Item 1.01. Entry into a Material Definitive Agreement.

The information required by this item is included in Item 2.03 below and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 11, 2009, Host Hotels & Resorts, L.P. ("Host L.P."), for whom Host Hotels & Resorts, Inc. ("Host REIT") acts as sole general partner, issued \$400 million aggregate principal amount of Series T senior notes bearing interest at a rate of 9% per year due in 2017. The notes pay interest semi-annually in arrears. The notes were offered in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended, and to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act. The text of the news release issued in connection with the sale of the Series T senior notes is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated into this Item 2.03 by reference.

Optional Redemption Provisions and Change of Control Repurchase Right

At any time prior to May 15, 2013, the Series T senior notes will be redeemable at Host L.P.'s option, in whole or in part, at a price equal to 100% of their principal amount, plus a make-whole premium as set forth in the senior notes indenture, plus accrued and unpaid interest to the applicable redemption date. Beginning May 15, 2013, Host L.P. may redeem, in whole or in part, the Series T senior notes at any time subject to the payment of a redemption price together with any accrued and unpaid interest to the applicable redemption date. The redemption price includes a call premium that varies (from 4.5% to 0%) depending on the year of redemption.

Prior to May 15, 2012, Host L.P. may redeem up to 35% of the aggregate principal amount of the Series T senior notes at a redemption price equal to 109% of the principal amount thereof, together with any accrued and unpaid interest to the applicable redemption date, with the net cash proceeds of sales of equity securities by Host L.P. or Host REIT.

The holders of Series T senior notes will also have the right to require Host L.P. to repurchase their notes upon the occurrence of a change in control triggering event, as defined in the senior notes indenture, at an offer price equal to 101% of the principal amount of the senior notes plus accrued and unpaid interest to the date of purchase.

Ranking and Security

The notes were issued pursuant to a supplement to Host L.P.'s Amended and Restated Indenture, dated August 5, 1998, originally among HMH Properties, Inc. (now, Host L.P.), the subsidiary guarantors named therein, and HSBC Bank USA f/k/a Marine Midland Bank (now succeeded by The Bank of New York Mellon), as trustee. Under the terms of the senior notes indenture, the senior notes are equal in right of payment with all of Host L.P.'s unsubordinated indebtedness and senior to all subordinated obligations of Host L.P., subject to certain limitations set forth in the senior notes indenture. The senior notes are guaranteed by certain of Host L.P.'s subsidiaries and are currently secured by pledges of equity interests in certain of Host L.P.'s subsidiaries. The guarantees and pledges ratably benefit the notes outstanding under Host L.P.'s senior notes indenture, as well as Host L.P.'s credit facility and certain other senior debt, and interest rate swap agreements and other hedging agreements with lenders that are parties to the credit facility.

Restrictive Covenants

Under the terms of the senior notes indenture, Host L.P.'s ability to incur indebtedness and make distributions is subject to restrictions and the satisfaction of various conditions, including the achievement of an EBITDA-to-interest coverage ratio of at least 2.0x by Host L.P. (1.7x in the case of distributions to enable Host REIT to pay dividends on its preferred stock). This ratio is calculated in accordance with Host L.P.'s senior notes indenture and excludes from interest expense items such as call premiums and deferred financing charges that are included in interest expense on Host L.P.'s consolidated statement of operations. In addition, the calculation is based on Host L.P.'s pro forma results for the four prior fiscal quarters giving effect to certain transactions, such as acquisitions, dispositions and financings, as if they occurred at the beginning of the period. Other covenants limiting Host L.P.'s ability to incur indebtedness and make distributions include maintaining total indebtedness of less than 65% of adjusted total assets (using un-depreciated real estate values) and secured indebtedness of less than 45% of adjusted total assets. So long as Host L.P. maintains the required level of interest coverage and satisfies these and other conditions in the senior notes indenture, it may make distributions and incur additional debt under the senior notes indenture. There are exceptions permitting distributions by Host L.P. to Host REIT, and other holders of partnership interests, that are necessary for Host REIT to pay dividends required to maintain its status as a real estate investment trust, even when Host L.P. does not meet the financial covenant tests set forth above.

The senior notes indenture also imposes restrictions on customary matters, such as limitations on the capital expenditures, acquisitions, investments, and transactions with affiliates and the incurrence of liens.

Use of Proceeds

The net proceeds of the offering will be used to repay all of the outstanding \$135 million mortgage debt on The Westin Kierland Resort & Spa in 2009, to repay the \$200 million currently outstanding on the revolving portion of Host L.P.'s credit facility and for general corporate purposes.

Forward-Looking Statements

The discussion in this report on Form 8-K contains forward-looking statements within the meaning of federal securities regulations. These forward-looking statements are identified by their use of terms and phrases such as “anticipate,” “believe,” “could,” “estimate,” “expect,” “intend,” “may,” “plan,” “predict,” “project,” “will,” “continue” and other similar terms and phrases, including references to assumption and forecasts of future results. Forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors which may cause the actual results to differ materially from those anticipated at the time the forward-looking statements are made. These risks include, but are not limited to: national and local economic and business conditions, including the potential for terrorist attacks, that will affect occupancy rates at our hotels and the demand for hotel products and services; operating risks associated with the hotel business; risks associated with the level of our indebtedness and our ability to meet covenants in our debt agreements; relationships with property managers; our ability to maintain our properties in a first-class manner, including meeting capital expenditure requirements; our ability to compete effectively in areas such as access, location, quality of accommodations and room rate structures; changes in travel patterns, taxes and government regulations which influence or determine wages, prices, construction procedures and costs; our ability to complete acquisitions and dispositions; and our ability to continue to satisfy complex rules in order for Host REIT to qualify as a real estate investment trust for federal income tax purposes and other risks and uncertainties associated with our business described in our filings with the SEC. Although we believe the expectations reflected in such forward-looking statements are based upon reasonable assumptions, we can give no assurance that the expectations will be attained or that any deviation will not be material.

RECITALS

WHEREAS, the Company, certain of the Subsidiary Guarantors and HSBC Bank USA (f/k/a Marine Midland Bank) executed and delivered the Amended and Restated Indenture, dated as of August 5, 1998, amending and restating the form of Indenture previously filed as Exhibit 4.1 to the Registration Statement (No. 333-50729) filed with the Securities and Exchange Commission (“*Commission*”) on Form S-3 by the Company, its Parents and certain of the Subsidiary Guarantors;

WHEREAS, Section 9.1(e) of the Indenture provides that the Company, the Subsidiary Guarantors and the Trustee may amend or supplement the Indenture without the written consent of the Holders of the outstanding Securities to provide for the issuance of and establish the form and terms and conditions of Securities of any Series as permitted by the Indenture;

WHEREAS, all acts and things prescribed by the Indenture, by law and by the organizational documents of the Company, the Subsidiary Guarantors and the Trustee necessary to make this Twenty-Ninth Supplemental Indenture a valid instrument legally binding on the Company, the Subsidiary Guarantors and the Trustee, in accordance with its terms, have been duly done and performed; and

WHEREAS, all conditions precedent to amend or supplement the Indenture have been met.

NOW, THEREFORE, to comply with the provisions of the Indenture, and in consideration of the above premises, the Company, the Subsidiary Guarantors and the Trustee covenant and agree as follows:

ARTICLE 1

Section 1.01 Nature of Supplemental Indenture. This Twenty-Ninth Supplemental Indenture supplements the Indenture and does and shall be deemed to form a part of, and shall be construed in connection with and as part of, the Indenture for any and all purposes.

In addition to the initial aggregate principal amount of Series T Notes issued on the Series Issue Date, the Company may issue additional Series T Notes (the "Additional Notes") under the Indenture and this Twenty-Ninth Supplemental Indenture in accordance with Section 2.2 of the Indenture and Section 4.7 of the Indenture, as supplemented by Section 5.01 below of this Twenty-Ninth Supplemental Indenture.

Section 1.03 Redemption. (a) At any time prior to May 15, 2013 upon not less than 30 nor more than 60 days' notice, the Company may redeem the Series T Notes in whole or in part, at a Redemption Price equal to 100% of the principal amount thereof plus the Make-Whole Premium, together with accrued and unpaid interest thereon, if any, to the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on an Interest Payment Date that is on or prior to the applicable Redemption Date).

The Redemption Price, calculated as aforesaid, shall be set forth in an Officer's Certificate delivered by the Company to the Trustee no later than one Business Day prior to the Redemption Date.

(f) The Company is not prohibited from acquiring the Series T Notes by means other than a redemption, whether pursuant to an issuer tender offer, in open market transactions, or otherwise, assuming such acquisition does not otherwise violate the terms of the Indenture.

ARTICLE 2

Section 2.01 "*Subsidiary Guarantors*" means, with respect to the Series T Notes, (A) the Subsidiary Guarantors listed in Section 2.03 below and (B) any Future Subsidiary Guarantors that become Subsidiary Guarantors pursuant to the terms of the Indenture, but in each case excluding any Persons whose Guarantees have been released pursuant to the terms of the Indenture. The provisions of Article 12 of the Indenture will be applicable to the Series T Notes.

By execution of this Twenty-Ninth Supplemental Indenture, each of the Subsidiary Guarantors makes and confirms the guarantees set forth in Section 12.1 of the Indenture and shall be deemed to have signed the notation of guarantee set forth on the Securities as provided in Section 12.2 of the Indenture.

ARTICLE 3

Section 3.01 Subject to the further provisions of this Article 3 and Article 5 of this Twenty-Ninth Supplemental Indenture, the covenants set forth in Article 4 of the Indenture shall be applicable to the Notes. By virtue of the occurrence of the REIT Conversion, Section 4.15 of the Indenture (as replaced and superseded by Section 5.03 of this Twenty-Ninth Supplemental Indenture) is applicable, and Section 4.9 of the Indenture is inapplicable, to the Series T Notes.

Section 3.02 The provisions of Sections 4.10 (as supplemented by Section 5.06 of this Twenty-Ninth Supplemental Indenture) and 4.11 of the Indenture and Sections 5.01, 5.02, 5.03 and 5.04 of the Twenty-Ninth Supplemental Indenture (together, the “Suspended Covenants”) shall not be applicable to the Series T Notes, in the event and only for so long as, the Series T Notes are rated Investment Grade.

Section 3.03 Notwithstanding the foregoing, in the event that one or both of the Rating Agencies withdraws its ratings or downgrades the ratings assigned to the Series T Notes below the required Investment Grade, the foregoing covenants will be reinstated as of and from the date of such withdrawal or ratings downgrade. Calculations under the reinstated Section 5.03 of this Twenty-Ninth Supplemental Indenture will be made as if Section 5.03 of this Twenty-Ninth Supplemental Indenture had been in effect since the Issue Date except that no Default or Event of Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

Section 3.04 For avoidance of doubt, the definition of “GAAP” contained in the Indenture shall apply in all instances to the Series T Notes and the provisions of Section 1.4(c) of the Indenture shall not apply in any instance to the Series T Notes.

Section 3.05 Section 9.1 of the Indenture is hereby supplemented by the following clause solely with respect to the Series T Notes:

“(k) to conform the text of this Indenture or the Notes to any provision of the “Description of Series T Senior Notes” section of the Company’s Offering Memorandum dated May 5, 2009, relating to the initial offering of the Series T Notes, to the extent that such provision in that “Description of Series T Senior Notes” was intended to be a verbatim recitation of a provision of this Indenture or of the Series T Notes.”

Section 3.06 Section 10.1 of the Indenture is hereby supplemented by adding the following paragraph at the end of such Section, solely with respect to the Series T Notes:

“Notwithstanding the foregoing, the Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Series T Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the indenture in accordance with Section 3.3 of this Indenture and Section 1.03 of the Twenty-Ninth Supplemental Indenture unless and until there is a default in payment of the applicable Redemption Price.

ARTICLE 4

Section 4.01 The following definitions are hereby added to the Indenture solely with respect to the Series T Notes:

“*Applicable Procedures*” means, with respect to any transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depository, Euroclear and Clearstream that apply to such transfer or exchange at the relevant time.

“*Certificated Note*” means a certificated Note registered in the name of the Holder thereof and issued in accordance with Section 6.01 of this Twenty-Ninth Supplemental Indenture, in the form of Exhibit A to this Twenty-Ninth Supplemental Indenture except that such Note shall not include the information called for by footnotes 1, 2, and 4 thereof.

“*Clearstream*” means Clearstream Banking S.A., or its successors.

“*Consolidated Coverage Ratio*” of any Person on any Transaction Date means the ratio, on a pro forma basis, of:

(a) the aggregate amount of Consolidated EBITDA of such Person attributable to continuing operations and businesses (exclusive of amounts attributable to operations and businesses permanently discontinued or disposed of) for the Reference Period,

to:

(b) the aggregate Consolidated Interest Expense of such Person (exclusive of amounts attributable to operations and businesses permanently discontinued or disposed of, but only to the extent that the obligations giving rise to such Consolidated Interest Expense would no longer be obligations contributing to such Person's Consolidated Interest Expense subsequent to the Transaction Date) during the Reference Period;

provided that for purposes of such calculation:

(1) acquisitions of operations, businesses or other income-producing assets (including any reinvestment of disposition proceeds in income-producing assets held as of and not disposed on the Transaction Date) which occurred during the Reference Period or subsequent to the Reference Period and on or prior to the Transaction Date shall be assumed to have occurred on the first day of the Reference Period;

(2) transactions giving rise to the need to calculate the Consolidated Coverage Ratio shall be assumed to have occurred on the first day of the Reference Period;

(3) the incurrence of any Indebtedness or issuance of any Disqualified Stock during the Reference Period or subsequent to the Reference Period and on or prior to the Transaction Date (and the application of the proceeds therefrom to the extent used to refinance or retire other Indebtedness or invested in income-producing assets held as of and not disposed on the Transaction Date) shall be assumed to have occurred on the first day of such Reference Period;

(4) the Consolidated Interest Expense of such Person attributable to interest on any Indebtedness or dividends on any Disqualified Stock bearing a floating interest (or dividend) rate shall be computed on a pro forma basis as if the average rate in effect from the beginning of the Reference Period to the Transaction Date had been the applicable rate for the entire period, unless such Person or any of its Subsidiaries is a party to an Interest Swap or Hedging Obligation (which shall remain in effect for the 12-month period immediately following the Transaction Date) that has the effect of fixing the interest rate on the date of computation, in which case such rate (whether higher or lower) shall be used; and

(5) whenever pro forma effect is to be given to an acquisition of assets, the amount of income or earnings related thereto and the amount of Consolidated Interest Expense associated with any Indebtedness Incurred in connection therewith, the pro forma calculation shall be determined in good faith by a responsible financial or accounting officer of the Company.

(13) Indebtedness Incurred by Foreign Subsidiaries in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, not to exceed \$300 million; and

(14) additional Indebtedness in an aggregate principal amount (or accreted value, if applicable) at any time outstanding, not to exceed \$150.0 million, *provided, however*, that Indebtedness Incurred in reliance on this clause (14), together with all Indebtedness Incurred pursuant to clause (1) and (12) of this subsection (d) does not at any time exceed an aggregate principal amount (or accreted value, if applicable), of \$1.5 billion, less any amount repaid subsequent to the Series Issue Date as provided under Section 5.04 of this Twenty-Ninth Supplemental Indenture (including that, in the case of a revolver or similar arrangement, such commitment is permanently reduced by such amount).

(e) For purposes of determining any particular amount of Indebtedness under this Section 5.01 of this Twenty-Ninth Supplemental Indenture:

(1) Indebtedness Incurred under the Credit Facility on or prior to the Issue Date shall be treated as Incurred pursuant to clause (1) of subsection (d) of this Section 5.01 of this Twenty-Ninth Supplemental Indenture; and

(2) Guarantees, Liens or obligations with respect to letters of credit supporting Indebtedness otherwise included in the determination of such particular amount shall not be included as additional Indebtedness.

(f) For purposes of determining compliance with this covenant:

(1) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness described in the above clauses, the Company, in its sole discretion, shall classify such item of Indebtedness (or any portion thereof) at the time of incurrence and will only be required to include the amount and type of such Indebtedness in one of the above clauses;

(2) the Company will be entitled at the time of Incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above, and with respect to any Indebtedness Incurred pursuant to any specific clause under subsection (d) of this Section 5.01 of this Twenty-Ninth Supplemental Indenture, the Company may, after such Indebtedness is Incurred reclassify all or a portion of such Indebtedness under a different clause of subsection (d) of this Section 5.01; and

(3) Indebtedness under clauses (13) and (14) of subsection (d) of this Section 5.01 of this Twenty-Ninth Supplemental Indenture shall be reclassified automatically as having been incurred pursuant to subsection (a) of this Section 5.01 if at any date after such Indebtedness is Incurred, such Indebtedness could have been Incurred under subsection (a) of this Section 5.01, but only to the extent such Indebtedness could have been so Incurred.

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness the Company and the Subsidiary Guarantors may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

Section 5.02 *Limitation on Liens*. For purposes of Series T Notes, Section 4.8 of the Indenture is hereby replaced and superseded by the following covenant and the following covenant shall apply to the Series T Notes:

Neither the Company, the Subsidiary Guarantors, nor any Restricted Subsidiary shall secure any Indebtedness under the Credit Facility or the Existing Senior Notes by a Lien or suffer to exist any Lien on their respective properties or assets securing Indebtedness under the Credit Facility or the Existing Senior Notes unless effective provision is made to secure the notes equally and ratably with the Lien securing such Indebtedness for so long as Indebtedness under the Credit Facility or Existing Senior Notes is secured by such Lien.

Section 5.03 *Limitation on Restricted Payments*. For purposes of Series T Notes, Section 4.15 of the Indenture is hereby replaced and superseded by the following covenant and the following covenant shall apply to the Series T Notes:

(a) The Company and the Subsidiary Guarantors will not, and the Company and the Subsidiary Guarantors will not permit any of its or their respective Restricted Subsidiaries to, directly or indirectly, make a Restricted Payment if, at the time of, and after giving effect to, the proposed Restricted Payment:

(1) a Default or Event of Default shall have occurred and be continuing;

(2) the Company could not Incur at least \$1.00 of Indebtedness under paragraph (a) of Section 5.01 of this Twenty-Ninth Supplemental Indenture; or

(3) the aggregate amount of all Restricted Payments (the amount, if other than in cash, the fair market value of any property used therefor) made on and after the Issue Date shall exceed the sum of, without duplication:

(A) 95% of the aggregate amount of the Funds From Operations (or, if the Funds From Operations is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis during the period (taken as one accounting period) beginning on the first day of the fiscal quarter in which the Issue Date occurs and ending on the last day of the last fiscal quarter preceding the Transaction Date;

(B) 100% of the aggregate Net Cash Proceeds received by the Company after the Issue Date from the issuance and sale permitted by the Indenture of its Capital Stock (other than Disqualified Stock) to a Person who is not a Subsidiary of the Company including from an issuance to a Person who is not a Subsidiary of the Company of any options, warrants or other rights to acquire the Capital Stock of the Company (in each case, exclusive of any Disqualified Stock or any options, warrants or other rights that are redeemable at the option of the holder, or are required to be redeemed, prior to the Stated

Maturity of the Securities or Equity Offerings to the extent used to redeem notes in compliance with the provisions set forth in Section 1.03 of this Twenty-Ninth Supplemental Indenture), and the amount of any Indebtedness (other than Indebtedness subordinate in right of payment to the notes) of the Company that was issued and sold for cash upon the conversion of such Indebtedness after the Issue Date into Capital Stock (other than Disqualified Stock) of the Company, or otherwise received as Capital Contributions, exclusive of Capital Contributions to the extent used to redeem notes in compliance with the provisions set forth under Section 1.03 of this Twenty-Ninth Supplemental Indenture;

(C) an amount equal to the net reduction in Investments (other than Permitted Investments) in any Person other than a Restricted Subsidiary after the Issue Date resulting from payments of interest on Indebtedness, dividends, repayments of loans or advances, or other transfers of assets, in each case to the Company or any of its Restricted Subsidiaries or from the Net Cash Proceeds from the sale of any such Investment (except, in each case, to the extent any such payment or proceeds are included in the calculation of Funds From Operations) or from designations of Unrestricted Subsidiaries or Non-Consolidated Entities as Restricted Subsidiaries (valued in each case as provided in the definition of "*Investments*");

(D) the fair market value of noncash tangible assets or Capital Stock (other than that of the Company or its Parent) representing interests in Persons acquired after the Issue Date in exchange for an issuance of Qualified Capital Stock; and

(E) the fair market value of noncash tangible assets or Capital Stock (other than that of the Company or its Parent) representing interests in Persons contributed as a Capital Contribution to the Company after the Issue Date.

Notwithstanding the foregoing, (i) for purposes of determining whether the Company, the Subsidiary Guarantors and its and their respective Restricted Subsidiaries may make a Restricted Payment representing the declaration or payment of any dividend or other distribution in respect of Capital Stock of such Person or the Parent or any Restricted Subsidiary of such Person constituting Preferred Stock, the Consolidated Coverage Ratio of the Company contemplated by clause (2) of Section 5.01(a), shall be greater than or equal to 1.7 to 1 and (ii) the Company may make Permitted REIT Distributions.

Section 5.04 *Limitation on Asset Sales*. For purposes of Series T Notes, Section 4.12 of the Indenture is hereby replaced and superseded by the following covenant and the following covenant shall apply to the Series T Notes:

The Company and the Subsidiary Guarantors will not, and the Company and the Subsidiary Guarantors will not permit any of its or their respective Restricted Subsidiaries to, consummate any Asset Sale, unless:

- (1) the consideration received by the Company, the Subsidiary Guarantor or such Restricted Subsidiary is at least equal to the fair market value of the assets sold or disposed of as determined by the Board of the Company, in good faith; and
- (2) at least 75% of the consideration received consists of cash, Cash Equivalents and/or real estate assets; *provided* that, with respect to the sale of one or more real estate properties, up to 75% of the consideration may consist of indebtedness of the purchaser of such real estate properties so long as such Indebtedness is secured by a first priority Lien on the real estate property or properties sold; and *provided* that, for purposes of this clause (ii) the amount of:
 - (A) any Indebtedness (other than Indebtedness subordinated in right of payment to the notes or a Subsidiary Guarantee) that is required to be repaid or assumed (and is either repaid or assumed by the transferee of the related assets) by virtue of such Asset Sale and which is secured by a Lien on the property or assets sold; and
 - (B) any securities or other obligations received by the Company, any Subsidiary Guarantor or any such Restricted Subsidiary from such transferee that are immediately converted by the Company, the Subsidiary Guarantor or such Restricted Subsidiary into cash (or as to which the Company, any Subsidiary Guarantor or such Restricted Subsidiary has received at or prior to the consummation of the Asset Sale a commitment (which may be subject to customary conditions) from a nationally recognized investment, merchant or commercial bank to convert into cash within 90 days of the consummation of such Asset Sale and which are thereafter actually converted into cash within such 90-day period) will be deemed to be cash.

In the event that the aggregate Net Cash Proceeds received by the Company, any Subsidiary Guarantors or such Restricted Subsidiaries from one or more Asset Sales occurring on or after the Closing Date in any period of 12 consecutive months (such 12 consecutive month period, an "Asset Sale Period") exceed 1% of Total Assets (determined as of the date closest to the commencement of such Asset Sale Period for which a consolidated balance sheet of the Company and its Restricted Subsidiaries has been filed with the Securities and Exchange Commission or provided to the trustee pursuant to Section 4.2 of the Indenture), then during the period commencing 180 days prior to the commencement of such Asset Sale Period and running through the date that is 12 months after the date Net Cash Proceeds so received exceeded 1% of Total Assets, an amount equal to the Net Cash Proceeds received during such Asset Sale Period must have been or must be:

- (1) invested in or committed to be invested in, pursuant to a binding commitment subject only to reasonable, customary closing conditions, and providing an amount equal to the Net Cash Proceeds are, in fact, so invested, within an additional 180 days, (x) fixed assets and property (other than notes, bonds, obligations and securities) which in the good faith reasonable judgment of the Board of the Company will immediately constitute or be part of a Related Business of the Company, Subsidiary Guarantor or such Restricted Subsidiary (if it continues to be a Restricted Subsidiary) immediately following such transaction, (y) Permitted Mortgage Investments, or (z) a controlling interest in the Capital Stock of an entity engaged in a Related Business; provided that concurrently with an Investment specified in clause (z), such entity becomes a Restricted Subsidiary; or

(2) used to repay and permanently reduce Indebtedness outstanding under the Credit Facility (including that, in the case of a revolver or similar arrangement, such commitment is permanently reduced by such amount).

Pending the application of any such Net Cash Proceeds as described above, the Company may invest such Net Cash Proceeds in any manner that is not prohibited by the Indenture. Any Net Cash Proceeds from Asset Sales that are not or were not applied or invested as provided in the first sentence of this paragraph (including any Net Cash Proceeds which were committed to be invested as provided in such sentence but which are not in fact invested within the time period provided) will be deemed to constitute "*Excess Proceeds*."

Within 30 days following each date on which the aggregate amount of Excess Proceeds exceeds \$25 million, the Company will make an offer to purchase from the holders of the notes and holders of any of other Indebtedness of the Company ranking pari passu with the Securities from time to time outstanding with similar provisions requiring the Company to make an offer to purchase or redeem such Indebtedness with the proceeds from such Asset Sale, on a pro rata basis, an aggregate principal amount (or accreted value, as applicable) of Securities and such other Indebtedness equal to the Excess Proceeds on such date, at a purchase price in cash equal to 100% of the principal amount (or accreted value, as applicable) of the Securities and such other Indebtedness, plus, in each case, accrued interest (if any) to the Payment Date. To the extent that the aggregate amount of Securities and other senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount (or accreted value, as applicable) of Securities and such other Indebtedness tendered pursuant to an Asset Sale Offer exceeds the amount of Excess Proceeds, the Securities to be purchased and such other Indebtedness shall be selected on a *pro rata* basis. Upon completion of such Offer to Purchase, the amount of Excess Proceeds shall be reset at zero.

Notwithstanding, and without complying with, any of the foregoing provisions:

(1) the Company, the Subsidiary Guarantors and its and their respective Restricted Subsidiaries may, in the ordinary course of business, convey, sell, lease, transfer, assign or otherwise dispose of inventory acquired and held for resale in the ordinary course of business;

(2) the Company, the Subsidiary Guarantors and its and their respective Restricted Subsidiaries may convey, sell, lease, transfer, assign or otherwise dispose of assets pursuant to and in accordance with Article 5 and Section 4.13 of the Indenture;

(3) the Company, the Subsidiary Guarantors and its and their respective Restricted Subsidiaries may sell or dispose of damaged, worn out or other obsolete property in the ordinary course of business so long as such property is no longer necessary for the proper conduct of the business of the Company, the Subsidiary Guarantor or such Restricted Subsidiary, as applicable; and

(4) the Company, the Subsidiary Guarantors its and their respective Restricted Subsidiaries may exchange assets held by the Company, the Subsidiary Guarantor or a Restricted Subsidiary for one or more real estate properties and/or one or more Related Businesses of any Person or entity owning one or more real estate properties and/or one or more Related Businesses; *provided* that the Board of the Company has determined in good faith that the fair market value of the assets received by the Company are approximately equal to the fair market value of the assets exchanged by the Company.

No transaction listed in clauses (1) through (4) inclusive shall be deemed to be an “Asset Sale.”

Section 5.05 Events of Default. For purposes of Series T Notes, Section 6.1(d) of the Indenture is hereby replaced and superseded by the following clause solely with respect to the Series T Notes:

“(d) a default in (a) Secured Indebtedness of the Company or the Secured Indebtedness of any of the Company’s Restricted Subsidiaries with an aggregate principal amount in excess of 5% of Total Assets, or (b) other Indebtedness of the Company or other Indebtedness of any of its Restricted Subsidiaries with an aggregate principal amount in excess of \$100 million, in either case, (A) resulting from the failure to pay principal or interest when due (after giving effect to any applicable extensions or grace or cure periods) or (B) as a result of which the maturity of such Indebtedness has been accelerated prior to its final Stated Maturity;”

Section 5.06 Limitation on Dividend and Other Payment Restrictions Affecting Subsidiary Guarantors. Solely with respect to the Series T Notes, Section 4.10 of the Indenture

is hereby (a) amended by striking the word “or” immediately before clause (viii) in the first sentence of the second paragraph thereof and (b) supplemented by inserting the following additional clauses after clause (viii) in the first sentence of the second paragraph thereof:

(ix) imposed under purchase money obligations for property acquired in the ordinary course of business and Capitalized Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (iv) of the preceding paragraph; (x) by reason of provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Board of the Company and not otherwise prohibited by this Indenture, which limitation is applicable only to the assets that are the subject of such agreements and which do not detract from the value of the Company’s property or assets or the value of property or assets of any Restricted Subsidiary in any manner material to the Company and its Restricted Subsidiaries, taken as a whole; or (xi) by reason of restrictions on cash or other deposits or net worth imposed by hotel managers or other customers under contracts entered into in the ordinary course of business.

Section 5.07 *Removal of the Private Placement Legend from the Global Notes Under Specified Circumstances*. For purposes of Series T Notes, the following covenant is hereby added as Section 4.18 of the Indenture and the following covenant shall apply to the Series T Notes:

On or about the one year anniversary of the original issuance of the Series T Notes, the Company will deliver a notice to the Trustee requesting that the Private Placement Legend on each Global Note be removed, unless the Company reasonably determines that (i) Series T Notes are not eligible to be sold by a person who has not been an “affiliate” (as defined in Rule 405 under the Securities Act) of the Company or any Subsidiary Guarantor during the preceding 90 days without any volume or manner of sale restrictions under the Securities Act, (ii) Series T Notes are then held by an affiliate (as defined in Rule 405 under the Securities Act) of the Company, or (iii) the Company is prohibited from removing such legend under then applicable law, and if such notice cannot be delivered on such date, then such notice will be delivered as soon as reasonably possible thereafter; provided, however, that the failure to deliver such notice shall not constitute a Default or an Event of Default under the Indenture. Notwithstanding anything to the contrary contained in the Indenture, the Company may exchange an interest in a Global Note beneficially owned by an affiliate of the Company or any Subsidiary Guarantor for a Restricted Certificated Note in order to effectuate the foregoing.

Upon the removal of the Private Placement Legend, the Company will use commercially reasonable efforts to change the restricted CUSIP number on the Global Notes which have had the Private Placement Legend removed to an unrestricted CUSIP number, unless the Company reasonably determines that the Company is prohibited from

changing such CUSIP number under then applicable law; provided, however, that the failure to comply with this paragraph shall not constitute a Default or an Event of Default under the Indenture.

Upon the removal of the Private Placement Legend, the Company will arrange for a notice to Holders regarding the removal of the Private Placement Legend and if the CUSIP number on such Global Note has been changed, such notice shall include the new CUSIP number; provided, however, that the failure to deliver such notice shall not constitute a Default or an Event of Default under the Indenture.

ARTICLE 6

Section 6.01 For purposes of the Series T Notes, Section 2.7 of the Indenture is hereby supplemented with, and where inconsistent replaced by, the following provisions:

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes will be exchanged by the Company for Certificated Notes if:

(1) the Company delivers to the Trustee notice from the Depository (A) that it is unwilling or unable to continue to act as Depository and a successor Depository is not appointed by the Company within 90 days after the date of such notice from the Depository or (B) that it is no longer a clearing agency registered under the Exchange Act and a successor Depository is not appointed by the Company within 90 days after the date of such notice from the Depository;

(2) the Company, at its option, notifies the Trustee in writing that it elects to cause the issuance of Certificated Notes; or

(3) upon request of the Trustee or Holders of a majority of the principal amount of outstanding Series T Notes if there shall have occurred and be continuing a Default or Event of Default with respect to the Series T Notes.

Upon the occurrence of any of the preceding events in (1) (2) or (3) above, Certificated Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.8 and 2.11 of the Indenture. A Global Note may not be exchanged for another Series T Note other than as provided in this Section 6.01(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 6.01(b) or (c) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 6.01(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 6.01(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(ii) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(iii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Certificated Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Certificated Note shall be registered to effect the transfer or exchange referred to in (1) above;

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in the Indenture and the Series T Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 6.01(h) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 6.01(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 6.01(b)(2) above and:

(C) [Reserved.]

(D) the Registrar receives the following:

(1) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1) (a) thereof; or

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (D) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.3 of the Indenture, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (D) above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Certificated Notes.

(1) *Beneficial Interests in Restricted Global Notes to Restricted Certificated Notes.* If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Certificated Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Certificated Note, then, if the exchange or transfer complies with the requirements of Section 6.01(a) of this Twenty-Ninth Supplemental Indenture, upon receipt by the Registrar of the following documentation:

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3) (a) thereof;

(E) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

(F) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(G) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 6.01(h) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Certificated Note in the appropriate principal amount. Any Certificated Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 6.01(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of

such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Certificated Notes to the Persons in whose names such Notes are so registered. Any Certificated Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 6.01(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) *Beneficial Interests in Restricted Global Notes to Unrestricted Certificated Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Certificated Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Certificated Note only if the exchange or transfer complies with the requirements of Section 6.01(a) of this Twenty-Ninth Supplemental Indenture and:

(A) [Reserved.]

(B) [Reserved.]

(C) [Reserved.]

(D) the Registrar receives the following:

(1) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Certificated Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(2) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Certificated Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Certificated Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted

Certificated Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Certificated Note, then, if the exchange or transfer complies with the requirements of Section 6.01(a) of this Twenty-Ninth Supplemental Indenture and upon satisfaction of the conditions set forth in Section 6.01(b)(2) of this Twenty-Ninth Supplemental Indenture, the Trustee shall cause the aggregate principal amount of the applicable Unrestricted Global Note to be reduced accordingly pursuant to Section 6.01(h) hereof, and the Company shall execute and, upon receipt of a Company Order pursuant to Section 2.3 of the Indenture, the Trustee shall authenticate and deliver to the Person designated in the instructions an Unrestricted Certificated Note in the appropriate principal amount. Any Unrestricted Certificated Note issued in exchange for a beneficial interest pursuant to this Section 6.01(c)(3) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Unrestricted Certificated Notes to the Persons in whose names such Series T Notes are so registered. Host Hotels & Resorts, L.P., a Delaware limited partnership (hereinafter called the “Company,” which term includes any successors under the Indenture hereinafter referred to), promises to pay interest on the principal amount of this Security at the rate of 9% per annum from May 11, 2009 until maturity. To the extent it is lawful, the Company promises to pay interest on any interest payment due but unpaid on such principal amount at a rate of 9% per annum compounded semi-annually.

The Company will pay interest semi-annually on January 15 and July 15 of each year (each, an “Interest Payment Date”), commencing July 15, 2009. Interest on the 9% Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid on the Securities, from the date of the original issuance. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

2. Method of Payment.

The Company shall pay interest on the 9% Securities (except defaulted interest) to the Persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date. Holders must surrender Securities to a Paying Agent to collect principal payments. immediately available funds, if appropriate wire transfer instructions have been received in writing by the Trustee not fewer than 15 days prior to the applicable Interest Payment Date. Such wire instructions, upon receipt by the Trustee, shall remain in effect until revoked by such Holder. No service charge will be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

3. Paying Agent and Registrar.

Initially, The Bank of New York Mellon will act as Paying Agent and Registrar. The Company may change any Paying Agent, Registrar or co-Registrar without notice to the Holders. The Company or any of its Subsidiaries may, subject to certain exceptions, act as Paying Agent, Registrar or co-Registrar.

4. Indenture.

The Company issued the 9% Securities and the Subsidiary Guarantors issued their Guarantees under an Amended and Restated Indenture, dated as of August 5, 1998, as supplemented (the "Indenture"), between the Company, the Subsidiary Guarantors and the Trustee. Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The 9% Securities are unlimited in aggregate principal amount. The terms of the 9% Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as in effect on the date of the Indenture. The 9% Securities are subject to all such terms, and Holders of 9% Securities are referred to the Indenture and said Act for a statement of them. The Securities are senior, general obligations of the Company, secured initially by a pledge of Capital Stock of certain Subsidiaries of the Company, which pledge is shared equally and ratably with the Credit Facility, the Existing Senior Notes and certain existing and future Indebtedness of the Company ranking *pari passu* with the Securities. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by the provisions of the Indenture, (b) authorizes and directs the Trustee on his behalf to take such action as may be provided in the Indenture and (c) appoints the Trustee his attorney-in-fact for such purpose.

5. Redemption.

At any time prior to May 15, 2013 upon not less than 30 nor more than 60 days' notice, the Company may redeem the 9% Securities in whole or in part at any time at a Redemption Price equal to 100% of the principal amount thereof plus the Make-Whole Premium, together with accrued and unpaid interest thereon, if any, to the applicable Redemption Date Notice of a redemption of the 9% Securities made pursuant to this paragraph 5 shall be given in the manner set forth in Section 3.3 of the Indenture; *provided however*, that any such notice need not set forth the Redemption Price but need only set forth the calculation thereof as described in the immediately preceding sentence of this paragraph 5. The Redemption Price, calculated as aforesaid, shall be set forth in an Officer's Certificate delivered by the Company to the Trustee no later than one Business Day prior to the Redemption Date.

At any time on or after May 15, 2013, upon not less than 30 days' notice nor more than 60 days' notice, the Company may redeem the 9% Securities for cash at its option, in whole or in part, at the following Redemption Prices (expressed as percentages of the principal amount) if redeemed during the 12-month period commencing May 15 of the years indicated below, in each case, together with accrued and unpaid interest, if any, thereon to the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on an Interest Payment Date that is on or prior to the applicable Redemption Date):

<u>Year</u>	<u>Percentage</u>
2013	104.500%
2014	102.250%
2015	101.125%
2016 and thereafter	100.000%

Prior to May 15, 2012, the Company may redeem from time to time up to 35% of the aggregate principal amount of the 9% Securities outstanding at a Redemption Price equal to 109.000% of the principal amount thereof, together with accrued and unpaid interest thereon, if any, to the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on an Interest Payment Date that is on or prior to the applicable Redemption Date) with the Net Cash Proceeds of one or more Equity Offerings; provided, that at least 65% of the aggregate principal amount of the 9% Securities originally issued on the Series Issue Date remain outstanding after such redemption; and provided, further, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated.

The Company is not prohibited from acquiring the 9% Securities by means other than a redemption, whether pursuant to an issuer tender offer, in open market transactions, or otherwise, assuming such acquisition does not otherwise violate the terms of the Indenture.

The 9% Securities will not have the benefit of a sinking fund.

6. Denominations; Transfer; Exchange.

The 9% Securities are in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000. A Holder may register the transfer of, or exchange 9% Securities in accordance with, the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any 9% Securities (a) selected for redemption except the unredeemed portion of any 9% Security being redeemed in part or (b) for a period beginning 15 Business Days before the mailing of a notice of an offer to repurchase or redemption and ending at the close of business on the day of such mailing.

7. **Persons Deemed Owners.**

The registered Holder of a 9% Security may be treated as the owner of it for all purposes.

8. **Unclaimed Money.**

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent(s) will pay the money back to the Company at its written request. After that, all liability of the Trustee and such Paying Agent(s) with respect to such money shall cease.

9. **Discharge Prior to Redemption or Maturity.**

Except as set forth in the Indenture, if the Company irrevocably deposits with the Trustee, in trust, for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on such 9% Securities on the stated date for payment thereof or on the redemption date of such principal or installment of principal of, premium, if any, or interest on such 9% Securities, the Company will be discharged from certain provisions of the Indenture and the 9% Securities (including the restrictive covenants described in paragraph 11 below, but excluding its obligation to pay the principal of, premium, if any, and interest on the 9% Securities). Upon satisfaction of certain additional conditions set forth in the Indenture, the Company may elect to have its obligations and the obligations of the Subsidiary Guarantors discharged with respect to outstanding 9% Securities.

10. **Amendment; Supplement; Waiver.**

The Company, the Subsidiary Guarantors and the Trustee may enter into a supplemental indenture for certain limited purposes without the consent of the Holders. Subject to certain exceptions, the Indenture or the 9% Securities may be amended or supplemented with the written consent of the Holders of not less than a majority in aggregate principal amount of the 9% Securities then outstanding (except that any amendments or supplements to the provisions relating to security interests or with respect to the Guarantees of the Subsidiary Guarantors shall require the consent of the holders of not less than 66 ²/₃% of the aggregate principal amount of the Securities then outstanding), and any existing Default or Event of Default or compliance with any provision may be waived with the consent of the Holders of a majority in aggregate principal amount of the 9% Securities then outstanding. Without notice to or consent of any Holder, the parties thereto may under certain circumstances amend or supplement the Indenture or the 9% Securities to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not adversely affect the rights of any Holder of a 9% Security.

11. **Restrictive Covenants.**

The Indenture imposes certain limitations on the ability of the Company, the Subsidiary Guarantors and any of their respective Restricted Subsidiaries to, among other

things, incur additional Indebtedness and issue Disqualified Stock, pay dividends or make certain other Restricted Payments, enter into certain transactions with Affiliates, incur Liens, sell assets and subsidiary stock, merge or consolidate with any other Person or transfer (by lease, assignment or otherwise) substantially all of the properties and assets of the Company. The limitations are subject to a number of important qualifications and exceptions and certain restrictive covenants will cease to be applicable under certain circumstances. The Company must periodically report to the Trustee on compliance with such limitations.

12. Repurchase at Option of Holder.

(a) If there is a Change of Control Triggering Event, the Company shall be required to offer irrevocably to purchase on the Change of Control Purchase Date all outstanding 9% Securities at a purchase price equal to 101% of the principal amount thereof, plus (subject to the right of Holders of record on a Record Date that is on or prior to such Change of Control Purchase Date to receive interest due on the Interest Payment Date to which such Record Date relates) accrued and unpaid interest, if any, to the Change of Control Purchase Date. Holders of 9% Securities will receive a Change of Control Offer from the Company prior to any related Change of Control Purchase Date and may elect to have such 9% Securities purchased by completing the form entitled "Option of Holder to Elect Purchase" appearing below.

(b) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Indenture as described above under paragraph 5, unless and until there is a default in payment of the applicable redemption price.

(c) The Indenture imposes certain limitations on the ability of the Company, the Subsidiary Guarantors or any of their respective Restricted Subsidiaries to sell assets and subsidiary stock. In the event the Net Cash Proceeds from a permitted Asset Sale exceed certain amounts, as specified in the Indenture, the Company will be required either to reinvest the proceeds of such Asset Sale in a Related Business or other permitted investments, repay certain Indebtedness or to make an offer to purchase each Holder's 9% Securities at 100% of the principal amount thereof, plus accrued interest, if any, to the purchase date. The limitations and the Company's obligations with respect to the use of proceeds from an Asset Sale are subject to a number of important qualifications and exceptions and will cease to be applicable under certain circumstances.

13. Notation of Guarantee.

As set forth more fully in the Indenture, the Persons constituting Subsidiary Guarantors from time to time, in accordance with the provisions of the Indenture, irrevocably and unconditionally and jointly and severally guarantee, in accordance with

Section 12.1 of the Indenture, to the Holders and to the Trustee and its successors and assigns, that (i) the principal of and interest on the 9% Securities will be paid, whether at the Stated Maturity or Interest Payment Dates, by acceleration, call for redemption or otherwise, and all other obligations of the Company to the Holders or the Trustee under the Indenture or this 9% Security will be promptly paid in full or performed, all in accordance with the terms of the Indenture and this 9% Security, and (ii) in the case of any extension of payment or renewal of this 9% Security or any of such other obligations, they will be paid in full when due or performed in accordance with the terms of such extension or renewal, whether at the Stated Maturity, as so extended, by acceleration or otherwise. Such Guarantees shall cease to apply, and shall be null and void, with respect to any such guarantor who, pursuant to Article 12 of the Indenture, is released from its Guarantees, or whose Guarantees otherwise cease to be applicable pursuant to the terms of the Indenture.

14. Successor.

When a successor assumes all the obligations of its predecessor under the 9% Securities and the Indenture, the predecessor will be released from those obligations.

15. Defaults and Remedies.

If an Event of Default with respect to the 9% Securities occurs and is continuing (other than an Event of Default relating to bankruptcy, insolvency or reorganization of the Company), then either the Trustee or the Holders of 25% in aggregate principal amount of the 9% Securities then outstanding may declare all 9% Securities to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of 9% Securities may not enforce the Indenture or the 9% Securities, except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the 9% Securities. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding 9% Securities may direct the Trustee in its exercise of any trust or power with respect to such 9% Securities. The Trustee may withhold from Holders of 9% Securities notice of any continuing Default or Event of Default (except a Default in payment of principal or interest) if it determines that withholding notice is in their interest.

16. Trustee and Agent Dealings with Company.

The Trustee and each Agent under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or any Subsidiary Guarantor or any of their Subsidiaries or any of their respective Affiliates, and may otherwise deal with such Persons as if it were not the Trustee or such agent.

17. No Recourse Against Others.

No recourse for the payment of the principal of, premium, if any, or interest on the 9% Securities or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or the Subsidiary Guarantors in the Indenture, or in the 9% Securities or because of the creation

of any Indebtedness represented thereby, shall be had against any incorporator, partner, stockholder, officer, director, employee or controlling Person of the Company or the Subsidiary Guarantors or of any successor Person thereof, except as an obligor or guarantor of the 9% Securities pursuant to the Indenture. Each Holder, by accepting the 9% Securities, waives and releases all such liability.

18. Authentication.

This 9% Security shall not be valid until the Trustee or authenticating agent signs the certificate of authentication on the other side of this 9% Security.

19. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a 9% Security or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

20. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company will cause CUSIP numbers to be printed on the 9% Securities as a convenience to the Holders of the % Securities. No representation is made as to the accuracy of such numbers as printed on the 9% Securities and reliance may be placed only on the other identification numbers printed hereon.

21. [Reserved.]

22. Governing Law.

THE INDENTURE AND THE 9% SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK INCLUDING, WITHOUT LIMITATION, SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND NEW YORK CIVIL PRACTICE LAWS AND RULES 327(b).
