidiaries of the Company: Atlanta Marriott Marquis II Limited Partnership, a Delaware limited partnership; Desert Springs Marriott Limited Partnership, a Delaware limited partnership; Hanover Marriott Limited Partnership, a Delaware limited partnership; Marriott Diversified American Hotels, L.P., a Delaware limited partnership; Marriott Hotel Properties Limited Partnership, a Delaware limited partnership; Marriott Hotel Properties II Limited Partnership, a Delaware limited partnership; Mutual Benefit Chicago Marriott Suite Hotel Partners, L.P., a Rhode Island limited partnership; and Potomac Hotel Limited Partnership, a Delaware limited partnership; or, as the context may require, any such entity together with its Subsidiaries, or any of such Subsidiaries.

"real estate assets" means real property and all FF&E associated or used in connection therewith.

"Record Date" means, with respect to Securities of any Series, the Record Date specified in the Securities of that Series, whether or not such Record Date is a Business Day.

"Redemption Date" when used with respect to any Security to be redeemed, means the date fixed for such redemption pursuant to Article 3 of this Indenture.

"Registration Statement" means the Company's and Host REIT's registration statement on Form S-4 (No. 333-55807), as amended, relating to the registration of, among other securities, the Securities under the Securities Act, together with the exhibits thereto and all subsequent amendments.

"REIT" means a real estate investment trust as defined in Section 856 of the Code.

"REIT Conversion" means the various transactions carried out in connection with the conversion of Host Marriott Corporation, a Delaware corporation, to a REIT, as generally described in the Registration Statement.

"Responsible Officer" means any officer of the Trustee in its Corporate Trust Office with direct responsibility for the administration of this Indenture and also means, with respect to a particular corporate trust matter, any other officer to whom any corporate trust matter is referred because of his or her knowledge of and familiarity with a particular subject.

"SEC" means the Securities and Exchange Commission.

"Securities" means the notes of the Company of any Series authenticated and delivered under this Indenture.

"Securities Act" means the Securities Act of 1933, as amended from time to time.

"Series" or "Series of Securities" means each series of notes of the Company created pursuant to Section 2.1 and 2.2 hereof.

"Significant Subsidiary" means any Subsidiary which is a ``significant subsidiary'' of the Company within the meaning of Rule 1-02(w) of Regulation S-X promulgated by the SEC as in effect as of the Closing Date.

"Stated Maturity" means (i) with respect to any debt security, the date specified in such debt security as the fixed date on which the final installment of principal of such debt security is due and payable and (ii) with respect to any scheduled installment of principal of or interest on any debt security, the date specified in such debt security as the fixed date on which such installment is due and payable.

"Subsidiary" means (i) a corporation, partnership, limited liability company, trust, REIT or other entity a majority of the voting power of the voting equity securities of which are owned, directly or indirectly, by the Company or by one or more Subsidiaries of the Company, (ii) a partnership, limited liability company, trust, REIT or other entity not treated as a corporation for federal income tax purposes, a majority of the equity interests of which are owned, directly or indirectly, by the Company or a Subsidiary of the Company, or (iii) one or more corporations which, either individually or in the aggregate, would be Significant Subsidiaries (as defined above, except that the investment, asset and equity thresholds for purposes of this definition shall be 5%), the majority of the value of the equity interests of which are owned, directly or indirectly, by the Company or by one or more Subsidiaries.

"Tax" or "Taxes" means all Federal, state, local, and foreign taxes, and other assessments of a similar nature (whether imposed directly or through withholding), including any interest, additions to tax, or penalties applicable thereto, imposed by any domestic or foreign governmental authority responsible for the administration of any such taxes.

"TIA" means the Trust Indenture Act of 1939 (15 U.S. Code (S) (S) 77aaa-77bbb), as amended from time to time, and as in effect on the date of this Indenture; provided, however, that in the event the Trust Indenture Act of 1939 is amended after such date, "TIA" means, to the extent required by any such amendment, the Trust Indenture Act as so amended.

"Total Assets" means the sum of (i) Undepreciated Real Estate Assets and (ii) all other assets (excluding intangibles) of the Company and its Subsidiaries determined on a consolidated basis (it being understood that the accounts of Subsidiaries shall be consolidated with those of the Company only to the extent of the Company's proportionate interest therein).

"Trustee" means the Person named as the "Trustee" in the first paragraph of this instrument until a successor Trustee shall have become such pursuant to the applicable provisions of this Indenture, and thereafter "Trustee" shall mean or include each Person who is then a Trustee hereunder, and if at any time there is more than one such Person, "Trustee" as used with respect to the Securities of any Series shall mean the Trustee with respect to Securities of that Series.

"Undepreciated Real Estate Assets" means, as of any date, the cost (being the original cost to the Company or any of its Subsidiaries plus capital improvements) of real estate assets of the Company and its Subsidiaries on such date, before depreciation and amortization of such real estate assets, determined on a consolidated basis (it being understood that the accounts of Subsidiaries shall be consolidated with those of the Company only to the extent of the Company's proportionate interest therein).

"Units" means the limited partnership units of the Company.

"U.S. Government Obligations" means securities which are (i) direct obligations of The United States of America for the payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of The United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by The United States of America, and which in the case of (i) and (ii) are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such U.S. Government Obligation or a specific payment of interest on or principal of any such U.S. Government Obligation held by such custodian for the account of the holder of a depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation evidenced by such depository receipt.

"Voting Stock" means, with respect to any Person, Capital Stock of any class or kind ordinarily having the power to vote for the election of directors, managers or other voting members of the governing body of such Person.

"Wholly Owned" means, with respect to any subsidiary of any Person, the ownership of all of the outstanding Capital Stock of such subsidiary (other than any director's qualifying shares or

investments by individuals mandated by applicable law) by such Person and/or one or more Wholly Owned Subsidiaries of such Person.

Section 1.2. Other Definitions.

TERM ----	DEFINED IN SECTION -----
"Acceleration Notice"	6.2
"Bankruptcy Law"	6.1
"Custodian"	6.1
"Event of Default"	6.1
"Legal Holiday"	10.7
"Net Cash Proceeds"	3.2
"Paying Agent"	2.4
"Redemption Price"	3.1
"Registrar"	2.4
"Service Agent"	2.4

Section 1.3. Incorporation by Reference of Trust Indenture Act.

Whenever this Indenture refers to a provision of the TIA, the provision is incorporated by reference in and made a part of this Indenture. The following TIA term used in this Indenture has the following meaning:

"obligor" on the Securities means the Company and any successor obligor upon the Securities.

All other terms used in this Indenture that are defined by the TIA, defined by TIA reference to another statute or defined by SEC rule under the TIA and not otherwise defined herein are used herein as so defined.

Section 1.4. Rules of Construction.

Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
- (c) references to "GAAP" shall mean GAAP in effect as of the time when and for the period as to which such accounting principles are to be applied;
- (d) "or" is not exclusive;
- (e) words in the singular include the plural, and in the plural include the singular; and

(f) provisions apply to successive events and transactions.

ARTICLE 2.

THE SECURITIES

Section 2.1. Issuable in Series; Form and Dating.

The aggregate principal amount of Securities that may be authenticated and delivered under this Indenture is limited to \$_____. The Securities may be issued in one or more Series, not to exceed eight Series. All Securities within a Series and among Series shall be identical except as may be set forth in a Board Resolution, a supplemental indenture or an Officers' Certificate detailing the adoption of the terms thereof pursuant to the authority granted under a Board Resolution.

The Securities, and the Trustee's certificate of authentication in respect thereof, shall be substantially in the form of Exhibit A hereto, which Exhibit is part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage. The Company shall approve the form of the Securities and any notation, legend or endorsement on them. Any such notations, legends or endorsements not contained in the form of Security attached as Exhibit A hereto shall be delivered in writing to the Trustee. Each Security shall be dated the date of its authentication.

The terms and provisions contained in the form of Securities shall constitute, and are hereby expressly made, a part of this Indenture and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

Section 2.2. Establishment of Terms of Series of Securities.

At or prior to the issuance of any Securities within a Series, the following shall be established by a Board Resolution, a supplemental indenture or an Officers' Certificate pursuant to authority granted under a Board Resolution:

2.2.1. the title of the Series (which shall distinguish the Securities of that particular Series from the Securities of any other Series); and

2.2.2. the limit upon the aggregate principal amount of the Securities of the Series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the Series pursuant to Section 2.7, 2.8, 2.11, 3.8 or 9.6).

Section 2.3. Execution and Authentication.

Two Officers shall sign, or one Officer shall sign and one Officer shall attest to, the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the related Board Resolution, supplemental indenture hereto or Officers' Certificate, upon receipt by the Trustee of a Company Order. Such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing. Each Security shall be dated the date of its authentication unless otherwise provided by a Board Resolution, a supplemental indenture hereto or an Officers' Certificate.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture hereto or Officers' Certificate delivered pursuant to Section 2.2, except as provided in Section 2.9, and the aggregate principal amount of all Securities outstanding at any time may not exceed the limit set forth in Section 2.1, except as provided in Section 2.9.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. Such an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Company or an Affiliate.

Section 2.4. Registrar and Paying Agent.

The Company shall maintain, with respect to each Series of Securities, an office or agency in the Borough of Manhattan, The City of New York, where Securities of a Series may be presented or surrendered for payment ("Paying Agent"), where Securities of such Series may be surrendered for registration of transfer or exchange ("Registrar"), and where notices and demands to or upon the Company in respect of the Securities of such Series and this Indenture may be served ("Service Agent"). The Registrar shall keep a register with respect to each Series of Securities and to their transfer and exchange. The Company will give prompt written notice to the Trustee of the name and address, and any change in the name or address, of each Registrar, Paying Agent or Service Agent. If at any time the Company shall fail to maintain any such required Registrar, Paying Agent or Service Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more co-registrars, additional paying agents or additional service agents and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations to maintain a Registrar, Paying Agent and Service Agent as specified in this Section 2.4. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any such co-registrar, additional paying agent or additional service agent. The term "Registrar" includes any co-registrar; the term "Paying Agent" includes any additional paying agent; and the term "Service Agent" includes any additional service agent.

The Company hereby appoints the Trustee the initial Registrar, Paying Agent and Service Agent for each Series unless another Registrar, Paying Agent or Service Agent, as the case may be, is appointed prior to the time Securities of that Series are first issued.

Section 2.5. Paying Agent to Hold Money in Trust.

The Company shall require each Paying Agent for any Series of Securities other than the Trustee to agree in writing that the Paying Agent will hold in trust, for the benefit of Securityholders of such Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on such Series of Securities, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or its Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Securityholders of any Series of Securities all money held by it as Paying Agent.

Section 2.6. Securityholder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Securityholders of each Series of Securities and shall otherwise comply with TIA (S)312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least ten days before each interest payment date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Securityholders of each Series of Securities.

Section 2.7. Transfer and Exchange.

Where Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer tax or similar governmental charge payable upon exchanges pursuant to Sections 2.11, 3.8 or 9.6).

Neither the Company nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen Business Days immediately preceding the mailing of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such mailing, or (b) to register the transfer of or exchange Securities of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

Section 2.8. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its request the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.9. Outstanding Securities.

The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding.

If a Security is replaced pursuant to Section 2.8, it ceases to be outstanding until the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds on the Maturity of Securities of a Series money sufficient to pay such Securities payable on that date, then on and after that date such Securities of the Series cease to be outstanding and interest on them ceases to accrue.

A Security does not cease to be outstanding because the Company or an Affiliate holds the Security.

Section 2.10. Treasury Securities.

In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, direction, notice, consent or waiver, Securities of a Series owned by the Company or an Affiliate shall be disregarded, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities of a Series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.11. Temporary Securities.

Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities upon a Company Order. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee upon request shall authenticate definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary securities shall have the same rights under this Indenture as the definitive Securities.

Section 2.12. Cancellation.

The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Securities surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Securities (subject to the record retention requirement of the Exchange Act) in accordance with its customary practices, unless the Company otherwise directs. The Company may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation.

Section 2.13. Defaulted Interest.

If the Company defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest to the Persons who are Securityholders of the Series on a subsequent special record date. The Company shall fix the record date and payment date. At least 30 days before the record date, the Company shall mail to the Trustee and to each Securityholder of the Series a notice that states the record date, the payment date and the amount of interest to be paid. The Company may pay defaulted interest in any other lawful manner.

Section 2.14. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE 3.

REDEMPTION

Section 3.1. Optional Redemption.

The Securities of any Series may be redeemed at any time at the option of the Company, in whole or from time to time in part, at a redemption price equal to the sum of the principal amount of the Securities being redeemed plus accrued interest thereon to the Redemption Date (the "Redemption Price").

Section 3.2. Mandatory Redemption.

In the event that any Public Partnership (a) sells or otherwise disposes of any Hotel and realizes net cash proceeds in excess of (i) the amount required to repay mortgage Indebtedness (outstanding immediately prior to the Partnership Mergers) secured by such Hotel or otherwise required to be applied to the reduction of Indebtedness of such Public Partnership and (ii) the costs incurred by the Public Partnership in connection with such sale or other disposition or (b) refinances (whether at maturity or otherwise) any Indebtedness secured by any Hotel and realizes net cash proceeds in excess of (i) the amount of Indebtedness secured by such Hotel at the time of the Partnership Mergers, calculated prior to any repayment or other reduction in the amount of such Indebtedness in the Partnership Mergers, and (ii) the costs incurred by the Company or such Public Partnership in connection with such refinancing (in either case, the "Net Cash Proceeds"), the Company shall be required within 90 days of the receipt of the total Net Cash Proceeds to redeem at the Redemption Price an aggregate amount of principal of the particular Series of the Securities which were issued to the Persons who were partners of such Public Partnership prior to the REIT Conversion equal to 80% of such Net Cash Proceeds.

Section 3.3. Notice to Trustee.

If the Company elects to redeem Securities pursuant to Section 3.1 or is required to redeem Securities pursuant to Section 3.2, it shall notify the Trustee of the Redemption Date and the principal amount of the Series of Securities to be redeemed. The Company shall give the notice at least 45 days before the Redemption Date (or such shorter notice as may be acceptable to the Trustee). Any such notice may be canceled at any time prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect.

Section 3.4. Selection of Securities to be Redeemed.

If less than all the Securities of a Series are to be redeemed, the Trustee shall select the Securities of the Series to be redeemed in any manner that the Trustee deems fair and appropriate. The Trustee shall make the selection from Securities of the Series outstanding not previously called for redemption.

Section 3.5. Notice of Redemption.

At least 30 days but not more than 60 days before a Redemption Date, the Company shall mail a notice of redemption by first-class mail to each Holder whose Securities are to be redeemed.

The notice shall identify the Securities of the Series to be redeemed and shall state:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) the name and address of the Paying Agent;
- (d) that Securities of the Series called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (e) the principal amount of Securities of a Series to be redeemed;
- (f) that the notice is being sent pursuant to this Section 3.5 and pursuant to either the optional or the mandatory redemption provisions of Section 3.1 or 3.2, as the case may be;
- (g) that, unless the Company defaults in making the redemption payments, interest on Securities of the Series called for redemption ceases to accrue on and after the Redemption Date;
- (h) that, if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, on and after the Redemption Date, upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion thereof will be issued upon cancellation of the original Security;
- (i) that, if any Security contains a CUSIP number as provided in Section 2.14, no representation is being made as to the correctness of the CUSIP number either as printed on the Security or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Security; and
- (j) any other information as may be required by the terms of the particular Series or the Securities of a Series being redeemed.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense.

Section 3.6. Effect of Notice of Redemption.

Once notice of redemption is mailed or published as provided in Section 3.5, Securities of a Series called for redemption become due and payable on the Redemption Date and at the Redemption Price. A notice of redemption may not be conditional. Upon surrender to the Paying Agent, such Securities shall be paid at the Redemption Price plus accrued interest to the Redemption Date.

Section 3.7. Deposit of Redemption Price.

On or before the Redemption Date, the Company shall deposit with the Paying Agent money sufficient to pay the Redemption Price of and accrued interest, if any, on all Securities to be redeemed on that date. The Paying Agent shall promptly return to the Company any money so deposited which is not used for that purpose.

Section 3.8. Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Company shall issue and the Trustee shall authenticate for the Holder a new Security of the same Series and the same maturity equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4.

COVENANTS

The following covenants shall be applicable with respect to Securities of any Series. For the purpose of Securities of any Series issued hereunder, when used in this Article 4, the term "Securities" shall mean Securities of that Series.

Section 4.1. Payment of Principal and Interest.

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it will duly and punctually pay the principal of and interest on the Securities of that Series in accordance with the terms of such Securities and this Indenture.

Section 4.2. Reports.

The Company shall at all times comply with TIA (S) 3.14(a).

Section 4.3. Compliance Certificate.

The Company shall deliver to the Trustee, within 120 days after the end of its fiscal year, an Officers' Certificate complying with TIA (S) 314(a) (4).

Section 4.4. Corporate Existence.

Subject to Article 5, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence in accordance with its organizational documents (as the same may be amended from time to time) and the rights (charter and statutory) and franchises of the Company; provided, however, that the Company shall not be required to preserve any such right, franchise or existence if the Board shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole.

Section 4.5. Limitation on Incurrences of Indebtedness.

(a) The Company will not, and will not permit any of its Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness) other than intercompany Indebtedness (representing Indebtedness to which the only parties are the

Company, Host REIT and/or any of their subsidiaries, but only so long as such Indebtedness is held solely by any of such parties) that is subordinate in right of payment to the Securities, if immediately after giving effect to the Incurrence of such Indebtedness, the aggregate principal amount of all outstanding Indebtedness of the Company and its Subsidiaries on a consolidated basis, determined in accordance with GAAP, is greater than 75% of the Company's Total Assets.

(b) For purposes of determining any particular amount of Indebtedness under this Section 4.5, Guarantees, Liens or obligations with respect to letters of credit supporting Indebtedness otherwise included in the determination of such particular amount shall not be included as additional Indebtedness.

(c) Indebtedness of any Person that is not a Subsidiary of the Company, which Indebtedness is outstanding at the time such Person becomes a Subsidiary of the Company or is merged with or into or consolidated with the Company or a Subsidiary of the Company, shall be deemed to have been Incurred at the time such Person becomes a Subsidiary of the Company or is merged with or into or consolidated with the Company, or a Subsidiary of the Company, and Indebtedness which is assumed at the time of the acquisition of any asset shall be deemed to have been Incurred at the time of such acquisition.

Section 4.6. Maintenance of Office or Agency.

The Company shall maintain in the Borough of Manhattan, The City of New York, an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company shall give prompt written notice to the Trustee and the Paying Agent of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee and the Paying Agent, if different, with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 10.2.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York, for such purposes. The Company shall give prompt written notice to the Trustee and the Paying Agent, if different, of any such designation or rescission and of any change in the location of any such other office or agency. The Company hereby initially designates the corporate trust office of the Paying Agent as such office.

ARTICLE 5.

SUCCESSORS

Section 5.1. When Company May Merge, Etc.

The Company will not merge or consolidate with or into, or sell, lease, convey, transfer or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially as an entirety in one transaction or a series of related transactions) to any Person or permit any Person to merge or consolidate with or into the Company, unless:

(a) either the Company shall be the continuing Person or the Person (if other than the Company) formed by such consolidation or into which the Company is merged or that acquired such property and assets of the Company shall be an entity organized and validly existing under the laws of the United States of America or any state or jurisdiction thereof and shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of the obligations of the Company, on the Securities and under this Indenture;

(b) immediately after giving effect, on a pro forma basis, to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) the Company will have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and such supplemental indenture complies with this provision and that all conditions precedent provided for herein relating to such transaction have been complied with.

Section 5.2. Successor Person Substituted.

Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company, in accordance with Section 5.1, the successor Person formed by such consolidation or into which the Company is merged or to which such transfer is made, shall succeed to, be substituted for, and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named therein as the Company and the Company shall be released from the obligations under the Securities and this Indenture.

ARTICLE 6.

DEFAULTS AND REMEDIES

Section 6.1. Events of Default.

"Event of Default," wherever used herein with respect to Securities of any Series, means any one of the following events:

(a) the failure by the Company to pay any installment of interest on the Securities of that Series as and when the same becomes due and payable and the continuance of any such failure for 30 days;

(b) the failure by the Company to pay all or any part of the principal of the Securities of that Series when and as the same becomes due and payable at maturity, redemption, by acceleration or otherwise;

(c) the failure by the Company to make any mandatory redemption pursuant to the terms of and within the period specified in Section 3.2;

(d) the failure by the Company to observe or perform any other covenant or agreement contained in the Securities of that series or this Indenture with respect to that Series of Securities and the continuance of such failure for a period of 60 days after written notice is given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Securities of that Series outstanding;

(e) the Company or any of its Significant Subsidiaries pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case,

(ii) consents to the entry of an order for relief against it in an involuntary case,

(iii) consents to the appointment of a Custodian of it or for all or substantially all of its property, or

(iv) makes a general assignment for the benefit of its creditors;

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case;

(ii) appoints a Custodian of the Company or any of its Significant Subsidiaries or for all or substantially all of its property; or

(iii) orders the liquidation of the Company or any of its Significant Subsidiaries and the order or decree remains unstayed and in effect for 60 days.

The term "Bankruptcy Law" means title 11 of the U.S. Code or any similar Federal or State law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator or similar official under any Bankruptcy Law.

Section 6.2. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to the Securities of any Series at the time outstanding occurs and is continuing (other than an Event of Default specified in Section 6.1(e) or (f), above, relating

to the Company), then either the Trustee or the Holders of 25% in aggregate principal amount of the Securities of that Series then outstanding, by notice in writing to the Company (and to the Trustee if given by Holders) (an "Acceleration Notice"), may declare all principal and accrued interest thereon to be due and payable immediately.

If an Event of Default specified in Section 6.1(e) or (f) shall occur as to the Company, the principal amount (or specified amount) of and accrued and unpaid interest, if any, on all outstanding Securities of that Series shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after such a declaration of acceleration with respect to any Series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 6, the Holders of a majority (or such greater amount if the Event of Default resulting in such acceleration related to a Default in a provision of this Indenture that may not be amended without the consent of a greater amount) in principal amount of the outstanding Securities of that Series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Company has paid or deposited with the Trustee a sum sufficient to pay:

- (i) all overdue interest, if any, on all Securities of that Series;
- (ii) the principal of any Securities of that Series which have become due (otherwise than by such declaration of acceleration) and interest thereon at the rate or rates prescribed therefor in such Securities; and
- (iii) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 7.7; and

(b) all Events of Default with respect to Securities of that Series, other than the non-payment of the principal of and interest on Securities of that Series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall effect any subsequent Default or impair any right consequent thereon.

Section 6.3. Collection of Indebtedness and Suits for Enforcement by

Trustee.

The Company covenants that if:

(a) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days; or

(b) default is made in the payment of principal of any Security at the Maturity thereof;

then, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and interest at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 7.7.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or deemed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to any Securities of any Series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such Series by such appropriate judicial proceedings as the Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 6.4. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 7.7) and of the Holders allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same,

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 7.7.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.5. Trustee May Enforce Claims Without Possession of

Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 6.6. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article 6 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

- First: To the payment of all amounts due the Trustee under Section 7.7; and
- Second: To the payment of the amounts then due and unpaid for principal of and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest, respectively; and
- Third: To the Company.

Section 6.7. Limitation on Suits.

No Holder of any Security of any Series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that Series;

(b) the Holders of not less than 25% in principal amount of the outstanding Securities of that Series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the outstanding Securities of that Series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

Section 6.8. Unconditional Right of Holders to Receive

Principal and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Security on the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 6.9. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.10. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 2.8, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12. Control by Holders.

The Holders of a majority in principal amount of the outstanding Securities of any Series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such Series, provided that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and

(c) subject to the provisions of Section 6.1, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer of the Trustee, determine that the proceeding so directed would involve the Trustee in personal liability or be unduly prejudicial to Holders of Securities of such Series not joining therein.

Section 6.13. Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the outstanding Securities of a Series may waive on behalf of all the Holders any Default with respect to such Series and its consequences, except a Default with respect to any provision requiring supermajority approval to amend, which Default may only be waived by such a supermajority with respect to such Series, and except a Default in the payment of principal of or interest on any Security of that Series not yet cured or a Default with respect to any covenant or provision which cannot be modified or amended without the consent of the Holder of each outstanding Security of that Series affected, provided, however, that Holders of a majority or a supermajority (as the case may be) in aggregate principal amount of the Securities of any Series may rescind an acceleration and its consequences including any payment default that resulted from such acceleration only pursuant to Section 6.2 hereof. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any Series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Security on or after the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date).

ARTICLE 7.

TRUSTEE

Section 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others;

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates or Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such Officers' Certificates or Opinions of Counsel which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Securities of any Series in good faith in accordance with the direction of the Holders of a majority in principal amount of the outstanding Securities of such Series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such Series.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraph (a), (b) and (c) of this Section.

(e) Subject to the provisions of this Article and the rest of this Indenture relating to the duties of the Trustee, the Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request, order or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable security or indemnity against the cost, expenses and liabilities which might be incurred by it in compliance with such request, order or direction.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

(h) The Paying Agent, the Registrar and any authenticating agent shall be entitled to the protections, immunities and standard of care as are set forth in paragraphs (a), (b) and (c) of this Section and Section 7.2 with respect to the Trustee.

(i) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate.

Section 7.2. Rights of Trustee.

(a) The Trustee may rely on and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

(g) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(h) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(i) The Trustee shall not be charged with knowledge of any Default or Event of Default or of the identity of any Subsidiary unless either (i) a Responsible Officer shall have actual knowledge thereof or (ii) the Trustee shall have received written notice thereof from the Company or any Holder.

Section 7.3. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or an Affiliate with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.4. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Company in this Indenture or the Securities other than its certificate of authentication.

Section 7.5. Notice of Defaults.

If a Default or Event of Default occurs and is continuing with respect to the Securities of any Series and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail to each Securityholder of the Securities of that Series notice of a Default or Event of Default within 90 days after it occurs or, if later than the end of such 90-day period, after a Responsible Officer of the Trustee has knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal of or interest on any Security of any Series, the Trustee may withhold the notice if and so long as its corporate trust committee or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Securityholders of that Series.

Section 7.6. Reports by Trustee to Holders.

Within 60 days after May 15 in each year, the Trustee shall transmit by mail to all Securityholders, as their names and addresses appear on the register kept by the Registrar, a brief report dated as of such May 15, in accordance with, and to the extent required under, TIA (S)313.

A copy of each report at the time of its mailing to Securityholders of any Series shall be filed with the SEC and each stock exchange, if any, on which the Securities of that Series are listed in

accordance with TIA (S) 313(d). The Company shall promptly notify the Trustee when Securities of any Series are listed on any stock exchange.

Section 7.7. Compensation and Indemnity.

The Company shall pay to the Trustee from time to time reasonable compensation for its services. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee (including the cost of defending itself) against any loss, liability or expense incurred by it (including in the enforcement of this Section 7.7), except as set forth in the next paragraph, arising out of or in connection with the acceptance or administration of this trust or in the performance of its duties under this Indenture as Trustee or Agent. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

The Company need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee or by any officer, director, employee, shareholder or agent of the Trustee through negligence or bad faith.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities of any Series on all money or property held or collected by the Trustee, except that which is held in trust to pay principal and interest on particular Securities of that Series.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.1(e) or (f) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The provisions of this Section 7.7 shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.8. Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.8.

The Trustee may resign with respect to the Securities of one or more Series by so notifying the Company. The Holders of a majority in principal amount of the Securities of any Series may remove the Trustee with respect to that Series by so notifying the Trustee and the Company. The Company may remove the Trustee with respect to Securities of one or more Series if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an

order

for relief is entered with respect to the Trustee under any Bankruptcy Law;

(c) a Custodian or public officer takes charge of the Trustee or its property; or

(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee with respect to the Securities of any one or more Series does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in principal amount of the Securities of the applicable Series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee with respect to the Securities of any one or more Series fails to comply with Section 7.10, any Securityholder of the applicable Series may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that, the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.7, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee with respect to each Series of Securities for which it is acting as Trustee under this Indenture. A successor Trustee shall mail a notice of its succession to each Securityholder of each such Series. Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Company's obligations under Section 7.7 hereof shall continue for the benefit of the retiring trustee with respect to expenses and liabilities incurred by it prior to such replacement.

Section 7.9. Successor Trustee by Merger, etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA (S)310(a)(1), (2) and (5). The Trustee shall always have a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA (S)310(b).

Section 7.11. Preferential Collection of Claims Against

Company.

The Trustee is subject to TIA (S) 311(a), excluding any creditor relationship listed in TIA (S)311(b). A Trustee who has resigned or been removed shall be subject to TIA (S)311(a) to the extent indicated.

ARTICLE 8.

SATISFACTION AND DISCHARGE; DEFEASANCE

Section 8.1. Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Order cease to be of further effect (except as hereinafter provided in this Section 8.1) with respect to any Series of Securities, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging such satisfaction and discharge of this Indenture with respect to such Series, when:

(a) either:

(i) all Securities of such Series theretofore authenticated and delivered (other than Securities of such Series that have been destroyed, lost or stolen and that have been replaced or paid) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation:

- (1) have become due and payable; or
- (2) will become due and payable at their Stated Maturity within one year; or
- (3) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company; or
- (4) are deemed paid and discharged pursuant to Section 8.3, as applicable;

and the Company, in the case of (1), (2) or (3) above, has deposited or caused to be deposited (in U.S. legal tender or U.S. Government Obligations or a combination thereof) with the Trustee as trust funds in trust an amount sufficient for the purpose of paying and discharging the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Securities which have become due and payable on or prior to the date of such deposit) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.7, and, if money shall have been deposited with the Trustee pursuant to clause (a) of this Section, the provisions of Sections 2.4, 2.7, 2.8, 2.11, 7.1, 8.1 8.2 and 8.5 shall survive.

Section 8.2. Application of Trust Funds; Indemnification.

(a) Subject to the provisions of Section 8.5, all money and U.S. Government Obligations deposited with the Trustee pursuant to Sections 8.1, 8.3 or 8.4 and all money received by the Trustee in respect of U.S. Government Obligations deposited with the Trustee pursuant to Sections 8.1, 8.3 or 8.4, shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has been deposited with or received by the Trustee or to make analogous payments as contemplated by Sections 8.3 or 8.4.

(b) The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against U.S. Government Obligations deposited pursuant to Sections 8.1, 8.3 or 8.4 or the interest and principal received in respect of such obligations other than any payable by or on behalf of Holders.

(c) The Trustee shall deliver or pay to the Company from time to time upon Company Request any U.S. Government Obligations or money held by it as provided in Sections 8.1, 8.3 or 8.4 which, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Trustee, are then in excess of the amount thereof which then would have been required to be deposited for the purpose for which such U.S. Government Obligations or money were deposited or received. This provision shall not authorize the sale by the Trustee of any U.S. Government Obligations held under this Indenture.

Section 8.3. Legal Defeasance of Securities of any Series.

The Company shall be deemed to have paid and discharged the entire Indebtedness on all the outstanding Securities of such Series on the 91st day after the date of the deposit referred to below, and the provisions of this Indenture, as it relates to such outstanding Securities of such Series, shall no longer be in effect (and the Trustee, at the expense of the Company, shall, at Company Request, execute proper instruments acknowledging the same), except as to:

(a) the rights of Holders of Securities of such Series to receive, from the trust funds described below, payment of the principal of and each installment of principal of and interest on the outstanding Securities of such Series on the Stated Maturity of such principal or installment of principal or interest on the day on which such payments are due and payable in accordance with the terms of this Indenture and the Securities of such Series;

(b) the provisions of Sections 2.5, 2.7, 2.8, 2.11, 4.6 and this Article

8; and

(c) the rights, powers, trust and immunities of the Trustee hereunder;

provided that, the following conditions shall have been satisfied:

(i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Securities of such Series, (A) U.S. legal tender or U.S. Government Obligations, or any combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay the principal of and interest on such Securities on the stated date for payment thereof or on the Redemption Date of such principal or installment of principal of or interest on Securities of such Series;

(ii) the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to Trustee confirming that (A) the Company has received from, or there has been published by the Internal Revenue Service, a ruling or (B) since the date of this Indenture, there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the Holders of the Securities of such Series will not recognize income, gain or loss for Federal income tax purposes as a result of such Legal Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(iii) no Default or Event of Default shall have occurred with respect to such Series and be continuing on the date of such deposit or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(iv) such defeasance shall not result in a breach or violation of, or constitute a default under this Indenture or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(v) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of such Securities over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others; and

(vi) the Company shall have delivered to the Trustee an Officers' Certificate stating that the conditions precedent provided for have been complied with.

Section 8.4. Covenant Defeasance.

On and after the 91st day after the date of the deposit referred to in subparagraph (a) hereof, the Company may omit to comply with any term, provision or condition set forth under Sections 4.2, 4.3, 4.4 and 4.5 and Article 5 (and the failure to comply with any such covenants shall not constitute a Default or Event of Default under Section 6.1) with respect to the Securities of such Series, provided that the following conditions shall have been satisfied:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Securities of such Series, (A) U.S. legal tender or U.S. Government Obligations, or any combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay the principal of and interest on such Securities on the stated date for payment thereof or on the Redemption Date of such principal or installment of principal of or interest on Securities of such Series;

(b) the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that the Holders of the Securities of such Series will not recognize income, gain or loss for Federal income tax purposes as a result of the defeasance contemplated by this Section 8.4 and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) no Default or Event of Default shall have occurred with respect to such Series and be continuing on the date of such deposit or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(d) such defeasance shall not result in a breach or violation of, or constitute a default under this Indenture or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(e) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of the Securities of such Series over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others; and

(f) the Company shall have delivered to the Trustee an Officers' Certificate stating that the conditions precedent provided for have been complied with.

Section 8.5. Repayment to Company.

The Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal and interest that remains unclaimed for two years. After that, Securityholders entitled to the money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person.

Section 8.6. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided that if the Company has made any payment of interest on or principal of any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENTS AND SUPPLEMENTS

Section 9.1. Without Consent of Holders.

The Company and the Trustee may amend or supplement this Indenture or the Securities of one or more Series without the consent of any Securityholder:

- (a) to cure any ambiguity, defect or inconsistency;
- (b) to comply with Article 5;
- (c) to provide for uncertificated Securities in addition to or in place of certificated Securities;
- (d) to make any change that does not adversely affect the rights of any Securityholder;
- (e) to provide for the issuance of and establish the form and terms and conditions of Securities of any Series as permitted by this Indenture;
- (f) to add to the covenants of the Company or to add Events of Default for the benefit of Securityholders or to surrender any right or power conferred upon the Company in this Indenture;
- (g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one

Trustee;

(h) to provide for guarantors or collateral for the Securities of any Series; or

(i) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA.

Section 9.2. With Consent of Holders.

Except as provided elsewhere in this Article 9, the Company and the Trustee may enter into a supplemental indenture with the written consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Securities of each Series affected by such supplemental indenture (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the Securityholders of each such Series. Except as provided in Section 6.13, the Holders of at least a majority in principal amount of the outstanding Securities of each Series affected by such waiver by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series) may waive compliance by the Company with any provision of this Indenture or the Securities with respect to such Series.

It shall not be necessary for the consent of the Holders of Securities under this Section 9.2 to approve the particular form of any proposed supplemental indenture or waiver, but it shall be sufficient if such consent approves the substance thereof. After a supplemental indenture or waiver under this Section 9.2 becomes effective, the Company shall mail to the Holders of Securities affected thereby a notice briefly describing the supplemental indenture or waiver. Any failure by the Company to mail or publish such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.3. Limitations.

Without the consent of each Securityholder affected, an amendment or waiver may not:

(a) change the Stated Maturity of the principal of, or any installment of interest on, any Security;

(b) reduce the principal amount of or interest on any Security;

(c) change the place of payment, or the coin or currency, for the payment of principal of or interest on any Security;

(d) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the Redemption Date) of any Security;

(e) reduce the percentages of outstanding Securities the consent of whose Holders is necessary to modify or amend this Indenture;

(f) waive a default in the payment of principal of or interest on the

Securities (except a recission of acceleration of the Securities of any Series and a waiver of the payment default that resulted from such acceleration pursuant to Section 6.2 hereof); or

(g) reduce the percentage or aggregate principal amount of outstanding Securities of a Series the consent of whose Holders is necessary for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults in Section 6.8, 6.13 or this 9.3.

Section 9.4. Compliance with Trust Indenture Act.

Every amendment to this Indenture or the Securities of one or more Series shall be set forth in a supplemental indenture hereto that complies with the TIA as then in effect.

Section 9.5. Revocation and Effect of Consents.

Until an amendment or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of a Security if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Securities of the applicable Series have consented (and not theretofore revoked such consent) to the amendment or waiver.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver, which record date shall be the date so fixed by the Company, notwithstanding the provisions of the TIA. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date, and only those Persons (or their duly designated proxies), shall be entitled to revoke any consent previously given (up to the time such consent becomes non-revocable in accordance with such sentence), whether or not such Persons continue to be Holders after such record date.

Any amendment or waiver once effective shall bind every Securityholder of each Series affected by such amendment or waiver unless it is of the type described in any of clauses (a) through (g) of Section 9.3. In that case, the amendment or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security.

Section 9.6. Notation on or Exchange of Securities.

The Trustee may place an appropriate notation about an amendment or waiver on any Security of any Series thereafter authenticated. The Company in exchange for Securities of that Series may issue and the Trustee shall authenticate upon request new Securities of that Series that reflect the amendment or waiver. Any failure to make any appropriate notation or to issue a new Security of that Series shall not affect the validity of such amendment or waiver.

Section 9.7. Trustee Protected.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 9 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 7.1) shall be fully protected in relying upon, an Opinion of Counsel complying with Section 10.4(b) and stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee shall sign all supplemental indentures, except that the Trustee need not sign any supplemental indenture that adversely affects its rights.

ARTICLE 10.

MISCELLANEOUS

Section 10.1. Trust Indenture Act Controls.

If any provision of this Indenture limits, qualifies, or conflicts with another provision which is required or deemed to be included in this Indenture by the TIA, such required or deemed provision shall control.

Section 10.2. Notices.

Any notice or communication by the Company or the Trustee to the other is duly given if in writing and delivered in person or mailed by first-class mail:

if to the Company:

Host Marriott, L.P.
10400 Fernwood Road
Bethesda, Maryland
Attention: General Counsel

if to the Trustee:

Marine Midland Bank
140 Broadway
12th Floor
New York, New York 10005
Attention: Corporate Trust Department

The Company or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

Any notice or communication to a Securityholder shall be mailed by first-class mail to his address shown on the register kept by the Registrar. Failure to mail a notice or communication to a Securityholder of any Series or any defect in it shall not affect its sufficiency with respect to other Securityholders of that or any other Series.

If a notice or communication is mailed or published in the manner provided above, within the time prescribed, it is duly given, whether or not the Securityholder receives it.

If the Company mails a notice or communication to Securityholders, it shall mail a copy to the Trustee and each Agent at the same time.

Section 10.3. Communication by Holders with Other Holders.

Securityholders of any Series may communicate pursuant to TIA (S)312(b) with other Securityholders of that Series or any other Series with respect to their rights under this Indenture or the Securities of that Series or all Series. The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA (S)312(c).

Section 10.4. Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company shall furnish to the Trustee:

(a) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(b) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Section 10.5. Statements Required in Certificate or Opinion.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to TIA (S)314(a)(4)) shall comply with the provisions of TIA (S)314(e) and shall include:

(a) a statement that the person making such certificate or opinion has read such covenant or condition;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of such person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of such person, such condition or covenant has been complied with.

Section 10.6. Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or a meeting of Securityholders of one or more Series. Any Agent may make reasonable rules and set reasonable requirements for its functions.

Section 10.7. Legal Holidays.

Unless otherwise provided by Board Resolution, Officers' Certificate or supplemental indenture for a particular Series, a "Legal Holiday" is any day that is not a Business Day. If a payment date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding day that is not a Legal Holiday, and no interest shall accrue with respect to such payment for the intervening period.

Section 10.8. No Recourse Against Others.

No recourse for the payment of the principal of or interest on the Securities or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture, or in the Securities or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, partner, stockholder, officer, director, employee or controlling Person of the Company, the General Partner or any successor Person thereof, except as an obligor of the Securities pursuant to this Indenture. Each Holder, by accepting the Securities, waives and releases all such liability.

Section 10.9. Counterparts.

This Indenture may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 10.10. Governing Laws.

THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, INCLUDING, WITHOUT LIMITATION, SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND NEW YORK CIVIL PRACTICE LAWS AND RULES 327(B). THE COMPANY HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK OR ANY FEDERAL COURT SITTING IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE AND THE SECURITIES, AND IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, JURISDICTION OF THE AFORESAID COURTS. THE COMPANY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO UNDER APPLICABLE LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT AND ANY CLAIM THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE TRUSTEE OR ANY SECURITYHOLDER TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE COMPANY IN ANY OTHER JURISDICTION.

Section 10.11. No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret another indenture, loan or debt agreement of the Company or a Subsidiary. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 10.12. Successors.

All agreements of the Company in this Indenture and the Securities shall bind its successor. All agreements of the Trustee in this Indenture shall bind its successor.

Section 10.13. Severability.

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.14. Table of Contents, Headings, Etc.

The Table of Contents, Reconciliation between the TIA, and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed as of the day and year first above written.

TRUSTEE'S CERTIFICATE OF AUTHENTICATION

This is one of the Securities of the Series designated therein referred to in the within-mentioned Indenture.

MARINE MIDLAND BANK,
as Trustee

By: _____
Authorized Signatory

6.56% Series ___ Callable Note due 2005

1. Interest.

Host Marriott, L.P., a Delaware limited partnership (hereinafter called the "Company," which term includes any successors under the Indenture hereinafter referred to), promises to pay interest on the principal amount of this Security at the rate of 6.56% per annum from _____, 1998 until maturity.

The Company will pay interest semi-annually on June 15 and December 15 of each year (each, an "Interest Payment Date"), commencing June 15, 1999. Interest on the Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid on the Securities, from _____, 1998. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

2. Method of Payment.

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date. Holders must surrender Securities to a Paying Agent to collect principal payments. Principal of and interest on the Securities will be payable in United States dollars at the office or agency of the Company maintained for such purpose, in the Borough of Manhattan, The City of New York or at the option of the Company, payment of interest may be made by check mailed to the Holders of the Securities at the addresses set forth upon the registry books of the Company.

3. Paying Agent and Registrar.

Initially, Marine Midland Bank will act as Paying Agent and Registrar. The Company may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Company or any of its Subsidiaries may, subject to certain exceptions, act as Paying Agent, Registrar or co-Registrar.

4. Indenture.

The Company issued the Securities under an Indenture, dated as of _____, 1998 (the "Indenture"), between the Company and the Trustee. Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The Securities are limited in aggregate principal amount to \$_____. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as in effect on the date of the Indenture. The Securities are subject to all such terms, and Holders of Securities are referred to the Indenture and said Act for a statement of them. The Securities are senior, general and unsecured obligations of the Company. Each Holder of this Security, by

accepting the same, (a) agrees to and shall be bound by the provisions of the Indenture and (b) authorizes and directs the Trustee on his behalf to take such action as may be provided in the Indenture.

5. Redemption.

The Securities may be redeemed in whole or from time to time in part at any time at the option of the Company, at a redemption price equal to the sum of the principal amount of the Securities being redeemed plus accrued interest thereon to the Redemption Date (the "Redemption Price").

In the event that any Public Partnership (a) sells or otherwise disposes of any Hotel or (b) refinances (whether at maturity or otherwise) any Indebtedness secured by any Hotel and, in either case, realizes Net Cash Proceeds therefrom, the Company shall be required within 90 days of the receipt of the total of such Net Cash Proceeds to redeem at the Redemption Price an aggregate amount of principal of the particular Series of the Securities which were issued to the Persons who were partners of such Public Partnership prior to the REIT Conversion equal to 80% of such Net Cash Proceeds.

Any such redemption will comply with Article 3 of the Indenture.

6. Notice of Redemption.

Notice of redemption will be sent by first class mail, at least 30 days and not more than 60 days prior to the Redemption Date to the Holder of each Security to be redeemed at such Holder's last address as then shown upon the registry books of the Registrar.

Except as set forth in the Indenture, from and after any Redemption Date, if monies for the redemption of the Securities called for redemption shall have been deposited with the Paying Agent on such Redemption Date, the Securities called for redemption will cease to bear interest and the only right of the Holders of such Securities will be to receive payment of the Redemption Price.

7. Transfer and Exchange.

A Holder may register the transfer of, or exchange Securities in accordance with, the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities (a) selected for redemption except the unredeemed portion of any Security being redeemed in part or (b) for a period beginning 15 Business Days before the mailing of a notice of an offer to repurchase or redemption and ending at the close of business on the day of such mailing.

8. Persons Deemed Owners.

The registered Holder of a Security may be treated as the owner of it for all purposes.

9. Unclaimed Money.

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent(s) will pay the money back to the Company at its request. After that, all liability of the Trustee and such Paying Agent(s) with respect to such money shall cease, and Holders entitled to the money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person.

10. Discharge Prior to Redemption or Maturity.

As set forth in the Indenture, if the Company irrevocably deposits with the Trustee, in trust, for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and interest on such Securities on the stated date for payment thereof or on the Redemption Date of such principal or installment of principal of or interest on such Securities, the Company will be discharged from certain provisions of the Indenture and the Securities (including the covenant described in paragraph 12 below, but excluding its obligation to pay the principal of and interest on the Securities). Upon satisfaction of certain additional conditions set forth in the Indenture, the Company may elect to have its obligations discharged with respect to outstanding Securities.

11. Amendment; Supplement; Waiver.

The Company and the Trustee may amend the Indenture or enter into a supplemental indenture without the consent of the Holders for certain limited purposes including, among other things, to cure any ambiguity, defect or inconsistency, or to make any other change that does not adversely affect the rights of any Holder of a Security. Subject to certain exceptions, the Indenture or the Securities may be amended or supplemented with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities of each Series affected by such amendment or supplement, and any existing Default or Event of Default with respect to a Series or compliance with any provision with respect to a Series may be waived with the consent of the Holders of a majority in aggregate principal amount of the outstanding Securities of such Series.

12. Limitation on Incurrence of Indebtedness.

The Indenture imposes a limitation on the ability of the Company and any of its Subsidiaries to incur additional Indebtedness. The limitation is subject to certain qualifications and exceptions.

13. Successor.

When a successor assumes all the obligations of its predecessor under the Securities and the Indenture, the predecessor will be released from those obligations.

14. Defaults and Remedies.

If an Event of Default with respect to the Securities occurs and is continuing (other than an Event of Default relating to bankruptcy, insolvency or reorganization of the Company), then either the Trustee or the Holders of 25% in aggregate principal amount of the Securities then outstanding may declare all Securities to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of Securities may not enforce the Indenture or the Securities, except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Securities. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Securities may direct the Trustee in its exercise of any trust or power with respect to such Securities. The Trustee may withhold from Holders of Securities notice of any continuing Default or Event of Default (except a Default in payment of principal or interest) if it determines that withholding notice is in their interest.

15. Trustee and Agent Dealings with Company.

The Trustee and each Agent under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, any of its Subsidiaries or any of their respective Affiliates, and may otherwise deal with such Persons as if it were not the Trustee or such Agent.

16. No Recourse Against Others.

No recourse for the payment of the principal of or interest on the Securities or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture, or in the Securities or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, partner, stockholder, officer, director, employee or controlling Person of the Company or of any successor Person thereof, except as an obligor of the Securities pursuant to the Indenture. Each Holder, by accepting the Securities, waives and releases all such liability.

17. Authentication.

This Security shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on the other side of this Security.

18. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Security or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

19. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company will cause CUSIP numbers to be printed on the Securities as a convenience to the Holders of the Securities. No representation is made as to the accuracy of such numbers as printed on the Securities and reliance may be placed only on the other identification numbers printed hereon.

20. Governing Law.

THE INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, INCLUDING, WITHOUT LIMITATION, SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND NEW YORK CIVIL PRACTICE LAWS AND RULES 327(B).

HOST MARRIOTT CORPORATION

The shares of Common Stock represented by this Certificate are subject to restrictions on Beneficial Ownership and Constructive Ownership and Transfer primarily for the purpose of the Corporation's maintenance of its status as a real estate investment trust (a "REIT") under the Internal Revenue Code of 1986, as amended (the "Code"). Except as expressly provided in the Corporation's charter, (i) no Person may Beneficially Own or Constructively Own shares of Common Stock of the Corporation in excess of 9.8 % (in value or number of shares, whichever is more restrictive) of the outstanding Common Stock of the Corporation unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable) or an Excluded Holder (in which case the Excluded Holder Limit shall be applicable); (ii) with respect to any class or series of shares of Capital Stock other than Common Stock, no Person may Beneficially Own or Constructively Own more than 9.8 % (in value or number of shares, whichever is more restrictive) of the outstanding shares of such class or series of such stock of the Corporation (collectively, (i) and (ii) are referred to herein as the "Ownership Limit"), unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable) or an Excluded Holder (in which case the Excluded Holder Limit shall be applicable); (iii) no Person may Beneficially Own or Constructively Own shares of Capital Stock that would result in the Corporation being "closely held" under Section 856(h) of the Code, would cause either the Corporation to be considered to Constructively Own an interest in a tenant that is described in Section 856(d)(2)(B) of the Code for purposes of applying Section 856(c) of the Code or Host Marriott, L.P. (or any successor thereto) to be considered to Constructively Own an interest in a tenant that is described in Section 856(d)(2)(B) of the Code for purposes of applying Section 7704(d) of the Code, or otherwise would cause the Corporation to fail to qualify as a REIT under the Code; and (iv) no Person may Transfer shares of Capital Stock if such Transfer would result in shares of Capital Stock of the Corporation being owned by fewer than 100 Persons. Notwithstanding the foregoing, commencing at 12:01 a.m. (Eastern Standard Time) on the day immediately following the effective date of the merger (the "Merger") of Host Marriott Corporation, a Delaware corporation, with and into the Corporation, no Excluded Holder shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Excluded Holder Limit for such Excluded Holder. An "Excepted Holder" means a stockholder of the Corporation for whom an Excepted Holder Limit is created by the Board of Directors. An "Excluded Holder" means any Person who acquires Constructive Ownership or Beneficial Ownership of shares of Common Stock solely by reason of the Transfer of Common Stock in the Merger and who, immediately following the Merger, either Beneficially Owns or Constructively Owns shares of Common Stock in excess of the Ownership Limit solely by reason of the Transfer of Common Stock in the Merger. The "Excluded Holder Limit" means, with respect to any Excluded Holder, the lesser of (i) shares of Capital Stock representing 9.9% (in value) of the outstanding shares of Capital Stock of the Corporation or (ii) the shares of Capital Stock that such Excluded Holder was considered to Constructively Own immediately following the Merger solely by reason of the Merger (taking into account only such shares of Capital Stock and no other shares as to which such Person may thereafter become, for any reason, the Constructive Owner or the Beneficial Owner), provided, however, that if at any

time the Excluded Holder Limit for any Excluded Holder would be less than the Ownership Limit, such Excluded Holder shall cease to be an Excluded Holder and the Ownership Limit shall thereafter apply to such Person. Any Person who Beneficially Owns or Constructively Owns or attempts to Beneficially Own or Constructively Own shares of Capital Stock which cause or will cause a Person to Beneficially Own or Constructively Own shares of Capital Stock in excess or in violation of the above limitations must immediately notify the Corporation. If any of the restrictions on Transfer are violated, the shares of Capital Stock represented hereby will be automatically transferred to a Charitable Trustee of a Charitable Trust for the benefit (except as otherwise provided in the charter of the Corporation) of one or more Charitable Beneficiaries. In addition, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void ab initio. A Person who attempts to

Beneficially Own or Constructively Own shares of Capital Stock in violation of the Transfer restrictions described above shall have no claim, cause of action or any recourse whatsoever against a transferor of such shares of Capital Stock. All capitalized terms in this legend have the meanings defined in the Corporation's charter, as the same may be amended from time to time, a copy of which, including the restrictions on Transfer, will be furnished to each holder of shares of Capital Stock of the Corporation on request and without charge.

The Corporation has the authority to issue shares of more than one class. The Corporation will furnish to any stockholder upon request in writing and without charge a full statement of (1) the designations and any preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends or distributions, qualifications and terms and conditions of redemption of the shares of each class which the Corporation is authorized to issue and (2) with respect to any preferred or special class of shares that may be issued in series, (i) the differences in the relative rights and preferences between the shares of each series to the extent they have been set and (ii) the authority of the Board of Directors to set the relative rights and preferences of subsequent series of such preferred or special class of stock.

The following abbreviations, when used in the inscription on the face of this certificate, shall be construed as though they were written out in full according to applicable laws of regulations:

TAX OPINION OF
HOGAN & HARTSON L.L.P.
WITH RESPECT TO MERGERS

October 1, 1998

HMC Merger Corporation
Host Marriott, L.P.
10400 Fernwood Road
Bethesda, MD 20817

Ladies and Gentlemen:

We have acted as tax counsel to HMC Merger Corporation, a Maryland corporation ("Host REIT"), Host Marriott Corporation, a Delaware corporation ("Host"), and Host Marriott, L.P., a Delaware limited partnership (the "Operating Partnership"), in connection with the following series of related transactions (which collectively are referred to as the "REIT Conversion"), each of which is described more fully in the Prospectus/Consent Solicitation Statement which is part of the Registration Statement filed with the Securities and Exchange Commission by the Operating Partnership on Form S-4 (File No. 333-55807) and which includes the Supplement for each Partnership (as defined in (i) below) attached thereto (the "Consent Solicitation"):

(i) the contribution of the following assets by Host and its subsidiaries to the Operating Partnership, in exchange for a number of units of limited partnership interest ("OP Units") and units of general partnership interest of the Operating Partnership equal to the number of shares of Host common stock outstanding at the time of the REIT Conversion, preferred partnership interests in the Operating Partnership corresponding to any shares of Host preferred stock outstanding at the time of the REIT Conversion, and the assumption of certain liabilities of Host and its subsidiaries: (a) its wholly owned full-service hotel assets; (b) its interests in Atlanta Marriott Marquis II Limited Partnership, a Delaware limited partnership ("Atlanta Marquis"); Desert Springs Marriott Limited Partnership, a Delaware limited partnership ("Desert Springs"); Hanover Marriott Limited Partnership, a Delaware limited partnership ("Hanover"); Marriott Diversified American Hotels, L.P., a Delaware limited partnership ("MDAH"); Marriott Hotel Properties Limited Partnership, a Delaware limited partnership ("MHP"); Marriott Hotel Properties II Limited Partnership, a Delaware limited partnership ("MHP2"); Mutual Benefit Chicago Marriott Suite Hotel Partners, L.P., a Rhode Island limited partnership ("Chicago Suites"); and Potomac Hotel Limited Partnership, a Delaware limited partnership ("PHLP") (collectively, the "Partnerships"); (c) its interests in partnerships (other than the Partnerships) or limited liability companies that own one or more full-service hotels and are not wholly owned by Host or one of its subsidiaries (the "Private Partnerships" and together with the Partnerships, the "Hotel Partnerships"); and (d) certain other businesses and assets (excluding that portion of its shares of common stock of Crestline Capital Corporation, a Delaware corporation ("Crestline"), and the cash or other consideration that Host or Host REIT will distribute to its existing shareholders and the Blackstone Entities (as defined in (v) below), as described in (vii) below, and certain other de minimis assets);

(ii) the refinancing and amendment of the debt securities and certain credit facilities of Host;

(iii) the proposed mergers of subsidiaries of the Operating Partnership (the "Merger Partnerships") into the Partnerships, in which mergers the Partnerships will be the surviving entities (the "Mergers");

(iv) the acquisition (whether by merger or otherwise) by the Operating Partnership of certain Private Partnerships or interests therein;

(v) the acquisition by the Operating Partnership of ownership of, or controlling interests in, twelve upscale and luxury full-service hotel properties (the "Blackstone Hotels") and certain other related assets (including a mortgage loan secured by an additional hotel) from The Blackstone Group and a series of funds controlled by Blackstone Real Estate Partners (collectively, the "Blackstone Entities") in exchange for the assumption or repayment of debt, OP Units and shares of common stock of Crestline and cash or other consideration (the "Blackstone Acquisition");

(vi) the creation and capitalization of the one or more taxable corporations in which the Operating Partnership will own 95% of the economic interest but no voting stock and which will hold various assets contributed by Host and its subsidiaries to the Operating Partnership (the "Non-Controlled Subsidiaries"), with all of the voting stock, representing 5% of the economic interest, to be owned by the Host Marriott Employee Statutory Trust, the beneficiaries of which will be certain employees of Host REIT and a designated public charity (the "Host Employee Trust"), and possibly other outside investors;

(vii) the merger of Host into Host REIT, and the subsequent distribution by Host or Host REIT of Crestline common stock and cash or other consideration to Host's shareholders;

(viii) the leasing of the hotels in which the Operating Partnership has a direct or indirect interest (the "Hotels") to subsidiaries of Crestline; and

(ix) the related transactions described in the Consent Solicitation and the other steps necessary or desirable to complete the REIT Conversion.

In connection with the REIT Conversion, we have been asked to provide you with the opinions on certain federal income tax matters set forth in this letter. Capitalized terms used in this letter and not otherwise defined herein have the meaning set forth in the Consent Solicitation.

BASES FOR OPINIONS

The opinions set forth in this letter are based on relevant current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), Treasury Regulations thereunder (including proposed and temporary Treasury Regulations), and interpretations of the foregoing as expressed in court decisions, applicable legislative history, and the administrative rulings and practices of the Internal Revenue Service (the "IRS"), including its practices and policies in issuing private letter rulings, which are not binding on the IRS except with respect to a taxpayer that receives such a ruling, all as of the date hereof. These provisions and interpretations are subject to change, which may or may not be retroactive in effect, that might result in material modifications of our opinions. Our opinion does not foreclose the possibility of a contrary determination by the IRS or a court of competent jurisdiction, or of a contrary position taken by the IRS or the Treasury Department in regulations or rulings issued in the future. In this regard, an opinion of counsel with respect to an issue merely represents counsel's best judgment with respect to the probable outcome on the merits with respect to such issue, is not binding on the IRS or the courts, and is not a guarantee that the IRS will not assert a contrary position with respect to such issue or that a court will not sustain such a position asserted by the IRS.

In rendering the following opinions, we have examined such statutes, regulations, records, certificates and other documents as we have considered necessary or appropriate as a basis for such opinions, including the following: (1) the Consent Solicitation; (2) the form of Second Amended and Restated Agreement of Limited Partnership of the Operating Partnership, proposed to be entered into at or about the time of the Mergers; (3) the form of the Amended and Restated Articles of Incorporation of Host REIT and the form of the Bylaws of Host REIT, each of which is expected to be adopted prior to the time of the Mergers; (4) the Articles of Incorporation of Crestline and the Bylaws of Crestline; (5) the partnership agreements (or form thereof), each as amended to the date hereof and as proposed to be amended in connection with the REIT Conversion, of each Partnership, each Merger Partnership and each Private Partnership that will remain in existence after the REIT Conversion; (6) the form of agreement of merger relating to the Mergers (including various exhibits thereto) by and among Host REIT, the Operating Partnership, a Partnership, and its corresponding Merger Partnership, as amended to the date hereof; (7) each contribution agreement (or form thereof) relating to the acquisition by the Operating Partnership of the non-Host interests in the Private Partnerships; (8) the contribution agreement relating to the Blackstone Acquisition, dated as of April 16, 1998, as amended; (9) the proposed form of the lease pursuant to which the Operating Partnership, its subsidiaries and its controlled partnerships will lease virtually all of the Hotels to the Lessees (the "Leases"); and (10) any other necessary documents. In particular,

in rendering the opinions set forth in this letter, we have relied on certain written representations of Host REIT, Host, the Operating Partnership, and the General Partners contained in a letter to us dated on this date, regarding certain aspects of the REIT Conversion (the "Representation Letter").

For purposes of rendering our opinions, we have not made an independent investigation or audit of the facts set forth in any of the above-referenced documents, including the Consent Solicitation and the Representation Letter. In particular, but without limiting the foregoing, we did not prepare the information in (i) the chart setting forth the estimated Book-Tax Difference per Partnership Unit with respect to the Hotels owned by each of the Partnerships, which appears in the Consent Solicitation under the heading "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Sale of Individual Hotels" (or the corresponding information included in the Supplements for the individual Partnerships); (ii) the chart setting forth the estimated "capital accounts" for the Limited Partners in each of the Partnerships (per Partnership Unit) as of the time of the Mergers, which appears in the Consent Solicitation under the heading "Federal Income Tax Consequences--Tax Treatment of Limited Partners Who Hold OP Units Following the Mergers--Refinancing of the Indebtedness Secured by Individual Hotels;" (iii) Appendix E to the Consent Solicitation; or (iv) the numerical information appearing in the Supplements for the individual Partnerships under the caption "Federal Income Tax Consequences--Tax Treatment of [Partnership] Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election," and we did not review or otherwise pass upon the underlying data used in preparing this information.

We consequently have relied upon representations in the Representation Letter that the information presented in such documents or otherwise furnished to us is accurate and complete in all material respects. We are not aware, however, of any material facts or circumstances contrary to, or inconsistent with, the representations we have relied upon as described herein, or other assumptions set forth herein.

In this regard, we have assumed the following: (i) that all of the representations and statements set forth in the documents that we reviewed (including the Representation Letter) are true and correct and will be true and correct at the time of the Mergers, that any representation or statement made as a belief or made "to the knowledge of" or similarly qualified is correct and accurate without such qualification, and that all of the obligations imposed by any such documents on the parties thereto have been and will continue to be performed or satisfied in accordance with their terms; (ii) the genuineness of all signatures, the proper execution of all documents, the authenticity of all documents submitted to us as originals, the conformity to originals of documents submitted to us as copies, the authenticity of the originals from which any copies were made and that any documents as to which we have reviewed only in form will be duly executed at the time of the Mergers without changes from the form reviewed by us; (iii) that each of the Operating Partnership, the Hotel Partnerships, the Merger Partnerships and the other direct or indirect subsidiaries of the Operating Partnership have been and will continue to be operated in the manner described in the relevant partnership agreement, limited liability company operating agreement, articles of incorporation, or other organizational documents and in the Consent Solicitation; and (iv) that each of the Operating Partnership, the Hotel Partnerships, the Merger Partnerships and the other direct or indirect subsidiaries of the Operating Partnership is duly organized and validly existing under the laws of the state in which it was created. Any variation or difference in the facts from those set forth in the documents that we have reviewed and upon which we have relied (including in particular, the Consent Solicitation and the Representation Letter) may affect the conclusions stated herein.

OPINIONS

Based upon, subject to, and limited by the assumptions and qualifications set forth herein, we are of the opinion that:

1. The proposed method of operation of the Operating Partnership is such that it and each of the Partnerships will be treated as a partnership for federal income tax purposes and will not be subject to tax as a corporation or an association taxable as a corporation.

2. Except for any gain attributable to the sale of personal property to a Non-Controlled Subsidiary in connection with the REIT Conversion, the Mergers will not result in the recognition of taxable gain or loss at the time of the Mergers to a Limited Partner (i) who does not receive a Note upon the exercise of his right to make the Note Election or Common Shares upon the exercise of his right to make the Common Share Election; (ii) who does not exercise his Unit Redemption Right on a date sooner than the date two years after the date of the consummation of the Mergers; (iii) who does not receive a cash distribution (or a deemed cash distribution resulting from relief from liabilities, including as a result of the prepayment of certain indebtedness) in connection with the Mergers in excess of such Limited Partner's adjusted basis in his Partnership Interest at the time of the Mergers; (iv) who is not required to recognize gain by reason of the exercise by another Limited Partner in the same Partnership of his right to make the Note Election or the Common Share Election; and (v) whose "at risk" amount does not fall below zero as a result of the Mergers.

3. The Unit Redemption Right will not be considered "other consideration" such that its receipt in the Mergers would result in a Limited Partner being treated under the "disguised sale" rules (as set forth in Section 707 of the Code and the Treasury Regulations thereunder) as having sold all or a portion of his Partnership Interest to the Operating Partnership in the Mergers.

4. A Limited Partner's exercise of his Unit Redemption Right more than two years after the date of consummation of the Mergers will not cause the Mergers to constitute a taxable transaction for the Limited Partner (or for the other Limited Partners in the same Partnership).

5. It is more likely than not that a Limited Partner's exercise of his Unit Redemption Right more than one year after the date of consummation of the Mergers but less than two years after such date will not cause the Mergers to constitute a taxable transaction for the Limited Partner (or for the other Limited Partners in the same Partnership).

6. Although the matter is not free from doubt, a Limited Partner who does not exercise his right to make the Note Election or the Common Share Election in connection with the Mergers but retains his OP Units should not be required to recognize gain by reason of the exercise of either such right by another Limited Partner in the same Partnership. In any event, such Limited Partner would not recognize gain in excess of the amount of such Limited Partner's allocable share of such gain (determined pursuant to his Partnership's partnership agreement).

7. A Limited Partner's relief from Partnership liabilities allocable to such Limited Partner in connection with the Mergers and the REIT Conversion and/or any subsequent repayment of certain indebtedness encumbering the Hotels will not cause such Limited Partner to recognize taxable gain at the time of the Mergers unless (and only to the extent that) the amount thereof exceeds such Limited Partner's adjusted basis in his Partnership Interest at the time of the Mergers.

8. Based upon factual representations made by Host, Host REIT and the Operating Partnership relating to the facts and circumstances surrounding each such liability, all direct or indirect liabilities of the Partnerships fall into one of the four categories of "qualified liabilities" described in Treasury Regulations Section 1.707-5(a)(6).

9. The discussion in each of the Consent Solicitation and the Supplements under the heading "Federal Income Tax Consequences," to the extent such discussion contains descriptions of applicable federal income tax law, is correct in all material respects.

In connection with our opinion regarding the tax status of the Operating Partnership, we note that if a partnership is a "publicly traded partnership" within the meaning of Section 7704 of the Code and the Treasury Regulations thereunder, it may not be treated as a partnership for federal income tax purposes. Based upon, subject to, and limited by the assumptions and qualifications set forth herein, we are of the opinion that, as of the Effective Date, the Operating Partnership will not be a "publicly traded partnership." There is a significant risk, however, that after the Unit Redemption Right becomes exercisable, the Operating Partnership will be a "publicly traded partnership." Nevertheless, a partnership that is a "publicly traded partnership" will be treated as a partnership for federal income tax purposes if at least ninety percent (90%) of its income consists of

"qualifying income," as defined in Section 7704(d) of the Code. In this regard, we expect to provide Host REIT and the Operating Partnership with an opinion letter prior to the Effective Date, which will be based, in part, on our opinion that even if the Operating Partnership were a "publicly traded partnership" within the meaning of Section 7704 of the Code and the Treasury Regulations thereunder, it should qualify as a partnership for federal income tax purposes because it will have sufficient "qualifying income," as defined in Section 7704(d) of the Code. That opinion, however, will be based upon and limited by a number of representations as to key factual matters by Host REIT and the Operating Partnership.

We note that in connection with the REIT Conversion, Atlanta Marquis, Hanover, MHP and PHLP will be required to sell a portion of the personal property associated with the Hotels owned by such Partnerships to a Non-Controlled Subsidiary. This opinion letter does not address the tax consequences to such Partnerships or the Limited Partners of such Partnerships of these transactions.

In addition, a Limited Partner may, in connection with the Mergers, exercise his right to make the Note Election and receive a Note, or his right to make the Common Share Election and receive Common Shares, in exchange for OP Units received in the Mergers. A Limited Partner who makes either the Common Share Election or the Note Election will recognize gain for tax purposes to the extent the amount realized by the Limited Partner (including the Limited Partner's share of any Operating Partnership liabilities) exceeds his adjusted tax basis in his OP Units. This opinion letter does not otherwise address the specific tax consequences to the Limited Partners who make this election. Furthermore, as discussed in the Consent Solicitation under the heading "Federal Income Tax Consequences--Tax Consequences of the Mergers--Effect of Subsequent Events," a variety of future events and transactions could cause some or all of the Limited Partners who retain OP Units to recognize part or all of the taxable gain that otherwise has been deferred through the Mergers. This opinion letter does not address the tax consequences to the Limited Partners of such future events and transactions, and the Limited Partners will have limited control, if any control, over whether these events and transactions occur.

* * * * *

For a discussion relating the law to the facts, and the legal analysis underlying the opinions set forth in this letter, we incorporate by reference the discussions of federal income tax issues in the Consent Solicitation and each of the Supplements under the heading "Federal Income Tax Consequences."

We assume no obligation to advise you of any changes in our opinion subsequent to the delivery of this opinion letter.

This opinion letter addresses only the specific federal income tax matters set forth above and does not address any other federal, state, local or foreign tax consequences that may result from the REIT Conversion or any other transaction undertaken in connection therewith. Without limitation to the foregoing, this opinion letter expressly does not, and should not be construed to, address the tax consequences of the REIT Conversion for the General Partners, Host, Host REIT, or the owners of interests in any of these entities.

This opinion letter has been prepared solely for your use in connection with the Consent Solicitation and the REIT Conversion and should not be quoted in whole or in part or otherwise be referred to, nor filed with or furnished to any governmental agency or other person or entity, without the prior written consent of this firm. We do, however, consent to the references to this opinion letter and to Hogan & Hartson L.L.P. under the captions, "Legal Matters" and "Federal Income Tax Consequences," in the Consent Solicitation (and under the caption, "Federal Income Tax Consequences," in each of the Supplements) and to the inclusion of this opinion letter as an exhibit to the Consent Solicitation. In giving this consent, we do not thereby admit that we are an "expert" within the meaning of the Securities Act of 1933.

Very truly yours,

Hogan & Hartson L.L.P.

LEASE AGREEMENT

THIS LEASE AGREEMENT (this "Lease") is entered into this ____ day of _____, 1998, but effective for all purposes as of the Commencement Date, by and between _____, a _____, having its principal office at _____ ("Landlord"), and _____, a _____, having its principal office at _____ ("Tenant").

WITNESSETH:

WHEREAS, Landlord owns [fee simple/leasehold] title to the Leased Property (this and other capitalized terms used and not otherwise defined herein having the meanings ascribed to such terms in Article 1);

WHEREAS, Landlord wishes to lease the Leased Property to Tenant and Tenant wishes to lease the Leased Property from Landlord, all subject to and upon the terms and conditions herein set forth; and

WHEREAS, as a condition to entering into this Lease, Landlord and Tenant have entered into that "Consent and Assignment" (as that term is defined hereafter), and have agreed that Tenant shall assume certain obligations of Landlord under the "Assigned Agreements" (as that term is defined hereafter); and

NOW, THEREFORE, in consideration of the mutual covenants herein contained and other good and valuable consideration, the mutual receipt and legal sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

ARTICLE 1
DEFINITIONS

For all purposes of this Lease, except as otherwise expressly provided or unless the context otherwise requires, (i) the terms defined in this Article shall have the meanings assigned to them in this Article and include the plural as well as the singular, (ii) all accounting terms not otherwise defined herein shall have the meanings assigned to them in accordance with GAAP, (iii) all references in this Lease to designated "Articles," "Sections" and other subdivisions are to the designated Articles, Sections and other subdivisions of this Lease, and (iv) the words "herein," "hereof," "hereunder" and other words of similar import refer to this Lease as a whole and not to any particular Article, Section or other subdivision.

1.1 "AAA" shall have the meaning given such term in Section 15.1.

1.2. "Accounting Period" shall mean (i) for so long as the Management Agreement is in effect each of the four (4) week accounting periods that are used in Manager's accounting system, except that an Accounting Period may occasionally contain five (5) weeks when necessary to conform Manager's accounting system to the calendar and (ii) during any period when the Management Agreement is not in effect, each calendar month during the Term.

1.3. "Accounting Period Statement" shall have the meaning given such term in Section 17.2(d).

1.4. "Additional Charges" shall have the meaning given such term in Section 3.1.5.

1.5. "Adverse Party" shall mean any Person (i) who is engaged in the Hotel Business or is an Affiliate (other than an Affiliate who is a lessee under a lease of a hotel from a real estate investment trust or other passive owner which is operated on behalf of such Affiliate by an unaffiliated third party manager) of any Person engaged in the Hotel Business, (ii) who is, or is an Affiliate of, a Person who has been convicted of, or has pleaded nolo contendere to, a felony, (iii) who does not have a Tangible Net Worth of at least (a) two and one-half (2.5) times the amount of Guarantor's then maximum liability under the Guarantee or (b) \$50,000,000, whichever is greater, (iv) whose ownership of a direct or indirect interest in Tenant would violate the Management Agreement or (v) who, prior to the effective time of a Change in Control, fails to enter into a written agreement reasonably satisfactory in form and substance to Host REIT (1) to the effect that neither (A) such Person nor (B) any Person who would be considered to constructively own either any interest in such Person or any interest in Tenant owned directly or indirectly by such Person (as determined under Section 318(a) of the Code, as modified by Section 856(d) of the Code) (referred to as "Constructive Ownership") would own (or have Constructive Ownership of) any interest in Host REIT or Host O.P. that would cause either Host REIT or Host O.P. to be considered to Constructively Own any interest in either Tenant or any other tenant of either Host REIT or Host O.P. that is described in Section 856(d)(2)(B) of the Code for purposes of applying either Section 856(c) of the Code or Section 7704(d) of the Code, or any similar or successor provisions thereto and (2) with respect to such other matters reasonably required to protect the status of Host REIT as a "real estate investment trust" for federal income tax purposes.

1.6. "Affiliate" shall mean any individual or entity directly or indirectly through one or more intermediaries controlling, controlled by or under common control with a party. The term "control," as used in the immediately preceding sentence, means, with respect to a corporation, the right to exercise, directly or indirectly, fifty percent (50%) or more of the voting rights of any class of the shares of the controlled corporation, and, with respect to an entity that is not a corporation, the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of the controlled entity. Notwithstanding the foregoing, Manager shall not be deemed an Affiliate of either Landlord or Tenant.

1.7. "Alterations" shall have the meaning given such term in Section 6.4.

1.8. "Annual Adjustment" shall mean (a) with respect to Minimum Rent, the product of (i) the amount of the Minimum Rent then in effect and (ii) _____ percent (____%) of any Percentage Increase in CPI; (b) with respect to each of the Annual Room Revenues First Break Point, the Annual Room Revenues Second Break Point, the Annual Food and Beverages Sales First Break Point, the Annual Food and Beverages Sales Second Break Point, and the Annual Other Income Break Point, the product of (i) the amount of each such break point then in effect and (ii) the weighted average resulting from the sum of _____ percent (____%) of any Percentage Increase in CPI plus _____ percent (____%) of any

Percentage Increase in the Labor Index; and (c) with respect to the Annual Food and Beverage Sales Second Break Point and the Annual Room Revenues Second Break Point, the product of (i) the amount of each such break point then in effect and (ii) _____% of the figure calculated in subsection (b) (ii) above.

1.9. "Annual Budget" shall have the meaning given such term in Section 17.3.

1.10. "Annual Food and Beverages Sales First Break Point" shall have the meaning given such term in Section 3.1.2(b) (3).

1.11. "Annual Food and Beverages Sales Second Break Point" shall have the meaning given such term in Section 3.1.2(b) (3).

1.12. "Annual Operating Statement" shall have the meaning given such term in Section 17.2(c).

1.13. "Annual Other Income Break Point" shall have the meaning given such term in Section 3.1.2(b) (3).

1.14. "Annual Room Revenues First Break Point" shall have the meaning given such term in Section 3.1.2(b) (3).

1.15. "Annual Room Revenues Second Break Point" shall have the meaning given such term in Section 3.1.2(b) (3).

1.16. "Applicable Expected Life" shall have the meaning given such term in paragraph (e) (i) of Schedule 22.2.

1.17. "Asset Management Agreement" shall mean that certain agreement dated _____, between [CCC] and [Host O.P.] relating to the provision of asset management services by [CCC or a wholly owned Subsidiary thereof] with respect to the Facility and the hotel facilities covered by the Other Leases, as amended or restated from time to time.

1.18. "Assigned Agreements" shall have the meaning given such term in Section 2.2(a).

1.19. "Award" shall mean all compensation, sums or other value awarded, paid or received by virtue of a total or partial Condemnation of the Leased Property (after deduction of all reasonable legal fees and other reasonable costs and expenses, including, without limitation, expert witness fees, incurred by Landlord, in connection with obtaining any such award).

1.20. "Bankruptcy Code" shall have the meaning given such term in Section 16.1.

1.21. "Budget Spread" shall have the meaning given such term in Section 17.3.

1.22. "Business Day" shall mean any day other than Saturday, Sunday, or any other day on which banking institutions in the State are authorized by law or executive action to close.

1.23. "Capital Budget" shall have the meaning given such term in Section 17.3.

1.24. "Capital Expenditure" shall mean any expenditure for repairs, alterations, improvements, renewals or replacements to the structure or exterior facade of the Facility, or to the mechanical, electrical, heating, ventilating, air conditioning, plumbing, or vertical transportation elements of the Facility (together with all other repair and maintenance expenditures which are classified as capital expenditures under GAAP), or, during any period when the Management Agreement is in effect, to the extent in conflict with the foregoing, "Capital Expenditure" as defined in the Management Agreement. To the extent applicable as used herein, Capital Expenditure shall also refer to the actual repair, alteration, improvement, renewal or replacement to which the Capital Expenditure relates.

1.25. "Capital Portion" shall have the meaning given such term in Section 17.3.

1.26. "Capitalized Interest" shall mean interest that is capitalized and is not counted as interest expense in accordance with GAAP.

1.27. "Capitalized Lease Obligations" of any Person shall mean all rental obligations which, under GAAP, are or will be required to be capitalized on the books of such Person, in each case taken at the amount thereof accounted for as indebtedness in accordance with such principles.

1.28. "Case Goods" shall mean furniture and furnishings used in the Facility, including, without limitation, chairs, beds, chests, headboards, desks, lamps, tables, television sets, mirrors, pictures, wall decorations and similar items.

1.29. "Casualty" shall have the meaning given such term in Section 10.1.

1.30. "CCC" shall mean Crestline Capital Corporation, a Delaware corporation.

1.31. "CCC Consolidated Financial Statements" shall mean for any Fiscal Year or quarter thereof, consolidated statements of operations, retained earnings and cash flow for such period and for the period from the beginning of the respective Fiscal Year to the end of such period and the related balance sheet as at the end of such period, together with the notes to any such statement, all in such detail as may be required by the SEC with respect to filings relating to periods within the Term made by Landlord, Host REIT or Host O.P., and, after the first full Fiscal Year of Tenant, setting forth in comparative form the corresponding figures for the corresponding period in the preceding Fiscal Year, and prepared in accordance with GAAP and (in the case of annual financial statements) audited by a "Big Five" firm of independent certified public accountants or such other firm of independent certified public accountants as may be reasonably approved by Landlord. CCC Consolidated Financial Statements shall be prepared on the basis of the Fiscal Year or quarter thereof, as applicable. Except as otherwise provided herein, the cost for one (1) consolidated audit per Fiscal Year and one (1) quarterly unaudited statement for each of the first three fiscal quarters in the Fiscal Year as may be required by the SEC for regular

reporting requirements of Landlord, Host REIT or Host O.P. under the Securities and Exchange Act of 1934 shall be borne by Tenant. Except as otherwise provided herein, the cost of any other audits or financial statements requested by Landlord shall be borne by Landlord. CCC Consolidated Financial Statements shall be accepted by Landlord if prepared on a combined basis along with all of the other hotels leased from Landlord or any of its Affiliates by Tenant, OpCo, CCC, or a wholly owned Subsidiary of Tenant, OpCo or CCC.

1.32. "Change in Control" shall mean the (i) acquisition (after a registered offering of shares or otherwise) by any Person, or two or more Persons acting in concert, in a single or series of transactions (whether or not related), of:

(a) with respect to Tenant or OpCo, beneficial ownership (within the meaning of Rule 13d-3 of the SEC) of, or rights, options or warrants to acquire (whether absolute or conditional), all or any portion of the outstanding voting or economic interests in Tenant or OpCo (other than voting rights held by an Independent Member of Tenant as set forth in the Limited Liability Company Operating Agreement of Tenant as in effect on the date hereof); or

(b) with respect to CCC, beneficial ownership of, or rights, options or warrants to acquire, thirty-five percent (35%) or more of the outstanding shares of voting stock of CCC;

or (ii) the merger or consolidation of Tenant, OpCo or CCC with or into any other Person (other than any one or more Qualified Affiliates), or (iii) any one or a series of related sales or conveyances to any Person (other than any one or more Qualified Affiliates) of all or substantially all of the assets of Tenant, OpCo or CCC, or (iv) a change in the majority of the Board of Directors, or similar managing body in any twelve (12) month period; provided, however, that the acquisition by any one or more Qualified Affiliates of beneficial ownership of, or rights, options or warrants to acquire, all or any portion of Tenant or OpCo shall not be a "Change in Control" hereunder.

1.33. "Claims" shall have the meaning given such term in Article 8.

1.34. "Code" shall mean the Internal Revenue Code of 1986 and, to the extent applicable, the Treasury Regulations promulgated thereunder, each as from time to time amended.

1.35. "Commencement Date" shall mean January 1, 1999.

1.36. "Comparable Lease" shall have the meaning given such term in Section 24.1(b).

1.37. "Condemnation" shall mean, with respect to the Leased Property, (a) the exercise of any governmental power with respect to all or part of the Leased Property, whether by legal proceedings or otherwise, by a Condemnor of its power of condemnation, (b) a voluntary sale or transfer of all or part of the Leased Property by Landlord to any Condemnor, either under threat of condemnation or while legal proceedings for condemnation are pending, or (c) a taking or voluntary conveyance of all or part of the

Leased Property, or any interest therein, or right accruing thereto or use thereof, as the result or in settlement of any Condemnation or other eminent domain proceeding affecting the Leased Property, whether or not the same shall have actually been commenced.

1.38. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

1.39. "Consent and Assignment" shall have the meaning given such term in Section 21.3.1.

1.40. "Consolidated Coverage Ratio" of any Person shall mean, for any period, the ratio of (x) Consolidated EBITDA of such Person for such period to (y) the sum of (i) Consolidated Interest Expense of such Person for such period, and (ii) the amount of all scheduled principal amortization payments (other than balloon payments at maturity of such Indebtedness) on all Indebtedness of such Person and its Subsidiaries made during such period.

1.41. "Consolidated EBITDA" of any Person shall mean, for any period, the Consolidated Net Income of such Person for such period adjusted (A) to add thereto (to the extent deducted in determining Consolidated Net Income for such period), without duplication, the sum of the amounts for such period of (i) Consolidated Interest Expense, (ii) provisions for taxes based on income, (iii) depreciation and amortization expense (provided that the depreciation and amortization expense of a non-wholly owned Subsidiary shall be included only to the extent of the equity interest of such Person in such non-wholly owned Subsidiary), (iv) any other noncash items reducing Consolidated Net Income of such Person for such period (except to the extent that such noncash items relate to the write-off or write-down of any item included in Consolidated Net Income in a prior period) and (v) any cash receipts of such Person or a Subsidiary thereof during such period that represent items included in Consolidated Net Income of such Person for a prior period which were excluded from Consolidated EBITDA in such prior period by virtue of clause (B) of this definition, and (B) to subtract therefrom, without duplication, the sum of the amounts for such period of (i) all noncash items increasing Consolidated Net Income of such Person for such period and (ii) any cash expenditures of such Person and its Subsidiaries during such period to the extent that such cash expenditures (x) did not reduce Consolidated Net Income of such Person for such period and (y) were applied against reserves or accruals that constituted noncash items reducing Consolidated Net Income of such Person when reserved or accrued for in a prior period; provided, that Consolidated EBITDA shall be determined without giving effect to any extraordinary gains or losses (including any taxes attributable to any such extraordinary gains or losses) or gains or losses from sales of assets other than from sales of inventory in the ordinary course of business.

1.42. "Consolidated Interest Expense" of any Person shall mean, for any period, the total consolidated cash interest expense of such Person and its Subsidiaries for such period (calculated without regard to any limitations on the payment thereof) plus, without duplication, that portion of the Capitalized Lease Obligations of such Person and its Subsidiaries representing the interest factor for such period, but excluding (i) any Capitalized Lease Obligations that relate to leases of FF&E, (ii) the interest factor (if any) in such period under [the Initial FF&E Lease,] any Excess FF&E Leases or this Lease with

respect to the FF&E subject to this Lease, and (iii) the Working Capital Note. Notwithstanding anything to the contrary contained in the requirements of GAAP, the amount of Capitalized Interest incurred during any period shall be added as a component of Consolidated Interest Expense.

1.43. "Consolidated Net Income" of any Person shall mean, for any period, the net income (or loss) of such Person and its Subsidiaries for such period, determined on a consolidated basis; provided that (i) net income (or loss) of (x) any other Person that is accounted for by such specified Person by the equity method of accounting or (y) any Subsidiary of such Person that is restricted from declaring or paying dividends or other distributions, directly or indirectly, by operation of the terms of its charter, any applicable agreement, instrument, judgment, decree, order, statute, rule or governmental regulation or otherwise shall (in each case) be included only to the extent of the amount of cash dividends or distributions paid to the specified Person or a wholly owned Subsidiary of such Person, (ii) the net income (or loss) of any other Person acquired by such specified Person or a Subsidiary of such Person in a pooling of interests transaction for any period prior to the date of such acquisition shall be excluded, (iii) to the extent Consolidated Net Income reflects amounts attributable to minority interests in Subsidiaries that are not wholly owned Subsidiaries of such Person, Consolidated Net Income shall be reduced by the amounts attributable to such minority interests and (iv) any income, rental credit or expense associated with leases of Excess FF&E by Tenant or any Other Tenant shall not be taken into account in determining Consolidated Net Income.

1.44. "Constructive Ownership" shall have the meaning given such term in Section 1.5.

1.45. "Consumer Price Index" shall mean the "Consumer Price Index" published by the Bureau of Labor Statistics of the United States Department of Labor, [insert Regional Average], All Items for Urban Wage Earners and Clerical Workers (1982-1984 = 100).

1.46. "Continuing Obligations" shall have the meaning given such term in Section 21.3.1.

1.47 "Contractor" shall have the meaning given such term in Section 9.10.

1.48. "Contractor's Insurance Certificate" shall have the meaning given such term in Section 9.10.

1.49. "Contractor's Liability Coverage" shall have the meaning given such term in Section 9.10.

1.50. "Cumulative Portion" shall have the meaning given such term in Section 3.1.2(b)(1).

1.51. "Default" shall mean any event, act or condition that with the giving of notice or lapse of time, or both, would constitute an Event of Default.

1.52. "Emergency Situations" shall mean fire, any other Casualty, or any other events, circumstances or conditions that threaten the safety or physical well-being of the Facility's guests or employees or that involve the risk of material property damage or loss.

1.53. "Entity" shall mean any corporation, general or limited partnership, limited liability company or partnership, stock company or association, joint venture, association, company, trust, bank, trust company, land trust, business trust, cooperative, any government or agency or political subdivision thereof or any other entity.

1.54. "Environment" shall mean soil, surface water, groundwater, land, stream, sediment, surface or subsurface strata, ambient air, physical structures and equipment, and where radon gas is present, the interior air of buildings.

1.55. "Environmental Laws" shall mean any federal, state or local law, rule or regulation (both present and future) dealing with the use, generation, treatment, storage, disposal, or abatement of Hazardous Materials, including, but not limited to, (i) the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601 et seq., as amended and (ii) the regulations promulgated thereunder, from time to time.

1.56. "Environmental Liabilities" shall have the meaning given such term in Section 4.3.2.

1.57. "Environmental Notice" shall have the meaning given such term in Section 4.3.1.

1.58. "Environmental Obligation" shall have the meaning given such term in Section 4.3.1.

1.59. "Event of Default" shall have the meaning given such term in Section 12.1.

1.60. "Excess FF&E" shall have the meaning given such term in paragraph (B) of Schedule 22.2.

1.61. "Excess FF&E Cost" shall have the meaning given such term in paragraph (e) of Schedule 22.2.

1.62. "Excess FF&E Lease" shall have the meaning given such term in paragraph (b) of Schedule 22.2.

1.63. "Excess FF&E Leasehold Interest" shall have the meaning given such term in paragraph (h) of Schedule 22.2.

1.64. "Excess FF&E Leasehold Interest Transfer" shall have the meaning given such term in paragraph (h) of Schedule 22.2.

1.65. "Excess FF&E Leasehold Interest Transfer Price" shall have the meaning given such term in paragraph (h) of Schedule 22.2.

1.66. "Excess FF&E Notice" shall have the meaning given such term in paragraph (b) of Schedule 22.2.

1.67. "Excess FF&E Reimbursement Amount" shall have the meaning given such term in paragraph (i) of Schedule 22.2.

1.68. "Excess FF&E Repurchase" shall have the meaning given such term in paragraph (b) of Schedule 22.2.

1.69. "Excess FF&E Repurchase Price" shall have the meaning given such term in paragraph (g) of Schedule 22.2.

1.70. "Excess FF&E Value" shall have the meaning given such term in paragraph (e) of Schedule 22.2.

1.71. "Existing Condition" shall mean any physical condition existing at the Leased Property as of the Commencement Date.

1.72. "Facility" shall have the meaning given such term in Section 2.1(b).

1.73. "Facility Mortgage" shall mean, with respect to the Leased Property, any Lien placed by Landlord upon the Leased Property in accordance with Article 20.

1.74. "Facility Mortgagee" shall mean the holder of a Facility Mortgage.

1.75. "Facility Mortgagee Agreement" shall have the meaning given such term in Section 23.15.

1.76. "Facility Trade Name" shall mean, with respect to the Facility, any name under which Tenant has conducted the business of operating the Facility at any time during the Term.

1.77. "Fair Market Rental" shall mean, with respect to the Leased Property, the rental which a willing tenant not compelled to rent would pay a willing landlord not compelled to lease for the use and occupancy of the Leased Property on the terms and conditions of this Lease for the term in question, assuming Tenant is not in default hereunder and determined by agreement between Landlord and Tenant or, failing agreement, in accordance with the appraisal procedures set forth in Article 19.

1.78. "Fair Market Value" shall mean, with respect to the Leased Property, the price that a willing buyer not compelled to buy would pay a willing seller not compelled to sell for the Leased Property (without taking into account any reduction in value resulting from any indebtedness to which the Leased Property is subject), assuming the same is unencumbered by this Lease and determined by agreement between Landlord and Tenant or, failing agreement, in accordance with the appraisal procedures set forth in Article 19.

1.79. "FF&E" shall mean furniture, furnishings, fixtures, Soft Goods, Case Goods, signage and equipment at the Facility (including, without limitation, facsimile machines, communication systems, audio visual equipment, and all computer and other equipment

needed for the reservation system and the property management system, and all other electronic systems needed for the Facility, from time to time, as well as similar systems based on other technologies which may be developed in the future), or, during any period when the Management Agreement is in effect, to the extent in conflict with the foregoing, "FF&E" as defined in the Management Agreement; provided, however, that FF&E shall not include Tenant's Personal Property.

1.80. "FF&E Adjustment" shall have the meaning given such term in paragraph (i) of Schedule 22.2.

1.81. "FF&E Estimate" shall have the meaning given such term in Section 17.3.

1.82. "FF&E Limitation" shall have the meaning given such term in paragraph (e) of Schedule 22.2.

1.83. "FF&E Reserve" shall have the meaning given such term in Section 4.4.

1.84. "Financial Officer's Certificate" shall mean, as to any Person, a certificate of the chief financial officer, controller, chief accounting officer or treasurer of such Person (or, in the case of any financial statements other than the CCC Consolidated Financial Statements, the designee of any such officer, duly authorized (including by providing Notice of such designee to the other party)), accompanying the financial statements required to be delivered by such Person pursuant to Section 17.2, in which such officer shall certify (a) that such statements have been properly prepared in accordance with GAAP and fairly present, in all material respects, the financial condition of such Person as of the dates thereof, and the results of its operations for the periods covered thereby (except that, in the case of financial statements delivered pursuant to Sections 17.2(a) and 17.2(c), the certificate shall state the extent to which such financial statements are not in accordance with GAAP), (b) that such officer has no knowledge of any monetary Default or Event of Default hereunder, and (c) the then-current Minimum Net Worth, Consolidated Coverage Ratio, and the maximum amount of liability of the Guarantors under the Guarantee.

1.85. "First Class Operating Standards" shall mean both the operational standards (for example, staffing, amenities offered to guests, advertising, etc.) and the physical standards (for example, the quality, condition, utility and age of the personal property, etc.) of comparable full-service hotels in the hotel system of which the Facility is a part (e.g. the Marriott Hotel System or the Ritz-Carlton hotel system), as such operational and physical standards may change from time to time (provided, however, that First Class Operating Standards shall in no event be lower than the operational and physical standards, as of the date in question, of comparable "quality segment" (as such term was being used as of the effective date of the Management Agreement) full-service hotels in other full-service hotel systems), or, during any period when the Management Agreement is in effect, to the extent in conflict with the foregoing, the operating standards required pursuant to the Management Agreement.

1.86. "First Tier Food and Beverages Sales Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.87. "First Tier Other Income Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.88. "First Tier Room Revenue Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.89. "First Year FF&E Adjustment" shall have the meaning given such term in paragraph (e) (i) of Schedule 22.2.

1.90. "Fiscal Year" shall mean the fiscal year used by Manager, which now ends at midnight on the Friday closest to December 31 in each calendar year and begins on the Saturday immediately following said Friday. If the fiscal year used by Manager is changed in the future by Manager or if the Management Agreement is no longer in effect, appropriate adjustment to this Lease's reporting and accounting procedures shall be made; provided, however, that no such change or adjustment shall alter the Term of this Lease, or in any way reduce the amount of Rent or other payments due to or by Landlord hereunder, or otherwise adversely affect Landlord's or Tenant's rights or obligations under this Lease.

1.91. "Fixed Asset Supplies" shall have the meaning given such term under the Uniform System.

1.92. "Fixtures" shall have the meaning given such term in Section 2.1(d).

1.93. "Food and Beverages Sales" shall mean (a) gross revenue from the sale of food and beverages that are prepared at the Facility and sold or delivered on or off the Facility by or on behalf of Tenant (including, without limitation, revenues from mini-bars), whether for cash or for credit, including in respect of guest rooms, banquet rooms, meeting rooms and other similar rooms and (b) gross revenue from the rental of banquet, meeting and other similar rooms. Food and Beverages Sales shall be determined in a manner consistent with the Uniform System. Food and Beverages Sales shall not include the following:

(i) sales by Tenant's subtenants, licensees and concessionaires, the rent, license fees or concession payments from which are included in Gross Revenues, and any rent, license fees, concession payments or other amounts paid to Tenant by any such subtenants, licensees and concessionaires;

(ii) vending machine sales;

(iii) any gratuities or service charges added to a customer's bill or statement in lieu of a gratuity that is paid directly to Facility employees, to the extent actually paid to such employees;

(iv) credits, rebates or refunds; or

(v) sales taxes or taxes of any other kind imposed on the sale of food or beverages.

1.94. "GAAP" shall mean generally accepted accounting principles consistently applied.

1.95. "Government Agencies" shall mean any court, agency, authority, board (including, without limitation, environmental protection, planning and zoning), bureau, commission, department, office or instrumentality of any nature whatsoever of any governmental unit of the United States, the State, any county, or any political subdivision of any of the foregoing, whether now or hereafter in existence, having jurisdiction over Tenant or the Leased Property or any portion thereof.

1.96. "Gross Revenues" shall mean Room Revenues, Food and Beverages Sales, and Other Income, and all revenues and receipts of every kind derived from operating the Facility and parts thereof, including, but not limited to:

(i) revenues and receipts from both cash and credit transactions, before commissions and discounts for prompt or cash payments, from rental of stores, offices, meeting, exhibit or sales space of every kind;

(ii) license, lease and concession fees and rentals (not including gross receipts of the licensees, lessees and concessionaires under licenses, leases and concessionaire agreements);

(iii) revenues and receipts from vending machines;

(iv) health club membership fees;

(v) sales of merchandise (other than proceeds from the sale of FF&E no longer necessary to the operation of the Facility);

(vi) service charges, to the extent not paid to the employees at the Facility as, or in lieu of, gratuities; and

(vii) proceeds, if any, from business interruption or other loss of income insurance;

provided, however, that Gross Revenues shall not include the following:

(i) banquet service charges to the extent actually paid to employees;

(ii) gratuities to Facility employees to the extent actually paid to employees;

(iii) federal, state or municipal excise, sales, use or similar taxes collected directly from patrons or guests or included as part of the sales price of any goods or services;

(iv) insurance proceeds (other than proceeds from business interruption or other loss of income insurance);

(v) condemnation proceeds (other than for a temporary taking);

(vi) any proceeds from any sale of the Facility or from the refinancing of any debt encumbering the Facility;

(vii) proceeds from the disposition of FF&E no longer necessary for the operation of the Facility; or

(viii) interest which accrues on amounts deposited in either the FF&E Reserve or any escrow accounts that are established in accordance with Section 13.01C of the Management Agreement.

1.97. "Guarantee" shall have the meaning given such term in Section 21.3.4.

1.98. "Guarantor" shall have the meaning given such term in Section 21.3.4.

1.99. "Hazardous Materials" shall mean any substance or material containing one or more of any of the following: "hazardous material," "hazardous waste," "regulated substance," "petroleum," "pollutant," "contaminant," or "asbestos," as such terms are defined in any applicable Environmental Law, in such concentration(s) or amount(s) as may impose cleanup, removal, monitoring or other responsibility under any applicable Environmental Law, or which may present a significant risk of harm to guests, invitees or employees of the Facility.

1.100. "Host O.P." shall mean Host Marriott, L.P., a Delaware limited partnership and the operating partnership of Host REIT.

1.101. "Host REIT" shall mean either Host Marriott Corporation, a Delaware corporation, or Host Marriott Corporation, a Maryland corporation, which is intended to be the successor by merger to Host Marriott Corporation, a Delaware corporation, or their successors or assigns.

1.102. "Hotel Business" means the business of owning, developing, constructing, leasing, operating, managing or franchising, either directly or through a contractual arrangement with a third party, hotels having, in the aggregate, five thousand (5,000) or more rooms, but excluding hotels leased, as a lessee, from a real estate investment trust or other passive owner and operated on behalf of such lessee by an unaffiliated third party manager.

1.103. "Impositions" shall mean, collectively, all taxes (including, without limitation, all ad valorem, sales and use, single business, gross receipts, transaction, privilege, rent or similar taxes as the same relate to or are imposed upon Tenant or the business conducted upon the Leased Property) not included in Landlord Obligations, water, sewer or other rents and charges, excises, tax levies, fees (including, without limitation, license, permit, inspection, authorization and similar fees) and all other governmental charges not included in Landlord Obligations, in each case whether general or special, ordinary or extraordinary, foreseen or unforeseen, of every character in respect of the Leased Property or the business conducted thereon by Tenant (including all interest and penalties thereon due to any failure in payment by Tenant), which at any time during or in respect of the Term hereof may be assessed or imposed on or in respect of or be a lien upon (a) Landlord's interest in the Leased Property; (b) the Leased Property, any part thereof,

any rent therefrom, or any estate, right, title, or interest therein; or (c) any occupancy, operation, use or possession of, or sales from, or activity conducted on or in connection with the Leased Property or the leasing or use of the Leased Property or any part thereof by Tenant.

1.104. "Indebtedness" shall mean all obligations, contingent or otherwise, which in accordance with GAAP should be reflected on the obligor's balance sheet as debt.

1.105. "Independent Member" means a Person who is not, and has not within the past five (5) years been, (i) an officer, director, employee, partner, member, manager, stockholder or beneficial-interest holder of Tenant; (ii) an officer, director, employee, partner, member, beneficial-interest holder, or stockholder of any "Affiliate" (as defined below) of Tenant; or (iii) a spouse, parent, sibling, or child of any Person described in (i) or (ii) of this section; provided, however, that a Person shall not be deemed to be a director or member of an Affiliate solely by reason of such Person being a director, manager, or member of a single-purpose entity that would otherwise be deemed to be an Affiliate because they are under common control. For the purpose of this definition alone, "Affiliate" means any Person (x) which owns beneficially, directly or indirectly, more than ten percent (10%) of the outstanding equity interest in Tenant or which is otherwise in control of Tenant; (y) of which more than ten percent (10%) of the outstanding voting securities are owned beneficially, directly or indirectly, by any Person described in clause (x) above; or (z) which is controlled by, or under common control with, any Person or entity described in clause (x) above; the terms "control" and "controlled by" shall have the meanings assigned to them in Rule 405 under the Securities Act of 1933.

1.106. ["Initial FF&E Lease" shall have the meaning given such term in paragraph (a) of Schedule 22.2.]

1.107. "Insurance Requirements" shall mean all terms of any insurance policy required by this Lease and all requirements of the issuer of any such policy.

1.108. "Intangible Asset" shall mean, with respect to any Person, a long-lived asset that is useful in the operations of such Person, that is not directly used in revenue generation and that is not held for sale, and is without physical qualities, including but not limited to patents, copyrights and goodwill, but excluding capitalized costs associated with the acquisition of brand names, franchises and trademarks, franchise agreements and management agreements.

1.109. "Inventories" shall have the definition given it in the Uniform System, such as provisions in storerooms, refrigerators, pantries and kitchens; beverages in wine cellars and bars; other merchandise intended for sale; fuel; mechanical supplies; stationery; and other expensed supplies and similar items.

1.110. "Labor Index" shall mean [insert appropriate regional labor cost index].

1.111. "Land" shall have the meaning given such term in Section 2.1(a).

1.112. "Landlord" shall have the meaning given such term in the preamble to this Lease.

1.113. "Landlord Default" shall have the meaning given such term in Section 14.2.

1.114. "Landlord Indemnitee" shall have the meaning set forth in Section 4.3.3.

1.115. "Landlord Lien" shall have the meaning set forth in Section 7.2.

1.116. "Landlord Obligations" shall mean (i) Real Estate Taxes, (ii) any tax based on net income imposed on Landlord, (iii) any net revenue tax of Landlord, (iv) any transfer fee or other tax imposed with respect to the sale, exchange, financing, mortgaging, or other disposition by Landlord of the Leased Property or the proceeds thereof, (v) any sales, use, gross receipts or other similar tax relating to the leasing of the FF&E by Landlord to Tenant pursuant to this Lease, (vi) any single business tax, gross receipts tax, transaction, privilege, rent or similar taxes as the same relate to or are imposed upon Landlord, including, without limitation, any tax imposed on Landlord as a result of this Lease, (vii) any interest or penalties imposed on Landlord as a result of the failure of Landlord to file any return or report timely and in the form prescribed by law or to pay any tax or imposition, except to the extent such failure is a result of a breach by Tenant of its obligations pursuant to Section 3.1.3, (viii) any taxes or fees imposed on Landlord that are a result of Landlord not being considered a "United States person" as defined in Section 7701(a)(30) of the Code, (ix) any taxes or fees that are enacted or adopted as a substitute for any tax that would not have been payable by Tenant pursuant to the terms of this Lease, (x) any taxes, fees or amounts required to be paid to discharge Liens imposed as a result of a breach of covenant or representation by Landlord in any agreement with Tenant governing Landlord's conduct or operation or as a result of the gross negligence or willful misconduct of Landlord in connection with its ownership of the Leased Property or the performance of its obligations hereunder, (xi) any sales, use, occupancy or other similar tax imposed in connection with payments made pursuant to this Lease, (xii) all rent and other sums due from Landlord pursuant to any ground lease affecting the Leased Property or any portion thereof, (xiii) all premiums for insurance for which Landlord is responsible pursuant to Article 9 hereof, (xiv) all amounts payable by Landlord under or pursuant to the Management Agreement with respect to the Retained Obligations and/or the Continuing Obligations, (xv) any interest and/or penalties incurred by Tenant as a result of Landlord's failure to forward any invoices, assessment notices or other bills relating to Impositions to Tenant, and (xvi) equipment rental costs that are treated as a "Deduction" under the Management Agreement. "Landlord Obligations" shall not include any sales, use, gross receipts, occupancy, single business, transaction, privilege, rent, ad valorem or other tax not specifically enumerated herein.

1.117. "Lease Year" shall mean any consecutive annual period starting on the Commencement Date and ending on the day prior to the anniversary thereof; provided that if the Commencement Date is not the first (1st) day of a calendar month, then the first (1st) Lease Year shall end on the last day of the calendar month in which occurs the date which would otherwise be the last day of such Lease Year.

1.118. "Leased Property" shall have the meaning given such term in Article 2.

1.119. "Legal Requirements" shall mean all applicable federal, state, county, municipal and other governmental statutes, laws, rules, orders, regulations, and

ordinances, and all applicable judicial, administrative and regulatory judgments, decrees and injunctions, affecting Tenant or the Leased Property or the maintenance, construction, alteration or operation thereof, whether now or hereafter enacted or in existence, including, without limitation, (a) all permits, licenses, certificates of need, authorizations and regulations necessary to operate the Leased Property for its Primary Intended Use and (b) all covenants, agreements, restrictions and encumbrances contained in any instruments either of record or actually known to Tenant (other than encumbrances hereafter created by Landlord without the consent of Tenant) at any time in force affecting the Leased Property, including those which may (i) require material repairs, modifications or alterations in or to the Leased Property or (ii) in any way materially adversely affect the use and enjoyment thereof, but excluding any requirements arising as a result of Landlord's status as a real estate investment trust other than those set forth in Article 22 hereof.

1.120. "Lending Institution" shall mean any insurance company, federally insured commercial or savings bank, national banking association, savings and loan association, investment banking firm, employees' welfare, pension or retirement fund or system, syndicated lenders' group, commercial finance company, leasing company, corporate profit sharing or pension trust, college or university, or real estate investment trust, including any corporation qualified to be treated for federal tax purposes as a real estate investment trust, such trust having a Tangible Net Worth of at least \$100,000,000.

1.121. "Licenses" shall have the meaning given such term in Section 5.3(d)(i).

1.122. "Lien" shall mean any mortgage, security interest, pledge, collateral assignment, or other encumbrance, lien or charge of any kind (including, without limitation, any easements, covenants, conditions and restrictions), or any transfer of any property or assets for the purpose of subjecting the same to an encumbrance, lien or charge securing the payment of Indebtedness or performance of any other obligation in priority to payment of any Person's general creditors.

1.123. "Lockbox Account" shall have the meaning given such term in Section 3.5(b).

1.124. "Lockbox Notice Date" shall have the meaning given such term in Section 3.5(a).

1.125. "Lockbox Period" shall have the meaning given such term in Section 3.5(a).

1.126. "Major Capital Expenditure" shall mean (a) any Capital Expenditure expected to result in a significant change in the use of any portion of the Facility intended to materially alter or enhance an existing use (including, by way of example and not limitation, the conversion of a typical hotel dining facility to a nationally-known, premium-quality restaurant); (b) any and all Capital Expenditures with respect to one or more new revenue-generating buildings, rooms, facilities, amenities, or structures constituting any portion of the Facility (including, by way of example and not limitation, the construction of a new wing or new story), or the renovation, material expansion, construction, or conversion of existing improvements of the Facility in order to increase the room capacity of the Facility, or to provide a functionally new facility needed to provide services not

previously offered; or (c) any and all Capital Expenditures which, individually or in a series of related expenditures, have a total cost of completion in excess of the lesser of (i) seven and one-half percent (7.5%) of Gross Revenues for the Fiscal Year ending immediately prior to such expenditure, or (ii) \$5,000,000.

1.127. "Management Agreement" shall mean the Management Agreement described in Section 21.3.1.

1.128. "Manager" shall have the meaning given such term in Section 21.3.1.

1.129. "Market Leasing Factor" shall have the meaning given such term in paragraph (e) of Schedule 22.2.

1.130. "Marriott Hotel System" shall mean the full-service hotel system managed by Manager (or one or more of its Affiliates) which is, as of the Commencement Date, operated under the trade name "Marriott Hotels, Resorts and Suites."

1.131. "Measurement Date" shall mean September 30th of each year during the Term.

1.132. "Minimum Net Worth" shall mean a Tangible Net Worth, on a book value basis which shall not include amounts in any Tenant Lockbox Account or Cash Collateral Account (as those terms are defined in the Pooling Agreement) equal to one hundred fifty percent (150%) of the amount of Guarantors' maximum liability under the Guarantee from time to time; provided, however, that the Minimum Net Worth shall be reduced by one hundred fifty percent (150%) of the total amount of cash held in the Tenant Lockbox Accounts and the Cash Collateral Accounts, from time to time.

1.133. "Minimum Rent" shall mean for each Fiscal Year the amount set forth on Schedule 3.1.1.

1.134. "Noncompetition Agreement" shall have the meaning given such term in Section 23.15.

1.135. "Non-Controlled Subsidiary" shall mean any Person (other than a Subsidiary of Host O.P.) in which Host O.P. owns, directly or indirectly, at least 90% of the economic interest.

1.136. "Notice" shall mean a notice given in accordance with Section 23.10.

1.137. "Officer's Certificate" shall mean a certificate signed by an authorized officer of Tenant.

1.138. "OpCo" shall mean any wholly owned subsidiary of CCC that owns, directly or through one or more wholly owned subsidiaries, the entire beneficial equity interest in Tenant.

1.139. "Operating Budget" shall have the meaning given such term in Section 17.3.

1.140. "Operating Budget Summary" shall have the meaning given such term in Section 17.3 .

1.141. "Other Income" shall mean all revenues, receipts, and income of any kind derived directly or indirectly by Tenant from or in connection with the Facility and included in Gross Revenues other than Room Revenues and Food and Beverages Sales (including, without limitation, gross revenue from rental income, license fees, concession payments, or other amounts received from subtenants, licensees and concessionaires, but excluding all exclusions from Gross Revenues set forth in the definition thereof.

1.142. "Other Leases" shall mean all of the other hotel leases entered into between Landlord or any Affiliates of Landlord and Tenant or any Affiliates of Tenant and described in the Pooling Agreement as being in Pools [A, B, C, or D].

1.143. "Other Tenants" shall mean the tenants under the Other Leases.

1.144. "Overdue Rate" shall mean, on any date, a per annum rate of interest equal to the lesser of the Prime Rate plus two (2) percentage points and the maximum rate then permitted under applicable law.

1.145. "Owner" shall have the meaning given such term in Section 21.3.1.

1.146. "Percentage Increase in CPI" shall mean, measured as of each Measurement Date, the percentage increase, if any, in the Consumer Price Index over the twelve (12) months preceding the Measurement Date.

1.147. "Percentage Increase in the Labor Index" shall mean, measured as of each Measurement Date, the percentage increase, if any, in the Labor Index over the twelve (12) months preceding the Measurement Date.

1.148. "Percentage Rent" shall mean the amount of Rent (excluding Additional Charges) payable pursuant to Section 3.1.1 with respect to one or more Accounting Periods or a Fiscal Year, as the case may be, in excess of Minimum Rent payable for such period.

1.149. "Percentage Rent Schedule" shall have the meaning given such term in Section 3.1.3(a).

1.150. "Period Report" shall have the meaning given such term in Section 17.2(f).

1.151. "Permitted Debt" shall have the meaning given such term in Section 21.6.3.

1.152. "Permitted Liens" shall mean (a) this Lease; (b) all rights, restrictions, and easements of record as of the Commencement Date; (c) the leasehold interest of the owner of any Excess FF&E leased to Tenant pursuant to an Excess FF&E Lease; (d) security interests securing the purchase price of equipment or personal property acquired by Tenant before or after the Commencement Date (including, but not limited to, Excess FF&E owned by Tenant); provided, however, that (i) any such Lien described in this

clause (d) shall at all times be confined solely to the asset in question, and (ii) the aggregate principal amount of Indebtedness secured by any such Lien described in this clause (d) shall not exceed the cost of acquisition of the property subject thereto; and (e) any other Liens as may have been consented to in writing by Landlord, and, if required pursuant to the Management Agreement, Manager, from time to time, including, without limitation, those granted in accordance with Section 5.5 hereof.

1.153. "Person" shall mean any individual or Entity, and the heirs, executors, administrators, legal representatives, successors and assigns of such Person where the context so requires.

1.154. "Pooling Agreement" shall have the meaning given such term in Section 23.16.

1.155. "Prepaid Expenses" shall have the meaning given such term in Schedule 3.1.5.
- - - - -

1.156. "Primary Intended Use" shall have the meaning given such term in Section 4.1.1.

1.157. "Prime Rate" shall mean the "prime rate" as published in the "Money Rates" section of The Wall Street Journal; however, if such rate is, at any time during the Term, no longer so published, the term "Prime Rate" shall mean the average of the prime interest rates that are announced, from time to time, by the three (3) largest banks (by assets) headquartered in the United States which publish a "prime rate."

1.158. "Qualified Affiliate" shall mean any Person directly or indirectly wholly owned and controlled by CCC or OpCo.

1.159. "Qualified Appraiser" shall mean an appraiser who is not in control of, controlled by or under common control with either Landlord or Tenant or any Affiliate of Landlord or Tenant and has not been an employee of Landlord or Tenant or any Affiliate of Landlord or Tenant within the past two (2) years, who is qualified to appraise commercial real estate in the State and is a member of the American Institute of Real Estate Appraisers (or any successor association or body of comparable standing if such institute is not then in existence).

1.160. "Real Estate Taxes" shall mean all real estate taxes, including general and special assessments and impact fees, if any, which are imposed upon or relate to the Land and any improvements thereon, including, without limitation, the following:

(a) any franchise, corporate, estate, inheritance, succession, or capital levy imposed on Landlord;

(b) special assessments (regardless of when due or whether they are paid as a lump sum or in installments over time) imposed because of facilities that are constructed by or on behalf of the assessing jurisdiction (i.e., roads, sidewalks, sewers, culverts, etc.), which directly benefit the Facility (regardless of whether or not they also benefit other buildings);

(c) impact fees (regardless of when due or whether they are paid as a lump sum or in installments over time) that are required of Landlord as a condition to the issuance of site plan approval, zoning variances or building permits; and

(d) tax-increment financing or similar financing whereby the municipality or other taxing authority has assisted in financing the construction of the Facility by temporarily reducing or abating normal impositions in return for substantially higher levels of impositions at later dates.

1.161. "Related Agreements" shall have the meaning given such term in Section 23.15.

1.162. "Rent" shall mean, collectively, Minimum Rent, Percentage Rent, and Additional Charges attributable to the Term of this Lease.

1.163. "Replacement Cost" shall have the meaning given such term in Section 9.3.

1.164. "Retained Obligations" shall have the meaning given such term in Section 21.3.1.

1.165. "Revenue Data Publication" shall mean Smith's STAR Report, a monthly publication distributed by Smith Travel Research, Inc., of Gallatin, Tennessee, or an alternative source, reasonably satisfactory to both parties, of data regarding the REVPAR of hotels in the general trade area of the Facility. If such Smith's STAR Report is discontinued in the future, or ceases to be a satisfactory source of data regarding the REVPAR of various hotels in the general trade area of the Facility (as provided in the Management Agreement), Tenant shall select, or shall cause Manager to select, an alternative source in accordance with the Management Agreement.

1.166. "Revenues Computation" shall have the meaning given such term in Section 3.1.2(b).

1.167. "REVPAR" shall mean (i) the term "revenue per room" as defined by the Revenue Data Publication or (ii) if the Revenue Data Publication is no longer being used (as more particularly set forth in the definition of "Revenue Data Publication"), the aggregate gross room revenues of the hotel in question for a given period of time divided by the total room nights of such hotel for such period. If clause (ii) of the preceding sentence is being used, a "room" shall be a hotel guestroom which is keyed as a single unit and shall include rooms that are temporarily unavailable due to maintenance or ongoing renovation work.

1.168. "Room Revenues" shall mean gross revenues from the rental of guest rooms, whether to individuals, groups, or transients at the Facility, determined in a manner consistent with GAAP, excluding the following:

- (a) the amount of all credits, rebates or refunds to customers, guests or patrons;
- (b) all sales taxes or any other taxes imposed on the rental of such guest rooms;

(c) any fees collected for amenities including, but not limited to, telephone, room service, laundry, movies or concessions.

1.169. "SEC" shall mean the Securities and Exchange Commission.

1.170. "Second Tier Food and Beverages Sales Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.171. "Second Tier Other Income Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.172. "Second Tier Room Revenue Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.173. "Security Agreement" shall have the meaning given such term in Section 7.2.

1.174. "Single Purpose" means, with respect to a Person, that such Person, (A) at all times since its formation, except as otherwise permitted in or contemplated by this Agreement (i) has been a duly formed and existing limited partnership, limited liability company, or corporation, as the case may be; (ii) has observed all customary formalities regarding its partnership, limited liability company or corporate existence; (iii) has maintained financial statements, accounting records, and other partnership, limited liability company, or corporate documents separate from those of any other Person (provided that nothing shall prohibit such Person from being included in the consolidated financial statements or tax group of another Person); (iv) has not commingled its assets with those of any other Person; (v) has paid its own liabilities out of its own funds, including funds contributed to its capital by its equity holders, and all such capital contributions have been reflected properly in its books and records; (vi) has allocated fairly and reasonably any overhead for shared office expenses; (vii) has identified itself in all dealings with the public, under its own name and as a separate and distinct entity (provided that nothing shall prohibit such Person from engaging an agent to represent such Person with respect to tenants, vendors, and other parties, in accordance with standard industry practice); (viii) has not identified itself as being a division or part of any other Person; (ix) has not identified any other Person as being a division or part of such Person; (x) has corrected any known misunderstanding regarding its separate identity; (xi) has been adequately capitalized in light of the nature of its business; (xii) has not assumed or guaranteed the obligations of any other Person (other than by virtue of being a general partner of such other Person but only if such other Person is Tenant and provided that this clause shall not be deemed to be violated by reason of joint and several liabilities arising as a matter of law); and (xiii) has not engaged in any other business other than as permitted by this Lease (provided that nothing shall prohibit a general partner from acquiring, owning, and disposing of limited partner interests in any limited partnership, non-managing membership interests in a limited liability company, or debt securities issued by any Person, or the stock of a corporation that is not engaged in any activities other than such activities, provided that no liabilities or other obligations on the part of the holder of such investments will arise as a result of such investments and the only rights of the holder of such investment are the right to receive payments and the right to vote); (B) such Person agrees to covenants substantially to the effect of Sections 7.1 and 21.6 hereof;

and (C) such Person's organizational documents contain restrictions similar to those contained in Sections 5.4 (only paragraphs a, b, c, d and g thereof), 5.5, 5.6, and 5.7 of the Limited Liability Company Operating Agreement of Tenant as in effect on the date hereof.

1.175. "Soft Goods" shall mean all fabric, textile and flexible plastic products (not including items that are classified as "Fixed Asset Supplies" under the Uniform System), which are used in furnishing the Facility, including, without limitation, carpeting, drapes, bedspreads, wall and floor coverings, mats, shower curtains and similar items.

1.176. "Special Form" shall have the meaning given such term in Section 9.1(b).

1.177. "State" shall mean the state, commonwealth, district, or, if the Leased Property is not located in the United States, the country, in which the Leased Property is located.

1.178. "Subsidiary" shall mean, as to any Person, (i) any corporation more than fifty percent (50%) of whose stock of any class or classes having by the terms thereof ordinary voting power to elect a majority of the directors of such corporation (irrespective of whether or not at the time stock of any class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency) is at the time owned by such Person or one or more Subsidiaries of such Person and (ii) any partnership, limited liability company, association, joint venture or other entity in which such Person or one or more Subsidiaries of such Person has more than a fifty percent (50%) equity interest at the time.

1.179. "Successor Landlord" shall have the meaning given such term in Section 20.2.

1.180. "Superior Landlord" shall have the meaning given such term in Section 20.2.

1.181. "Superior Lease" shall have the meaning given such term in Section 20.2.

1.182. "Superior Mortgage" shall have the meaning given such term in Section 20.2.

1.183. "Superior Mortgagee" shall have the meaning given such term in Section 20.2.

1.184. "Tangible Net Worth" of any Person shall mean, on any date, without duplication, (a) the sum of the shareholders' equity of such Person on a consolidated basis in accordance with GAAP minus (b) the sum of all Intangible Assets (net of accumulated amortization) of such Person and its Subsidiaries, each as shown on the consolidated balance sheets of such Person.

1.185. "Tax Law Change" shall have the meaning given such term in Section 24.1.

1.186. "Tenant" shall have the meaning given such term in the preamble to this Lease.

1.187. "Tenant Indemnitee" shall have the meaning given such term in Section 4.3.2.

1.188. "Tenant's Operating Profit" shall equal for any Fiscal Year the amount equal to revenues due to Tenant from the Leased Property after the payment of all expenses relating to the operation or leasing of the Leased Property less Rent paid to Landlord, but in any event not less than \$1.00.

1.189. "Tenant's Personal Property" shall mean all tangible and intangible personal property now owned, leased or hereafter acquired by Tenant on or after the date hereof, including, without limitation, Working Capital, Excess FF&E owned by Tenant, Excess FF&E Leasehold Interests, and all contracts and agreements to which Tenant is a party used in the operation of the Facility, but expressly excluding (a) FF&E leased hereunder, (b) FF&E leased pursuant to the Initial FF&E Lease, if any, or (c) Excess FF&E leased during the Term hereof by Tenant.

1.190. "Term" shall have the meaning given such term in Section 2.4, unless sooner terminated pursuant to the terms of this Lease.

1.191. "Third-Party Purchaser" shall have the meaning given such term in paragraph (b) of Schedule 22.2.

1.192. "Third Tier Food and Beverages Sales Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.193. "Third Tier Room Revenue Percentage" shall have the meaning given such term in Section 3.1.2(b) (2).

1.194. "Trustee" shall have the meaning given such term in Section 16.1.

1.195. "Unavoidable Delay" shall mean delay due to strikes, acts of God, force majeure, governmental restrictions or actions (including the revocation or refusal to grant Licenses or permits, where such revocation or refusal is not due to the fault of the party whose performance is excused by reason of such Unavoidable Delay), enemy action, civil commotion, fire, unavoidable Casualty, condemnation or other comparable causes beyond the reasonable control of Landlord or Tenant; provided, however, that lack of funds shall not be deemed a cause beyond the reasonable control of a party, unless such lack of funds is caused by the breach of the other party's obligations under this Lease.

1.196. "Uniform System" shall mean the Uniform System of Accounts for Hotels (8th Revised Edition 1986) as published by the Hotel Association of New York City, Inc., as the same may hereafter be revised.

1.197. "Unsuitable for Its Primary Intended Use" shall mean a state or condition of the Facility such that (a) following any damage or destruction involving the Leased Property, the Leased Property cannot reasonably be expected to be restored within twelve (12) months following such damage or destruction to substantially the same condition as existed immediately before such damage or destruction or (b) as the result of a partial taking by Condemnation, the Facility cannot be operated on a commercially

practicable basis for its Primary Intended Use taking into account, among other relevant factors, the number of usable rooms, the amount of square footage, or the revenues affected by such damage, destruction, or partial taking.

1.198. "Working Capital" shall have the meaning given such term in Section 4.5.

1.199. "Working Capital Note" shall have the meaning given such term in Section 4.5.

1.200. "Year End Percentage Rent Schedule" shall mean the Percentage Rent Schedule covering the immediately preceding full Fiscal Year delivered in accordance with Section 17.2(e).

ARTICLE 2
COLLECTIVE LEASED PROPERTIES AND TERM

2.1 Leased Property.

Upon and subject to the terms and conditions hereinafter set forth, including, but not limited to, the execution, delivery and performance of the terms and conditions of the Consent and Assignment, and subject to the rights of any Facility Mortgagee, Landlord leases to Tenant and Tenant leases from Landlord, effective as of the Commencement Date, all of Landlord's right, title, and interest in and to the following (collectively, the "Leased Property"):

(a) those certain tracts, pieces and parcels of land that are more particularly described in Exhibit A attached hereto (together with all and ----- singular the rights and appurtenances pertaining to such tracts and parcels, including any right, title and interest of Landlord in and to any easements benefiting the Leased Property, adjacent strips or gores, streets, alleys or rights-of-way, and all rights of ingress and egress thereto) (the foregoing are hereinafter referred to collectively as the "Land");

(b) all buildings, structures, and other improvements of every kind situated upon the Land, including, but not limited to, all Capital Expenditures, alleyways and connecting tunnels, sidewalks, utility pipes, conduits and lines (onsite and offsite), parking areas and appurtenant roadways, all luxury apartments, all swimming pools, restaurants, hotel rooms, lounges, and various other guest and spa facilities (collectively, the "Facility");

(c) all easements, rights and appurtenances relating to the Land and the Facility;

(d) all equipment, machinery, and other items of property, now or hereafter permanently affixed to or incorporated into the Facility, including, without limitation, all lift systems, furnaces, boilers, heaters, electrical equipment, heating, plumbing, lighting, ventilating, refrigerating, incineration, air and water pollution control, waste disposal, air-cooling and air-conditioning systems and apparatus, sprinkler systems, and fire and theft protection equipment, all of which, to the maximum extent permitted by law, are hereby deemed by the parties hereto to constitute real estate, together with all replacements, modifications, alterations and additions thereto, but specifically excluding Tenant's Personal Property (collectively, the "Fixtures"); and

(e) the FF&E owned by Landlord located in or on the Facility or stored offsite and designated for use in connection with any present or future occupation or operation of the Facility, together with all replacements, modifications, alterations and additions thereto, but specifically excluding any Excess FF&E not owned by Landlord and Tenant's Personal Property.

2.2 Assignment and Assumption of Contracts; Initial Transaction.

(a) Effective upon the Commencement Date, Landlord hereby transfers and assigns to Tenant and Tenant assumes and covenants to perform all of Landlord's

obligations under, the following agreements and contracts to which the Leased Property remains subject on the Commencement Date, to the maximum extent assignable pursuant to applicable law (the "Assigned Agreements"):

- (i) All contracts for the use or occupancy of guest rooms and/or the meeting, dining, banquet, and spa and health facilities of the Facility;
- (ii) All service and maintenance contracts, equipment leases, purchase orders and other contracts pertaining to the ownership, maintenance, operation, provisioning or equipping of the Facility, including warranties and guaranties relating thereto;
- (iii) All Licenses and permits used in or relating to the ownership, occupancy or operation of any part of the Facility;
- (iv) Any developer's, declarant's, or owner's interests under any operating agreements or reciprocal easement agreements or other similar agreements affecting and/or benefiting the Facility;
- (v) Landlord's interest as owner under the Management Agreement as and to the extent provided in the Consent and Assignment; and
- (vi) All leases of space (including any security deposits held by Landlord pursuant thereto, which will be paid over to Tenant by check on the Commencement Date, or credited to Tenant against the cost of the Working Capital sold to Tenant pursuant to Section 4.5) in the Facility to tenants thereof, excluding those leases set forth on Schedule 2.2(a) (vi) attached hereto.

This Lease is executed by Landlord and accepted by Tenant on the understanding that Tenant will and does hereby assume and agree to perform all of Landlord's obligations arising from and after the Commencement Date under all of the Assigned Agreements (except to the extent otherwise provided with respect to the Management Agreement in the Consent and Assignment). In connection with the Licenses and permits described in clause (iii) above and the Management Agreement referred to in clause (v) above, Landlord shall be obligated (a) to take any action that can legally or contractually be taken only by it and not Tenant, (b) not to take any action that is not permitted by, or is contrary to the terms of, such Licenses or permits or the Management Agreement, and (c) to cooperate with Tenant as to actions that must be taken in Landlord's name. Notwithstanding the foregoing but subject to Section 5.3(d) (ii) hereof, such Assigned Agreements shall, without the necessity of further documentation, be deemed reassigned to (and reassumed by) Landlord upon the expiration or earlier termination of the Term. In connection with any reassignment thereof occurring following the expiration or earlier termination of the Term, such reassignment shall not release Tenant from any liability thereunder with respect to the period beginning on the Commencement Date and ending on the date of expiration or earlier termination of the Term.

(b) As between Landlord and Tenant, Landlord shall be entitled to all income and shall be responsible for the payment or settlement of all expenses of the Leased Property accruing prior to the Commencement Date. Tenant shall act as Landlord's agent

for the collection of all such income and shall remit the same to Landlord promptly upon Tenant's receipt thereof. Tenant shall notify Landlord of all such expenses and shall act as Landlord's payment agent for such expenses using funds provided by Landlord from time to time.

2.3 Condition of Leased Property.

Tenant acknowledges receipt and delivery of possession of the Leased Property. Subject to the warranty of title hereinafter set forth and the indemnifications by Landlord set forth in Sections 4.3.2, 9.9 and 21.3.3 hereof, Tenant accepts the Leased Property in its "as is" condition, subject to the rights of all occupants and parties in possession, the existing state of title, including all covenants, conditions, restrictions, reservations, mineral leases, easements and other matters of record or that are visible or apparent on the Leased Property, all applicable Legal Requirements, the lien of financing instruments, mortgages and deeds of trust, and such other matters which would be disclosed by an inspection of the Leased Property and the record title thereto or by an accurate survey thereof, and all other Permitted Liens. TENANT REPRESENTS THAT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS LEASE, IT IS NOT RELYING ON ANY REPRESENTATION OR WARRANTY OF LANDLORD OR LANDLORD'S AGENTS OR EMPLOYEES WITH RESPECT TO THE CONDITION OF THE LEASED PROPERTY, AND EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS LEASE TENANT WAIVES ANY CLAIM OR ACTION AGAINST LANDLORD IN RESPECT THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS LEASE, LANDLORD MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, IN RESPECT OF THE LEASED PROPERTY OR ANY PART THEREOF, EITHER AS TO ITS FITNESS FOR USE, DESIGN OR CONDITION FOR ANY PARTICULAR USE OR PURPOSE OR OTHERWISE, OR AS TO THE QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, LATENT OR PATENT, IT BEING AGREED THAT EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS LEASE, ALL SUCH RISKS ARE TO BE BORNE BY TENANT. NOTWITHSTANDING THE FOREGOING, LANDLORD HEREBY WARRANTS ITS [FEE/LEASEHOLD] TITLE TO THE LEASED PROPERTY TO TENANT, SUBJECT TO THE PERMITTED LIENS; PROVIDED, HOWEVER, THAT IN NO EVENT SHALL THE AMOUNT RECOVERABLE BY TENANT FOR ANY BREACH OF SUCH WARRANTY EXCEED TENANT'S PROPORTIONATE SHARE OF THE NET AMOUNT ACTUALLY COLLECTED BY LANDLORD UNDER LANDLORD'S EXISTING TITLE INSURANCE POLICIES, AFTER TAKING INTO ACCOUNT THE AMOUNTS EXPENDED BY LANDLORD TO RECOVER THE AMOUNT COLLECTED AND THE AMOUNT OF ANY FEES OWED TO MANAGER RESULTING FROM BREACH OF SUCH WARRANTY. TENANT'S PROPORTIONATE SHARE FOR THE PURPOSES OF THE PRECEDING SENTENCE SHALL BE EQUAL TO THE FRACTION, EXPRESSED AS A PERCENTAGE, OBTAINED BY DIVIDING THE FAIR MARKET VALUE OF TENANT'S LEASEHOLD ESTATE AS DETERMINED IN ACCORDANCE WITH SECTION 24.1(b) BELOW BY THE FAIR MARKET VALUE OF THE LEASED PROPERTY AS DETERMINED BY ARTICLE 19. LANDLORD AGREES TO DILIGENTLY PURSUE THE TITLE COMPANY OR COMPANIES PROVIDING THE EXISTING TITLE INSURANCE IN THE EVENT IT IS DETERMINED THAT THERE IS A DEFECT IN LANDLORD'S TITLE TO THE LEASED PROPERTY. TENANT SHALL FULLY COOPERATE WITH LANDLORD IN THE PROSECUTION OF ANY SUCH

CLAIMS, IN LANDLORD'S OR TENANT'S NAME, ALL AT LANDLORD'S SOLE COST AND EXPENSE.

2.4 Term.

The term of this Lease (the "Term") shall commence at 12:01 a.m. on the Commencement Date and shall expire at 11:59 p.m. on the last day of the [tenth (10th)] Lease Year, unless sooner terminated pursuant to the terms of this Lease; provided that, subject to the terms of Article 13, the Term shall also include any period of holding over by Tenant.

ARTICLE 3
RENT

3.1 Rent.

Tenant shall pay to Landlord, in lawful money of the United States of America which shall be legal tender for the payment of public and private debts, without offset, abatement, demand or deduction, Minimum Rent, Percentage Rent and Additional Charges, during the Term, except as hereinafter expressly provided. All payments to Landlord shall be made by wire transfer of immediately available federal funds or by other means reasonably acceptable to Landlord in its sole discretion.

3.1.1 Payment of Rent.

On or before the second (2nd) Business Day after the required payment date under the Management Agreement for amounts due from Manager thereunder relating to each Accounting Period (whether or not such payment under the Management Agreement is made on the required payment date), Tenant shall pay to Landlord an amount of Rent equal to the excess, if any, of (A) the greater of (i) the product of (x) the Minimum Rent for the current Fiscal Year times (y) a fraction, the numerator of which is the number of elapsed Accounting Periods in such Fiscal Year (including the Accounting Period with respect to which payment of Rent is being made) and the denominator of which is 13 (or 12, if the Accounting Periods are then calendar months) or (ii) the Revenues Computation for such Fiscal Year (determined in accordance with Section 3.1.2), over (B) the aggregate amount of Rent previously paid pursuant to this Section 3.1.1 during such Fiscal Year (less the aggregate amount previously paid by Landlord to Tenant pursuant to the next sentence in this Section 3.1.1 during such Fiscal Year). In the event that the amount specified in clause (A) is less than the amount specified in clause (B) as of any payment date, then Landlord will promptly pay to Tenant the difference in cash.

3.1.2 Revenues Computation.

(a) The "Revenues Computation" for the applicable Fiscal Year shall be the sum of the following amounts:

- (1) an amount equal to the product of (a) the First Tier Room Revenue Percentage times (b) all year-to-date Room Revenues

up to (but not exceeding) the Cumulative Portion of the Annual Room Revenues First Break Point,

- (2) an amount equal to the product of (a) the Second Tier Room Revenue Percentage times (b) all year-to-date Room Revenues in excess of the Cumulative Portion of the Annual Room Revenues First Break Point up to (but not exceeding) the Cumulative Portion of the Annual Room Revenues Second Break Point,
- (3) an amount equal to the product of (a) the Third Tier Room Revenue Percentage times (b) all year-to-date Room Revenues in excess of the Cumulative Portion of the Annual Room Revenues Second Break Point,
- (4) an amount equal to the product of (a) the First Tier Food and Beverages Sales Percentage times (b) all year-to-date Food and Beverages Sales up to (but not exceeding) the Cumulative Portion of the Annual Food and Beverages Sales First Break Point,
- (5) an amount equal to the product of (a) the Second Tier Food and Beverages Sales Percentage times (b) all year-to-date Food and Beverages Sales in excess of the Cumulative Portion of the Annual Food and Beverages Sales First Break Point up to (but not exceeding) the Cumulative Portion of the Annual Food and Beverages Sales Second Break Point,
- (6) an amount equal to the product of (a) the Third Tier Food and Beverages Sales Percentage times (b) all year-to-date Food and Beverages Sales in excess of the Cumulative Portion of the Annual Food and Beverages Sales Second Break Point,
- (7) an amount equal to the product of (a) the First Tier Other Income Percentage times (b) all year-to-date Other Income up to (but not exceeding) the Cumulative Portion of the Annual Other Income Break Point, and
- (8) an amount equal to the product of (a) the Second Tier Other Income Percentage times (b) all year-to-date Other Income in excess of the Cumulative Portion of the Annual Other Income Break Point.

(b) The Revenues Computation shall be computed utilizing the following definitions:

- (1) "Cumulative Portion" shall mean a fraction having as its numerator the total number of days in the Fiscal Year which have elapsed through the last day of the Accounting Period

with respect to which a payment of Minimum or Percentage Rent is due, and having as its denominator the total number of days in the Fiscal Year.

(2) "First Tier Room Revenue Percentage," "Second Tier Room Revenue Percentage," "Third Tier Room Revenue Percentage," "First Tier Food and Beverages Sales Percentage," "Second Tier Food and Beverages Sales Percentage," "Third Tier Food and Beverages Sales Percentage," "First Tier Other Income Percentage," and "Second Tier Other Income Percentage" shall mean the percentages set forth on Schedule 3.1.2.

(3) "Annual Room Revenues First Break Point," "Annual Room Revenues Second Break Point," "Annual Food and Beverages Sales First Break Point," "Annual Food and Beverages Sales Second Break Point," and "Annual Other Income Break Point" shall mean the amounts set forth on Schedule 3.1.2.

3.1.3 Confirmation of Percentage Rent.

(a) Tenant shall submit to Landlord on each rental payment date pursuant to Section 3.1.1 a reasonably detailed schedule (the "Percentage Rent Schedule"), signed and certified by Tenant to be correct, showing the Revenues Computation with respect to the Facility for the preceding Accounting Period and the calculation of the amount of Rent owed on such date (other than Additional Charges) by Tenant or the amount Landlord is required to pay to Tenant for such Accounting Period. Tenant's Percentage Rent Schedule shall clearly indicate how much of the Gross Revenues is comprised by Room Revenues, Food and Beverages Sales and Other Income, and shall contain such detail and breakdown as Landlord may reasonably require. If, after notice from Landlord and the expiration of the cure period provided for in Section 12.1(c) of this Lease, Tenant fails to submit the Percentage Rent Schedule to Landlord when due, Landlord, in addition to any other remedies Landlord has, shall have the right (subject to compliance with the Management Agreement and the Consent and Assignment) to retain an independent certified public accountant, at Tenant's sole expense, to prepare such Percentage Rent Schedule and to perform all inspections and audits related thereto.

(b) Tenant shall maintain in accordance with the usual and customary practices of Tenant and in accordance with GAAP during the Term, for the current Fiscal Year and for the immediately preceding Fiscal Year, (i) complete and accurate general books of account, which shall reflect Gross Revenues and which shall include, without limitation, those items set forth and described on Schedule 3.1.3(b) hereof, and (ii) all other original records and

other pertinent papers that will enable Landlord to determine the Gross Revenues derived by Tenant during the relevant Fiscal Year from Room Revenues, Food and Beverages Sales and Other Income. Such records for the current and most recent Fiscal Year shall be maintained at Tenant's corporate headquarters. The provisions of this Section 3.1.3(b) shall survive the expiration or earlier termination of this Lease for a period of three (3) years thereafter, subject to extension

upon Notice from Landlord, provided that all storage and related expenses of maintaining records beyond such three-year period shall be at Landlord's sole cost and expense. In addition to the audit rights set forth in Section 3.1.3(c) below, in the event Landlord, any Lending Institution, any Facility Mortgagee, or any potential purchaser of the Leased Property, or any of their respective representatives, desires to audit Tenant's financial records described in clauses (i) and (ii) above, Tenant shall, at Landlord's sole cost and expense, cooperate with such audit by making such records available at Tenant's corporate headquarters during normal business hours upon reasonable prior Notice.

(c) Landlord shall have fifty (50) days after the receipt of the Year End Percentage Rent Schedule to have an independent certified public accountant examine Tenant's records, during regular business hours upon reasonable prior Notice by Landlord, of Room Revenues, Food and Beverages Sales, and/or Other Income for the related Fiscal Year and all other relevant financial information. The acceptance by Landlord of each periodic payment of Percentage Rent shall not prejudice Landlord's right to proceed with such examination as described in the immediately preceding sentence. If Landlord raises no objections within such fifty (50)-day period, the Year End Percentage Rent Schedule shall be deemed to have been accepted by Landlord as true and correct, and Landlord shall have no further right to question its accuracy. If Landlord does raise such an objection, by Notice to Tenant, Landlord shall arrange for an independent certified public accountant to commence such examination within fifty (50) days after the date of such objection and shall cause such audit to be completed no later than one hundred eighty (180) days after Landlord's receipt of the Year End Percentage Rent Schedule. Landlord shall pay all costs and expenses of such audit; provided, however:

(i) if such audit discloses that the amount of Percentage Rent was underreported by Tenant by five percent (5%) or more for such Fiscal Year, Tenant shall pay to Landlord, within fifteen (15) days of its receipt of Notice from Landlord, the cost of the audit, as Additional Charges, in addition to any deficiency in Percentage Rent that may be due to Landlord; or

(ii) if the audit discloses that the amount of Percentage Rent either was not underreported or was underreported by Tenant by less than five percent (5%), Landlord shall be responsible for all costs associated with the audit and Tenant shall pay, within fifteen (15) days of its receipt of Notice from Landlord, any deficiency in Percentage Rent that may be due to Landlord; or

(iii) if the audit discloses that the Percentage Rent was overreported by Tenant for the related Fiscal Year, Landlord shall be responsible for all costs associated with the audit, shall give Tenant Notice of such overreporting within fifteen (15) days of Landlord's receipt of audit results, and shall reimburse the amount of such overpayment to Tenant in cash along with delivery of such Notice to Tenant. The provisions of this Section shall survive the expiration or the earlier termination of this Lease for a period of one (1) year thereafter.

3.1.4 Annual Adjustments.

Upon the commencement of each Fiscal Year during the Term beginning with the second Fiscal Year, each of the Minimum Rent, the Annual Room Revenues First Break Point, the Annual Food and Beverages Sales First Break Point, the Annual Other Income Break Point, the Annual Food and Beverages Sales Second Break Point and the Annual Room Revenues Second Break Point shall be increased by the amount of the applicable Annual Adjustment.

In no event shall the Minimum Rent, the Annual Room Revenues First Break Point, Annual Food and Beverages Sales First Break Point, the Annual Room Revenues Second Break Point, the Annual Food and Beverages Sales Second Break Point, and the Annual Other Income Break Point be reduced as a result of the Annual Adjustment. The Annual Adjustment described above shall be effective on the first day of the new Fiscal Year. If Rent for the new Fiscal Year is paid prior to the determination of the amount of the Annual Adjustment, whether because of a delay in the publication of the Consumer Price Index or the Labor Index applicable for the Measurement Date or because of any other reason, payment adjustments for any shortfall in Rent paid shall be made with the first Minimum Rent and Percentage Rent payments due after the Annual Adjustment is determined.

If (1) a significant change is made in the number or nature (or both) of items used in determining the Consumer Price Index or the Labor Index or (2) the Consumer Price Index or Labor Index shall be discontinued for any reason, the Bureau of Labor Statistics shall be requested to furnish a new index comparable to the Consumer Price Index or Labor Index, together with information that will make possible a conversion to the new index in computing the Annual Adjustment. If for any reason the Bureau of Labor Statistics does not furnish such an index and information, the parties will instead mutually select, accept and use such other indexes or comparable statistics on the cost of living and cost of labor in various United States cities that is computed and published by an agency of the United States or a responsible financial periodical of recognized authority.

3.1.5 Additional Charges.

In addition to the Minimum Rent and Percentage Rent payable hereunder, Tenant shall pay and discharge as and when due and payable the following (collectively, "Additional Charges"):

(a) Impositions. Subject to Article 8 relating to Permitted

Contests and the right of any Facility Mortgagee to require tax escrows as described in the last sentence of this paragraph of subsection (a), Tenant shall pay or cause to be paid all Impositions attributable to any period during the Term before any fine, penalty, interest or cost (other than any opportunity cost as a result of a failure to take advantage of any discount for early payment) may be added for nonpayment, such payments to be made directly to the taxing authorities where feasible, and shall promptly, upon request, furnish to Landlord copies of official receipts or other satisfactory proof evidencing such payments. If any such Imposition may, at the option of the taxpayer, lawfully be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Tenant may exercise the option to pay the same (and any accrued interest on the unpaid balance of such Imposition) in installments and, in such event, shall pay such installments during the

Term as the same become due and before any fine, penalty, premium, further interest or cost may be added thereto. Landlord, at its expense, shall, to the extent required or permitted by Legal Requirements, prepare and file all tax returns required to be filed by Landlord, including, without limitation, returns in respect of Landlord's net income, gross receipts, sales and use, single business, transaction, privilege, rent, ad valorem, franchise taxes, Real Estate Taxes and other Landlord Obligations, and taxes on its capital stock, and Tenant, at its expense, shall, to the extent required or permitted by Legal Requirements, prepare and file all tax returns and reports required to be filed by Tenant in respect of any Imposition as may be required by any Government Agency. Provided no monetary Default or Event of Default shall have occurred and be continuing, if any refund shall be due from any taxing authority in respect of any Imposition paid by Tenant, the same shall be paid over to or retained by Tenant. Landlord and Tenant shall each, upon request of the other, provide such data as is maintained by the party to whom the request is made with respect to the Leased Property as may be necessary to prepare any required returns and reports. In the event Government Agencies classify any property covered by this Lease as personal property, Tenant shall file all personal property tax returns in such jurisdictions where it may legally be required to so file. Each party shall, to the extent it possesses the same, provide the other, upon request, with cost and depreciation records necessary for filing returns for any property so classified as personal property. Where Landlord is legally required to file personal property tax returns, Landlord shall provide Tenant with copies of assessment notices in sufficient time for Tenant to file a protest. All Impositions assessed against such personal property that comprises FF&E shall be (irrespective of whether Landlord or Tenant shall file the relevant return) paid by the party that owns the FF&E not later than the last date on which the same may be made without interest or penalty. All Impositions assessed against such personal property that comprises Tenant's Personal Property shall be (irrespective of whether Landlord or Tenant shall file the relevant return) paid by Tenant not later than the last date on which the same may be made without interest or penalty. If the provisions of any Facility Mortgage require deposits on account of Impositions to be made with the Facility Mortgagee, provided the Facility Mortgagee has not elected to waive such provision, Tenant shall either pay Landlord the monthly amounts required with respect to any such Impositions at the time and place that payments of Minimum Rent are required and Landlord shall transfer such amounts to the Facility Mortgagee or, pursuant to written direction by Landlord, Tenant shall make such deposits directly with the Facility Mortgagee, and such payment to Landlord or Facility Mortgagee shall be deemed to satisfy Tenant's obligation hereunder to pay the Impositions.

Landlord shall give prompt Notice to Tenant of all Impositions payable by Tenant hereunder of which Landlord at any time has knowledge; provided, however, that Landlord's failure to give any such Notice shall in no way diminish Tenant's obligation hereunder to pay such Impositions, except that Landlord shall be responsible for any interest and/or penalties incurred by Tenant as a result of Landlord's failure to forward any invoices, assessment notices or other bills to Tenant and no Default or Event of Default shall be deemed to have occurred hereunder if Tenant's failure to pay timely any Impositions is due to Landlord's failure to give Tenant such Notice at least ten (10) days before the amounts therein are due.

Tenant shall give prompt Notice to Landlord of all taxes included in Landlord Obligations payable by Landlord hereunder of which Tenant at any time has knowledge; provided, however, that Tenant's failure to give any such Notice shall in no way diminish Landlord's obligation hereunder to pay such Landlord Obligations, except that Tenant shall be responsible for any interest and/or penalties incurred by Landlord as a result of Tenant's failure to forward any invoices, assessment notices or other bills to Landlord and no Landlord Default shall be deemed to have occurred hereunder if Landlord's failure to pay timely any taxes included in Landlord Obligations is due to Tenant's failure to give Landlord such Notice at least ten (10) days before the amounts therein are due.

(b) Utility Charges. Tenant shall pay or cause to be paid all charges

for electricity, power, gas, oil, water and other utilities used in connection with the Leased Property.

(c) Insurance Premiums. Except as otherwise provided in Section 9.2,

Tenant shall pay or cause to be paid all premiums for the insurance coverage required to be maintained by it pursuant to Article 9.

(d) Other Charges. Tenant shall pay or cause to be paid all other

amounts, liabilities and obligations that Tenant assumes or agrees to pay under this Lease, including, without limitation, all agreements to indemnify Landlord under Sections 4.3.3 and 9.8.

(e) Reimbursements for Prepaid Expenses. On the Commencement Date,

Tenant shall reimburse Landlord for all amounts described as Prepaid Expenses as set forth on Schedule 3.1.5 hereto.

(f) Reimbursement for Additional Charges. If Tenant (as opposed to

Manager) pays or causes to be paid Additional Charges attributable to periods before the Commencement Date, Tenant shall provide Notice to Landlord of such amounts and, within fifteen (15) days thereafter, Landlord shall remit to Tenant the amount of such Additional Charges paid. If Tenant pays or causes to be paid Additional Charges attributable to periods after the end of the Term, Tenant may, within sixty (60) days after the end of the Term, provide Notice to Landlord of such amounts. Provided no uncured monetary Default or Event of Default then exists, Landlord shall reimburse Tenant for all payments of such Additional Charges that are attributable to any period after the expiration or earlier termination of the Term of this Lease within fifteen (15) days after its receipt of such Notice. Notwithstanding the foregoing, Tenant shall only be reimbursed to the extent such Additional Charges are not taken into account in the calculation and settlement of Working Capital accounts as set forth in Section 4.5. In the event Manager pays for Additional Charges attributable to periods before the Commencement Date, Tenant shall receive a payment as set forth in Section 3.1.6(g) below. Tenant shall reimburse Landlord within fifteen (15) days after receipt of Notice (which shall be given within sixty (60) days after the end of the Term) for any Additional Charges paid by Landlord attributable to periods during the Term for which Tenant received a credit in the settlement of Working Capital.

3.1.6 Adjustments to/Abatements of Rent.

(a) FF&E Adjustment to Rent. Pursuant to the terms of Schedule

22.2, Rent shall be reduced by the amount of the FF&E Adjustments then in

effect. In the event there is an FF&E Adjustment which commences on a day other than the first day of an Accounting Period in which such FF&E Adjustment occurs, Landlord shall reimburse Tenant in cash, within fifteen (15) days after such FF&E Adjustment, an amount equal to the amount by which Rent paid for the Accounting Period in which the FF&E Adjustment commenced exceeded the amount of Rent (as reduced by the FF&E Adjustment) owed for such Accounting Period.

(b) Adjustments of Rent Following Owner-Funded Capital

Expenditures Under Management Agreement. Except as otherwise provided in

Section 3.1.6(c) or (e), effective on the date of any "Owner"-funded Capital Expenditures (as the term "Owner" is defined in the Management Agreement) paid by Landlord (other than Capital Expenditures paid out of the FF&E Reserve), the Rent due for each Fiscal Year thereafter in which Room Revenues for such Fiscal Year exceed the Annual Room Revenues Second Break Point shall be increased by an amount equal to [2%] of the amount of such contributions or expenditures.

(c) Adjustment of Rent for Major Capital Expenditures. In the

event of either a reduction or increase in Gross Revenues or an adverse or beneficial impact on the Facility's operations, in either case resulting from any Major Capital Expenditure, Landlord and Tenant shall, in good faith, negotiate possible modifications to the Minimum Rent and Percentage Rent to determine an appropriate temporary or permanent adjustment of Rent and the effective date of such adjustment. If Landlord and Tenant are unable to agree that a reduction or increase in Gross Revenues or an adverse or beneficial impact on Facility operations, in either case resulting from any Major Capital Expenditure, has occurred, within thirty (30) days after the date of Notice from either party to the other that such event has occurred (accompanied by reasonably detailed computations and documentation to support such assertion), the matter may be submitted by either party to arbitration under Article 15 for resolution and for determination of the amount of the adjustment to Minimum Rent and Percentage Rent contemplated hereby. Tenant shall continue to pay Minimum Rent and Percentage Rent as required under Sections 3.1.1 through 3.1.5 of this Lease until such time as any adjustments to Percentage Rent and/or Minimum Rent are agreed upon or determined as set forth above.

(d) Adjustment of Rent for Increases or Decreases in the FF&E

Reserve Percentage. In the event that there is an increase or decrease, as the

case may be, in the percentage of Gross Revenues from the Leased Property required to be deposited by Landlord in the FF&E Reserve (the "FF&E Reserve Percentage"), the Rent due for each Fiscal Year thereafter in which Room Revenues for such Fiscal Year exceed the Annual Room Revenues Second Break Point shall be increased (in the case of an increase in the FF&E Reserve Percentage) by an amount equal to the product of (i) the Room Revenues for such Fiscal Year times (ii) [19]% times (iii) the percentage point increase in the FF&E Reserve Percentage, or decreased (in the case of a decrease in the FF&E Reserve Percentage) by an amount equal to the product of (i) the Room Revenues for such Fiscal Year times (ii) [21]% times (iii) the percentage point decrease in the FF&E Reserve

Percentage, in each case for the period during which the adjusted FF&E Reserve Percentage remains in effect.

(e) Adjustment of Rent for Landlord Funded Increase in FF&E Reserve.

In the event that Landlord is required by Manager to fund an increase in the FF&E Reserve (other than by reason of an increase in the FF&E Reserve Percentage), the Rent due for each of the five full Fiscal Years following the Fiscal Year in which the funding of such increase occurred shall be increased, if the Room Revenues for such Fiscal Year exceed the Annual Room Revenues Second Break Point, by an amount equal to [4.75]% of the dollar amount increase in the FF&E Reserve resulting from such funding.

(f) Tenant Reimbursement for Landlord Obligations Paid by Manager or

Tenant. Landlord shall reimburse Tenant in cash for the amount of any Landlord

Obligations either (i) paid by Manager and deducted by Manager out of amounts owed to Tenant in accordance with the Management Agreement or (ii) paid by Tenant, such reimbursement to be paid within fifteen (15) days after receiving Notice thereof, provided no uncured monetary Default or Event of Default then exists.

(g) Tenant Reimbursement for Additional Charges Attributable to

Periods prior to the Commencement Date and Paid by Manager. In the event

Manager pays Additional Charges attributable to the period before the Commencement Date, and deducts the same from "Gross Revenues" (as defined in the Management Agreement) in accordance with the Management Agreement, and such Additional Charges were not taken into account in the calculation and settlement of Working Capital accounts as set forth in Section 4.5, such Additional Charges shall be the responsibility of Landlord, and Landlord shall remit to Tenant in cash within fifteen (15) days after receiving Notice thereof the amount of such Additional Charges paid, provided no uncured monetary Default or Event of Default then exists. In the event any item of Gross Revenues attributable to periods prior to the Commencement Date is not properly reflected in the initial calculation of Working Capital pursuant to Section 4.5, Tenant shall remit to Landlord in cash within fifteen (15) days after receiving Notice thereof the amount of such item not properly reflected.

(h) Abatement of Rent for Casualty. If and to the extent that any

Casualty results in a reduction of Gross Revenues as provided in Section 10.5, then Rent shall be abated to the extent provided in Section 10.5.

(i) Abatement of Rent for Partial Condemnation. In the event of a

partial Condemnation as described in Section 11.2 which does not result in a termination of this Lease by Landlord pursuant to Section 11.2, the Rent shall be abated in the manner and to the extent provided in Section 11.3.

3.2 Late Payment of Rent.

If any installment of (i) Minimum Rent, (ii) Percentage Rent, or (iii) Additional Charges (but only as to those Additional Charges that are payable directly to Landlord) shall not be paid on its due date, Tenant shall pay Landlord, on demand, as Additional Charges, a late charge (to the extent permitted by law) computed at the Overdue Rate on the amount of such installment, from the due date of such installment to the date of

payment thereof. To the extent that Tenant pays any Additional Charges directly to Landlord or the Facility Mortgagee pursuant to any requirement of this Lease, Tenant shall be relieved of its obligation to pay such Additional Charges to the Entity to which they would otherwise be due.

In the event of any failure by Tenant to pay any Additional Charges when due to any Entity other than Landlord, Tenant shall promptly pay and discharge, as Additional Charges, every fine, penalty, interest and cost that may be added by the Entity to which such Additional Charges are due (other than Landlord) for nonpayment or late payment of such items (subject to Landlord's obligation to pay or reimburse as provided in Section 3.1.5(a)).

3.3 Net Lease.

The Rent shall be absolutely net to Landlord so that this Lease shall yield to Landlord the full amount of the installments or amounts of Rent throughout the Term, subject to any other provisions of this Lease which expressly provide for adjustment or abatement of such Rent or expressly provide that certain Landlord Obligations and Capital Expenditures are to be paid and/or performed by Landlord.

3.4 No Termination, Abatement, Etc.

Except as otherwise specifically provided in this Lease, Tenant, to the maximum extent permitted by law, shall remain bound by this Lease in accordance with its terms and shall neither take any action without the consent of Landlord to modify, surrender or terminate this Lease, nor seek, nor be entitled to, any abatement, deduction, deferment or reduction of the Rent, or set-off against the Rent, nor shall the respective obligations of Landlord and Tenant be otherwise affected by reason of (a) any damage to or destruction of the Leased Property or any portion thereof from whatever cause or any Condemnation; (b) the lawful or unlawful prohibition of, or restriction upon, Tenant's use of the Leased Property, or any portion thereof, or the interference with such use by any Person, except to the extent that a court of competent jurisdiction has issued a final, nonappealable order determining that Tenant was constructively evicted from the Leased Property; (c) any claim that Tenant may have against Landlord by reason of any default or breach of any warranty by Landlord under this Lease or any other agreement between Landlord and Tenant, or to which Landlord and Tenant are parties (except for the Consent and Assignment); (d) any bankruptcy, insolvency, reorganization, composition, readjustment liquidation, dissolution, winding up or other proceedings affecting Landlord or any assignee or transferee of Landlord; or (e) any other cause whether similar or dissimilar to any of the foregoing, other than a discharge of Tenant from any such obligations as a matter of law; provided, however, that the foregoing shall not apply or be construed to restrict any other rights Tenant may have as a result of any act or omission by Landlord constituting gross negligence or willful misconduct. Tenant hereby waives all rights arising from any occurrence whatsoever, which may now or hereafter be conferred upon it by law, to (i) modify, surrender or terminate this Lease or quit or surrender the Leased Property or any portion thereof, or (ii) entitle Tenant to any abatement, reduction, suspension or deferment of the Rent or other sums payable or other obligations to be performed by Tenant hereunder, except as otherwise specifically provided in this Lease and except to the extent that a court of competent jurisdiction has issued a final,

nonappealable order determining that Tenant was constructively evicted from the Leased Property. The obligations of Tenant hereunder shall be separate and independent covenants and agreements, and the Rent and all other sums payable by Tenant hereunder shall continue to be payable in all events unless the obligations to pay the same shall be terminated pursuant to the express provisions of this Lease or this Lease shall be terminated. Notwithstanding anything set forth in this Lease to the contrary, in any instance where, after the occurrence of a Default or an Event of Default, this Lease expressly permits Landlord to retain funds which, but for the Default or Event of Default, would be payable to Tenant, Landlord shall refund such funds to Tenant to the extent the amount exceeds the amount estimated by Landlord in good faith to be necessary to compensate Landlord for any cost, loss, or damage incurred or reasonably expected to be incurred in connection with such Default or Event of Default.

3.5 Lockbox Procedures.

(a) In the event that either (i) the Tangible Net Worth of CCC is less than the Minimum Net Worth as of the end of three (3) consecutive Accounting Periods, or (ii) the Consolidated Coverage Ratio of CCC is less than 1.7 to 1.0 for three (3) consecutive Accounting Periods, or (iii) the Tangible Net Worth of CCC is less than two hundred percent (200%) of the amount of the maximum liability under the Guarantee from time to time as of the end of each of three (3) consecutive Accounting Periods, or (iv) there is an Event of Default under Section 12.1(a)(i) or a payment default (continuing beyond any applicable cure period) under any Other Lease subject to the Pooling Agreement, then, at Landlord's option and upon Notice to Manager and Tenant (the date of such notice, the "Lockbox Notice Date"), the procedures set forth in this Section 3.5 shall apply during the period beginning no later than two (2) weeks after the Lockbox Notice Date and continuing thereafter until the first (1st) day of the first (1st) full Accounting Period after (w) the Tangible Net Worth of CCC is at least equal to the Minimum Net Worth as of the end of each of three (3) consecutive Accounting Periods, (x) the Consolidated Coverage Ratio of CCC is at least 1.7 to 1.0 for three (3) consecutive Accounting Periods, (y) the Tangible Net Worth of CCC is at least equal to two hundred percent (200%) of the maximum liability under the Guarantee from time to time as of the end of each of three (3) consecutive Accounting Periods, and (z) no Event of Default under Section 12.1(a)(i) or payment default (continuing beyond any applicable cure period) under any Other Lease subject to the Pooling Agreement has been in effect as of the end of each of three consecutive Accounting Periods (such period, a "Lockbox Period").

(b) Following the Lockbox Notice Date and prior to commencement of the Lockbox Period, Landlord (or, if required by the terms of any Facility Mortgage, any Facility Mortgagee or its agent) shall establish and maintain a cash collateral account at a financial institution mutually acceptable to Landlord and Tenant (the "Lockbox Account"), as a segregated account in the name of Landlord (or, if applicable, the Facility Mortgagee or its agent), into which all revenues of Tenant due from Manager to Tenant or paid by Landlord to Tenant hereunder that are to be held as security for Tenant's obligations under this Lease shall be deposited.

(c) During the Lockbox Period, Manager shall, in accordance with the Consent and Assignment, deposit into the Lockbox Account all amounts required to be paid to Tenant under the Management Agreement and Landlord shall deposit any funds that it

is required to pay to Tenant under this Lease directly into the Lockbox Account. During the Lockbox Period, any funds received directly by Tenant and not yet deposited into the Lockbox Account shall irrevocably be deemed to be held in trust pursuant to the terms of this Section 3.5 and shall, immediately upon receipt and identification as belonging to Tenant (and in no event later than one full Business Day after receipt and identification as belonging to Tenant), be deposited by Tenant into the Lockbox Account.

(d) During the Lockbox Period, all funds that are received in cash in the Lockbox Account in any Accounting Period shall be disbursed in the following order of priority on the next date on which a scheduled payment of Rent is due:

First: for the account of Tenant, to pay to Landlord all Rent (including Additional Charges) due and payable by Tenant as of such payment date as shown on the Percentage Rent Schedule delivered by Tenant to Landlord with respect to the immediately preceding Accounting Period; and

Second: pursuant to the terms of the Pooling Agreement, and provided that no Event of Default under Section 12.1(a)(i) hereof has occurred and is then continuing, to such account or accounts and in such amounts as required pursuant to the Pooling Agreement; and

Third: provided that no Event of Default under Section 12.1(a)(i) hereof has occurred and is then continuing, any remaining balance will be transferred from the Lockbox Account to Tenant.

(e) The funds on deposit in the Lockbox Account shall be the property of Tenant but shall be pledged to Landlord as further security for Tenant's obligations under this Lease pursuant to the Security Agreement.

(f) Upon termination of the Lockbox Period, provided the Guarantors are not then in monetary default under the Guarantee, and unless otherwise specified in the Pooling Agreement, all amounts in the Lockbox Account shall be paid to Tenant.

ARTICLE 4
USE OF THE LEASED PROPERTY

4.1 Permitted Use.

4.1.1 Primary Intended Use.

Tenant shall, at all times during the Term and at any other time that Tenant shall be in possession of any Leased Property, continuously use the Leased Property for the operation of a first class, full-service hotel and for such other uses as may be incidental or necessary thereto (such use being hereinafter referred to as the Leased Property's "Primary Intended Use"). Tenant covenants and agrees to use its best efforts to operate the Facility according to First Class Operating Standards (which, during any period when the Management Agreement is in effect, Tenant shall be deemed to have done so long as Tenant uses its best efforts to cause the Manager to operate the Facility in accordance with the terms of the Management Agreement) and, except as otherwise expressly provided

herein, agrees to pay all costs related thereto. Tenant shall not use the Leased Property or any portion thereof for any use inconsistent with the Primary Intended Use without the prior written consent of Landlord. Tenant shall not take or omit to take any action, the taking or omission of which materially impairs the value or the usefulness of the Leased Property or any part thereof for its Primary Intended Use.

4.1.2 Necessary Approvals.

Tenant shall proceed with all due diligence and exercise best efforts to obtain and maintain (or to cause Manager to procure and maintain) all Licenses necessary to use and operate, for its Primary Intended Use, the Leased Property and Facility located thereon under Legal Requirements and Landlord shall cooperate with respect to obtaining any such License, including joining in any application for Licenses to the extent required by Legal Requirements.

4.1.3 Lawful Use, Etc.

Tenant shall not use, and shall use commercially reasonable efforts to prohibit third parties from using, the Leased Property or Tenant's Personal Property for any unlawful purpose. Tenant shall not commit, and shall use commercially reasonable efforts not to suffer to be committed, any waste on the Leased Property, or in the Facility, nor shall Tenant cause or permit any nuisance thereon or therein. Tenant shall not use, and shall use commercially reasonable efforts to prohibit third parties from using, the Leased Property or any portion thereof, including Tenant's Personal Property, in such a manner as (i) might reasonably tend to impair Landlord's (or Tenant's, as the case may be) title thereto or to any portion thereof or (ii) may reasonably make possible a claim or claims for adverse usage or adverse possession by the public, or of implied dedication of the Leased Property or any portion thereof. Tenant shall not use, and shall use commercially reasonable efforts to prohibit third parties from using, the Leased Property in any manner that will cause the cancellation of any insurance policy covering the Leased Property or any part thereof (unless another adequate policy is available), nor shall Tenant sell or otherwise provide to guests or residents therein, and shall use commercially reasonable efforts to prohibit third parties from keeping, using or selling in or about the Leased Property, any article which may be prohibited by law or by the standard form of fire insurance policies, or any other insurance policies required to be carried hereunder, or fire underwriter's regulations.

4.2 Compliance with Legal and Insurance Requirements, Etc.

Subject to the provisions of the Management Agreement and Article 8 hereof, and subject to compliance by Landlord with its obligations hereunder, Tenant, at its sole expense, shall (i) comply in all material respects with Legal Requirements and Insurance Requirements in respect of the use, operation, maintenance, repair, alteration and restoration of the Leased Property, including Legal Requirements regarding labor relations with respect to Manager's employees as required pursuant to the Management Agreement, and (ii) procure, maintain and comply in all material respects with all appropriate licenses, permits, and other authorizations and agreements required for any use of the Leased Property and Tenant's Personal Property then being made, and for the proper erection, installation, operation and maintenance of the Leased Property or any part thereof.

Landlord shall comply in all material respects with Legal Requirements pertaining to Landlord regarding labor relations with respect to Manager's employees.

4.3 Environmental Matters.

4.3.1 Restriction on Use, Etc.

Tenant shall not store, spill upon, dispose of or transfer to or from the Leased Property any Hazardous Materials, except that Tenant may store, transfer and dispose of Hazardous Materials in compliance with all Environmental Laws. Tenant shall use commercially reasonable efforts to cause Manager to maintain the Leased Property at all times free of any Hazardous Materials (except such Hazardous Materials as are maintained in compliance with all Environmental Laws). Tenant shall promptly (a) notify Landlord in writing of any material change in the nature or extent of Hazardous Materials at the Leased Property of which Tenant has notice or actual knowledge, (b) transmit to Landlord a copy of any Community Right to Know report which is required to be filed by Tenant with respect to the Leased Property pursuant to SARA Title III or any other Environmental Law, (c) transmit to Landlord copies of any demand letters, complaints or other documents initiating legal action, citations, orders, notices or other material communications asserting claims by private parties or government agencies with respect to Hazardous Materials received by Tenant or its agents or representatives (collectively, "Environmental Notice"), which Environmental Notice requires a written response or any action to be taken and/or if such Environmental Notice gives notice of and/or could give rise to a material violation of any Environmental Law and/or could give rise to any material cost, expense, loss or damage (an "Environmental Obligation"), (d) use commercially reasonable efforts to cause Manager to observe and comply with all Environmental Laws relating to the use, maintenance and disposal of Hazardous Materials and all orders or directives from any official, court or agency of competent jurisdiction relating to the use or maintenance thereof or requiring the removal, treatment, containment or other disposition thereof, and (e) subject to Section 4.3.2, pay or otherwise dispose of any fine, charge or imposition related thereto, unless Tenant shall contest the same in good faith and by appropriate proceedings and the right to use, and the value of, the Leased Property is not adversely affected thereby in any substantial manner.

If at any time Hazardous Materials are discovered in violation of Environmental Laws on the Leased Property, subject to Section 4.3.2 Tenant shall exercise commercially reasonable efforts to cause Manager to take all actions and incur any and all expenses (which actions and expenses shall be subject to Landlord's prior approval, not to be unreasonably withheld, conditioned or delayed except in Emergency Situations, in which case Landlord's prior approval shall not be required) as may be necessary or as may be required by any Government Agency (i) to clean up and remove from and about the Leased Property all Hazardous Materials thereon, (ii) to contain and prevent any further release or threat of release of Hazardous Materials on or about the Leased Property and (iii) to use good faith efforts to eliminate any further release or threat of release of Hazardous Materials on or about the Leased Property.

4.3.2 Environmental Indemnification of Tenant by Landlord.

Landlord shall protect, indemnify and hold harmless Tenant, its Affiliates and their respective members, shareholders or other equity owners, directors, management committee, or similar persons, trustees, officers, and employees and any of their respective successors or assigns (hereafter the "Tenant Indemnitees," and when referred to singly, a "Tenant Indemnitee") for, from and against any and all debts, liens, claims, causes of action, administrative orders or notices, costs, fines, penalties or expenses (including, without limitation, reasonable attorneys' fees and expenses) imposed upon, incurred by or asserted against any Tenant Indemnitee resulting from, either directly or indirectly, the presence during the Term in the Environment of the Leased Property or any properties surrounding the Leased Property of any Hazardous Materials (collectively, "Environmental Liabilities"), except to the extent that the same arise by reason of the negligence or willful misconduct of Tenant, any other Tenant Indemnitee, or their respective agents (including the Manager). Landlord's duty herein includes, but is not limited to, indemnification for costs associated with personal injury or property damage claims as a result of the presence of Hazardous Materials in, upon or under the soil or ground water of the Leased Property in violation of any Environmental Law. Upon Notice from Tenant, Landlord shall undertake the defense, at Landlord's sole cost and expense, of any indemnification duties set forth herein, in which event Landlord shall not be responsible for any duplicative attorneys' fees incurred by any Tenant Indemnitee.

Landlord shall, upon demand, pay to Tenant any cost, expense, loss or damage (including, without limitation, reasonable attorneys' fees) incurred by Tenant in asserting any right under this Section 4.3.2, including, without limitation, any right of indemnity under this Section 4.3.2 or otherwise arising from a failure of Landlord strictly to observe and perform the foregoing requirements, which amounts shall bear interest from the date upon which demand is made therefor until paid by Landlord to Tenant at the Overdue Rate. Landlord agrees to waive any and all rights of contribution from Tenant which might arise under applicable law for any liability imposed upon Landlord pursuant to this Section 4.3.2.

4.3.3 Environmental Indemnification of Landlord by Tenant.

Tenant shall protect, indemnify and hold harmless Landlord and each Facility Mortgagee, their Affiliates and their respective members, shareholders or other equity owners, directors, management committee, or similar persons, trustees, officers, and employees, and any of their respective successors or assigns (hereafter the "Landlord Indemnitees," and when referred to singly, a "Landlord Indemnitee") for, from and against any and all Environmental Liabilities to the extent that the same arise by reason of Tenant's, any other Tenant Indemnitee's, or their respective agents' (including the Manager's) gross negligence or willful misconduct. Upon Notice from Landlord, Tenant shall undertake the defense, at Tenant's sole cost and expense, of any indemnification duties set forth herein, in which event Tenant shall not be responsible for payment of any duplicative attorneys' fees incurred by any Landlord Indemnitee.

Tenant shall, upon demand, pay to Landlord, as an Additional Charge, any cost, expense, loss or damage (including, without limitation, reasonable attorneys' fees) incurred by Landlord in asserting any right under this Section 4.3.3, including, without

limitation, any right of indemnity under this Section 4.3.3 or otherwise arising from a failure of Tenant strictly to observe and perform the foregoing requirements, which amounts shall bear interest from the date upon which demand is made therefor until paid by Tenant to Landlord at the Overdue Rate. The foregoing notwithstanding, with respect to Tenant's indemnification of Landlord for the acts or failure to act of Manager, Tenant shall only become obligated to pay any sums upon a final, non-appealable determination, in a judicial proceeding in which Manager is a party (or a binding written acknowledgment of Manager to such effect), that Manager is liable for Environmental Liabilities arising from the placing, discharge, leakage, use or storage of Hazardous Materials, on the Leased Property, in violation of applicable Environmental Laws, by Manager's employees, representatives or agents.

4.3.4 Survival.

The provisions of this Section 4.3 shall survive the expiration or sooner termination of this Lease.

4.4 FF&E Reserve.

Tenant shall cause Manager to establish and maintain a reserve account (the "FF&E Reserve") in accordance with the terms of the Management Agreement and to deposit into such account during each Fiscal Year monies for the account of Landlord (which amounts shall be funds of Landlord for all purposes and shall be credited against the Rent obligation of Tenant pursuant to Section 3.1.6(f)) in the amount required to be maintained pursuant to the Management Agreement and in accordance with established custom of Manager prior to the Commencement Date. Landlord shall be responsible for the payment of all amounts required to be paid by "Owner" (as defined in the Management Agreement) pursuant to the Management Agreement to fund the FF&E Reserve, including, without limitation, any deficits therein, and for paying for all FF&E necessary for the continued operation of the Facility in accordance with First Class Operating Standards, subject to the provisions of Schedule 22.2. Tenant shall make no expenditure for replacement

of FF&E in excess of the amounts in the FF&E Reserve or otherwise required by the Management Agreement without first obtaining the written approval of Landlord (unless Tenant makes such expenditures from its own funds without any right to reimbursement hereunder). In the event Tenant funds any amounts required to be funded by Landlord for FF&E pursuant hereto or to the Management Agreement, Tenant shall receive a credit against Rent in accordance with Section 3.1.6 hereof. Any additions to or replacements of furniture, fixtures, and equipment located at the Leased Property shall become part of the FF&E which is owned by Landlord, subject to the limitations set forth in Schedule 22.2 hereof.

Throughout the Term of this Lease, Tenant shall, at its sole cost and expense but subject to the terms hereof and of the Management Agreement, cause all of the items of FF&E to be in proper working order and in good condition (ordinary wear and tear excepted).

4.5 Working Capital.

Landlord agrees to sell the existing working capital (including (a) Inventories, Fixed Asset Supplies, and net receivables due from Manager, and (b) accounts payable, accrued payroll expenses and other accrued expenses related to the Facility) (the "Working

Capital") to Tenant on the Commencement Date at a purchase price equal to the fair market value of such assets (which Landlord and Tenant agree is equal to the book value of such assets on the Commencement Date after taking into account any depreciation as of the Commencement Date). Such sale shall be made expressly subject to the Facility Mortgagee's first-priority lien, if any, on some or all of such Working Capital, and Tenant shall acknowledge same in writing to Lender and sign UCC-1 financing statements confirming same (at Landlord's expense) in accordance with the Facility Mortgagee Agreement, which financing statements shall be prepared and filed by Landlord at Landlord's sole cost and expense. The purchase price for the Working Capital shall be paid by Tenant by the issuance to Landlord of a promissory note in the form set forth on Exhibit E hereto (the "Working Capital Note"). The Working Capital Note shall be in the principal amount of said purchase price and shall provide for accrual of interest on such principal amount from the Commencement Date until payment in full thereof at the rate per annum equal to the "long-term applicable federal rate" (as defined in Section 1274 of the Code) in effect on the Commencement Date. The Working Capital Note shall provide that such interest will be payable from time to time at such time as each payment of Rent is due under Section 3.1.1, and the amount of interest paid under the Working Capital Note on any interest payment date also shall be credited against Rent payable on such date. The Working Capital Note shall further provide that the principal amount thereof will be payable in full, together with accrued and unpaid interest thereon, upon the expiration or earlier termination of this Lease for any reason (including, without limitation, a termination by the Facility Mortgagee in accordance with Section 20.2 hereof) as follows: Upon such expiration or termination, Tenant will transfer to Landlord, in payment of the principal amount of the Working Capital Note and accrued and unpaid interest thereon, title to all Working Capital then owned by Tenant. To the extent that the fair market value of the Working Capital at such time (which Landlord and Tenant agree shall be equal to the book value of such assets at such time after taking into account any depreciation as of such date) exceeds the principal amount of the Working Capital Note plus accrued and unpaid interest thereon, Landlord shall pay to Tenant an amount in cash equal to such excess; to the extent that such fair market value is less than the principal amount of the Working Capital Note plus accrued and unpaid interest thereon, Tenant shall pay to Landlord an amount in cash equal to such deficiency.

In the event that this Lease is terminated by the Facility Mortgagee pursuant to the terms of Section 20.2 hereof, Tenant agrees that it shall transfer title to the Working Capital then owned by it (and pay in cash any deficiency due to Landlord pursuant to the Working Capital Note) directly to the Facility Mortgagee or its designee and that it shall look only to Host O.P. for payment of the amount (if any) by which such payment exceeds the principal amount of the Working Capital Note, all in accordance with the terms of the Facility Mortgagee Agreement, and Host O.P. agrees to pay such amount.

Landlord and Tenant agree that, following the sale of the Working Capital on the Commencement Date as provided for above, all Working Capital during the Term of this Lease shall be the property of Tenant (and not Landlord) for all purposes (subject, however, to the Liens hereinafter referred to in this paragraph), and neither Landlord nor Tenant shall at any time take a position (in its books and records or otherwise) or make an assertion inconsistent therewith. Tenant has granted Landlord a security interest in all such Working Capital pursuant to Section 7.2 hereof. Tenant acknowledges that Landlord

has pledged and assigned to the Facility Mortgagee, as additional security for Landlord's obligations under the loan secured by the Facility Mortgage, the Working Capital Note and Landlord's rights and interest in respect of this Lease, including all Landlord Liens with respect to any and all Tenant's Personal Property, including, without limitation, all Working Capital owned by Tenant during the Term of this Lease, securing Tenant's obligations hereunder.

ARTICLE 5
MAINTENANCE AND REPAIRS; SURRENDER

5.1 Maintenance and Repair.

5.1.1 Tenant's Obligations.

Except as otherwise expressly provided in this Lease, and except for conditions caused by the gross negligence or willful misconduct of Landlord, its employees, agents or independent contractors (which terms shall not be deemed to include Manager with respect to actions or inactions of Manager during the Term of this Lease), Tenant shall, at its sole cost and expense, keep the Leased Property and all private roadways, sidewalks and curbs appurtenant thereto (and Tenant's Personal Property) in good order and repair, ordinary wear and tear excepted (whether or not the need for such repairs occurs as a result of Tenant's use, any prior use, the elements or the age of the Leased Property or Tenant's Personal Property, or any portion thereof), and shall promptly make all necessary and appropriate repairs and replacements thereto of every kind and nature (excluding Capital Expenditures), whether interior or exterior, structural or nonstructural, ordinary or extraordinary, foreseen or unforeseen, necessary for the Primary Intended Use (concealed or otherwise). Notwithstanding anything set forth herein to the contrary, unless the need for compliance with this Section 5.1.1 is caused by Tenant's negligence or willful misconduct or that of its employees or agents (including Manager, but only to the extent that Tenant is obligated to indemnify Landlord and Landlord Indemnitees for Manager's acts or omissions pursuant to Section 4.3.3) and is not otherwise covered by insurance, Tenant shall not be responsible for any necessary repair of Existing Conditions relating to Hazardous Materials, including, without limitation, those set forth and described on Schedule 5.1.1 hereto, which are Landlord

Obligations. All repairs shall be made in a good, workmanlike and first-class manner, in accordance with all Legal Requirements. Tenant shall not take or omit to take any action, the taking or omission of which materially impairs the value or the usefulness of the Leased Property or any part thereof for the Primary Intended Use. Tenant's obligations under this Section 5.1.1 shall be limited, in the event of any Casualty or Condemnation involving the Leased Property, as set forth in Articles 10 and 11. Tenant's obligations under this Section 5.1.1 with respect to FF&E are subject to the provisions of Section 4.4 hereof. Tenant shall have the non-exclusive right to prosecute claims against Landlord's predecessors-in-interest (other than any Affiliates of Landlord), contractors, subcontractors and suppliers for breach of any representation or warranty or for any latent defects in the Leased Property, unless Landlord is already diligently pursuing such claims.

5.1.2 Landlord Obligations.

(a) Landlord shall be obligated to pay the actual costs of any items that are classified as Capital Expenditures and are approved by Landlord as well as the actual costs of any necessary repairs (i) of Existing Conditions relating to Hazardous Materials or (ii) resulting from the gross negligence or willful misconduct of Landlord, its employees, agents or independent contractors (which terms shall not be deemed to include Manager with respect to acts or omissions of Manager during the Term of this Lease). Landlord shall not, however, except as expressly set forth herein or otherwise required under the Management Agreement or the Consent and Assignment (including, without limitation, as set forth in this Section 5.1.2 and in Sections 4.3.2, 4.4, 5.1.1, 9.9 and 21.3.3 and in Article 6 hereof), be required to build or rebuild any improvement on the Leased Property, or to make any repairs, replacements, alterations, restorations, or renewals of any nature or description to the Leased Property, whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen, or to make any expenditure whatsoever with respect thereto, or to maintain the Leased Property in any way. Landlord shall have the right to give, record and post, as appropriate, notices of nonresponsibility under any mechanic's lien laws now or hereafter existing.

(b) If, at any time or from time to time, the Management Agreement requires that funds be disbursed for repairs, maintenance, renovations or replacements at or to the Leased Property, or, pursuant to the terms of this Lease (including, without limitation, Section 4.4 hereof), Tenant is required to make any expenditures in connection with any repair, maintenance or renovation with respect to the Leased Property which constitute Landlord Obligations, and the amount of such disbursements or expenditures exceeds the amount on deposit in the FF&E Reserve, Tenant shall furnish Landlord with reasonable detail regarding the nature of the required repair, renovation or replacement, the estimated cost thereof and such other information with respect thereto as Landlord may reasonably require. Landlord shall, within ten (10) Business Days after such Notice, subject to and in accordance with the applicable provisions of Article 6, disburse such required funds to Tenant (or, if Tenant shall so elect, or if an Event of Default shall then exist hereunder, directly to Manager or any other Person performing the required work).

5.2 Tenant's Personal Property.

Tenant may (and shall as provided hereinbelow), at its expense, install, affix or assemble or place on the Facility any items of Tenant's Personal Property, and Tenant may, subject to Section 7.2 and the conditions set forth below, remove and replace the same at any time in the ordinary course of business. Tenant shall provide and maintain throughout the Term all such Tenant's Personal Property as shall be necessary in order to operate the Facility in compliance in all material respects with applicable Legal Requirements and Insurance Requirements and otherwise in accordance with customary practice in the industry for such Primary Intended Use.

Subject to Section 4.5 hereof, all Tenant's Personal Property (except that removed and replaced in the ordinary course of business as permitted above, but including supplies and inventory that are equivalent, on an aggregate basis, in amount and value similar to that reasonably established for use by the Facility in the immediately preceding Lease

Year) shall remain at the Leased Property at the expiration or earlier termination of this Lease without the necessity of any payment by Landlord to Tenant and without any obligation to account therefor.

If Tenant acquires an interest in any material item of Tenant's Personal Property (other than motor vehicles) on, or in connection with, the Leased Property that belongs to anyone other than Tenant, Tenant shall use its commercially reasonable efforts to require the agreement permitting such use to provide that Landlord or its designee may assume Tenant's rights under such agreement upon management or operation of the applicable Facility by Landlord or its designee.

5.3 Surrender.

(a) Condition of Leased Property Upon Surrender. Upon the expiration

or sooner termination of this Lease, Tenant shall vacate and surrender the Leased Property to Landlord in the condition in which the Leased Property was on the Commencement Date, ordinary wear and tear excepted, except as repaired, rebuilt, restored, altered or added to as permitted or required by the provisions of this Lease, ordinary wear and tear excepted. Together therewith Tenant shall surrender to Landlord any and all records and documents related to the Leased Property and Tenant's Personal Property (but not, subject to Section 5.3(d) hereof, documents primarily related to Tenant's business operated therein).

(b) [Intentionally omitted]

(c) Membership Contracts. Upon expiration or earlier termination of

this Lease, Tenant shall assign to Landlord any membership contracts relating to golf courses, spas or other facilities in which there are nonequity interests entered into by Tenant during the Term, and Landlord agrees to assume the obligations of Tenant under any such membership contracts arising from and after the date of expiration or earlier termination of this Lease.

(d) Transition Procedures. Tenant shall cooperate in good faith to

provide access and information to any prospective purchaser or tenant of the Leased Property that may acquire the Leased Property or lease it upon the expiration or earlier termination of the Term, provided that Landlord shall use its reasonable efforts to cause such prospective purchaser or tenant to enter into a confidentiality agreement with respect thereto reasonably acceptable to Tenant. Upon any expiration or earlier termination of the Term, Landlord and Tenant shall do the following and, in general, shall cooperate in good faith to effect an orderly transition of the management or lease of the Facility (and the provisions of this Section 5.3(d) shall survive the expiration or earlier termination of this Lease until they have been fully performed, up to a maximum period of one (1) year after such expiration or termination, and nothing contained herein shall limit Landlord's rights and remedies under this Lease if such termination occurs as the result of an Event of Default):

(i) Upon the expiration or earlier termination of the Term, Tenant shall use its commercially reasonable efforts (A) to transfer to Landlord or Landlord's designee all licenses, operating permits and other governmental

authorizations and all contracts with governmental or quasi-governmental entities, that may be necessary for the operation of the Facility (collectively, "Licenses"), to the extent transferable or (B) if such transfer is prohibited by law or Landlord otherwise elects, to cooperate with Landlord or Landlord's designee in connection with the processing by Landlord or Landlord's designee of any applications for all Licenses; provided, in either case, that the costs and expenses of any such transfer or the processing of any such application shall be paid by Landlord or Landlord's designee.

(ii) Tenant shall assign or cause to be assigned to Landlord or Landlord's designee simultaneously with the termination of this Lease, and the assignee shall assume, all leases, contracts, concession agreements and other agreements in effect with respect to the Facility then in Tenant's name; provided, however, that any leases of Excess FF&E shall be subject to the provisions of Schedule 22.2

hereof, and provided further, that Landlord shall not be obligated to assume and may reject any such contracts or agreements requiring the "Owner's" approval under the Management Agreement which were entered into subsequent to the date hereof and were not previously approved by Landlord. In the event Landlord declines to assume or reject any such contracts, agreements and/or leases, the contracts, agreements and/or leases so rejected shall not be assigned or shall be deemed reassigned and shall remain the property and responsibility of Tenant. In no event shall Landlord (or its designee) have any liability under such contracts for obligations or liabilities accruing under such contracts after the Commencement Date and prior to the date of such assumption by such party.

(iii) To the extent that Landlord has not already received copies thereof, copies of all books and records (including computer records) for the Facility kept by (or available to) Tenant shall be promptly delivered or made available for inspection and copying to Landlord or Landlord's designee.

(iv) Subject to Section 4.5 hereof, Tenant shall be entitled to retain all cash, bank accounts and house banks, and to collect all Gross Revenues and accounts receivable accrued through the termination date of this Lease. Tenant shall be responsible for the payment of Rent, all operating expenses of the Facility as provided in this Lease and all other obligations of Tenant accrued under this Lease as of the termination date, and Landlord shall be responsible for all operating expenses of the Facility accruing after the termination date.

(v) So long as termination is not the result of an Event of Default, Landlord shall reimburse Tenant for its reasonable expenses in connection with any cooperation with a prospective purchaser or tenant hereunder.

5.4 Encroachments, Restrictions, Etc.

If any portion of the Facility shall, at any time, encroach upon any property, street or right-of-way adjacent to the Leased Property, or shall violate the agreements or conditions contained in any lawful restrictive covenant or other agreement affecting the

Leased Property, or any part thereof, or shall impair the rights of others under any easement or right-of-way to which the Leased Property is subject, upon the request of Landlord (but only as to any encroachment, violation or impairment that is not a Permitted Lien) or of any Person affected by any such encroachment, violation or impairment, Tenant shall, at Tenant's sole cost and expense (except to the extent that the encroachment, violation or impairment existed prior to the Commencement Date or was the result of the act or omission of Landlord or its employees, agents (excluding Manager except for Manager's acts or omissions in respect of Landlord Obligations) or independent contractors), subject to its right to contest the existence of any encroachment, violation or impairment in accordance with the provisions of Article 8, either (a) obtain valid and effective waivers or settlements of all claims, liabilities and damages resulting from each such encroachment, violation or impairment, whether the same shall affect Landlord or Tenant or (b), subject to Section 6.1, make such changes in the Facility and take such other actions as are reasonably practicable to remove such encroachment and to end such violation or impairment, including, if necessary, the alteration of the Facility and, in any event, take all such actions as may be necessary in order to enable the continued operation of the Facility for its Primary Intended Use substantially in the manner and to the extent the Facility was operated prior to the assertion of such violation, impairment or encroachment. Any such alteration shall be made in conformity with the applicable requirements of this Article 5. Tenant's obligations under this Section 5.4 shall be in addition to and shall in no way discharge or diminish any obligation of any insurer under any policy of title or other insurance.

5.5 Landlord to Grant Easements, Etc.

Landlord shall from time to time, at the request of Tenant and at Landlord's sole cost and expense, (a) grant easements and other rights in the nature of easements with respect to the Leased Property to third parties, (b) release existing easements or other rights in the nature of easements which are for the benefit of the Leased Property, (c) dedicate or transfer unimproved portions of the Leased Property for road, highway or other public purposes, (d) execute petitions to have the Leased Property annexed to any municipal corporation or utility district, (e) execute amendments to any covenants and restrictions affecting the Leased Property and (f) execute and deliver to any Person any instrument appropriate to confirm or effect such grants, release, dedications, transfers, petitions and amendments (to the extent of its interests in the Leased Property); provided, however, that Landlord shall have first determined, in its reasonable discretion, that such grant, release, dedication, transfer, petition or amendment is not detrimental to the operation of the Leased Property for its Primary Intended Use and is beneficial to the value of the Leased Property and is not in violation of the Management Agreement, and Landlord shall have received an Officer's Certificate confirming such determination, together with such additional information as Landlord may request. Landlord agrees to obtain Tenant's prior written approval, which shall not be unreasonably withheld, conditioned or delayed, as to any recorded covenants, conditions and restrictions which would affect the use or operation of the Leased Property as it is then being used or operated by Tenant in accordance with this Lease (it being agreed that the provisions of a Facility Mortgage or a ground lease shall not be deemed to constitute covenants, conditions and restrictions subject to this sentence).

ARTICLE 6
CAPITAL EXPENDITURES, ETC.

6.1 Capital Expenditures.

It shall be Landlord's obligation (and a Retained Obligation) to approve and fund the cost of any Capital Expenditures, including, without limitation, any Capital Expenditures required under the Management Agreement, in accordance with the terms of the Management Agreement. Except as otherwise hereinafter provided, Tenant shall not construct or install Capital Expenditures on the Leased Property without obtaining Landlord's prior written consent. Landlord's approval of the Capital Portion of the Annual Budget shall constitute approval of the Capital Expenditures described therein. If Owner's consent is required under the Management Agreement with respect to any Capital Expenditure not covered in the Capital Portion of the Annual Budget, prior to commencing construction of any Capital Expenditure Tenant shall submit to Landlord, in writing, a proposal setting forth, in reasonable detail, any proposed Capital Expenditure and shall provide to Landlord such plans and specifications, permits, licenses, contracts and other information concerning the proposed Capital Expenditure as Landlord may reasonably request. Without limiting the generality of the foregoing, such proposal shall indicate the approximate projected cost of constructing such Capital Expenditure and the use or uses to which it will be put. Tenant shall not fund or otherwise finance the cost of any construction of any Capital Expenditure without the prior written consent of Landlord, which consent may be withheld by Landlord in Landlord's sole discretion (unless Landlord has declined to fund such Capital Expenditure, Manager has consented to such Capital Expenditure and Tenant's financing of such Capital Expenditure would not result in the imposition of a Lien on any portion of the Leased Property or the Capital Expenditure, in which event Landlord shall not unreasonably withhold its consent). Any Capital Expenditures funded or financed by Tenant shall, upon the expiration or sooner termination of this Lease, pass to and become the property of Landlord, free and clear of all encumbrances other than Permitted Liens. Notwithstanding the foregoing, Landlord's consent shall not be required in connection with any Capital Expenditures (i) with respect to which immediate action is required in order to comply with Legal Requirements or to prevent or remedy Emergency Situations or (ii) not requiring the "Owner's" consent under the Management Agreement; it being the intention hereof that the consent requirements hereunder shall be consistent with the "Owner" consent requirements with respect to Capital Expenditures under the Management Agreement.

6.2 [Intentionally Omitted.]

6.3 Cooperation by Tenant.

If Landlord shall, in Landlord's sole discretion, elect to finance any proposed Capital Expenditure, or if Landlord is otherwise required to do so pursuant to the terms of the Management Agreement and the Retained Obligations, Tenant shall provide Landlord with such information as Landlord may from time to time reasonably request.

6.4 Alterations.

Tenant shall have the right, at Tenant's sole cost and expense, to make additions, modifications or improvements to the Leased Property which are not Capital Expenditures ("Alterations") and which have a total cost of completion of less than or equal to (a) \$10,000, as to any individual Alteration, or (b) \$50,000, as to all Alterations, in the aggregate, over a twelve-month period, from time to time as Tenant, in its discretion, may deem desirable for the Primary Intended Use, provided that any such Alteration will not materially alter the character or purpose or materially detract from the value, operating efficiency or revenue-producing capability of the Leased Property or adversely affect the ability of Tenant to comply with the provisions of this Lease, and, without limiting the foregoing, will not violate any Legal Requirement or Insurance Requirement applicable to the Leased Property. Any Alteration estimated to exceed the applicable limits set forth above shall be subject to Landlord's prior approval and the terms set forth in Section 6.1. All such Alterations shall, upon expiration or earlier termination of this Lease, pass to and become the property of Landlord, free and clear of all liens and encumbrances, other than Permitted Liens.

6.5 Salvage.

All materials which are scrapped or removed in connection with the making of either Capital Expenditures, Alterations, or repairs required by Article 5 shall be the property of the party that paid for such work.

ARTICLE 7 LIENS

7.1 Prohibition on Liens.

Tenant shall not, directly or indirectly, create or allow to remain and shall promptly discharge, at its expense, any Lien on the Leased Property, Tenant's leasehold interest therein, any Tenant's Personal Property now or hereafter owned, any Excess FF&E owned by Tenant, any Excess FF&E Leasehold Interest, Working Capital, or the Rent, other than (a) Permitted Liens, (b) liens for Real Estate Taxes and other Landlord Obligations, (c) subleases permitted by Article 16, (d) liens for Impositions or for sums arising from the application of Legal Requirements so long as the same (i) are not yet delinquent or (ii) are being contested in accordance with Article 8, (e) liens of mechanics, laborers, materialmen, suppliers or vendors incurred in the ordinary course of business that are not yet delinquent or are for sums that are being contested in accordance with Article 8, (f) any Facility Mortgage or other liens which are the responsibility of Landlord pursuant to the provisions of Article 20, (g) liens first arising prior to the Commencement Date, and (h) Landlord Liens. Notwithstanding the foregoing, but subject to all other applicable terms and conditions of this Lease, including without limitation the provisions hereof regarding a Change in Control, a pledge of the ownership interests in CCC or OpCo or Tenant to secure bona fide Indebtedness shall not be deemed a violation of this Section 7.1, provided that a subsequent foreclosure or other realization upon such pledge shall be subject to the Change in Control provisions of this Lease.

All materialmen, contractors, artisans, mechanics and laborers and other persons contracting with Tenant with respect to the Leased Property, or any part thereof, are hereby charged with notice that Liens are expressly prohibited and that they must look solely to Tenant to secure payment for any work done or material furnished for Alterations or Capital Expenditures by Tenant or for any other purpose during the Term.

Tenant hereby acknowledges and agrees that, at all times while a Facility Mortgage is in effect, all Excess FF&E acquired by Tenant, directly or indirectly, from Landlord or leased by Tenant in accordance with Schedule 22.2

hereof shall be and remain subject to a first priority Lien in favor of the Facility Mortgagee. Tenant further acknowledges that Landlord has assigned and pledged (or may assign or pledge in the future) to the Facility Mortgagee, as additional security for Landlord's obligations under the loan secured by the Facility Mortgage, Landlord's rights and interests under the Landlord Liens with respect to any and all Tenant's Personal Property, Working Capital and Excess FF&E Leasehold Interest now owned or hereafter acquired by Tenant at any time while the Facility Mortgage remains in effect.

7.2 Landlord Lien.

In addition to any statutory landlord's lien and in order to secure (a) payment of the Rent and all other sums payable to Landlord hereunder by Tenant, (b) payment of the amounts owed under the Working Capital Note, (c) payment of any loss, cost or damage that Landlord may suffer by reason of Tenant's breach of this Lease, and (d) the performance of all of Tenant's other obligations hereunder and under the Working Capital Note, Tenant and Landlord have, simultaneously with the execution of this Lease, entered into a Security Agreement (the "Security Agreement") whereby Tenant grants unto Landlord a security interest in, and an express contractual lien upon, (i) Tenant's Personal Property (other than Working Capital), and all proceeds therefrom (subject to any Permitted Liens), (ii) any Excess FF&E owned by Tenant, (iii) any Excess FF&E Leasehold Interest of Tenant, and (iv) any Working Capital of Tenant (collectively, together with any statutory lien rights, "Landlord Liens"). Tenant's Personal Property shall not be removed from the Leased Property by Tenant at any time when a Default (with respect to any monetary obligation of Tenant to Landlord hereunder and under the Working Capital Note) or an Event of Default has occurred and is continuing except as otherwise permitted pursuant to Section 5.2. In addition, Tenant hereby grants unto Landlord a security interest in those contracts described in Section 5.3(d) (ii) hereof.

Upon Landlord's request, Tenant shall execute and deliver to Landlord financing statements in form sufficient to perfect the security interest of Landlord in (x) Tenant's Personal Property and the proceeds thereof, (y) the contracts described in Section 5.3(d) (ii) hereof, in accordance with the provisions of the applicable laws of the State, and (z) any and all Working Capital, Excess FF&E (subject to the Facility Mortgagee's first-priority Lien thereon) and Excess FF&E Leasehold Interests, in each case owned by Tenant from time to time during the Term of this Lease.

ARTICLE 8
PERMITTED CONTESTS

Tenant shall have the right to contest the amount or validity of any Imposition, Legal Requirement, Insurance Requirement, Environmental Obligation, lien, attachment, levy, encumbrance, charge or claim (collectively, "Claims") as to the Leased Property, by appropriate legal proceedings, conducted in good faith and with due diligence, provided that (a) the foregoing shall in no way be construed as relieving, modifying or extending any obligation of Tenant provided for in this Lease to pay any Claims as finally determined, (b) such contest, or the maintenance of any Lien during such contest, shall not cause Landlord or Tenant to be in default under any mortgage, deed of trust or other agreement encumbering the Leased Property or any interest therein or result in a Lien attaching to the Leased Property unless Tenant shall within ten (10) days thereafter, have such Lien released of record or deliver to Landlord a bond or other security reasonably satisfactory to Landlord, which shall be in form, amount, and issued by a surety reasonably satisfactory to Landlord, indemnifying Landlord against all costs and liabilities resulting from such Lien and the foreclosure or attempted foreclosure thereof, (c) no part of the Leased Property nor any Rent therefrom shall be in any immediate danger of sale, forfeiture, attachment or loss, and (d) Tenant shall indemnify and hold harmless Landlord from and against any cost, claim, damage, penalty or reasonable expense, including reasonable attorneys' fees, incurred by Landlord in connection therewith or as a result thereof. Tenant shall be entitled to any refund of any Claims and such charges and penalties or interest thereon which have been paid by Tenant or paid by Landlord and for which Landlord has been fully reimbursed by Tenant. If Tenant shall fail (x) to pay any Claims when finally determined, (y) to provide reasonable security therefor, or (z) to prosecute any such contest diligently and in good faith, Landlord may, upon reasonable notice to Tenant (which notice may be oral and shall not be required if Landlord shall reasonably determine that the same is not practicable), pay such charges, together with interest and penalties due with respect thereto, and Tenant shall reimburse Landlord therefor, upon demand, as Additional Charges. Landlord agrees to join in any such proceedings if required legally to prosecute such contest, provided that Landlord shall not thereby be subjected to any liability or cost therefor (including, without limitation, for the payment of any costs or expenses in connection therewith).

ARTICLE 9
INSURANCE AND INDEMNIFICATION

9.1 General Insurance Requirements.

At all times during the Term and at any other time Tenant shall be in possession of the Leased Property, the Leased Property shall be insured against the risks and in the amounts described below. This insurance shall be written by companies authorized to issue insurance in the State. The policies must name the party obtaining the policy as the insured and the other party, the Manager and any Facility Mortgagee(s) as additional named insureds and/or (in the case of any Facility Mortgagees) as loss payees. Losses shall be payable to Landlord or Tenant as provided in Article 10 of this Lease. Any loss adjustment for coverages insuring both parties shall require the written consent of Landlord and Tenant, each acting reasonably and in good faith. The policies on the Leased Property (including the Facility, Fixtures and FF&E owned by Landlord), and on Tenant's

Personal Property, shall, subject to Section 9.1(k), satisfy the requirements of any ground lease, mortgage, security agreement or other financing lien affecting the Leased Property (provided, however, that any insurance coverage maintained with respect to the Leased Property by Manager or Landlord in accordance with the Management Agreement shall be deemed to satisfy such requirements so long as the Management Agreement is in effect) and at a minimum shall include:

(a) "All Risk" property insurance, including insurance against loss or damage by fire, vandalism and malicious mischief, explosion of steamboilers, pressure vessels or other similar apparatus, now or hereafter installed in the Facility, extended coverage perils, earthquake (if available at commercially reasonable rates) and all physical loss perils insurance, including, but not limited to, sprinkler leakage, in an amount equal to one hundred percent (100%) of the then full Replacement Cost thereof (as defined in Section 9.2), with the usual extended coverage endorsements, including a Replacement Cost Endorsement and Builder's Risk Coverage during the continuance of any construction at the Leased Property;

(b) Loss of rent insurance (on the "Special Form") in the minimum amount of one (1) year of Minimum Rent and Percentage Rent (based on the last twelve (12) months in which the Facility was operated for its Primary Intended Use) for the benefit of Landlord, and business interruption insurance on the "Special Form" in the amount of one year of projected net profit of Tenant from the Facility (exclusive of collection costs and any operating expenses that are considered by the applicable insurance company to be non-continuing as a result of any Casualty), for the benefit of Tenant;

(c) Flood (if the Facility is located in whole or in part within an area identified as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, or the Flood Disaster Protection Act of 1973, as amended (or any successor acts thereto)) and such other hazards and in such amounts as may be customary for comparable properties in the area, said coverage to be in an amount equal to the lesser of the full Replacement Cost of the Facility or the maximum amount available;

(d) Comprehensive general liability insurance, including bodily injury, property damage, and innkeeper's liability (including broad form contractual liability, fire legal liability and completed operations coverage) having policy limits as to claims with respect to the Leased Property of at least One Million Dollars (\$1,000,000) per occurrence, Two Million Dollars (\$2,000,000) aggregate per location, provided that such limits shall be modified to conform to any required underlying statutory coverage, and Umbrella coverage shall be provided having limits of One Hundred Million Dollars (\$100,000,000) per occurrence and in the aggregate, and attaching in excess of policy limits as to general liability, where applicable, and employer's liability coverage, covering each of the following: bodily injury, death, or property damage liability per occurrence, personal injury, general aggregate, products and completed operations, and "all risk legal liability" (including liquor law or "dram shop" liability, if liquor or alcoholic beverages are served on the Leased Property) with respect to Landlord and Tenant;

(e) To the extent applicable at the facility, comprehensive form automobile liability insurance for owned, non-owned and hired vehicles in the amount of \$1,000,000;

(f) Fidelity bonds or blanket crime policies with limits and deductibles as may be reasonably determined by Landlord, covering Tenant's employees in job classifications normally bonded under prudent hotel management practices in the United States or otherwise required by law;

(g) To the extent applicable at the Facility, garagekeeper's legal liability insurance covering both comprehensive and collision-type losses with a limit of liability of \$1,000,000 for any one occurrence;

(h) Insurance coverage for claims by employees of Manager for wrongful termination, discrimination or sexual harassment;

(i) Worker's compensation insurance coverage for all persons employed by Tenant on the Leased Property with statutory limits and otherwise with limits of and provisions in accordance with Legal Requirements, and employer's liability insurance having a limit of \$500,000;

(j) To the extent applicable at the Facility, safe deposit box legal liability insurance covering property or guests while in a safe deposit box on the Leased Property for which Tenant is legally responsible with a limit of not less than \$100,000 in any one occurrence; and

(k) Such additional insurance and endorsements (and/or increased amounts of insurance hereinabove required) as may be reasonably required, from time to time, by Landlord, any Facility Mortgagee or any rating agency, or any existing or future ground lessor, provided that any incremental cost incurred as a result of such additional coverage shall be borne by Landlord.

9.2 Responsibility for Insurance.

Tenant shall obtain or cause to be obtained the insurance and pay the premiums for the coverages described in Sections 9.1(d) through (j) and for that portion of the premium for the coverage described in Section 9.1(b) that is attributable to business interruption insurance, and Landlord shall obtain the insurance and pay the premiums for the coverages described in Sections 9(a) through (c) and (k) (excluding that portion of the premium for the coverage described in Section 9.1(b) that is attributable to business interruption insurance that is for the benefit of Tenant). The party responsible for the premium for any insurance coverage shall also be responsible for any and all deductibles and self-insured retentions in connection with such coverages. In the event that either party can obtain comparable insurance coverage required to be carried by the other party from comparable insurers and at a cost significantly less than that at which such other party can obtain such coverage, the parties shall cooperate in good faith to obtain such coverage at the lower cost and shall allocate the premiums therefor in accordance with the provisions of the first sentence of this Section 9.2.

Notwithstanding anything in this Article 9 to the contrary, so long as the Management Agreement is in full force and effect and Manager is maintaining the insurance required thereunder, Landlord's and Tenant's obligations to maintain the insurance required under this Article 9 shall be deemed to have been met (provided, that the costs therefor shall be allocated between Landlord and Tenant in the manner contemplated by the first sentence of this Section 9.2).

9.3 Replacement Cost.

"Replacement Cost" as used herein, shall mean the actual replacement cost of the Leased Property requiring replacement from time to time, including an increased cost of construction endorsement, if available, and the cost of debris removal less exclusions provided in the standard form of fire insurance policy. In the event either party believes that the then full Replacement Cost has increased or decreased at any time during the Term, such party, at its own cost, shall have the right to have such full Replacement Cost redetermined by an independent accredited appraiser approved by the other, which approval shall not be unreasonably withheld or delayed. The party desiring to have the full Replacement Cost so redetermined shall forthwith, on receipt of such determination by such appraiser, give written notice thereof to the other. The determination of such appraiser shall be final and binding on the parties hereto, and Landlord shall forthwith conform the amount of the insurance carried to the amount so determined by the appraiser.

9.4 Waiver of Subrogation.

Landlord and Tenant agree that (insofar as and to the extent that such agreement may be effective without invalidating or making it impossible to secure insurance coverage from responsible insurance companies doing business in the State) with respect to any loss covered by insurance then being carried by Landlord or Tenant, respectively, the party carrying such insurance and suffering said loss releases the other of and from any and all claims with respect to such loss; and they further agree that their respective insurance companies shall have no right of subrogation against the other on account thereof, even though extra premium may result therefrom.

9.5 Form Satisfactory, Etc.

Subject to the second paragraph of Section 9.2, all insurance policies and endorsements required pursuant to this Article 9 shall be fully paid for, nonassessable and, except for umbrella and flood coverage, shall contain such provisions and expiration dates and be in such form and amounts and issued by insurance carriers authorized to do business in the State, having a general policy holder's rating of A/VI in Best's latest rating guide (or such other higher rating or such other customarily used rating agency as may be required by the Facility Mortgagee, provided that any additional expense associated with such higher ratings shall be borne by Landlord), and otherwise satisfactory to Landlord and Tenant. Without limiting the foregoing, such policies shall include only deductibles reasonably approved by Landlord. The party responsible for obtaining any policy shall deliver policies or certificates thereof to the other party prior to their effective date (and, with respect to any renewal policy, thirty (30) days prior to the expiration of the existing policy), and, in the event either party shall fail to effect such insurance as herein required,

to pay the premiums therefor or to deliver such policies or certificates to the other party or the Facility Mortgagee at the times required, the other party shall have the right, but not the obligation, after ten (10) days' written notice to the responsible party, to acquire such insurance and pay the premiums therefor, which amounts shall be reimbursed by the responsible party, together with interest accrued thereon at the Overdue Rate from the date such payment is made until the date repaid. All such policies shall provide the non-responsible party (and the Facility Mortgagee and Manager, if required by the same) thirty (30) days' prior written notice of any material modification, expiration or cancellation of such policy.

9.6 Blanket Policy.

Notwithstanding anything to the contrary contained in this Article 9, Tenant's and Landlord's obligations to maintain the insurance herein required may be brought within the coverage of a so-called blanket policy or policies of insurance, provided that, except as otherwise approved by the other party in writing, (a) the coverage thereby afforded will not be reduced or diminished from that which would exist under a separate policy meeting all other requirements of this Lease, and (b) the requirements of this Article 9 (including an appropriate allocation of the costs for such blanket policy between Landlord and Tenant in a manner consistent with the first sentence of Section 9.2) are otherwise satisfied.

9.7 No Separate Insurance.

Neither Landlord nor Tenant shall take out separate insurance concurrent in form or contributing in the event of loss with that required by this Article 9, or increase the amount of any existing insurance by securing an additional policy or additional policies, unless all parties having an insurable interest in the subject matter of such insurance are included therein as additional insureds and the loss is payable under such insurance in the same manner as losses are payable under the insurance required to be carried pursuant to this Lease. In the event either shall take out any such separate insurance or increase any of the amounts of the then existing insurance, it shall give the other party prompt Notice thereof.

9.8 General Indemnification of Landlord by Tenant.

Except as otherwise provided in Sections 4.3.2, 5.1.1, 9.9, 14.1 and 21.3.3, and except for liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including, without limitation, attorneys' fees) arising from Landlord's or any other Landlord Indemnitee's or their respective agents' (including Manager, but only with respect to Manager's acts or omissions with respect to Landlord Obligations) willful misconduct or gross negligence, Tenant shall protect, indemnify and hold harmless Landlord and each Landlord Indemnitee for, from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and reasonable expenses (including, without limitation, reasonable attorneys' fees), to the maximum extent permitted by law, and notwithstanding the existence of any insurance provided for herein, but subject to Section 9.4 hereof, and without regard to the policy limits of any such insurance, imposed upon or incurred by or asserted against Landlord or any Landlord Indemnitee by reason of:

(i) liabilities arising after the Commencement Date and during the Term under any leases, contracts, concession agreements or other agreements either (A) entered into by Tenant or any Tenant Indemnatee, or their respective agents (including Manager, except with respect to Manager's acts or omissions with respect to Landlord Obligations), with respect to the Facility, or (B) assigned to Tenant pursuant to Section 2.2(a) (except liabilities arising out of agreements described in this clause (B) for any employee claims by employees of Manager for wrongful termination, discrimination or sexual harassment, which liabilities are covered by the provisions of paragraph (ii) below),

(ii) the gross negligence or willful misconduct of Tenant or any other Tenant Indemnatee, or their respective agents (including Manager, except with respect to Manager's acts or omissions with respect to Landlord Obligations), including any such gross negligence or willful misconduct giving rise to any employee claims by employees of Manager for wrongful termination, discrimination or sexual harassment,

(iii) any accident, injury to or death of persons or loss of or damage to property occurring on or about the Leased Property or adjoining sidewalks or rights of way on or after the Commencement Date and during the Term, including, without limitation, any claims under liquor liability, "dram shop" or similar laws,

(iv) (a) any use, misuse, non-use, condition, management, maintenance or repair of the Leased Property or Tenant's Personal Property on or after the Commencement Date and during the Term, or (b) any litigation, proceeding (other than Condemnation proceedings) or claim by governmental entities or other third parties to which Landlord or any Landlord Indemnatee is made a party or participant or which is otherwise asserted against Landlord or any Landlord Indemnatee, relating to the Leased Property or Tenant's Personal Property or such use, misuse, non-use, condition, management, maintenance, or repair thereof on or after the Commencement Date and during the Term, including failure to perform obligations,

(v) any Impositions that are the obligations of Tenant to pay pursuant to the applicable provisions of this Lease, and

(vi) any failure on the part of Tenant or anyone claiming under Tenant to perform or comply with any of the terms of this Lease.

Tenant shall pay all amounts payable under this Section 9.8 within ten (10) days after demand therefor and, if not timely paid, such amounts shall bear interest at the Overdue Rate from the date of determination to the date of payment. Tenant, at its expense, shall contest, resist and defend any such claim, action or proceeding asserted or instituted against Landlord and shall not be responsible for any duplicate attorneys' fees incurred by Landlord or may compromise or otherwise dispose of the same, with Landlord's prior written consent (which consent may not be unreasonably withheld or delayed). In the event Landlord shall unreasonably withhold or delay its consent, Tenant shall not be liable pursuant to this Section 9.8 for any incremental increase in costs or expenses resulting therefrom. The obligations of Tenant under this Section 9.8 are in addition to the obligations set forth in Section 4.3.3 and 21.3.3 and shall survive the termination or expiration of this Lease.

9.9 General Indemnification of Tenant by Landlord.

Except for liabilities arising from Tenant's or any other Tenant Indemnitee's, or their respective agents' (including Manager, except with respect to Manager's acts or omissions with respect to Landlord Obligations) willful misconduct or gross negligence or resulting from conditions first arising after the Commencement Date and during the Term, Landlord shall protect, indemnify and hold harmless Tenant and each Tenant Indemnitee for, from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and reasonable expenses (including, without limitation, reasonable attorneys' fees), to the maximum extent permitted by law, and notwithstanding the existence of any insurance provided for herein, but subject to Section 9.4 hereof, and without regard to the policy limits of any such insurance, imposed upon or incurred by or asserted against Tenant or any Tenant Indemnitee by reason of:

(i) liabilities arising at any time under any leases, contracts, concession agreements or other agreements with respect to the Facility, except liabilities arising after the Commencement Date and during the Term under any leases, contracts, concession agreements or other agreements either (a) entered into during the Term by Tenant or any other Tenant Indemnitee, or their respective agents (including Manager, except with respect to Manager's acts or omissions with respect to Landlord Obligations) with respect to the Facility, or (b) assigned to Tenant pursuant to Section 2.2(a),

(ii) the gross negligence or willful misconduct of Landlord or any other Landlord Indemnitee, or their respective agents (including Manager, but only with respect to Manager's acts or omissions with respect to Landlord Obligations),

(iii) any accident, injury to or death of persons or loss of or damage to property occurring on or about the Leased Property or adjoining sidewalks or rights of way prior to the Commencement Date or after expiration or earlier termination of the Term, including, without limitation any claims under liquor liability, "dram shop" or similar laws,

(iv) (a) any use, misuse, non-use, condition, management, maintenance or repair of the Leased Property prior to the Commencement Date or after the expiration or early termination of the Term, or (ii) any litigation, proceeding (other than Condemnation proceedings) or claim by governmental entities or other third parties to which Tenant or any Tenant Indemnitee is made a party or participant or which is otherwise asserted against Tenant or any Tenant Indemnitee, relating to the Leased Property or such use, misuse, non-use, condition, management, maintenance, or repair thereof prior to the Commencement Date or after the expiration or earlier termination of the Term, including failure to perform obligations,

(v) any Landlord Obligations, and

(vi) any failure on the part of Landlord or anyone claiming under Landlord (including Manager, but only with respect to Manager's acts or omissions with respect to Landlord Obligations) to perform or comply with any of the terms of this Lease.

Landlord shall pay all amounts payable under this Section 9.9 within ten (10) days after demand therefor and, if not timely paid, such amounts shall bear interest at the

Overdue Rate from the date of determination to the date of payment. Landlord, at its expense, shall contest, resist and defend any such claim, action or proceeding asserted or instituted against Tenant and shall not be responsible for any duplicate attorneys' fees incurred by Tenant, or may compromise or otherwise dispose of the same with Tenant's prior written consent (which consent may not be unreasonably withheld or delayed). In the event Tenant shall unreasonably withhold or delay its consent, Landlord shall not be liable pursuant to this Section 9.9 for any incremental increase in costs or expenses resulting therefrom. The obligations of Landlord under this Section 9.9 are in addition to the obligations set forth in Section 4.3.2 and 21.3.3 and shall survive the termination of this Lease.

9.10 Independent Contractor.

Except as otherwise approved by Landlord in writing, Tenant shall cause any person or company entering upon the Leased Property to provide any installation, construction or repair (each a "Contractor"), which (x) constitutes a Capital Expenditure or (y) has an anticipated cost in excess of [\$ _____] to (a) have in full force and effect Contractor's Liability Coverage (hereafter defined) effective throughout the period said Contractor is upon the Leased Property and for one year thereafter and (b) deliver a certificate ("Contractor's Insurance Certificate") evidencing compliance with subpart (a) to Tenant prior to the Contractor's first entry upon the Leased Property. As used herein, the term "Contractor's Liability Coverage" means a comprehensive general liability insurance policy meeting the requirements of this Article 9 (as if required to be provided by Tenant) except the minimum policy limit shall be \$1,000,000 per occurrence and \$3,000,000 in the aggregate. Within thirty (30) days after delivery of Landlord's written request, Tenant shall deliver copies of all Contractor's Insurance Certificates to Landlord.

ARTICLE 10
CASUALTY

10.1 Insurance Proceeds.

All proceeds of the insurance contemplated by Section 9.1(a)-(c) payable by reason of any loss, damage or destruction to the Leased Property, or any portion thereof ("Casualty"), and insured under any policy of property or casualty insurance required by Article 9 (other than proceeds of business interruption insurance and any insurance proceeds paid with respect to Tenant's Personal Property, which shall be paid to Tenant) shall be paid directly to Landlord, and paid out by Landlord from time to time for the reasonable costs of reconstruction or repair of the Leased Property necessitated by such Casualty, if and to the extent required by the provisions of Section 10.2; provided, however, that so long as no Event of Default shall have occurred and be continuing, all such proceeds less than or equal to \$1,000,000 shall be paid directly to Tenant and applied to the reasonable costs of restoration and repair of the Leased Property necessitated by such Casualty, and such losses may be adjusted without Landlord's consent. Any excess proceeds of insurance remaining after the completion of the restoration shall be paid to Landlord. All salvage resulting from any risk covered by insurance shall belong to Landlord, except for any amount thereof paid with respect to Tenant's Personal Property. If Landlord is not required and elects not to repair and restore as permitted under this

Lease, and this Lease is terminated pursuant to Section 10.2, all such insurance proceeds shall be retained by Landlord, except for any amount thereof paid with respect to Tenant's Personal Property.

10.2 Reconstruction in the Event of Casualty.

10.2.1 Facility Rendered Unsuited for Its Primary Intended Use.

If during the Term the Leased Property is totally or partially destroyed by a Casualty and the Facility is thereby rendered Unsuited for Its Primary Intended Use, as reasonably determined by Landlord, this Lease shall terminate as of the date of the Casualty and neither Landlord nor Tenant shall have any further liability hereunder except for any liabilities which have arisen or occurred prior to such termination, and those which expressly survive termination of this Lease, and Landlord shall be entitled to retain all Casualty insurance proceeds (except for any amount thereof paid with respect to Tenant's Personal Property and any amount attributable to business interruption insurance). If the Lease is terminated in accordance with this Section 10.2.1, Landlord shall not be permitted to commence restoration of the Leased Property for a period of one (1) year after the date of the Casualty.

10.2.2 Facility Not Rendered Unsuited for Its Primary Intended

Use.

If during the Term the Leased Property is totally or partially destroyed by a Casualty, but the Facility is not thereby rendered Unsuited for Its Primary Intended Use, as reasonably determined by Landlord, Landlord or, at Landlord's election, Tenant shall, subject to Section 10.2.3, promptly restore the Facility as provided in Section 10.2.4. Except as provided in Section 10.2.3, such damage or destruction shall not terminate this Lease.

10.2.3 Deficiency in Insurance Proceeds. If the cost of the repair

or restoration exceeds the amount of proceeds received by Landlord from the insurance required under Article 9 and Tenant is obligated to restore pursuant to Section 10.2.2 hereof, Landlord agrees, subject to this Section 10.2.3, to contribute any excess amounts needed to restore the Facility prior to requiring Tenant to commence such work. Such difference shall be made available by Landlord, together with any insurance proceeds, for application to the cost of repair and restoration in accordance with the provisions of Section 10.2.4. In the event the sum of (a) the insurance proceeds released to Landlord, and (b) that portion of the deductible, if any, which is greater than five percent (5%) of the cost of the repair, is equal to at least ninety-five percent (95%) of the cost of the repair or restoration, Landlord shall fund the deficiency. In the event the sum of (y) the insurance proceeds, and (z) that portion of the deductible, if any, which is greater than five percent (5%) of the cost of the repair, is less than ninety-five percent (95%) of the cost of the repair or restoration, Landlord shall fund such deficiency in its sole discretion; provided, however, that in the event Landlord does not agree to make such deficiency available for restoration, either Landlord or Tenant may terminate this Lease by written notice to the other, whereupon this Lease shall terminate as provided in Section 10.2.1 and Landlord shall pay to Tenant a termination fee equal to Tenant's Operating Profit for the immediately preceding Fiscal Year. If Landlord or Tenant elects to terminate this Lease in accordance with this Section 10.2.3, Landlord shall not be permitted to commence restoration of the Leased Property for a period of one (1) year after the date of the Casualty.

10.2.4 Disbursement of Proceeds. In the event Tenant is required to restore

the Leased Property pursuant to Section 10.2.2, Tenant shall (or shall direct Manager to) commence promptly and continue diligently to perform the repair and restoration of the Leased Property, so as to restore the Leased Property in compliance with all Legal Requirements to substantially the same condition, to the extent reasonably practicable, as existed immediately before the damage or destruction and otherwise in accordance with this Lease. Landlord shall advance the insurance proceeds and, subject to the terms hereof, any additional amounts payable by Landlord pursuant to Section 10.2.3 to Tenant regularly during the repair and restoration period so as to permit payment for the cost of any such restoration and repair. Any such advances shall be made not more frequently than monthly within ten (10) Business Days after Tenant submits to Landlord a written requisition and substantiation therefor on AIA Forms G702 and G703 (or on such other form or forms as may be reasonably acceptable to Landlord). Landlord may, at its option, condition advancement of said insurance proceeds and other amounts on (i) the absence of any uncured Event of Default, (ii) its approval of plans and specifications of an architect reasonably satisfactory to Landlord (which approval shall not be unreasonably withheld or delayed), (iii) general contractor's estimates, (iv) architect's certificates, (v) unconditional lien waivers of general contractors (if available), (vi) evidence of approval by all governmental authorities and other regulatory bodies whose approval is required and (vii) such other certificates as Landlord may, from time to time, reasonably require.

Landlord's obligation to disburse insurance proceeds under this Article 10 shall be subject to the release of such proceeds by any Facility Mortgagee to Landlord, and Tenant's obligation to restore the Leased Property pursuant to this Article 10 shall be subject to the release of available insurance proceeds by any Facility Mortgagee to Landlord or directly to Tenant or Manager and, in the event such proceeds are insufficient, Landlord electing to make such deficiency available therefor (and disbursement of such deficiency); provided, however, that Landlord and Tenant shall each have the same termination rights in the event of any Facility Mortgagee's failure or refusal to disburse insurance proceeds as they have with respect to Landlord's failure to disburse any deficiency in insurance proceeds, as provided in Section 10.2.3.

10.3 Reconstruction in the Event of Damage or Destruction Not Covered by Insurance.

If during the Term the Facility is totally or materially damaged or destroyed by a risk not covered by the insurance described in Article 9, or if the proceeds of such insurance are not available to Landlord for restoration of the Facility, whether or not in either event such damage or destruction renders the Facility Unsuitable for Its Primary Intended Use, Landlord at its option shall either, (a) direct Tenant to restore the Facility at Landlord's sole cost and expense to substantially the same condition it was in immediately before such damage or destruction, in which case such damage or destruction shall not terminate this Lease, or (b) terminate this Lease and neither Landlord nor Tenant shall have any further liability thereunder, except for any liabilities which have arisen or occurred prior to such termination and those which expressly survive termination of this Lease.

10.4 Tenant's Property and Business Interruption Insurance.

All insurance proceeds payable by reason of any loss of or damage to any of Tenant's Personal Property and the business interruption insurance maintained for the benefit of Tenant shall be paid to Tenant.

10.5 Abatement of Rent.

Any damage or destruction due to Casualty notwithstanding, this Lease shall remain in full force and effect (except as otherwise expressly provided in this Article 10) and Tenant's obligation to pay Rent required by this Lease shall remain unabated by any Casualty which does not result in a reduction of Gross Revenues. If and to the extent that any Casualty results in a reduction of Gross Revenues (including proceeds of any business interruption insurance actually received by Tenant or that would have been received by Tenant if Tenant were in full compliance with the insurance requirements of Article 9) which would otherwise be realizable from the operation of the Facility, then Landlord shall receive all loss of rental income insurance and Tenant shall have no obligation to pay Rent with respect to any Accounting Period during the continuation of such Casualty in excess of the greater of (i) one-thirteenth (or one-twelfth, if Accounting Periods are then the same as calendar months) of the aggregate amount of Rent (excluding Additional Charges) paid to Landlord with respect to the last full Fiscal Year prior to such Casualty or (ii) the amount of Rent calculated with respect to such Accounting Period under Section 3.1.1 without regard to clause (A)(i) of such Section (which relates to Minimum Rent); provided, however, that if such damage or destruction was caused by Tenant's gross negligence or willful misconduct, Tenant shall remain liable for the amount of Rent which would have been payable hereunder at a rate equal to the average Rent during the last three (3) preceding Lease Years (or if three (3) Lease Years shall not have elapsed, the average during the preceding Lease Years), as if such Casualty had not occurred.

ARTICLE 11
CONDEMNATION

11.1 Total Condemnation, Etc.

If either (i) the whole of the Leased Property shall be taken by Condemnation or (ii) a Condemnation of less than the whole of the Leased Property renders the Leased Property Unsuitable for Its Primary Intended Use, as reasonably determined by Landlord, this Lease shall terminate as of the day of the Condemnation, and Tenant and Landlord shall seek the Award for their respective interests in the Leased Property as provided in Section 11.4.

11.2 Partial Condemnation.

In the event of a Condemnation of less than the whole of the Leased Property such that the Leased Property is still suitable for its Primary Intended Use, as reasonably determined by Landlord, Tenant shall, to the extent that the Award and additional amounts disbursed by Landlord are sufficient therefor, commence promptly and continue diligently to restore the untaken portion of the Facility so that the Facility shall constitute a complete architectural unit of the same general character and condition (as nearly as

may be possible under the circumstances) as the Facility existing immediately prior to such Condemnation, in full compliance with all Legal Requirements. Subject to the terms hereof, Landlord shall contribute to the cost of restoration that part of the Award necessary to complete such repair or restoration, together with severance and other damages awarded for the taken portion of the Facility (provided, however, that the amount of such contribution shall not exceed such cost), and such amounts shall be advanced to Tenant regularly during the restoration period so as to permit payment for the cost of such repair or restoration. Landlord may, at its option, condition advancement of such Award and other amounts on (i) the absence of any continuing Event of Default, (ii) its approval of plans and specifications of an architect reasonably satisfactory to Landlord (which approval shall not be unreasonably withheld or delayed), (iii) general contractors' estimates, (iv) architect's certificates, (v) unconditional lien waivers of general contractors (if available), (vi) evidence of approval by all governmental authorities and other regulatory bodies whose approval is required and (vii) such other certificates as Landlord may, from time to time, reasonably require. Landlord's obligation under this Section 11.2 to disburse the Award and such other amounts shall be subject to (x) the collection of the Award by Landlord and (y) the satisfaction of any applicable requirements of the Facility Mortgage, and the release of such Award by the Facility Mortgagee. Tenant's obligation to restore the Leased Property shall be subject to the release of the Award and any additional funds to be disbursed by Landlord pursuant hereto required for restoration. Subject to Section 21.3.3, if Landlord has received the Award, but elects not to make the Award available to Tenant for restoration, then Tenant shall have the right to terminate this Lease and Landlord shall pay to Tenant a termination fee equal to the amount of Tenant's Operating Profit for the immediately preceding Fiscal Year. Subject to Section 21.3.3, if Landlord has not received the Award, or the Award is insufficient to restore the untaken portion of the Facility as provided above, then Landlord, in its sole discretion, shall have the right to terminate this Lease and neither Landlord nor Tenant shall have any further liability hereunder, except for any liabilities which have arisen or occurred prior to such termination and those which expressly survive termination of this Lease, and Landlord shall be entitled to retain the entire Award; provided that Tenant shall be permitted to seek a separate award for the value of Tenant's Personal Property that was taken in such Condemnation; and provided further that if Landlord elects to terminate this Lease in accordance with this Section 11.2, then Landlord shall not be permitted to commence restoration of the untaken portion of the Leased Property for a period of one (1) year after the date of the Condemnation.

11.3 Abatement of Rent.

In the event of a partial Condemnation as described in Section 11.2 which does not result in a termination of this Lease by Landlord, the Rent shall be abated in the manner and to the extent that is fair, just, and equitable to both Tenant and Landlord, taking into consideration, among other relevant factors, the number of usable rooms, the amount of square footage, or the effect upon revenues of such partial Condemnation. If Landlord and Tenant are unable to agree upon the amount of such abatement within thirty (30) days after such partial Condemnation, the matter shall be submitted to appraisal as provided for in Article 19 hereof.

11.4 Allocation of Award.

Except as provided in the second sentence of this Section 11.4, the total Award shall be solely the property of and payable to Landlord. Any portion of the Award made for the taking of Tenant's leasehold interest in the Leased Property (valued without regard to any right of termination in Landlord that otherwise exists under this Article 11), loss of business during the remainder of the Term (determined without regard to any provision for termination that might otherwise arise under this Article 11), the taking of Tenant's Personal Property or Tenant's removal and relocation expenses shall be the sole property of and payable to Tenant (subject to the provisions of Section 11.2). Subject to the rights of the Manager under the Management Agreement and the rights of any Facility Mortgagee under a Facility Mortgage, in any Condemnation proceedings, Landlord and Tenant shall each seek its own Award in conformity herewith, at its own expense.

ARTICLE 12 TENANT DEFAULTS; REMEDIES

12.1 Event of Default.

The occurrence of any one or more of the following events shall constitute an "Event of Default" hereunder:

(a) Tenant fails (i) to make any payment of the Minimum Rent or Percentage Rent payable hereunder when due and such failure continues for a period of ten (10) days after the date due, or (ii) subject to the right to contest same pursuant to Article 8 hereof, to make any required payments of Additional Charges within ten (10) days following Notice from Landlord that such payment is due and owing and unpaid.

(b) Tenant fails to maintain the insurance coverages that it is required to maintain under Article 9.

(c) Except as otherwise expressly provided herein, Tenant defaults in the due observance or performance of any of the terms, covenants or agreements contained herein to be performed or observed by it (other than as specified in clauses (a) and (b) above), and, in either case, such default continues for a period of thirty (30) days after Notice thereof from Landlord to Tenant; provided, however, that if such default is curable but such cure cannot be accomplished with due diligence within such period of time and if, in addition, Tenant commences to cure such default within thirty (30) days after Notice thereof from Landlord and thereafter prosecutes the curing of such default with all due diligence, such period of time shall be extended to such period of time (not to exceed one hundred twenty (120) days in the aggregate, subject to Unavoidable Delay) as may be necessary to cure such default, provided further that the cure rights shall not apply to any breach of a Tenant covenant under Section 22.1, 22.3, 22.4, or 22.5.

(d) Any obligation of Tenant in respect of any Indebtedness (other than Tenant's obligations under any Excess FF&E Lease that constitutes Indebtedness) in a principal amount in excess of (\$1,000,000) for money borrowed or for the deferred purchase

price of any material property or services, is declared to be, or as a result of acceleration becomes, due and payable prior to the stated maturity thereof.

(e) There occurs a final unappealable determination by applicable federal or State authorities of the revocation or limitation of any material license (including, but not limited to, any gaming license), permit, certification, or approval required for the material lawful operation of the Facility in accordance with its Primary Intended Use or the loss or limitation of any material license (including but not limited to any gaming license), permit, certification, or approval under any other circumstances under which Tenant is required to cease its operation of the Facility in accordance with its Primary Intended Use at the time of such loss or limitation, which revocation, limitation or loss is not caused by actions of Landlord or its Affiliates or which is not beyond the reasonable control of Tenant.

(f) Tenant is generally not paying its debts as they become due, or Tenant makes a general assignment for the benefit of creditors.

(g) Any petition is filed by or against Tenant under the Federal bankruptcy laws, or any other proceeding is instituted by or against Tenant seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, reorganization, arrangement, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for Tenant or for any substantial part of the property of Tenant, and, in the case of any involuntary petition filed or proceeding instituted against Tenant only, such proceeding is not dismissed within sixty (60) days after institution thereof, or Tenant takes any action to authorize or effect any of the actions set forth above in this paragraph.

(h) Tenant causes or institutes any proceeding for its dissolution or termination.

(i) Tenant ceases operation of the Leased Property for its Primary Intended Use for a period in excess of thirty (30) consecutive days, except as a result of a Casualty, other Emergency Situations, the matters set forth in Section 23.17 or partial or complete Condemnation of or to the Facility or of or to the immediate surroundings so as to prohibit reasonable access by patrons to the Facility.

(j) The estate or interest of Tenant in the Leased Property or any part thereof is levied upon or attached in any proceeding and the same is not vacated or discharged within the later of (i) one hundred and twenty (120) days after commencement thereof, unless the amount in dispute is less than \$250,000, in which case Tenant shall give Notice to Landlord of the dispute but Tenant may defend in any suitable way, and (ii) thirty (30) days after receipt by Tenant of Notice thereof from Landlord (unless Tenant shall be contesting such lien or attachment in good faith in accordance with Article 8).

(k) Any Change in Control occurs.

(l) Tenant, OpCo or CCC defaults under the terms of any of the Related Agreements beyond the expiration of any applicable notice and cure periods.

(m) CCC fails to maintain for three (3) consecutive Accounting Periods either (i) a Tangible Net Worth equal to or greater than (x) the maximum liability under the Guarantee from time to time less (y) amounts held in any lockbox or cash collateral account under this Lease, any Other Lease, or any pooling and security agreement relating to Other Leases, including the Pooling Agreement, immediately after payment of Rent under Section 3.1.1 with respect to the preceding Accounting Period, or (ii) a Consolidated Coverage Ratio of at least 1.2 to 1.0.

In any such event, Landlord, in addition to all other remedies available to it, may terminate this Lease by giving Notice thereof to Tenant, and upon the expiration of the time, if any, fixed in such Notice, this Lease shall terminate and all rights of Tenant under this Lease shall cease. Subject to Section 23.11, Landlord shall have, and may exercise in its sole and absolute discretion, all, or none of the, rights and remedies available at law and in equity to Landlord as a result of Tenant's breach of this Lease; provided, however, that notwithstanding anything set forth herein to the contrary, (A) Landlord's sole remedy for an Event of Default under Section 12.1(k) and (m) shall be to terminate this Lease, and (B) Landlord's actual damages in the event of a breach by Tenant of any of its obligations pursuant to Article 22 and a resulting loss of REIT status by Host REIT shall include, without limitation, amounts equal to income taxes paid by Host REIT and (without duplication) loss of value of Host REIT, both to the extent attributable to the loss of REIT status; provided that any termination as a result of an Event of Default under Section 12.1(k) shall occur no later than 450 days after the applicable Change in Control (or such shorter period as may be expressly provided in the Management Agreement or Consent and Assignment) and upon not less than 30 days' Notice to Tenant. If Landlord terminates this Lease because of an Event of Default under Section 12.1(k) above, and the Change in Control does not involve an Adverse Party, then Landlord shall pay to Tenant a termination fee equal to Tenant's Operating Profit for the immediately preceding Fiscal Year.

Upon the occurrence of an Event of Default, Landlord may, in addition to any other remedies provided herein, enter upon the Leased Property and take possession thereof, and either (i) retain any and all of Tenant's Personal Property on the Leased Property, without liability for trespass or conversion (Tenant hereby waiving any right to Notice or hearing prior to such taking of possession by Landlord) or (ii) sell the same at public or private sale, after giving Tenant reasonable Notice of the time and place of any public or private sale, at which sale Tenant or its assigns may purchase all or any portion of Tenant's Personal Property. Unless otherwise provided by law and without intending to exclude any other manner of giving Tenant reasonable notice, the requirement of reasonable Notice shall be met if such Notice is given at least ten (10) Business Days before the date of sale. The proceeds from any such disposition, less all expenses incurred in connection with the taking of possession, holding and selling of such property (including reasonable attorneys' fees) shall belong to Landlord and shall be applied as a credit against the indebtedness which is secured by the security interest granted in Section 7.2. Any surplus shall be paid to Tenant or as otherwise required by law, and Tenant shall pay any deficiency to Landlord, as Additional Charges, upon demand.

The foregoing provisions hereof notwithstanding, Landlord shall have no right to assert any remedy hereunder in respect of an Event of Default, and an Event of

Default shall be deemed to no longer exist, if Tenant (or Guarantor, or its Affiliate, pursuant to the Guarantee or otherwise) cures an Event of Default (A) under Section 12.1(a) prior to the earlier of (x) the commencement by Landlord of the exercise of any remedy under this Lease by Landlord or (y) Landlord's Notice to Tenant stating that an Event of Default exists and further stating Landlord's intention to assert one or more remedies hereunder, and (B) under any of Section 12.1(b)-(m), prior to the commencement by Landlord of the exercise of any remedy under this Lease by Landlord.

12.2 Remedies.

None of (a) the termination of this Lease pursuant to Section 12.1, (b) the repossession of the Leased Property, (c) the failure of Landlord to re-let the Leased Property, or (d) the reletting of the Leased Property, shall relieve Tenant of its liability and obligations hereunder, all of which shall survive any such termination, repossession or re-letting. In the event of any such termination, Tenant shall forthwith pay to Landlord all Rent due and payable with respect to the Leased Property through and including the date of such termination. Thereafter, Tenant, until what would have been the end of the Term of this Lease in the absence of such termination, and whether or not the Leased Property or any portion thereof shall have been re-let, shall be liable to Landlord for, and shall pay to Landlord, as current damages, the Rent and other charges which would be payable hereunder for the remainder of the Term had such termination not occurred, less the net proceeds, if any, of any re-letting or other operation by or on behalf of Landlord of the Leased Property, after deducting all expenses in connection with such reletting, including, without limitation, all repossession costs, brokerage commissions, legal expenses, attorneys' fees, advertising, expenses of employees, alteration costs and expenses of preparation for such reletting. Tenant shall pay such current damages to Landlord monthly on the days on which the Minimum Rent would have been payable hereunder if this Lease had not been so terminated.

At any time after such termination, whether or not Landlord shall have collected any such current damages, as liquidated final damages beyond the date of such termination, Tenant shall pay to Landlord an amount equal to the present value (discounted at a rate of twelve percent (12%) per annum) of the excess, if any, of the Rent and other charges which would be payable hereunder from the date of such termination (assuming that, for the purposes of this paragraph, annual payments by Tenant on account of Impositions would be the same as payments required for the immediately preceding twelve calendar months, or if less than twelve calendar months have expired since the Commencement Date, the payments required for such lesser period projected to an annual amount) for what would be the then unexpired Term of this Lease if the same remained in effect, over the Fair Market Rental for the same period. Nothing contained in this Lease shall, however, limit or prejudice the right of Landlord to prove and obtain in proceedings for bankruptcy or insolvency an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, the damages are to be proved, whether or not the amount be greater than, equal to, or less than the amount of the loss or damages referred to above.

Percentage Rent for the purposes of this Section 12.2 shall be a sum equal to (i) the average of the annual amounts of Percentage Rent for the three (3) Fiscal Years

immediately preceding the Fiscal Year in which the termination, re-entry or repossession takes place, or (ii) if three (3) Fiscal Years shall not have elapsed, the Percentage Rent during the preceding Fiscal Year during which this Lease was in effect, or (iii) if one (1) Fiscal Year has not elapsed, the amount derived by annualizing the Percentage Rent from the Commencement Date of this Lease.

In case of any Event of Default, re-entry, expiration and dispossession by summary proceedings or otherwise, Landlord may, subject to the rights of Manager under the Management Agreement, (a) relet the Leased Property or any part or parts thereof, either in the name of Landlord or otherwise, for a term or terms which may, at Landlord's option, be equal to, less than or exceed the period which would otherwise have constituted the balance of the Term and may grant concessions or free rent to the extent that Landlord considers advisable and necessary to relet the same, and (b) make such reasonable alterations, repairs and decorations in the Leased Property or any portion thereof as Landlord, in its sole and absolute discretion, considers advisable and necessary for the purpose of reletting the Leased Property; and the making of such alterations, repairs and decorations shall not operate or be construed to release Tenant from liability hereunder as aforesaid. Subject to the last sentence of this paragraph, Landlord shall in no event be liable in any way whatsoever for any failure to relet all or any portion of the Leased Property, or, in the event that the Leased Property is relet, for failure to collect the rent under such reletting. To the maximum extent permitted by law, Tenant hereby expressly waives any and all rights of redemption granted under any present or future laws in the event of Tenant being evicted or dispossessed, or in the event of Landlord obtaining possession of the Leased Property, by reason of the occurrence and during the continuation of an Event of Default hereunder. Landlord covenants and agrees in the event of any termination of this Lease as a result of an Event of Default to use commercially reasonable efforts to mitigate its damages.

12.3 Waivers.

LANDLORD AND TENANT WAIVE, TO THE EXTENT PERMITTED BY LAW, ANY RIGHT TO A TRIAL BY JURY IN CONNECTION WITH ANY MATTER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT AND/OR TENANT'S USE OR OCCUPANCY OF THE LEASED PROPERTY. TENANT WAIVES, TO THE EXTENT PERMITTED BY LAW, THE BENEFIT OF ANY LAWS NOW OR HEREAFTER IN FORCE EXEMPTING PROPERTY FROM LIABILITY FOR RENT OR FOR DEBT.

12.4 Application of Funds.

Any payments received by Landlord under any of the provisions of this Lease during the existence or continuance of any Event of Default (and any payment made to Landlord rather than Tenant due to the existence of any Event of Default) shall be applied to Tenant's obligations under this Lease in such order as Landlord may determine or as may be prescribed by the laws of the State.

12.5 Landlord's Right to Cure Tenant's Default.

If an Event of Default shall have occurred and be continuing, Landlord, after Notice to Tenant (which Notice need not precede such action if Landlord shall reasonably determine immediate action is necessary to protect person or property), without waiving or releasing any obligation of Tenant and without waiving or releasing any Event of Default, may (but shall not be obligated to), at any time thereafter, make such payment or perform such act for the account and at the expense of Tenant, and may, to the maximum extent permitted by law, enter upon the Leased Property or any portion thereof for such purpose and take all such action thereon as, in Landlord's sole and absolute discretion, may be necessary or appropriate therefor, including the management of the Facility by Landlord or its designee, and Tenant hereby irrevocably appoints, in the event of such election by Landlord, Landlord or its designee as the operator of the Facility and its attorney in fact for such purpose, irrevocably and coupled with an interest, in the name, place and stead of Tenant. No such entry shall be deemed an eviction of Tenant. All reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by Landlord in connection therewith, together with interest thereon (to the extent permitted by law) at the Overdue Rate from the date such sums are paid by Landlord until repaid, shall be paid by Tenant to Landlord, on demand.

ARTICLE 13 HOLDING OVER

Any holding over by Tenant after the expiration or sooner termination of this Lease (other than with the express written consent of Landlord) shall be treated as a tenancy at sufferance at a rate equal to (a) one and one-half (1.5) times one-twelfth of the aggregate Minimum Rent and Percentage Rent payable with respect to the last Fiscal Year of the Term, (b) all Additional Charges accruing during the applicable Accounting Period, and (c) all other sums, if any, payable by Tenant under this Lease with respect to the Leased Property during the applicable Accounting Period. Tenant shall also pay to Landlord all damages (direct or indirect) sustained by reason of any such holding over. Otherwise, such holding over shall be on the terms and conditions set forth in this Lease, to the extent applicable. Nothing contained herein shall constitute the consent, express or implied, of Landlord to the holding over of Tenant after the expiration or earlier termination of this Lease.

ARTICLE 14 LANDLORD NOTICE OBLIGATION; LANDLORD DEFAULT

14.1 Landlord Notice Obligation.

Landlord shall give prompt Notice to Tenant and Manager of any matters materially affecting the Leased Property of which Landlord receives written notice or actual knowledge and, to the extent Tenant otherwise has no notice or actual knowledge thereof, Landlord shall be liable for any liabilities arising from the failure to deliver such Notice to Tenant. Except as expressly set forth herein or in the Consent and Assignment, Landlord shall not amend the Management Agreement without Tenant's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

14.2 Landlord's Default.

The occurrence of the following events shall constitute a "Landlord Default":

(a) Landlord fails to make any payment due hereunder when due and such failure continues for a period of ten (10) days following Notice from Tenant that such payment is due and owing and unpaid.

(b) Landlord fails to maintain the insurance coverages that it is required to maintain under Article 9.

(c) Landlord defaults in the due observance or performance of any of the terms, covenants or agreements contained herein to be performed or observed by it (other than as specified in clauses (a) and (b) above), and, in either case, such default continues for a period of thirty (30) days after Notice thereof from Tenant to Landlord; provided, however, that if such default is curable but such cure cannot be accomplished with due diligence within such period of time and if, in addition, Landlord commences to cure such default within thirty (30) days after Notice thereof from Tenant and thereafter prosecutes the curing of such default with all due diligence, such period of time shall be extended to such period of time (not to exceed one hundred twenty (120) days in the aggregate, subject to Unavoidable Delay) as may be necessary to cure such default.

(d) Landlord is generally not paying its debts as they become due, or Landlord makes a general assignment for the benefit of creditors.

(e) Any petition is filed by or against Landlord under the Federal bankruptcy laws, or any other proceeding is instituted by or against Landlord seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, reorganization, arrangement, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for Landlord or for any substantial part of the property of Landlord and, in the case of any involuntary petition filed or proceeding instituted against Landlord only, such proceeding is not dismissed within sixty (60) days after institution thereof, or Landlord takes any action to authorize or effect any of the actions set forth above in this paragraph.

(f) Landlord causes or institutes any proceeding for its dissolution or termination.

(g) Landlord or Host O.P. defaults under the terms of any of the Related Agreements beyond the expiration of any applicable notice and cure periods.

Subject to Section 23.11, in the event of a Landlord Default, Tenant shall have and may exercise all rights and remedies available at law and in equity, including, without limitation, the right to pursue an action for damages against Landlord; provided, however, that except as otherwise expressly provided in this Lease, Tenant shall have no right to terminate this Lease for any Landlord Default hereunder and no right to offset or counterclaim against any Rent or other charges due hereunder. If Landlord shall in good

faith dispute the occurrence of any Landlord Default and Landlord shall give Notice thereof to Tenant, setting forth, in reasonable detail, the basis therefor, and Tenant and Landlord shall fail, in good faith, to resolve any such dispute within ten (10) days after Landlord's Notice of dispute, then either may submit the matter to arbitration under Article 15 for resolution, and no Landlord Default shall be deemed to have occurred and Landlord shall have no obligation with respect thereto until final adverse determination thereof in such arbitration. In the event of any such adverse determination, Landlord shall pay to Tenant interest on any disputed funds at the Overdue Rate, from the date demand was made until paid, and in the event Landlord fails to make such payment within fifteen (15) days after such adverse determination, Tenant shall be entitled to offset such amount against the payment or, if necessary, payments of Rent next coming due hereunder. If Tenant reasonably determines that immediate action is necessary to protect person or property or to comply with Legal Requirements, Tenant may forthwith cure the Landlord Default and invoice Landlord for costs and expenses (including reasonable attorneys' fees and court costs) incurred by Tenant in curing the same, together with interest thereon from the date Landlord receives Tenant's Notice, at the Overdue Rate.

ARTICLE 15
ARBITRATION

15.1 Arbitration.

In each case specified in this Lease in which it shall become necessary to resort to arbitration, such arbitration shall be determined as provided in this Article 15. The party desiring such arbitration shall give Notice to that effect to the other party, specifying the nature of the dispute, the amount involved (if any), and the remedy sought. An arbitrator shall be selected by mutual agreement of the parties, or if they cannot agree within thirty (30) days of such Notice, by appointment made by the American Arbitration Association ("AAA") from among the members of its panels who are qualified and who have experience in resolving matters of a nature similar to the matter to be resolved by arbitration.

15.2 Arbitration Procedures.

Any arbitration commenced pursuant to Section 15.1 shall be conducted in accordance with the AAA's Rules of Commercial Arbitration in business disputes. A single arbitrator shall be designated and shall resolve the dispute. The arbitrator's decision shall be binding on all parties, shall not be subject to further review or appeal except as otherwise allowed by applicable law and may be filed in and enforced by a court of competent jurisdiction. The arbitrator shall award to the prevailing party, if any, as determined by the arbitrator, all of its costs and expenses, including attorneys' fees, arbitrator's fees, and reasonable out-of-pocket expenses of any kind, except as otherwise specified below in this Section 15.2. The term "prevailing party," as used in the preceding sentence, shall mean the party whose position is most nearly upheld in arbitration. Upon the failure of either party (the "non-complying party") to comply with the arbitrator's decision, the arbitrator shall be empowered, at the request of the other party, to order such compliance by the non-complying party and to supervise or arrange for the supervision of the non-complying party's obligation to comply with the arbitrator's decision, all at the expense of the non-complying party. To the maximum extent practicable, the arbitrator

and the parties, and the AAA, if applicable, shall take any action necessary to insure that the arbitration shall be concluded within ninety (90) days of the filing of such dispute. Unless otherwise agreed in writing by the parties or required by the arbitrator or the AAA, if applicable, arbitration proceedings hereunder shall be conducted in the Washington, DC, metropolitan area. Notwithstanding formal rules of evidence, each party may submit such evidence as each party deems appropriate to support its position, and the arbitrator shall have access to and the right to examine all books and records of Landlord and Tenant and, subject to the Management Agreement, the Manager regarding the Leased Property during the arbitration. The consideration of the parties to be bound by arbitration is not only the waiver of trial by jury but also the waiver of any rights to appeal the arbitration finding.

ARTICLE 16
SUBLETTING AND ASSIGNMENT

16.1 Subletting and Assignment.

Except as otherwise expressly provided in this Section 16.1, Tenant shall not, without the prior written consent of Landlord (which consent may be withheld in Landlord's sole and absolute discretion), assign, mortgage, pledge, hypothecate, encumber or otherwise transfer this Lease or sublease (which term shall be deemed to include the granting of concessions, licenses and the like) all or any part of the Leased Property, or suffer or permit this Lease or the leasehold estate created hereby or any other rights arising under this Lease to be assigned, transferred, mortgaged, pledged, hypothecated or encumbered, in whole or in part, whether voluntarily, involuntarily or by operation of law, or permit the use or occupancy of the Leased Property by anyone other than Tenant or Manager (except in accordance with Section 21.3.4), or permit the Leased Property to be offered or advertised for assignment or subletting. Notwithstanding the foregoing, (i) any sublease to a subtenant, licensee or concessionaire made in the ordinary course of operating the Facility (a) shall not require Landlord's consent if it is for a term of not more than five (5) years and involves not more than one thousand (1,000) square feet of rentable space, or (b) shall require Landlord's consent, but such consent shall not be unreasonably withheld, conditioned or delayed, if it is for a term of more than five (5) years or involves more than one thousand (1,000) square feet of rentable space and (ii) Tenant may, in each instance, after Notice to Landlord, sublease any or all of the Leased Property, or assign this Lease, to any Qualified Affiliate in accordance with Section 21.6.6, so long as such sublease will not violate or affect any applicable Legal Requirements or Insurance Requirements. For purposes of this Section 16.1, an assignment of this Lease (other than to a Qualified Affiliate in accordance with Section 21.6.6) shall be deemed to constitute a Change in Control.

If this Lease is assigned or if the Leased Property or any part thereof is sublet in contravention of this Lease, Landlord may collect the rents from such assignee, subtenant or occupant, as the case may be, and apply the net amount collected to the Rent herein reserved, but no such collection shall be deemed (i) a waiver of the provisions set forth in the first paragraph of this Section 16.1, (ii) the acceptance by Landlord of such assignee, subtenant or occupant, as the case may be, as a tenant, or (iii) a release of Tenant from the future performance by Tenant of its covenants, agreements or obligations contained in this Lease.

Tenant, as the debtor in possession, or the trustee for Tenant (collectively, the "Trustee") in any proceeding under Title 11 of the United States Bankruptcy Code relating to Bankruptcy, as amended (the "Bankruptcy Code"), shall not have the right to assign this Lease or sublet the Leased Property to an assignee or sublessee that (i) is a competitor of Landlord or (ii) is not a capable, reliable, qualified Person of good reputation and character with the financial capacity to satisfy Tenant's obligations under this Lease. The Trustee shall not have the right to assign this Lease or sublet the Leased Property to a real estate investment trust that is, or intends to be, publicly traded.

In the event that Tenant becomes the subject of any proceeding under Title 11 of the Bankruptcy Code, Tenant covenants and agrees that: (i) it shall promptly upon demand therefor from Landlord, but in no event later than sixty (60) days (as such time may be extended by a bankruptcy court in such proceeding) after the commencement of such proceeding (a "Tenant Bankruptcy"), announce its decision whether to assume or reject this Lease and Tenant's obligations under the Consent and Assignment and the Assigned Agreements, and promptly take and diligently pursue such actions as may be necessary to authorize and implement such decision; and (ii) it shall either assume this Lease and all of Tenant's obligations under the Consent and Assignment and the Assigned Agreements to the extent such Assigned Agreements have not expired or terminated in accordance with their respective terms, or it shall reject this Lease and all of Tenant's obligations under the Consent and Assignment and the Assigned Agreements. In a Tenant Bankruptcy, Tenant covenants and agrees that it cannot cure any defaults under this Lease and cannot provide adequate assurances of future performance of this Lease without curing any and all monetary and non-monetary defaults of Tenant's obligations under the Consent and Assignment and the Assigned Agreements and providing adequate assurances of Tenant's future performance of its obligations under the Consent and Assignment and the Assigned Agreements.

No subletting or assignment shall in any way impair the continuing primary liability of Tenant hereunder, and no consent to any subletting or assignment in a particular instance shall be deemed to be a waiver of the prohibition set forth in this Section 16.1. No assignment, subletting or occupancy shall affect any Primary Intended Use. Any subletting, assignment or other transfer of Tenant's interest under this Lease in contravention of this Section 16.1 shall be voidable at Landlord's option.

16.2 Required Sublease Provisions.

Any sublease of all or any portion of the Leased Property entered into on or subsequent to the Commencement Date shall provide (a) that it is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subject or subordinate; (b) that in the event of termination of this Lease or reentry or dispossession of Tenant by Landlord under this Lease, Landlord may, at its option, terminate such sublease or take over all of the right, title and interest of Tenant, as sublessor under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of such sublease, except that neither Landlord nor the Facility Mortgagee, as holder of a mortgage or as Landlord under this Lease, if such mortgagee succeeds to that position, shall (i) be liable for any act or omission of Tenant under such

sublease, (ii) be subject to any credit, counterclaim, offset or defense which theretofore accrued to such subtenant against Tenant, (iii) be bound by any previous modification of such sublease requiring Landlord's consent hereunder and not consented to in writing by Landlord or by any previous prepayment of more than one (1) month's rent, (iv) be bound by any covenant of Tenant to undertake or complete any construction of the Leased Property or any portion thereof, (v) be required to account for any security deposit of the subtenant other than any security deposit actually delivered to Landlord by Tenant, (vi) be bound by any obligation to make any payment to such subtenant or grant any credits, except for services, repairs, maintenance and restoration provided for under the sublease that are to be performed after the date of such attornment, (vii) be responsible for any monies owing by Tenant prior to the date of attornment to the credit of such subtenant, or (viii) be required to remove any Person occupying any portion of the Leased Property; and (c) in the event that such subtenant receives a written Notice from Landlord or the Facility Mortgagee stating that an Event of Default has occurred and is continuing, such subtenant shall thereafter be obligated to pay all rentals accruing under such sublease directly to the party giving such Notice or as such party may direct. All rentals received from such subtenant by Landlord or the Facility Mortgagee, as the case may be, shall be credited against the amounts owing by Tenant under this Lease, and such sublease shall provide that the subtenant thereunder shall, at the request of Landlord, execute a suitable instrument in confirmation of such agreement to attorn. An original counterpart of each such sublease and assignment and assumption, duly executed by Tenant and such subtenant or assignee, as the case may be, in form and substance reasonably satisfactory to Landlord, shall be delivered promptly to Landlord upon request and (a) in the case of an assignment, the assignee shall assume in writing and agree to keep and perform all of the terms of this Lease on the part of Tenant to be kept and performed and shall be, and become, jointly and severally liable with Tenant for the performance thereof and (b) in case of either an assignment or subletting, Tenant shall remain primarily liable, as principal rather than as surety, for the prompt payment of the Rent and for the performance and observance of all of the covenants and conditions to be performed by Tenant hereunder.

The provisions of this Section 16.2 shall not be deemed a waiver of the provisions set forth in the first paragraph of Section 16.1.

16.3 No Right of Tenant to Mortgage Its Leasehold.

Notwithstanding any other provision of this Lease to the contrary, Tenant shall not assign its interest in this Lease as collateral for Indebtedness.

ARTICLE 17 ESTOPPEL CERTIFICATES AND FINANCIAL STATEMENTS

17.1 Estoppel Certificates.

At any time and from time to time, upon not less than ten (10) Business Days prior Notice by either party, the non-requesting party shall furnish to the requesting party, or a designee thereof, an Officer's Certificate certifying that this Lease is unmodified and in full force and effect (or that this Lease is in full force and effect as modified and setting forth the modifications), the date to which the Rent has been paid, that to the knowledge of the

certifying party, no Default or an Event of Default has occurred and is continuing or, if a Default or an Event of Default shall exist, specifying in reasonable detail the nature thereof and the steps being taken to remedy the same, and such additional information as the requesting party may reasonably request. Any such certificate furnished pursuant to this Section 17.1 may be relied upon by the requesting party, its lender, and any prospective purchaser or mortgagee of the Leased Property or the leasehold estate conveyed hereby.

17.2 Financial Statements.

Tenant shall furnish the following statements to Landlord:

(a) within forty (40) days after each of the first three (3) quarters of any Fiscal Year, the most recent unaudited CCC Consolidated Financial Statements accompanied by the Financial Officer's Certificate;

(b) within eighty (80) days after the end of each Fiscal Year, the CCC Consolidated Financial Statements for such Fiscal Year, certified by an independent certified public accountant reasonably satisfactory to Landlord and accompanied by a Financial Officer's Certificate;

(c) within [] days after the end of each Fiscal Year, the results of operations of the Facility for the preceding Fiscal Year (the "Annual Operating Statement"), in the form received by Tenant from Manager in accordance with the Management Agreement, accompanied by a Financial Officer's Certificate;

(d) simultaneously with the payment of Rent under Section 3.1.1, the results of operations of the Facility for the preceding Accounting Period (the "Accounting Period Statement"), in the form received by Tenant from Manager in accordance with the Management Agreement;

(e) simultaneously with the payment of Rent under Section 3.1.1, the Percentage Rent Schedule and, simultaneously with the payment of Rent with respect to the final Accounting Period of each Fiscal Year, the Year End Percentage Rent Schedule, accompanied by a Financial Officer's Certificate;

(f) not later than twenty-eight (28) days after the end of each Accounting Period, except as described below, the summary of operating results of the Facility (the "Period Report"). The Period Report will provide REVPAR and EBITDA substantially in the format of the period report attached hereto as Schedule 17.2(f). Notwithstanding the foregoing, for the first Accounting
- -----
Period of each Fiscal Year, the Period Report will be provided to Landlord not later than thirty-five (35) days after the end of the prior Fiscal Year;

(g) not later than twenty-eight (28) days after each of the first three (3) quarters of any Fiscal Year, Tenant will provide the forecast Gross Revenues, Room Revenues and EBITDA for the Facility. In addition, to the extent such information is

available from Manager, Tenant will provide forecast Gross Revenues by department by Accounting Period and for the Fiscal Year;

(h) promptly after the sending or filing thereof, copies of all periodic reports which CCC, OpCo or Tenant files with the SEC or any stock exchange on which any of their shares are listed or traded;

(i) promptly after the delivery thereof to Tenant, a copy of any management letter or written report prepared by the independent certified public accountants with respect to the financial condition, operations, business or prospects of Tenant, as the case may be; and

(j) at the expense of Landlord, at any time and from time to time upon not less than forty-five (45) days Notice from Landlord, any financial reporting information required to be filed by Landlord with any securities or exchange commission, the SEC or any successor agency, or any other governmental authority, or required pursuant to any order issued by any court, governmental authority or arbitrator in any litigation to which Landlord is a party, for purposes of compliance therewith.

Landlord may at any time, and from time to time, provide the Facility Mortgagee with copies of any of the foregoing statements, provided that Landlord has used commercially reasonable efforts to cause the Facility Mortgagee to execute and deliver a confidentiality agreement reasonably satisfactory to Tenant. Upon reasonable Notice from Landlord, Tenant agrees to cooperate with Landlord to provide to Landlord the data, forecasts, and reports used in the preparation of the foregoing statements within a reasonable time frame after such data and reports become available to Tenant, provided, however, that Tenant makes no representation as to the accuracy of the data, forecasts and reports provided.

17.3 Annual Budget.

Not later than twenty-eight (28) days prior to the commencement of each Fiscal Year except for the first Fiscal Year, Tenant shall prepare and submit to Landlord a schedule of Tenant's reasonable estimate of Gross Revenues by department (the "Operating Budget Summary"). Not later than fifteen (15) days prior to the commencement of each Fiscal Year except for the first Fiscal Year, Tenant shall prepare and submit to Landlord an operating budget (the "Operating Budget") and a capital budget (the "Capital Budget") prepared in accordance with the requirements of this Section 17.3.2. The Operating Budget and the Capital Budget (together, the "Annual Budget") shall be consistent with the format provided by Manager and show the following for the year as a whole:

(a) Tenant's reasonable estimate of Gross Revenues (including room rates and anticipated Room Revenues) for the forthcoming Fiscal Year, as approved by Landlord and Tenant, together with a summary of the estimated operating results provided by the Manager;

(b) An estimate of any amounts Landlord will be requested to provide for Capital Expenditures during the Fiscal Year;

(c) An estimate of the expenditures necessary for replacements and renewals of FF&E (the "FF&E Estimate"); and

(d) Tenant's reasonable estimate of Percentage Rent payable with respect to Room Revenues, Food and Beverages Sales, and Other Income.

Upon reasonable Notice from Landlord, Tenant agrees to cooperate with Landlord to provide to Landlord the data, forecasts, and reports used in the preparation of the Capital Budget and the Operating Budget within a reasonable time frame after such data and reports become available to Tenant, provided, however, that Tenant makes no representation as to the accuracy of the data, forecasts and reports provided. Landlord shall have twenty-five (25) days after the date on which it receives the Annual Budget to review, disapprove or change the entries and information appearing in the Annual Budget relating to the Capital Budget or the FF&E Estimate, but with regard to the FF&E Estimate, but only to the extent the FF&E Estimate indicates amounts in excess of the FF&E Reserve (the Capital Budget and the FF&E Estimate, to the extent it proposes expenditures in excess of the FF&E Reserve, are collectively referred to herein as the "Capital Portion"). If the parties are not able to reach agreement on the Capital Portion for any Fiscal Year during Landlord's twenty-five (25)-day review period, the parties shall attempt in good faith during the subsequent twenty-five (25)-day period to resolve any disputes, which attempt shall include, if requested by either party, at least one (1) meeting of executive level officers of Landlord and Tenant. In the event the parties are still not able to reach agreement on the Capital Portion of the Annual Budget for any particular Fiscal Year after complying with the foregoing requirements of this Section 17.3.2, no Capital Expenditures or FF&E expenditures in excess of the FF&E Reserve shall be made unless the same are set forth in a previously approved Capital Budget or are specifically approved by Landlord or are otherwise required to comply with Legal Requirements or to make emergency expenditures in connection with Emergency Situations or otherwise required pursuant to the Management Agreement.

Tenant shall operate the Leased Property consistent with the Annual Budget and shall promptly report to Landlord in writing any actual or anticipated deviation from the Operating Budget or Capital Budget of any material or long-term consequence. To the extent the budget estimates for the categories of revenues identified in (d) above are not made available on an Accounting Period or Fiscal Year basis from Manager, Tenant shall cooperate with Landlord, at Landlord's sole cost, in its efforts to obtain such budget information from Manager.

Not later than seventy-five (75) days after the beginning of the Fiscal Year, Tenant shall provide Landlord with itemized schedules on an Accounting Period basis detailing the Operating Budget and the anticipated Percentage Rent (collectively, the "Budget Spread").

ARTICLE 18
LANDLORD'S RIGHT TO INSPECT

Tenant shall permit Landlord and its authorized representatives to inspect the Leased Property during normal business hours upon not less than twenty-four (24) hours Notice, and to make such repairs as are required by Legal Requirements and Insurance Requirements which Tenant fails to make and as Landlord is permitted or required to make pursuant to the terms of this Lease, provided that any inspection or repair by Landlord or its representatives will not unreasonably interfere with Tenant's use and operation of the Leased Property and provided further that in the event of an emergency, as determined by Landlord in its reasonable discretion, prior Notice shall not be necessary.

ARTICLE 19
APPRAISAL

In the event that it becomes necessary to determine the Fair Market Value or Fair Market Rental of the Leased Property for any purpose of this Lease, or the amount of any adjustment to or abatement of Minimum Rent and Percentage Rent hereunder, and the parties cannot agree thereon, such Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, shall be determined upon the written request of either party in accordance with the following procedure.

The party requesting an appraisal, by Notice given to the other, shall propose and unilaterally appoint a Qualified Appraiser. The other party, by Notice given within fifteen (15) days after receipt of such Notice appointing the first Qualified Appraiser, may appoint a second Qualified Appraiser. If the other party fails to appoint the second Qualified Appraiser within such fifteen (15)-day period, such party shall have waived its right to appoint a Qualified Appraiser, the first Qualified Appraiser shall appoint a second Qualified Appraiser within fifteen (15) days thereafter, and the Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, shall be determined by the Qualified Appraisers as set forth below.

The two Qualified Appraisers shall thereupon endeavor to agree upon the Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be. If the two Qualified Appraisers so named cannot agree upon such value or rental, or reduction, adjustment or abatement, as the case may be, within thirty (30) days after the designation of the second such appraiser, each such appraiser shall, within five (5) days after the expiration of such thirty (30)-day period, submit his appraisal to the other appraiser in writing, and if the Fair Market Values or Fair Market Rentals, or amounts of reduction, adjustment or abatement, as the case may be, set forth in such appraisals vary by five percent (5%) or less of the greater value, the Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, shall be determined by calculating the average of the two determinations of the two appraisers.

If the Fair Market Values or Fair Market Rentals, or amounts of reduction, adjustment or abatement, as the case may be, set forth in the two appraisals vary by more than five percent (5%) of the greater value, the two Qualified Appraisers shall select a third Qualified Appraiser within an additional fifteen (15) days following the expiration of

the aforesaid five (5)-day period. If the two appraisers are unable to agree upon the appointment of a third appraiser within such fifteen (15)-day period, either party may, upon written notice to the other, request that such appointment be made by the then President (or equivalent officer) of the State's Chapter of the American Institute of Real Estate Appraisers, or his or her designee, or, if there is no such organization or if such individual declines to make such appointment, by any state or Federal court of competent jurisdiction for the State.

In the event that all three of the appraisers cannot agree upon Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, within twenty (20) days following the selection of the third appraiser, each appraiser shall, within ten (10) days thereafter, submit his appraisal to the other two appraisers in writing, and the Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, shall be determined by calculating the average of the two numerically closest values (or, if the values are equidistant, the average of all three values) determined by the three appraisers.

In the event that any appraiser appointed hereunder does not or is unable to perform his or her obligation hereunder, then the party or the appraiser(s) appointing such appraiser shall have the right to propose and approve unilaterally a substitute Qualified Appraiser, but if the party or the appraiser(s) who have the right to appoint a substitute Qualified Appraiser fail to do so within ten (10) days after written Notice from the other party (or either party in the event such appraiser was appointed by the other appraisers), either party may, upon written Notice to the party having the right to appoint a substitute Qualified Appraiser, request that such appointment be made by such officer of the American Institute of Real Estate Appraisers or court of competent jurisdiction as described above; provided, however, that a party who has the right to appoint an appraiser or a substitute appraiser shall have the right to make such appointment only up until the time such appointment is made by such officer or court.

In connection with the appraisal process, so long as Tenant receives reasonable prior Notice, Tenant shall provide the appraisers full access during normal business hours to examine the Leased Property, the books, records and files of Tenant and all agreements, leases and other operating agreements relating to the Leased Property.

The costs of each such appraisal shall be borne by the party selecting the appraiser, provided the cost of the third appraiser shall be split equally between Landlord and Tenant. Upon determining such Fair Market Value or Fair Market Rental, or reduction, adjustment or abatement, as the case may be, the appraisers shall promptly notify Landlord and Tenant in writing of such determination. If any party shall fail to appear at the hearings appointed by the appraisers, the appraisers may act in the absence of such party.

The determination of the Qualified Appraisers made in accordance with the foregoing provisions shall be final and binding upon the parties, such determination may be entered as an award in arbitration in a court of competent jurisdiction, and judgment thereon may be entered.

ARTICLE 20
FACILITY MORTGAGES

20.1 Landlord May Grant Liens.

(a) Without the consent of Tenant, Landlord may, subject to the terms and conditions set forth in this Section 20.1, from time to time, directly or indirectly, create or otherwise cause to exist any Lien or ground lease upon its interest in the Leased Property, or any portion thereof or interest therein, whether to secure any borrowing or other means of financing or refinancing, provided that any such Lien or ground lease shall be consistent with the requirements of the Management Agreement or otherwise approved by Manager, and shall not modify the terms of this Lease, except as expressly set forth in Section 20.2. Landlord agrees to provide to Tenant copies of all existing and future ground leases, and amendments thereto, which affect the Leased Property.

(b) Tenant shall, upon the request of Landlord or any existing, potential or future Facility Mortgagee, and to the extent in Tenant's possession or obtainable from Manager pursuant to the Management Agreement, (i) provide Landlord or the Facility Mortgagee with copies of all licenses, permits, occupancy agreements, operating agreements, leases, contracts, inspection reports, studies, appraisals, assessments, default or other notices and similar materials reasonably requested in connection with any existing or proposed financing of the Leased Property, and (ii) execute such estoppel certificates and collateral assignments with respect to the Facility's licenses and any of the other aforementioned agreements as the Facility Mortgagee may reasonably request in connection with any such financing, provided that no such estoppel certificate or collateral assignment shall, except as expressly set forth in Section 20.2, modify the terms of this Lease.

20.2 Subordination of Lease.

Subject to Section 20.1 and the terms of Section 7.1, this Lease, and any and all rights of Tenant hereunder, are and shall be subject and subordinate to any Facility Mortgage, any ground or master lease, and all renewals, extensions, modifications, consolidations and replacements thereof, and to each and every advance made or hereafter to be made under any such Facility Mortgage. This section shall be self-operative and no further instrument of subordination shall be required. In confirmation of such subordination, Tenant shall promptly execute, acknowledge and deliver any instrument that Landlord, the landlord under any such lease or the holder of any such mortgage or the trustee or beneficiary of any deed of trust or any of their respective successors in interest may reasonably request to evidence such subordination. Tenant shall not unreasonably withhold its consent to any amendment to this Lease reasonably required by such lender or ground lessor, provided that such amendment does not (i) increase Tenant's rental obligations or other financial obligations hereunder, or (ii) have a material adverse effect upon Tenant's rights hereunder, or (iii) materially increase Tenant's non-economic obligations hereunder, or (iv) decrease Landlord's obligations hereunder. Landlord shall exercise commercially reasonable efforts to require any future Facility Mortgagee or landlord under a ground lease affecting the Leased Property to provide Tenant with notice

and an opportunity to cure Landlord defaults under the respective Facility Mortgage or ground lease.

Any lease to which this Lease is, at the time referred to, subject and subordinate is herein called a "Superior Lease"; and the landlord of a Superior Lease or its successor in interest at the time referred to is herein called "Superior Landlord"; the Facility Mortgage and any other mortgage or deed of trust to which this Lease is, at the time referred to, subject and subordinate, is herein called a "Superior Mortgage"; and the Facility Mortgagee and any other holder, trustee or beneficiary of a Superior Mortgage is herein called "Superior Mortgagee." Tenant shall have no obligations under any Superior Lease or Superior Mortgage other than those expressly set forth in this Section 20.2.

Notwithstanding the obligations of Tenant hereunder, neither any Superior Mortgagee nor any Superior Landlord shall have an obligation to provide a non-disturbance agreement to Tenant. Any Superior Mortgagee or Superior Landlord shall have the right to terminate this Lease upon the foreclosure, deed in lieu of foreclosure or exercise of the power of sale with respect to the Leased Property; provided that, if such right is exercised because of (a) a non-monetary default by Landlord under the terms of the relevant loan agreement or ground lease not caused by an Event of Default hereunder or (b) a monetary default by Landlord (including a misapplication of Rent paid by Tenant) where Tenant is not in Default in the payment of Rent hereunder beyond the expiration of applicable notice and cure periods, then Landlord shall pay to Tenant the Fair Market Value of Tenant's leasehold estate as of the termination date in accordance with Section 24.1(b); provided further that (i) such fee shall be paid first by offsetting any amounts owed by Tenant to Landlord at such time and the balance (if any) shall be paid to Tenant in cash, and (ii) Tenant agrees to seek payment of such cash balance (if any) solely from Host O.P. (which, by its execution of this Lease, agrees to be primarily liable for Landlord's obligation under this subparagraph of Section 20.2) pursuant to the terms of the Facility Mortgage Agreement, and shall not make any demand or claim therefor against Landlord, the Facility Mortgagee, any purchaser in foreclosure or transferee by deed in lieu of foreclosure or other party claiming under any of the foregoing.

In the event a cash flow sweep structure is implemented by any Superior Mortgagee, and such structure remains in place for twelve (12) consecutive months, Tenant, at its election, upon not less than thirty (30) days Notice, may terminate this Lease effective as of the end of such twelve (12) month period. For any period prior to such termination date, (i) Tenant's obligation to pay Rent or any other amounts payable hereunder shall be reduced by any amounts received by any Superior Mortgagee and (ii) Landlord shall compensate Tenant on an Accounting Period basis for any Tenant Operating Profit not received because of the cash flow sweep structure (i.e., any amount swept in excess of the Rent and other amounts otherwise payable by Tenant under this Lease) and any other costs incurred or advanced by Tenant pursuant to this Lease and Host O.P. agrees to be primarily liable for Landlord's obligation under this clause (ii). If Tenant elects to terminate this Lease, Landlord shall pay to Tenant the Fair Market Value of Tenant's leasehold estate as of the termination date calculated in accordance with Section 24.1(b); provided, however, (x) such fee shall be paid first by offsetting any amounts owed by Tenant to Landlord at such time and the balance (if any) shall be paid to Tenant

in cash, and (y) Tenant agrees to seek payment of such cash balance (if any) solely from Host O.P. (which, by its execution of this Lease, agrees to be primarily liable for Landlord's obligation under this clause (y)) pursuant to the terms of the Facility Mortgagee Agreement, and shall not make any demand or claim therefor against Landlord, the Facility Mortgagee, any purchaser in foreclosure or transferee by deed in lieu of foreclosure or other party claiming under any of the foregoing.

Subject to the termination rights of any Superior Landlord or Superior Mortgagee, if any, in the event that any Superior Landlord or Superior Mortgagee or the nominee or designee of any Superior Landlord or Superior Mortgagee shall succeed to the rights of Landlord under this Lease (any such person, "Successor Landlord"), whether through possession or foreclosure action or delivery of a new lease or deed, or otherwise, such Successor Landlord shall recognize Tenant's rights under this Lease as herein provided and Tenant shall attorn to and recognize the Successor Landlord as Tenant's landlord under this Lease and Tenant shall promptly execute and deliver any instrument that such Successor Landlord may reasonably request to evidence such attornment (provided that such instrument does not alter the terms of this Lease), whereupon, this Lease shall continue in full force and effect as a direct lease between the Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease, except that the Successor Landlord (unless formerly the landlord under this Lease or its nominee or designee) shall not be (a) liable in any way to Tenant for any act or omission, neglect or default on the part of any prior Landlord under this Lease, (b) responsible for any monies owing by or on deposit with any prior Landlord to the credit of Tenant (except to the extent actually paid or delivered to the Successor Landlord), (c) subject to any counterclaim or setoff which theretofore accrued to Tenant against any prior Landlord, (d) bound by any modification of this Lease subsequent to such Superior Lease or Superior Mortgage, or by any previous prepayment of Minimum Rent or Additional Rent for more than one (1) month in advance of the date due hereunder, which was not approved in writing by the Superior Landlord or the Superior Mortgagee, (e) liable to Tenant beyond the Successor Landlord's interest in the Leased Property and the rents, income, receipts, revenues, issues and profits issuing from the Leased Property, (f) responsible for the performance of any work to be done by Landlord under this Lease to render the Leased Property ready for occupancy by Tenant (subject to Landlord's obligations under Section 5.1.2(b) or with respect to any insurance or Condemnation proceeds), or (g) required to remove any Person occupying the Leased Property or any part thereof, except if such Person claims by, through or under the Successor Landlord. Tenant agrees at any time and from time to time to execute a suitable instrument in confirmation of Tenant's agreement to attorn, as aforesaid.

20.3 Notice to Mortgagee and Ground Landlord.

Attached hereto as Schedule 20.3 is a list of the Superior Mortgage(s) and

Superior Landlord(s) as of the date hereof, including their addresses for notices. No default Notice from Tenant to Landlord as to the Leased Property shall be effective unless and until a copy of the same is given to such Superior Mortgage(s) and Superior Landlord(s), and subsequent to the receipt by Tenant of Notice from Landlord as to the identity of any future Facility Mortgagee or ground landlord under a lease with Landlord, as ground tenant, which includes the Leased Property as part of the demised premises and which

complies with Sections 20.1 and 20.2 (which Notice shall include a copy of the applicable mortgage or lease), no default Notice from Tenant to Landlord hereunder shall be effective unless and until a copy of the same is given to the Facility Mortgagee or ground landlord at the address set forth in such Notice. The curing of any Landlord Default by any Superior Mortgagee(s) or Superior Landlord(s) listed on Schedule 20.3, or by any Facility Mortgagee or ground

landlord of which Tenant receives Notice after the date hereof as provided above, shall be treated as performance by Landlord, provided any such cure shall be made within the time periods set forth herein.

20.4 Transfer of Leased Property.

Notwithstanding anything set forth herein to the contrary, but subject to the rights of a Facility Mortgagee as set forth herein, Landlord shall not, without the consent of Tenant, transfer the Leased Property, or any interest therein, to any Person (i) which does not have sufficient financial resources and liquidity to fulfill the Landlord's Retained Obligations and Continuing Obligations under the Management Agreement and Landlord's obligations under this Lease, or (ii) which has been, or is in control of or controlled by Persons who have been, convicted of felonies involving moral turpitude in any state or federal court, or otherwise would cause a breach of the Management Agreement.

ARTICLE 21
ADDITIONAL COVENANTS OF TENANT

21.1 Conduct of Business.

Tenant shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect and in good standing its existence and its rights and licenses necessary to conduct such business.

21.2 Maintenance of Accounts and Records.

Tenant shall keep records and books of account in which full, true and correct entries in all material respects will be made of dealings and transactions in relation to the business and affairs of Tenant.

21.3 Management of Leased Property.

21.3.1 Management Agreement, Consent and Assignment, Etc.

For and during the Term of this Lease, but not thereafter, Landlord has assigned unto Tenant Landlord's interest as "Owner" under that certain Management Agreement dated _____, _____, by and between Landlord and _____ (the "Manager"), as subsequently modified and amended pursuant to that certain [Consent, Assignment and Assumption and Amendment of Management Agreement] dated as of even date herewith by and among Landlord, Tenant and Manager (the "Consent and Assignment") (together with all future modifications and amendments thereto, the "Management Agreement"). Pursuant to the Consent and Assignment, Tenant has accepted such assignment and assumed and agreed to perform all of Landlord's obligations as "Owner" under the Management Agreement (including certain

obligations of "Owner" that the Consent and Assignment expressly provides shall both apply to and be binding upon Tenant, and continue to apply to and be binding upon Landlord (as, but only to the extent, such obligations apply to Landlord, the "Continuing Obligations")), except for certain obligations of "Owner" that the Consent and Assignment expressly provides shall remain the sole obligations of Landlord (the "Retained Obligations"). Landlord hereby covenants to perform the Retained Obligations and the Continuing Obligations. In addition, Landlord shall be entitled, together with Tenant, to exercise the "Continuing Rights," as defined in the Consent and Assignment, and Tenant shall not be entitled to exercise any of the "Reserved Rights," as defined in the Consent and Assignment, which are reserved exclusively to Landlord.

21.3.2 Reversion upon Termination.

All of Landlord's rights, benefits and privileges with respect to the Management Agreement shall be vested in Tenant throughout the Term of this Lease; provided, however, that upon termination of this Lease, for whatever reason, all of Landlord's rights, benefits and privileges under the Management Agreement shall automatically revert to Landlord without the necessity of any action on the part of Landlord hereunder.

21.3.3 Compliance with Management Agreement and Indemnification.

To the extent that any of the provisions of the Management Agreement impose a greater obligation on Tenant than the corresponding provisions of this Lease, then Tenant shall be obligated to comply with, and to take all reasonable actions necessary to prevent breaches or defaults under, the provisions of the Management Agreement. Notwithstanding anything contained herein to the contrary, Tenant shall perform and comply in every respect with the provisions of the Management Agreement, except for the Retained Obligations and Continuing Obligations, which shall remain the sole responsibility of Landlord, so as to avoid any default thereunder during the Term of this Lease. Tenant shall, at all times, direct and require Manager to perform all of Manager's obligations under the Management Agreement. Tenant shall protect, indemnify and hold harmless Landlord for, from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and reasonable expenses (including, without limitation, reasonable attorneys' fees), to the maximum permitted by law, imposed upon, incurred by, or asserted against Landlord by reason of a default by Tenant under the Management Agreement, including, without limitation, any default by Tenant under the Management Agreement attributable to a failure by Tenant to perform its obligations under this Lease. Likewise, Landlord shall protect, indemnify and hold harmless Tenant for, from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and reasonable expenses (including, without limitation, reasonable attorneys' fees), to the maximum permitted by law, imposed upon, incurred by, or asserted against Tenant by reason of a default by Landlord under the Management Agreement, including, without limitation, any default by Landlord under the Management Agreement attributable to a failure by Landlord to perform its obligations under this Lease. The obligations of Landlord and Tenant set forth in this Section 21.3.3 shall survive the termination of this Lease.

21.3.4 Consent Required for Certain Actions.

Without at least thirty (30) days prior written Notice to Landlord in the case of subsections (1), (2), (5), and (6) below, and without at least fifteen (15) days prior written Notice in the case of subsections (3) and (4) below, Tenant shall not take any of the following actions:

- (1) terminate the Management Agreement prior to the expiration of the term thereof;
- (2) amend, modify or assign its interest in (except in connection with an assignment permitted pursuant to Section 16.1 hereof) the Management Agreement;
- (3) waive (or fail to enforce) any right of "Owner" under the Management Agreement;
- (4) waive any breach or default by Manager under the Management Agreement (or fail to enforce any right of "Owner" in connection therewith);
- (5) agree to any change in Manager or consent to any assignment by Manager; or
- (6) take any other action which reasonably could be expected to materially adversely affect Landlord's rights or obligations under the Management Agreement for periods following termination of this Lease (whether upon the expiration of its term or upon earlier termination as provided for herein).

Notwithstanding the foregoing, Tenant shall not take any of the actions listed in clauses (1) through (6) above without Landlord's prior written consent if such action:

(A) would materially impair the ability of Tenant to perform Tenant's obligations under this Lease (including, without limitation, make all payments of Rent as and when due under this Lease) (determined taking into account the guarantee attached hereto as Exhibit F (the "Guarantee") of CCC and OpCo (together, the "Guarantors") of Tenant's payment and performance of all of its obligations under this Lease);

(B) would cause Tenant not to comply with the obligations of Tenant set forth in Section 4.1;

(C) would materially adversely affect the economic value of the Leased Property to Landlord following the termination of this Lease (whether upon the expiration of the Term or upon earlier termination as provided for herein); or

(D) would materially increase the legal exposure of Landlord to Manager under the Management Agreement during the Term, either by reason of Landlord's continuing liability to Manager pursuant to the Consent and Assignment (determined taking into account the Guarantee), or with respect to the Retained Obligations or the Continuing Obligations.

21.3.5 Replacement of Manager.

Notwithstanding Section 21.3.4 above, Tenant shall not agree to change the management or the brand affiliation of the Facility without the prior approval of Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. In addition, the proposed replacement manager shall be nationally recognized and shall have substantial experience managing hotels of comparable quality. No such replacement or change in brand affiliation shall continue beyond the Term hereof without the prior written approval of Landlord, which approval may be granted or withheld in Landlord's sole discretion.

21.4 Facility Mortgagee Agreement.

Tenant agrees to enter into an agreement with Landlord, any Facility Mortgagee and Host O.P. (the "Facility Mortgagee Agreement") pursuant to which, in consideration of Facility Mortgagee's consent to this Lease and the transactions contemplated hereby: (i) Tenant acknowledges to the Facility Mortgagee that the Working Capital purchased by Tenant with the Working Capital Note and all Excess FF&E acquired by Tenant from Landlord while the Facility Mortgage is in effect is subject to the Facility Mortgagee's first priority Lien (without Tenant assuming any liability for Landlord's obligations that are secured by or arise under any Facility Mortgage) and that the Facility Mortgagee's rights and remedies with respect to such Working Capital and Excess FF&E shall survive and be enforceable with respect thereto; (ii) Tenant covenants to the Facility Mortgagee to sign, provided Landlord shall prepare and file at its sole cost, UCC-1 financing statements confirming the foregoing for notice purposes; (iii) Tenant covenants not to sell, lease, transfer or otherwise dispose of such Working Capital or Excess FF&E or any interest therein (other than in the ordinary course of business or other than to Landlord in accordance with the terms of this Lease upon the expiration or earlier termination of the Term), or grant or cause or permit to exist any lien, charge or encumbrance with respect thereto, other than the aforesaid Lien in favor of the Facility Mortgagee and any other Liens securing obligations which are the responsibility of Landlord; (iv) Landlord agrees that this Lease and the Working Capital Note will not be modified or amended in any manner that would adversely affect the Facility Mortgagee's collateral under the Facility Mortgage without the Facility Mortgagee's prior written consent; (v) Landlord and Tenant agree to confirm to the Facility Mortgagee that the Facility Mortgagee shall have the right to terminate this Lease in the event of a foreclosure by the Facility Mortgagee under the Facility Mortgage, pursuant to Article 20 hereof; (vi) Tenant agrees that, in the event of a foreclosure by the Facility Mortgagee under the Facility Mortgage, the Facility Mortgagee shall have the right to continue this Lease as lessor and succeed to all Landlord's rights hereunder and under the Security Agreement, provided that in such event the Facility Mortgagee recognizes Tenant's rights hereunder; (vii) if the Facility Mortgagee terminates this Lease in accordance with Article [20] [24] hereof, (A) Tenant agrees, at the Facility Mortgagee's request, to convey all Working Capital existing at such time directly to the Facility Mortgagee or its designee in payment of the Working Capital Note (together with any cash balance due from Tenant in respect thereto), (B) Tenant agrees to look solely to Host O.P. for payment of any cash balance payable to Tenant for Working Capital to the extent such Working Capital exceeds the

balance due under the Working Capital Note, and (C) Host O.P. agrees to pay such cash balance directly to Tenant, without the necessity of notice or demand on Landlord; and (viii) Tenant agrees that if the amount specified in Section 24.1(b) of this Lease and/or the Excess FF&E Reimbursement Amount become payable in connection with a foreclosure by the Facility Mortgagee under the Facility Mortgage, then (A) such amount(s) shall be paid first by offsetting any amounts owed by Tenant to Landlord, and the balance (if any) shall be paid by Host O.P. to Tenant in cash, (B) Host O.P. agrees to pay such cash balance (if any) directly to Tenant without the need for notice or demand on Landlord, and (C) Tenant agrees to look only to Host O.P. for payment of such cash balance.

21.6 Single Purpose Entity Covenants.

21.6.1 Separate Existence

Tenant shall (i) maintain its books and records and bank accounts separate from any other person or entity (except that, for accounting and reporting purposes, Tenant may be included in the CCC Consolidated Financial Statements in accordance with GAAP); (ii) maintain an arm's length relationship with its members, Affiliates and any other party furnishing services to it; (iii) maintain its books, records, resolutions and agreements as official records; (iv) conduct its business in its own name and through its own authorized officers and agents; (v) maintain its financial statements, accounting records and other limited liability company documents separate from those of any other Person (except for inclusion in the CCC Consolidated Financial Statements); (vi) pay its own liabilities out of its own funds and other assets, including funds contributed to its capital by its equity holders, and all such capital contributions shall be reflected properly in its books and records; (vii) observe all limited liability company formalities, as applicable, necessary to maintain its identity as an entity separate and distinct from its members, CCC, and all other Affiliates; (viii) participate in the fair and reasonable allocation of any and all overhead expenses and other common expenses for facilities, goods or services provided to multiple entities; (ix) use its own stationery, invoices and checks (except when acting in a representative capacity); (x) hold and identify itself as a separate and distinct entity under its own name and not as a division or part of any other Person (except for inclusion in the CCC Consolidated Financial Statements); and (xi) hold its assets in its own name.

21.6.2 Independent Member

Upon Notice from Landlord, Tenant shall have an Independent Member (who shall be a non-equity member) at all times, or if the Independent Member has withdrawn, Tenant shall not take any action which may not be taken pursuant to the organizational documents of Tenant without the consent of the Independent Member until such time as a replacement Independent Member has been admitted to Tenant.

21.6.3 Limitation on Indebtedness and Guarantees

Except pursuant to the Consent and Assignment or as otherwise expressly provided herein, Tenant shall not (i) incur, create or assume any Indebtedness of any kind; or (ii) guarantee or have any consensual contingent obligation for the obligations of any other Person; provided that, so long as no Event of Default has occurred and is continuing,

Tenant may incur, create or assume any Permitted Debt (as defined below). As used herein, "Permitted Debt" shall mean:

(i) if no Default or Event of Default has occurred and is continuing, purchase money Indebtedness and capitalized lease obligations for the purchase or lease of FF&E in the ordinary course of business (and not inconsistent with customary industry practices), which Indebtedness may be secured by a first priority lien on the goods and equipment that have been so purchased or leased;

(ii) if no Event of Default has occurred and is continuing, unsecured Indebtedness owing to CCC or any wholly owned Subsidiary thereof, with respect to which the lender shall have agreed in writing, in form and substance satisfactory to Landlord, that payment of such Indebtedness shall be subordinated in all respects to performance of Tenant's obligations under this Lease and that no remedies may be exercised with respect to enforcement or collection of such Indebtedness until such time as this Lease shall have terminated and all obligations owed by Tenant hereunder shall have been discharged in full; and

(ii) if no Event of Default has occurred and is continuing, Indebtedness solely in respect of surety and appeal bonds, performance bonds and other obligations of a like nature (to the extent that such incurrence does not result in the incurrence of any obligation to repay any obligation relating to borrowed money of others), all in the ordinary course of business in accordance with customary industry practices.

21.6.4 Distributions

Tenant shall make no distributions of cash or other assets to any of its members if an Event of Default has occurred and is continuing under Section 12.1(a) hereof.

21.6.5 Single Purpose

Tenant shall not have or create any Subsidiaries or hold any equity interest in any other Person. Tenant shall at all times be a Single Purpose entity.

Tenant shall not (i) engage in any business activity or operate for any purpose other than as stated in its Limited Liability Company Operating Agreement as in effect on the date hereof; (ii) without the consent of all its members, including the consent of an Independent Member, file a bankruptcy or insolvency petition or otherwise institute bankruptcy proceedings; or (iii) acquire any assets not reasonably related to the business and operation of the Facility.

21.6.6 Certain Fundamental Changes

Without the consent of Landlord and any Facility Mortgagee (if required), Tenant shall not (i) be a party to any merger or consolidation with any Person, or (ii) assign

its rights under this Lease, or assign, transfer, or sell all or any substantial portion of its assets to any Person, in each case other than a Qualified Affiliate that is a Single Purpose entity, has no outstanding Indebtedness (other than Permitted Debt) and no Liens on any of its assets (other than Permitted Liens) at the time of such assignment, and assumes all of the obligations of Tenant hereunder. Without the consent of Landlord and any Facility Mortgagee, Tenant shall not adopt a plan of dissolution or liquidation or dissolve, wind up or liquidate. Without the approval of the Independent Member, Tenant shall not take any action for which the approval of the Independent Member is required under its organizational documents.

21.6.7 Amendments to Organizational Documents

Tenant shall not, in any manner, without the consent of Landlord and any Facility Mortgagee (if required), amend, modify or alter the terms of Sections 2.2, 2.3, 2.4, 5.4 (only paragraphs a, b, c, d and g thereof), 5.5, 5.6, 5.7, and 8.1 of the Limited Liability Company Operating Agreement of Tenant, as in effect on the date hereof.

21.6.8 Qualified Affiliate

Tenant shall, at all times during the Term of this Lease, be a Qualified Affiliate.

ARTICLE 22 LIMITATIONS

22.1 REIT Compliance.

Tenant acknowledges that Host REIT intends to qualify as a real estate investment trust under the Code. Tenant agrees that it will not knowingly or intentionally take or omit to take any action, or permit any status or condition to exist at the Leased Property, which Tenant actually knows (acting in good faith) would or could result in (i) the Rent payable under this Lease not qualifying as "rents from real property" as defined in Section 856(d) of the Code or (ii) Host REIT being disqualified from treatment as a real estate investment trust under the Code as the provisions exist on the date hereof; provided, however, that notwithstanding anything herein to the contrary, (i) Tenant shall not be responsible for any act or omission of Landlord or Manager (unless Manager's action was with the express written consent or at the direction of Tenant), and (ii) any action by Tenant taken in compliance with the express terms of this Lease, the Consent and Assignment, or the Management Agreement shall not be deemed to create a Default or Event of Default under this Section 22.1.

22.2 FF&E Limitation.

This Section 22.2 is intended to insure that all of the rent payable under this Lease qualifies as "rents from real property" within the meaning of Section 856(d) of the Code or any similar or successor provisions thereto. In furtherance of such purpose, the parties have agreed to the terms set forth in Schedule 22.2 attached hereto.
- -----

22.3 Sublease Rent Limitation.

Anything contained in this Lease to the contrary notwithstanding, from and after the Commencement Date, Tenant shall not knowingly or intentionally (acting in good faith) enter into any sublease with respect to the Leased Property or any part thereof on any basis such that the rental to be paid by the sublessee thereunder would be based (or considered to be based), in whole or in part, on either (a) the income or profits derived by the business activities of the sublessee, or (b) any other formula such that any portion of the rent payable hereunder would or could, to Tenant's actual knowledge (acting in good faith), fail to qualify as "rents from real property" within the meaning of Section 856(d) of the Code, or any similar or successor provisions thereto.

22.4 Sublease Tenant Limitation.

Anything contained in this Lease to the contrary notwithstanding, Tenant shall not knowingly or intentionally (acting in good faith) sublease any Leased Property or any part thereof to any Person or Entity in which Landlord, Host O.P., or Host REIT owns, directly or indirectly, a ten percent (10%) or greater interest, within the meaning of Section 856(d)(2)(B) of the Code, or any similar or successor provisions thereto. Tenant shall take reasonable precautions in connection with each sublease (including providing Landlord with prompt Notice of the same) to ensure that such sublease will not result in a violation of this Section 22.4.

22.5 Tenant Ownership Limitation.

Anything contained in this Lease to the contrary notwithstanding, Tenant shall not knowingly or intentionally (acting in good faith), and shall use commercially reasonable efforts to cause its Affiliates not to knowingly or intentionally (acting in good faith), acquire, directly or indirectly, (a) a nine and 80/100 percent (9.8%) or greater interest in Landlord, Host O.P. or Host REIT, or (b) a four and 90/100 percent (4.9%) interest in Host O.P., within the meaning of Section 856(d)(2)(B) of the Code, or any similar or successor provisions thereto.

ARTICLE 23
MISCELLANEOUS

23.1 No Waiver.

No failure by either Landlord or Tenant to insist upon the strict performance of any term hereof or to exercise any right, power or remedy consequent upon a breach thereof, and no acceptance of full or partial payment of Rent during the continuance of any such breach, shall constitute a waiver of any such breach or of any such term. To the maximum

extent permitted by law, no waiver of any breach shall affect or alter this Lease, which shall continue in full force and effect with respect to any other then existing or subsequent breach.

23.2 Remedies Cumulative.

To the maximum extent permitted by law, each legal, equitable or contractual right, power and remedy of either party now or hereafter provided either in this Lease or by statute, or otherwise, shall be cumulative and concurrent and shall be in addition to every other right, power and remedy, and the exercise or beginning of the exercise by either party of any one or more of such rights, powers and remedies shall not preclude the simultaneous or subsequent exercise by such party of any or all of such other rights, powers and remedies.

23.3 Severability.

Any clause, sentence, paragraph, section or provision of this Lease held by a court of competent jurisdiction to be invalid, illegal or ineffective shall not impair, invalidate or nullify the remainder of this Lease, but rather the effect thereof shall be confined to the clause, sentence, paragraph, section or provision so held to be invalid, illegal or ineffective, and this Lease shall be construed as if such invalid, illegal or ineffective provisions had never been contained herein.

23.4 Acceptance of Surrender.

No surrender to Landlord of this Lease or of the Leased Property or any part thereof, or of any interest therein, shall be valid or effective unless agreed to and accepted in writing by Landlord, and no act by Landlord or any representative or agent of Landlord, other than such a written acceptance by Landlord, shall constitute an acceptance of any such surrender.

23.5 No Merger of Title.

It is expressly acknowledged and agreed that it is the intent of the parties that there shall be no merger of this Lease or of the leasehold estate created hereby by reason of the fact that the same Person may acquire, own or hold, directly or indirectly, this Lease or the leasehold estate created hereby and the fee estate or ground landlord's interest in the Leased Property.

23.6 Release of Landlord Following Conveyance.

If Landlord or any successor owner of all or any portion of the Leased Property shall convey all or any portion of the Leased Property in accordance with the terms hereof other than as security for a debt, and the grantee or transferee of the Leased Property shall expressly assume all obligations of Landlord hereunder arising or accruing from and after the date of such conveyance or transfer, Landlord or such successor owner, as the case may be, shall thereupon be released from all future liabilities and obligations of Landlord under this Lease with respect to such of the Leased Property arising or accruing from and after the date of such conveyance or other transfer, all such future liabilities and obligations

shall thereupon be binding upon the new owner, and all references herein to Landlord thereafter shall be deemed to refer to the new owner.

23.7 Quiet Enjoyment.

Provided that no Event of Default shall have occurred and be continuing, Tenant shall peaceably and quietly have, hold and enjoy the Leased Property for the Term, free of hindrance or molestation by Landlord or anyone claiming by, through or under Landlord, but subject to (a) all Permitted Liens, (b) Liens as to obligations of Landlord that are either not yet due or which are being contested in good faith and by proper proceedings, provided the same do not materially interfere with Tenant's ability to operate the Facility, (c) Liens that have been consented to in writing by Tenant, and (d) Landlord's option to terminate this Lease pursuant to Article 24. Except as otherwise provided in this Lease, no failure by Landlord to comply with the foregoing covenant shall give Tenant any right to cancel or terminate this Lease or abate, reduce or make a deduction from or offset against the Rent or any other sum payable under this Lease, or to fail to perform any other obligation of Tenant hereunder.

23.8 Landlord's Consent.

Where provision is made in this Lease for Landlord's consent and Landlord shall fail or refuse to give such consent, except to the extent expressly provided herein to the contrary Tenant shall not be entitled to any damages for any withholding by Landlord of its consent, it being intended that Tenant's sole remedy shall be an action for specific performance or injunction and that such remedy shall be available only in those cases where Landlord has expressly agreed in writing not unreasonably to withhold its consent. Whenever in this Lease the consent or approval of Landlord or Tenant is required, such consent or approval shall (except to the extent that such consent or approval is specifically designated as being "within the discretion" of a party, or words to that effect, in the applicable provision) not be unreasonably withheld, conditioned or delayed, shall be in writing and shall be executed by a duly authorized officer or agent of the party granting such consent or approval; provided, however, that Landlord shall be deemed to have reasonably withheld its consent in the event any Facility Mortgagee withholds its consent or otherwise objects to any proposed consent or approval. With respect only to the matters set forth on Schedule 23.9, if either Tenant or Landlord fails to respond within -----
fifteen (15) days (or such shorter or longer period of time as may be expressly specified in this Lease) to a request in the form of a Notice by the other party for a consent or approval, such consent or approval shall be deemed to have been given.

23.9 Memorandum of Lease.

Unless required by Legal Requirements, neither Landlord nor Tenant shall record this Lease. However, Landlord and Tenant shall promptly, upon the request of the other, enter into a short form memorandum of this Lease, in form suitable for recording under the laws of the State in which reference to this Lease, and all options contained herein, shall be made. The requesting party shall bear the costs and expenses of recording such memorandum. If a memorandum of this Lease is required by Legal Requirements to be

Attn: Tracy M. J. Colden, Esq., General Counsel

with a copy to:

Crestline Capital Corporation

Attn: Elizabeth R. Lieberman, Esq.

(d) By notice given as herein provided, the parties hereto and their respective successor and assigns shall have the right from time to time and at any time during the Term of this Lease to change their respective addresses effective upon receipt by the other parties of such notice and each shall have the right to specify as its address any other address within the United States of America.

23.11 Construction.

Anything contained in this Lease to the contrary notwithstanding, all claims against, and liabilities of, Tenant or Landlord arising prior to any date of termination or expiration of this Lease shall survive such termination or expiration. In no event shall either party be liable for any punitive or consequential damages as the result of a breach of this Lease by such other party. Neither this Lease nor any provision hereof may be changed, waived, discharged or terminated except by an instrument in writing signed by the party to be charged. All the terms and provisions of this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Each term or provision of this Lease to be performed by Tenant or Landlord shall be construed as an independent covenant and condition. Time is of the essence with respect to the exercise of any rights of, and performance of any obligations by, Tenant or Landlord under this Lease. Except as otherwise set forth in this Lease, any obligations of Tenant and Landlord (including, without limitation, any monetary, repair and indemnification obligations) shall survive the expiration or sooner termination of this Lease.

23.12 Counterparts; Headings.

This Lease may be executed in two or more counterparts, each of which shall constitute an original, but which, when taken together, shall constitute but one instrument and shall become effective as of the date hereof when copies hereof, which, when taken together, bear the signatures of each of the parties hereto shall have been signed. Headings in this Lease are for purposes of reference only and shall not limit or affect the meaning of the provisions hereof.

23.13 Governing Law; Jurisdiction.

(a) This Lease shall be interpreted, construed, applied and enforced in accordance with the laws of the State applicable to contracts between residents of the State, which are to be performed entirely within the State, and the laws of the State shall

apply to the perfection and priority of liens upon and the disposition of and disposition with respect to the Leased Property and in any case regardless of (i) where this Lease is executed or delivered; or (ii) where any payment or other performance required by this Lease is made or required to be made; or (iii) where any breach of any provision of this Lease occurs, or any cause of action otherwise accrues; or (iv) where any action or other proceeding is instituted or pending; or (v) the nationality, citizenship, domicile, principal place of business, or jurisdiction of organization or domestication of any party; or (vi) whether the laws of the forum jurisdiction otherwise would apply the laws of a jurisdiction other than the State; or (vii) any combination of the foregoing.

(b) To the maximum extent permitted by applicable law, any action to enforce, arising out of, or relating in any way to, any of the provisions of this Lease may be brought and prosecuted only in the court or courts located in the State of Maryland; and the parties consent to the jurisdiction of said court or courts located in the State and to service of process by certified mail, return receipt requested, or by any other manner provided by law.

23.14 No Broker.

Each party hereby represents and warrants to the other that it has not engaged, dealt with or otherwise discussed this transaction with any broker, agent or finder. Each party agrees to indemnify and hold the other harmless from and against any claim arising out of a breach of the foregoing agreement and representation and warranty.

23.15 Related Agreements.

Anything herein to the contrary notwithstanding, neither Landlord nor Tenant shall take any action, or fail to take any action, which would constitute a breach or default under (i) that certain Noncompetition Agreement dated _____ by and between CCC and Host O.P., as the same may be subsequently amended or restated (the "Noncompetition Agreement"), (ii) that certain Pooling and Security Agreement dated _____ by and between CCC, OpCo, the Tenants and Landlords named therein and Host O.P., as the same may be subsequently amended or restated (the "Pooling Agreement"), (iii) that certain [Facility Mortgagee Agreement] dated _____ by and between _____, Landlord, and [Landlord's lender], as the same may be amended or restated (the "Facility Mortgagee Agreement"), (iv) the Security Agreement, (v) the Consent and Assignment, or (vi) the Guarantee (collectively, the Noncompetition Agreement, the Pooling Agreement, the Facility Mortgagee Agreement, the Security Agreement, the Consent and Assignment and the Guarantee are sometimes referred to herein as the "Related Agreements."

23.16 Legal Fees and Costs of Litigation.

In the event either party to this Lease commences legal action of any kind to enforce the terms and conditions of this Lease, the prevailing party in such litigation will be entitled to collect from the other party all reasonable costs, expenses and attorneys' fees incurred in connection with such action.

23.17 Force Majeure.

If Landlord or Tenant is in any way delayed or prevented from performing any obligation, except any monetary obligation, hereunder due to acts of God, acts of war, civil disturbance, action of any Governmental Agency (including the revocation or refusal to grant licenses or permits, where such revocation or refusal is not due to the fault of the party whose performance is to be excused for reasons of force majeure), strikes, fire or other Casualty, or any other cause beyond the reasonable control of either party (as applicable), then the time for performance of such obligation shall be excused for the period of such delay or prevention and extended for a period equal to the period of such delay, interruption or prevention.

23.18 Conflicts with Related Agreements.

In the event of any conflict or inconsistency between this Lease and any of the Related Agreements or the Asset Management Agreement, the terms of any of the Related Agreement or the Asset Management Agreement shall govern. Notwithstanding the foregoing, in the event of any conflict or inconsistency between this Lease and the Consent and Assignment, as they relate to the respective rights and obligations of Landlord and Tenant, the terms of this Lease shall govern.

23.19 Operating Lease.

The parties hereto intend that this Lease shall be deemed for all purposes to be an operating lease and not a capital lease.

ARTICLE 24 TERMINATION RIGHTS

24.1 Landlord's Right to Terminate Lease upon Sale or Tax Law Change.

(a) In the event (i) Landlord enters into a bona fide contract to sell the Leased Property to a non-Affiliate, or (ii) of a Tax Law Change resulting in Landlord's determination to terminate this Lease, then in either such event Landlord may terminate this Lease by giving not less than sixty (60) days prior Notice to Tenant of Landlord's election to terminate this Lease upon the closing under such contract or upon a date specified by Landlord which is on or after the effective date of the Tax Law Change. Landlord shall be entitled to terminate this Lease by reason of a Tax Law Change only if all Other Leases are concurrently terminated, other than any Other Lease that relates to a property that Host REIT, Host O.P. or any wholly owned Subsidiary thereof cannot own, following such Tax Law Change, without incurring potential adverse effects for Host REIT, Host O.P. or such Subsidiary, unless such property is subject to a lease. Effective upon such date, this Lease shall terminate and be of no further force and effect except as to any obligations of the parties existing as of such date that survive termination of this Lease, and all Rent, including Percentage Rent and Additional Charges, shall be adjusted as of the termination date. (The term "Tax Law Change" shall mean any change in the Code (including, without limitation, a change in the Treasury regulations promulgated thereunder), or in the judicial or administrative interpretations of the Code, which in Landlord's determination will permit Landlord, Host REIT, Host O.P. or another entity in

which Host REIT or Host O.P. owns substantially all of the economic interests to operate the Facility as a hotel without adversely affecting Host REIT's qualification for taxation as a real estate investment trust under applicable Code provisions). Landlord, in the event it enters into a bona fide contract to sell the Leased Property to a non-Affiliate, and subject to the restrictions set forth in Section 20.4, shall be permitted to transfer the Leased Property subject to the Lease, provided, however, that the parties shall make such reasonable modifications hereto as shall be necessary or appropriate in connection with such transfer, including, without limitation, termination or modification of the Related Agreements and/or the Asset Management Agreement as they relate to this Lease; and provided further that in such event Landlord shall not, without the consent of Tenant, transfer the Leased Property or any interest therein to any Person which (A) does not have sufficient financial resources and liquidity to fulfill "Owner's" obligations under the Management Agreement and Landlord's obligations under this Lease, or (B) who has been, or is in control of, controlled by or under common control with Persons who have been, convicted of felonies involving moral turpitude in any state or federal court.

(b) As compensation for the early termination of its leasehold estate under this Article 24 because of a sale of the Leased Property (or as otherwise expressly provided in this Lease), and as a condition precedent to Landlord's right to terminate this Lease upon such a sale, Landlord shall, not more than one (1) year prior to the anticipated termination date of this Lease and in any event within sixty (60) days prior to the closing of such sale, either (i) pay to Tenant the Fair Market Value of Tenant's leasehold estate hereunder as of the termination date of the Lease or (ii) offer to lease to Tenant, pursuant to one or more leases, one or more substitute hotel facilities (a "Comparable Lease") that (A) are comparable, in Tenant's commercially reasonable judgment, to the average quality of the properties leased pursuant to the Other Leases, taking into consideration the age, physical condition, location and other relevant factors, and (B) would create for Tenant leasehold estates having an aggregate Fair Market Value as to that portion of its term equal to the remaining Term hereunder of no less than the Fair Market Value of the remaining Term hereunder, both such values to be determined as of the closing of the sale of the Leased Property. It is the intent of the parties that the Comparable Lease shall result in substantially the same ratio between Tenant's Operating Profit and Rent as then exists under this Lease for the Fiscal Year immediately preceding the sale. For the purposes of determining the Fair Market Value for purposes of this Section 24.1 or pursuant to any other Section of this Lease providing for such compensation of Tenant upon a Lease termination, a discount rate of twelve percent (12%) per annum will be used, and the annual income for the remainder of the Term will be assumed to be equal to the average Tenant Operating Profit generated during the three (3) Fiscal Years immediately preceding the termination date, or if three (3) Fiscal Years have not elapsed since the Commencement Date, the average during the preceding Fiscal Years that have elapsed (with the annual income for each of such Fiscal Years escalated from the end of each such Fiscal Year to the date of determination at the rate of inflation before such average is determined), provided that this amount shall be determined on a pro forma basis if the Leased Property has not operated as a hotel for at least the preceding twelve (12) months. In the event Landlord and Tenant are unable to agree upon the Fair Market Value of the original leasehold estate or the proposed Comparable Lease leasehold estate, it shall be determined by arbitration pursuant to the procedure set forth in Article 15. The parties agree that, if Landlord elects to offer enter into a Comparable Lease, to the extent that the

Fair Market Value of the Comparable Lease is less than the Fair Market Value of the original leasehold estate, calculated as set forth above, then Landlord shall compensate Tenant in cash for the deficiency prior to the effective date of the termination.

(c) Notwithstanding the provisions of Section 24.1(b), Landlord shall be entitled to terminate this Lease in connection with a sale or other transfer of the Leased Property to an unrelated Person or a Person in which Host O.P. owns, directly or indirectly, less than two-thirds of the equity interests, without payment of any termination fee, by giving not less than sixty (60) days prior written Notice to Tenant, provided that the landlords under Other Leases relating to an aggregate of fewer than twelve (12) hotels have elected to terminate such Other Leases without payment of a termination fee.

(d) Host O.P. agrees to guarantee Landlord's obligation to pay to Tenant the compensation for (i) termination by a Superior Mortgagee or Superior Landlord under Section 20.2, (ii) termination of this Lease following a Casualty pursuant to Section 10.2.3, or (iii) termination of this Lease by Tenant by reason of Landlord's election not to make an Award available to Tenant for restoration following a Condemnation pursuant to Section 11.2; provided that at the time of any such termination Landlord is a wholly owned direct or indirect subsidiary of Host O.P., and if Landlord is then partially owned, directly or indirectly, by Host O.P., Host O.P. shall guaranty that portion of such compensation that represents the same percentage of the total compensation payable as Host O.P.'s direct or indirect percentage ownership interest in Landlord. Landlord agrees to be exclusively responsible for (and shall reimburse Tenant for any payment Tenant otherwise might be required to make) the Manager's termination fee (if any) payable to Manager because of the termination of the Management Agreement in connection with the sale of the Leased Property.

(e) As compensation for the early termination of its leasehold estate under this Article 24 because of a Tax Law Change, Landlord shall, not more than one (1) year prior to the anticipated termination date of this Lease and in any event within sixty (60) days of such termination, pay to Tenant the Fair Market Value of Tenant's leasehold estate hereunder as of the termination date of this Lease, as determined under Section 24.1(b). The amount determined to be the Fair Market Value of Tenant's leasehold estate shall be payable, at the option of Landlord, in cash or in the form of stock in Host REIT.

24.2 Tenant's Right to Terminate Lease upon Certain Events.

Notwithstanding any provision of this Lease to the contrary, Tenant shall be entitled to terminate this Lease by giving not less than 180 days' prior Notice to Landlord, without penalty, provided that the Other Tenants have theretofore elected to terminate Other Leases relating to fewer than twelve (12) hotels without penalty pursuant to a similar provision contained in such Other Leases.

IN WITNESS WHEREOF, the parties have executed this Lease as a sealed instrument as of the date above first written.

Provisions Relating to Excess FF&E

(a) This Schedule 22.2 is intended to insure that all of the rent

 payable under this Lease qualifies as "rents from real property" within the meaning of Section 856(d) of the Code or any similar or successor provisions thereto. In furtherance of such purpose, the parties have agreed to the terms set forth in the following paragraphs of this Schedule 22.2 with the objective

 that, anything contained in this Lease to the contrary notwithstanding, the average of the adjusted tax basis of the items of "personal property" (as defined for purposes of Section 856(d)(i)(C) of the Code) that are leased to Tenant under this Lease at the beginning and at the end of any calendar year shall not exceed fifteen percent (15%) of the average of the aggregate adjusted tax bases of the Leased Property at the beginning and at the end of each such calendar year (the "FF&E Limitation"). The provisions contained in the following paragraphs shall be interpreted in a manner consistent with the intent and objective described above (it being understood that this paragraph constitutes a statement of the parties' mutual intent only and that the failure to achieve such objective, despite the due and timely performance of the respective obligations of Tenant and Landlord under the other paragraphs of this Schedule 22.2 and the other provisions of this Lease, shall not constitute a

 Default or an Event of Default hereunder). [In order to avoid exceeding the FF&E Limitation at the commencement of this Lease, Tenant has entered into an Excess FF&E Lease (the "Initial FF&E Lease") with Non-Controlled Subsidiary, for certain Excess FF&E, as more specifically described therein, that Landlord has sold to Non-Controlled Subsidiary and that is now owned by Non-Controlled Subsidiary.]

(b) If Landlord reasonably anticipates and gives Notice (an "Excess FF&E Notice") and reasonably satisfactory evidence to Tenant that the FF&E Limitation might be exceeded with respect to the Leased Property for any Fiscal Year, Tenant shall, in accordance with the provisions set forth below and within sixty (60) days following the delivery of such Excess FF&E Notice, either (a) purchase from Landlord those items or categories of FF&E to be acquired by Landlord during such Fiscal Year which are designated in such Excess FF&E Notice as anticipated to cause Landlord to exceed the FF&E Limitation ("Excess FF&E") or (b) arrange for Non-Controlled Subsidiary or another third party (in either case, a "Third-Party Purchaser") to purchase such Excess FF&E from Landlord and to lease it to Tenant pursuant to a written lease agreement between such Third-Party Purchaser and Tenant (an "Excess FF&E Lease") that shall include the terms specified for an Excess FF&E Lease in this Schedule 22.2 and in Schedule 22.2-A

 hereto (it being understood that, without limiting the foregoing, Landlord and Tenant intend that each Excess FF&E Lease be structured in a manner intended to avoid the classification of Tenant's obligations thereunder as Capitalized Lease Obligations).

(c) Upon receiving an Excess FF&E Notice, Tenant shall first offer to Non-Controlled Subsidiary the opportunity to purchase from Landlord the Excess FF&E designated therein and to lease same to Tenant pursuant to an Excess FF&E Lease. Each Excess FF&E Lease with Non-Controlled Subsidiary shall provide for an annual rental in an amount equal to the mathematical product of the applicable Market Leasing Factor (as defined below) for Excess FF&E with an Applicable Expected Life (as defined below) equal

to the Applicable Expected Life of the Excess FF&E subject to such Excess FF&E Lease multiplied by the Excess FF&E Value (as defined below) of the Excess FF&E subject to such Excess FF&E Lease.

(d) If Non-Controlled Subsidiary does not agree to purchase and lease all the Excess FF&E which is the subject of an Excess FF&E Notice within fifteen (15) days after the date it receives Tenant's offer with respect thereto, then Tenant shall either purchase such Excess FF&E from Landlord for Tenant's own account or shall arrange for another Third-Party Purchaser that has satisfied the requirements of paragraph (j) of this Schedule 22.2 to purchase such Excess

FF&E from Landlord and lease it to Tenant pursuant to an Excess FF&E Lease. If a Third-Party Purchaser that has satisfied the requirements of paragraph (j) of this Schedule 22.2 shall not have purchased such Excess FF&E from Landlord and

leased it to Tenant under an Excess FF&E Lease within forty-five (45) days after Landlord's delivery of the Excess FF&E Notice relating thereto, then Tenant shall itself purchase such Excess FF&E from Landlord as and when (but only after) Landlord takes title to such Excess FF&E. Tenant shall purchase, or shall cause each Third-Party Purchaser to purchase, Excess FF&E with the purchaser's own funds.

(e) With respect to any Excess FF&E first leased or purchased by Tenant pursuant to the terms of this Schedule 22.2 during a particular calendar

year, Tenant's annual Rent obligations shall be reduced in the following manner (the "FF&E Adjustment"):

(i) For the calendar year in which such Excess FF&E is first placed in service by either Tenant or a Third-Party Purchaser, such reduction shall be in an amount (the "First Year FF&E Adjustment") equal to the mathematical product of (A) the Market Leasing Factor (as defined below) for personal property with an average expected useful life corresponding to the weighted average expected useful life (as determined in accordance with GAAP) of all Excess FF&E first placed in service by Tenant or a Third-Party Purchaser during such calendar year, rounded to the nearest one year (the "Applicable Expected Life") times (B) the Excess FF&E Cost (as defined below) of all Excess FF&E first placed in service by Tenant or a Third-Party Purchaser during such calendar year times (C) (x) 100% if Tenant leases such Excess FF&E from Non-Controlled Subsidiary or (y) 110% if Tenant purchases such Excess FF&E or leases such Excess FF&E from a Third-Party Purchaser other than Non-Controlled Subsidiary times (D) 50% (referred to as the "First Year FF&E Adjustment");

(ii) For each subsequent calendar year prior to the calendar year in which the Applicable Expected Life for such Excess FF&E expires, such reduction shall be in an amount equal to the mathematical product of (A) the Market Leasing Factor for personal property with an average expected useful life corresponding to the Applicable Expected Life for such Excess FF&E times (B) the Excess FF&E Cost of such Excess FF&E times (C) (x) 100% if Tenant leases such Excess FF&E from Non-Controlled Subsidiary or (y) 110% if Tenant purchases such Excess FF&E or leases such Excess FF&E from a Third-Party Purchaser other than Non-Controlled Subsidiary; and

(iii) For the calendar year in which the Applicable Expected Life for such Excess FF&E expires, such reduction shall be in an amount equal to the First Year FF&E Adjustment.

It is contemplated that there would be a separate FF&E Adjustment for all Excess FF&E first placed in service during a single calendar year (with such FF&E Adjustment extending for a period equal to the lesser of the remaining Term or the Applicable Expected Life of the Excess FF&E acquired during such calendar year). The "Excess FF&E Value" of any Excess FF&E shall be the fair market value of such Excess FF&E (which shall be the purchase price paid by the purchaser thereof from Landlord, whether such purchaser is Non-Controlled Subsidiary, another Third Party Purchaser or Tenant) plus the aggregate amount of out-of-pocket transactional costs (including, without limitation, reasonable attorneys' fees and any ad valorem, sales, transfer, transaction or similar tax, levy or other governmental charge) incurred by such purchaser in connection with its purchase of such Excess FF&E. The "Market Leasing Factor" for the first two (2) Lease Years shall be the amounts set forth in Schedule 22.2-B (with there to

be a separate Market Leasing Factor for each whole number of years of expected useful life of Excess FF&E). Thereafter the Market Leasing Factors shall be determined by an independent valuation expert, acceptable to both Landlord and Tenant, who shall determine the Market Leasing Factors based on the median of the leasing rates of at least three nationally recognized companies engaged in the business of leasing similar FF&E or personal property and equipment with an average expected useful lives equal to the weighted average of the expected useful lives set forth on Schedule 22.2-B. The cost of such expert shall be

borne by Landlord. The Market Leasing Factors shall take into account any use taxes and similar Impositions payable by Tenant in connection with its leasing of Excess FF&E under the relevant Excess FF&E Leases, so that the economic burden of such Impositions will be borne by Landlord. The "Excess FF&E Cost" of any Excess FF&E shall be the Excess FF&E Value of such Excess FF&E plus, if Tenant leases such Excess FF&E from a Third-Party Purchaser, the aggregate amount of out-of-pocket transactional costs (including, without limitation, reasonable attorneys' fees and any ad valorem, sales, transfer, transaction or similar tax, levy or other governmental charge) incurred by Tenant in connection with its entry into an Excess FF&E Lease of such Excess FF&E in accordance with this Schedule 22.2.

(f) Landlord and Tenant agree to cause Manager to purchase all Excess FF&E for Landlord's account with funds from the FF&E Reserve (or with funds otherwise made available by Landlord). The parties specifically intend (and Tenant hereby agrees to take such reasonable steps at Landlord's expense as Landlord may request to insure) that Landlord shall own all Excess FF&E for a period of time sufficient to permit such Excess FF&E to become subject to any then existing Liens in favor of the Facility Mortgagee that encumber FF&E acquired by Landlord; provided, however, that in no event shall Landlord own any Excess FF&E (i) for more than five (5) Business Days, or (ii) so long that the FF&E Limitation would be exceeded at the beginning or end of any calendar year. Without limiting Tenant's obligation under the immediately preceding sentence to take reasonable steps requested by Landlord (at Landlord's expense) to achieve the objective set forth therein, it is understood and agreed that the failure to achieve such objective, despite Tenant's compliance with the aforesaid obligation and its other obligations hereunder, shall not constitute a Default or an Event of Default. Every purchase of Excess FF&E from

Landlord, whether by Tenant or a Third-Party Purchaser, shall be made expressly subject to any and all Liens encumbering such Excess FF&E in favor of the Facility Mortgagee. Following the purchase of any Excess FF&E by Tenant or a Third-Party Purchaser as contemplated by this Schedule 22.2, Landlord shall not

be considered to own or be the lessor of any of such Excess FF&E during the Term of this Lease for any purpose, nor shall any of such Excess FF&E be considered part of the Leased Property, and neither Landlord nor Tenant shall at any time take a position (in its books and records or otherwise) or make an assertion inconsistent therewith.

(g) In the event that Tenant owns any Excess FF&E at the expiration or earlier termination of this Lease (including, without limitation, a termination in connection with a transfer of ownership of the Leased Property), Landlord shall purchase from Tenant and Tenant shall sell to Landlord (the "Excess FF&E Repurchase"), on the effective date of such expiration or termination, all such FF&E (except for any Excess FF&E to which the terms of paragraph (i) of this Schedule 22.2 apply) for a purchase price equal to the fair market value (which

the parties hereby agree shall not be less than the adjusted book value) of such Excess FF&E at such time (the "Excess FF&E Repurchase Price"). The Excess FF&E Repurchase Price shall be payable first by offset against any Rent owed by Tenant to Landlord as of such time and any amounts owed by Tenant to Landlord as of such time under the Working Capital Note, and the remainder (if any) shall be paid in cash within ten (10) days after the expiration or termination of this Lease.

(h) In the event that Tenant is leasing any Excess FF&E from a Third-Party Purchaser at the expiration or earlier termination of this Lease (including, without limitation, a termination resulting in connection with a transfer of ownership of the Leased Property), Landlord shall purchase and assume from Tenant, and Tenant shall sell, assign and delegate to Landlord, on the effective date of such expiration or termination all Tenant's right, title and interest in and its obligations under each Excess FF&E Lease between Tenant and such Third-Party Purchaser (an "Excess FF&E Leasehold Interest"). In the aforesaid transaction (an "Excess FF&E Leasehold Interest Transfer"), the transfer price for such Excess FF&E Leasehold Interest (the "Excess FF&E Leasehold Interest Transfer Price") shall be an amount equal to the fair market value of such Excess FF&E Leasehold Interest at such time (as determined in accordance with the procedure provided below) and shall be payable (i) by Landlord if such fair market value is a positive number or (ii) by Tenant if such fair market value is a negative number. The fair market value of the Excess FF&E Leasehold Interest shall be determined taking into account all relevant factors, including the remaining term thereof, the remaining expected useful life of the Excess FF&E (as determined in accordance with GAAP) subject to such leasehold, and the leasing rate that would apply, under market conditions at that time, if a new lease for such Excess FF&E were to be entered into with an unrelated party for a term equal to the term remaining for such Excess FF&E Leasehold Interest; provided, however, that in no event shall such fair market value be less than the adjusted book value of such Excess FF&E Leasehold Interest. Any amount payable pursuant to this paragraph shall be paid within ten (10) days after the expiration or termination of this Lease and, if due from Landlord, shall be paid first by offset against any Rent owed by Tenant to Landlord as of such time and any amounts owed by Tenant to

Landlord as of such time under the Working Capital Note, and the remainder (if any) shall be paid in cash.

(i) In the event that the Facility Mortgagee forecloses on its Lien on any Excess FF&E owned by Tenant in connection with, but not separate from, a foreclosure of the Leased Property, Landlord shall reimburse Tenant for the loss of such Excess FF&E in an amount equal to the Excess FF&E Repurchase Price plus any reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by Tenant in complying with (but not contesting) such foreclosure (the "Excess FF&E Reimbursement Amount"). In the event that the Excess FF&E Reimbursement Amount becomes payable to Tenant pursuant to the immediately preceding sentence, (i) it shall be paid first by offsetting any amounts owed by Tenant to Landlord as of such time and the balance (if any) shall be paid in cash, and (ii) Tenant agrees to seek payment of such cash balance (if any) solely from Host O.P. pursuant to the terms of the Facility Mortgage Agreement and shall not make any demand or claim therefor against Landlord, the Facility Mortgagee, any purchaser in foreclosure or transferee by deed in lieu of foreclosure or other party claiming under any of the foregoing.

(j) No Third-Party Purchaser shall purchase any Excess FF&E from Landlord unless and until such Third-Party Purchaser shall have (i) agreed to purchase such Excess FF&E with cash from such Third-Party Purchaser's own funds; (ii) agreed to lease such Excess FF&E to Tenant under an Excess FF&E Lease; and (iii) entered into an agreement with Landlord, the Facility Mortgagee and Host O.P. [pursuant to which (A) the Third-Party Purchaser acknowledges to the Facility Mortgagee that all Excess FF&E purchased by such Third-Party Purchaser while the Facility Mortgage is in effect is subject to the Facility Mortgagee's first-priority Lien (without Third-Party Purchaser assuming any liability for Landlord's obligations that are secured by or arise under any Facility Mortgage) and that the Facility Mortgagee's rights and remedies with respect to such Excess FF&E shall survive and be enforceable with respect thereto; (B) the Third-Party Purchaser covenants to the Facility Mortgagee to file UCC-1 financing statements confirming the foregoing for notice purposes; (C) the Third-Party Purchaser covenants not to sell, lease, transfer or otherwise dispose of such Excess FF&E or any interest therein, or grant or cause or permit there to exist any lien, charge or encumbrance with respect thereto, other than the Lien in favor of the Facility Mortgagee, any other Liens which are the responsibility of Landlord and any Lien arising pursuant to such agreement or the Excess FF&E Lease, (D) in the event that this Lease expires or is terminated prior to the expiration or termination of the Excess FF&E Lease, Landlord agrees to purchase from the Third-Party Purchaser, and the Third-Party Purchaser agrees to sell to Landlord, all Excess FF&E owned by the Third-Party Purchaser at that time (other than any Excess FF&E to which clause (E) below applies) on the same terms as those applicable to the Excess FF&E Repurchase; and (E) if the Facility Mortgagee forecloses on its Lien with respect to Excess FF&E owned by the Third-Party Purchaser: (x) Landlord and Host O.P. agree to reimburse the Third-Party Purchaser for the loss of such Excess FF&E (such reimbursement to be paid first by offsetting any amounts owed by the Third-Party Purchaser to Landlord and the balance (if any) to be paid in cash); (y) Host O.P. agrees to pay the cash balance (if any) of such reimbursement amount directly to the Third-Party Purchaser without the need for notice or demand on Landlord; and (z) the Third-Party Purchaser agrees to look only to Host O.P. for payment of such cash balance.] [NOTE:

The foregoing bracketed description of the required terms of the Multiparty Agreement with the Third-Party Purchaser could be moved to a Schedule.]

(k) It is the intent of Landlord and Tenant that the leases of FF&E pursuant to the Initial FF&E Lease, any Excess FF&E Lease, and this Lease shall be treated as operating leases and not Capitalized Lease Obligations under GAAP. Landlord and Tenant agree to cooperate to the extent feasible and consistent with the terms of this Lease to provide terms for such leases of FF&E that are so treated.

[NOTE: Host O.P.'s payment obligations with respect to net cash balances of any Excess FF&E Repurchase Price, the Excess FF&E Leasehold Interest Transfer Price and Excess FF&E Reimbursement Amount payable by Landlord under the foregoing provisions will be set forth in the Facility Mortgagee Agreement.]

Consolidated Reports of Condition and Income for
A Bank With Domestic and Foreign Offices--FFIEC 031

Report at the close of business June 30, 1998

This report is required by law; 12 U.S.C. (S)324 (State member banks); 12
U.S.C. (S) 1817 (State nonmember banks); and 12 U.S.C. (S)161 (National banks).

NOTE: The Reports of Condition and Income must be signed by an authorized
officer and the Report of Condition must be attested to by not less than two
directors (trustees) for State nonmember banks and three directors for State
member and National Banks.

I, Gerald A. Ronning, Executive VP & Controller

Name and Title of Officer Authorized to Sign Report

of the named bank do hereby declare that these Reports of Condition and Income
(including the supporting schedules) have been prepared in conformance with the
instructions issued by the appropriate Federal regulatory authority and are true
to the best of my knowledge and believe.

/s/ Gerald A. Ronning

Date of Signature

Submission of Reports

Each Bank must prepare its Reports of Condition and Income either:

- (a) in automated form and then file the computer data file directly with the
banking agencies' collection agent, Electronic Data System Corporation
(EDS), by modem or computer diskette; or

(971231)

(RCRI 9999)

This report form is to be filed by banks with branches and consolidated
subsidiaries in U.S. territories and possessions, Edge or Agreement
subsidiaries, foreign branches, consolidated foreign subsidiaries, or
International Banking Facilities.

The Reports of Condition and Income are to be prepared in accordance with
Federal regulatory authority instructions.

We, the undersigned directors (trustees), attest to the correctness of this
Report of Condition (including the supporting schedules) and declare that it has
been examined by us and to the best of our knowledge and belief has been
prepared in conformance with the instructions issued by the appropriate Federal
regulatory authority and is true and correct.

Gentlemen:

This letter is furnished by American Appraisal Associates, Inc. ("AAA" or "American Appraisal"), a Delaware corporation, to Atlanta Marriott Marquis II Hotel Limited Partnership, Desert Springs Marriott Limited Partnership, Hanover Marriott Limited Partnership, Marriott Diversified American Hotels, L.P., Marriott Hotel Properties Limited Partnership, Marriott Hotel Properties II Limited Partnership, Mutual Benefit Chicago Marriott Suite Hotel Partners, L.P., and Potomac Hotel Limited Partnership (the "Partnerships"), each of which is a Delaware limited partnership, except for Mutual Benefit Chicago Marriott Suite Hotel Partners, L.P., which is a Rhode Island limited partnership, concerning the issuance of a fairness opinion (the "Opinion") to each of the Partnerships and their partners (including general partners) as discussed further below. The general partner of each Partnership (collectively the "General Partners") is either Host Marriott Corporation (the "Company" or "Host"), a Delaware corporation, or a direct or indirect wholly owned subsidiary of Host.

We understand that each of the General Partners, on behalf of each of the Partnerships, and a newly formed operating limited partnership (the "OP") are planning to propose the mergers of the Partnerships with the OP (or subsidiaries thereof) (the "Mergers") in connection with Host's reorganization to permit Host to qualify as a real estate investment trust ("REIT") for tax purposes (the "REIT Conversion"). The OP (or its subsidiaries) will lease the hotels (the "Hotels") to a corporation (or subsidiaries thereof) conducting the senior living services business ("SLC") that will be spun off to the shareholders of Host pursuant to certain leases (the "Leases") and the Hotels will be operated by Marriott International, Inc. or subsidiaries ("Marriott") or other hotel management companies pursuant to management agreements with the lessee. In connection with the REIT Conversion, Host will be converted, by merger, into a Maryland real estate investment trust ("Host REIT") and will elect to be treated as a REIT for tax purposes and will be the direct or indirect general partner (and a substantial limited partner) of the OP. In connection with the REIT Conversion, Host will, among other transactions in connection with its conversion to a REIT,

contribute its assets to the OP in exchange for a number of units of common and preferred partnership interests equal to the number of shares of common and preferred stock, if any, of Host then outstanding. In the Mergers, the partners of the Partnerships would receive units of limited partnership interest in the OP ("OP Units") in exchange for their interests in the Partnerships. Commencing at any time after one year following the Mergers, the holders of OP Units (other than Host REIT) will have the right to have their OP Units redeemed by the OP for, at Host REIT's option, common shares of Host REIT (on a one-for-one basis) or the cash equivalent thereof. Each limited partner in each Partnership (including any limited partners of any Partnerships who dissent with respect to the proposed Mergers) also will have the right to elect to receive common shares of Host REIT or unsecured notes payable by the OP in exchange for the OP Units received in the Mergers.

The proposed Mergers, the formation of the OP, the conversion of Host into a REIT, and the transactions to be undertaken in connection therewith are included in the "REIT Conversion."

You have requested our Opinion as to the terms and conditions of the proposed Mergers, as follows:

- (i) The fairness and reasonableness, from a financial point of view, to the limited partners of each Partnership, of the Exchange Value and of the methodologies and underlying assumptions used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of each Partnership, including, without limitation, the assumptions used to determine the various adjustments to the appraised values of the Hotels; and
- (ii) The fairness and reasonableness, to the limited partners of each Partnership, of the methodologies used to determine the value of an OP Unit and to allocate the equity interest in the OP to be received by the limited partners of each Partnership.

American Appraisal, as the world's largest independent valuation consulting firm, is regularly and continually engaged in the valuation of commercial real estate and businesses and their securities in connection with tender offers, mergers and acquisitions, recapitalizations and reorganizations, divestitures, employee stock ownership plans, leveraged buyouts, private placements, limited partnerships, estate and corporate matters, other financial advisory matters, and other valuation purposes. In connection with this Opinion, American Appraisal also performed a separate appraisal of the market value, as said term is defined in the appraisals, of each Hotel owned by each Partnership as of March 1, 1998 (the "Hotel Appraisals") as discussed further below.

In the course of our analysis in preparing this opinion, we have relied without independent verification upon the accuracy and completeness in all material respects of certain relevant publicly available information and information provided by Host and the Hotels. We assumed that all information furnished to us by Host, the Hotels, and the Partnerships and their representatives, upon which we relied, presented an accurate description in all material respects of the current and prospective status of the Hotels and the Partnerships from an operational and financial point of view.

Due Diligence
- -----

As a basis for rendering our Opinion, we have made such reviews, studies, and analyses as we deemed necessary and pertinent in order to provide us with a reasonable basis for the Opinion, including, but not limited to, the following:

- (i) Reviewed the transaction documents and SEC reporting and/or filing documents, including drafts of the OP's Form S-4 for the Mergers;
- (ii) Provided the Market Value of each Hotel (a "Hotel Appraisal") owned by each Partnership in a separate short form appraisal report. Each such report was reviewed and certified by an MAI appraiser as to its preparation in accordance with the requirements of the Standards of Professional Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation.

As part of our Hotel Appraisals, we reviewed historical operating statements, 1998 budget and year-to-date results, and other financial information as we deemed necessary as a basis for the Opinion.

Our Hotel Appraisals also considered market transactions of similar lodging properties as appropriate as a basis for the Market Value of each Hotel;

- (iii) Reviewed the methodologies used by each of the General Partners in their determination of the Exchange Value of each Partnership, including the nature and amount of all adjustments to the appraised Market Values in determining such Exchange Values. AAA reviewed and tested for the fairness and reasonableness of all adjustments as well as for consideration of all adjustments deemed to be appropriate by AAA;

- (iv) Reviewed the methodologies used by each of the General Partners in their determination of the value of an OP Unit and the allocation of the equity interest in the OP to be received by the limited partners of each Partnership. AAA reviewed and tested for the fairness and reasonableness of the methods and measurements made by the General Partners;
- (v) Reviewed the General Partners' determination of the Liquidation Value of each Partnership. AAA reviewed and tested for the fairness and reasonableness of all adjustments proposed by the General Partners, as well as for consideration of all adjustments deemed appropriate by AAA;
- (vi) Provided an estimate of the Continuation Value of each Partnership based upon the estimated present value of expected benefits to be received by each limited partner interest as though the Mergers did not occur and each Partnership's assets were sold within a twelve year period. AAA, as part of its analysis and review, determined appropriate rates of growth in house profit or net operating income, as well as reviewed other key variables affecting partnership cash flows and other economic/financial factors affecting the partnerships' expected operations and results; a description of certain key assumptions applied by AAA in their estimate of the Continuation Value is provided below;
- (vii) Reviewed the terms of the ground leases of the Hotels and the partnership agreements of each Partnership;
- (viii) Reviewed audited and unaudited historical income statements, balance sheets and statements of sources and uses of funds of each Partnership and Host and pro forma financial information for Host REIT;
- (ix) Reviewed audited and unaudited historical operating statements of each Hotel, as well as current operating statements and budgets;
- (x) Conducted real estate valuation and financial due diligence with respect to the Partnerships and their underlying assets, liabilities, and equity;
- (xi) Reviewed internal Marriott, Host and Partnership financial analyses and other internally generated data for each Hotel; and

- (xii) Discussed all of the foregoing information, where appropriate, with management of Marriott, Host and the Partnerships, and their respective employees.

Continuation Value

AAA provided an estimate of the Continuation Value of each Partnership based on the present value of the expected cash distributions for the period 1998-2009 from each respective Partnership's operations which assumed the sale of the underlying Hotels in year 2009. Partnership cash flow utilized a 1998 earnings estimate and related annual stabilized growth rate (ranging from 3.4% to 4.5%, depending upon the specific Partnership) developed by AAA in their separate Hotel Appraisals. Partnership cash flow was discounted at a rate of 20%. Sales proceeds in year 2009 were estimated for each Partnership at a capitalization rate ranging from 9.8% to 10.4%, depending upon the specific character of each Partnership. In calculating the net proceeds available to each Partnership, consideration included the payment of selling and other transaction costs, deferred incentive management fees and existing debt.

Opinion and Assumptions

Based on the procedures performed and the assumptions stated herein, it is our Opinion as to the terms and conditions of the proposed Mergers that:

- (i) The Exchange Value and the methodologies and underlying assumptions used to determine the Exchange Value, the Adjusted Appraised Value, the Continuation Value and the Liquidation Value of each Partnership, including, without limitation, the assumptions used to determine the various adjustments to the appraised values of the Hotels, are fair and reasonable, from a financial point of view, to the limited partners of each Partnership; and
- (ii) the methodologies used to determine the value of an OP Unit and the allocation of the equity interest in the OP to be received by the limited partners of each Partnership is fair and reasonable to the limited partners of each Partnership.

The Opinion specifically does not consider other methodologies for valuation or allocation of the OP Units and does not address or conclude that other methodologies for valuation or allocation of OP Units to the Partnerships might not have been more favorable to the limited partners in certain of the Partnerships.

AAA has not negotiated with the Partnerships or Host and has not participated in establishing the terms of the Mergers and has not provided an opinion as to the terms and conditions of the Mergers other than those explicitly stated herein.

The Hotel Appraisals assume all furniture, fixtures and equipment (FF&E) reserves for replacements are adequate and do not consider any deferred maintenance (such as environmental concerns). The Hotel Appraisals do consider projected capital expenditures commonly referred to as owner-funded items, based in part on the projected owner-funded capital expenditure estimates determined by an engineer retained by Host Marriott Corporation (the "Engineering Study"). AAA has made no independent review of the capital expenditure estimates set forth in the Engineering Study and assumes it is correct in all material respects. Furthermore, AAA's Continuation Value for each Partnership relied upon the Engineering Study for any estimated future owner funded expenditures for the first eleven years. AAA has made no estimates of Partnership contingent liabilities.

For purposes of the Continuation Value, AAA has assumed FF&E reserves are adequate and understands that Host has determined that there are no reserve shortfalls or surpluses.

The Hotel Appraisals referred to herein are not guarantees of the present or future values of the Hotels and no assurance can be given as to the actual value of the Hotels.

Our Opinion is limited to review of financial, economic, market, and other considerations as they existed as of March 1, 1998. No subsequent due diligence or valuation procedures were conducted by AAA, except that we have reviewed year-to-date results through September __, 1998 for each Partnership and, based upon such review and upon current financial, economic and market conditions and indicated trends therein, we concluded that nothing came to our attention that would cause us to be unable to render the Fairness Opinion as of such date.

AAA acknowledges and agrees that its Opinion is for the benefit of each Hotel and the partners thereof (including the general and limited partners) and may be relied upon by them.

AAA agrees and acknowledges that our Opinion may be disclosed, in whole or in part, in any proxy statement, consent solicitation statement, and/or registration statement (or proxy) and related materials utilized in connection with the REIT Conversion and/or may be provided to and/or filed with the Securities and Exchange Commission ("SEC") and other regulatory authorities; provided, however, that the precise language used in any characterization of the services and advice provided by AAA, prepared by others, must have the prior consent of AAA, which consent will not be unreasonably withheld or delayed.

Our Opinion is intended to supplement and not to substitute for anyone's due diligence to the extent required in this or any related transaction.

Our engagement is subject to the terms of our engagement letter dated February 12, 1998.

Respectfully submitted,

Lee P. Hackett
Executive Vice President

Q&A

1. If my Partnership votes for the Merger, what will I receive in exchange for my Partnership Unit?

If your Partnership votes to approve the Merger and the Merger is consummated, all of the Limited Partners in your Partnership will receive units of limited partnership interest in the Operating Partnership ("OP Units"). Each OP Unit is intended to be the economic equivalent of a Host REIT Common Share.

You can elect, either during the solicitation period or at any time during the 15 trading days following the closing of the Merger (the "Election Period"):

- . Common Share Election: to exchange the OP Units that you would receive in the Merger for an equal number of Host REIT Common Shares, or
- . Note Election: to exchange the OP Units that you would receive in the Merger for a Note issued by the Operating Partnership (see the Answer to Question ___ below).

If you elect to retain the OP Units issued to you in the Merger, you will have the right, beginning one year after the Merger, to exchange your OP Units at any time for either Common Shares of Host REIT, on a one-for-one basis, or cash in an amount equal to the market value of such shares, at the election of Host REIT (the "Unit Redemption Right").

The following table sets forth for each Partnership, on a per Partnership Unit basis, the estimated Exchange Value for that Partnership and the estimated dollar amount of the Note that would be issued to a Limited Partner electing to receive a Note. (For a description of how these amounts were determined, see the Answers to Questions ___ and ___ below).

Partnership	Estimated Exchange Value	Estimated Principal Amount of Note
Atlanta Marquis	\$45,425	\$36,340
Chicago Suites	\$33,133	\$31,149
Desert Springs	\$40,880	\$32,704
Hanover	\$123,202	\$98,562
MDAH	\$109,216	\$98,343
MHP	\$141,074	\$124,261
MHP II	\$237,334	\$205,140
PHLP	\$5,040	\$4,032

The number of OP Units that you will receive in the Merger will be determined by dividing the Exchange Value for your Partnership Interest by the average closing price on the New York Stock Exchange for the Host REIT Common Shares for the first 20 trading days

following the Merger (but that price would not be greater than \$15.50 or less than \$9.50). Your OP Units, Host REIT Common Share or Note, as applicable, will be issued to you promptly after this determination is made.

The following table sets forth for each Partnership (on a per Partnership Unit basis) the estimated minimum number of OP Units and the estimated maximum number of OP Units, and the number of OP Units that would be issued at the midpoint between the minimum and maximum, each computed based upon the estimated Exchange Values.

	ESTIMATED MINIMUM NUMBER OF OP UNITS (\$15.50 PER OP UNIT)	ESTIMATED NUMBER OF OP UNITS AT THE MIDPOINT (1) (\$12.50 PER OP UNIT)	ESTIMATED MAXIMUM NUMBER OF OP UNITS (\$9.50 PER OP UNIT)
ATLANTA MARQUIS	2,931	3,634	4,782
CHICAGO SUITES	2,138	2,651	3,488
DESERT SPRINGS	2,637	3,270	4,303
HANOVER	7,949	9,856	12,969
MDAH	7,046	8,737	11,496
MHP	9,102	11,286	14,850
MHP2	15,312	18,987	24,982
PHLP	325	403	531

(1) Assumes that the average closing price of Host REIT Common Shares for the 20 trading days following the Mergers is \$12.50, the midpoint between the minimum price (\$9.50) and the maximum price (\$15.50).

For example, if the Merger closes on December 30, 1998, the Election Period would end on January 22, 1999, the period for determining the value of the Host REIT Common Shares would end January 29, 1999, and the OP Units (or Common Shares or Notes) would be issued to the Limited Partners on or about February 5, 1999.

2. How do I submit my vote with respect to the Merger? How would I exercise the election to receive Common Shares or a Note in connection with the Merger?

You vote with respect to the Merger by fully completing the Consent Form ([color of paper] form) and returning the Consent Form to the Tabulation Agent, at the following address:

Gemisys
7103 South Revere Parkway
Englewood, Colorado 80172
(Postage Paid Envelope Enclosed) or

VIA FACSIMILE
1-800-xxx-xxxx

prior to 5:00 p.m., Eastern time, on the last day of the Solicitation Period, which will be December __, 1998, unless extended by the General Partners and the Operating Partnership. You will receive a written notice if the Solicitation Period is extended.

In order to vote in favor of the Merger, you must vote FOR the Merger and FOR the amendments to the partnership agreement. A vote AGAINST either the Merger or the amendments effectively will be a vote AGAINST the Merger.

If you are Limited Partner in Atlanta Marquis, Chicago Suites, MDAH or PHLP and you either fail to return the Consent Form or return the Consent Form and abstain as to either matter, that action effectively will be a vote AGAINST the Merger.

If you are a partner in MHP, MHP2, Hanover or Desert Springs and return the Consent Form but abstain as to either matter, that action also effectively will be a vote AGAINST the Merger; if you do not return the Consent Form, you will not be counted for purposes of determining whether the required majority of Limited Partners is present for purposes of having a vote to approve the Merger.

If you want to elect to receive Common Shares or a Note, you need to complete an OP Unit Exchange Election Form (the [brown] form) and return it to the Tabulation Agent at any time prior to 5:00 p.m., Eastern time, on the fifteenth trading day following the Effective Date of the Mergers. You can return the OP Unit Election Form with your Consent Form, but you are not required to do so. In addition, you can submit an OP Unit Election Form even if you do not return a Consent Form or if you return a Consent Form but vote against the Merger.

If you submit an OP Unit Exchange Election Form prior to the end of the Election Period, you are free up until the end of the Election Period to revoke any election made previously (and make a new election) so long as the Partnership receives written notice of such action prior to the end of the Election Period. Once the Effective Date of the Mergers has occurred, the Partnership will give you notice of when the Election Period will expire.

3. What are the benefits to me in participating in the Merger?

The General Partners believe that the Mergers provide substantial benefits to the Limited Partners. Those benefits include:

- . Liquidity
- . Regular Quarterly Cash Distributions
- . Substantial Tax Deferral for Limited Partners Not Electing to Exchange OP Units for Common Shares or Notes
- . Risk Diversification
- . Reduction in Leverage and Interest Costs
- . Growth Potential
- . Greater Access to Capital
- . Public Market Valuation of Assets

4. What are the risks to me if I approve the Merger?

The risk factors associated with the Mergers are described in several sections of the Consent Solicitation, including the "Summary Risk Factors," "Risk Factors," and "Conflicts of Interest." Some of these risk factors are:

- . Substantial Benefits to Related Parties
- . Absence of Arm's Length Negotiations
- . Other Conflicts of Interest
- . No Opportunity to Benefit from Crestline Common Stock
- . Exchange Value May Not Equal Fair Market Value of the Partnerships' Hotels
- . Inability of Limited Partners Who Retain OP Units to Redeem OP Units for One Year
- . Value of the Notes Will be Less than the Exchange Value
- . Election of Common Shares or Notes is a Taxable Transaction

- . Cash Distributions May Exceed Cash Available for Distribution; Reduced Cash Distributions for Certain Limited Partners
- . Timing of the REIT Conversion
- . Fundamental Change in Nature of Investment
- . Uncertainties as to the Size and Leverage of the Operating Partnership
- . Lack of Control over Hotel Operations and Non-Controlled Subsidiaries; Dependence upon Crestline and Marriott International
- . Requisite Vote of Limited Partners of Partnerships Binds All Limited Partners
- . Inability to Obtain Third-Party Consents May Have a Material Adverse Effect
- . Exposure to Market and Economic Conditions of Other Hotels
- . No Limitation on Debt
- . Ownership Limitations
- . Effect of Subsequent Events upon Recognition of Gain
- . Sale of Personal Property May Result in Gain to Limited Partners in Certain Partnerships
- . Failure of Host REIT to Qualify as a REIT for Tax Purposes; Failure of the Operating Partnerships to Qualify as a Partnership for Tax Purposes
- . Change in Tax Laws

5. How was the estimated Exchange Value of a Partnership Unit determined?

The method used for determining the estimated Exchange Value of a Partnership Unit is described in several sections of the Consent Solicitation, including the "Summary Determination of Exchange Values and Allocation of OP Units," "Risk Factors," and "Conflicts of Interest." In addition, there is an entire section, "Determination of Exchange Values and Allocation of OP Units," beginning on page __ of the Consent Solicitation with an overview. We encourage you to review this information as more fully described in the Consent Solicitation.

The Exchange Value of each Partnership is equal to the greatest of its Adjusted Appraised Value, Continuation Value and Liquidation Value.

Adjusted Appraised Value. The General Partners retained American Appraisal Associates, Inc. ("AAA") to determine the market value of the hotels owned by each of the Partnerships as of

March 1, 1998 ("Appraised Value"). The Adjusted Appraised Value of each Partnership equals the Appraised Value of its hotel(s) (adjusted as of the end of the "accounting period" ending not less than 20 days before the Mergers), adjusted for lender reserves, capital expenditure reserves, existing indebtedness (including a "mark to market" adjustment to reflect the market value of such indebtedness), certain deferred maintenance costs, deferred management fees and transfer and recordation taxes and fees.

Continuation Value. The Continuation Value for each Partnership was arrived at through the use of estimates prepared by AAA for the Partnership of the discounted present value, as of January 1, 1998, of the limited partners' share of estimated future cash distributions and estimated net sales proceeds (plus lender reserves), assuming that the Partnership continues as an operating business for twelve years and its assets are sold at the end of 2009 for their then estimated market value.

Liquidation Value. The Liquidation Value for Partnership is the General Partner's estimate of the net proceeds to limited partners resulting from the assumed sale of the Partnership's hotel(s) as of December 31, 1998, each at its Adjusted Appraised Value (after eliminating any "mark to market" adjustment and adding back the deduction for transfer and recordation taxes and fees, if any, made in deriving the Adjusted Appraised Value) less (i) estimated liquidation costs, expenses and contingencies equal to 2.5% of Appraised Value and (ii) prepayment penalties or defeasance costs, as applicable.

The Exchange Value is the highest of the three valuations. The following table sets forth for each Partnership (on a per Partnership Unit basis) the estimated Adjusted Appraised Value, estimated Continuation Value, estimated Liquidation Value, and the resulting estimated Exchange Value.

	ESTIMATED ADJUSTED APPRAISED VALUE	ESTIMATED CONTINUATION VALUE	ESTIMATED LIQUIDATION VALUE	ESTIMATED EXCHANGE VALUE
ATLANTA MARQUIS	\$ 41,570	\$ 45,425	\$ 402	\$ 45,425
CHICAGO SUITES	\$ 33,133	\$ 24,184	\$ 31,149	\$ 31,133
DESERT SPRINGS	\$ 40,880	\$ 33,536	\$ 27,617	\$ 40,880
HANOVER	\$123,202	\$ 98,090	\$ 88,474	\$123,202
MDAH	\$109,216	\$ 89,340	\$ 98,343	\$109,216
MHP	\$140,032	\$141,074	\$124,261	\$141,074
MHP2	\$237,334	\$211,263	\$205,140	\$237,334
PHLP	0	\$ 5,040	0	\$ 5,040

As described above in the answer to Question 1, the number of OP Units that you will receive as a result of a Merger (or Host REIT Common Shares if you elect to receive Common Shares in connection with the Merger) will be determined based upon the final Exchange Value for your Partnership Interest (which will be determined prior to the closing of the Mergers) and the average closing price for Host REIT Common Shares on the New York Stock Exchange for the 20 trading days following the Merger (but in no event will it be less than \$9.50 or greater than \$15.50 per OP Unit). This pricing mechanism has the effect of fixing the minimum and maximum number of OP Units to be issued in the Mergers.

The General Partners believe the value of the OP Units allocable to the Limited Partners in each Partnership on the basis of the Exchange Value established for that Partnership represents fair consideration for the Partnership Interests held by the Limited Partners in that Partnership and is fair from a financial point of view.

6. What will the federal income tax effect of this transaction be for me?

The Mergers are not expected to result in the immediate recognition of taxable income or gain by an "original" Limited Partner (i.e., a Limited Partner who purchased his Partnership Interest at the time the Interests were originally offered for purchase and who has retained those Interests since that time) who does not elect to receive the Common Shares or a Note in connection with the Merger (except for a small amount of ordinary income that might be recognized by the Limited Partners in Atlanta Marquis, Desert Springs, MHP and PHLP resulting from the sale of certain personal property by each such Partnership). If you are not an "original" Limited Partner, you need to review with your tax advisor the specific tax consequences to you of the Merger.

If you retain your OP Units following the Merger, there are a variety of future events and transactions that could cause you to recognize part or all of the taxable gain deferred at the time of the Merger. These events could include, for example, your exercise of your Unit Redemption Right, a sale by the Operating Partnership of one or more of the Hotels owned by your Partnership, or a repayment or other reduction of part or all of the nonrecourse debt secured by the Hotels owned by your Partnership.

. If you elect to receive either Common Shares or a Note in connection with the Merger, you will be considered to have made a taxable disposition of your OP Units and will recognize taxable gain equal to the sum of the fair market value of the Common Shares received (or the principal amount of the Note), plus your "share" of the Operating Partnership's liabilities (as determined for federal income tax purposes), less your adjusted basis in your Partnership Interest.

. If you elect to receive Common Shares, the gain likely would be recognized at the time your right to receive Common Shares becomes fixed (which would be January 22, 1999, if the Mergers occur on December 30, 1998).

. If you elect to receive a Note, the taxable disposition likely would be deemed to occur when the Mergers are completed (which currently is expected to be December 30, 1998), but you may be able to elect to use the "installment method" to defer the recognition of at least a portion of the gain attributable to receipt of a Note.

Any gain that you recognize if you elect to receive Common Shares or a Note in connection with the Mergers (or other income recognized as a result of the Mergers) can be offset by unused passive activity losses that you may have either from your investment in your Partnership or from other investments.

The tables on pages ____ show for each Partnership the estimated gain to an "original" Limited Partner owning one Partnership Unit who purchased the Partnership Unit for cash if the Limited Partner elects to receive Common Shares or a Note in connection with the Mergers (together with the federal income tax that would be owed if such gain simply were to be multiplied by the maximum federal income tax rate applicable to gain of that type).

The tables on pages __ show for each Partnership the estimated gain to an "original" Limited Partner owning one Partnership Unit purchased pursuant to the installment payment plan if the Limited Partner elects to receive Common Shares or a Note in connection with the Mergers (together with the federal income tax that would be owed if such gain simply were to be multiplied by the maximum federal income tax rate applicable to gain of that type).

The table on page __ shows for each Partnership, on a per Partnership Unit basis, the estimated unused passive activity loss carryforwards that an "original" Limited Partner would have as of December 31, 1998.

The information in these tables is derived from the information set forth in the Supplement to the Consent Solicitation for your Partnership under the caption "Federal Income Tax Consequences -- Tax Treatment of the [Your Partnership] Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election" and "Federal Income Tax Consequences -- Tax Treatment of [Your Partnership] Limited Partners Who Hold OP Units Following the Merger -- Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership," and certain key assumptions that are described in the Supplement under the caption "Federal Income Tax Consequences -- Assumptions Used in Determining Tax Consequences of the Merger." It is essential that you review the information in these sections of the applicable Supplement and the assumptions set forth (or referenced) therein in conjunction with the tables on the following pages.

THE SPECIFIC TAX ATTRIBUTES OF A PARTICULAR LIMITED PARTNER COULD HAVE A MATERIAL IMPACT ON THE TAX CONSEQUENCES OF THE MERGER, AND THE SUBSEQUENT OWNERSHIP AND DISPOSITION OF YOUR OP UNITS, COMMON SHARES OR NOTES. THEREFORE, IT IS ESSENTIAL THAT YOU CONSULT WITH YOUR OWN TAX ADVISORS WITH REGARD TO THE APPLICATION OF THE FEDERAL INCOME TAX LAWS TO YOUR PERSONAL TAX SITUATION

(PARTICULARLY IN CONNECTION WITH A DECISION WHETHER OR NOT TO ELECT TO RECEIVE COMMON SHARES OR A NOTE IN CONNECTION WITH THE MERGERS), AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION.

Estimate (on a per Partnership Unit basis) of Taxable Gain Recognized By an "Original" Limited Partner Who Paid Cash for His Partnership Unit and Who Elects to Receive Common Shares or a Note in Connection with the Mergers.

[1] If the Limited Partner elected to reduce his basis in his MDAH Partnership Unit in lieu of recognizing cancellation of debt income in 1993 then the estimated total tax would be \$16,493 or \$14,318 for Limited Partners who elect to receive Common Shares or a Note, respectively.

To be reviewed together with the information set forth in the Supplement to the Consent Solicitation for your Partnership under the caption "Federal Income Tax Consequences -- Tax Treatment of the [Your Partnership] Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election" and "Federal Income Tax Consequences -- Tax Treatment of [Your Partnership] Limited Partners Who Hold OP Units Following the Merger -- Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership," and certain key assumptions that are described in the Supplement under the caption "Federal Income Tax Consequences -- Assumptions Used in Determining Tax Consequences of the Merger."

[2] If the Limited Partner elected to reduce his/her basis in his/her MDAH Partnership Unit in lieu of recognizing cancellation of debt income in 1993 then the estimated total tax would be \$16,682 or \$14,508 for Limited Partners who elect to receive Common Shares or a Note, respectively.

To be reviewed together with the information set forth in the Supplement to the Consent Solicitation for your Partnership under the caption "Federal Income Tax Consequences -- Tax Treatment of the [Your Partnership] Limited Partners Who Exercise Their Right to Make the Common Share Election or the Note Election" and "Federal Income Tax Consequences -- Tax Treatment of [Your Partnership] Limited Partners Who Hold OP Units Following the Merger -- Impact on Passive Activity Losses of an Investment in a Publicly Traded Partnership," and certain key assumptions that are described in the Supplement under the caption "Federal Income Tax Consequences -- Assumptions Used in Determining Tax Consequences of the Merger."

If you purchased your Partnership Unit at the time of the original offering for your Partnership and the Partnership Unit has been your only investment in a passive activity, your estimated passive activity loss carryforward, per Partnership Unit, as of December 31, 1998, would be as follows:

Partnership -----	Passive Activity Loss Carryforward ----- (per Partnership Unit)
Atlanta Marquis	\$127,233
Chicago Suites	\$4,384
Desert Springs	\$9,179
Hanover	\$0
MDAH	
Partnership Unit acquired for cash	\$12,096
Partnership Unit acquired for cash and Limited Partner elected to reduce his basis in lieu of cancellation of debt income	\$28,656
Partnership Unit acquired under the installment plan	\$35,483
Partnership Unit acquired under the installment plan and Limited Partner elected to reduce his basis in lieu of cancellation of debt income	\$40,635
MHP	\$1,217
MHP 2	\$0
PHLP	\$0

7. Why doesn't the Partnership just sell the hotels to Host or another purchaser, instead of merging our Partnership into the Operating Partnership?

A sale of the Partnership's assets would result in the liquidation and termination of each Partnership. A sale would result in each Limited Partner, as well as Host Marriott, recognizing a substantial tax gain, and receiving proceeds approximating the Liquidation Value, which in each case is significantly less than the Exchange Value.

8. Why is Host converting to a REIT?

Host believes that the REIT structure, as a more tax efficient structure, will provide improved operating results through changing economic conditions and all phases of the hotel economic cycle. In this regard, Host believes the REIT Conversion, which will reduce corporate-level taxes and the need to incur debt to reduce taxes through interest deductions, will improve its financial flexibility and allow it to continue to strengthen its balance sheet by reducing its overall debt to equity ratio over time. As a REIT, Host believes it will be able to compete more effectively with other public lodging real estate companies that already are organized as REITs. Host also believes that the REIT conversion will make performance comparisons with its peers more meaningful.

By becoming a dividend paying company, Host believes its shareholder base will expand to include investors attracted by yield as well as asset quality. In addition, the adoption of the UPREIT structure is expected to facilitate tax-deferred acquisitions of other quality hotel properties.

9. Why is the Operating Partnership leasing the Hotels to Crestline? What is Crestline? Will I receive any Crestline common stock?

Under current federal income tax law, REITs are not permitted to derive revenues directly from the operation of hotels. Therefore, the Operating Partnership will lease its hotels to Crestline. Crestline currently is a wholly owned subsidiary of Host, but Crestline will become a separate public company when Host distributes the common stock of Crestline and other consideration to Host's existing shareholders and the Blackstone entities in connection with the REIT Conversion. This distribution will be done in connection with Host's required distribution of its accumulated earnings and profits in order to qualify as a REIT. Shares of Host REIT and Crestline will be separately traded securities, and the two companies will operate independently.

The Limited Partners will not receive any Crestline common stock.. The pricing mechanism for the Mergers -- which is based upon the average closing price for Host REIT stock for the 20 trading days following the Mergers (all of which will be after the Crestline common stock has been distributed) -- is designed to ensure that your OP Units are fairly valued after giving effect to Host's distribution of the Crestline common stock to its shareholders.

10. Describe an OP Unit.

An OP Unit will constitute a limited partnership interest in the Operating Partnership. The OP Units are structured with the intent that they be economically equally equivalent to the Host REIT Common Shares. All holders of OP Units will be entitled to share in cash distributions from, and in the profits and losses of, the Operating Partnership. Thus, the cash distributions per OP Unit are expected to correspond to the cash distributions per share paid by Host REIT with respect to the Common Shares. Commencing one year after the Mergers, each holder of an OP Unit will have the right at any time to exchange your OP Units on a one-for-one basis for Host REIT Common Shares or the cash equivalent thereof (at the election of Host REIT).

11. What will be the terms of the Note if I elect to receive a Note?

The Notes will be direct, senior unsecured and unsubordinated obligations of the Operating Partnership. The Notes will mature on December 15, 2005, or approximately seven years following the Mergers. The Notes will bear interest at a fixed rate of interest equal to 6.56% per annum. Interest will be payable in arrears on each June 15 and December 15, commencing on June 15, 1999. The principal amount of the Notes with respect to each Partnership will be equal to the Liquidation Value, or if greater, 80% of the Exchange Value for your Partnership Interest. (See the Answer to Question __ for these amounts.) For a table showing the estimated principal amount of the Notes with respect to each Partnership, on a per Partnership Unit basis, see the Response to Question 1.

12. I currently own a very illiquid investment; will this change if I vote for the Merger?

Your Partnership Units are relatively illiquid investments. Although there may be a limited resale market for your Partnership Units, the trading volume is thin and the recent average trading prices of the outstanding Partnership Units in each of the Partnerships are less than the estimated Exchange Value for the Partnership Units (except for Desert Springs). The Merger will offer you liquidity because you can elect to exchange OP Units received in the Merger for Common Shares in connection with the Mergers. In addition, if you elect to retain your OP Units following the Mergers, you will have the right at any time, commencing one year following the Mergers, to exchange your OP Units, on a one-for-one basis, for Host REIT Common Shares or the cash equivalent thereof, at the election of Host REIT.

13. Do all eight Partnerships need to vote "FOR" a Merger for the transaction involving my Partnership to be completed?

No. Each Partnership votes individually on the transaction, and no Merger is conditioned upon the consummation of any other Merger.

14. On page ___ of the Consent Solicitation, Host estimates that the distribution per OP Unit during 1999 will be approximately \$0.84 per OP Unit (assuming the Mergers occur in 1998). How much cash would a Limited Partner owning one Partnership Unit receive for 1999, and how does that compare with the distributions from my Partnership for 1997 and 1998?

The Operating Partnership currently expects to make annual cash distributions of approximately \$0.84 per OP Unit (\$0.21 per quarter, payable in January, April, July and October of each year, except that the first distribution in 1999 is expected to be paid at the end of February if the REIT Conversion is completed in 1998). The actual amount of cash distributions that you would receive for 1999 if you were to retain the OP Units issued to you in the Mergers would depend upon the number of OP Units issued to your Partnership in the Merger with respect to your Partnership Interest. The Answer to Question 1 explains how that number will be determined.

The following table sets forth for each Partnership, on a per Partnership Unit basis, the actual cash distributions made from operations during 1997 and the actual and expected distribution levels from operations during 1998, as well as three alternative expected distributions that would be made with respect to OP Units for 1999 if the Mergers and the REIT Conversion occur (assuming that the Merger occurs on December 30, 1998), computed assuming that the OP Units are valued for purposes of the Mergers at \$9.50 (the minimum price), \$15.50 (the maximum price), and \$12.50 (the midpoint between the minimum price and the maximum price).

	Estimated 1999 Distributions Following the Mergers (2)				
	1997 DISTRIBUTIONS	ACTUAL AND EXPECTED 1998 DISTRIBUTIONS (1)	AVERAGE SHARE PRICE \$9.50	AVERAGE SHARE PRICE \$15.50	AVERAGE SHARE PRICE \$12.50
ATLANTA MARQUIS	\$0	\$5,000 (3)	\$4,017	\$2,462	\$3,053
CHICAGO SUITES	\$0	\$0	2,930	1,796	2,227
DESERT SPRINGS	\$25,000 (4)	\$2,500	3,615	2,215	2,747
HANOVER	\$0	\$0	10,894	6,677	8,279
MDAH	\$3,453	\$0	9,657	5,919	7,339
MHP	\$7,770	\$16,000	12,474	7,645	9,480
MHP2	\$29,880	\$21,564	20,985	12,862	15,949
PHLP	\$0	\$0	446	273	339

- (1) Represents actual cash distributions made through August 20, 1998 and expected cash to be distributed during the period from August 21, 1998 through December 31, 1998.
- (2) Based upon preliminary estimated annual distributions during the twelve months ending December 31, 1999 of \$0.84 per OP Unit. Limited Partners are cautioned that this amount may change, and the changes may be material. See "Distribution and Other Policies -- Distribution Policy," in the Consent Solicitation. Does not include amounts, if any, to be distributed by the Partnerships from third and fourth quarter 1998 operations which will be distributed by the Partnerships before June 1, 1999.
- (3) Represents a distribution of \$5,000 per Partnership Unit from excess funds that had been accumulated for refinancing costs.
- (4) Represents a return of capital of approximately \$25,000 per Partnership Unit.

15. If I have further questions, whom can I contact?

As noted above, the General Partners encourage Limited Partners to consult with their own financial and tax advisors regarding this transaction. If you or your advisors have questions, please contact the following:

[FRONT]

[Name of Partnership] ("[Partnership Abbreviation]") CONSENT FORM

Reference is made to the Prospectus/Consent Solicitation Statement dated September __, 1998, and the Transmittal Letter attached hereto, sent with this Consent Form to obtain consent to Host Marriott, L.P.'s proposed acquisition by merger (the "Merger") of [Partnership Abbreviation] and up to seven other limited partnerships that own full-service hotels in which Host or its subsidiaries are general partners. This Consent Form incorporates by reference the representations and covenants set forth in the Transmittal Letter. The undersigned hereby votes as set forth below with respect to all Partnership Units which the undersigned may be entitled to vote. Please put an "X" in the appropriate box to vote "FOR" the Merger, "AGAINST" the Merger or to "ABSTAIN" from voting with respect to the Merger. Please put an "X" in the appropriate box to vote "FOR" the amendments to the partnership agreement, "AGAINST" the amendments to the partnership agreement or to "ABSTAIN" with respect to the amendments to the partnership agreement.

- "FOR" my Partnership's participation in the Merger.
- "FOR" the amendments to the partnership agreement.
- "AGAINST" my Partnership's participation in the Merger.
- "AGAINST" the amendments to the partnership agreement.
- I wish to "ABSTAIN" from voting with respect to the Merger.
- I wish to "ABSTAIN" from voting with respect to the amendments to the partnership agreement.

In order to make certain that the Merger is approved, a [Partnership Abbreviation] Limited Partner must vote FOR the Merger and FOR the amendments to the partnership agreement.

Signature of Limited Partner _____ Date _____

MAILING LABEL
(Includes name of the Partnership)

Signature of Co-Owner (if any) _____ Date _____

PLEASE DATE; SIGN EXACTLY AS YOUR NAME APPEARS ON THE MAILING LABEL, UNLESS YOUR NAME IS PRINTED INCORRECTLY; AND MAIL THIS CONSENT FORM IN THE ENVELOPE PROVIDED; NO POSTAGE REQUIRED IF MAILED IN THE UNITED STATES.

(PLEASE COMPLETE ELECTION ON REVERSE)

[BACK]

Limited Partners in [Partnership Abbreviation], if [Partnership Abbreviation] participates in the Merger, will receive and retain OP Units, unless one of the following elections is marked:

I wish to exchange my OP Units for Common Shares of Host REIT as described in the Prospectus/Consent Solicitation Statement.

I wish to exchange my OP Units for a Note of the Operating Partnership as described in the Prospectus/Consent Solicitation Statement.

This election can be revoked or an alternative election can be made by submitting to [Partnership Abbreviation] in writing such revocation or alternative election prior to the later of November __, 1998 or, upon notice, such later date as may be selected by the General Partner and the Operating Partnership.

If you sign and return this Consent Form without indicating a vote, you will be deemed to have voted "FOR" the Merger and "FOR" for the amendments to the partnership agreement, and you will receive and retain OP Units if [Partnership Abbreviation] participates in the Merger.

By signing this Consent Form, you hereby acknowledge receipt of the Prospectus/Consent Solicitation Statement dated September __, 1998, furnished herewith.

Each person signing this Consent Form affirms and makes the other representations, warranties, covenants and agreements set forth in the Letter of Instructions.

IF YOU HAVE ANY QUESTIONS OR NEED ASSISTANCE IN COMPLETING THE CONSENT FORM, PLEASE CALL _____, THE INFORMATION AGENT, AT _____.

IMPORTANT TAX INFORMATION

All holders of interests in the Partnerships ("Holders") should review the important tax information that is provided below regarding information which each Holder is required to provide to Host Marriott, L.P. ("Operating Partnership") and Host Marriott Corporation ("Host REIT"). This information must be provided in order to avoid the withholding of taxes on amounts received from the Operating Partnership or Host REIT by such Holders. Terms not otherwise defined herein have the meaning set forth in the Consent Solicitation.

Substitute Form W-9. Under federal income tax law, a Holder who elects to tender his interest in a Partnership to the Operating Partnership in exchange for units of limited partnership interest in the Operating Partnership ("OP Units"), with the right to exchange such OP Units for a note issued by the Operating Partnership (a "Note") or shares of common stock of Host REIT ("Common Shares") in connection with the Mergers, may be subject to backup federal income-tax withholding at the rate of 31% with respect to amounts received from the Operating Partnership or Host REIT, as the case may be. To prevent this withholding, a Holder must provide the Operating Partnership and Host REIT with such Holder's correct Taxpayer Identification Number ("TIN") by completing the attached Substitute Form W-9 certifying that the TIN provided on Substitute Form W-9 is correct (or that such Holder is awaiting a TIN) and that (1) such Holder has not been notified by the Internal Revenue Service that he is subject to backup withholding as a result of the failure to report all interest or dividends received by him or (2) the Internal Revenue Service has notified the Holder that he is no longer subject to backup withholding. If such Holder is an individual, the TIN will be his Social Security number. The TIN of a Holder which is an entity will be that entity's Employer Identification Number. The attached Certificate of Awaiting Taxpayer Identification Number should be completed if the Holder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future. If the Operating Partnership and Host REIT are not provided with the correct TIN, the Holder may be subject to a \$50 penalty imposed by the Internal Revenue Service as well as withholding taxes.

Additionally, foreign taxpayers who receive investment income from U.S. sources are subject to income tax withholding at a rate of 30% of the gross amount of such U.S. investment income. Failure to provide the information required on the attached Substitute Form W-9 may result in the Operating Partnership or Host REIT, as the case may be, being required to withhold 30% of any payments made to the foreign Holder or other payee which represent either such Holder's share of the Operating Partnership's investment income (in the case of a foreign Holder who retains his OP Units received in the Mergers) or dividend payments (in the case of a foreign Holder who elects to exchange his OP Units for Common Shares).

Certificate Of Non-Foreign Status. The Internal Revenue Code requires that taxes be withheld on certain amounts payable to foreign persons by domestic partnerships or by reason of a sale of certain U.S. real property interests (including distributions by the Operating Partnership or Host REIT, as the case may be, attributable to gain from the sale or exchange of U.S. real property interests). In order for a Holder to avoid having withholding taxes deducted from payments that will be received from the Operating Partnership or Host REIT, as the case may be, such Holder must certify under penalties of perjury the following information on the attached Certificate of Non-Foreign Status: 1) the Holder is not a foreign person; 2) the Holder's TIN; 3) the Holder's address; and 4) the Holder will notify the Operating Partnership or Host REIT, as the case may be, within sixty (60) days of a change in Holder's foreign status. A failure to provide the Operating Partnership or Host REIT with a complete and signed copy of the Certificate of Non-Foreign Status may result in the required withholding of up to 39.6% (with regard to an individual) or 35% (with regard to an entity) of any payments made to the Holder or other payee.

The attached Certificate of Non-Foreign Status must be completed by all Holders regardless of whether such Holders retain the OP Units received in the Mergers

or elect to exchange such OP Units for Notes or Common Shares in connection with the Mergers.

What Number to Give the Operating Partnership and Host REIT. As discussed above, the Holder is required to give the Operating Partnership and Host REIT the Social Security number or employer identification number of the record holder of the partnership interests tendered hereby. If the interests are held in more than one name or are not held in the name of the actual owner, consult the enclosed "Guidelines for Certification of Taxpayer Identification Number" for additional guidance on which number to report on the attached documents.

EACH HOLDER IS STRONGLY URGED TO CONSULT WITH HIS OWN TAX ADVISORS TO DETERMINE THE APPLICATION OF THE TAX WITHHOLDING AND INFORMATION REPORTING REQUIREMENTS TO HIS PERSONAL TAX SITUATION.

HOST MARRIOTT, L.P.

HOST MARRIOTT CORPORATION

CERTIFICATE OF NON-FOREIGN STATUS
for Individuals

To inform Host Marriott, L.P. and Host Marriott Corporation that withholding of tax is not required under Sections 1445 and 1446 of the Internal Revenue Code upon amounts received by me from Host Marriott, L.P. or Host Marriott Corporation, I, the undersigned, hereby certify the following:

1. I am not a nonresident alien for purposes of U.S. income taxation;
2. My U.S. taxpayer identifying number (Social Security Number) is: _____; and
3. My current home address is as follows: _____.

I hereby agree that if I become a nonresident alien, I will notify Host Marriott, L.P. (if I hold units of interest in, or a note issued by, Host Marriott, L.P.) or Host Marriott Trust (if I hold shares of common stock of Host Marriott Corporation) within sixty (60) calendar days of doing so.

I understand that this certification may be disclosed to the Internal Revenue Service by Host Marriott, L.P. or Host Marriott Corporation and that any false statement I have made here could be punished by fine, imprisonment, or both.

Under penalties of perjury, I declare that I have examined this certification and to the best of my knowledge and belief it is true, correct, and complete.

[NAME OF PARTNERSHIP] ("[PARTNERSHIP ABBREVIATION]")

OP UNIT EXCHANGE ELECTION FORM

Reference is made to the Prospectus/Consent Solicitation Statement dated October __, 1998, and the Transmittal Letter attached hereto, sent with this OP Unit Exchange Election Form pursuant to which the undersigned may elect, if [Partnership Abbreviation] participates in the Merger, to exchange his OP Units received in the Merger for a Note of the Operating Partnership or for Host REIT Common Shares. This OP Unit Exchange Election Form incorporates by reference the representations and covenants set forth in the Transmittal Letter.

The undersigned, a Limited Partner in [Partnership Abbreviation], if [Partnership Abbreviation] participates in the Merger, will receive and retain OP Units, unless one of the following elections is marked:

- NOTE ELECTION: I wish to tender my OP Units to the Operating Partnership in exchange for a Note of the Operating Partnership as described in the Prospectus/Consent Solicitation Statement.
- COMMON SHARE ELECTION: I wish to tender my OP Units to Host REIT in exchange for Host REIT Common Shares as described in the Prospectus/Consent Solicitation Statement.

In order to avoid withholding under FIRPTA and certain other applicable rules, a [Partnership Abbreviation] Limited Partner must execute and return with this OP Unit Exchange Election Form both the attached Certificate of Non-Foreign Status and Substitute Form W-9.

This OP Unit Exchange Election Form may be submitted at any time so that it is received by [Partnership Abbreviation] prior to 5:00 p.m, Eastern time, on the fifteenth trading day after the effective date of the Merger (which is currently expected to be January __, 1999) or, upon notice, such later date as may be selected by Host REIT and the Operating Partnership (the "Election Period"). This election can be revoked or alternative election can be made by submitting to [Partnership Abbreviation] in writing such revocations or alternative election so that it is received by [Partnership Abbreviation] prior to the end of the Election Period.

-----		-----	
Signature of Limited Partner	Date	Signature of Co-Owner (if any)	Date
MAILING LABEL (Includes name of the Partnership)		PLEASE DATE; SIGN EXACTLY AS YOUR NAME APPEARS ON THE MAILING LABEL, UNLESS YOUR NAME IS PRINTED INCORRECTLY; AND MAIL THIS ELECTION FORM IN THE ENVELOPE PROVIDED; NO POSTAGE REQUIRED IF MAILED IN THE UNITED STATES.	

DO NOT RETURN THIS OP UNIT EXCHANGE ELECTION FORM IF YOU WISH TO RETAIN THE OP UNITS RECEIVED IN THE MERGER. IF A LIMITED PARTNER DOES NOT VOTE ON THE MERGER AND THE RELATED AMENDMENTS TO THE PARTNERSHIP AGREEMENT, DOES NOT RETURN THIS OP UNIT EXCHANGE ELECTION FORM TO [PARTNERSHIP ABBREVIATION] PRIOR TO THE END OF THE ELECTION PERIOD OR RETURNS THIS OP UNIT EXCHANGE ELECTION FORM BUT DOES NOT INDICATE AN ELECTION HEREON, SUCH LIMITED PARTNER WILL BE DEEMED TO HAVE ELECTED TO RETAIN THE OP UNITS RECEIVED IN THE MERGER.

IF YOU HAVE ANY QUESTIONS OR NEED ASSISTANCE IN COMPLETING THIS ELECTION FORM, PLEASE CALL _____, THE INFORMATION AGENT, AT _____.
