**Common Stock**

This prospectus supplement relates to up to 6,875,844 shares of our common stock that may be sold by the selling shareholders named in the prospectus dated April 15, 2003, as amended (the "Prospectus"), as such Prospectus is supplemented by this prospectus supplement. This prospectus supplement should be read in conjunction with the Prospectus.

This prospectus supplement serves to correct the name of a selling shareholder, which has changed its name since the date of the Prospectus. The selling shareholder identified in the Prospectus as "Summit Resources, Ltd." has changed its name to "Manchester Financial Group LP." The references to Summit Resources, Ltd. on the cover page of the Prospectus are hereby changed accordingly. In addition, the information appearing below, as of the date hereof, replaces the section appearing under the heading "Selling Shareholders" in the Prospectus.

**SELLING SHAREHOLDERS**

The 6,875,844 shares of common stock offered by the selling shareholders under this prospectus represent shares of common stock that may be issued by us upon the redemption of up to 6,875,844 OP Units held by the selling shareholders. The selling shareholders do not currently own any shares of common stock. The following table provides the name of each selling shareholder, the number of shares of common stock beneficially owned before this offering, the number of shares of common stock to be offered under this prospectus upon redemption of a corresponding number of OP Units held by such selling shareholder, and the number of shares of common stock beneficially owned by such selling shareholder after this offering. Because each selling shareholder may sell all, some or none of the shares of common stock covered by this prospectus, no estimate can be made of the actual number of shares of common stock that will be sold by the selling shareholders or that will be owned by the selling shareholders upon completion of the offering.
