**Explanation of Responses:**

1. On February 14, 2023, it was determined that a portion of the performance goals for previously granted restricted stock units had been met, resulting in the vesting of these shares in the form of common stock on February 14, 2023. The underlying grants were as follows: (1) on May 15, 2020, the reporting person was granted an award of restricted stock units which vest based on the Issuer's relative total stockholder return as compared to the NAREIT Lodging & Resort Index and (2) on February 4, 2021, the reporting person was granted an award of restricted stock units which vest based on the Issuer's performance against certain Adjusted EBITDA targets.
